*Amendment to Master Servicing Rights Purchase Agreement and Sale Supplements*

On April 6, 2015, Ocwen Loan Servicing, LLC (“Ocwen”) entered into Amendment No. 2 to Master Servicing Rights Purchase Agreement and Sale Supplements (the “Amendment”) with HLSS Holdings, LLC (“Holdings”), Home Loan Servicing Solutions, Ltd. (“HLSS”) and MSR-EBO Acquisition LLC (“Buyer” and, together with Holdings and HLSS, the “HLSS Parties”), which Amendment is effective upon the consummation and closing of the purchase by the Buyer, directly and through HLSS Advances Acquisition Corp., of substantially all of the assets of HLSS. The Amendment revised terms of (i) the Master Servicing Rights Purchase Agreement, dated as of October 1, 2012, as amended by Amendment No. 1 to Master Servicing Rights Purchase Agreement and Sale Supplements, dated as of December 26, 2012 (as so amended, the “MSR Purchase Agreement”) and (ii) certain sale supplements to the MSR Purchase Agreement (as heretofore amended, supplemented and modified from time to time, the “Sale Supplements” and, together with the MSR Purchase Agreement, the “Original Agreements”). In consideration of Ocwen’s consent to the assignment by HLSS to the Buyer of all HLSS’s right, title and interest in, to and under the Original Agreements, the Amendment will, among other things:

extend the term during which Ocwen is, subject to the provisions of the amended Original Agreements, entitled to be the named servicer on loans for which Rights to MSRs have been sold to HLSS (along with the associated economic benefits) for two additional years or until April 30, 2020, whichever is earlier, which would depend on the sale date for the applicable Rights to MSRs (existing terms ranged from February 2018 through October 2019 prior to the Amendment);

provide that such extension will not apply with respect to any servicing agreement that, as of the date that it was scheduled to terminate under the Original Agreements, is affected by an uncured Termination Event (as defined in the Sale Supplements) due to a downgrade of Ocwen’s servicer rating to “Below Average” or lower by S&P or to “SQ4” or lower by Moody’s;

provide that the parties will commence negotiating in good faith for an extension of the contract term and the servicing fees payable to Ocwen no later than six months prior to the end of the applicable term as extended pursuant to the Amendment; and

impose a two year standstill (until April 6, 2017 and subject to certain conditions) on the rights of the HLSS Parties to replace Ocwen as named servicer.

The Amendment also provides that Ocwen will sell to HLSS, on an exclusive and “as is” basis, all economic beneficial rights to the clean-up call rights Ocwen is entitled to pursuant to servicing agreements that underlie Rights to MSRs owned by HLSS, for a payment upon exercise of 0.50% of the unpaid principal balance of all performing mortgage loans (mortgage loans that are current or thirty days or less delinquent) associated with the applicable clean up-call.

In the event there is a future downgrade of Ocwen's S&P servicer rating below its current rating of "Average," Ocwen has also agreed to compensate Holdings for certain increased costs associated with its servicing advance financing facilities, including increased costs of funding, to the extent such costs are the direct result of such downgrade. The Amendment provides that any such compensation, if required, shall not exceed \$3.0 million for any calendar month or \$36.0 million in the aggregate. In such an event, Holdings has agreed to use commercially reasonable efforts to assist Ocwen in curing any potential cost increases by obtaining amendments to the relevant financing agreements.

This description of the Amendment is not complete and is qualified in its entirety by reference to the entire Amendment a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

**Item 8.01 Other Events.**

On March 31, 2015, Ocwen closed on its previously announced sale of mortgage servicing rights on a portfolio of performing Freddie Mac loans with an unpaid principal balance of approximately \$9.8 billion to Nationstar Mortgage LLC. Ocwen also paid down approximately \$74 million of its senior secured term loan.

Ocwen Financial Corporation (the "Company") expects that it will continue to need additional time to file its Form 10-K for the year ended December 31, 2014. Among other things, it requires additional time to prepare information related to its ability to operate as a going concern and to provide such information to the auditors for the purposes of their audit of the Company's financial statements for the year ended December 31, 2014.
