At this Special Meeting of Stockholders you will be asked to consider and vote upon a proposal to approve the Certificate of Amendment to the Company's Restated Certificate of Incorporation that will increase the number of shares of common stock that the Company will have authority to issue from Forty Million (40,000,000) to One Hundred Million (100,000,000) shares and change the name of the Company to "iLinc Communications, Inc."

The Company is proposing an increase in the number of authorized shares of its common stock to provide it needed flexibility with regard to possible issuances of common stock in connection with potential acquisitions, issuances of stock options, issuances to finance working capital needs and other corporate purposes. The failure to approve the proposal to increase the number of authorized shares will limit the Company's ability to finance its working capital needs and may prevent the Company from executing business activities and initiatives.

The Company is proposing to change its name from EDT Learning, Inc. to "iLinc Communications, Inc." to more accurately reflect its focus on the sale of its award winning suite of web conferencing software called iLinc. With the broadening of our product offering to include audio conferencing, video conferencing and other forms of Web-based communication services, changing the Company's name is intended to provide brand identification for customers, resellers and investors alike.

THE COMPANY'S BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE PROPOSAL AND RECOMMENDS THAT YOU VOTE FOR ITS APPROVAL. All shares represented by properly executed proxies will be voted in accordance with the specifications on the enclosed proxy. If no specification is made, proxies will be voted for approval of the proposal. The affirmative vote of a majority of the outstanding shares of common stock of the Company is required to approve the proposal. Detailed information concerning the proposal is set forth in the attached proxy statement

PROXY STATEMENT

GENERAL INFORMATION

The enclosed proxy is solicited by and on behalf of the Board of Directors of EDT Learning, Inc., (the "Company"), for use at a special meeting of stockholders to be held at 9:00 a.m., local time, on February 5, 2004, at 2999 North 44th Street, Suite 650, Phoenix, Arizona 85018, and at any and all adjournments thereof. This Proxy Statement and the accompanying form of proxy are first being mailed or given to the stockholders of the Company on or about December 30, 2003.

INFORMATION CONCERNING SOLICITATION AND VOTING

All voting rights are vested exclusively in the holders of the Company's common stock, par value \$0.001 per share. Each share of the Company's common stock is entitled to one vote. Holders of a majority of shares entitled to vote at the special meeting, when present in person or by proxy constitute a quorum. On December 18, 2003, the Record Date for stockholders entitled to vote at the special meeting, 17,238,618 shares of the Company's common stock were issued and outstanding.

Proxies in the enclosed form will be effective if properly executed and returned prior to the special meeting in the enclosed envelope either to Continental Stock Transfer & Trust Company, Proxy Department, 17 Battery Place FL 8, New York, New York 10004 or the Company at 2999 N. 44th Street, Suite 650, Phoenix,

Edgar Filing: EDT LEARNING INC - Form PRE 14A

Arizona 85018. If you received a proxy card with a web site address and voting codes, you may vote on the Internet at the web site indicated in the materials (for example, <http://www.proxyvote.com>) to ensure that your vote is recorded without mail delays.

The Company's common stock represented by each effective proxy will be voted at the special meeting in accordance with the instruction on the proxy. If no instructions are indicated on a proxy, all common stock represented by such proxy will be voted FOR approval of the Certificate of Amendment of the Company's Restated Certificate of Incorporation (the "Amendment") that will (i) increase the number of authorized shares of common stock, par value \$0.001 per share, that the Company will have authority to issue from Forty Million (40,000,000) shares to One Hundred Million (100,000,000) shares and (ii) change the name of the Company to "iLinc Communications, Inc."; and, as to any other matters of business which properly come before the special meeting, by the named proxies at their discretion.

Any stockholder signing and mailing the enclosed proxy may revoke it at any time before it is voted by giving written notice of the revocation to the Company, by voting in person at the special meeting or by filing at the special meeting a later executed proxy.

Approval of the Amendment requires the affirmative vote of the holders of a majority of the outstanding shares of common stock. With respect to any other matter which may properly come before the special meeting, unless a greater number of votes is required by law or by the Company's Restated Certificate of Incorporation, assuming a quorum is present, a matter will be approved by the stockholders if the votes cast in favor of the matter exceed the votes cast in opposition.

Abstentions and broker non-votes (i.e., shares held by brokers or nominees as to which the broker or nominee indicates on a proxy that it does not have discretionary authority to vote) will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum only. Therefore, broker non-votes and abstentions will have the same effect as a vote against the proposal to approve the Amendment. For purposes of determining the outcome of any other matter which properly may come before the special meeting, abstentions and broker non-votes will not be considered as votes cast for the matter.

The Company will pay the cost of soliciting proxies in the accompanying form. The Company has retained the services of Continental Stock Transfer & Trust Company to assist in distributing proxy materials to brokerage houses, banks, custodians and other nominee holders. The estimated cost of such services is approximately \$1,000 plus out-of-pocket expenses. Although there are no formal agreements to do so, proxies may be solicited by officers and other regular employees of the Company by telephone, telegraph or by personal interview for which employees will not receive additional compensation. Arrangements also may be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of the shares held of record by such persons, and the Company may reimburse such persons for reasonable out-of-pocket expenses incurred by them in so doing.

PROPOSAL ONE

APPROVAL OF A CERTIFICATE OF AMENDMENT TO THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK AND CHANGE THE NAME OF THE COMPANY

Edgar Filing: EDT LEARNING INC - Form PRE 14A

On December 8, 2003, the Company's Board of Directors unanimously adopted a resolution approving an amendment to the Company's Restated Certificate of Incorporation that would (i) increase the number of authorized shares of common stock, par value \$0.001 per share, that the Company will have authority to issue from Forty Million (40,000,000) shares to One Hundred Million (100,000,000) shares and (ii) change the name of the Company to "iLinc Communications, Inc." (the "Amendment").

THE BOARD OF DIRECTORS HAS DETERMINED THAT THE AMENDMENT IS IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND UNANIMOUSLY RECOMMENDS A VOTE FOR THE PROPOSAL.

A form of the authorized Amendment is attached to this Proxy Statement as Exhibit A. The additional 60,000,000 shares of common stock authorized by Amendment, if and when issued, will have the same rights and privileges as the shares of common stock presently issued and outstanding. Each holder of common stock is entitled to one vote per share on all matters submitted to a vote of stockholders. The common stock does not have cumulative voting rights. The holders of common stock share ratably on a per share basis in any dividends when, as and if declared by the Board of Directors out of funds legally available therefor and in all assets remaining after the payment of liabilities in the event of the liquidation, dissolution or winding up of the Company. There are no preemptive or other subscription rights, conversion rights or redemption or sinking fund provisions with respect to the common stock.

PURPOSES AND CERTAIN POSSIBLE EFFECTS OF INCREASING THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

The Company's Restated Certificate of Incorporation, as amended to date, currently authorizes the Company to issue up to 40,000,000 shares of common stock, \$0.001 par value per share, and 10,000,000 shares of preferred stock, \$0.001 par value per share. As of the Record Date the Company had outstanding 17,238,618 shares of common stock and 150,000 shares of preferred stock. At that date, there were an additional 22,439,000 shares of common stock reserved for possible future issuances leaving the Company only 323,000 shares of common stock available for issuance. The need to reserve common stock for future issuances arose primarily from the issuance of convertible notes and preferred stock and related warrants by the Company that provided \$7.275 Million in gross proceeds. The total shares of common stock that have been reserved for issuance fall into the following categories:

- o Issued and outstanding stock options to purchase common shares totaling approximately 2,086,000;
- o Issued and outstanding warrants to purchase common shares totaling approximately 7,397,664;
- o Issued and outstanding warrants to purchase \$577,500 of convertible redeemable subordinated notes with detachable warrants for 577,500 common shares, all of which are exercisable for or convertible into an aggregate 1,155,000 common shares;
- o Issued and outstanding warrants to purchase 15,000 shares of convertible preferred stock with detachable warrants for 75,500 common shares, all of which are exercisable for or convertible into a potential aggregate 575,000 common shares;
- o A restricted stock grant representing shares of common stock totaling approximately 450,000; and
- o Shares issuable upon the conversion of convertible redeemable subordinated notes and preferred stock totaling a potential aggregate of 10,775,000 common shares.

The Company has little flexibility to issue additional shares of common stock since currently only 323,000 shares of common stock are available for issuance.

Edgar Filing: EDT LEARNING INC - Form PRE 14A

The Board of Directors believes that the increase in the number of authorized shares of common stock at this time will provide the Company with needed flexibility to execute its business plan by providing an adequate number of authorized but unissued shares of common stock available to facilitate potential acquisitions, business combinations, stock dividends, stock options, stock splits, recapitalizations, equity financings and other general corporate purposes, without the expense or delay attendant in seeking stockholder approval at any special or annual meeting (except as may be required by law or by the American Stock Exchange rules).

-2-

The failure to approve the proposal may limit the Company's ability to finance its working capital needs and may prevent the Company from executing business activities and initiatives proposed by management and approved by the Board of Directors. If this proposal is approved, prior to any issuance of equity securities, the Board of Directors will consider factors including, among others, management's proposed initiative, the then current market price of the common stock, the proposed offering price of the equity securities, the potential dilution to Company stockholders, the working capital needs of the Company, and the terms and availability of alternative sources of financing. The Company currently has no arrangements or understandings for the issuance of the additional shares of common stock that would be authorized by the proposed Amendment. The approval of the proposed Amendment and the filing of the Amendment to authorize additional shares will not affect the rights of existing holders of common stock. However, the actual issuance of additional common stock by the Company would reduce each existing stockholder's proportionate ownership of the Company's equity.

Although it is not the purpose of the proposed Amendment, the authorized but unissued shares of common stock also could be used by the Board of Directors to discourage, delay or make more difficult a change in control of the Company. The Board of Directors is not aware of any pending or proposed effort to acquire control of the Company. If the proposed Amendment is approved, it will become effective upon the filing of the Certificate of Amendment with the Secretary of State of the State of Delaware.

PURPOSES OF CHANGING THE NAME OF THE COMPANY

The Company is proposing to change its name from EDT Learning, Inc. to "iLinc Communications, Inc." to more accurately reflect its current business model and the scope of its business offering. The Company currently is focused on the sale of its award winning web conferencing, virtual classroom and web collaboration software called iLinc. The Company intends to broaden its offering to include audio conferencing, video conferencing and other forms of Web-based real-time multimedia collaboration and communication services. Changing the Company's name to reflect its focus and expanded product offering also is intended to provide brand identification for customers, resellers and investors alike. In addition to the name change the Company will be changing its stock ticker symbol to "ILC."

The Board of Directors unanimously approved the adoption of the Certificate of Amendment to the Restated Certificate of Incorporation.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE IN FAVOR OF THE PROPOSAL TO APPROVE THE CERTIFICATE OF AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION.

The approval of the Certificate of Amendment to the Company's Restated Certificate of Incorporation that will increase the number of authorized shares

Edgar Filing: EDT LEARNING INC - Form PRE 14A

of common stock from Forty Million (40,000,000) to One Hundred Million (100,000,000) shares and change the name of the Company to "iLinc Communications, Inc." must be approved by the affirmative vote of the holders of a majority of the outstanding shares of common stock.
