We will provide this information to you at no charge upon written or oral request directed to: General Counsel, Ventas, Inc., 10350 Ormsby Park Place, Suite 300, Louisville, Kentucky 40223, (502) 357-9000. In order to ensure timely delivery of the information, any request should be made by March 28, 2006, which is five business days before the exchange offer expires, unless extended.

You should rely only on the information and representations contained or incorporated by reference in this prospectus. We have not authorized anyone to provide you with different information or representations. If given or made, any such other information and representations should not be relied upon as having been authorized by us. You should assume that the information and representations contained in this prospectus and the documents incorporated by reference in this prospectus are accurate only as of the date hereof or as of the date which is specified in those documents, respectively. This prospectus is not an offer to sell or a solicitation of an offer to buy any securities other than the securities to which it relates. In addition, this prospectus is not an offer to sell or the solicitation of an offer to buy those securities in any jurisdiction in which the offer or solicitation is not authorized, or in which the person making the offer or solicitation is not qualified to do so, or to any person to whom it is unlawful to make an offer or solicitation. Each broker-dealer that receives exchange notes for its own account in the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of those exchange notes. The letter of transmittal that accompanies this prospectus states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act of 1933, as amended. FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated by reference herein include forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, which we refer to in this prospectus as the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended, which we refer to in this prospectus as the Exchange Act. All statements regarding our expected future financial position, results of operations, cash flows, funds from operations, dividends and dividend plans, financing plans, business strategy, budgets, projected costs, capital expenditures, competitive positions, growth opportunities, expected lease income, continued qualification as a real estate investment trust, which we refer to in this prospectus as a REIT, plans and objectives of management for future operations and statements that include words such as "anticipate," "if," "believe," "plan," "estimate," "expect," "intend," "may," "could," "should," "will" and other similar expressions are forward-looking statements. Such forward-looking statements are inherently uncertain, and you must recognize that actual results may differ from our expectations. We do not undertake a duty to update such forward-looking statements.

Our actual future results and trends may differ materially depending on a variety of factors discussed in our filings with the U.S. Securities and Exchange Commission, which we refer to in this prospectus as the Commission, and under "Risk Factors." Factors that may affect our plans or results include, without limitation:

the ability and willingness of our operators, tenants, borrowers and other third parties to meet and/or perform the obligations under their various contractual arrangements with us;

the ability and willingness of Kindred Healthcare, Inc., which we refer to in this prospectus together with its subsidiaries as Kindred, Brookdale Living Communities, Inc., which we refer to in this prospectus together with its subsidiaries as Brookdale, and Alterra Healthcare Corporation, which we refer to in this prospectus together with its subsidiaries as Alterra, to meet and/or perform their obligations to indemnify, defend and hold us harmless from and against various claims, litigation and liabilities under our respective contractual arrangements with Kindred, Brookdale and Alterra;

the ability of our operators, tenants and borrowers to maintain the financial strength and liquidity necessary to satisfy their respective obligations and liabilities to us and to other third parties, including without limitation obligations under their existing credit facilities;

our success in implementing our business strategy and our ability to identify, underwrite, finance, consummate and integrate diversifying acquisitions or investments, including those in different asset types and outside the United States;

the nature and extent of future competition;

the extent of future or pending healthcare reform and regulation, including cost containment measures and changes in reimbursement policies, procedures and rates;

increases in our cost of borrowing;

the ability of our operators to deliver high quality care and to attract patients;

the results of litigation affecting us;

changes in general economic conditions and/or economic conditions in the markets in which we may, from time to time, compete;

our ability to pay down, refinance, restructure and/or extend our indebtedness as it becomes due;

the movement of interest rates and the resulting impact on the value of and accounting for our interest rate swap agreement;

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

our ability and willingness to maintain our qualification as a REIT due to economic, market, legal, tax or other considerations;

the final determination of our taxable net income for the year ended December 31, 2005 and for the year ending December 31, 2006;

the ability and willingness of our tenants to renew their leases with us upon expiration of the leases and our ability to relet our properties on the same or better terms in the event such leases expire and are not renewed by the existing tenants;

the impact on the liquidity, financial condition and results of operations of our operators, tenants and borrowers resulting from increased operating costs and uninsured liabilities for professional liability claims, and the ability of our operators, tenants and borrowers to accurately estimate the magnitude of such liabilities; and

the value of our reset right with Kindred, which we refer to in this prospectus as the Reset Right, which is dependent on a variety of factors and is highly speculative.

Many of these factors are beyond our control and the control of our management.

We describe some of these risks and uncertainties in greater detail below under "Risk Factors." These risks could cause actual results of our industry or our actual results for the year 2006 and beyond to differ materially from those expressed in any forward-looking statement we make. Our future financial performance is dependent upon factors discussed elsewhere in this prospectus and the documents incorporated by reference herein. Forward-looking statements speak only as of the date on which they are made. For a discussion of factors that could cause actual results to differ, see "Risk Factors" below and the information contained in our publicly available filings with the Commission that are incorporated or deemed to be incorporated by reference in this prospectus. These filings are described under "Where You Can Find More Information and Incorporation by Reference."

Ventas

We are a healthcare REIT with a geographically diverse portfolio of healthcare-related and seniors housing facilities in the United States. As of December 31, 2005, this portfolio consisted of 200 skilled nursing facilities, 41 hospitals and 139 seniors housing and other facilities in 42 states. Except with respect to our medical office buildings, we lease these facilities to healthcare operating companies under "triple-net" or "absolute-net" leases, which require the tenants to pay all property-related expenses. As of December 31, 2005, Kindred leased 225 of our facilities. We also had real estate loan investments relating to 30 healthcare-related and seniors housing facilities as of December 31, 2005.

We conduct substantially all of our business through our wholly owned subsidiaries, Ventas Realty, PSLT OP, L.P. and Ventas Finance, and ETOP, in which we own substantially all of the partnership units. Our primary business consists of financing, owning and leasing healthcare-related and seniors housing facilities and leasing or subleasing such facilities to third parties.

Our business strategy is comprised of two primary objectives: diversifying our portfolio of properties and increasing our earnings. We intend to continue to diversify our real estate portfolio by operator, facility type, geography and reimbursement source. We intend to invest in or acquire additional healthcare-related and/or seniors housing assets across a wide spectrum.

Our principal executive offices are located at 10350 Ormsby Park Place, Suite 300, Louisville, Kentucky 40223, and our telephone number is (502) 357-9000.

The Exchange Offer

On December 9, 2005, the issuers sold \$125,000,000 aggregate principal amount of 6¹/₂% Senior Notes due 2016, which we refer to in this prospectus as the December 9 notes, and on December 20, 2005, the issuers sold an additional \$75,000,000 aggregate principal amount of 6¹/₂% Senior Notes due 2016, which we refer to in this prospectus as the December 20 notes and, together with the December 9 notes, the original notes, in private offerings exempt from registration under the Securities Act. In connection with the offering of the December 9 notes and the December 20 notes, the issuers, Ventas, Inc. and Ventas LLC entered into registration rights agreements, dated as of December 9, 2005 and December 20, 2005, respectively, with the initial purchasers of the December 9 notes and December 20 notes. In the registration rights agreements, the issuers, Ventas, Inc. and Ventas LLC agreed to register under the Securities Act an offer to exchange the issuers' new 6¹/₂% Senior Notes due 2016, which we refer to in this prospectus as the exchange notes, for the original notes. The issuers, Ventas, Inc. and Ventas LLC also agreed to deliver this prospectus to the holders of the original notes. In this prospectus, we refer to the original notes and the exchange notes collectively as the notes. You should read the discussions under the headings " The Exchange Notes" and "Description of Exchange Notes" for information regarding the exchange notes.

The Exchange Offer

This prospectus constitutes an offer to exchange \$1,000 in principal amount of the exchange notes for each \$1,000 in principal amount of the original notes. The exchange notes are substantially identical to the original notes, except that:

the exchange notes will be registered under the Securities Act;

the exchange notes will be freely transferable, other than as described in this prospectus and will not contain any legend restricting their transfer;

holders of the exchange notes will not be entitled to certain rights of the holders of the original notes under the applicable registration rights agreement, which rights will terminate upon completion of the exchange offer; and

the exchange notes will not contain any provisions regarding the payment of liquidated damages.

Based upon interpretations by the staff of the Commission set forth in no action letters issued to unrelated third parties, we believe that you can transfer the exchange notes without complying with the registration and prospectus delivery provisions of the Securities Act if you:

acquire the exchange notes in the ordinary course of your business;

have no arrangement or understanding with any person or entity to participate in a distribution (within the meaning of the Securities Act) of the exchange notes;

are not an "affiliate" (within the meaning of Rule 405 under the Securities Act) of the issuers or the guarantors;

are not a broker-dealer (within the meaning of the Securities Act) that acquired the original notes directly from an issuer or guarantor; and

are not a broker-dealer (within the meaning of the Securities Act) that acquired the original notes for your own account as a result of market-making or other trading activities.

If any of these conditions are not satisfied and you transfer any exchange notes without delivering a proper prospectus or without qualifying for a registration exemption, you may incur liability under the Securities Act.

Each broker-dealer that receives exchange notes for its own account in exchange for original notes that it acquired as a result of market-making activities or other trading activities must acknowledge that it will deliver a prospectus in connection with any resale of those exchange notes. See "Plan of Distribution."

Registration Rights Agreements

Under each of the registration rights agreements, the issuers, Ventas, Inc. and Ventas LLC have agreed to use their best efforts to consummate the exchange offer or cause the respective original notes to be registered under the Securities Act to permit resales. If the issuers, Ventas, Inc. and Ventas LLC are not in compliance with their obligations under the applicable registration rights agreement, liquidated damages will accrue on the respective original notes in addition to the interest that is otherwise due on those original notes. If the exchange offer is completed on the terms and within the time period contemplated by this prospectus, no liquidated damages will be payable on the original notes. The exchange notes will not contain any provisions regarding the payment of liquidated damages. See "The Exchange Offer Liquidated Damages."

Minimum Condition

The exchange offer is not conditioned on any minimum aggregate principal amount of original notes being tendered for exchange.

Expiration Date

The exchange offer will expire at 5:00 p.m., New York City time, on April 4, 2006, unless the issuers extend it.

Exchange Date

Properly tendered original notes will be accepted for exchange at the time when all conditions of the exchange offer are satisfied or waived. The exchange notes will be delivered promptly after the issuers and the guarantors accept the original notes.

Conditions to the Exchange Offer

The obligation of the issuers and the guarantors to complete the exchange offer is subject to certain conditions. See "The Exchange Offer Conditions to the Exchange Offer." The issuers reserve the right to terminate or amend the exchange offer at any time prior to the expiration date upon the occurrence of certain specified events.

Withdrawal Rights

You may withdraw the tender of your original notes at any time before 5:00 p.m., New York City time, on the expiration date of the exchange offer. Any original notes not accepted for any reason will be returned to you without expense promptly after the expiration or termination of the exchange offer.

Procedures for Tendering Original Notes

See "The Exchange Offer How to Tender."

Material United States Federal Income Tax Considerations

The exchange of original notes for exchange notes by U.S. Holders (as defined in this prospectus) will not be a taxable exchange for U.S. federal income tax purposes, and U.S. Holders will not recognize any taxable gain or loss as a result of such exchange.

Effect on Holders of the Original Notes

If the exchange offer is completed on the terms and within the period contemplated by this prospectus, holders of original notes will have no further registration or other rights under the applicable registration rights agreement, except under limited circumstances. See "The Exchange Offer Other."

Holders of original notes who do not tender their original notes will continue to hold those original notes. All untendered, and tendered but unaccepted, original notes will continue to be subject to the restrictions on transfer provided for in those original notes and the indenture governing those original notes. To the extent that the original notes are tendered and accepted in the exchange offer, the trading market, if any, for the original notes could be adversely affected. See "Risk Factors Risks Relating to the Exchange Offer You may not be able to sell your original notes if you do not exchange them for registered exchange notes in the exchange offer" and " Your ability to sell your original notes may be significantly more limited and the price at which you may be able to sell your original notes may be significantly lower if you do not exchange them for registered exchange notes in the exchange offer" and "The Exchange Offer Other."

Use of Proceeds

We will not receive any proceeds from the issuance of exchange notes pursuant to the exchange offer.

Exchange Agent

U.S. Bank National Association is serving as the exchange agent in connection with the exchange offer.

The Exchange Notes

The summary below describes the principal terms of the exchange notes. Some of the terms and conditions described below are subject to important limitations and exceptions. The "Description of Exchange Notes" section of this prospectus contains a more detailed description of the terms and conditions of the exchange notes. Capitalized terms not previously defined have the meanings ascribed to such terms under "Description of Exchange Notes Certain Definitions."

The exchange notes will evidence the same debt, and will be entitled to the benefits of the same indenture, as the original notes. The terms of the exchange notes will be substantially identical to the terms of the original notes. See " The Exchange Offer" and "Description of Exchange Notes."

Issuers	Ventas Realty, Limited Partnership and Ventas Capital Corporation.
Securities	Up to \$200 million aggregate principal amount of 6½% Senior Notes due 2016.
Maturity	June 1, 2016.
Interest	6½% per annum.
Interest Payment Dates	Semi-annually in arrears on June 1 and December 1 of each year, commencing on June 1, 2006. The exchange notes will accrue interest from the last interest payment date on which interest was paid on the original notes surrendered in exchange therefor or, if no interest has been paid on the original notes, December 9, 2005.
Guarantees	The exchange notes will be unconditionally guaranteed, jointly and severally, on a senior unsecured basis by Ventas, Inc. and each of Ventas, Inc.'s current and future Restricted Subsidiaries (other than Excluded Joint Ventures) (as each term is defined in the indenture governing the exchange notes), which we collectively refer to in this prospectus as the guarantors, until certain conditions are met. See "Description of Exchange Notes Guarantees."
Ranking	The exchange notes are part of Ventas, Inc.'s, the other guarantors' and the issuers' general unsecured obligations, ranking equal in right of payment with all of such entities' existing and future senior unsecured indebtedness and ranking senior in right of payment to all of such entities' existing and future subordinated indebtedness. However, the exchange notes will be effectively subordinated to all borrowings and other obligations under our revolving credit facility with respect to the assets securing those obligations. The exchange notes will also be structurally subordinated to the indebtedness and other obligations of the Unrestricted Subsidiaries (as defined in the indenture governing the exchange notes) and any Excluded Joint Ventures with respect to the assets of such entities. As of December 31, 2005, the Unrestricted Subsidiaries and Excluded Joint Ventures had aggregate outstanding indebtedness of \$321.3 million, secured by 40 of our healthcare-related facilities. The Unrestricted Subsidiaries and Excluded Joint Ventures had assets of \$608.6 million, or 23.1% of our total assets, as of December 31, 2005.

As of December 31, 2005, we had approximately \$1.8 billion of outstanding indebtedness. See "Capitalization."

Optional Redemption

The issuers may redeem some or all of the exchange notes at any time prior to June 1, 2011, at a redemption price equal to 100% of their aggregate principal amount, plus a make-whole premium, plus accrued and unpaid interest, if any, to the date of redemption. The issuers may also redeem some or all of the exchange notes beginning on June 1, 2011, at the redemption prices listed under "Description of Exchange Notes Optional Redemption," plus accrued and unpaid interest, if any, to the date of redemption.

In addition, at any time prior to June 1, 2009, the issuers may redeem up to 35% of the aggregate principal amount of the notes with the net cash proceeds from certain equity offerings at the applicable redemption price described under "Description of Exchange Notes Optional Redemption," plus accrued and unpaid interest, if any, to the date of redemption.

Change of Control

If Ventas, Inc. experiences a change of control, as described in this prospectus, the issuers must make an offer to repurchase the exchange notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of purchase, unless certain conditions are met, including certain conditions relating to the ratings of the exchange notes.

Certain Covenants

The indenture governing the exchange notes contains covenants that limit Ventas, Inc.'s, the issuers' and the Restricted Subsidiaries' ability to, among other things:

incur debt;

incur secured debt;

make certain dividend payments, distributions and investments;

enter into certain transactions, including transactions with affiliates;

restrict dividends or other payments from subsidiaries;

merge, consolidate or transfer all or substantially all of its assets; and

sell assets.

Ventas, Inc., the issuers and the Restricted Subsidiaries, which we refer to in this prospectus collectively as the restricted group, are also required to maintain total unencumbered assets of at least 150% of their unsecured debt. If the exchange notes have an investment grade rating from either Moody's Investors Service, Inc. or Standard & Poor's Ratings Services, and certain other conditions are met, the application of certain of these covenants will be suspended. If the exchange notes have an investment grade rating from both rating agencies, and certain other conditions are met, certain of these covenants will no longer apply to the exchange notes.

These covenants are subject to important exceptions and qualifications, which are described under "Description of Exchange Notes Certain Covenants."

Absence of a Public Market for the Exchange Notes

The exchange notes are a new issue of securities and there is currently no established market for them. There can be no assurance as to the development or liquidity of any market for the exchange notes. The initial purchasers of the original notes have advised us that they presently intend to make a market in the notes, as permitted by applicable laws and regulations. However, they are not obligated to do so and may discontinue any such market-making activities at any time without notice. We do not intend to apply for listing of any of the exchange notes on any securities exchange or for inclusion in any automated dealer quotation system. See "Risk Factors Risks Relating to the Notes There is no public market for the notes, so you may be unable to sell the notes."

Risk Factors

Participating in the exchange offer involves risks. You should refer to "Risk Factors" on page 15 of this prospectus for an explanation of certain risks of participating in the exchange offer.

Regulatory Approvals

Other than the federal securities laws, there are no federal or state regulatory requirements that we must comply with and there are no approvals that we must obtain in connection with the exchange offer.

RATIO OF EARNINGS TO FIXED CHARGES

Our ratio of earnings to fixed charges for each of the periods indicated below was as follows:

	Year Ended December 31,				
	2001	2002	2003	2004	2005
Ratio of earnings to fixed charges(1)	1.58x	1.45x	2.44x	2.52x	2.19x

(1) For this ratio, earnings consist of earnings before income taxes, minority interest and discontinued operations plus fixed charges excluding capitalized interest. Fixed charges consist of interest expensed and capitalized, plus the portion of rent expense under operating leases deemed by us to be representative of the interest factor.

RISK FACTORS

Our business, operations and financial condition are subject to various risks. Some of these risks are described below, and you should take these risks into account in evaluating us or any investment decision involving us, including participation in the exchange offer. This section does not describe all risks applicable to us, our industry or our business, and it is intended only as a summary of certain material factors. If any of the following risks actually occur, we could be materially and adversely affected and our ability to make payments on the notes may be adversely affected.

We have grouped these risk factors into five general categories:

Risks arising from our business;

Risks arising from our capital structure;

Risks arising from our status as a REIT;

Risks relating to the exchange offer; and

Risks relating to the notes.

Risks Arising from Our Business

We are dependent on Kindred and Brookdale Senior Living; Kindred's or Brookdale Senior Living's inability or unwillingness to satisfy its obligations under its agreements with us could significantly harm us and our ability to service our indebtedness, including the notes, and other obligations and to make distributions to our stockholders as required to continue to qualify as a REIT.

We are dependent on Kindred and Brookdale Senior Living in a number of ways:

We lease a substantial portion of our properties to Kindred under our master lease agreements with Kindred, which we refer to in this prospectus as the Kindred Master Leases, and therefore Kindred was the source of a significant majority of our total revenues in 2005 and 2004 and continues to be a majority source of our revenues;

as a result of the Provident acquisition, subsidiaries of Brookdale Senior Living, Brookdale and Alterra, the operators of the Provident properties, now account for a significant portion of our revenues; and

since the Kindred Master Leases and our leases with Brookdale and Alterra are triple-net leases, we depend on Kindred, Brookdale and Alterra to pay for insurance, taxes, utilities and maintenance and repair expenses required in connection with the leased properties.

We cannot assure you that Kindred or Brookdale Senior Living will have sufficient assets, income and access to financing and insurance coverage to enable it to satisfy its obligations under its agreements with us. In addition, any failure by Kindred or Brookdale Senior Living to effectively conduct its operations could have a material adverse effect on its business reputation or on its ability to enlist and maintain patients in its facilities. Any inability or unwillingness on the part of Kindred or Brookdale Senior Living to satisfy its obligations under its agreements with us could significantly harm us and our ability to service our indebtedness, including the notes, and our other obligations and to make distributions to our stockholders as required for us to continue to qualify as a REIT, which we refer to in this prospectus as having a material adverse effect on us.

We may be unable to find another lessee/operator for our properties if we have to replace Kindred, Brookdale, Alterra or our other operators.

We may have to find another lessee/operator for the properties covered by one or more of the Kindred Master Leases or the leases with Brookdale, Alterra or our other operators upon the expiration of the terms of the applicable lease or upon a default by Kindred, Brookdale, Alterra or our other operators. During any period that we are attempting to locate one or more lessees/operators there could be a decrease or cessation of rental payments by Kindred, Brookdale, Alterra or our other operators. We cannot assure you that we will be able to locate another suitable lessee/operator or, if we are successful in locating such an operator, that the rental payments from the new operator would not be significantly less than the existing rental payments. Our ability to locate another suitable lessee/operator may be significantly delayed or limited by various state licensing, receivership, certificate of need or other laws, as well as by Medicare and Medicaid change-of-ownership rules. In addition, we may also incur substantial additional expenses in connection with any such licensing, receivership or change-of-ownership proceedings. Such delays, limitations and expenses could materially delay or impact our ability to collect rent, to obtain possession of leased properties or otherwise to exercise remedies for tenant default and could have a material adverse effect on us.

We may encounter certain risks when implementing our business strategy to pursue investments in, and/or acquisitions or development of, additional healthcare-related and/or seniors housing assets.

We intend to continue to pursue investments in, and/or acquisitions or development of, additional healthcare-related and/or seniors housing assets domestically and internationally, subject to the contractual restrictions contained in the indenture governing the notes, our other existing indentures and our revolving credit facility. Investments in and acquisitions of these properties entail general investment risks associated with any real estate investment, including risks that the investment will fail to perform in accordance with expectations, the estimates of the cost of improvements necessary for acquired properties will prove inaccurate and the lessee/operator will be unable to meet performance expectations. In addition, investments in and acquisitions of properties outside the United States would subject us to legal, economic and market risks associated with operating in foreign countries, such as currency and tax risks. If we pursue new development projects, such projects would be subject to numerous risks, including risks of construction delays or cost overruns that may increase project costs, new project commencement risks such as receipt of zoning, occupancy and other required governmental approvals and permits and the risk of incurring development costs in connection with projects that are not pursued to completion. In addition, we may borrow to finance any investments in, and/or acquisition or development of, healthcare-related, seniors housing and/or other properties, which would increase our leverage.

We compete for acquisition or investment opportunities with entities that have substantially greater financial resources than we have. Our ability to compete successfully for such opportunities is affected by many factors, including our cost of obtaining debt and equity capital at rates comparable to or better than our competitors. Competition generally may reduce the number of suitable acquisition or investment opportunities available to us and increase the bargaining power of property owners seeking to sell, thereby impeding our acquisition, investment or development activities.

Even if we are successful at identifying and competing for investment or acquisition opportunities, these opportunities involve a number of risks. These risks include diversion of management's attention, the risk that the value of the properties or businesses that we invest in or acquire could decrease substantially after such investment or acquisition, and the risk that we will not be able to accurately assess the value of properties that are not of the type we currently own, some or all of which could have a material adverse effect on us.

Additionally, if we are successful in continuing to implement our business strategy to pursue investments in, and/or acquisitions or development of, additional healthcare-related and/or seniors housing assets or businesses, we intend to increase the number of operators of our properties and our business segments. We cannot assure you that we will have the capabilities to monitor and manage successfully a portfolio of properties with a growing number of operators and/or manage such businesses.

Our investments are concentrated in healthcare-related and seniors housing properties, making us more vulnerable economically than if our investments were diversified.

We invest primarily in real estate in particular, healthcare-related and seniors housing properties. Accordingly, we are exposed to the risks inherent in concentrating investments in real estate, and these risks become even greater due to the fact that all of our investments are in properties used in the healthcare or seniors housing industries. A downturn in the real estate industry could adversely affect the value of our properties. A downturn in the healthcare or seniors housing industries could negatively impact our operators' ability to make rental payments to us, which, in turn, could have a material adverse effect on us.

Furthermore, the healthcare industry is highly regulated, and changes in government regulation and reimbursement in the past have had material adverse consequences on the industry in general, which may not even have been contemplated by lawmakers and regulators. We cannot assure you that future changes in government regulation of healthcare will not have a material adverse effect on the healthcare industry, including our lessees/operators. Our ability to invest in non-healthcare, non-healthcare-related or non-seniors housing properties is restricted by the terms of our revolving credit facility, so these adverse effects may be more pronounced than if we diversified our investments outside of real estate or outside of healthcare and seniors housing.

Our tenants, including Kindred, may be adversely affected by increasing healthcare regulation and enforcement.

We believe that the regulatory environment surrounding the long-term healthcare industry has intensified both in the amount and type of regulations and in the efforts to enforce those regulations. This is particularly true for large for-profit, multi-facility providers like Kindred.

The extensive federal, state and local laws and regulations affecting the healthcare industry include, but are not limited to, laws and regulations relating to licensure, conduct of operations, ownership of facilities, addition of facilities and equipment, allowable costs, services, prices for services, quality of care, patient rights, fraudulent or abusive behavior, and financial and other arrangements which may be entered into by healthcare providers. Federal and state governments have intensified enforcement policies, resulting in a significant increase in the number of inspections, citations of regulatory deficiencies and other regulatory sanctions, including terminations from the Medicare and Medicaid programs, bars on Medicare and Medicaid payments for new admissions, civil monetary penalties and even criminal penalties.

If Kindred or our other tenants and operators fail to comply with the extensive laws, regulations and other requirements applicable to their businesses, they could become ineligible to receive reimbursement from governmental and private third-party payor programs, suffer civil or criminal penalties or be required to make significant changes to their operations. Kindred and our other tenants also could be forced to expend considerable resources responding to an investigation or other enforcement action under applicable laws or regulations. In addition, as part of a settlement agreement Kindred entered into with the federal government, it agreed to comply with the terms of a corporate integrity agreement. Kindred could incur additional expenses in complying with the corporate integrity agreement, and its failure to comply with the corporate integrity agreement could have a material

adverse effect on Kindred's results of operations, financial condition and its ability to make rental payments to us, which, in turn, could have a material adverse effect on us.

We are unable to predict the future course of federal, state and local legislation or regulation, including the Medicare and Medicaid statutes and regulations. Changes in the statutory or regulatory framework could have a material adverse effect on Kindred and our other operators, which, in turn, could have a material adverse effect on us.

Changes in the reimbursement rates or methods of payment from third-party payors, including the Medicare and Medicaid programs, could have a material adverse effect on certain of our tenants.

Kindred and certain of our other tenants and operators rely on reimbursement from third-party payors, including the Medicare and Medicaid programs, for substantially all of their revenues. There continue to be various federal and state legislative and regulatory proposals to implement cost-containment measures that limit payments to healthcare providers, such as the proposed rule issued by the Centers for Medicare & Medicaid Services on January 19, 2006 updating payment rates for long-term acute care hospitals for the 2007 rate year. In addition, private third-party payors have continued their efforts to control healthcare costs. We cannot assure you that adequate reimbursement levels will be available for services to be provided by Kindred and our other tenants which are currently being reimbursed by Medicare, Medicaid or private payors. Significant limits by governmental and private third-party payors on the scope of services reimbursed and on reimbursement rates and fees could have a material adverse effect on the liquidity, financial condition and results of operations of Kindred and certain of our other operators and tenants, which, in turn, could have a material adverse effect on us.

Significant legal actions could subject our operators to increased operating costs and substantial uninsured liabilities, which could materially and adversely affect the liquidity, financial condition and results of operations of our operators.

Although claims and costs of professional liability insurance seem to be growing at a slower pace, our skilled nursing facility operators have experienced substantial increases in both the number and size of professional liability claims in recent years. In addition to large compensatory claims, plaintiffs' attorneys continue to seek significant punitive damages and attorneys' fees.

Due to the high level in the number and severity of professional liability claims against healthcare providers, the availability of professional liability insurance has been severely restricted and the premiums on such insurance coverage have increased dramatically. As a result, the insurance coverage of our operators might not cover all claims against them or continue to be available to them at a reasonable cost. If our operators are unable to maintain adequate insurance coverage or are required to pay punitive damages, they may be exposed to substantial liabilities.

Kindred insures its professional liability risks in part through a wholly owned, limited purpose insurance company. The limited purpose insurance company insures initial losses up to specified coverage levels per occurrence with no aggregate coverage limit. Coverage for losses in excess of those per occurrence levels is maintained through unaffiliated commercial insurance carriers up to an aggregate limit. The limited purpose insurance company then insures all claims in excess of the aggregate limit for the unaffiliated commercial insurance carriers. Kindred maintains general liability insurance and professional malpractice liability insurance in amounts and with deductibles which Kindred management has indicated that it believes are sufficient for its operations.

Operators that insure their professional liability risks through their own captive limited purpose entities generally estimate the future cost of professional liability through actuarial studies which rely primarily on historical data. However, due to the increase in the number and severity of professional claims against healthcare providers, these actuarial studies may underestimate the future cost of claims,

and we cannot assure you that such operators' reserves for future claims will be adequate to cover the actual cost of such claims. If the actual cost of such claims is significantly higher than the operators' reserves, it could have a material adverse effect on the liquidity, financial condition and results of operation of our operators and their ability to make rental payments to us, which, in turn, could have a material adverse effect on us.

Our operators may be sued under a federal whistleblower statute.

Our operators who engage in business with the federal government may be sued under a federal whistleblower statute designed to combat fraud and abuse in the healthcare industry. These lawsuits can involve significant monetary damages and award bounties to private plaintiffs who successfully bring these suits. If any such lawsuits were to be brought against our operators, such suits combined with increased operating costs and substantial uninsured liabilities could have a material adverse effect on the liquidity, financial condition and results of operation of our operators and their ability to make rental payments to us, which, in turn, could have a material adverse effect on us.

If any of our properties are found to be contaminated, or if we become involved in any environmental disputes, we could incur substantial liabilities and costs.

Under federal and state environmental laws and regulations, a current or former owner of real property may be liable for costs related to the investigation, removal and remediation of hazardous or toxic substances or petroleum that are released from or are present at or under, or that are disposed of in connection with such property. Owners of real property may also face other environmental liabilities, including government fines and penalties imposed by regulatory authorities and damages for injuries to persons, property or natural resources. Environmental laws and regulations often impose liability without regard to whether the owner was aware of, or was responsible for, the presence, release or disposal of hazardous or toxic substances or petroleum. In certain circumstances, environmental liability may result from the activities of a current or former operator of the property. Although we are generally indemnified by the current operators of our properties for contamination caused by such operators, such indemnities may not adequately cover all environmental costs.

We have assumed substantially all of Provident's liabilities, including contingent liabilities; if these liabilities are greater than expected, or if there are unknown Provident obligations, our business could be materially and adversely affected.

As a result of the Provident acquisition, we have assumed substantially all of Provident's liabilities, including contingent liabilities to which Provident succeeded when it acquired the ownership interests in the properties which are currently leased to Brookdale and Alterra. We may learn additional information about Provident's business and liabilities that adversely affects us, such as:

liabilities for clean-up or remediation of undisclosed environmental conditions;

unasserted claims of vendors or other persons dealing with Provident or the former property owners;

liabilities, whether or not incurred in the ordinary course of business, relating to periods prior to the Provident acquisition, including periods prior to the acquisition of the Brookdale and Alterra properties by Provident;

claims for indemnification by general partners, directors, officers and others indemnified by Provident or the former property owners; and

liabilities for taxes relating to periods prior to the Provident acquisition, including taxes associated with the acquisition or prior ownership of the Brookdale and Alterra properties.

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

As a result, we cannot assure you that the Provident acquisition will be successful or will not, in fact, harm our business. Among other things, if Provident's liabilities are greater than expected, or if there are obligations of Provident of which we were not aware at the time of completion of the acquisition, or if the Provident acquisition fails to qualify as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, which we refer to in this prospectus as the Code, it could have a material adverse affect on us.

Risks Arising from Our Capital Structure

We may become more leveraged.

As of December 31, 2005, we had approximately \$1.8 billion of indebtedness. The indenture governing the notes, our other existing indentures and our revolving credit facility permit us to incur substantial additional debt, and we may borrow additional funds, which may include secured borrowings. A high level of indebtedness may have the following consequences:

substantial amounts of our existing debt will, and our future debt may, mature prior to the notes, making it more difficult for the issuers to repay the notes;

a substantial portion of our cash flow from operations must be dedicated to the payment of debt service, thus reducing the funds available for our business strategy and for distributions to stockholders;

potential limits on our ability to adjust rapidly to changing market conditions and vulnerability in the event of a downturn in general economic conditions or in the real estate and/or healthcare industries;

a potential impairment of our ability to obtain additional financing for our business strategy; and

a potential downgrade in the rating of our debt securities by one or more rating agencies, which could have the effect of, among other things, increasing our cost of borrowing.

We may be unable to raise additional capital necessary to continue to implement our business plan and to meet our debt payments.

In order to continue to implement our business plan and to meet our debt payments, we will need to raise additional capital. Our ability to incur additional indebtedness is restricted by the terms of the indenture governing the notes, our other existing indentures and our revolving credit facility. In addition, adverse economic conditions could cause the terms on which we can obtain additional borrowings to become unfavorable. In such circumstances, we may be required to raise additional equity in the capital markets or liquidate one or more investments in properties at times that may not permit realization of the maximum return on the investments and that could result in adverse tax consequences to us. In addition, certain healthcare regulations may constrain our ability to sell assets. We cannot assure you that we will be able to meet our debt service obligations and the failure to do so could have a material adverse effect on us.

We have now, and may have in the future, exposure to floating interest rates, which can have the effect of reducing our profitability.

We receive revenue primarily by leasing our assets under leases that are long-term triple-net leases in which the rental rate is generally fixed with annual rent escalations, subject to certain limitations. Certain of our debt obligations are floating-rate obligations with interest rate and related payments that vary with the movement of LIBOR or other indexes. The generally fixed rate nature of our revenue and the variable rate nature of certain of our interest obligations create interest rate risk and can have

the effect of reducing our profitability or making our lease and other revenue insufficient to meet our obligations. We are not limited in the amount of floating-rate debt that we may incur.

Risks Arising from Our Status as a REIT

Loss of our status as a REIT would have significant adverse consequences to us.

If we lose our status as a REIT, we will face serious tax consequences that will substantially reduce the funds available for satisfying our obligations under the notes and our existing indentures, including the indenture governing the notes, for each of the years involved because:

we would not be allowed a deduction for distributions to stockholders in computing our taxable income and would be subject to federal income tax at regular corporate rates;

we also could be subject to the federal alternative minimum tax and possibly increased state and local taxes; and

unless we are entitled to relief under statutory provisions, we could not elect to be subject to tax as a REIT for four taxable years following the year during which we were disqualified.

As a result of all these factors, our failure to qualify as a REIT also could impair our ability to implement our business strategy.

Qualification as a REIT involves the application of highly technical and complex provisions under the Code, for which there are only limited judicial and administrative interpretations. The determination of various factual matters and circumstances not entirely within our control may affect our ability to remain qualified as a REIT. In addition, new legislation, regulations, administrative interpretations or court decisions may adversely affect our investors or our ability to remain qualified as a REIT for tax purposes. Although we believe that we qualify as a REIT, we cannot assure you that we will continue to qualify or remain qualified as a REIT for tax purposes.

The 90% distribution requirement will decrease our liquidity and may limit our ability to engage in otherwise beneficial transactions.

To comply with the 90% distribution requirement applicable to REITs and to avoid a nondeductible excise tax, we must make distributions to our stockholders. The indenture governing the notes and our other existing indentures permit us to make annual distributions to our stockholders in an amount equal to the minimum amount necessary to maintain our REIT status so long as our ratio of Debt to Adjusted Total Assets (as variously defined in each such indenture) does not exceed 60% and to make additional distributions if we pass certain other financial tests. However, distributions may limit our ability to rely upon rental payments from our properties or subsequently acquired properties to finance investments, acquisitions or new developments. As a result, substantial distributions will be made to our stockholders prior to the scheduled maturity of the notes.

Although we anticipate that we generally will have sufficient cash or liquid assets to enable us to satisfy the REIT distribution requirement, it is possible that from time to time we may not have sufficient cash or other liquid assets to meet the 90% distribution requirement or we may decide to retain cash or distribute such greater amount as may be necessary to avoid income and excise taxation. This may be due to the timing differences between the actual receipt of income and actual payment of deductible expenses, on the one hand, and the inclusion of that income and deduction of those expenses in arriving at our taxable income, on the other hand. In addition, non-deductible expenses such as principal amortization or repayments or capital expenditures in excess of non-cash deductions may also cause us to fail to have sufficient cash or liquid assets to enable us to satisfy the 90% distribution requirement.

These distributions may impair our ability to make payments of principal of and interest on the notes and may limit our ability to rely upon rental payments from our properties or subsequently acquired properties to finance investments, acquisitions or new developments.

In the event that timing differences occur or we deem it appropriate to retain cash, we may borrow funds, issue equity securities (although we cannot assure you that we will be able to do so), pay taxable stock dividends, if possible, distribute other property or securities or engage in a transaction intended to enable us to meet the REIT distribution requirements. This may require us to raise additional capital to meet our obligations; however, see " Risks Arising from Our Capital Structure We may be unable to raise additional capital necessary to continue to implement our business plan and to meet our debt payments." The terms of our revolving credit facility, the indenture governing the notes and our other existing indentures will restrict our ability to engage in some of these transactions.

We may still be subject to corporate level taxes.

Following our REIT election, we are considered to be a former C corporation for income tax purposes. Therefore, we remain potentially subject to corporate level taxes for any Kindred asset dispositions occurring between January 1, 1999 and December 31, 2008. Also, as a consequence of the Provident acquisition, we remain potentially subject to corporate level taxes if we dispose of any of the Brookdale properties before November 2014.

Risks Relating to the Exchange Offer

You may not be able to sell your original notes if you do not exchange them for registered exchange notes in the exchange offer.

If you do not exchange your original notes for exchange notes in the exchange offer, your original notes will continue to be subject to the restrictions on transfer as stated in the legend on the original notes. In general, you may not offer, sell or otherwise transfer the original notes in the United States unless they are:

registered under the Securities Act;

offered or sold pursuant to an exemption from the Securities Act and applicable state securities laws; or

offered or sold in a transaction not subject to the Securities Act and applicable state securities laws.

The issuers and the guarantors do not currently anticipate that they will register the original notes under the Securities Act and, except for the limited instances involving the initial purchasers or holders of the original notes who are not eligible to participate in the exchange offer or who do not receive freely transferable exchange notes in the exchange offer, they will not be under any obligation to do so under the registration rights agreements or otherwise. Also, if the exchange offer is completed on the terms and within the time period contemplated by this prospectus, no liquidated damages will be payable on your original notes.

Your ability to sell your original notes may be significantly more limited and the price at which you may be able to sell your original notes may be significantly lower if you do not exchange them for registered exchange notes in the exchange offer.

To the extent that the original notes are tendered and accepted for exchange in the exchange offer, the trading market for the original notes that remain outstanding may be significantly more limited. As a result, the liquidity of the original notes not tendered and accepted for exchange could be adversely affected. The extent of the market for original notes and the availability of price quotations would

depend on a number of factors, including the number of holders of original notes remaining outstanding and the interest of securities firms in maintaining a market in the original notes. An issue of securities with a similar outstanding market value available for trading, which is called the "float," may command a lower price than would be comparable to an issue of securities with a greater float. As a result, the market price for the original notes that are not exchanged in the exchange offer may be affected adversely to the extent that the original notes exchanged in the exchange offer reduce the float. The reduced float also may make the trading price of the original notes that are not exchanged more volatile.

There are state securities law restrictions on the resale of the exchange notes.

In order to comply with the securities laws of certain jurisdictions, the exchange notes may not be offered or sold by any holder unless they have been registered or qualified for sale in such jurisdictions or an exemption from registration or qualification is available and the requirements of such exemption have been satisfied. The issuers and the guarantors do not currently intend to register or qualify the resale of the exchange notes in any such jurisdictions. However, an exemption is generally available for sales to registered broker-dealers and certain institutional buyers. Other exemptions under applicable state securities laws may also be available.

The issuers and the guarantors will not accept your original notes for exchange if you fail to follow the exchange offer procedures and, as a result, your original notes will continue to be subject to existing transfer restrictions and you may not be able to sell your original notes.

The issuers and the guarantors will issue exchange notes as part of the exchange offer only after the timely receipt of your original notes, a letter of transmittal properly completed and duly executed and all other required documents. Therefore, if you want to tender your original notes, please allow sufficient time to ensure timely delivery. If the issuers and the guarantors do not receive your original notes, letter of transmittal and other required documents by the expiration date of the exchange offer, they will not accept your original notes for exchange. The issuers and the guarantors are under no duty to give notification of defects or irregularities with respect to the tenders of original notes for exchange. If there are defects or irregularities with respect to your tender of the original notes, the issuers and the guarantors will not accept your original notes for exchange. See "The Exchange Offer How to Tender."

Risks Relating to the Notes

The exchange notes, like the original notes, entail the following risks:

Because the notes will be structurally subordinated to the obligations of our subsidiaries that are not guarantors, you may not be fully repaid if we become insolvent.

Of our subsidiaries, only the Restricted Subsidiaries (other than Excluded Joint Ventures) will be directly obligated on the notes. Holders of the notes will have no claims against the assets of the Unrestricted Subsidiaries (which include certain subsidiaries acquired pursuant to our acquisition of ElderTrust and certain subsidiaries acquired pursuant to the Provident acquisition) and any current or future Excluded Joint Ventures. As of December 31, 2005, the Unrestricted Subsidiaries and Excluded Joint Ventures had aggregate outstanding indebtedness of \$321.3 million, secured by 40 of our healthcare-related facilities. Our Unrestricted Subsidiaries and Excluded Joint Ventures had assets of \$608.6 million, or 23.1% of our total assets, as of December 31, 2005. We may, subject to the limitations contained in the indenture governing the notes and our other existing indentures, form additional Unrestricted Subsidiaries and Excluded Joint Ventures in the future. All obligations of the Unrestricted Subsidiaries and any Excluded Joint Ventures, including indebtedness to trade creditors,

will have to be paid, in full, before you will have any claims against the current and future Unrestricted Subsidiaries and Excluded Joint Ventures.

Because the notes that you hold are unsecured, you may not be fully repaid if we become insolvent.

The notes and the guarantees thereof are not secured by any of our assets or our subsidiaries' assets, and therefore will be effectively subordinated to any secured indebtedness we, or our subsidiaries, may incur to the extent of the assets securing such indebtedness, including outstanding borrowings under our revolving credit facility. The indenture governing the notes permit us to incur secured debt, including outstanding borrowings under our revolving credit facility, that is secured by certain of our assets. As of December 31, 2005, we had \$711.5 million principal amount of outstanding secured debt, secured by 105 of our healthcare-related facilities, including \$321.3 million of secured debt of the Unrestricted Subsidiaries and Excluded Joint Ventures which is non-recourse to us. If we were to become insolvent, the holders of any secured debt would receive payments from the assets pledged as security before you would receive payments on the notes.

If we experience a change in control, we may be unable to purchase the notes you hold as required under the indenture governing the notes.

Upon the occurrence of certain change of control events and unless certain conditions are met, we must make an offer to purchase all outstanding notes at a purchase price equal to 101% of the principal amount of the notes, plus accrued and unpaid interest, if any, to the date of purchase. We may not have sufficient funds to pay the purchase price for all notes tendered by holders seeking to accept the offer to purchase. In addition, our other existing indentures, our revolving credit facility and our other debt agreements may require us to repurchase other debt upon a change in control or may prohibit us from purchasing all validly tendered notes, which would result in an event of default under the indenture governing the notes. See "Description of Exchange Notes Certain Covenants Repurchase of Notes Upon a Change of Control."

Federal and state statutes allow courts, under specific circumstances, to void guarantees and require noteholders to return payments received from the issuers or the guarantors.

The guarantors' guarantees of the notes may be subject to review under U.S. federal bankruptcy law or relevant state fraudulent conveyance laws if a bankruptcy lawsuit is commenced by or on behalf of our or our guarantors' unpaid creditors. Under these laws, if in such a lawsuit a court were to find that, at the time a guarantor incurred debt (including debt represented by the guarantee), such guarantor:

incurred this debt with the intent of hindering, delaying or defrauding current or future creditors; or

received less than reasonably equivalent value or fair consideration for incurring this debt and the guarantor:

was insolvent or was rendered insolvent by reason of the related financing transactions;

was engaged, or about to engage, in a business or transaction for which its remaining assets constituted unreasonably small capital to carry on its business; or

intended to incur, or believed that it would incur, debts beyond its ability to pay these debts as they mature, as all of the foregoing terms are defined in or interpreted under the relevant fraudulent transfer or conveyance statutes;

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

then the court could void the guarantee or subordinate the amounts owing under the guarantee to the guarantor's presently existing or future debt, including trade payables, or take other actions detrimental to the holders of the notes.

In addition, the guarantors may be subject to the allegation that since they incurred their guarantees for our benefit, they incurred the obligations under the guarantees for less than reasonably equivalent value or fair consideration.

Each guarantee will contain a provision intended to limit the guarantors' liability to the maximum amount that it could incur without causing the incurrence of obligations under its guarantee to be a fraudulent transfer or conveyance. This provision may not be effective to protect the guarantees from being voided under fraudulent transfer law.

The guarantees provided by us and our subsidiaries are subject to certain defenses that may limit your right to receive payment on the notes.

Although the guarantees provide the holders of the notes with a direct claim against the assets of the guarantors, enforcement of the guarantees against any guarantor would be subject to certain "suretyship" defenses available to guarantors generally. Enforcement could also be subject to other defenses available to the guarantors in certain circumstances. To the extent that the guarantees are not enforceable, you would not be able to assert a claim successfully against such guarantors.

There is no public market for the notes, so you may be unable to sell the notes.

The exchange notes are new securities for which there is currently no market. Consequently, the notes may be relatively illiquid, and you may be unable to sell your notes, or if you are able to sell your notes, we cannot assure you as to the price at which you will be able to sell them. Future trading prices of the notes will depend on many factors, including, among other things, prevailing interest rates, economic conditions, our financial condition and the market for similar securities. We do not intend to apply for listing of the notes on any securities exchange or for the inclusion of the notes in any automated dealer quotation system. The initial purchasers of the original notes have advised us that they presently intend to make a market in the notes. However, they are not obligated to do so, and they may discontinue any market-making activities at any time in their sole discretion and without notice.

USE OF PROCEEDS

We will not receive any proceeds from the issuance of the exchange notes in the exchange offer. The exchange notes will evidence the same debt as the original notes surrendered in exchange for the exchange notes. Accordingly, the issuance of the exchange notes will not result in any change in our indebtedness.

Our net proceeds from the offering of the December 9 notes were approximately \$122.7 million after deducting offering expenses and the initial purchasers' discount. We used the net proceeds, together with borrowings under our revolving credit facility, to repay all of our outstanding indebtedness under our commercial mortgage backed securitization loan, which we refer to in this prospectus as the CMBS Loan. At the payoff date, \$209.8 million principal amount was outstanding under the CMBS Loan, which bore interest at a nominal weighted average rate of 5.6%. The CMBS Loan was scheduled to mature on December 9, 2006. See "Description of Other Indebtedness CMBS Transaction."

Our net proceeds from the offering of the December 20 notes were approximately \$73.6 million after deducting offering expenses and the initial purchasers' discount. We used the net proceeds to repay a portion of our outstanding indebtedness under our revolving credit facility. As of December 31, 2005, we had \$89.2 million of outstanding indebtedness (excluding outstanding letters of credit of \$0.2 million) under our revolving credit facility and the weighted average interest rate on the outstanding balance was 5.8% excluding the effects of the associated interest rate swap agreement. Our revolving credit facility matures on September 8, 2007, and such maturity date may be extended for one year at Ventas Realty's option if certain conditions are met. Indebtedness incurred under our revolving credit facility has been used primarily to fund acquisitions of or investments in healthcare-related properties and for general working capital purposes. In the future, we expect to reborrow under our revolving credit facility for working capital and other general corporate purposes, including acquisitions. See "Description of Other Indebtedness Our Revolving Credit Facility."

THE EXCHANGE OFFER

Purpose of the Exchange Offer

On December 9, 2005, the issuers sold the December 9 notes in a private offering exempt from registration under the Securities Act. On December 20, 2005, the issuers sold the December 20 notes in a private offering exempt from registration under the Securities Act. Accordingly, the original notes may not be reoffered, resold or otherwise transferred in the United States unless so registered or unless an exemption from the Securities Act registration requirements is available. In the registration rights agreements, the issuers and certain of the guarantors have agreed with the respective initial purchasers of the original notes to, at their own cost:

file an exchange offer registration statement with the Commission within 60 days after December 9, 2005;

use their respective commercially reasonable best efforts to cause the exchange offer registration statement to be declared effective under the Securities Act within 180 days after December 9; and

use their respective best efforts to consummate the exchange offer within 30 business days, or longer, if required by the federal securities laws, after the date on which the exchange offer registration statement is declared effective by the Commission.

In addition, the issuers and the guarantors have agreed to keep the exchange offer open for at least 20 business days, or longer if required by applicable law, after the date notice of the exchange offer is mailed to the holders of the original notes. The exchange notes are being offered under this prospectus to satisfy the obligations under the registration rights agreements.

Terms of the Exchange

Upon the terms and subject to the conditions in this prospectus and in the letter of transmittal that accompanies this prospectus, the issuers and the guarantors are offering to exchange \$1,000 in principal amount of exchange notes for each \$1,000 in principal amount of original notes. The terms of the exchange notes are substantially identical to the terms of the original notes, except that:

the exchange notes will be registered under the Securities Act;

the exchange notes will be freely transferable, other than as described in this prospectus and will not contain any legend restricting their transfer;

holders of the exchange notes will not be entitled to certain rights of the holders of the original notes under the applicable registration rights agreement, which rights will terminate upon completion of the exchange offer; and

the exchange notes will not contain any provisions regarding the payment of liquidated damages.

The exchange notes will evidence the same debt, and will be entitled to the benefits of the same indenture, as the original notes. See "Description of Exchange Notes."

The exchange offer is not conditioned on any minimum aggregate principal amount of original notes being tendered for exchange.

Based upon interpretations by the staff of the Commission set forth in no action letters issued to unrelated third parties, we believe that a holder of exchange notes issued in the exchange offer may transfer the exchange notes without complying with the registration and prospectus delivery provisions of the Securities Act if such holder:

acquires the exchange notes in the ordinary course of the holder's business;

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

has no arrangement or understanding with any person or entity to participate in a distribution (within the meaning of the Securities Act) of the exchange notes;

is not an "affiliate" (within the meaning of Rule 405 under the Securities Act) of the issuers or the guarantors;

is not a broker-dealer (within the meaning of the Securities Act) that acquired the original notes directly from an issuer or guarantor; and

is not a broker-dealer (within the meaning of the Securities Act) that acquired the original notes for its own account as a result of market-making or other trading activities.

If any of these conditions are not satisfied and a holder of exchange notes transfers any exchange note without delivering a proper prospectus or without qualifying for a registration exemption, such holder may incur liability under the Securities Act. See "Plan of Distribution."

Each broker-dealer that receives exchange notes for its own account in the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of those exchange notes. The letter of transmittal that accompanies this prospectus states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act. A participating broker-dealer may use this prospectus, as it may be amended or supplemented from time to time, in connection with resales of exchange notes received in exchange for original notes where those original notes were acquired by the broker-dealer for its own account as a result of market-making activities or other trading activities. The issuers, Ventas, Inc. and Ventas LLC have agreed, if requested by a participating broker-dealer, to use their respective commercially reasonable best efforts to keep the registration statement of which this prospectus is a part continuously effective for a period not to exceed 90 business days after the date on which the registration statement is declared effective, or such longer period if extended under certain circumstances, or such earlier date as all requesting participating broker-dealers have notified the issuers in writing that all such requesting participating broker-dealers have resold all exchange notes acquired in the exchange offer.

Tendering holders of original notes will not be required to pay brokerage commissions or fees or, subject to the instructions in the letter of transmittal, transfer taxes relating to the exchange of original notes for exchange notes in the exchange offer.

Shelf Registration Statement

If:

the issuers and the guarantors are not required to file the exchange offer registration statement or permitted to consummate the exchange offer because the exchange offer is not permitted by applicable law or Commission policy;

for any reason the exchange offer is not consummated within 30 business days after the 180th day following December 9, 2005; or

any holder of original notes notifies the issuers prior to the 20th day following consummation of the exchange offer that:

- (1) it is prohibited by law or the applicable interpretations of the Commission from participating in the exchange offer;
- (2) it may not resell the exchange notes acquired by it in the exchange offer to the public without delivering a prospectus and this prospectus is not appropriate or available for such resales; or

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

(3) it is a broker-dealer and owns original notes acquired directly from the issuers or an affiliate of the issuers,

the issuers and the guarantors will:

use their respective best efforts to file with the Commission a shelf registration statement to cover resales of the notes by the holders of such notes who satisfy certain conditions relating to the provision of information in connection with the shelf registration statement on or prior to 45 days after such filing obligation arises;

use their respective commercially reasonable efforts to cause any such shelf registration statement to be declared effective under the Securities Act on or prior to 180 days after such obligation arises; and

use their respective commercially reasonable efforts to keep any such shelf registration statement continuously effective under the Securities Act for the period ending on the earlier of December 9, 2007, subject to extension, and such shorter period ending when all notes covered by any such shelf registration statement have been sold in the manner set forth and as contemplated in such shelf registration statement or when there are no more original notes.

If the issuers and the guarantors file a shelf registration statement, they will, among other things:

provide to each holder for which the shelf registration statement was filed copies of the prospectus that is a part of the shelf registration statement;

notify each of the holders of the notes when the shelf registration statement has been declared effective under the Securities Act; and

take other actions as are required to permit unrestricted resales of the original notes or the exchange notes, as the case may be.

A holder selling original notes or exchange notes under a shelf registration statement generally must be named as a selling security holder in the related prospectus and must deliver a prospectus to purchasers. Consequently, the holder will be subject to the civil liability provisions under the Securities Act in connection with those sales and will be bound by any applicable provisions of the registration rights agreements, including specified indemnification obligations.

Liquidated Damages

Liquidated damages will accrue on the original notes, in addition to the stated interest on the notes, from and including the date on which a registration default occurs to, but excluding, the earlier of the date on which all such registration defaults have been cured and the date on which all notes otherwise become freely transferable by holders of the notes other than affiliates of the issuers, Ventas, Inc. and Ventas LLC without further registration under the Securities Act.

The occurrence of any of the following is a registration default with respect to the notes:

the failure to file any of the registration statements required by the registration rights agreements on or before the date specified therein for such filing;

any of such registration statements is not declared effective by the Commission on or prior to the date specified in the registration rights agreements for such effectiveness, which we refer to in this prospectus as the Effectiveness Target Date;

the exchange offer is not consummated on or prior to the 30th business day following the Effectiveness Target Date with respect to the exchange offer registration statement; or

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

the shelf registration statement or the exchange offer registration statement is declared effective but thereafter ceases to be effective or fails to be usable in connection with resales of notes covered by such registration statement during the periods specified in the registration rights agreements, except as specifically permitted in the registration rights agreements.

Liquidated damages will accrue on the notes, with respect to the first 90-day period immediately following the occurrence of the first registration default, in an amount equal to \$.05 per week per \$1,000 principal amount of notes held by such holder.

The amount of the liquidated damages will increase by an additional \$.05 per week per \$1,000 principal amount of notes with respect to each subsequent 90-day period until all registration defaults have been cured, up to a maximum amount of liquidated damages for all registration defaults of \$.20 per week per \$1,000 principal amount of notes.

Following the cure of all registration defaults, the accrual of liquidated damages will cease.

If the exchange offer is completed on the terms and within the period contemplated by this prospectus, no liquidated damages will be payable on the notes. The exchange notes will not contain any provisions regarding the payment of liquidated damages.

The summary of the provisions of the registration rights agreements contained in this prospectus does not purport to be complete. This summary is subject to and is qualified in its entirety by reference to all the provisions of the registration rights agreements, copies of which are exhibits to the registration statement of which this prospectus is a part.

Expiration Date; Extensions; Termination; Amendments

The expiration date of the exchange offer is 5:00 p.m., New York City time, on April 4, 2006, unless the issuers in their sole discretion extend the period during which the exchange offer is open. In that case, the expiration date will be the latest time and date to which the exchange offer is extended. The issuers reserve the right to extend the exchange offer at any time and from time to time before the expiration date by giving written notice to the exchange agent, U.S. Bank National Association, and by timely public announcement. Unless otherwise required by applicable law or regulation, the public announcement will be made by a release through PR Newswire. During any extension of the exchange offer, all original notes previously tendered in the exchange offer will remain subject to the exchange offer.

The initial exchange date will be the first business day following the expiration date. The issuers expressly reserve the right to:

terminate the exchange offer and not accept for exchange any original notes for any reason, including if any of the events described below under " Conditions to the Exchange Offer" shall have occurred and shall not have been waived by the issuers; and

amend the terms of the exchange offer in any manner.

If any termination or amendment occurs, the issuers will notify the exchange agent in writing and will either issue a timely public announcement communicated, unless otherwise required by applicable law or regulation, by making a release through PR Newswire or give written notice to the holders of the original notes as promptly as practicable. Unless the issuers terminate the exchange offer prior to 5:00 p.m., New York City time, on the expiration date, the issuers and the guarantors will exchange the exchange notes for the original notes on the exchange date.

If:

the issuers waive any material condition to the exchange offer or amend the exchange offer in any other material respect; and

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

at the time that notice of this waiver or amendment is first published, sent or given to holders of original notes in the manner specified above, the exchange offer is scheduled to expire at any time earlier than the fifth business day from, and including, the date that the notice is first so published, sent or given,

then the exchange offer will be extended until that fifth business day.

This prospectus and the letter of transmittal and other relevant materials will be mailed by the issuers and the guarantors to record holders of original notes. In addition, these materials will be furnished to brokers, banks and similar persons whose names, or the names of whose nominees, appear on the lists of holders for subsequent transmittal to beneficial owners of original notes.

How to Tender

The tender to the issuers and the guarantors of original notes according to one of the procedures described below will constitute an agreement between that holder of original notes and the issuers and the guarantors in accordance with the terms and subject to the conditions set forth in this prospectus and in the letter of transmittal. All references in this prospectus to a letter of transmittal include a facsimile of the letter of transmittal.

General Procedures. A holder of original notes may tender them by:

properly completing and signing the letter of transmittal and delivering the same, together with the certificate or certificates representing the original notes being tendered and any required signature guarantees, or a timely confirmation of a book-entry transfer according to the procedure described below, to the exchange agent at its address set forth below under " Exchange Agent" on or before the expiration date of the exchange offer; or

complying with the guaranteed delivery procedures described below.

If tendered original notes are registered in the name of the signer of the letter of transmittal and the exchange notes to be issued in exchange for accepted original notes are to be issued, and any untendered original notes are to be reissued, in the name of the registered holder, the signature of the signer need not be guaranteed. In any other case, the tendered original notes must be endorsed or accompanied by written instruments of transfer in form satisfactory to the issuers. They must also be duly executed by the registered holder. In addition, the signature on the endorsement or instrument of transfer must be guaranteed by an eligible guarantor institution that is a member of a recognized signature guarantee medallion program within the meaning of Rule 17Ad-15 under the Exchange Act. If the exchange notes and/or original notes not exchanged are to be delivered to an address other than that of the registered holder appearing on the note register for the original notes, an eligible guarantor institution must guarantee the signature on the letter of transmittal.

Any beneficial owner whose original notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee and who wishes to tender original notes should contact the holder promptly and instruct it to tender on the beneficial owner's behalf. If the beneficial owner wishes to tender the original notes itself, the beneficial owner must either make appropriate arrangements to register ownership of the original notes in its name or follow the procedures described in the immediately preceding paragraph. The beneficial owner must make these arrangements or follow these procedures before completing and executing the letter of transmittal and delivering the original notes. The transfer of record ownership may take considerable time.

Book-Entry Transfer. The exchange agent will make a request to establish one or more accounts for the original notes at the book-entry transfer facility, The Depository Trust Company, which we refer to in this prospectus as DTC, for purposes of the exchange offer within two business days after receipt of this prospectus. Subject to the establishment of the account, any financial institution that is a

participant in the book-entry transfer facility's systems may make book-entry delivery of original notes by causing the book-entry transfer facility to transfer the original notes into the exchange agent's account at the book-entry transfer facility in accordance with the facility's procedures. However, although delivery of original notes may be effected through book-entry transfer, the letter of transmittal, with any required signature guarantees and any other required documents, must, in any case, be transmitted to and received by the exchange agent at the address set forth below under " Exchange Agent" on or before the expiration date of the exchange offer, or the guaranteed delivery procedures described below must be complied with.

The method of delivery of original notes and all other documents is at the election and risk of the holder. If sent by mail, it is recommended that the holder use registered mail, return receipt requested, obtain proper insurance, and make the mailing sufficiently in advance of the expiration date of the exchange offer to permit delivery to the exchange agent on or before such expiration date.

Unless an exemption applies under the applicable law and regulations concerning backup withholding of U.S. federal income tax, the exchange agent will be required to withhold 28% of the gross proceeds otherwise payable to a holder in the exchange offer if the holder does not provide the holder's taxpayer identification number and certify that the number is correct. Each tendering holder should complete and sign the main signature form and the IRS Form W-9 included as part of the letter of transmittal, so as to provide the information and certification necessary to avoid backup withholding. This will not be required, however, if an applicable exemption exists and is proved in a manner satisfactory to the issuers and the exchange agent.

Guaranteed Delivery Procedures. If a holder desires to participate in the exchange offer and time will not permit a letter of transmittal or original notes to reach the exchange agent before the expiration date of the exchange offer, a tender may be effected if the exchange agent has received at the address set forth below under " Exchange Agent" on or before such expiration date a letter, telegram or facsimile transmission from an eligible guarantor institution that:

sets forth the name and address of the tendering holder, the names in which the original notes are registered, the principal amount of original notes to be tendered and, if possible, the certificate numbers of the original notes to be tendered;

states that the tender is being made thereby; and

guarantees that within three New York Stock Exchange trading days after the date of execution of the letter, telegram or facsimile transmission by the eligible guarantor institution, the original notes, in proper form for transfer, will be delivered by the eligible guarantor institution together with a properly completed and duly executed letter of transmittal and any other required documents.

Unless original notes being tendered by the above-described method or a timely confirmation of a book-entry transfer are deposited with the exchange agent within the time period described above, accompanied or preceded by a properly completed letter of transmittal and any other required documents, the issuers may reject the tender. Copies of a notice of guaranteed delivery that may be used by eligible guarantor institutions for the purposes described in the preceding paragraph are being delivered with this prospectus and the letter of transmittal.

A tender will be deemed to have been received as of the date when the tendering holder's properly completed and duly signed letter of transmittal accompanied by the original notes or a timely confirmation of a book-entry transfer is received by the exchange agent. Issuances of exchange notes in exchange for original notes tendered by an eligible guarantor institution as described above will be made only against deposit of the letter of transmittal and any other required documents and the tendered original notes or a timely confirmation of a book-entry transfer.

All questions as to the validity, form, eligibility, including time of receipt, and acceptance for exchange of any tender of original notes will be determined by the issuers. The issuers' determination will be final and binding. The issuers reserve the absolute right to reject any or all tenders not in proper form or the acceptances for exchange of which may, in the opinion of counsel to the issuers, be unlawful. The issuers also reserve the absolute right to waive any of the conditions of the exchange offer or any defect or irregularities in tenders of any particular holder whether or not similar defects or irregularities are waived in the case of other holders. None of the issuers, the exchange agent or any other person will incur any liability for failure to give notification of any defects or irregularities in tenders. The interpretation of the terms and conditions of the exchange offer by the issuers, including the letter of transmittal and the instructions to the letter of transmittal, will be final and binding.

Terms and Conditions of the Letter of Transmittal

The letter of transmittal contains, among other things, the following terms and conditions, which are part of the exchange offer.

The party tendering original notes for exchange, or the transferor, exchanges, assigns and transfers the original notes to the issuers and the guarantors and irrevocably constitutes and appoints the exchange agent as its agent and attorney-in-fact to cause the original notes to be assigned, transferred and exchanged. The transferor represents and warrants that:

it has full power and authority to tender, exchange, assign and transfer the original notes and to acquire exchange notes issuable upon the exchange of the tendered original notes; and

when the same are accepted for exchange, the issuers and the guarantors will acquire good and unencumbered title to the tendered original notes, free and clear of all liens, restrictions, charges and encumbrances and not subject to any adverse claim.

The transferor also warrants that it will, upon request, execute and deliver any additional documents the issuers deem necessary or desirable to complete the exchange, assignment and transfer of tendered original notes. The transferor further agrees that acceptance of any tendered original notes by the issuers and the guarantors and the issuance of exchange notes in exchange shall constitute performance in full by the issuers, Ventas, Inc. and Ventas LLC of their obligations under the applicable registration rights agreement and that the issuers, Ventas, Inc. and Ventas LLC shall have no further obligations or liabilities under the applicable registration rights agreement, except in certain limited circumstances. All authority conferred by the transferor will survive the death or incapacity of the transferor and every obligation of the transferor shall be binding upon the heirs, legal representatives, successors, assigns, executors and administrators of the transferor.

By tendering original notes, the transferor certifies that:

it is not an "affiliate" (within the meaning of Rule 405 under the Securities Act) of ours, that it is not a broker-dealer that owns original notes acquired directly from an issuer or guarantor, that it is acquiring the exchange notes offered hereby in the ordinary course of its business and that it has no arrangement or understanding with any person to participate in the distribution of the exchange notes; or

it is an affiliate (as so defined) of ours, and that it will comply with applicable registration and prospectus delivery requirements of the Securities Act.

Each broker-dealer that receives exchange notes for its own account in the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of those exchange notes. The letter of transmittal states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the Securities Act.

Withdrawal Rights

Original notes tendered in the exchange offer may be withdrawn at any time before 5:00 p.m., New York City time, on the expiration date of the exchange offer.

For a withdrawal to be effective, a written or facsimile transmission notice of withdrawal must be timely received by the exchange agent at its address set forth below under " Exchange Agent." Any notice of withdrawal must:

specify the person named in the letter of transmittal as having tendered original notes to be withdrawn;

specify the certificate numbers of original notes to be withdrawn;

specify the principal amount of original notes to be withdrawn, which must be an authorized denomination;

specify the CUSIP number of original notes to be withdrawn;

state that the holder is withdrawing its election to have those original notes exchanged;

state the name of the registered holder of those original notes to be withdrawn; and

be signed by the holder in the same manner as the original signature on the letter of transmittal, including any required signature guarantees, or be accompanied by evidence satisfactory to the issuers that the person withdrawing the tender has succeeded to the beneficial ownership of the original notes to be withdrawn.

The exchange agent will return the properly withdrawn original notes promptly following receipt of notice of withdrawal. All questions as to the validity of notices of withdrawals, including time of receipt, will be determined by the issuers, and this determination will be final and binding on all parties.

Acceptance of Original Notes for Exchange; Delivery of New Notes

Upon the terms and subject to the conditions of the exchange offer, the acceptance for exchange of original notes validly tendered and not withdrawn and the issuance of the exchange notes will be made on the exchange date of the exchange offer. For the purposes of the exchange offer, the issuers and the guarantors shall be deemed to have accepted for exchange validly tendered original notes when, as and if the issuers have given written notice of acceptance to the exchange agent.

The exchange agent will act as agent for the tendering holders of original notes for the purposes of receiving exchange notes from the issuers and the guarantors and causing the original notes to be assigned, transferred and exchanged. Upon the terms and subject to the conditions of the exchange offer, delivery of exchange notes to be issued in exchange for accepted original notes will be made by the exchange agent promptly after acceptance of the tendered original notes. Original notes not accepted for exchange will be returned without expense to the tendering holders. Or, in the case of original notes tendered by book-entry transfer, the non-exchanged original notes will be credited to an account maintained with the book-entry transfer facility promptly following its expiration date. If the issuers terminate the exchange offer before the expiration date, these non-exchanged original notes will be credited to the exchange agent's account promptly after the exchange offer is terminated.

Conditions to the Exchange Offer

Despite any other provision of the exchange offer or any extension of the exchange offer, the issuers will not be required to issue exchange notes for any properly tendered original notes not previously accepted. The issuers may terminate the exchange offer by written notice to the exchange agent and by either a timely public announcement communicated, unless otherwise required by

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

applicable law or regulation, by making a release through PR Newswire or written notice to the holders of the applicable original notes as promptly as practicable or, at their option, modify or otherwise amend the exchange offer, if:

the exchange offer violates applicable law or any applicable interpretation of the staff of the Commission;

an action or proceeding has been instituted or threatened in any court or by any governmental agency that might materially impair the ability of the issuers and the guarantors to proceed with the exchange offer;

a material adverse development has occurred in any existing action or proceeding with respect to the issuers or any guarantor; or

all governmental approvals that the issuers deem necessary for the consummation of the exchange offer have not been obtained.

The conditions described above are for the sole benefit of the issuers and the guarantors. The issuers may assert these conditions regarding all or any portion of the exchange offer regardless of the circumstances, including any action or inaction by the issuers, giving rise to the condition. The issuers may waive these conditions in whole or in part at any time or from time to time in their sole discretion. The failure by the issuers at any time to exercise any of the rights described above will not be deemed a waiver of any of those rights, and each right will be deemed an ongoing right which may be asserted at any time or from time to time. In addition, the issuers have reserved the right, despite the satisfaction of each of the conditions described above, to terminate or amend the exchange offer.

Any determination by the issuers concerning the fulfillment or non-fulfillment of any conditions will be final and binding upon all parties.

In addition, the issuers and the guarantors will not accept for exchange any original notes tendered, and no exchange notes will be issued in exchange for any original notes, if at that time any stop order is threatened or in effect relating to:

the registration statement of which this prospectus constitutes a part; or

the qualification of the indenture governing the exchange notes under the Trust Indenture Act.

Delivery to an address other than as set forth in this prospectus, or transmissions of instructions via a facsimile number other than the one set forth herein, will not constitute a valid delivery.

Solicitation of Tenders; Expenses

The issuers and the guarantors have not retained any dealer-manager or similar agent in connection with the exchange offer and will not make any payments to brokers, dealers or others for soliciting acceptances of the exchange offer. However, the issuers will pay the exchange agent reasonable and customary fees for its services and will reimburse it for reasonable out-of-pocket expenses in connection with its services. The issuers will also pay brokerage houses and other custodians, nominees and fiduciaries the reasonable out-of-pocket expenses incurred by them in forwarding tenders for their customers.

Appraisal Rights

Holders of original notes will not have dissenters' rights or appraisal rights in connection with the exchange offer.

United States Federal Income Tax Consequences

See "Material United States Federal Income Tax Considerations" for a discussion of the U.S. federal income tax consequences of participating in the exchange offer.

Other

Participation in the exchange offer is voluntary, and holders should carefully consider whether to accept the terms and conditions of the exchange offer. Holders of the original notes are urged to consult their financial and tax advisors in making their own decisions on what action to take.

As a result of the making of this exchange offer, and upon acceptance for exchange of all validly tendered original notes according to the terms of this exchange offer, the issuers and the guarantors will have fulfilled a covenant contained in the registration rights agreements. Holders of the original notes who do not tender their certificates in the exchange offer will continue to hold those certificates and will be entitled to all the rights, and limitations applicable to the original notes under the indenture, except for any rights under the applicable registration rights agreement which by their terms terminate or cease to have further effect as a result of the making of the exchange offer. See "Description of Exchange Notes."

All untendered, and tendered but unaccepted, original notes will continue to be subject to the restrictions on transfer provided for in the original notes and the indenture under which the original notes have been issued. In general, the original notes may not be reoffered, resold or otherwise transferred in the United States unless they are registered under the Securities Act, offered or sold pursuant to an exemption from the Securities Act and applicable state securities laws or offered or sold in a transaction not subject to the Securities Act and applicable state securities laws. Except under certain limited circumstances, we do not intend to register the original notes under the Securities Act.

In addition, any holder of original notes who tenders in the exchange offer for the purpose of participating in a distribution of the exchange notes may be deemed to have received restricted securities. If so, that holder will be required to comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction. To the extent that original notes are tendered and accepted in the exchange offer, the trading market, if any, for the original notes could be adversely affected.

The issuers and the guarantors may in the future seek to acquire untendered original notes in open market or privately negotiated transactions, through subsequent exchange offers or otherwise. The issuers and the guarantors have no present plan to acquire any original notes that are not tendered in the exchange offer.

DESCRIPTION OF OTHER INDEBTEDNESS

On a consolidated basis at December 31, 2005, we had approximately \$89.2 million outstanding under our revolving credit facility (excluding outstanding letters of credit of \$0.2 million) and \$1.1 billion outstanding aggregate principal amount of Existing Notes (as defined below) and original notes. At that date, we also had outstanding \$622.3 million of other indebtedness, representing mortgage loans that were non-recourse to us.

On December 9, 2005, we completed the offering of \$125.0 million aggregate principal amount of original notes, issued by Ventas Realty and Ventas Capital. We used the net proceeds, together with borrowings under our revolving credit facility, to repay all of our outstanding indebtedness under our CMBS Loan.

On December 20, 2005, we completed the offering of an additional \$75.0 million aggregate principal amount of original notes, issued by Ventas Realty and Ventas Capital. We used the net proceeds to repay a portion of our outstanding indebtedness under our revolving credit facility. See "Use of Proceeds."

Our Revolving Credit Facility

On September 8, 2004, Ventas, Inc., as guarantor, and Ventas Realty, as borrower, entered into a senior secured revolving credit facility under which Ventas Realty may borrow \$300.0 million on a revolving basis. Ventas Realty has the option to increase the Total Commitments (as defined in the revolving credit facility) (in the form of additional revolving loans and/or a term loan), to an amount not to exceed \$450.0 million, subject to the satisfaction of certain conditions set forth in the revolving credit facility.

Borrowings outstanding under the revolving credit facility bear interest at a fluctuating rate per annum equal to an Applicable Percentage (as defined in the revolving credit facility) over (i) in the case of Eurodollar rate loans, a one-, two-, three- or six-month Eurodollar Rate (as defined in the revolving credit facility), at Ventas Realty's option, or (ii) in the case of base rate loans, the higher of (x) the Federal Funds Rate (as defined in the revolving credit facility) in effect for the relevant period, plus 50 basis points and (y) the annual rate of interest announced by Bank of America, N.A. as its "prime rate." The Applicable Percentage is determined by reference to Ventas, Inc.'s Consolidated Leverage Ratio (as defined in the revolving credit facility) and ranges from 1.05% to 1.75% for Eurodollar rate loans and from 0.00% to 0.50% for base rate loans.

The Consolidated Leverage Ratio is generally the ratio of our consolidated total liabilities to our consolidated gross asset value, as more particularly described in the revolving credit facility. The Applicable Percentage as of December 31, 2005 was based on a Consolidated Leverage Ratio of more than 45% but less than or equal to 50%.

As of December 31, 2005, Ventas Realty had \$89.2 million of outstanding borrowings and \$0.2 million of outstanding letters of credit under the revolving credit facility. As described above, we used the net proceeds of our offering of \$125.0 million aggregate principal amount of original notes, together with borrowings under our revolving credit facility, to repay all of our outstanding indebtedness under our CMBS Loan, and we used the net proceeds of our offering of an additional \$75.0 million aggregate principal amount of original notes to repay a portion of our outstanding indebtedness under our revolving credit facility.

The revolving credit facility matures on September 8, 2007 but may be extended, at Ventas Realty's option, subject to the satisfaction of certain conditions set forth therein, for an additional period of one year. Loans outstanding under the revolving credit facility may be repaid from time to time without premium or penalty, other than customary breakage costs, if any, with respect to Eurodollar rate loans. Ventas Realty may permanently reduce or terminate the total committed amount of the revolving credit facility, subject to the conditions set forth in the revolving credit facility.

The revolving credit facility imposes various restrictions on Ventas Realty and Ventas, Inc., including restrictions pertaining to: (i) the incurrence of additional indebtedness; (ii) liens; (iii) certain dividends, distributions and other payments; (iv) mergers, sales of assets and other transactions; (v) the maintenance of minimum consolidated adjusted net worth and certain consolidated leverage ratios and consolidated fixed charge coverage ratios; (vi) transactions with affiliates; (vii) permitted business and development activities and uses of loan proceeds; and (viii) changes to material agreements.

The revolving credit facility contains usual and customary events of default. If a default occurs and is continuing, Ventas Realty may be required to repay all amounts outstanding thereunder.

Ventas, Inc. (and any other owner of mortgaged property securing Ventas Realty's obligations under the revolving credit facility from time to time) has guaranteed Ventas Realty's obligations under the revolving credit facility. Such obligations are currently secured by liens on certain of Ventas Realty's real property assets and any related leases, rents and personal property, and, at Ventas Realty's option, may be secured by certain cash collateral from time to time. As of December 31, 2005, 52 real properties owned or leased by Ventas Realty and leased to Kindred pursuant to that certain Master Lease No. 1 were mortgaged to secure the revolving credit facility.

The Borrowing Base (as defined in the revolving credit facility) under the revolving credit facility is, as determined at any time, an amount equal to the sum of (i) sixty-five percent (65%) of the aggregate appraised property value of the Eligible Properties (as defined in the revolving credit facility), plus (ii) one hundred percent (100%) of amounts on deposit in certain cash collateral or pledged accounts. The aggregate principal amount of the obligations outstanding under the revolving credit facility may not at any time exceed the Borrowing Base. Ventas Realty may at any time include additional real estate assets (which must satisfy certain conditions set forth in the revolving credit facility) in the Borrowing Base to increase its remaining availability, up to the Total Commitments. Subject to the terms and conditions set forth in the revolving credit facility, Ventas Realty may also obtain a release of various Eligible Properties from the liens and security interests encumbering such properties.

CMBS Transaction

On December 12, 2001, we raised \$225.0 million in gross proceeds from the completion of the CMBS transaction. The CMBS Loan was secured by liens on the 39 skilled nursing facilities transferred by Ventas Realty to Ventas Finance and leased to Kindred under a master lease between Kindred and Ventas Finance which relates to all such nursing facilities and any related leases, rents and personal property. Following repayment of the CMBS Loan on December 9, 2005, as described under "Use of Proceeds", Ventas Finance became a Restricted Subsidiary under our existing indentures, including the indenture governing the notes. Under our revolving credit facility, the indenture governing the notes and our other existing indentures, we are permitted to engage in new securitization transactions provided certain conditions set forth therein are met. See "Description of Exchange Notes."

Existing Notes

On April 17, 2002, Ventas Realty and Ventas Capital completed the offering of 8³/₄% Senior Notes due 2009, which we refer to in this prospectus as the 2009 Notes, in the aggregate principal amount of \$175.0 million and 9% Senior Notes due 2012, which we refer to in this prospectus as the 2012 Notes, in the aggregate principal amount of \$225.0 million. The 2009 Notes and the 2012 Notes were issued under separate indentures and mature on May 1, 2009 and May 1, 2012, respectively. As of December 31, 2005, there were \$174.2 million principal amount of 2009 Notes outstanding and \$191.8 million principal amount of 2012 Notes outstanding.

On October 15, 2004, Ventas Realty and Ventas Capital completed the offering of 6⁵/₈% Senior Notes due 2014, which we refer to in this prospectus as 2014 Notes, in the aggregate principal amount of \$125.0 million. On June 14, 2005, Ventas Realty and Ventas Capital completed the offering of an

additional \$50.0 million aggregate principal amount of 2014 Notes. We used the net proceeds from the sale of each of the \$125.0 million aggregate principal amount and the \$50.0 million aggregate principal amount of 2014 Notes to repay outstanding indebtedness under our revolving credit facility. The \$50.0 million aggregate principal amount and the \$125.0 million aggregate principal amount of 2014 Notes are governed by the same indenture and mature on October 15, 2014. As of December 31, 2005, there was \$175.0 million principal amount of 2014 Notes outstanding.

On June 7, 2005, Ventas Realty and Ventas Capital completed the offering of \$350.0 million aggregate principal amount of senior notes, comprised of \$175.0 million aggregate principal amount of 6³/₄% Senior Notes due 2010, which we refer to in this prospectus as the 2010 Notes, and \$175.0 million aggregate principal amount of 7¹/₈% Senior Notes due 2015, which we refer to in this prospectus as the 2015 Notes, and collectively with the 2010 Notes, 2009 Notes, 2012 Notes and 2014 Notes, the Existing Notes. We used the net proceeds from the sale of the 2010 Notes and the 2015 Notes, together with borrowings under our revolving credit facility, to pay the approximately \$231.0 million cash portion of the purchase price for the Provident acquisition, to repay outstanding indebtedness under Provident's credit facility and to pay our fees and expenses related to the Provident acquisition. The 2010 Notes and 2015 Notes were issued under separate indentures and mature on June 1, 2010 and 2015, respectively. As of December 31, 2005, there were \$175.0 million principal amount of 2010 Notes and \$175.0 million principal amount of 2015 Notes outstanding.

The Existing Notes are unconditionally guaranteed on a senior unsecured basis by Ventas, Inc. and by certain of Ventas, Inc.'s current and future subsidiaries as described in the governing indentures. The Existing Notes are part of the general unsecured obligations of Ventas, Inc. and Ventas Realty, rank equal in right of payment with all existing and future senior unsecured obligations of Ventas, Inc. and Ventas Realty, including the original notes and the exchange notes, and rank senior to all existing and future subordinated indebtedness of Ventas, Inc. and Ventas Realty. However, the Existing Notes are effectively subordinated to all borrowings and other obligations under our revolving credit facility with respect to Eligible Properties and any future assets securing indebtedness under our revolving credit facility. In addition, the Existing Notes are structurally subordinated to obligations of the Unrestricted Subsidiaries and Excluded Joint Ventures (in each case as defined under the respective indentures) with respect to the assets of such entities.

Ventas Realty and Ventas Capital may redeem the 2009 Notes and the 2012 Notes, in whole at any time or in part, from time to time, at a redemption price equal to the principal amount, plus accrued and unpaid interest to the date of redemption and a make-whole premium as described in the indentures governing the 2009 Notes and the 2012 Notes.

Ventas Realty and Ventas Capital may redeem the 2014 Notes, in whole at any time, or in part from time to time, (1) before October 15, 2009 at a redemption price equal to 100% of their principal amount plus a make-whole premium as described in the indenture governing the 2014 Notes and (2) on or after October 15, 2009 at redemption prices as described in the indenture governing the 2014 Notes, in each case plus accrued and unpaid interest to the date of redemption.

Ventas Realty and Ventas Capital may redeem the 2010 Notes, in whole or in part, at any time prior to maturity, and Ventas Realty and Ventas Capital may redeem the 2015 Notes, in whole or in part, at any time prior to June 1, 2010, in each case at a redemption price equal to 100% of their aggregate principal amount plus a make-whole premium as described in the indentures governing the 2010 Notes and the 2015 Notes, plus accrued and unpaid interest to the date of redemption. In addition, Ventas Realty and Ventas Capital may redeem the 2015 Notes, in whole or in part, on or after June 1, 2010 at redemption prices as described in the indenture governing the 2015 Notes, plus accrued and unpaid interest to the date of redemption.

If we experience certain kinds of changes of control, as described in the indentures governing the Existing Notes, Ventas Realty and Ventas Capital must make an offer to repurchase the Existing Notes, in whole or in part, at a purchase price in cash equal to 101% of the principal amount thereof, plus

any accrued and unpaid interest to the date of purchase. However, in the event Moody's Investors Service, Inc. and Standard & Poor's Ratings Services have confirmed their ratings of the Existing Notes at Ba3 or higher and BB- or higher, respectively, following a change in control and certain other conditions are met as set forth in the indentures governing the Existing Notes, this repurchase obligation will not apply.

The indentures governing the Existing Notes contain covenants that limit the ability of the restricted group to, among other things: (i) incur debt; (ii) incur secured debt; (iii) make certain dividend payments, distributions and investments; (iv) enter into certain transactions, including transactions with affiliates; (v) subject such subsidiaries to restrictions on dividends or other payments to us; (vi) merge, consolidate or transfer all or substantially all of the restricted group's assets; and (vii) sell assets. These covenants are subject to certain exceptions and qualifications as described in the indentures governing the Existing Notes. The restricted group is also required to maintain total unencumbered assets of at least 150% of the restricted group's unsecured debt. If we obtain an investment grade rating from each of Moody's Investors Service, Inc. and Standard & Poor's Ratings Services, certain of these covenants with respect to the 2009 Notes and the 2012 Notes will be suspended while such ratings remain in effect. If we obtain an investment grade rating from either of these rating services, certain of these covenants with respect to the 2010 Notes, 2014 Notes and 2015 Notes will be suspended while such rating remains in effect, and if we obtain an investment grade rating from both of these rating services, certain of these covenants with respect to the 2010 Notes, 2014 Notes and 2015 Notes will no longer be applicable to such notes.

DESCRIPTION OF EXCHANGE NOTES

You can find the definitions of certain terms used in this description under "Certain Definitions." In this description, the word "Partnership" refers only to Ventas Realty, Limited Partnership and not to any of its subsidiaries. The term "Issuers" refers to the Partnership and Ventas Capital, collectively. The terms "we," "us" and "our" refer to Ventas, Inc. and not to any of its subsidiaries.

As used herein, references to the term "Exchange Notes" mean the Issuers' new registered 6¹/₂% Senior Notes due 2016. As used herein, references to the term "Original Notes" mean all of the Issuers' outstanding unregistered 6¹/₂% Senior Notes due 2016. We refer to the Exchange Notes and the Original Notes collectively as the "Notes."

The Exchange Notes, like the Original Notes, will be issued under an indenture (as supplemented, the "Indenture") among the Issuers, the Guarantors and U.S. Bank National Association, as trustee (the "Trustee"). The Original Notes and the Exchange Notes issued under the Indenture will be considered collectively to be a single class for all purposes under the Indenture, including waivers, amendments, redemptions and offers to purchase. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended.

The Exchange Notes will be substantially identical to the Original Notes, except that:

the Exchange Notes will be registered under the Securities Act;

the Exchange Notes will be freely transferable, other than as described in this prospectus and will not contain any legend restricting their transfer; and

the Exchange Notes will not contain any provisions regarding payment of liquidated damages.

We will be obligated to pay liquidated damages on the Original Notes in the circumstances described under "The Exchange Offer - Liquidated Damages." If the exchange offer is completed on the terms and within the time period contemplated by this prospectus, no liquidated damages will be payable.

The following description is a summary of the material provisions of the Indenture. It does not restate the Indenture in its entirety. See "The Exchange Offer" for a summary of the material provisions of the registration rights agreements. We urge you to read the Indenture and the registration rights agreements because they, and not the descriptions in this prospectus, define your rights as holders of the Notes. Certain defined terms used in this description but not defined below under "Certain Definitions" have the meanings assigned to them in the Indenture.

The registered holder of a Note will be treated as the owner of it for all purposes. Only registered holders will have rights under the Indenture.

Brief Description of the Notes and the Guarantees

The Notes

The Notes:

are general unsecured obligations of the Issuers;

are equal in right of payment with all other existing and future unsecured senior Debt of the Issuers;

are senior in right of payment to any future subordinated Debt of the Issuers; and

are unconditionally guaranteed by the Guarantors.

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

However, the Notes will be effectively subordinated to all borrowings under the Credit Agreement, with respect to the assets pledged to secure those borrowings. The Credit Agreement is required to be

secured by properties with a value equal to at least 1.54x the outstanding borrowings under the Credit Agreement. The Notes will also be structurally subordinated to the indebtedness and other obligations of our Unrestricted Subsidiaries and any Excluded Joint Ventures with respect to the assets of such entities. As of December 31, 2005, the Notes would have been structurally subordinated to approximately \$321.3 million of indebtedness secured by the 40 healthcare-related facilities owned by our Unrestricted Subsidiaries and Excluded Joint Ventures. Our Unrestricted Subsidiaries and Excluded Joint Ventures had assets of \$608.6 million, or 23.1% of our total assets, as of December 31, 2005. See "Risk Factors Risks Relating to the Notes Because the notes will be structurally subordinated to the obligations of our subsidiaries that are not guarantors, you may not be fully repaid if we become insolvent" and "Risk Factors Risks Relating to the Notes Because the notes that you hold are unsecured, you may not be fully repaid if we become insolvent."

The Guarantees

The Original Notes are, and the Exchange Notes will be, guaranteed by Ventas, Inc. and each of Ventas, Inc.'s current and future Restricted Subsidiaries (other than Excluded Joint Ventures) until certain conditions are met.

Each guarantee of the Notes:

is a general unsecured obligation of the Guarantor; and

is equal in right of payment with all other existing and future unsecured senior Debt of that Guarantor.

See "Risk Factors Risks Relating to the Notes The guarantees provided by us and our subsidiaries are subject to certain defenses that may limit your right to receive payment on the notes."

Ventas Capital Corporation

Ventas Capital is a wholly owned subsidiary of the Partnership that was incorporated in Delaware for the purpose of serving as a co-issuer of debt securities, including the Notes, in order to facilitate the offering of such debt securities. The Partnership believes that certain investors may be restricted in their ability to purchase debt securities of partnerships, such as the Partnership, unless such debt securities are jointly issued by a corporation. Ventas Capital does not and will not have any substantial operations, assets or revenues. As a result, holders of the Notes should not expect Ventas Capital to participate in servicing the interest and principal obligations on the Notes. See " Certain Covenants."

Unrestricted Subsidiaries and Excluded Joint Ventures

Certain of our subsidiaries were Unrestricted Subsidiaries or Excluded Joint Ventures as of the date of the Indenture.

Principal, Interest and Maturity

The Original Notes were issued in, and the Exchange Notes will be issued up to, the aggregate principal amount of \$200.0 million. The Issuers may, without the consent of the holders, increase such principal amounts in the future on the same terms and conditions and with the same CUSIP number(s) as the outstanding Notes. Any offering of additional Notes is subject to the covenants of the Indenture described below, including the covenant described under " Certain Covenants Limitations on Incurrence of Debt." The Notes and any additional Notes subsequently issued under the Indenture may be treated as a single class for all purposes under the Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase. The Issuers will issue Notes in denominations of \$1,000 and integral multiples of \$1,000.

The Notes will mature on June 1, 2016. The Original Notes bear interest at the rate of 6¹/₂% per annum from December 9, 2005, or from the immediately preceding Interest Payment Date to which interest has been paid. The Exchange Notes will bear interest from the last interest payment date on

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

which interest was paid on the Original Notes surrendered in exchange therefore or, if no interest has been paid on the Original Notes, from December 9, 2005. Interest is payable semi-annually in arrears on June 1 and December 1 of each year, commencing June 1, 2006, to the persons in whose names the Notes are registered at the close of business on May 15 and November 15, as the case may be, immediately prior to the respective Interest Payment Date. Accrued interest will also be payable on the date of maturity or any earlier redemption or repurchase of the Notes. Interest on the Notes will be computed on the basis of a 360-day year of twelve 30-day months.

Guarantees

The Original Notes are, and the Exchange Notes will be, guaranteed by Ventas, Inc. and each of Ventas, Inc.'s current and future Restricted Subsidiaries (other than Excluded Joint Ventures). These Guarantees are and will be joint and several obligations of the Guarantors. The obligations of each Guarantor under its Guarantee are and will be limited as necessary to prevent that Guarantee from constituting a fraudulent conveyance under applicable law. See "Risk Factors Risks Relating to the Notes Federal and state statutes allow courts, under specific circumstances, to void the guarantees and require noteholders to return payments received from the issuers or the guarantors."

A Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person), another Person, other than any Issuer or another Guarantor, unless:

- (1) immediately after giving effect to that transaction, no Default or Event of Default exists under the Indenture; and
- (2) subject to the provisions of the following paragraph, the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger assumes all the obligations of that Guarantor under the Indenture, its Guarantee and the registration rights agreements pursuant to a supplemental indenture satisfactory to the Trustee.

The Guarantee of a Guarantor will be released, and any Person acquiring assets (including by way of merger or consolidation) or Capital Stock of a Guarantor in accordance with the provisions of (1) or (2) below shall not be required to assume the obligations of any such Guarantor:

- (1) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger or consolidation) to a Person that is not (either before or after giving effect to such transaction) a Restricted Subsidiary (other than a Permitted Joint Venture) of Ventas, Inc., if the sale or other disposition complies with the "Asset Sale" provisions of the Indenture;
- (2) in connection with any sale of all of the Capital Stock of a Guarantor to a Person that is not (either before or after giving effect to such transaction) a Restricted Subsidiary (other than a Permitted Joint Venture) of Ventas, Inc., if the sale complies with the "Asset Sale" provisions of the Indenture;
- (3) if the Issuers or Ventas, Inc. designate any Restricted Subsidiary that is a Guarantor to be an Excluded Joint Venture or an Unrestricted Subsidiary in accordance with the applicable provisions of the Indenture; or
- (4) in the event that the Issuers exercise their discharge or full defeasance options as described under " Discharge, Defeasance and Covenant Defeasance."

In addition, if on any date following the date of the Indenture:

- (1) the Notes are rated both Baa3 or better by Moody's and BBB- or better by S&P (or, if either such entity ceases to rate the Notes for reasons outside of the control of Ventas, Inc., the equivalent investment grade credit rating from any other "nationally recognized statistical

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

rating organization" as that term is used in Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act selected by Ventas, Inc. as a replacement agency);

(2)

each rating agency specified in clause (1) above provides written notice to the Issuers and the Trustee stating that the release of all of the Guarantees will not cause the rating assigned by such rating agency to decline to below Baa3 or BBB-, as applicable; and

(3)

no Default or Event of Default shall have occurred and be continuing under the Indenture,

then, beginning on that date, the Guarantors will be released from their obligations under the Guarantees.

Optional Redemption

The Issuers may redeem the Notes at any time prior to June 1, 2011, in whole or from time to time in part, at a redemption price equal to the sum of (i) the principal amount of the Notes being redeemed, (ii) accrued and unpaid interest thereon to the redemption date and (iii) the Make-Whole Amount, if any, upon terms and conditions described in the Indenture (subject to the right of holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date). On or after June 1, 2011, the Issuers may redeem the Notes in whole or from time to time in part, at the redemption prices (expressed as percentages of principal amount thereof) set forth below, plus accrued and unpaid interest thereon to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date), if redeemed during the 12-month period beginning on June 1 of each of the years indicated below:

Year	Percentage
2011	103.250%
2012	102.167%
2013	101.083%
2014 and thereafter	100.000%

In addition, at any time prior to June 1, 2009, the Issuers may redeem, on any one or more occasions (each, an "Equity Claw-back Redemption"), with all or a portion of the net cash proceeds of one or more Equity Offerings (within 60 days of the consummation of any such Equity Offering), up to 35% of the aggregate principal amount of the Notes at a redemption price (expressed as a percentage of the aggregate principal amount of the Notes so redeemed) equal to 106.500% plus accrued and unpaid interest, if any, to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date); *provided, however*, that at least 65% of the original aggregate principal amount of the Notes so redeemed must remain outstanding immediately after each such redemption.

After notice of optional redemption has been given as provided in the Indenture, if funds for the redemption of any Notes called for redemption (including Liquidated Damages, if any) have been made available on the redemption date, such Notes called for redemption will cease to bear interest on the date fixed for the redemption specified in the redemption notice and the only right of the holders of such Notes will be to receive payment of the redemption price.

Notice of any optional redemption of any Notes will be given to holders at their addresses, as shown in the Notes register, not more than 60 nor less than 30 days prior to the date fixed for redemption. The notice of redemption will specify, among other items, the redemption price and the principal amount of the Notes held by the holder to be redeemed.

The Issuers will notify the Trustee at least 45 days prior to the redemption date (or such shorter period as is satisfactory to the Trustee) of the aggregate principal amount of the Notes to be redeemed and the redemption date. If less than all the Notes are to be redeemed, the Trustee shall select, *pro rata* or by lot or by any other method that the Trustee considers fair and appropriate under the circumstances, the Notes to be redeemed. Notes may be redeemed in part in the minimum authorized denomination for the Notes or in any integral multiple thereof.

Certain Covenants

Changes in Covenants when Notes Rated Investment Grade

- (a) *Suspension of certain covenants:* If on any date following the date of the Indenture:
- (i) the Notes are rated either Baa3 or better by Moody's or BBB- or better by S&P (the "Investment Grade Rating") (or, if either such entity ceases to rate the Notes for reasons outside of the control of Ventas, Inc., the equivalent investment grade credit rating from any other "nationally recognized statistical rating organization" as that term is used in Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act selected by Ventas, Inc. as a replacement agency); and
- (ii) no Default or Event of Default shall have occurred and be continuing under the Indenture,

then, beginning on that date and subject to the provisions of the following paragraph, the covenants specifically listed under the following captions in this prospectus will no longer be applicable to the Notes (subject to reinstatement as described below):

- (1) " Limitations on Incurrence of Debt";
- (2) " Limitations on Restricted Payments";
- (3) " Dividend and Other Payment Restrictions Affecting Subsidiaries";
- (4) " Transactions with Affiliates";
- (5) " Repurchase of Notes Upon a Change of Control"; and
- (6) " Repurchase of Notes Upon an Asset Sale."

Notwithstanding the foregoing, if the Investment Grade Rating should subsequently decline to below Baa3 or BBB-, respectively, the foregoing covenants shall be reinstated as of and from the date of such rating decline. The " Limitations on Restricted Payments" covenant will be interpreted as if it had been in effect since the date of the Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended. We cannot assure you that the Notes will ever achieve an investment grade rating or that any such rating will be maintained.

Notwithstanding the foregoing, neither (x) the continued existence following the reinstatement of the foregoing covenants of facts and circumstances or obligations that were incurred or otherwise came into existence while the foregoing covenants were suspended nor (y) the performance of any such obligations, including the consummation of any transaction pursuant to, and on materially the same terms as, a contractual agreement in existence prior to the reinstatement of the foregoing covenants, shall constitute a breach of any such covenants or cause a Default or Event of Default thereunder, *provided, however*, that (A) Ventas, Inc. and its Restricted Subsidiaries did not incur or otherwise cause such facts and circumstances or obligations to exist in anticipation of the reinstatement of the foregoing covenants and (B) Ventas, Inc. and its Restricted Subsidiaries did not reasonably believe that such incurrence or actions would result in such reinstatement. For purposes of clause (y) above, any increase in the consideration to be paid prior to such amendment or modification to the terms of an existing obligation following the reinstatement of the foregoing covenants that does not exceed 10% of the consideration that was to be paid prior to such amendment or modification shall not be deemed a "material" amendment or modification. For purposes of clauses (A) and (B) above, anticipation and reasonable belief may be determined by Ventas, Inc. and shall be conclusively evidenced by a board resolution to such effect adopted by the Board of Directors of Ventas, Inc. The Board of Directors of Ventas, Inc. in making its determination may, but need not, consult with Moody's or S&P, as applicable.

(b)

Fall-away of certain covenants: If on any date following the date of the Indenture:

(i)

the Notes are rated both Baa3 or better by Moody's and BBB- or better by S&P (or, if either such entity ceases to rate the Notes for reasons outside of the control of Ventas, Inc., the equivalent investment grade credit rating from any other "nationally recognized statistical rating organization" as that term is used in Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act selected by Ventas, Inc. as a replacement agency); and

(ii)

no Default or Event of Default shall have occurred and be continuing under the Indenture,

then, beginning on that date and subject to the provisions of the following paragraph, the six covenants specifically listed in paragraph (a) above will no longer be applicable to the Notes (subject to reinstatement of the " Limitations on Incurrence of Debt" covenant as described below).

Notwithstanding the foregoing, if the rating assigned by both rating agencies specified in section (b)(i) above should subsequently decline to below Baa3 and BBB-, respectively, the " Limitations on Incurrence of Debt" covenant shall be reinstated as of and from the date of such ratings decline.

Notwithstanding the foregoing, neither (x) the continued existence following the reinstatement of the foregoing covenant of facts and circumstances or obligations that were incurred or otherwise came into existence while the foregoing covenant was suspended nor (y) the performance of any such obligations, including the consummation of any transaction pursuant to, and on materially the same terms as, a contractual agreement in existence prior to the reinstatement of the foregoing covenant, shall constitute a breach of such covenant or cause a Default or Event of Default thereunder, *provided, however*, that (A) Ventas, Inc. and its Restricted Subsidiaries did not incur or otherwise cause such facts and circumstances or obligations to exist in anticipation of the reinstatement of the foregoing covenant and (B) Ventas, Inc. and its Restricted Subsidiaries did not reasonably believe that such incurrence or actions would result in such reinstatement. For purposes of clause (y) above, any increase in the consideration to be paid prior to such amendment or modification to the terms of an existing obligation following the reinstatement of the foregoing covenant that does not exceed 10% of the consideration that was to be paid prior to such amendment or modification shall not be deemed a "material" amendment or modification. For purposes of clauses (A) and (B) above, anticipation and reasonable belief may be determined by Ventas, Inc. and shall be conclusively evidenced by a board resolution to such effect adopted by the Board of Directors of Ventas, Inc. The Board of Directors of Ventas, Inc. in making its determination may, but need not, consult with Moody's and S&P.

Limitations on Incurrence of Debt

Ventas, Inc. will not, and will not permit any Restricted Subsidiary to, incur any additional Debt (other than Permitted Debt) if, immediately after giving effect to the incurrence of such additional Debt and the application of the proceeds thereof, the aggregate principal amount of all of Ventas, Inc.'s and its Restricted Subsidiaries' outstanding Debt on a consolidated basis determined in accordance with GAAP would be greater than 60% of the sum of (without duplication):

(1)

the Total Assets of Ventas, Inc. and its Restricted Subsidiaries as of the end of the calendar quarter covered by Ventas, Inc.'s Annual Report on Form 10-K or Quarterly Report on Form 10-Q, as the case may be, most recently filed with the Commission (or, if such filing is not permitted under the Exchange Act, as of the end of the calendar quarter covered by Ventas, Inc.'s most recent report filed with the Trustee) prior to the incurrence of such additional Debt (the "Measurement Date"); and

(2)

the purchase price of any Real Estate Assets or mortgages receivable acquired, and the amount of any securities offering proceeds received (to the extent that such proceeds were not used to acquire Real Estate Assets or mortgages receivable or used to reduce Debt), by

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

Ventas, Inc. or any of its Restricted Subsidiaries on a consolidated basis since the Measurement Date (such sum of clauses (1) and (2) being collectively referred to as "Adjusted Total Assets").

In addition to the above limitations on the incurrence of Debt, Ventas, Inc. will not, and will not permit any Restricted Subsidiary to, incur any Secured Debt (other than Permitted Debt) if, immediately after giving effect to the incurrence of such additional Secured Debt and the application of the proceeds thereof, the aggregate principal amount of all of Ventas, Inc.'s and its Restricted Subsidiaries' outstanding Secured Debt on a consolidated basis in accordance with GAAP is greater than 40% of Adjusted Total Assets.

In addition to the above limitations on the incurrence of Debt, Ventas, Inc. will not, and will not permit any Restricted Subsidiary to, incur any Debt (other than Permitted Debt) if the ratio of Consolidated Income Available for Debt Service to the Annual Debt Service for the four consecutive fiscal quarters ended on the Measurement Date shall have been less than 2.0x, on a pro forma basis after giving effect thereto and to the application of the proceeds therefrom, and calculated on the assumption that:

- (1) such Debt and any other Debt incurred by Ventas, Inc. and any of its Restricted Subsidiaries on a consolidated basis since the first day of such four-quarter period and the application of the proceeds therefrom, including to refinance other Debt, had occurred at the beginning of such period;
- (2) the repayment or retirement of any other Debt by Ventas, Inc. and any of its Restricted Subsidiaries on a consolidated basis since the first day of such four-quarter period had been repaid or retired at the beginning of such period (except that, in making such computation, the amount of Debt under any revolving credit facility shall be computed based upon the average daily balance of such Debt during such period);
- (3) in the case of Acquired Debt or Debt incurred in connection with any acquisition since the first day of such four-quarter period, the related acquisition had occurred as of the first day of such period with appropriate pro forma adjustments to, among other things Consolidated Income Available for Debt Service, with respect to such acquisition being included in such pro forma calculation; and
- (4) in the case of any acquisition or disposition by Ventas, Inc. or any of its Restricted Subsidiaries on a consolidated basis of any asset or group of assets since the first day of such four-quarter period, whether by merger, stock purchase or sale, or asset purchase or sale, such acquisition or disposition or any related repayment of Debt had occurred as of the first day of such period with the appropriate pro forma adjustments with respect to such acquisition or disposition being included in such pro forma calculation.

If the Debt giving rise to the need to make the foregoing calculation or any other Debt incurred after the first day of the relevant four-quarter period bears interest at a floating rate then, for purposes of calculating the Annual Debt Service, the interest rate on such Debt will be computed on a pro forma basis as if the average interest rate in effect during the entire such four-quarter period had been the applicable rate for the entire such period; *provided, however*, that for purposes of calculating Annual Debt Service for Debt for which there is a corresponding Hedging Obligation, Annual Debt Service shall be calculated after giving effect to the Hedging Obligation.

Maintenance of Total Unencumbered Assets

Ventas, Inc. and its Restricted Subsidiaries will maintain Total Unencumbered Assets as of the end of each fiscal quarter of not less than 150% of the aggregate outstanding principal amount of Ventas, Inc.'s and its Restricted Subsidiaries' Unsecured Debt as of the end of each fiscal quarter, all calculated on a consolidated basis in accordance with GAAP.

Limitations on Restricted Payments

Ventas, Inc. will not, and will not permit any Restricted Subsidiary to, directly or indirectly:

- (1) declare or pay any dividend or make any other payment or distribution on account of Ventas, Inc.'s or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving Ventas, Inc. or any of its Restricted Subsidiaries) or to the direct or indirect holders of Ventas, Inc.'s or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends or distributions payable (a) in Equity Interests (other than Disqualified Stock) of Ventas, Inc. or (b) to Ventas, Inc. or any of its Restricted Subsidiaries);
- (2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Partnership) any Equity Interests of (a) the Partnership or any direct or indirect parent of the Partnership or (b) any Restricted Subsidiary, including a Permitted Joint Venture (in either case other than Equity Interests owned by Ventas, Inc. or any of its Restricted Subsidiaries);
- (3) make any payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Subordinated Debt, except a payment of interest or principal at the stated maturity thereof; or
- (4) make any Restricted Investment (all such payments and other actions set forth in these clauses (1) through (4) above being collectively referred to as "Restricted Payments"),

unless, at the time of and after giving effect to such Restricted Payment:

- (1) no Default shall have occurred and be continuing under the Indenture;
- (2) Ventas, Inc. and its Restricted Subsidiaries could incur at least \$1.00 of Debt (other than Permitted Debt) under the terms of the Indenture; and
- (3) the aggregate sum of all Restricted Payments made after the date of the Indenture, excluding Restricted Payments made pursuant to the following paragraph, shall not exceed the sum of:
 - (a) 95% of Ventas, Inc.'s and its Restricted Subsidiaries' aggregate cumulative Funds from Operations accrued on a cumulative basis from April 1, 2002;
 - (b) the aggregate proceeds or values received after April 17, 2002 from the issuance or sale of Ventas, Inc.'s or the Partnership's Equity Interests (other than Disqualified Stock and Equity Interests sold to a Subsidiary of Ventas, Inc.), net of underwriting discounts, commissions, legal fees and similar offering expenses;
 - (c) any dividends or other distributions received by Ventas, Inc. or any of its Restricted Subsidiaries after April 17, 2002 from an Unrestricted Subsidiary of Ventas, Inc., to the extent that such dividends were not otherwise included in Earnings From Operations of Ventas, Inc. for such period; and
 - (d) to the extent that any Unrestricted Subsidiary of Ventas, Inc. is or was redesignated as a Restricted Subsidiary after April 17, 2002, the lesser of (i) the Fair Market Value of Ventas, Inc.'s Investment in such Subsidiary as of the date of such redesignation or (ii) such Fair Market Value as of the date on which such Subsidiary was originally designated as an Unrestricted Subsidiary.

Notwithstanding the foregoing, the limitations on Restricted Payments described above shall not apply to the following:

(1)

any distribution or other action which is necessary to maintain Ventas Inc.'s status as a REIT under the Code, if the aggregate principal amount of outstanding Debt of Ventas, Inc. and its

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

Restricted Subsidiaries on a consolidated basis determined in accordance with GAAP is less than 60% of Adjusted Total Assets;

- (2) any distribution payable in Ventas, Inc.'s Equity Interests (other than Disqualified Stock);
- (3) so long as the Partnership is a partnership and no Default or Event of Default has occurred and is continuing under the Indenture, distributions to partners of the Partnership in an amount, with respect to any period after April 1, 2002, not to exceed the Tax Amount for such period;
- (4) the redemption, repurchase or other acquisition or retirement of any Equity Interests in exchange for, or out of the net cash proceeds of a substantially concurrent issue and sale of, Capital Stock to any person (other than to a Subsidiary of Ventas, Inc.); *provided, however*, that such net cash proceeds are excluded from clause 3(b) of the first paragraph of this covenant;
- (5) any redemption, repurchase or other acquisition or retirement of Subordinated Debt in exchange for, or out of the net cash proceeds of (a) a substantially concurrent issue and sale of, Capital Stock to any person (other than to a Restricted Subsidiary of Ventas, Inc.); *provided, however*, that any such net cash proceeds are excluded from clause 3(b) of the first paragraph of this covenant and not used under clause (4) of this paragraph or (b) Permitted Refinancing Debt;
- (6) repurchases of Capital Stock deemed to occur upon the exercise of stock options if such Capital Stock represents a portion of the exercise price thereof and repurchases of Capital Stock deemed to occur upon the withholding of a portion of the Capital Stock granted or awarded to an employee to pay for the taxes payable by such employee upon such grant or award;
- (7) pro rata dividends and other distributions on the Capital Stock of any Restricted Subsidiary by such Restricted Subsidiary to a Person other than Ventas, Inc. or any of its Restricted Subsidiaries;
- (8) the redemption, repurchase or other acquisition or retirement of any Capital Stock of Ventas, Inc. or any Restricted Subsidiary from any director, officer or employee of Ventas, Inc. or any Restricted Subsidiary, or from such person's estate, (a) pursuant to any agreement with such director, officer or employee or (b) upon the death or termination of directorship or employment of such person, in an aggregate amount under this clause (8) not to exceed \$1.5 million in any twelve-month period;
- (9) the forgiveness of loans to current or former officers or directors of Ventas, Inc. in an aggregate principal amount since the date of the Indenture of up to \$10.0 million; and
- (10) other Restricted Payments in an aggregate amount not to exceed \$100.0 million since the date of the Indenture.

Also, Ventas, Inc. and its Restricted Subsidiaries will not be prohibited from making the payment of any distribution within 60 days of the declaration thereof if at the date of declaration such payment would have complied with the provisions of the immediately preceding paragraph.

Transactions with Affiliates

Ventas, Inc. will not, and will not permit its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of their properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate or 10% Stockholder (each, an "Affiliate Transaction"), unless the Affiliate Transaction is on terms that are no less favorable to Ventas, Inc. or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by Ventas, Inc. or such Restricted Subsidiary with an unrelated Person; *provided, however*, that for an Affiliate Transaction with an aggregate value of \$10.0 million or more, at Ventas, Inc.'s option, either:

- (1) a majority of the members of the Board of Directors of Ventas, Inc. who have no conflicting financial interest in the Affiliate Transaction shall determine in good faith that such Affiliate Transaction is on terms that are not materially less favorable than those that might reasonably have been obtained in a comparable transaction at such time on an arm's-length basis from a Person that is not an Affiliate of Ventas, Inc.; or
- (2) the Board of Directors of Ventas, Inc. shall obtain an opinion from a nationally recognized investment banking, appraisal or accounting firm that such Affiliate Transaction is fair to Ventas, Inc. or the applicable Restricted Subsidiary from a financial point of view.

The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of the prior paragraph:

- (1) directors' fees, indemnification and similar arrangements, consulting fees, employee salaries, bonuses or employment agreements, compensation or employee benefit arrangements and incentive arrangements with, and loans and advances to, any officer, director or employee in the ordinary course of business;
- (2) performance of all agreements in existence on the date of the Indenture and any modification thereto or any transaction contemplated thereby in any replacement agreement therefor so long as such modification or replacement is not materially more disadvantageous to Ventas, Inc. or any of its Restricted Subsidiaries than the original agreement in effect on the date of the Indenture;
- (3) customary transactions in connection with a Qualified CMBS Transaction;
- (4) transactions between or among Ventas, Inc. and/or its Restricted Subsidiaries (other than any Permitted Joint Venture);
- (5) transactions with a Person (other than a Permitted Joint Venture and its Subsidiaries) that is an Affiliate of Ventas, Inc. or any of its Restricted Subsidiaries solely because Ventas, Inc. or a Restricted Subsidiary owns an Equity Interest in, or controls, such Person;
- (6) sales of Equity Interests (other than Disqualified Stock) to Affiliates of Ventas, Inc. or any of its Restricted Subsidiaries; and
- (7) Restricted Payments that are permitted by the provisions of the Indenture described above under " Limitations on Restricted Payments."

Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries

Ventas, Inc. will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary (other than the Partnership or any Excluded Joint Venture) to:

- (1)

pay dividends or make any other distributions on their Capital Stock to Ventas, Inc. or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or

measured by, their profits, or pay any indebtedness owed to Ventas, Inc. or any of its Restricted Subsidiaries;

- (2) make loans or advances to Ventas, Inc. or any of its Restricted Subsidiaries; or
- (3) transfer any of their properties or assets to Ventas, Inc. or any of its Restricted Subsidiaries.

However, the preceding restrictions will not apply to encumbrances or restrictions existing under or by reason of:

- (1) agreements governing Existing Debt and Credit Facilities as in effect on the date of the Indenture and any amendments, modifications, restatements, extensions, renewals, increases, supplements, refundings, replacements or refinancings of those agreements; *provided, however*, that the amendments, modifications, restatements, extensions, renewals, increases, supplements, refundings, replacements or refinancings are no more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the date of the Indenture;
- (2) the Indenture, the Notes and the Guarantees;
- (3) applicable law;
- (4) any instrument governing Debt or Capital Stock of a Person acquired by Ventas, Inc. or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Debt or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided, however*, that, in the case of Debt, such Debt was permitted by the terms of the Indenture to be incurred;
- (5) customary non-assignment provisions in leases entered into in the ordinary course of business and consistent with past practices;
- (6) purchase money obligations for property acquired in the ordinary course of business that impose restrictions on that property of the nature described in clause (3) of the preceding paragraph;
- (7) any agreement for the sale or other disposition of the stock or assets of a Subsidiary that restricts distributions by that Subsidiary pending its sale or other disposition;
- (8) Liens securing Debt otherwise permitted to be incurred by the Indenture or negative covenants with respect to Debt permitted to be secured by Liens that limit the right of the debtor to dispose of the assets subject to such Liens or permitted to be subject to such Liens;
- (9) provisions with respect to the disposition or distribution of assets or property in joint venture agreements, assets sale agreements, stock sale agreements and other similar agreements entered into in the ordinary course of business; and
- (10) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business.

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

In addition to the other restrictions set forth in the Indenture, the Indenture provides that Ventas Capital may not hold any material assets, become liable for any material obligations or engage in any significant business activities; *provided, however*, that Ventas Capital may be a co-obligor with respect to Debt if the Partnership is a primary obligor of such Debt and the net proceeds of such Debt are received by the Partnership or one or more of its Restricted Subsidiaries other than Ventas Capital.

Additional Guarantees

If Ventas, Inc. acquires or creates another Subsidiary after the date of the Indenture, other than an Excluded Joint Venture or a Subsidiary that has properly been designated as an Unrestricted Subsidiary in accordance with the Indenture for so long as it continues to constitute an Excluded Joint Venture or an Unrestricted Subsidiary, then that newly acquired or created Subsidiary will become a Guarantor and execute a supplemental indenture and deliver a customary opinion of counsel satisfactory to the Trustee within ten Business Days of the date on which it was acquired or created.

Designation of Restricted and Unrestricted Subsidiaries

The Board of Directors of Ventas, Inc. may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default under the Indenture. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by Ventas, Inc. and its Restricted Subsidiaries in the Subsidiary properly designated will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under the covenant described above under " Limitations on Restricted Payments" or Permitted Investments, as determined by Ventas, Inc. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of Ventas, Inc. may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided, however,* that such designation will be deemed to be an incurrence of Debt by a Restricted Subsidiary of Ventas, Inc. of any outstanding Debt of such Unrestricted Subsidiary and such designation will only be permitted if (1) such Debt is permitted under the covenant described under " Limitations on Incurrence of Debt," calculated on a pro forma basis as if such designation had occurred at the beginning of the four-quarter reference period; and (2) no Default or Event of Default would be in existence under the Indenture following such designation.

Existence

Except as permitted as described below under " Merger, Consolidation or Sale," Ventas, Inc. and its Restricted Subsidiaries will agree to do all things necessary to preserve and keep their existence, rights and franchises; *provided, however,* that the existence of a Restricted Subsidiary may be terminated if the Board of Directors of Ventas, Inc. determines that it is in the best interests of Ventas, Inc. to do so.

Provision of Financial Information

Whether or not required by the Commission, so long as any Notes are outstanding, Ventas, Inc. will furnish to the holders of Notes, within the time periods specified in the Commission's rules and regulations:

- (1) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if Ventas, Inc. were required to file such Forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by Ventas, Inc.'s certified independent accountants; and
- (2) all current reports that would be required to be filed with the Commission on Form 8-K if Ventas, Inc. were required to file such reports.

Ventas, Inc. has also agreed that, for so long as any Notes remain outstanding, it will furnish to the holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

The availability of the foregoing materials on the Commission's website or on Ventas, Inc.'s website shall be deemed to satisfy the foregoing delivery obligations.

In addition, whether or not required by the Commission, Ventas, Inc. will file a copy of all of the information and reports referred to in clauses (1) and (2) above with the Commission for public availability within the time periods specified in the Commission's rules and regulations (unless the Commission will not accept such a filing) and make such information available to securities analysts and prospective investors upon request.

If Ventas, Inc. has designated any of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by the preceding paragraph will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in Management's Discussion and Analysis of Financial Condition and Results of Operations, of the financial condition and results of operations of Ventas, Inc., as applicable, and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of Ventas, Inc.

Merger, Consolidation or Sale

Ventas, Inc. may not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not Ventas, Inc. is the surviving corporation); or (2) sell, assign, transfer, convey, lease (other than to an unaffiliated operator in the ordinary course of business) or otherwise dispose of all or substantially all of the properties or assets of Ventas, Inc. and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person; unless:

- (1) either: (a) Ventas, Inc. is the surviving corporation; or (b) the Person formed by or surviving any such consolidation or merger (if other than Ventas, Inc.) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation organized or existing under the laws of the United States, any state of the United States or the District of Columbia;
- (2) the Person formed by or surviving any such consolidation or merger (if other than Ventas, Inc.) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made assumes all the obligations of Ventas, Inc. under the Notes, the Indenture and the registration rights agreements pursuant to agreements reasonably satisfactory to the Trustee;
- (3) immediately after such transaction, on a pro forma basis giving effect to such transaction or series of transactions (and treating any obligation of Ventas, Inc. or any Restricted Subsidiary incurred in connection with or as a result of such transaction or series of transactions as having been incurred at the time of such transaction), no Default or Event of Default exists under the Indenture; and
- (4) Ventas, Inc. or the Person formed by or surviving any such consolidation or merger (if other than Ventas, Inc.), or to which such sale, assignment, transfer, conveyance or other disposition has been made will, on the date of such transaction after giving pro forma effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, be permitted to incur at least \$1.00 of additional Debt (other than Permitted Debt) pursuant to the covenant described above under " Limitations on Incurrence of Debt."

In addition, in the case of any lease of all or substantially all of its properties or assets (other than to an unaffiliated operator in the ordinary course of business), in one or more related transactions, to any other Person, the terms of the lease must be reasonably acceptable to the Trustee or to the holders of a majority in principal amount of the Notes. This "Merger, Consolidation or Sale" covenant will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among Ventas, Inc. and its Restricted Subsidiaries.

Upon any consolidation or merger, or any sale, assignment, transfer, conveyance, transfer or other disposition of all or substantially all of the properties or assets of Ventas, Inc. in accordance with the foregoing provisions, the successor Person formed by such consolidation or into which Ventas, Inc. is merged or to which such sale, assignment, transfer, conveyance or other disposition is made, shall succeed to, and be substituted for, and may exercise every right and power of, Ventas, Inc. under the Indenture with the same effect as if such successor initially had been named as Ventas, Inc. therein. When a successor assumes all the obligations of its predecessor under the Indenture and the Notes following a consolidation or merger, or any sale, assignment, transfer, conveyance, transfer or other disposition of 90% or more of the assets of the predecessor in accordance with the foregoing provisions, the predecessor shall be released from those obligations.

Repurchase of Notes Upon a Change of Control

If a Change of Control occurs, each holder of Notes will have the right to require the Issuers to purchase some or all (in principal amounts of \$1,000 or an integral multiple of \$1,000) of such holder's Notes pursuant to the offer described below (the "Change of Control Offer"), unless, after giving pro forma effect to the Change of Control, (i) Moody's and S&P shall have confirmed their ratings of the Notes at Ba3 or higher and BB- or higher, respectively, (ii) the ratio of Consolidated Income Available for Debt Service to Annual Debt Service for the four consecutive fiscal quarters ended on the most recent Measurement Date prior to the date of such Change of Control after such Change of Control is at least equal to the ratio of Consolidated Income Available for Debt Service to Annual Debt Service prior to such Change of Control and (iii) the Person formed by or surviving any consolidation or merger (if other than the Partnership) or to which any sale, assignment, transfer, conveyance or other disposition has been made forming the basis of the Change of Control is principally engaged in a Permitted Business.

Any Change of Control Offer will include a cash offer price of 101% of the principal amount of any Notes purchased plus accrued and unpaid interest, if any, to the date of purchase (the "Change of Control Payment"). If a Change of Control Offer is required, within 10 Business Days following a Change of Control, the Issuers will mail a notice to each holder describing the Change of Control and offering to repurchase Notes on a specified date (the "Change of Control Payment Date"). The Change of Control Payment Date will be no earlier than 30 days and no later than 60 days from the date the notice is mailed.

On the Change of Control Payment Date, the Issuers will, to the extent lawful:

- (1) accept for payment all Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;
- (2) deposit the Change of Control Payment with the paying agent in respect of all Notes so accepted; and
- (3) deliver to the Trustee the Notes accepted and an officers' certificate stating the aggregate principal amount of all Notes purchased by the Issuers.

The paying agent will promptly mail to each holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail, or cause to be transferred by book entry, to each holder a new Note in principal amount equal to any unpurchased portion of the Notes surrendered.

The Issuers will comply with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations to the extent those laws and regulations are applicable to any Change of Control Offer. If the provisions of any of the applicable securities laws or securities regulations conflict with the provisions of the covenant described above, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under the covenant described above by virtue of that compliance.

A third party, instead of the Issuers, may make the Change of Control Offer in compliance with the requirements set forth in the Indenture and purchase all Notes properly tendered and not withdrawn. In addition, the Issuers will not be obligated to make or consummate a Change of Control Offer with respect to any of the Notes if they have irrevocably elected to redeem all of the Notes under provisions described under "Optional Redemption" and have not defaulted in their redemption obligations. The provisions under the Indenture relating to the Issuers' obligation to make an offer to repurchase the Notes as a result of a Change of Control may be waived or modified with the written consent of the holders of a majority in principal amount of the Notes then outstanding.

Some change of control events may constitute a default under the Credit Agreement. Future indebtedness of the Partnership or the Guarantors may contain prohibitions on the events that constitute a Change of Control. Certain Existing Debt requires and future indebtedness may require the indebtedness to be purchased or repaid if a Change of Control occurs. Moreover, the exercise by the holders of their right to require the Issuers to repurchase the Notes could cause a default under such indebtedness, even if the Change of Control itself does not. Finally, the Issuers' ability to pay cash to the holders of Notes, if required to do so, may be limited by their then existing financial resources. We cannot assure you that sufficient funds will be available when necessary to make any required repurchases. See "Risk Factors Risks Relating to the Notes If we experience a change in control, we may be unable to purchase the notes you hold as required under the indenture governing the notes."

Repurchase of Notes Upon an Asset Sale

Ventas, Inc. will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- (1) Ventas, Inc. (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of;
- (2) the Fair Market Value is set forth in an officers' certificate delivered to the Trustee; *provided, however*, that this clause (2) will not apply to sales of assets pursuant to contracts in effect on the date of the Indenture; and
- (3) at least 75% of the consideration received in the Asset Sale by Ventas, Inc. or such Restricted Subsidiary is in the form of cash, Cash Equivalents and/or Replacement Assets. For purposes of this provision, each of the following will be deemed to be cash:
 - (a) any liabilities, as shown on Ventas, Inc.'s or such Restricted Subsidiaries' most recent balance sheet, of Ventas, Inc. or any such Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Guarantee) that are assumed by the transferee of any such assets but, except in the case of an Asset Sale to a Restricted Subsidiary of Ventas, Inc., only to the extent of the reduction in the amount of such liabilities on Ventas, Inc.'s consolidated balance sheet;
 - (b) any securities, Notes or other obligations received by Ventas, Inc. or any such Restricted Subsidiary from such transferee that are contemporaneously, subject to ordinary settlement periods, converted by Ventas, Inc. or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion;
 - (c) the cash amount drawable by Ventas, Inc. under any irrevocable letter of credit provided to Ventas, Inc. as consideration for such Asset Sale (provided that such amount is drawn before the expiration of such irrevocable letter of credit); and
 - (d) any other consideration received in Asset Sales since the date of the Indenture that is designated by Ventas, Inc. as "Designated Cash Consideration"; *provided, however*, that the aggregate Fair Market Value of all Designated Cash Consideration does not exceed 10% of Consolidated Net Tangible Assets.

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

Within 365 days after the receipt of any Net Proceeds from an Asset Sale or Qualified CMBS Transaction, Ventas, Inc. may apply those Net Proceeds:

- (1) to repay Debt and other Obligations under a Credit Facility;
- (2) to acquire all or substantially all of the assets of, or a majority of the Voting Stock of, another Permitted Business;
- (3) to make a capital expenditure;
- (4) to acquire or enter into a legally binding obligation to acquire Replacement Assets;
- (5) to acquire other long-term assets that are used or useful in a Permitted Business; or
- (6) to repay obligations under the CMBS Transaction.

Pending the final application of any Net Proceeds, Ventas, Inc. may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by the Indenture.

Any Net Proceeds from Asset Sales or Qualified CMBS Transactions that are not applied or invested as provided in the preceding paragraph will constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$35.0 million, the Issuers will make an Asset Sale Offer or Qualified CMBS Transaction Offer, as applicable, to all holders of Notes and all holders of other Debt that is *pari passu* with the Notes containing provisions similar to those set forth in the Indenture (including without limitation the holders of notes outstanding under the Issuers' other existing indentures) with respect to offers to purchase or redeem with the proceeds of sales of assets or in connection with securitizations to purchase the maximum principal amount of Notes and such other *pari passu* Debt that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer or Qualified CMBS Transaction Offer will be equal to 100% of principal amount plus accrued and unpaid interest and Liquidated Damages, if any, to the date of purchase, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer or a Qualified CMBS Transaction Offer, the Issuers may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Debt tendered into such Asset Sale Offer or Qualified CMBS Transaction Offer, as applicable, exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other *pari passu* Debt to be purchased on a pro rata basis. Upon completion of each Asset Sale Offer and Qualified CMBS Transaction Offer, the amount of Excess Proceeds will be reset at zero.

The Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer or Qualified CMBS Transaction Offer. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sale or Qualified CMBS Transaction provisions of the Indenture, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under the Asset Sale or Qualified CMBS Transaction provisions of the Indenture by virtue of such conflict.

Some Asset Sales and Qualified CMBS Transactions may constitute a default under the Credit Agreement. Future indebtedness of the Partnership or the Guarantors may contain prohibitions on Asset Sales or Qualified CMBS Transactions. Certain Existing Debt requires and future indebtedness may require the indebtedness to be purchased or repaid if an Asset Sale or Qualified CMBS Transaction occurs. Moreover, the exercise by the holders of their right to require the Issuers to repurchase the Notes could cause a default under such indebtedness, even if the Asset Sales or Qualified CMBS Transactions themselves do not. Finally, the Issuers' ability to pay cash to the holders of Notes, if required to do so, may be limited by their then existing financial resources. We cannot assure you that sufficient funds will be available when necessary to make any required repurchases.

Events of Default, Notice and Waiver

The Indenture provides that the term "Event of Default" with respect to the Notes means any of the following:

- (1) Ventas, Inc. or its Restricted Subsidiaries do not pay the principal or any premium on the Notes when due and payable;
- (2) Ventas, Inc. or its Restricted Subsidiaries do not pay interest on the Notes within 30 days after the applicable due date;
- (3) Ventas, Inc. or its Restricted Subsidiaries fail to make or consummate a Change of Control Offer following a Change of Control when required as described under " Repurchase of Notes Upon a Change of Control";
- (4) Ventas, Inc. or its Restricted Subsidiaries remain in breach of any other term of the Indenture for 60 days after they receive a notice of Default stating they are in breach. Either the Trustee or the holders of more than 25% in principal amount of the then outstanding Notes may send the notice;
- (5) final judgments aggregating in excess of \$50.0 million (exclusive of amounts covered by insurance) are entered against Ventas, Inc. and its Restricted Subsidiaries and are not paid, discharged or stayed for a period of 60 days;
- (6) Ventas, Inc. or its Restricted Subsidiaries default under any of their indebtedness in an aggregate principal amount exceeding \$50.0 million after the expiration of any applicable grace period, which default results in the acceleration of the maturity of such indebtedness. Such default is not an Event of Default if the other indebtedness is discharged, or the acceleration is rescinded or annulled, within a period of 10 days after Ventas, Inc. or its Restricted Subsidiaries receives notice specifying the default and requiring that they discharge the other indebtedness or cause the acceleration to be rescinded or annulled. Either the Trustee or the holders of more than 25% in principal amount of the then outstanding Notes may send the notice; or
- (7) Ventas, Inc. or any of its Significant Subsidiaries or any group of Subsidiaries that, taken as a whole, would constitute a Significant Subsidiary files for bankruptcy or certain other events in bankruptcy, insolvency or reorganization occur.

Remedies if an Event of Default Occurs

If an Event of Default with respect to the Notes has occurred and has not been cured, either the Trustee or the holders of at least 25% in principal amount of the then outstanding Notes may declare the entire principal amount of the Notes to be due and immediately payable by written notice to the Partnership, Ventas, Inc. and the Trustee. If an Event of Default occurs because of certain events in bankruptcy, insolvency or reorganization, the principal amount of all the Notes will be automatically accelerated, without any action by the Trustee or any holder. At any time after the Trustee or the holders have accelerated the Notes, but before a judgment or decree for payment of the money due has been obtained, the holders of at least a majority in principal amount of the then outstanding Notes may, under certain circumstances, rescind and annul such acceleration.

The Trustee will be required to give notice to the holders of Notes within 90 days after a Default under the Indenture unless the Default has been cured or waived. The Trustee may withhold notice to the holders of the Notes of any Default, except a Default in the payment of the principal or of interest on the Notes, if specified responsible officers of the Trustee in good faith determine that withholding the notice is in the interest of the holders.

Except in cases of Default, where the Trustee has some special duties, the Trustee is not required to take any action under the Indenture at the request of any holders of Notes unless such holders offer the Trustee reasonable protection from expenses and liability. We refer to this as an "indemnity." If a

reasonable indemnity is provided, the holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any lawsuit or other formal legal action seeking any remedy available to the Trustee. These majority holders may also direct the Trustee in performing any other action under the Indenture, subject to certain limitations.

Before a holder bypasses the Trustee and brings its own lawsuit or other formal legal action or take other steps to enforce its rights or protect its interests relating to the Notes, the following must occur:

- (1) the holder must give the Trustee written notice that an Event of Default with respect to the Notes has occurred and remains uncured;
- (2) the holders of at least a majority in principal amount of all outstanding Notes must make a written request that the Trustee take action because of the Default, and must offer a reasonable indemnity to the Trustee against the cost and other liabilities of taking that action;
- (3) the Trustee must have not taken action for 60 days after receipt of the notice and offer of indemnity; and
- (4) the holders of at least a majority in principal amount of all outstanding Notes must not have given the Trustee a direction inconsistent with such request within such 60-day period.

However, a holder is entitled at any time to bring a lawsuit for the payment of money due on any Note after its due date.

Within 120 days after the end of each fiscal year, Ventas, Inc. will furnish to the Trustee a written statement by certain of Ventas, Inc.'s officers certifying that to their knowledge Ventas, Inc. and its Restricted Subsidiaries are in compliance with the Indenture and the Notes, or else specifying any Default.

No Liability for Certain Persons

No director, officer, employee or stockholder of Ventas, Inc. or any of its Subsidiaries, as such, will have any liability for any obligations of Ventas, Inc. or any of its Subsidiaries under the Notes or the Indenture based on, in respect of, or by reason of such obligations or their creation. Each holder by accepting a Note waives and releases all such liability. The foregoing waiver and release are an integral part of the consideration for the issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws.

Modification of the Indenture

Except as provided in the next two succeeding paragraphs, the Indenture and/or the Notes may be amended or supplemented with the written consent of the holders of at least a majority in principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes) and any existing Default, Event of Default or compliance with any provision of the Indenture or the Notes may be waived with the consent of the holders of a majority in principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes).

Without the consent of each holder affected, an amendment or waiver may not (with respect to any Notes held by a non-consenting holder):

- (1) reduce the principal amount of Notes whose holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (other than provisions relating to the covenants

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

described above under " Repurchase of Notes Upon a Change of Control" and " Repurchase of Notes Upon an Asset Sale");

- (3) reduce the rate of or change the time for payment of interest on any Note;
- (4) waive a Default or Event of Default in the payment of principal of, or interest or premium, or Liquidated Damages, if any, on the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment Default that resulted from such acceleration);
- (5) make any Note payable in money other than that stated in the Notes;
- (6) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of holders of Notes to receive payments of principal of, or interest or premium or Liquidated Damages, if any, on the Notes;
- (7) waive a redemption payment with respect to any Note (other than provisions relating to the covenants described above under " Repurchase of Notes Upon a Change of Control" and " Repurchase of Notes Upon an Asset Sale");
- (8) release any Guarantor from any of its obligations under its Guarantee of the Notes or the Indenture, except in accordance with the terms of the Indenture; or
- (9) make any change in the amendment and waiver provisions set forth in clauses (1) through (8).

Notwithstanding the preceding paragraph, without the consent of any holder of Notes, the Issuers, the Guarantors and the Trustee may amend or supplement the Indenture or the Notes issued thereunder:

- (1) to cure any ambiguity, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to provide for the assumption of the Issuers' obligations to holders of Notes in the case of a merger or consolidation or sale of all or substantially all of the Issuers' assets;
- (4) to add additional Guarantees with respect to the Notes;
- (5) to secure the Notes;
- (6) to make any other change that would provide any additional rights or benefits to the holders of Notes or that does not adversely affect the legal rights under the Indenture of any such holder; or
- (7) to comply with requirements of the Commission in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act.

Any such consent need only approve the substance, rather than the particular form, of the proposed amendment.

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

Notes are not considered outstanding, and therefore the holders thereof are not eligible to vote, if the Issuers have deposited or set aside in trust for the holders money for their payment or redemption or if the Issuers or one of their affiliates own them. The holders of Notes are also not eligible to vote if they have been fully defeased as described below under " Discharge, Defeasance and Covenant Defeasance Full Defeasance."

Sinking Fund

The Notes are not entitled to any sinking fund payments.

The Trustee; Registrar and Paying Agent

U.S. Bank National Association is the Trustee under the Indenture. The Issuers have initially designated the Trustee as the registrar and paying agent for the Notes. Payments of interest and

principal will be made, and the Notes will be transferable, at the office of the paying agent, or at such other place or places as may be designated pursuant to the Indenture. For Notes that are issued in book-entry form represented by a global security, payments will be made to a nominee of the depository. The Trustee is also the trustee under each of the indentures relating to the Existing Notes.

Discharge, Defeasance and Covenant Defeasance

Discharge

The Issuers may discharge all of their obligations to the holders of Notes (other than the right to register transfers and exchanges) that either have become due and payable or will become due and payable within one year, or scheduled for redemption within one year, by irrevocably depositing with the Trustee, in trust, cash in U.S. dollars, non-callable U.S. government agency notes or bonds or a combination thereof, in such amounts as will be sufficient to pay such Notes, including any premium, Liquidated Damages and interest payable thereon.

Full Defeasance

The Issuers can, under particular circumstances, effect a full defeasance of the Notes. This means the Issuers can legally release themselves and the Guarantors from any payment or other obligations on the Notes if, among other things, the Issuers put in place the arrangements described below to repay the holders of the Notes and deliver certain certificates and legal opinions to the Trustee:

- (1) the Issuers must irrevocably deposit in trust for the benefit of all direct holders of the Notes money or U.S. government or U.S. government agency notes or bonds (or, in some circumstances, depository receipts representing these notes or bonds), or any combination thereof, that will generate enough cash to make interest, principal and any other payments on the Notes on their due date;
- (2) the current U.S. federal tax law must be changed or an IRS ruling must be issued permitting the above deposit without causing holders of the Notes to be taxed on the Notes any differently than if the Issuers did not make the deposit and just repaid the Notes themselves. Under current federal income tax law, the deposit and the Issuers' legal release from the Notes would be treated as though the Issuers took back the Notes and gave each holder of the Notes such holder's share of the cash and notes or bonds deposited in trust. In that event, the holders of the Notes could recognize gain or loss on the Notes such holder gives back to the Issuers; and
- (3) the Issuers must deliver to the Trustee a legal opinion confirming the tax law change or IRS ruling described above.

If the Issuers did accomplish full defeasance, the holders of the Notes would have to rely solely on the trust deposit for repayment on the Notes. The holders of the Notes could not look to the Issuers or the Guarantors for repayment in the unlikely event of any shortfall. Conversely, the trust deposit would most likely be protected from claims of the Issuers' lenders and other creditors if the Issuers ever became bankrupt or insolvent.

Covenant Defeasance

Under current U.S. federal income tax law, the Issuers can make the same type of deposit described above and be released from some of the restrictive covenants in the Indenture and the Notes. This is called "covenant defeasance." In that event, the holders of the Notes would lose the protection of those restrictive covenants but would gain the protection of having money and securities set aside in trust to repay their Notes.

If the Issuers accomplish covenant defeasance, the following provisions of the Indenture and the Notes would no longer apply:

- (1) any covenants applicable to the Notes and described in this prospectus; and
- (2) certain Events of Default relating to breach of covenants, material unsatisfied judgments and acceleration of the maturity of other debt set forth in this prospectus.

If the Issuers accomplish covenant defeasance with respect to the Notes, the holders of the Notes can still look to the Issuers for repayment of their Notes if a shortfall in the trust deposit occurred. If one of the remaining Events of Default occurs, for example, the Issuers' bankruptcy, and the Notes become immediately due and payable, there may be a shortfall. Depending on the event causing the Default, the holders of the Notes may not be able to obtain payment of the shortfall.

The Issuers may exercise their full defeasance option notwithstanding any prior exercise of their covenant defeasance option.

Book-Entry System and Form of Notes

The Original Notes were, and the Exchange Notes will be, issued in the form of one or more fully registered global notes without coupons that will be deposited with The Depository Trust Company, New York, New York, which we refer to in this prospectus as DTC, and registered in the name of its nominee, Cede & Co. This means that the Issuers will not issue certificates to each owner of Notes. The global notes will be issued to DTC, which will keep a computerized record of its participants (for example, your broker) whose clients have purchased the Notes. The participant will then keep a record of its clients who purchased the Notes. Unless it is exchanged in whole or in part for a certificated note, a global note may not be transferred, except that DTC, its nominees, and their successors may transfer a global note as a whole to one another.

DTC has provided us with the following information: DTC is a limited-purpose trust company organized under the New York Banking Law, a banking organization within the meaning of the New York Banking Law, a member of the United States Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code and a clearing agency registered under the provisions of Section 17A of the Exchange Act. DTC holds securities that its participants, which we refer to in this prospectus as Direct Participants, deposit with DTC. DTC also records the settlement among Direct Participants of securities transactions, such as transfers and pledges, in deposited securities through computerized records for Direct Participants' accounts. This eliminates the need to exchange certificates. Direct Participants include securities brokers and dealers (including the initial purchasers of the Original Notes), banks, trust companies, clearing corporations and certain other organizations.

DTC's book-entry system is also used by other organizations such as securities brokers and dealers, banks and trust companies that work through a Direct Participant. The rules that apply to DTC and its Direct Participants are on file with the Commission.

DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, the American Stock Exchange, Inc. and the National Association of Securities Dealers, Inc.

We expect that, pursuant to procedures established by DTC, ownership of beneficial interests in the Notes evidenced by a global note will be shown on, and the transfer of that ownership will be effected only through, records maintained by DTC or its nominee (with respect to beneficial interests of Direct Participants) and records of Direct Participants (with respect to beneficial interests of persons who hold through Direct Participants). Neither we nor the Trustee will have any responsibility or liability for any aspect of the records of DTC or for maintaining, supervising or reviewing any records of DTC or any of its Direct Participants relating to beneficial ownership interests in the Notes. The laws of some states require that certain purchasers of securities take physical delivery of such securities in definitive form. Such limits and laws may impair your ability to own, pledge or transfer beneficial interests in the global note.

So long as DTC or its nominee is the registered owner of a global note, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such global note for all purposes under the Indenture. Except as described below, as an owner of a beneficial interest in Notes evidenced by a global note you will not be entitled to have any of the individual Notes represented by such global note registered in your name, you will not receive or be entitled to receive physical delivery of any such Notes in definitive form and you will not be considered the owner or holder thereof under the Indenture for any purpose, including with respect to the giving of any direction, instructions or approvals to the Trustee thereunder. Accordingly, you must rely on the procedures of DTC and, if you are not a Direct Participant, on the procedures of the Direct Participant through which you own your interest, to exercise any rights of a holder under the Indenture. We understand that, under existing industry practice, if the Issuers request any action of holders or if an owner of a beneficial interest in a global note desires to give or take any action which a holder is entitled to give or take under the Indenture, DTC would authorize the Direct Participants holding the relevant beneficial interest to give or take such action, and such Direct Participants would authorize beneficial owners through such Direct Participants to give or take such actions or would otherwise act upon the instructions of beneficial owners holding through them.

Payments of principal of, any premium, if any, and any interest or additional amount on, individual Notes represented by a global note registered in the name of the holder of the global note or its nominee will be made by the Trustee to or at the direction of the holder of the global note or its nominee, as the case may be, as the registered owner of the global note under the Indenture. Under the terms of the Indenture, the Issuers and the Trustee may treat the persons in whose name Notes, including a global note, are registered as the owners thereof for the purpose of receiving such payments. Consequently, neither the Issuers nor the Trustee have or will have any responsibility or liability for the payment of such amounts to beneficial owners of Notes (including principal, premium, if any, and interest or additional amounts payable thereon).

We believe, however, that it is currently the policy of DTC to immediately credit the accounts of relevant Direct Participants with such payments in amounts proportionate to their respective holdings of beneficial interests in the relevant security as shown on the records of DTC. Payments by Direct Participants to the beneficial owners of Notes will be governed by standing instructions and customary practice and will be the responsibility of DTC's Direct Participants. Redemption notices with respect to any Notes will be sent to the holder of the global note (*i.e.*, DTC, its nominee or any subsequent holder). If less than all of the Notes are to be redeemed, we expect the holder of the global note or global notes to determine the amount of interest of each Direct Participant in the Notes to be redeemed by lot. Neither the Issuers, the Trustee, any paying agent nor the security registrar for the Notes will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in any global note.

Neither the Issuers nor the Trustee will be liable for any delay by the holder of a global note or DTC in identifying the beneficial owners of Notes and the Issuers and the Trustee may conclusively rely on, and will be protected in relying on, instructions from the holder of a global note or DTC for all purposes.

The Notes, which are represented by the global note or global notes, will be exchangeable for certificated Notes with the same terms in authorized denominations only if:

DTC notifies the Issuers that it is unwilling or unable to continue as depository or if DTC ceases to be a clearing agency registered under applicable law and a successor depository is not appointed by the Issuers within 90 days; or

the Issuers determine not to require all of the Notes to be represented by a global note and notify the Trustee of that decision, in which case the Issuers will issue individual Notes in denominations of \$1,000 and integral multiples thereof.

Same Day Settlement and Payment

The Issuers will make all payments of principal and interest in respect of the Notes in immediately available funds. The Notes will trade in DTC's Same-Day Funds Settlement System until maturity or until the Notes are issued in certificated form, and secondary market trading activity in the Notes will therefore be required by DTC to settle in immediately available funds. We expect that secondary trading in the certificated securities, if any, will also be settled in immediately available funds. No assurance can be given as to the effect, if any, of settlement in immediately available funds on trading activity in the Notes.

Governing Law

The Indenture and the Notes are governed by, and construed in accordance with, the laws of the State of New York without giving effect to applicable principles of conflicts of law to the extent that the application of the law of another jurisdiction would be required thereby.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

Introduction

The following is a general discussion of certain U.S. federal income tax considerations relevant to participants in the exchange offer and relating to the acquisition, ownership and disposition of the exchange notes. This discussion is based upon the Code, Treasury Regulations, IRS rulings, and judicial decisions now in effect, all of which are subject to change (possibly with retroactive effect) or different interpretations.

This discussion addresses neither all aspects of U.S. federal income or estate taxation that may be important to holders of the notes nor the tax consequences arising under the laws of any foreign, state or local jurisdiction. This discussion is for general information only, and does not purport to address all tax consequences that may be important to particular holders in light of their personal circumstances, or to certain types of holders (such as certain financial institutions, insurance companies, controlled foreign corporations, passive foreign investment companies, tax-exempt entities, partnerships or other pass-through entities, dealers in securities or currencies, U.S. expatriates, or persons who hold the notes in connection with a straddle, hedge, conversion transaction or any similar or hybrid financial instrument, U.S. Holders (defined below) whose functional currency is not the U.S. dollar, or persons liable for the alternative minimum tax) that may be subject to special rules. In addition, the discussion assumes that each holder holds the notes as a capital asset within the meaning of Section 1221 of the Code.

We have not sought, nor will we seek, any rulings from the IRS with respect to matters discussed below. We cannot assure you that the IRS will not take a different position concerning the tax consequences discussed in this summary.

For the purpose of this discussion, a "Non-US. Holder" refers to any beneficial owner of the notes who is not a U.S. Holder. The term "U.S. Holder" means any beneficial owner of the notes who is a citizen or resident of the United States, a corporation organized in the United States or any state thereof or the District of Columbia, an estate, the income of which is includible in income for U.S. federal income tax purposes regardless of its source or a trust if (i) a court within the United States is able to exercise primary supervision over the administration of the trust and (ii) one or more U.S. persons have the authority to control all substantial decisions of the trust. In addition, the term "Non-U.S. Holder" does not include a trust that has elected under applicable Treasury Regulations to retain its pre-August 20, 1996 classification as a U.S. person. For the purposes of this discussion, neither the term "Non-U.S. Holder" nor the term "U.S. Holder" include a partnership for U.S. federal income tax purposes. If a partnership holds the notes, the tax treatment of a partner in the partnership will generally depend upon the status of the partner and the status and activities of the partnership. Holders that are partnerships for U.S. federal income tax purposes should consult their own tax advisors regarding the U.S. federal income tax considerations to them and their partners of exchanging the notes in accordance with the exchange offer.

Holders of original notes are urged to consult their own tax advisors regarding the federal, state, local and foreign tax consequences of their participation in the exchange offer and their acquisition, ownership and disposition of the exchange notes and the effect that their particular circumstances may have on such tax consequences.

The Exchange Offer

The exchange of an original note for an exchange note pursuant to the exchange offer will not constitute a taxable exchange for U.S. federal income tax purposes because the exchange note will not be considered to differ materially in kind or extent from the original note. Accordingly, the exchange note will be treated for U.S. federal income tax purposes as a continuation of the original note in the

hands of a U.S. Holder or a Non-U.S. Holder, with the result that (1) such holder will not recognize any gain or loss on the exchange, (2) the holding period for the exchange note will include the holding period for the original note, and (3) the adjusted tax basis of the exchange note will be the same as the adjusted tax basis of the original note.

The exchange offer will not have any U.S. federal income tax consequences to a nonexchanging holder of original notes.

Tax Considerations Applicable to U.S. Holders

Additional Payments on the Notes. We intend to treat our obligation to pay liquidated damages, if any, on the original notes and the amount in excess of the stated principal upon the occurrence of certain changes in control, which we refer to in this prospectus as excess principal amount (see "Description of Exchange Notes Certain Covenants Repurchase of Notes Upon a Change of Control") as a "remote or incidental contingency" for U.S. federal income tax purposes and, in accordance with such treatment, a U.S. Holder is not required to take into account such payment until such payment is made by us. Regardless of our position, however, the IRS may take the contrary position that our obligation to pay such liquidated damages or excess principal amount is not a remote or incidental contingency, which, if upheld, among other tax consequences, could affect the timing of both the U.S. Holder's recognition of income from the notes and our deduction with respect to such payment.

U.S. Holders should consult their tax advisors concerning the appropriate tax treatment of the payment of liquidated damages or excess principal amount on the notes. The discussion below assumes that our determination that these contingencies are remote or incidental is correct.

Interest on the Notes. Interest paid on the notes will be taxable to a U.S. Holder as ordinary interest income at the time that such interest is accrued or (actually or constructively) received in accordance with such holder's method of tax accounting and in the amount of each payment.

Sale or Other Disposition of the Notes. In general, a U.S. Holder of the notes will recognize gain or loss upon the sale, retirement or other disposition of the notes measured by the difference between the amount of cash and the fair market value of any property received (except to the extent attributable to the payment of accrued interest, which will be taxable as such) and the U.S. Holder's adjusted tax basis in the notes. A U.S. Holder's adjusted tax basis in the notes generally will equal the cost of the notes to the holder increased by the amount of market discount, if any, previously taken into income by the holder or decreased by any bond premium theretofore amortized by the holder with respect to the notes. Subject to the market discount rules discussed below, the gain or loss on the disposition of the notes will be capital gain or loss and will be long-term gain or loss if the notes have been held for more than one year at the time of such disposition. A U.S. Holder's ability to deduct capital losses may be limited.

Market Discount. The resale of the notes may be affected by the "market discount" provisions of the Code. For this purpose, but subject to a *de minimis* exception, the market discount on a note will generally be equal to the amount, if any, by which the stated redemption price at maturity of the note immediately after its acquisition exceeds the holder's tax basis in the note. Unless the election described below is made to include accrued market discount in income currently, these provisions generally require a holder of a note acquired at a market discount to treat as ordinary income any gain recognized on the disposition of the note to the extent of the "accrued market discount" on the note at the time of disposition. In general, market discount on a note will be treated as accruing on a straight-line basis over the term of the note, or, at the election of the holder, under a constant yield method. U.S. Holders may elect to include accrued market discount in income currently with respect to all market discount bonds acquired on or after the first day of the first taxable year for which the

election is effective and for any such bond on either a straight-line or constant yield basis. In the absence of such election, a U.S. Holder of a note acquired at a market discount may be required to defer the deduction of a portion of the interest on any indebtedness incurred or maintained to purchase or carry the note until the note is disposed of in a taxable transaction.

Bond Premium. A U.S. Holder whose basis in a note immediately after its acquisition by such U.S. Holder exceeds all amounts payable on such note after such purchase (other than payments of qualified stated interest, within the meaning of the Code) will be considered as having purchased the note with "bond premium." A U.S. Holder generally may elect to amortize bond premium over the remaining term of the note, using a constant yield method, as an offset to interest income. An electing U.S. Holder must reduce its tax basis in the note by the amount of the aggregate amortized bond premium. The election to amortize bond premium, once made, will apply to all debt obligations held or subsequently acquired by the electing U.S. Holder on or after the first day of the first taxable year to which the election applies, and may not be revoked without the consent of the IRS.

Tax Considerations Applicable to Non-U.S. Holders

A Non-U.S. Holder generally will not be subject to U.S. federal income or withholding tax on payments of interest on a note if such payments are not effectively connected with the conduct of a U.S. trade or business, unless such Non-U.S. Holder (i) owns directly, or by attribution, 10% or more of the total combined voting power of all classes of our stock entitled to vote, (ii) is a controlled foreign corporation related to us, or (iii) is a bank as to which the interest represents interest received on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business, in which case such interest will be subject to a 30% withholding tax (unless reduced or eliminated by an applicable treaty). To qualify for the exemption from the withholding tax (or to claim the elimination or reduction of the withholding tax under a treaty), the last U.S. payor in the chain of payment prior to payment to a Non-U.S. Holder (the "Withholding Agent") must have received, before payment, a statement that:

is signed by the Non-U.S. Holder under penalties of perjury;

certifies that the Non-U.S. Holder is not a U.S. person; and

provides the name and address of the Non-U.S. Holder.

Certain additional information may be required to claim the elimination or reduction in withholding tax under a treaty.

The statement may be made on an IRS Form W-8BEN or a substantially similar form, and the Non-U.S. Holder must inform the Withholding Agent of any change in the information on the statement within 30 days of such change. If a note is held through a securities clearing organization or certain other financial institutions, the beneficial owner of the note must provide the above statement to such organization or institution.

Subject to the discussion of backup withholding below, a Non-U.S. Holder generally will not be subject to U.S. federal withholding tax on any amount which constitutes gain upon sale, retirement or other disposition of the notes. Such gain generally will also not be subject to U.S. federal income tax unless the gain is effectively connected with the conduct of a trade or business in the United States by the Non-U.S. Holder (and, if required by an applicable income tax treaty, is attributable to a United States permanent establishment) or, in the case of a Non-U.S. Holder who is an individual, the Non-U.S. Holder is present in the United States for 183 days or more in the taxable year of the sale and certain other conditions are met or the Non-U.S. Holder is subject to tax pursuant to the provisions of U.S. federal income tax applicable to certain expatriates.

If interest and other payments received by a Non-U.S. Holder with respect to the notes (including proceeds from a sale, retirement or other disposition of the notes) are effectively connected with the conduct by the Non-U.S. Holder of a trade or business within the United States (and, if required by an applicable income tax treaty, is attributable to a United States permanent establishment), such Non-U.S. Holder will generally not be subject to U.S. federal withholding tax (provided the Non-U.S. Holder has provided the Withholding Agent with a valid IRS Form W-8ECI) and will generally be subject to the rules described above for a U.S. Holder (subject to any modification provided under an applicable income tax treaty). Such Non-U.S. Holder may also be subject to the "branch profits tax" if such holder is a corporation.

U.S. Federal Estate Tax

A note held or beneficially owned by an individual who is not a citizen or resident of the United States at the time of death for U.S. federal estate tax purposes (whose classification may differ for income tax purposes) will not be includible in the decedent's gross estate for such purposes, provided (i) such holder or beneficial owner did not, at the time of death, actually or constructively own 10% or more of the combined voting power of all classes of our stock entitled to vote, and (ii) at the time of death, payments with respect to such note would not have been effectively connected with the conduct by such holder of a trade or business in the United States. In addition, the U.S. federal estate law may not apply with respect to such note under the terms of an applicable estate tax treaty.

Information Reporting and Backup Withholding

U.S. Holders. Certain non-corporate U.S. Holders may be subject to backup withholding (currently at a rate of 28%) on payments of principal and interest on, and the proceeds of the disposition of, the notes, if the U.S. Holder:

fails to timely furnish on a properly completed IRS Form W-9 (or substantially similar form) its taxpayer identification number, which we refer to in this prospectus as TIN, which, for an individual, would be his or her Social Security number;

furnishes an incorrect TIN and we or our paying agent has received notice from the IRS of such incorrect TIN;

is notified by the IRS that it has failed to report payments of interest or dividends; or

under certain circumstances, fails to timely certify, under penalty of perjury, that it has furnished a correct TIN and has not been notified by the IRS that it is subject to backup withholding tax for failure to report interest or dividend payments.

In addition, such payments of principal, interest and disposition proceeds to U.S. Holders will generally be subject to information reporting. U.S. Holders should consult their tax advisors regarding their qualification for exemption from backup withholding and the procedure for obtaining such an exemption, if applicable.

Any amounts withheld under the backup withholding rules from a payment to a U.S. Holder would be allowed as a refund or a credit against such holder's U.S. federal income tax liability, provided the required information is timely furnished to the IRS.

Non-U.S. Holders. We must report annually to the IRS and to each Non-U.S. Holder any interest on the notes that is subject to withholding or that is exempt from U.S. withholding tax pursuant to a tax treaty or the "portfolio interest" exemption. Copies of these information returns may also be made available under the provisions of a specific treaty or agreement to the tax authorities of the country in which the Non-U.S. Holder resides.

Backup withholding and other information reporting generally will not apply to payments of interest made to a Non-U.S. Holder of the notes who timely provides a properly completed IRS Form W-8BEN (or a substantially similar form) or otherwise establishes an exemption from backup withholding. Payments of principal or the proceeds of a disposition of the notes by or through a U.S. office of a broker generally will be subject to backup withholding and information reporting unless the Non-U.S. Holder timely certifies its status as a Non-U.S. Holder under penalties of perjury (and certain other conditions are met) or otherwise establishes an exemption. Payments of principal or the proceeds of a disposition of the notes by or through a foreign office of a U.S. broker or foreign broker with certain relationships to the United States generally will be subject to information reporting (but not backup withholding), unless such broker has documentary evidence in its files that such Non-U.S. Holder is not a U.S. person and the broker has no knowledge to the contrary, or the Non-U.S. Holder establishes an exemption.

Any amounts withheld under the backup withholding rules from a payment to a Non-U.S. Holder would be allowed as a refund or a credit against such holder's U.S. federal income tax liability provided the required information is furnished to the IRS.

PLAN OF DISTRIBUTION

Based upon existing interpretations of the Securities Act by the staff of the Commission set forth in no action letters issued to unrelated third parties, and subject to the immediately following sentence, we believe that the exchange notes that will be issued pursuant to the exchange offer may be offered for resale, resold or otherwise transferred by the holders thereof without further compliance with the registration and prospectus delivery provisions of the Securities Act. However, any purchaser of notes who (1) is an "affiliate" (within the meaning of Rule 405 under the Securities Act) of the issuers or the guarantors, (2) has an arrangement or understanding to participate in the distribution (within the meaning of the Securities Act) of the exchange notes, (3) is a broker-dealer (within the meaning of the Securities Act) that acquired original notes directly from an issuer or guarantor and is participating or intends to participate in the distribution (as so defined) of the exchange notes, or (4) is a broker-dealer (within the meaning of the Securities Act) that will receive exchange notes in exchange for original notes acquired for its own account as a result of market-making or other trading activities and is participating or intends to participate in the distribution (as so defined) of the exchange notes: (x) will not be able to rely on the interpretations by the staff of the Commission set forth in the above mentioned no action letters; (y) will not be able to tender its original notes in the exchange offer; and (z) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any sale or transfer of the notes unless such sale or transfer is made pursuant to an exemption from such requirements.

Each broker-dealer that receives exchange notes, in exchange for original notes where those original notes were acquired by the broker-dealer for its own account as a result of market-making activities or other trading activities, in the exchange offer may be deemed to be an "underwriter" within the meaning of the Securities Act and must acknowledge that it will deliver a prospectus in connection with any resale of those exchange notes. The letter of transmittal that accompanies this prospectus states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the Securities Act. A broker-dealer may use this prospectus, as it may be amended or supplemented from time to time, in connection with resales of exchange notes received in exchange for original notes where those original notes were acquired by the broker-dealer for its own account as a result of market-making activities or other trading activities. The issuers, Ventas, Inc. and Ventas LLC have agreed, if requested by such a broker-dealer, to use their respective commercially reasonable efforts to keep the registration statement of which this prospectus is a part continuously effective for a period not to exceed 90 business days after the date on which the exchange offer is consummated, or such longer period if extended under certain circumstances, or such earlier date as all such requesting broker-dealers have notified the issuers in writing that all such requesting broker-dealers have resold all exchange notes acquired in the exchange offer. In addition, until May 31, 2006 (90 days after the date of this prospectus), all dealers effecting transactions in the notes may be required to deliver a prospectus.

We will not receive any proceeds from any sale of exchange notes by broker-dealers. Exchange notes received by broker-dealers for their own account in the exchange offer may be sold from time to time in one or more transactions. These sales may be made in the over-the-counter market, in negotiated transactions, through the writing of options on the exchange notes or a combination of these methods of resale, and may be at market prices prevailing at the time of resale, at prices related to the prevailing market prices or negotiated prices. Any resale of this kind may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any of these broker-dealers and/or the purchasers of any of these exchange notes. Any broker-dealer that resells the exchange notes may be deemed to be an underwriter within the meaning of the Securities Act. If this is the case, any profit of any of these resales of exchange notes any commissions or concessions received by any of these persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that by

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the Securities Act.

The issuers have agreed to pay all expenses incident to the exchange offer (including certain expenses of one counsel for certain holders of the notes subject to the registration rights agreements), other than commissions and concessions of any brokers or dealers. The issuers, Ventas, Inc. and Ventas LLC have also agreed to indemnify the holders of the original notes, including any participating broker-dealer, against various liabilities, including liabilities under the Securities Act.

PROSPECTUS

, 2006

PART II

INFORMATION NOT REQUIRED IN THE PROSPECTUS

Item 20. Indemnification of Directors and Officers

Insofar as indemnification for liabilities arising out of the Securities Act may be permitted to our directors and officers pursuant to the following provisions or otherwise, we have been advised that, although the validity and scope of the governing statute have not been tested in court, in the opinion of the U.S. Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In addition, indemnification may be limited by state securities laws.

Delaware

Ventas, Inc.

Section 145 of the Delaware General Corporation Law (the "DGCL") empowers Ventas, Inc. to, and Article IX of Ventas, Inc.'s Certificate of Incorporation, as amended, provides that it will, to the fullest extent authorized by the DGCL, indemnify any person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative ("Proceeding") because he or she is or was a Ventas, Inc. director or officer, or is or was serving at the request of Ventas, Inc. as a director, officer, employee, trustee or agent of another corporation, partnership, joint venture, trust or other enterprise, against all expenses, liabilities and loss (including attorneys' fees, judgments, fines, ERISA (as defined therein) excise taxes or penalties and amounts paid or to be paid in settlement) actually and reasonably incurred or suffered by him or her in connection with such Proceeding. Ventas, Inc. may provide by action of its board of directors through agreement, resolution or by a provision in its Third Amended and Restated Bylaws, indemnification of its employees and agents with substantially the same scope and effect as the indemnification provided in Article IX of its Certificate of Incorporation, as amended.

Expenses incurred by such a person in his or her capacity as one of Ventas, Inc.'s directors or officers (and not in any other capacity in which service was or is rendered by such person while a director or officer) in defending a Proceeding may be paid by Ventas, Inc. in advance of the final disposition of such Proceeding as authorized by the board of directors in a specific case upon receipt of an undertaking by or on behalf of that person to repay such amounts unless it is ultimately determined that that person is entitled to be indemnified by Ventas, Inc. as authorized by the DGCL. Expenses incurred by a person in any capacity other than as one of Ventas, Inc.'s officers or directors may be paid in advance of the final disposition of a Proceeding on such terms and conditions, if any, as the board of directors of Ventas, Inc. deems appropriate.

Pursuant to Section 102(b)(7) of the DGCL, Ventas, Inc.'s Certificate of Incorporation, as amended, eliminates certain liability of its directors for breach of their fiduciary duty of care. Article VIII of the Certificate of Incorporation provides that neither Ventas, Inc. nor its stockholders may recover monetary damages from Ventas, Inc.'s directors for breach of the duty of care in the performance of their duties as Ventas, Inc.'s directors. Article VIII does not, however, eliminate the liability of Ventas, Inc.'s directors (i) for a breach of the director's duty of loyalty, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL (relating to unlawful distributions), or (iv) for any improper personal benefit.

The indemnification provided for by Article IX of Ventas, Inc.'s Certificate of Incorporation, as amended, is a contract right and continues as to persons who cease to be directors, officers, employees or agents and inures to the benefit of the heirs, executors and administrators of such persons. No amendment to Ventas, Inc.'s Certificate of Incorporation, as amended, or repeal of any article thereof

increases the liability of any of its directors or officers for acts or omissions of such persons occurring prior to such amendment or repeal.

The right to indemnification conferred by Article IX of Ventas, Inc.'s Certificate of Incorporation, as amended, is not exclusive of any other rights to which those seeking indemnification may be entitled under any by-law, agreement, vote of stockholders or disinterested directors or otherwise, both as to actions taken in his or her official capacity and in any other capacity while holding such office.

Ventas, Inc. may purchase and maintain insurance on behalf of any person who is or was one of its directors, officers, employees or agents, or is or was serving at its request as a director, trustee, officer, partner, employee, or agent of another domestic or foreign corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him or her and incurred by him or her in such capacity or arising out of his or her status as such, whether or not Ventas, Inc. would have the power or be obligated to indemnify him or her against such liability under the provisions of Article IX of its Certificate of Incorporation, as amended, or the DGCL.

Ventas, Inc. currently has in effect officers and directors liability insurance policies. These policies cover any negligent act, error or omission of a director or officer, subject to certain exclusions. The limit of liability under the policies is \$55,000,000 in the aggregate annually for coverages in excess of deductibles.

Ventas Realty, Limited Partnership

Section 17-108 of the Delaware Revised Uniform Limited Partnership Act provides that, subject to such standards and restrictions in its partnership agreement, if any, a limited partnership may, and shall have the power to, indemnify and hold harmless any partner or other person from and against any and all claims and demands whatsoever.

Section 9.5 of Ventas Realty's First Amended and Restated Agreement of Limited Partnership (the "Ventas Realty Limited Partnership Agreement") provides that Ventas Realty will indemnify and hold the officers, employees, agents and representatives of the partnership, its general partner, and each of the trustees, officers, employees, agents, and representatives of its general partner harmless from any loss or damage, including without limitation reasonable legal fees and court costs, incurred by it or any of them by reason of anything it or any of them may do or refrain from doing for and on behalf of Ventas Realty or in connection with Ventas Realty's business or affairs; provided, however, that Ventas Realty will not be required to indemnify any of its officers, employees, agents and representatives, its general partner or any of the trustees, officers, employees, agents, and representatives of its general partner for any loss or damage which such person might incur as a result of fraud, willful misconduct or gross negligence committed by any such person in the performance of their duties under the Ventas Realty Limited Partnership Agreement. Ventas Realty's indemnification obligations under the Ventas Realty Limited Partnership Agreement continue and are unaffected in respect of any other person which or who shall not have committed such fraud, willful misconduct or gross negligence. The indemnification provision under the Ventas Realty Limited Partnership Agreement does not relieve the general partner of its proportionate share of the obligations of Ventas Realty in its capacity as a partner thereof.

Section 9.5 of the Ventas Realty Limited Partnership Agreement also provides that its general partner will be entitled to reimbursement from Ventas Realty for any amounts the general partner pays in satisfaction of indemnification obligations owed by Ventas Realty's general partner to present or former trustees, officers, employees, agents or representatives of such general partner or its predecessors, or other persons indemnified by such general partner, as provided for in or pursuant to the Declaration of Trust and By-Laws of Ventas Realty's general partner or otherwise.

The right to indemnification set forth in Section 9.5 of the Ventas Realty Limited Partnership Agreement is in addition to any rights to which the person or entity seeking indemnification may

otherwise be entitled and inures to the benefit of the successors and assigns of any such person or entity.

None of Ventas Realty's partners are personally liable with respect to any claim for indemnification pursuant to Section 9.5 of the Ventas Realty Limited Partnership Agreement and such claims will be satisfied solely out of assets of Ventas Realty.

Section 9.4 of the Ventas Realty Limited Partnership Agreement provides that its general partner will not be liable or accountable, in damages or otherwise, to Ventas Realty or to any of its partners for any error of judgment or for any mistakes of fact or law or for anything which it may do or refrain from doing hereafter in connection with the business and affairs of Ventas Realty except (i) in the case of fraud, willful misconduct (such as an intentional breach of fiduciary duty or an intentional breach of the Ventas Realty Limited Partnership Agreement) or gross negligence, and (ii) for other breaches of the Ventas Realty Limited Partnership Agreement.

Officers and directors of Ventas Realty are covered under the same liability insurance policies described under " Ventas, Inc." above.

Ventas Capital Corporation

Section 145 of the DGCL empowers Ventas Capital to, and Paragraph 10 of its Certificate of Incorporation provides that Ventas Capital will indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of Ventas Capital) by reason of the fact that the person is or was a director, officer, employee or agent of Ventas Capital, or is or was serving at the request of Ventas Capital as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of Ventas Capital, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. Under Paragraph 10 of Ventas Capital's Certificate of Incorporation, the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of Ventas Capital, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person's conduct was unlawful.

Also pursuant to Paragraph 10 of its Certificate of Incorporation, Ventas Capital will indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of Ventas Capital to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of Ventas Capital, or is or was serving at the request of Ventas Capital as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of Ventas Capital; provided, however, that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to Ventas Capital unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Expenses incurred in defending a civil or criminal action, suit or proceeding shall (in the case of any action, suit or proceeding against a director of Ventas Capital) or may (in the case of any action, suit or proceeding against an officer, trustee, employee or agent) be paid by Ventas Capital in advance of the final disposition of such action, suit or proceeding as authorized by Ventas Capital's board or directors upon receipt of an undertaking by or on behalf of the indemnified person to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by Ventas Capital as authorized by Paragraph 10 of its Certificate of Incorporation.

Pursuant to Section 102(b)(7) of the DGCL, Paragraph 10 of Ventas Capital's Certificate of Incorporation provides that no director will be personally liable to Ventas Capital or any stockholder of Ventas Capital for monetary damages for breach of fiduciary duty as a director. Paragraph 10 of Ventas Capital's Certificate of Incorporation does not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to Ventas Capital or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL (relating to unlawful distributions), or (iv) for any transaction from which the director derived an improper personal benefit.

Paragraph 10 of Ventas Capital's Certificate of Incorporation provides that if the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of Ventas Capital shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended.

Neither the amendment nor repeal of Paragraph 10 of Ventas Capital's Certificate of Incorporation, nor the adoption of any provision of its Certificate of Incorporation inconsistent with Paragraph 10, will eliminate or reduce the effect of Paragraph 10 of Ventas Capital's Certificate of Incorporation in respect of any matter occurring prior to such amendment, repeal or adoption of an inconsistent provision or in respect of any cause of action, suit or claim relating to any such matter which would have given rise to a right of indemnification or right to receive expenses pursuant to Paragraph 10 of Ventas Capital's Certificate of Incorporation if such provision had not been so amended or repealed or if a provision inconsistent therewith had not been so adopted.

The indemnification and other rights set forth in Paragraph 10 of Ventas Capital's Certificate of Incorporation is not exclusive of any provisions with respect thereto in Ventas Capital's By-laws or any other contract or agreement between Ventas Capital and any officer, director, employee or agent of Ventas Capital.

Pursuant to Section 8 of Ventas Capital's By-laws, Ventas Capital will indemnify any and all of its directors or officers, including former directors or officers, and any employee, who shall serve as an officer or director of any corporation at the request of Ventas Capital, to the fullest extent permitted under and in accordance with the laws of the State of Delaware.

Officers and directors of Ventas Capital are covered under the same liability insurance policies described under " Ventas, Inc." above.

Ventas Healthcare Properties, Inc.

Article 7 of Ventas Healthcare Properties, Inc.'s ("Ventas Healthcare Properties") Certificate of Incorporation provides that Ventas Healthcare Properties will indemnify any person who was or is a director, officer, employee, or agent of Ventas Healthcare Properties, or who is or was serving at the request of Ventas Healthcare Properties as a director, officer, employee, or agent of another corporation, partnership, limited liability company, joint venture, trust, or other enterprise, to the full extent permitted by the DGCL, as amended from time to time.

Pursuant to Section 145 of the DGCL, Ventas Healthcare Properties will indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action

by or in the right of Ventas Healthcare Properties, by reason of the fact that such person is or was a director, officer, employee or agent of Ventas Healthcare Properties, or is or was serving at the request of Ventas Healthcare Properties as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of Ventas Healthcare Properties, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Also pursuant to Section 145 of the DGCL, Ventas Healthcare Properties will indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of Ventas Healthcare Properties to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of Ventas Healthcare Properties, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to Ventas Healthcare Properties, unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

To the extent a present or former director or officer of Ventas Healthcare Properties has been successful in the defense of any action, suit or proceeding referred to above in the defense of any claim, issue or matter therein, Ventas Healthcare Properties will indemnify such person pursuant to Section 145 of the DGCL against expenses, including attorneys' fees, actually and reasonably incurred by such person in connection therewith.

Pursuant to Section 102(b)(7) of the DGCL, Article 8 of Ventas Healthcare Properties' Certificate of Incorporation provides that no director will be personally liable to Ventas Healthcare Properties or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability: (i) for any breach of the director's duty of loyalty to Ventas Healthcare Properties or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under Section 174 of DGCL, as the same exists or hereafter may be amended; or (iv) for any transaction from which the director derived an improper personal benefit. Any repeal or modification of this provision by the stockholders of the Ventas Healthcare Properties will be prospective only, and will not adversely affect any limitation on the personal liability of a director existing at the time of such repeal or modification.

Article 7 of Ventas Healthcare Properties' Certificate of Incorporation provides that the board of directors may, by resolution adopted from time to time, purchase and maintain insurance on behalf of any person who was or is a director, officer, employee, or agent of Ventas Healthcare Properties, or who is or was serving at the request of Ventas Healthcare Properties as a director, officer, employee, or agent of another corporation, partnership, limited liability company, joint venture, trust, or other enterprise as permitted by the DGCL, as amended from time to time. Article VIII, Section 2 of Ventas Healthcare Properties' By-laws provides that Ventas Healthcare Properties may purchase and maintain insurance on behalf of such persons for any liabilities asserted against and incurred by such persons whether or not Ventas Healthcare Properties would have the power to indemnify such persons against such liability.

Officers and directors of Ventas Healthcare Properties are covered under the same liability insurance policies described under " Ventas, Inc." above.

Ventas LP Realty, L.L.C.; Ventas TRS, LLC; Ventas Management, LLC; Ventas Framingham, LLC; Ventas Sun LLC; Ventas Cal Sun LLC; Ventas Provident, LLC; Ventas Finance I, LLC; Ventas Specialty I, LLC

Ventas LP Realty, L.L.C., Ventas TRS, LLC, Ventas Management, LLC, Ventas Framingham, LLC, Ventas Sun LLC, Ventas Cal Sun LLC, Ventas Provident, LLC, Ventas Finance I, LLC and Ventas Specialty I, LLC are each organized under the Delaware Limited Liability Company Act (the "DLLCA"). Section 18-108 of the DLLCA provides that, subject to such standards and restrictions in its limited liability company agreement, if any, a limited liability company may, and shall have the power to, indemnify and hold harmless any member or manager or other person from and against any and all claims and demands whatsoever.

The Limited Liability Company Agreement or Operating Agreement, as the case may be, of each of Ventas LP Realty, L.L.C., Ventas TRS, LLC, Ventas Management, LLC, Ventas Framingham, LLC, Ventas Sun LLC, Ventas Cal Sun LLC and Ventas Provident, LLC does not contain standards or restrictions regarding the respective limited liability company's power to indemnify and hold harmless any member or manager or other person from and against claims and demands.

Section 19 of the Limited Liability Company Agreement of each of Ventas Finance I, LLC and Ventas Specialty I, LLC provides that neither the member nor the special member, nor any officer, employee or agent of the respective company nor any employee, representative, agent or affiliate of the member or the special member (collectively, "Covered Persons") shall be liable to such company or any other person who has an interest in or claim against such company for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of such company, except that a Covered Person shall be liable for any such loss, damage or claim incurred by reason of such Covered Person's gross negligence or willful misconduct. Said Section 19 requires that, to the fullest extent permitted by applicable law, a Covered Person shall be entitled to indemnification by the applicable company for any loss, damage or claim incurred by such Covered Person in good faith on behalf of the Company, except to the extent that such loss, damage or claim is incurred by reason of such Covered Person's gross negligence or willful misconduct. Notwithstanding the foregoing, any indemnity by the applicable company must be provided out of and to the extent of such company's assets only, and the member and the special member shall not have personal liability on account thereof. Furthermore, so long as any Obligation (as defined in each Limited Liability Company Agreement) is outstanding, no indemnity payment from funds of the respective company (as distinct from funds from other sources, such as insurance) of any such indemnity shall be payable from amounts allocable to any other person pursuant to the Loan Documents (as defined in each Limited Liability Company Agreement). Said Section 19 also requires that, to the fullest extent permitted by applicable law, expenses (including legal fees) incurred by a Covered Person defending any claim, demand, action, suit or proceeding must, from time to time, be advanced by the applicable company prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by such company of an undertaking by or on behalf of the Covered Person to repay such amount if it is finally determined that the Covered Person is not entitled to be indemnified. Additionally, each company must fully protect a Covered Person relying in good faith upon the records of such company and upon such information, opinions, reports or statements presented to the company by any person as to matters the Covered Person reasonably believes are within such other Person's professional or expert competence and who has been selected with reasonable care by or on behalf of such company, including information, opinions, reports or statements as to the value and amount of the assets, liabilities or any other facts pertinent to the existence and amount of assets from which distributions to the member might properly be paid. Finally, Section 19 of the Limited Liability Company Agreement of each of Ventas Finance I, LLC and Ventas Specialty I, LLC provides that, to the extent that, at law or in equity, a Covered Person has duties (including fiduciary duties) and liabilities relating thereto to the applicable company or to any other Covered Person, a Covered Person acting under the applicable Limited Liability Company Agreement shall not be liable to the applicable

company or to any other Covered Person for its good faith reliance on the provisions of the Limited Liability Company Agreement. The provisions of each Limited Liability Company Agreement, to the extent that they restrict the duties and liabilities of a Covered Person otherwise existing at law or in equity, are agreed by the member and the special member to replace such other duties and liabilities of such Covered Person. The liability and indemnification provisions described in this paragraph survive any termination of the applicable Limited Liability Company Agreement.

Officers and directors of Ventas LP Realty, L.L.C., Ventas TRS, LLC, Ventas Management, LLC, Ventas Framingham, LLC, Ventas Sun LLC, Ventas Cal Sun LLC, Ventas Provident, LLC, Ventas Finance I, LLC and Ventas Specialty I, LLC are covered under the same liability insurance policies described under " Ventas, Inc." above.

Ventas Finance I, Inc.; Ventas Specialty I, Inc.; ET Capital Corp.; ET Wayne Finance, Inc.

Ventas Finance I, Inc., Ventas Specialty I, Inc., ET Capital Corp. and ET Wayne Finance, Inc. are organized under the DGCL. Section 145 of the DGCL gives a corporation power to indemnify any person who is or was a party or is threatened to be made a party to any threatened, pending or completed Proceeding (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director or officer of another corporation or other business enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such Proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, regarding any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

Section 145 of the DGCL also gives a corporation power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed Proceeding by or in the right of the corporation to procure a judgment in its favor by reason that the person is or was a director or officer of the corporation or was serving at the request of the corporation as a director or officer of another corporation or other business enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification may be made in respect of any claim, issue or matter as to which such person has been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought determines upon application that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court deems proper.

Additionally, Section 145 of the DGCL states that, to the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any Proceeding, or in the defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.

Also pursuant to Section 145 of the DGCL, expenses (including attorneys' fees) incurred by an officer or director in defending any civil, criminal, administrative or investigative Proceeding may be paid by the corporation in advance of the final disposition of such Proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it is ultimately determined that such person is not entitled to be indemnified by the corporation.

Section 145 of the DGCL provides that the corporation may purchase and maintain insurance on behalf any person who was or is a director, officer, employee, or agent of the corporation, or who is or was serving at the request of the corporation as a director, officer, employee, or agent of another

corporation or other business enterprise, whether or not the corporation would have the power to indemnify such person against liability under Section 145.

Pursuant to Section 102(b)(7) of the DGCL, a corporation's certificate of incorporation may provide that no director will be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability: (i) for any breach of the director's duty of loyalty to the corporation or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under Section 174 of DGCL, as the same exists or hereafter may be amended; or (iv) for any transaction from which the director derived an improper personal benefit; provided however, that no such provision may eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision becomes effective.

Article IV of the By-laws of each of Ventas Finance I, Inc. and Ventas Specialty I, Inc. require that the applicable corporation indemnify every person who was or is a party or was or is threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director, officer or employee of the applicable corporation or, while a director, officer or employee of the such corporation, is or was serving at the request of such corporation as a director, officer, employee agent or trustee of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, against expenses (including counsel fee), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding, to the full extent permitted by applicable law. Additionally, Article 7 of the Restated Certificate of Incorporation of each of Ventas Finance I, Inc. and Ventas Specialty I, Inc. states that, except as otherwise provided by the DGCL, no director shall be personally liable to the applicable corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, and that any repeal or amendment of Article 7 by the stockholders of the applicable corporation shall not adversely affect any right of protection of a director existing at the time of such repeal or amendment.

Article 9 of the Certificate of Incorporation of ET Capital Corp. and Section 7.01 of the Bylaws of ET Capital Corp. require ET Capital Corp. to indemnify its present and former directors and officers to the full extent permitted by Section 145 of the DGCL. Section 7.2 of ET Capital Corp.'s Certificate of Incorporation provides that no director of the corporation shall be liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director in accordance with the requirements of Section 102(b)(7) of the DGCL. Section 6.02 of the Bylaws of ET Capital Corp. provide that the corporation may purchase and maintain insurance on behalf of any person who was or is a director, officer, employee, or agent of the corporation in accordance with Section 145 of the DGCL.

Article 11 of the Certificate of Incorporation, as amended, of ET Wayne Finance, Inc. requires, to the extent permitted by law, ET Wayne Finance, Inc. to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed Proceeding by reason of the fact that such person is or was a director or officer of the corporation or was serving at the request of the corporation as a director, officer employee or agent of another corporation or other business enterprise, provided that the person acted in good faith, in a manner reasonably believed to be in or not opposed to the best interests of the corporation and without reasonable cause to believe his or her conduct was unlawful, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such Proceeding. Article 11 of the Certificate of Incorporation, as amended, of ET Wayne Finance, Inc. provides that no director of the corporation shall be liable for monetary damages for breach of fiduciary duty as a director in accordance with the requirements of Section 102(b)(7) of the DGCL. ElderTrust Operating Limited Partnership; ET Sub-Berkshire Limited Partnership; ET Sub-Lehigh Limited Partnership; ET Sub-Sanatoga Limited Partnership

ElderTrust Operating Limited Partnership, ET Sub-Berkshire Limited Partnership, ET Sub-Lehigh Limited Partnership and ET Sub-Sanatoga Limited Partnership are organized under the Delaware Revised Uniform Limited Partnership Act (the "DRULPA"). Section 17-108 of the DRULPA provides that, subject to such standards and restrictions in its partnership agreement, if any, a limited partnership may, and shall have the power to, indemnify and hold harmless any partner or other person from and against any and all claims and demands whatsoever.

Section 7.7 of ElderTrust Operating Limited Partnership's Second Amended and Restated Agreement of Limited Partnership (as amended, the "ETOP LP Agreement") requires the partnership to indemnify its general partner, limited partners, trustees, directors or officers and such other persons as the general partner may designate from time to time, in its sole and absolute discretion, to the fullest extent provided by the DRULPA from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including without limitation, attorneys' fees and other legal fees and expenses), judgments, fines, settlements and other amounts arising from or in connection with any and all Proceedings incurred by such persons and relating to the partnership or its general partner or the operation of, or the ownership of property by, any of them as set forth in the ETOP LP Agreement in which any such person may be involved, or is threatened to be involved, as a party or otherwise, unless it is established by a final determination of a court of competent jurisdiction that: (i) the act or omission of such person was material to the matter giving rise to the proceeding and either was committed in bad faith or was the result of active and deliberate dishonesty, (ii) such person actually received an improper personal benefit in money, property or services or (iii) in the case of any criminal proceeding, such person had reasonable cause to believe that the act or omission was unlawful. Without limitation the foregoing indemnity extends to any liability of any such person, pursuant to a loan guarantee, contractual obligation for any indebtedness or other obligation or otherwise, for any indebtedness of the partnership or any of its subsidiaries (including, without limitation, any indebtedness which the partnership or any of its subsidiaries has assumed or taken subject to), and the partnership's general partner is authorized and empowered, on behalf of the partnership, to enter into one or more indemnity agreements consistent with the ETOP LP Agreement in favor of any of such persons seeking indemnification having or potentially having liability for any such indebtedness. The termination of any proceeding by judgment, order or settlement does not create a presumption that such person did not meet the requisite standard of conduct set forth above. The termination of any proceeding by conviction or upon a plea of nolo contendere or its equivalent, or an entry of an order of probation prior to judgment, creates a rebuttable presumption that such person acted in a manner contrary to that specified above with respect to the subject matter of such proceeding. Any indemnification made pursuant to the ETOP LP Agreement may be made only out of the assets of the partnership, and any insurance proceeds from the liability policy covering such persons, and neither the partnership's general partner nor any limited partner has any obligation to contribute to the capital of the partnership or otherwise provide funds to enable the partnership to fund its obligations under Section 7.7 of the ETOP LP Agreement. Section 7.7 of the ETOP LP Agreement also provides that reasonable expenses expected to be incurred by such persons seeking indemnification will be paid or reimbursed by the partnership in advance of the final disposition of any and all claims, demands, actions, suits or proceedings, civil, criminal or investigative made or threatened against such person upon receipt by the partnership of (i) a written affirmation by such person of such person's good faith belief that the standard of conduct necessary for indemnification by the partnership as described above has been met and (ii) a written undertaking by or on behalf of such person to repay the amount if it

shall ultimately be determined that the standard of conduct has not been met. The right to indemnification is in addition to other rights which those seeking indemnification or any other person may be entitled under any agreement, pursuant to any vote of any of the partners, as a matter of law or otherwise, and continues as to the general partner and trustees who have ceased to serve in such capacity unless otherwise provided in a written agreement pursuant to which such person is indemnified. Also pursuant to Section 7.7 of the ETOP LP Agreement, the partnership has the right to purchase and maintain insurance on behalf of such persons against any liability that may be asserted against or expenses that may be incurred by such person in connection with the partnership's activities, regardless of whether the partnership would have the power to indemnify such person against such liability under the provisions of the ETOP LP Agreement. In no event may a person seeking indemnification subject any of the partnership's partners to personal liability by reason of the indemnification provision set forth in the ETOP LP Agreement. Notwithstanding anything to the contrary in the ETOP LP Agreement, the partnership's general partner is not entitled to indemnification for any loss, claim, damage, liability or expense for which the general partner is obligated to indemnify the partnership under any other agreement between the general partnership and the partnership.

The Agreement of Limited Partnership of each of ET Sub-Berkshire Limited Partnership, ET Sub-Lehigh Limited Partnership and ET Sub-Sanatoga Limited Partnership (the "Partnership Agreements") specify that each partnership may (a) indemnify to the fullest extent permitted by the DRULPA each partner and such partner's respective affiliates, members, partners and officers in connection with any threatened, pending or completed Proceeding, any appeal therein, or any inquiry or investigation preliminary thereto, arising in connection with the management or conduct of the business or affairs of the applicable partnership or their activities with respect thereto, and (b) pay or reimburse each such person for expenses incurred by it (i) in advance of the final disposition of a Proceeding to which such person was, is or is threatened to be made a party, and (ii) in connection with its appearance as a witness or other participation in any Proceeding. Additionally, each Partnership Agreement provides that the applicable partnership may purchase and maintain insurance to protect each partner and such partner's respective affiliates, members, partners and officer, whether or not the partnership would have the power to indemnify such person. This indemnification obligation is limited to the assets of the partnership and no partner may be required to make a capital contribution in respect thereof. Each Partnership Agreement also provides that the applicable partnership indemnify and reimburse the tax matters partner, which is designated as the general partner of the applicable partnership, for all expenses, including legal and accounting fees, claims, liabilities, losses and damages incurred in connection with any administrative or judicial proceeding with respect to the tax liability of the partners.

Officers and directors of ElderTrust Operating Limited Partnership, ET Sub-Berkshire Limited Partnership, ET Sub-Lehigh Limited Partnership and ET Sub-Sanatoga Limited Partnership are covered under the same liability insurance policies described under " Ventas, Inc." above.

PSLT OP, L.P.; BLC of California-San Marcos, L.P.

PSLT OP, L.P. and BLC of California-San Marcos, L.P. are organized under the DRULPA. Section 17-108 of the DRULPA provides that, subject to such standards and restrictions in its partnership agreement, if any, a limited partnership may, and shall have the power to, indemnify and hold harmless any partner or other person from and against any and all claims and demands whatsoever.

Section 7.7 of the Amended and Restated Agreement of Limited Partnership of PSLT OP, L.P. (as supplemented, the "PSLT OP Partnership Agreement") requires PSLT OP, L.P. to indemnify each person made a party to a proceeding by reason of his status as the general partner, or as a director, trustee, officer, stockholder, partner, member, employee, representative or agent of the general partner or as an officer, employee, representative or agent of the partnership, from and against any and all

losses, claims, damages, liabilities, joint or several, expenses (including, without limitation, attorneys' fees and other legal fees and expenses), judgments, fines, settlements, and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, that relate to the operations of the partnership or of Ventas Provident, LLC (as successor to Provident Senior Living Trust), in which such indemnitee may be involved, or is threatened to be involved, as a party or otherwise, except to the extent such Indemnitee acted in bad faith, or with gross negligence or willful misconduct. Any indemnification pursuant to Section 7.7 can be made only out of the assets of the partnership, and neither the general partner nor any limited partner shall have any obligation to contribute to the capital of the partnership, or otherwise provide funds, to enable the partnership to fund its indemnification obligations. Reasonable expenses incurred by an indemnitee who is a party to a proceeding must be paid or reimbursed by the partnership in advance of the final disposition of the proceeding, upon receipt by the partnership of an undertaking by or on behalf of the indemnitee to repay such amount if it shall be determined that the indemnitee is not entitled to be indemnified. The indemnification provided by Section 7.7 is in addition to any other rights to which an indemnitee or any other person may be entitled under any agreement, pursuant to any vote of the partners, as a matter of law or otherwise, and shall continue as to an indemnitee who has ceased to serve in such capacity unless otherwise provided in a written agreement pursuant to which such indemnities are indemnified. The partnership may, but shall not be obligated to, purchase and maintain insurance, on behalf of the indemnities and such other persons as the general partner shall determine, against any liability that may be asserted against or expenses that may be incurred by such person in connection with the partnership's activities, regardless of whether the partnership would have the power to indemnify such person against such liability under the provisions of the PSLT OP Partnership Agreement. For purposes of Section 7.7, the partnership is deemed to have requested an indemnitee to serve as fiduciary of an employee benefit plan whenever the performance by it of its duties to the partnership also imposes duties on, or otherwise involves services by, it to the plan or participants or beneficiaries of the plan; excise taxes assessed on an indemnitee with respect to an employee benefit plan pursuant to applicable law shall constitute fines within the meaning of Section 7.7; and actions taken or omitted by the indemnitee with respect to an employee benefit plan in the performance of its duties for a purpose reasonably believed by it to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is not opposed to the best interests of the partnership. In no event may an indemnitee subject any of the partners to personal liability by reason of the indemnification provisions set forth in the PSLT OP Partnership Agreement. An indemnitee cannot be denied indemnification in whole or in part under Section 7.7 because the indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of the PSLT OP Partnership Agreement.

Section 6.5 of the Agreement of Limited Partnership of BLC of California-San Marcos, L.P. provides that the partnership shall indemnify and hold harmless the general partners and the limited partners and each of their respective partners, officers, directors, stockholders, employees, agents and affiliates from and against any and all losses, expenses, damages or injuries suffered or sustained by such parties (or any of them) by reason of any acts, omissions or alleged acts or omissions arising out of its or their activities on behalf of the partnership or in furtherance of the interests of the partnership, including, but not limited to, any judgment, award, settlement, reasonable attorneys' fees and other costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim provided that the acts, omissions or alleged acts or omissions upon which such actual or threatened action, proceeding or claim is based was performed or omitted in good faith and were not performed or omitted fraudulently or in bad faith or as a result of gross negligence or willful misconduct by any such party and provided that such party reasonably believed that the acts, omissions, or alleged acts or omissions upon which such actual or threatened action, proceeding or claim is based was in the best interests of the partnership. Such indemnification shall be made only to the extent of the assets of the partnership.

Section 7.5(a) of the Limited Liability Company Agreement (as it may be amended, the "LLC Agreement") of each of ET Berkshire, LLC, ET Lehigh, LLC and ET Sanatoga, LLC requires the applicable company to indemnify any of its members and officers who was or is a party or is threatened to be made a party to a threatened, pending or completed Proceeding other than an action by or in the right of the company, where such person is a party because such person is or was a member or officer of the company. The applicable company must indemnify its members against expenses, including attorneys' fees, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by the members in connection with a Proceeding relating to acts or omissions of that person regarding actions that are prohibited to be taken by the company under the applicable LLC Agreement so long as certain specified liabilities are outstanding. Section 7.5(b) of each LLC Agreement provides that the applicable company shall indemnify each member or officer against expenses, including attorneys' fees, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with the Proceeding. To the fullest extent permitted by law, the applicable company shall indemnify each of its members or officers who acted in good faith and did not engage in willful misconduct or gross negligence. With respect to a criminal action or proceeding, the person must have had no reasonable cause to believe such person's misconduct was unlawful. Unless ordered by a court, any indemnification permitted under Section 7.5(b) of each LLC Agreement may be made only as the applicable company authorizes in the specific case after a majority vote of its members who are not parties or threatened to be made parties (i) determine that the indemnification is proper under the circumstances because the person to be indemnified has met the applicable standard of conduct and (ii) evaluate the reasonableness of the expense and of the amounts paid in settlement. However, no indemnification may be provided to any member or officer in connection with (a) the receipt of a financial benefit to which the person is not entitled, (b) voting for or assenting to a distribution to members in violation of the LLC Agreement or the DLLCA, (c) a knowing violation of law or (d) acts or omissions of such person constituting willful misconduct or gross negligence. Section 7.5(c) of each LLC Agreement provides that to the extent a member, director or officer of the company has been successful on the merits, or otherwise in defense of any claim, issue or other matter in such Proceeding, such person shall be indemnified against actual and reasonable expenses, including reasonable attorneys' fees, incurred by such person in connection with the Proceeding and any Proceeding brought to enforce such mandatory indemnification.

by law from and against all losses, claims, demands, costs, damages, liabilities, expenses of any nature (including attorneys' fees and disbursements), judgments, fines, settlements and other amounts arising from any Proceedings, whether threatened, pending or completed, including appeals, arising out of or incidental to the business or activities or relating to the company and in which any such person may be, or may have been involved, or threatened to be involved, as a party or otherwise, by reason of the fact that the person (i) is or was the member, a partner in the member or an officer, trustee, director, employee or agent of any partner in the member, or an officer of the company, or (ii) is or was serving at the request of the company as director, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another business entity, to the fullest extent permitted under the DLLCA, provided that such person remains liable (a) for any breach of such person's duty of loyalty to the company or its member or (b) for acts or omissions which involve intentional misconduct, gross negligence or a knowing violation of law. Any repeal or amendment of Section 8 of each Operating Agreement is prospective only. Such person's right includes the right to be paid by the company expenses incurred investigating or defending any such Proceeding in advance of its final disposition to the maximum extent permitted under the DLLCA. Such person may bring a suit against the company if the claim for indemnification or advancement of expenses is not paid by the company in full within 60 days after receipt by the company of a written claim, and such person is also entitled to be paid the expenses of prosecuting such claim. Section 8(b) of each Operating Agreement also provides that, if authorized by the member, the company may purchase and maintain insurance on behalf of any such person to the full extent permitted by the DLLCA.

Section 7.02 of the Amended and Restated Limited Liability Company Operating Agreement, as it may be amended, of each of ET Sub-Lopatcong, L.L.C., ET Sub-Pleasant View, L.L.C. and ET Sub-SMOB L.L.C. and Section 7.02 of the Limited Liability Company Operating Agreement, as it may be amended, of each of ET Pennsburg Finance, L.L.C. and ET Wayne Finance, L.L.C. require the applicable company to indemnify each manager, member, any affiliate of any member, or any officers, directors, shareholders, partners or trustees of the company, any member or affiliates thereof, to the fullest extent permitted by applicable law, for any loss, damage or claim incurred by such person, including reasonable attorneys' fees, by reason of any act or omission performed or omitted by such person in good faith on behalf of the company and in a manner believed by such person to be within the scope of the authority conferred on such person by the applicable Amended and Restated Limited Liability Company Agreement, as it may be amended, and Limited Liability Company Operating Agreement, as it may be amended, except that no such person shall be entitled to be indemnified in respect of any loss, damage or claim incurred by reason of such person's gross negligence or willful misconduct with respect to such acts or omissions. Any such indemnity may be provided out of and to the extent of the company's assets only, after payment of all amounts then due and owing under certain loan documents, and no such person shall have any personal liability on account thereof. Such Section 7.02 also requires the company to purchase and maintain insurance, to the extent and in such amounts as the managers determine to be commercially reasonable, on behalf of such persons, against any liability that may be asserted against or expense that may be incurred by such person in connection with the activities of the company. The company may enter into indemnity contracts with such persons or other indemnities and adopt written procedures pursuant to which arrangements are made for the advancement of expenses and the funding of obligations and containing such other procedures regarding indemnification as are appropriate. Additionally, such Section 7.02 provides that the company may (and with respect to the independent member and/or the independent manager, as applicable, shall) advance expenses (including attorneys' fees) incurred by such person in advance of the final disposition of a Proceeding upon the receipt of a written undertaking by or on behalf of such person to repay such amount if it is ultimately determined that such person is not entitled to indemnification.

Maryland

ElderTrust

Section 8.4 of the Amended and Restated Declaration of Trust of ElderTrust grants ElderTrust the power to obligate itself to indemnify, and to pay or reimburse reasonable expenses in advance of final disposition of a proceeding to its shareholders, trustees, or officers to the maximum extent permitted by Maryland law, from all claims and liabilities to which such person may become subject by reason of his being or having been a shareholder, trustee, officer, employee or agent of ElderTrust. Additionally, Article XII of ElderTrust's Amended and Restated Bylaws provides that, to the maximum extent permitted by Maryland law, ElderTrust will indemnify any of its trustees, officers or shareholders or any former trustee, officer or shareholder of ElderTrust who has been successful, on the merits or otherwise, in the defense of a proceeding to which he was made a party by reason of service in such capacity, against reasonable expenses incurred by him in connection with the proceeding. Article XII also provides that ElderTrust will indemnify any of its trustees or officers or any former trustee or officer against any claim or liability to which he may become subject by reason of such status unless it is established that (i) his act or omission was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, (ii) he actually received an improper personal benefit in money, property or services, or (iii) in the case of a criminal proceeding, he had reasonable cause to believe that his act or omission was unlawful. Article XII also provides that ElderTrust will indemnify each shareholder or former shareholder against any claim or liability to which he may become subject by reason of such status. In addition, ElderTrust will, without requiring a preliminary determination of the ultimate entitlement to indemnification, pay or reimburse, in advance of final disposition of a proceeding, reasonable expenses incurred by any of its trustees, officers or shareholders or former trustees, officers or shareholders made a party to a proceeding by reason of such status, provided that, in the case of a trustee or officers of ElderTrust, ElderTrust must have received (i) a written affirmation by the trustee or officer of his good faith belief that he has met the applicable standard of conduct necessary for indemnification by ElderTrust as authorized by its Amended and Restated Bylaws and (ii) a written undertaking by such trustee or officer or on his behalf to repay the amount paid or reimbursed by ElderTrust if it is ultimately determined that the applicable standard of conduct was not met. ElderTrust may, with the approval of its trustees, provide such indemnification or payment or reimbursement of expenses to any of its trustees, officers or shareholders or former trustees, officers or shareholders who served a predecessor of ElderTrust and to any employee or agent of ElderTrust or a predecessor of ElderTrust. Article XII of ElderTrust's Amended and Restated Bylaws also provides that any indemnification or payment or reimbursement of the expenses permitted by such bylaws must be furnished in accordance with the procedures set forth in Section 2-418 of the Maryland General Corporation Law (the "MGCL"). ElderTrust may provide to its trustees, officers and shareholders such other and further indemnification or payment or reimbursement of expenses, as the case may be, to the fullest extent permitted under the MGCL for directors of Maryland corporations.

The MGCL permits a Maryland real estate investment trust (a "Maryland REIT") (unless its declaration provides otherwise, which ElderTrust's Amended and Restated Declaration of Trust does not) to indemnify a director, trustee or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he is made a party by reason of his service in that capacity. The MGCL permits a Maryland REIT to indemnify its present and former trustees and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made a party by reason of their service in those or other capacities unless it is established that (a) the act or omission of the trustee or officer was material to the matter giving rise to the proceeding and (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty, (b) the trustee or officer actually received an improper personal benefit in money, property or services, or (c) in the case of a criminal proceeding, the trustee or officer had reasonable cause to believe that the act or omission was unlawful. However, under the

MGCL, a Maryland REIT may not indemnify for an adverse judgment in a suit by or in the right of the Maryland REIT or for a judgment of liability on the basis that personal benefit was improperly received, unless in either case, a court orders indemnification and then only for expenses. Additionally, the MGCL permits a Maryland REIT to advance reasonable expenses to a trustee or officer upon the receipt by the Maryland REIT of (a) a written affirmation by the trustee or officer of his good faith belief that he has met the standard of conduct necessary for indemnification by the Maryland REIT and (b) a written undertaking by or on his behalf to repay the amount paid or reimbursed by the Maryland REIT if it shall ultimately be determined that the standard of conduct was not met. Maryland law permits a Maryland real estate investment trust to include in its declaration of trust a provision limiting the liability of its trustees and officers to the trust and its shareholders for money damages except for liability resulting from (a) actual receipt of an improper benefit or profit in money, property or services or (b) active and deliberate dishonesty established by a final judgment and which is material to the cause of action. The Amended and Restated Declaration of Trust of ElderTrust contains such a provision which eliminates trustees' and officers' liability to the maximum extent permitted by Maryland law.

Officers and trustees of ElderTrust are covered under the same liability insurance policies described under " Ventas, Inc." above.

Pennsylvania

ET Sub-Highgate, L.P.; ET Sub-Woodbridge, L.P.

ET Sub-Highgate, L.P. and ET Sub-Woodbridge, L.P. are organized under the Pennsylvania Revised Uniform Limited Partnership Act (the "PRULPA"). Section 8510 of the PRULPA provides that subject to the partnership agreement, a limited partnership may indemnify and hold harmless any partner or other person from and against any and all claims and demands whatsoever. Indemnification may not be made in any case where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness. Indemnification may be granted for any action taken and may be made whether or not the limited partnership would have the power to indemnify the person under any other provision of law and whether or not the indemnified liability arises or arose from any threatened, pending or completed action by or in the right of the limited partnership. Expenses incurred by a partner or other person in defending any action or proceeding against which indemnification may be made pursuant to Section 8510 may be paid by the limited partnership in advance of the final disposition of such action or proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the limited partnership. The indemnification and advancement of expenses provided, or granted pursuant to, Section 8510 of the PRULPA shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to serve in the capacity as to which he was indemnified and shall inure to the benefit of the heirs, executors and administrators of such person. Without regard to whether indemnification or advancement of expenses is provided under Section 8510 of the PRULPA, mandatory indemnification must be provided under Section 8331(2) of the Uniform Partnership Act to a partner with respect to payments made, and personal liabilities reasonably incurred, by the partner in the ordinary and proper conduct of the partnership's business, or for the preservation of its business or property.

Section 7.4 of the Agreement of Limited Partnership of each of ET Sub-Highgate, L.P. and ET Sub-Woodbridge, L.P. (each, an "LP Agreement") requires the applicable partnership to indemnify and hold harmless the general partner, its affiliates and any officers, employees or agents of the partnership, to the fullest extent permitted by law, from and against any and all losses, claims, demands, costs, damages, liabilities (joint or several), expenses of any nature (including attorneys' fees and disbursements), judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, whether threatened, pending or completed and whether civil, criminal administrative, arbitral or investigative, including, without limitation, any appeal to any such

claim, demand, action, suit or proceeding and any inquiry or investigation that could lead to such claim, demand, action, suit or proceeding, arising out of or incidental to the ordinary course of business of such partnership or the preservation of its business or properties and in which any indemnitee may be, or may have been, involved, or threatened to be involved, as a party or otherwise, by reason of the fact that he, she or it (i) is or was the general partner, an affiliate of the general partner or an officer, employee or agent of such partnership or (ii) is or was serving at the request of such partnership as a director, officer, member, general or limited partner, venturer, proprietor, trustee, employee, agent or similar functionary of another foreign or domestic corporation, limited liability company, joint venture, partnership, limited partnership, sole proprietorship, trust, employee benefit plan or other enterprise, to the fullest extent permitted by PRULPA, regardless of whether the indemnitee continues to be the general partner, an affiliate of the general partner or an officer, employee or agent of such partnership, at the time any such liability or expense is paid or incurred; provided, however, that Section 7.4 shall not eliminate or limit the liability of an indemnitee for any breach of his or her duties to such partnership as set forth in certain provisions of each LP Agreement. Additionally, any right of an indemnitee under Section 7.4 of each LP Agreement is a contract right and shall run to the benefit of the indemnitee. Any repeal or amendment of Section 7.4 of either LP Agreement is prospective only and will not limit the rights of any such indemnitee or the obligations of the partnership with respect to any claim arising from or related to the status or the services of such indemnitee in any of the foregoing capacities prior to any such repeal or amendment to Section 7.4. These rights include the right to be paid by the applicable partnership expenses incurred in investigating or defending any such proceeding in advance of its final disposition to the maximum extent permitted under PRULPA. If a claim for indemnification or advancement or expenses is not paid in full by such partnership within 60 days after a written claim has been received by such partnership, the claimant may at any time thereafter bring suit against such partnership to recover the unpaid amount of the claim, and if successful in whole or in part, the claimant shall also be entitled to be paid the expenses of prosecuting such claim. Section 7.4 of each LP Agreement further provides that it shall be a defense to any such action that such indemnification or advancement of costs of defense are not permitted under PRULPA, but the burden of proving such defense shall be on the applicable partnership. Neither the failure of such partnership to have made its determination prior to the commencement of such action that indemnification of, or advancement of costs of defense to, the indemnitee is permissible in the circumstances nor an actual determination by such partnership that such indemnification or advancement is not permissible shall be a defense to the action or create a presumption that such indemnification or advancement is not permissible. In the event of the death of any indemnitee, such right shall inure to the benefit of his or her heirs, executors, administrators and personal representatives. The rights conferred by Section 7.4 of each LP Agreement are not exclusive of any other right which any indemnitee may have or thereafter acquire under any statute, resolution, agreement or otherwise. In addition, Section 7.4 of each LP Agreement provides that, if authorized by the general partner, the partnership may purchase and maintain insurance on behalf of any indemnitee to the fullest extent permitted by PRULPA.

ET Sub-Pennsburg Manor Limited Partnership, L.L.P., ET Sub-Rittenhouse Limited Partnership, L.L.P., ET Sub-Riverview Ridge Limited Partnership, L.L.P., ET Sub-Wayne I Limited Partnership, L.L.P., and ET Sub-Willowbrook Limited Partnership, L.L.P. are each organized under the Virginia Revised Uniform Limited Partnership Act (the "VRULPA") and each has filed a statement of

registration as a limited liability partnership. Section 50-73.96 of the Virginia Uniform Partnership Act (the "VUPA"), at subsections (B) and (C), provides that a partner is not personally liable for any partnership obligation incurred before the person's admission as a partner or for debts, obligations or liabilities of, or chargeable to, the partnership, whether sounding in tort, contract or otherwise, that are incurred, created or assumed by the partnership while the partnership is a registered limited liability partnership. Sections 50-73.99 of the VUPA provides that a partnership shall reimburse a partner for payments made and indemnify a partner for liabilities incurred by the partner in the ordinary course of business of the partnership or for the preservation of the partnership; and also provides that no person shall be required as a consequence of the indemnification to make any payment to the extent such payments would be inconsistent with subsections (B) and (C) of Section 50-73.96, described above.

The Amended and Restated Agreement of Limited Partnership of each of ET Sub-Pennsburg Manor Limited Partnership, L.L.P. and ET Sub-Wayne I Limited Partnership, L.L.P. (as amended, the "Pennsburg and Wayne Partnership Agreements") specifies that each partnership shall indemnify, defend and hold harmless each such partnership's partners, their stockholders, members, owners, partners, directors, officers, employees and agents from and against any loss, liability, damage, cost or expense (including reasonable attorneys' fees) arising out of or alleged to arise out of any demands, claims, suits, actions or proceedings against any of them in or as a result of or relating to their respective capacities, actions or omissions with respect to the applicable partnership, or otherwise concerning the business or affairs of the applicable partnership including, without limitation, any demands, claims, suits, actions or proceedings, initiated by any of their respective partners; provided, however, that the acts or omissions of each partnership's general partner shall not be indemnified thereunder to the extent a court of competent jurisdiction finds, upon entry of a final judgment, that the same resulted from gross negligence, willful misconduct, recklessness, malfeasance or fraud. Furthermore, each of the Pennsburg and Wayne Partnership Agreements provides that the rights of indemnification shall be cumulative of, and in addition to, any and all rights, remedies and recourse to which any indemnified party shall be entitled, whether pursuant to the provisions of each of the Pennsburg and Wayne Partnership Agreements, at law or in equity. Indemnification is to be made solely and entirely from the assets of the applicable partnership (excluding all assets of the applicable partners other than those of and attributable to such partner's interest in the partnership), and no partner shall be personally liable to any indemnified party under Section 12 of each of the Pennsburg and Wayne Partnership Agreements. In addition, any person or entity, when entitled to indemnification pursuant to Section 12 of each of the Pennsburg and Wayne Partnership Agreements, shall be entitled to receive, upon application, advances to cover the costs of defending any proceeding. All rights to indemnification will survive the dissolution of each partnership and the death, retirement, incompetency, insolvency or bankruptcy of any applicable partner.

The Agreement of Limited Partnership of each of ET Sub-Rittenhouse Limited Partnership, L.L.P., ET Sub-Riverview Ridge Limited Partnership, L.L.P. and ET Sub-Willowbrook Limited Partnership, L.L.P. (the "Rittenhouse, Riverview Ridge and Willowbrook Partnership Agreements") requires each partnership to indemnify and hold harmless its respective general partner, its affiliates and any officers, employees or agents of the partnership, to the fullest extent permitted by law, from and against any and all losses, claims, demands, costs, damages, liabilities (joint or several), expenses of any nature (including attorneys' fees and disbursements), judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, whether threatened, pending or completed and whether civil, criminal, administrative, arbitrative or investigative, including, without limitation, any appeal to any such claim, demand, action, suit or proceeding and any inquiry or investigation that could lead to such claim, demand, action, suit or proceeding, arising out of or incidental to the ordinary course of business of such partnership or the preservation of its business or properties and in which any indemnitee may be, or may have been, involved, or threatened to be involved, as a party or otherwise, by reason of the fact that he, she or it (i) is or was the general partner, an affiliate of the general partner or an officer, employee or agent of such partnership or (ii) is or was serving at the request of such partnership as a director, officer, member, general or limited partner, venturer, proprietor, trustee, employee, agent or similar functionary of another

foreign or domestic corporation, limited liability company, joint venture, partnership, limited partnership, sole proprietorship, trust, employee benefit plan or other enterprise, to the fullest extent permitted by the VRULPA, regardless of whether the indemnitee continues to be the general partner, an affiliate of the general partner or an officer, employee or agent of such partnership, at the time any such liability or expense is paid or incurred; provided, however, that Section 7.4 of each of the applicable Rittenhouse, Riverview Ridge and Willowbrook Partnership Agreements shall not eliminate or limit the liability of an indemnitee for any breach of his or her duties to the applicable partnership as set forth in certain provisions of the Rittenhouse, Riverview Ridge and Willowbrook Partnership Agreements. Additionally, any right of an indemnitee under Section 7.4 of each of the Rittenhouse, Riverview Ridge and Willowbrook Partnership Agreements is a contract right and shall run to the benefit of the indemnitee. Any repeal or amendment of Section 7.4 of each of the Rittenhouse, Riverview Ridge and Willowbrook Partnership Agreements is prospective only and will not limit the rights of any such indemnitee or the obligations of the applicable partnership with respect to any claim arising from or related to the status or the services of such indemnitee in any of the foregoing capacities prior to any such repeal or amendment to Section 7.4 of each of the Rittenhouse, Riverview Ridge and Willowbrook Partnership Agreements. These rights include the right to be paid by the applicable partnership expenses incurred in investigating or defending any such proceeding in advance of its final disposition to the maximum extent permitted under the VRULPA. If a claim for indemnification or advancement or expenses is not paid in full by the applicable partnership within 60 days after a written claim has been received by such partnership, the claimant may at any time thereafter bring suit against such partnership to recover the unpaid amount of the claim, and if successful in whole or in part, the claimant shall also be entitled to be paid the expenses of prosecuting such claim. Section 7.4 of each of the Rittenhouse, Riverview Ridge and Willowbrook Partnership Agreements further provides that it shall be a defense to any such action that such indemnification or advancement of costs of defense are not permitted under the VRULPA, but the burden of proving such defense shall be on the applicable partnership. Neither the failure of the applicable partnership to have made its determination prior to the commencement of such action that indemnification of, or advancement of costs of defense to, the indemnitee is permissible in the circumstances nor an actual determination by such partnership that such indemnification or advancement is not permissible shall be a defense to the action or create a presumption that such indemnification or advancement is not permissible. In the event of the death of any indemnitee, such right shall inure to the benefit of his or her heirs, executors, administrators and personal representatives. The rights conferred by Section 7.4 of each of the Rittenhouse, Riverview Ridge and Willowbrook Partnership Agreements are not exclusive of any other right which any indemnitee may have or thereafter acquire under any statute, resolution, agreement or otherwise. In addition, Section 7.4 of each of the Rittenhouse, Riverview Ridge and Willowbrook Partnership Agreements provides that, if authorized by the general partner, the applicable partnership may purchase and maintain insurance on behalf of any indemnitee to the fullest extent permitted by the VRULPA.

(b) Financial Statement Schedules

Schedule III Real Estate and Accumulated Depreciation (incorporated herein by reference to Ventas, Inc.'s Annual Report on Form 10-K for the year ended December 31, 2005).

Item 22. Undertakings

The undersigned registrants hereby undertake:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants, pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a registrant of expenses incurred or paid by a director, officer or controlling person of such registrant in the successful defense of any action, suit or proceeding) is asserted by any such director, officer or controlling person in connection with the securities being registered, the applicable registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether or not such indemnification is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication so such issue.

The undersigned registrants hereby undertake that:

- (1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrants pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to part of this registration statement as of the time it was declared effective.
- (2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: Brookdale Living Communities of Indiana-OL, LLC - Form S-4/A

The undersigned registrants hereby undertake to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11 or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrants hereby undertake to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
