Item 3.03 Material Modification to Rights of Security Holders

On November 8, 2007, Royal Gold, Inc. (the Company) filed a Certificate of Designations of 7.25% Mandatory Convertible Preferred Stock (the Certificate of Designations) with the Secretary of State of the State of Delaware. The Certificate of Designations established and authorized 1,150,000 shares of the 7.25% Mandatory Convertible Preferred Stock as a series of the Company's preferred stock, par value \$0.01 per share, and established voting powers, preferences, and relative participating, optional, and other special rights of the shares of such series, and the qualifications, limitations, and restrictions thereof.

The 7.25% Mandatory Convertible Preferred Stock, with respect to dividend rights or rights upon our liquidation, winding-up or dissolution, ranks (a) senior to the Company's common stock, Series A Junior Participating Preferred Stock, \$0.01 par value per share, and each other class of capital stock or series of preferred stock the terms of which do not expressly provide that such class or series ranks senior to or on a parity with the 7.25% Mandatory Convertible Preferred Stock; (b) on parity with any class of capital stock or series of preferred stock the terms of which expressly provide that such class or series will rank on a parity with the 7.25% Mandatory Convertible Preferred Stock; (c) junior to each class of capital stock or series of preferred stock the terms of which expressly provide that such class or series will rank senior to the 7.25% Mandatory Convertible Preferred Stock; and (d) junior to the Company's existing and future indebtedness.

Holders of the 7.25% Mandatory Convertible Preferred Stock will be entitled to receive 7.25% of the liquidation preference of \$100 per share per year. Dividends accumulate from the date of issuance and, the Company will pay dividends to the extent that the Company is legally permitted to pay dividends and the Company's board of directors, or an authorized committee of the board of directors, declares a dividend payable. The expected dividend payable on the first dividend payment date of February 15, 2008 is \$1.9333 per share. Each subsequent quarterly dividend is expected to be \$1.8125 per share.

Unless all accumulated and unpaid dividends on the 7.25% Mandatory Convertible Preferred Stock for all past dividend periods have been paid in full, the Company will not, except in certain circumstances, (a) declare or pay any dividend or make any distribution of assets on any parity or junior stock, other than dividends or distributions in the form of parity or junior stock and cash solely in lieu of fractional shares in connection with any such dividend or distribution; (b) redeem, purchase or otherwise acquire any shares of junior stock or pay or make any monies available for a sinking fund for such shares of junior stock, other than (A) upon conversion or exchange for other junior stock, (B) the purchase of fractional interests in shares of any junior stock pursuant to the conversion or exchange provisions of such shares of junior stock or the forfeiture of unvested shares of restricted stock or share withholdings upon exercise, delivery or vesting of equity awards granted to officers, directors and employees upon termination of employment or service with the Company or any of its subsidiaries; or (c) redeem, purchase or otherwise acquire any shares of parity stock, except upon conversion into or exchange for other parity stock or junior stock and cash solely in lieu of fractional shares in connection with any such conversion or exchange.
