**PROXY STATEMENT**

**ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON JUNE 3, 2010**

**GENERAL**

This proxy statement is furnished in connection with the solicitation by the Board of Directors ("Board") of Activision Blizzard, Inc., a Delaware corporation, of proxies from holders of our issued and outstanding shares of common stock, par value \$0.000001 per share ("Common Stock"). The proxies being solicited will be used at the annual meeting of our stockholders to be held on Thursday, June 3, 2010, at the offices of Equity Office at 3200 Ocean Park Boulevard, Santa Monica, California, 90405, at 9:00 a.m., Pacific Daylight Time, and at any adjournment or postponement of the meeting (the "Annual Meeting"). We will be mailing a notice regarding the Internet availability of these proxy materials (containing instructions on how to access the proxy materials and vote shares through the Internet) to stockholders on or prior to April 23, 2010. All references to the "Company," "we," "us," "our," and "Activision Blizzard" in this proxy statement mean Activision Blizzard, Inc.

**PROCEDURAL MATTERS**

**Record Date and Quorum**

Stockholders of record at the close of business on April 6, 2010 are entitled to notice of, and to vote at, the Annual Meeting. There were 1,243,483,898 shares of our Common Stock outstanding and entitled to vote on the record date. Each such share of our Common Stock is entitled to one vote on each matter presented for action at the Annual Meeting. A majority of the outstanding shares of our Common Stock entitled to vote at the meeting must be present in person or by proxy at the Annual Meeting in order for a quorum to be present. Proxies representing abstentions will be included for purposes of determining whether a quorum is present at the Annual Meeting, but proxies representing "broker non-votes" will not be included. A "broker non-vote" occurs when a broker, bank or other nominee who holds shares for a beneficial owner to be represented at a meeting does not vote on a particular proposal because the broker, bank or other nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

**Required Votes**

In the election of directors (proposal 1), you may vote "for" or "against," or "abstain" from voting with respect to one or more nominees. Similarly, you may vote "for" or "against," or "abstain" from voting, with respect to the amended and restated Activision Blizzard, Inc. 2008 Incentive Plan (proposal 2).

Election of any nominee as a director (proposal 1) and approval of proposal 2 each requires the affirmative vote of a majority in interest of the stockholders present in person or represented by proxy and entitled to vote at the Annual Meeting. Accordingly, shares not present and broker non-votes will not have any effect on the voting outcome with respect to the election of directors or proposal 2. Shares present but not voted for one or both of the proposals (either because of an express abstention or because the vote is otherwise not cast) will have the same effect as a vote "against" a director nominee or proposal 2, as the case may be.

Because the election of directors (proposal 1) and the approval of proposal 2 are each a "non-routine" proposal, if you hold your shares in street name and do not give your broker, bank or other nominee instructions as to how to vote your shares with respect to the proposal, your broker, bank or other nominee will not have authority to vote your shares, resulting in a broker non-vote with

Table of Contents

respect to that proposal. Broker non-votes will not count as voted on the proposal, or as present or represented at the meeting, and so will have no effect on the vote.

Stockholders have no dissenters' rights or rights of appraisal under Delaware law or our Certificate of Incorporation or Bylaws in connection with the election of directors (proposal 1) or approval of proposal 2.

**Proxies**

Whether or not you are able to attend the Annual Meeting, you are urged to vote your shares by proxy. Stockholders of record may vote online at [www.continentalstock.com](http://www.continentalstock.com), by calling (866) 894-0537 or, if they receive a copy of this proxy statement by mail, by completing and mailing the proxy card enclosed with that proxy statement. If you are a stockholder of record and you choose to vote by mail, please complete, sign and date the proxy card as soon as possible. If you hold shares in street name through a broker, bank or other nominee, your broker, bank or other nominee will send you separate instructions describing the procedure for voting your shares.

The shares of Common Stock represented by all valid proxies we receive prior to the Annual Meeting that are not properly revoked prior to being voted at the Annual Meeting will be voted at the Annual Meeting as directed. If no directions are specified, those proxies will be voted FOR each of the director nominees named in this proxy statement (proposal 1) and FOR approval of the amended and restated Activision Blizzard, Inc. 2008 Incentive Plan (proposal 2). Any stockholder may revoke or change that stockholder's proxy at any time before the proxy is voted at the Annual Meeting by (1) sending a written notice of revocation of the proxy to our Corporate Secretary at Activision Blizzard, Inc., 3100 Ocean Park Blvd., Santa Monica, California 90405, (2) properly delivering a subsequently dated proxy or (3) voting in person at the Annual Meeting.

**Attending and Voting at the Annual Meeting**

You should be prepared to present a valid form of photo identification, such as a driver's license, state-issued ID card or passport, to gain admittance to the Annual Meeting. In addition, if you are a stockholder of record, your ownership as of the record date will be verified by reference to our records prior to admittance into the Annual Meeting. If you hold shares in street name through a broker, bank or other nominee, you must provide proof of beneficial ownership as of the record date, such as a brokerage account statement or similar evidence of ownership. If you do not provide valid photo identification and otherwise comply with the procedures outlined above, you may not be admitted to the Annual Meeting. Directions to the Annual Meeting can be obtained by contacting our Investor Relations department by calling (310) 255-2000 or by emailing [ir@activision.com](mailto:ir@activision.com).

Stockholders of record who wish to vote in person at the Annual Meeting must request a ballot at the meeting. Street-name holders who wish to vote in person at the Annual Meeting will need to obtain a proxy from the broker, bank or other nominee that holds their shares of record.

**Costs of Proxy Solicitation**

We will bear the entire cost of this proxy solicitation, including the preparation, assembly, printing and mailing of this proxy statement, the proxy card, the notice regarding the Internet availability of proxy materials and any additional solicitation materials we send to stockholders. We may reimburse brokerage firms and other persons representing beneficial owners of our Common Stock for their expenses in forwarding the proxy materials to those beneficial owners. In addition, proxies may be solicited, personally or by telephone, by our directors, officers and regular employees without additional compensation.

Those elected will serve until their respective successors are duly elected or appointed and qualified or until the earlier of their death, resignation or removal. Except where otherwise instructed, proxies solicited by this proxy statement will be voted for the election of each nominee. However, if any nominee becomes unable to stand for election as a director at the Annual Meeting, the proxy may be voted for a substitute designated in accordance with our Bylaws.

Pursuant to our Bylaws and an investor agreement among Vivendi, VGAC, Vivendi Games and us, VGAC, which holds a majority of the outstanding shares of our Common Stock, has agreed to vote its shares in a manner that ensures that all of the nominees are elected. For more information about the composition of our Board, the nominating subcommittees, our Bylaws and the investor agreement, see "Corporate Governance" and "Certain Relationships and Related Transactions" below.

**PROPOSAL 2**  
**APPROVAL OF THE 2008 INCENTIVE PLAN, AS AMENDED AND RESTATED**

**General**

The Activision Blizzard Inc. 2008 Incentive Plan was adopted by our Board on July 28, 2008, approved by our stockholders and amended and restated by our Board on September 24, 2008, amended and restated by our Board with stockholder approval on June 3, 2009 and amended and restated by the Compensation Committee of our Board with stockholder approval on December 17, 2009 (as so amended and restated, the "2008 Plan"). The 2008 Plan authorizes the Compensation Committee of our Board to grant equity- and cash-based compensation for the purpose of providing incentives and rewards for performance to the directors, officers and other employees of, and consultants to, Activision Blizzard and our subsidiaries. On February 10, 2010, our Board adopted, subject to stockholder approval, amendments to the 2008 Plan to increase the maximum number of shares of our Common Stock authorized for issuance pursuant to awards granted under the 2008 Plan and the maximum number of shares that may be issued pursuant to certain types of awards under the 2008 Plan and, on April 14, 2010, our Compensation Committee adopted, subject to stockholder approval, amendments to the 2008 Plan to revise certain provisions relating to the granting of incentive compensation intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code, as amended (the "Internal Revenue Code") and to amend certain limitations with respect to the granting of awards under the 2008 Plan, all as described below.

**Proposed Amendments**

*Increase in the maximum number of shares of our Common Stock authorized for issuance pursuant to awards granted and the maximum number of shares that may be issued pursuant to certain types of awards.* The changes that would be implemented by the proposed amendments of the 2008 Plan, if it is adopted by our stockholders, include the following:

an increase in the maximum number of shares of our Common Stock issuable under the 2008 Plan by 56,000,000 shares (those additional 56,000,000 shares, the "Proposed Additional Shares"); and

an increase in the limit on the number of shares of our Common Stock that may be issued under the 2008 Plan pursuant to the following types of awards as follows:

incentive stock options by 56,000,000 shares;

awards other than options or share appreciation rights ("SARs") by 28,000,000 shares; and

custom awards granted under Section 10 of the plan (*i.e.*, awards not explicitly contemplated by the 2008 Plan that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of our Common Stock or factors that may influence the value of our Common Stock or that are valued based on the performance of Activision Blizzard or any of our subsidiaries or business units or other factors designated by the Compensation Committee) by 11,200,000 shares.

*Revision of certain provisions relating to the granting of incentive compensation intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code.* In addition, if the proposed amendments to the 2008 Plan are approved by our stockholders, the following changes to the 2008 Plan will be implemented:

the revision of the definition of "covered employee" as used in the 2008 Plan to include any "executive officer" of the Company within the meaning of Rule 3b-7 under the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act"), rather than any plan participant who

Table of Contents

is, or is determined by the Compensation Committee to be likely to become, a "covered employee" within the meaning of Section 162(m) of the Internal Revenue Code;

the revision of the definition of "management objectives" (as described below) to remove any language that could be interpreted to suggest that the Compensation Committee is unable to make awards to covered employees that are not intended to be performance-based compensation;

the revision of the definition of management objectives and of the definition of "performance period" to remove any language that could be interpreted to suggest that we are restricted from making awards of performance shares or performance share units that become payable upon the achievement of performance criteria other than management objectives; and

the amendment of the provisions regarding custom awards to clarify that those awards may be determined by reference to the achievement of management objectives.

*Amendment of certain limitations on our ability to make awards to plan participants.* Further, if the proposed amendments to the 2008 Plan are approved by our stockholders, the following changes to the 2008 Plan will be implemented:

the increase by \$4 million of the maximum aggregate value of performance units which may be granted to any one participant in a single fiscal year, from \$2 million to \$6 million; and

the increase by \$4 million of the maximum aggregate value of custom awards not involving the issuance or transfer of shares of our Common Stock which may be granted to any one participant in a single fiscal year, from \$2 million to \$6 million.

**Reasons for Stockholder Approval**

Stockholder approval of the amendments to the 2008 Plan is necessary in order for us to meet the stockholder approval requirements of the NASDAQ Stock Market ("NASDAQ"). If our stockholders do not approve the amendments to the 2008 Plan, the 2008 Plan will not be amended and any future awards under the 2008 Plan will be made under the terms of the 2008 Plan that are currently in effect, for so long as available shares remain.

*Increase in the maximum number of shares of our Common Stock authorized for issuance pursuant to awards granted and the maximum number of shares that may be issued pursuant to certain types of awards.* Equity-based compensation has been a major component of our compensation programs for many years. The Board believes that our ability to grant equity-based compensation has been a significant factor in our achievement of its growth objectives and our ability to increase stockholder value and is critically important for our continued success. The principal factors shaping the Board's view in this regard are as follows:

*Recruiting and Retention.* In the industry in which we compete, our use of equity-based compensation is vital in order for us to attract and retain executive, creative and technical talent and other key employees. In particular, the market for creative and technical talent is extremely competitive in the interactive entertainment software industry.

*Motivation.* Our use of equity-based compensation is fundamental to our ability to motivate our employees to achieve our growth objectives.

*Alignment with Stockholder Interests.* Our ability to use equity-based compensation gives it the most effective means to align the interests of our employees with those of our stockholders because equity-based compensation directly links the employee's compensation to an increase in the value of our Common Stock.

Table of Contents

Without a new share authorization under the 2008 Plan, we believe that, in the near future, we will cease being able to make grants under the plan and, as a result, no longer have the ability to utilize equity-based compensation as a meaningful component of our compensation programs, putting us at a significant competitive disadvantage and compromising our ability to enhance stockholder value.

As of April 1, 2010, 19,985,756 shares of our Common Stock remained available for issuance under the 2008 Plan. If the proposed addition of 56,000,000 shares is approved by our stockholders, we anticipate having sufficient shares to meet our needs for recruiting, retention and motivation through the next three to four fiscal years, although those expectations could change in response to extraordinary circumstances (such as acquisitions).

*Revision of certain provisions relating to the granting of incentive compensation intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code.* Amending the 2008 Plan will clarify the provisions in the existing plan relating to incentive compensation that is intended to qualify for the exception from Section 162(m) of the Internal Revenue Code for "performance-based compensation." (Whether or not our stockholders approve the amendments to the 2008 Plan, we may make awards outside of the 2008 Plan to our employees, including our "covered employees" within the meaning of Section 162(m) of the Internal Revenue Code (generally, the chief executive officer and the three other highest paid officers other than the chief financial officer), and may make awards under the 2008 Plan that we are unable to deduct because of the limitations imposed by Section 162(m) of the Internal Revenue Code, which limits the ability of publicly held corporations like the Company to deduct compensation paid to "covered employees" within the meaning of Section 162(m).)

*Amendment of certain limitations on our ability to make awards to plan participants.* Increasing the limitations on the value of performance units and custom awards not involving the issuance or transfer of shares of our Common Stock will provide us with increased flexibility to award compensation to our employees, which we believe will increase our ability to motivate our employees to achieve our growth objectives, thus increasing stockholder value.

**Summary of the 2008 Plan, as Proposed to be Amended and Restated**

*The following summary of the principal terms and provisions of the 2008 Plan as proposed to be amended and restated is qualified in its entirety by the terms of the 2008 Plan, which is included as Appendix A attached to this proxy statement and incorporated herein by reference.*

***Shares Available Under the 2008 Plan***

On April 1, 2010, we had 19,985,756 shares of our Common Stock reserved for future issuance under the 2008 Plan (which, for the sake of clarity, does not include the Proposed Additional Shares), subject to adjustment as provided in the 2008 Plan in the event of stock splits, stock dividends, the issuance of rights and certain other events. The NASDAQ Official Closing Price of our Common Stock on April 1, 2010 was \$11.92 per share. As described above, on February 10, 2010, our Board adopted, subject to stockholder approval, the amendment described herein increasing the maximum number of shares of our Common Stock reserved for issuance under the 2008 Plan by 56,000,000 shares.

The number of shares reserved for issuance under the 2008 Plan on April 1, 2010 may be further increased from time to time by:

the number of shares relating to awards outstanding under the Prior Plans at April 1, 2010 that:

expire, or are forfeited, terminated or cancelled, without the issuance of shares;

are settled in cash in lieu of shares; or

are exchanged, prior to the issuance of shares of our Common Stock, for awards not involving our Common Stock; and

if the exercise price of any option outstanding under any Prior Plan at September 24, 2008 is, or the tax withholding requirements with respect to any award outstanding under any Prior Plan are, satisfied by withholding shares otherwise then deliverable in respect of the award or the actual or constructive transfer to us of shares already owned, the number of shares equal to the withheld or transferred shares.

"Prior Plans" means the following equity incentive plans: (1) the Activision, Inc. 1998 Incentive Plan, as amended; (2) the Activision, Inc. 1999 Incentive Plan, as amended (the "1999 Plan"); (3) the Activision, Inc. 2001 Incentive Plan, as amended; (4) the Activision, Inc. 2002 Incentive Plan, as amended (the "2002 Plan"); (5) the Activision, Inc. 2002 Executive Incentive Plan, as amended; (6) the Activision, Inc. 2002 Studio Employee Retention Incentive Plan, as amended (the "2002 Studio Plan"); (7) the Activision, Inc. 2003 Incentive Plan, as amended (the "2003 Plan"); and (8) the Activision, Inc. 2007 Incentive Plan (the "2007 Plan"). At the time the 2008 Plan was approved by our stockholders on September 24, 2008, there were 87,899,042 shares subject to awards outstanding under the Prior Plans that potentially could become available for awards under the 2008 Plan. On September 24, 2008, the effective date of the 2008 Plan, we ceased to grant awards under the Prior Plans, although those plans remain in effect and continue to govern outstanding awards.

Under the 2008 Plan:

shares relating to awards that expire, or are forfeited, terminated or cancelled, without the issuance of shares, awards that are settled in cash in lieu of shares and awards that are exchanged, with the Compensation Committee's permission, prior to the issuance of shares of our Common Stock, for awards not involving our Common Stock, will again be available for issuance or transfer under the 2008 Plan;

if the exercise price of any option is, or the tax withholding requirements with respect to any award granted under the 2008 Plan are, satisfied by withholding shares otherwise then deliverable in respect of the award or the actual or constructive transfer to us of shares already owned, a number of shares equal to the withheld or transferred shares will again be available for issuance or transfer under the 2008 Plan; and

if a SAR is exercised and settled in shares, a number of shares equal to the difference between the total number of shares with respect to which the award is exercised and the number of shares actually issued or transferred will again be available for issuance or transfer under the 2008 Plan, with the result being that only the number of shares actually issued or transferred upon exercise of the SAR are counted against the maximum number of shares of our Common Stock available for issuance or transfer under the 2008 Plan.

Shares utilized under the 2008 Plan may be newly issued shares, treasury shares or a combination of both.

The 2008 Plan contains the following aggregate and individual annual grant limitations:

*Limits on ISOs.* The number of shares that we may issue or transfer upon the exercise of incentive stock options ("ISOs") may not exceed 84,878,935 (which equals the number of shares available for grant under the 2007 Plan at the time the 2008 Plan was approved by stockholders, plus 70,000,000 shares consisting of the 14,000,000 shares that were reserved for issuance under the 2008 Plan in December 2009 plus the Proposed Additional Shares) in the aggregate;

*Limits on Awards Other than Options and SARs.* The number of shares that we may issue or transfer as or pursuant to awards other than options or SARs may not exceed 50,000,000 in the aggregate, including no more than 20,000,000 in the aggregate as or pursuant to custom awards

(i.e., awards not explicitly contemplated by the 2008 Plan that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of our Common Stock or factors that may influence the value of our Common Stock or that are valued based on the performance of Activision Blizzard or any of our subsidiaries or business units or other factors designated by the Compensation Committee (which may include the achievement of management objectives));

*Limits on Options and SARs.* The number of shares issuable or transferable in respect of options and SARs granted to any one participant in a single fiscal year may not exceed 4,000,000 in the aggregate;

*Limits on Restricted Shares and Restricted Share Units.* The number of (1) restricted shares granted to any one participant in a single fiscal year and (2) shares issuable or transferable in respect of restricted share units granted to that participant in that year, may not exceed 2,000,000 in the aggregate;

*Limits on Performance Shares.* The number of performance shares granted to any one participant in a single fiscal year may not exceed 3,000,000 in the aggregate;

*Limits on Performance Units.* The value of performance units granted to any one participant in a single fiscal year may not exceed \$6 million in the aggregate (with the value of any such grant to be determined as of the date of the grant);

*Limits on Incentive Bonuses.* The amount of any senior executive plan bonuses paid under the 2008 Plan to any one participant for a single fiscal year may not exceed \$6 million in the aggregate; and

*Limits on Custom Awards.* The number of shares issuable or transferable in respect of custom awards granted to any one participant in a single fiscal year may not exceed 3,000,000 in the aggregate and the value of any custom award that does not involve the issuance or transfer of shares may not exceed \$6 million in the aggregate (with the value of any such award to be determined as of the date of the award).

***Eligibility***

Directors, officers and other employees of, and consultants to, Activision Blizzard and our subsidiaries are eligible to participate in the 2008 Plan. As of April 1, 2010, approximately 7,600 individuals were considered eligible to be selected by the Compensation Committee to receive awards under the 2008 Plan, including our 8 executive officers and our 10 directors who are not executive officers.

***Types of Awards Authorized***

The 2008 Plan provides for the granting of stock options, SARs (both freestanding SARs and SARs granted in tandem with stock options), restricted shares, restricted share units, performance shares, performance units, dividend equivalents and custom awards. Awards granted under the 2008 Plan will be upon whatever terms are approved by the Compensation Committee and set forth in an award agreement or other evidence of an award, provided that (a) the exercise price per share of stock options, and the price per share of freestanding SARs, granted under the 2008 Plan will be not less than the "market value per share" (defined as (i) the closing price per share of Common Stock as reported on the principal securities exchange, association or quotation system on which the Common Stock is then listed or quoted, or (ii) if clause (i) does not apply, the fair market value of a share of Common Stock as determined by the Compensation Committee), and (b) no stock option or freestanding SAR granted under the 2008 Plan may be exercised more than 10 years from the date of grant. An award will contain those terms and provisions, consistent with the 2008 Plan, which

Table of Contents

Compensation Committee approves, including provisions for the acceleration of vesting or the lapse, expiration or termination of restrictions or other conditions upon the occurrence of certain events, including change of control events.

The 2008 Plan also provides that the Compensation Committee may from time to time authorize payment of a senior executive plan bonus to a participant who is a "covered employee" (defined for purposes of the 2008 Plan as an "executive officer" of the Company within the meaning of Rule 3b-7 under the Exchange Act), which incentive compensation will become payable upon the achievement of specified management objectives, as described below. The payment of a senior executive plan bonus under the 2008 Plan may be made in cash, in shares of our Common Stock or a combination of both, as determined by the Compensation Committee.

*Management Objectives*

The 2008 Plan contemplates that the Compensation Committee will establish "management objectives" for purposes of any grants of incentive bonuses. Under the 2008 Plan, the Compensation Committee may also establish management objectives in connection with grants of stock options, SARs, restricted shares, restricted share units, performance shares, performance units and custom awards. For example, the Compensation Committee may specify management objectives that must be achieved as a condition to exercising options or SARs, to result in termination or early termination of the restrictions applicable to restricted shares or restricted share units or to result in the vesting of performance shares or performance units.

Subject to the limits described below, management objectives may be described in terms of either Activision Blizzard-wide objectives or objectives that are related to the performance of the individual participant or a subsidiary, division, department, region or function. The Compensation Committee may provide, in connection with the setting of management objectives, that any evaluation of performance may include or exclude certain items, including, without limitation, asset write downs, litigation or claim judgments or settlements, the effect of changes in tax laws, accounting principles or other laws or provisions affecting reported results, any reorganization and restructuring programs, extraordinary nonrecurring items as described in Accounting Standards Codification ("ASC") Subtopic 225-20 or in management's discussion and analysis of financial condition and results of operations appearing in our Annual Report on Form 10-K for the applicable year, acquisitions or divestitures and foreign exchange gains and losses.

Management objectives applicable to any award to a participant who is a covered employee within the meaning of the 2008 Plan that is intended to be deductible under Section 162(m) of the Internal Revenue Code will be limited to measurable and specified levels of performance or relative peer company performance in any one or more of the following objectives, or any combination of any of them, as determined by the Compensation Committee in its sole discretion: adjusted net earnings; appreciation in or maintenance of the price of our Common Stock (or any other publicly traded securities of Activision Blizzard), including, without limitation, comparisons with various stock market indices; attainment of strategic and operational initiatives; budget; cash flow (including, without limitation, free cash flow); cost of capital; cost reduction; earnings and earnings growth (including, without limitation, earnings per share, earning before taxes, earnings before interest and taxes and earnings before interest, taxes, depreciation and amortization); market share; market value added; net income; net sales; operating profit and operating income; pretax income before allocation of corporate overhead and bonus; quality; recruitment and development of associates; maintenance of internal control over financial reporting and corporate governance practices; reductions in costs; return on assets and return on net assets; return on equity; return on invested capital; sales and sales growth; successful acquisition/divestiture; and total stockholder return and improvement of stockholder return.

Table of Contents

If the Compensation Committee determines that a change in our business, operations, corporate structure or capital structure, or the manner in which we conduct our business, or other events or circumstances, render previously established management objectives unsuitable, the Compensation Committee may in its discretion modify those management objectives or the minimum acceptable level of achievement of those objectives, in whole or in part, as the Compensation Committee deems appropriate and equitable, except in the case of a covered employee where such action would result in the loss of the otherwise available exemption under Section 162(m) of the Internal Revenue Code. In such case, the Compensation Committee may not make any such modification of the management objectives or minimum acceptable level of achievement with respect to such covered employee.

***Administration and Amendments***

The 2008 Plan is administered by the Compensation Committee. The Compensation Committee has sole discretion to interpret any provision of the 2008 Plan or an award thereunder, make any determination necessary or advisable for the administration of the 2008 Plan and awards thereunder, and waive any condition or right of ours under an award or discontinue or terminate an award. Further, any decision or determination made by the Compensation Committee with respect to the 2008 Plan or an award thereunder will be made by the Compensation Committee in its sole and absolute discretion, subject to the terms of the 2008 Plan. The interpretation and construction by the Compensation Committee of any provision of the 2008 Plan or of any award, and any determination by the Compensation Committee pursuant to any provision of the 2008 Plan or of any award, will be final and conclusive.

The Compensation Committee may amend the 2008 Plan from time to time without further approval by stockholders, except where the amendment must be approved by stockholders in order to comply with applicable legal requirements or the requirements of the principal securities exchange, association or quotation system on which our Common Stock is listed or quoted (currently, NASDAQ). Further, if an amendment to the 2008 Plan would increase the number of shares of our Common Stock that may be issued or transferred upon the exercise of ISOs, then that amendment will be subject to stockholder approval and will not be effective unless and until that approval has been obtained.

Subject to the foregoing, the Compensation Committee may amend the terms of any award granted under the 2008 Plan prospectively or retroactively, except in the case of a covered employee where such action would result in the loss of the otherwise available exemption of the award under Section 162(m) of the Internal Revenue Code. No amendment to any award may materially and adversely affect the rights of any participant taken as a whole without his or her consent.

***Change of Control***

Awards under the 2008 Plan may provide that, upon a change of control of Activision Blizzard, those awards will become vested or earned, in whole or in part. For example, an award of options or SARs may provide that unvested options or SARs will become vested and immediately exercisable, either in whole or in part, upon a change of control. Similarly, awards of restricted shares, restricted share units, performance shares and performance units, custom awards and incentive bonuses may provide that the restrictions or other conditions prescribed by the Compensation Committee, if any, with respect thereto will automatically lapse, expire and terminate, and those awards will be deemed to be earned, in whole or in part, upon a change of control.

***Transferability***

The 2008 Plan expressly provides that, with our consent, which may be granted or withheld in our sole and absolute discretion, a participant may transfer an award for estate planning purposes or pursuant to a domestic relations order, provided the transferee executes an agreement, in form

Table of Contents

satisfactory to us, to be bound by the terms and conditions of the 2008 Plan and the award being transferred. Unless otherwise permitted by the Compensation Committee, except as described in the immediately preceding sentence (1) no award or other derivative security granted under the 2008 Plan is transferable by a participant except, upon death, by will or the laws of descent and distribution and (2) stock options and SARs are exercisable during the optionee's lifetime only by him or her or by his or her guardian or legal representative.

*Adjustments*

The number of shares authorized under the 2008 Plan, the number of, and, if applicable, amounts payable for, shares subject to outstanding awards and the various limits contained in the 2008 Plan will be adjusted in the event of stock dividends, extraordinary dividends, stock splits, combinations of shares, recapitalizations, mergers, consolidations, spin-offs, split-offs, spin-outs, split-ups, reorganizations, liquidations, issuances of rights or warrants, and similar events. In the event of any such transaction or event or in the event of a change of control, the Compensation Committee, in its discretion, may provide in substitution for any or all outstanding awards under the 2008 Plan whatever alternative consideration (including cash), if any, the Compensation Committee, in good faith, determines to be equitable in the circumstances and may require the surrender of all awards so replaced. The Compensation Committee will also make or provide for such adjustments in the number of shares available under the 2008 Plan and the other limitations contained in the 2008 Plan as is appropriate to reflect any transaction or event described above. Further, in the event that we issue warrants or other rights to acquire common shares on a pro-rata basis to all stockholders, the Compensation Committee will make those adjustments in the number of shares authorized under the 2008 Plan and in the limits contained in the 2008 Plan as it determines are equitable, including proportionately increasing the number of authorized shares or any such limit.

*Withholding Taxes*

To the extent that we or any of our subsidiaries is required to withhold federal, state, local or foreign taxes in connection with any payment made or benefit realized by a participant or other person under the 2008 Plan and the amounts available to us or our subsidiary for that withholding are insufficient, it will be a condition to the receipt of the payment or the realization of the benefit that the participant or other person make arrangements satisfactory to us for payment of the balance of the taxes required to be withheld, which arrangements (in the discretion of the Compensation Committee) may include relinquishment of a portion of such benefit.

*Termination*

No award will be made under the 2008 Plan after September 24, 2018, but all awards made on or prior to September 24, 2018 will continue in effect thereafter subject to the terms of those awards and of the 2008 Plan.

**Federal Income Tax Consequences**

The following discussion of the principal U.S. federal income tax consequences with respect to awards under the 2008 Plan is based on statutory authority and judicial and administrative interpretations as of the date of this proxy statement, which are subject to change at any time (possibly with retroactive effect) and may vary in individual circumstances. Therefore, the following discussion is designed to provide a general understanding of the federal income tax consequences (state, local and other tax consequences are not addressed below). *This discussion assumes that awards granted under the 2008 Plan are exempt from, or comply with, the provisions of Section 409A of the Internal Revenue Code. This discussion is limited to the U.S. federal income tax consequences to individuals who are citizens or*

Table of Contents

*residents of the U.S. The U.S. federal income tax law is technical and complex and the discussion below represents only a general summary.*

***Non-Qualified Stock Options***

In general, no income will be recognized by an optionee at the time a non-qualified stock option is granted. At the time of exercise of a non-qualified stock option, ordinary income will be recognized by the optionee in an amount equal to the difference between the exercise price paid for the shares and the fair market value of the shares, if unrestricted, on the date of exercise. At the time of sale of shares acquired pursuant to the exercise of a non-qualified stock option, appreciation (or depreciation) in value of the shares after the date of exercise will be treated as either short-term or long-term capital gain (or loss) depending on how long the shares have been held.

***Incentive Stock Options***

No income generally will be recognized by an optionee upon the grant or exercise of an ISO. The exercise of an ISO, however, may result in alternative minimum tax liability. If shares are issued to the optionee pursuant to the exercise of an ISO and no disqualifying disposition of those shares is made by the optionee within two years after the date of grant or within one year after the transfer of those shares to the optionee, then upon sale of those shares any amount realized in excess of the exercise price will be taxed to the optionee as a capital gain and any loss sustained will be a capital loss. If shares acquired upon the exercise of an ISO are disposed of prior to the expiration of either holding period described above, the optionee generally will recognize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of those shares at the time of exercise (or, if less, the amount realized on the disposition of those shares if a sale or exchange) over the exercise price paid for the shares. Any further gain (or loss) realized by the participant generally will be taxed as capital gain (or loss).

***Stock Appreciation Rights***

Generally, no income will be recognized by a participant in connection with the grant of a SAR. When the SAR is exercised, the participant normally will be required to include as taxable ordinary income in the year of exercise an amount equal to the amount of cash received and the fair market value of any unrestricted shares received on the exercise.

***Restricted Shares***

A recipient of restricted shares generally will be subject to tax at ordinary income rates on the fair market value of the restricted shares (reduced by any amount paid by the participant for the restricted shares) at the time the shares are no longer subject to forfeiture or restrictions on transfer for purposes of Section 83 of the Internal Revenue Code. However, a recipient who makes an election under Section 83(b) of the Internal Revenue Code within 30 days of the date of grant of the shares will have taxable ordinary income on the date of grant of the shares equal to the excess of the fair market value of the shares (determined without regard to the restrictions) over the purchase price, if any, of the restricted shares. If a Section 83(b) election has not been made, any dividends received with respect to restricted shares that are subject to the restrictions generally will be treated as compensation that is taxable as ordinary income to the participant.

***Restricted Share Units***

No income generally will be recognized upon the award of restricted share units. The recipient of a restricted share unit award generally will be subject to tax at ordinary income rates on the fair market value of unrestricted shares on the date that the shares are transferred to the participant under the

Table of Contents

award (reduced by any amount paid by the participant for the restricted share units), and the capital gains/loss holding period for the shares will also commence on that date.

***Performance Shares and Performance Units***

No income generally will be recognized upon the grant of performance shares or performance units. Upon payment in respect of the earn-out of performance shares or performance units, the recipient generally will be required to include as taxable ordinary income in the year of receipt an amount equal to the amount of cash received and the fair market value of any unrestricted shares received.

***Senior Executive Plan Bonuses***

The participant generally will be required to include as ordinary income in the year of receipt an amount equal to the amount of cash received and the fair market value of any non-restricted shares of our Common Stock received as payment of a bonus.

***Tax Consequences to Activision Blizzard or Subsidiary***

To the extent that a participant recognizes ordinary income in the circumstances described above, we or the subsidiary of ours for which the participant performs services will be entitled to a corresponding deduction provided that, among other things, the compensation meets the test of reasonableness, is an ordinary and necessary business expense, and is not an "excess parachute payment" within the meaning of Section 280G of the Internal Revenue Code, and that the deduction is not disallowed by the \$1 million limitation on certain compensation of covered employees under Section 162(m) of the Internal Revenue Code.

***Section 409A of the Internal Revenue Code***

To the extent that any award granted under the 2008 Plan constitutes a deferral of compensation within the meaning of Section 409A of the Internal Revenue Code, the Compensation Committee intends to cause the award to comply with the requirements of Section 409A. If an award does not comply with the requirements of Section 409A, penalty taxes and interest may be imposed on the participant receiving the award.

**New Plan Benefits**

Awards under the 2008 Plan are discretionary. As a consequence, other than amounts payable under our incentive plans, as discussed below in "Executive Compensation Compensation Discussion and Analysis," and equity awards to unaffiliated directors, as discussed in "Director Compensation Equity Compensation and Stock Ownership Guidelines," we cannot currently determine the number or type of awards that may be granted in the future under the 2008 Plan.

Since the date the 2008 Plan was adopted through April 1, 2010: options to purchase 1,200,000 shares of our Common Stock, 80,000 performance shares and 150,000 restricted shares had been issued to Mr. Tippl; options to purchase 200,000 shares of our Common Stock and 60,000 restricted shares units had been issued to Mr. Hodous; options to purchase 200,000 shares of our Common Stock has been issued to Mr. Morhaime; options to purchase 300,000 shares and 75,000 restricted shares units had been issued to Mr. Walther; options to purchase an aggregate of 2,360,000 shares of our Common Stock, an aggregate of 80,000 performance shares, an aggregate of 150,000 restricted shares and an aggregate of 280,000 restricted share units had been issued to our executive officers as a group (including Messrs. Tippl, Hodous, Morhaime and Walther); options to purchase an aggregate of 60,000 shares of our Common Stock and an aggregate of 50,000 restricted share units had been issued to our non-executive directors as a group; and options to purchase an aggregate of 11,071,657 shares of our

Table of Contents

Common Stock and 3,385,605 restricted share units had been issued to our non-executive employees as a group. No awards had been made to Messrs. Kotick or Hack.

None of our director nominees or any associate of any of our directors, director nominees or executive officers has received any equity incentive award under the 2008 Plan since April 1, 2010. However:

Mr. Morhaime's employment agreement with us provides that we will recommend to the Compensation Committee that he receive a grant of options to purchase 200,000 shares of our Common Stock once per year during the term of his agreement to the extent awards are being made to our other senior executives during that year. Please see "Executive Compensation Employment Agreements Michael Morhaime" below; and

Pursuant to his employment agreement with us, as amended in March 2010, if approved by the Compensation Committee, Mr. Tipll will receive a grant of options to purchase 525,000 shares of our Common Stock, 350,000 restricted share units and 225,000 performance shares. Please see "Executive Compensation Employment Agreements Thomas Tipll" below.

**Required Vote and Board Recommendation**

The affirmative vote of a majority in interest of the stockholders present in person or represented by proxy and entitled to vote at the Annual Meeting is required for the approval of Proposal 2.

**The Board recommends that you vote FOR approval of the 2008 Plan, as amended and restated.**

**CORPORATE GOVERNANCE MATTERS**

**Board of Directors and Committees**

*Controlled Company Exemption*

Since the consummation of the Combination, Vivendi, through its subsidiary VGAC, has held more than 50% of the power to vote for the election of our directors. Accordingly, we qualify as a "controlled company" under Rule 5615(c)(1) of the NASDAQ Marketplace Rules. As a controlled company, under Rule 5615(c)(2) of the NASDAQ Marketplace Rules, we are exempt from the requirements to have:

a majority of directors who qualify as "independent directors" pursuant to Rule 5605(a)(2) of the NASDAQ Marketplace Rules (which we refer to as "independent directors" in this proxy statement);

the compensation of our executive officers determined by a majority of independent directors or a compensation committee composed solely of independent directors; and

our director nominees selected, or recommended for our Board's selection, by either a majority of the independent directors or a nominating committee composed solely of independent directors.

*Board Composition and Meetings*

Our Board consists of 11 members. Pursuant to our Bylaws, provided that the percentage of outstanding shares of our Common Stock owned by Vivendi together with its controlled affiliates ("Vivendi's voting interest") does not fall and remain below 50% for a period of 90 consecutive days, our Board will include:

six Vivendi Directors;

two Executive Directors; and

three Independent Directors.

Vivendi Directors, Executive Directors and Independent Directors are selected in the manner described under "Special Nominating Subcommittees" below.

If Vivendi's voting interest falls and remains below 50% for a period of 90 consecutive days but does not fall and remain below 10% for a period of 90 consecutive days, then our Board will include a number of Vivendi Directors proportional to Vivendi's voting interest. If, at any time while our securities are listed on NASDAQ or any other U.S. stock exchange, applicable law or listing rules require that at least a majority of our Board be "independent" as defined by the law or listing rules, then (1) the size of our Board will be increased to add the number of additional directors required to satisfy the law or listing rules, and (2) those vacancies will be filled by individuals nominated by the Vivendi Directors and appointed by the affirmative vote of a majority of the directors then in office.

From January 1, 2009 until June 5, 2009, the members of our Board were Philippe G. H. Capron, Robert J. Corti, Frédéric R. Crépin, Bruce L. Hack, Brian G. Kelly, Robert A. Kotick, Jean-Bernard Lévy, Robert J. Morgado, Douglas P. Morris, René P. Pénisson and Richard Sarnoff. Since June 5, 2009, the members of our Board have been Stéphane Roussel, Régis Turrini and Messrs. Capron, Corti, Crépin, Kelly, Kotick, Lévy, Morgado, Morris and Sarnoff.

Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, our Board determined that each of Messrs. Corti, Morgado and Sarnoff was an independent director.

Table of Contents

In accordance with our Corporate Governance Principles and Policies, a copy of which can be accessed on our website at <http://investor.activision.com/documents.cfm>, the Board must meet at least quarterly and in conjunction with the annual meeting of our stockholders. Our Board met six times during 2009, including at least once per quarter and in conjunction with the annual meeting. Each person who served on our Board during 2009 attended at least 75% of the aggregate of (1) the total number of meetings held by our Board during the period for which he was a director and (2) the total number of meetings held by each committee on which he served during the period in which he so served, in each case during 2009, with the exception of Mr. Turrini, who attended two of the three Board meetings held during the period he was a director.

All directors are expected to attend the Annual Meeting. All persons serving as directors at the time attended the 2009 annual meeting of stockholders with the exception of Mr. Hack (who was not seeking reelection).

**Board Committees**

Our Board has three standing committees, each of which operates under a written charter approved by our Board: (1) the Audit Committee, (2) the Compensation Committee, and (3) the Nominating and Corporate Governance Committee. In addition, there is a subcommittee of the Compensation Committee the Section 16 Subcommittee and there was an additional subcommittee of that committee the Section 162(m) Subcommittee until March 2010 (see " Compensation Subcommittees for the Approval of Certain Awards" below). In accordance with our Bylaws there are also three subcommittees of the Nominating and Corporate Governance Committee the Vivendi Nominating Committee, the Executive Nominating Committee and the Independent Nominating Committee (see " Special Nominating Subcommittees" below). In addition, from time to time, our Board may form special, *ad hoc* committees to which it delegates certain authority to administer particular duties of the Board.

The following table shows the membership of the Board's standing committees and the subcommittees of those committees prior to June 5, 2009:

#### *Audit Committee*

You can access the written charter that describes the Audit Committee's composition and responsibilities on our website at <http://investor.activision.com/documents.cfm>.

With respect to membership on the Audit Committee, the charter currently provides that the committee must have at least three members and that:

all Audit Committee members must be determined by the Board to be independent directors under the NASDAQ Marketplace Rules and otherwise satisfy the NASDAQ Marketplace Rules with respect to audit committee membership (including meeting the criteria for independence set forth in Exchange Act Rule 10A-3);

no director may serve as a member of the Audit Committee if that director serves on the audit committees of more than two other public companies, unless our Board determines that the simultaneous service would not impair the ability of that director to effectively serve on the Audit Committee;

all Audit Committee members must understand fundamental financial statements;

at least one Audit Committee member must be designated by the Board as an "audit committee financial expert" as defined in the applicable rules of the SEC; and

no Audit Committee member can have participated in the preparation of the financial statements of Activision Blizzard or any of our current subsidiaries at any time during the three years prior to the proposed appointment of that Audit Committee member.

Further, our Corporate Governance Principles and Policies require that the Audit Committee members be independent under the criteria set forth therein, and the NASDAQ Marketplace Rules require that at least one Audit Committee member meets the financial sophistication requirements set forth therein.

Table of Contents

Based upon information requested from and provided by each director concerning his background, employment and affiliations, our Board has determined that each member of the Audit Committee is an independent director under both the NASDAQ Marketplace Rules and otherwise satisfies the NASDAQ requirements for audit committee membership (including independence as set forth in Exchange Act Rule 10A-3), and that each member of the Audit Committee is financially literate as required under the NASDAQ Marketplace Rules. Our Board has also determined that Mr. Corti is an audit committee financial expert as defined in the applicable rules of the SEC and is financially sophisticated within the meaning of the NASDAQ Marketplace Rules. Messrs. Corti, Morgado and Sarnoff are also independent under the criteria specified in the Corporate Governance Principles and Policies.

The purpose of the Audit Committee is to oversee the accounting and financial reporting processes of Activision Blizzard and our subsidiaries and the audits of our financial statements and internal control over financial reporting. The Audit Committee's responsibilities include:

selecting, evaluating and overseeing our independent registered public accounting firm, including determining that firm's compensation;

overseeing our annual audit and quarterly reviews;

overseeing our financial reporting process and internal controls;

discussing our risk management policies;

establishing policies regarding hiring employees from our independent registered public accounting firm and procedures for the receipt and retention of accounting related complaints and concerns;

reviewing and approving or disapproving related person transactions; and

reviewing and discussing with the independent auditors the results of the annual audit of our financial statements, including any comments or recommendations of our independent registered public accounting firm, and, based on that review and discussions and other considerations, recommending to our Board whether our financial statements should be included in our Annual Report on Form 10-K.

Our independent registered public accounting firm reports directly to the Audit Committee.

Before we or any of our subsidiaries engage our independent registered public accounting firm to render audit or non-audit services, the Audit Committee must pre-approve the engagement. The chairperson of the Audit Committee may delegate to one or more members of the committee the authority to grant pre-approvals, provided the pre-approvals are reported to the Audit Committee at its next scheduled meeting.

In accordance with our Corporate Governance Principles and Policies, our Audit Committee is also responsible for evaluating any stockholder proposals submitted to us for inclusion in any proxy statement for, and consideration at, any meeting of our stockholders.

The Audit Committee's charter authorizes it to engage independent counsel or other consultants or advisors as it deems appropriate.

In accordance with our Corporate Governance Principles and Policies, the Audit Committee must meet at least quarterly. The Audit Committee met seven times during 2009, including at least once quarterly.

*Compensation Committee*

You can access the written charter that describes the Compensation Committee's composition and responsibilities on our website at <http://investor.activision.com/documents.cfm>.

With respect to membership on the Compensation Committee, the charter currently provides that the committee must have at least three members, at least two of whom must be:

"non-employee directors" as defined in Rule 16b-3 under the Exchange Act;

"outside directors" as defined under Section 162(m) of the Internal Revenue Code; and

determined by the Board to be "independent directors" under the NASDAQ Marketplace Rules.

Further, our Corporate Governance Principles and Policies require that the Compensation Committee members who are "independent directors" also be independent under the criteria set forth therein.

Furthermore, in accordance with our Bylaws, provided that Vivendi's voting interest does not fall and remain below 50% for a period of 90 consecutive days, the Compensation Committee must include at least one Independent Director and have a majority of Vivendi Directors, and the chairperson of the committee must be a Vivendi Director. If Vivendi's voting interest falls and remains below 50% for a period of 90 consecutive days but does not fall and remain below 10% for a period of 90 consecutive days, then the Compensation Committee will include at least a number of Vivendi Directors proportional to Vivendi's voting interest.

Based upon information requested from and provided by each director concerning his background, employment and affiliations, our Board has determined that Messrs. Corti and Morgado are each non-employee directors as defined in Rule 16b-3 under the Exchange Act, outside directors as defined under Section 162(m) of the Internal Revenue Code and independent directors under the NASDAQ Marketplace Rules. Messrs. Corti and Morgado are also independent under the criteria specified in the Corporate Governance Principles and Policies. The Board has determined that Messrs. Lévy, Crépin and Roussel are each outside directors as defined under Section 162(m) of the Internal Revenue Code, but none of them have been determined by the Board to be non-employee directors as defined in Rule 16b-3 under the Exchange Act or independent directors under the NASDAQ Marketplace Rules.

The Compensation Committee discharges our Board's responsibilities relating to compensation paid to our directors and executive officers and evaluates and makes recommendations to our Board regarding compensation under our equity incentive plans and other compensation policies, programs, agreements and arrangements. Please see "Executive Compensation Compensation Discussion and Analysis Decision-Making Approach to Executive Compensation Scope of Authority of the Compensation Committee" below for a description of the Compensation Committee's responsibilities.

The Compensation Committee may delegate its authority and duties to subcommittees, individual committee members, or management, as it deems appropriate in accordance with applicable laws, rules and regulations, provided that no subcommittee may consist of fewer than two members. Please see " Compensation Subcommittees for the Approval of Certain Awards" below for a description of the subcommittee currently maintained by the Compensation Committee. As further described in "Executive Compensation Compensation Discussion and Analysis," the Compensation Committee consults with management in formulating compensation plans, but ultimately the Compensation Committee exercises independent judgment in establishing our executive compensation program.

The Compensation Committee's charter authorizes it to engage independent counsel or other consultants or advisors, including compensation consultants, to advise the Compensation Committee with respect to amounts or forms of director compensation and benefits and employee and executive compensation and benefits.

Table of Contents

In accordance with our Corporate Governance Principles and Policies, the Compensation Committee must meet at least twice annually. The Compensation Committee met nine times during 2009.

For additional information regarding the Compensation Committee, see "Executive Compensation Compensation Discussion and Analysis" below.

*Compensation Subcommittees for the Approval of Certain Awards*

In February 2009, the Compensation Committee established two subcommittees the Section 162(m) Subcommittee and the Section 16 Subcommittee.

Section 162(m) of the Internal Revenue Code limits our ability to deduct compensation paid to individuals who meet the definition of "covered employee" within the meaning of Section 162(m). "Performance-based" compensation (such as performance bonuses) is exempted from this limitation if a number of conditions are satisfied, including the approval of the compensation by a committee consisting solely of outside directors as defined under Section 162(m). At the time the Section 162(m) Subcommittee was established, the Compensation Committee did not consist solely of outside directors, so the subcommittee, which consisted of at least two outside directors, was established. The Section 162(m) Subcommittee's duties consisted of reviewing and approving all proposed performance-based cash compensation to potential covered employees, but it did not have the authority to act without the prior recommendation of the entire Compensation Committee. In March 2010, the Compensation Committee was then comprised solely of outside directors, so the Compensation Committee disassembled the Section 162(m) Subcommittee.

In order to exempt the grant of equity awards to individuals subject to Section 16 of the Exchange Act (and transactions related to such awards, such as the exercise of stock options) from certain provisions of Section 16, the grant must be approved by our entire Board or a committee composed solely of non-employee directors within the meaning of Section 16. The Section 16 Subcommittee, which is required to consist of at least two non-employee directors, was established. The Section 16 Subcommittee's duties consist of reviewing and approving all proposed grants of equity awards to individuals subject to Section 16, but it does not have the authority to act without the prior recommendation of the entire Compensation Committee. When applicable, the approval of equity awards by the Section 16 Subcommittee is also intended to constitute approval for purposes of Section 162(m) of the Internal Revenue Code.

*Nominating and Corporate Governance Committee*

You can access the written charter that describes the Nominating and Corporate Governance Committee's composition and responsibilities on our website at <http://investor.activision.com/documents.cfm>.

The charter currently provides that the Nominating and Corporate Governance Committee must consist of at least three directors.

Furthermore, in accordance with our Bylaws, provided that Vivendi's voting interest does not fall and remain below 50% for a period of 90 consecutive days, the committee will include at least one Independent Director and have a majority of Vivendi Directors, and the chairperson of the committee will be a Vivendi Director. If Vivendi's voting interest falls and remains below 50% for a period of 90 consecutive days but does not fall and remain below 10% for a period of 90 consecutive days, then the Nominating and Corporate Governance Committee will include at least a number of Vivendi Directors proportional to Vivendi's voting interest.

Based upon information requested from and provided by each director concerning his background, employment and affiliations, our Board has determined that Messrs. Morgado and Sarnoff are each

Table of Contents

independent directors. Messrs. Morgado and Sarnoff are also independent under the criteria specified in the Corporate Governance Principles and Policies. None of Messrs. Crépin, Lévy and Morris has been determined by the Board to be independent directors under the NASDAQ Marketplace Rules.

In accordance with our Bylaws, we maintain three subcommittees of the Nominating and Corporate Governance Committee (the "Special Nominating Subcommittees") whose primary function is to nominate Board candidates in accordance with our Bylaws. Please see " Special Nominating Subcommittees" below.

The Nominating and Corporate Governance Committee's other responsibilities (which may be discharged with the assistance of the Special Nominating Subcommittees) include:

periodically evaluating the size of our Board and recommending to the Board any appropriate increase or decrease;

making recommendations to our Board regarding the size and composition of each standing committee of the Board;

periodically reviewing our Certificate of Incorporation and Bylaws as they relate to corporate governance matters and recommending changes to our Board;

overseeing the evaluation of our Board; and

assisting in management succession planning.

The Nominating and Corporate Governance Committee's charter authorizes it to engage independent counsel or other consultants or advisors as it deems appropriate, including a search firm to assist in the identification of director candidates.

In accordance with our Corporate Governance Principles and Policies, the Nominating and Corporate Governance Committee must meet at least twice annually. The Nominating and Corporate Governance Committee met twice during 2009.

*Special Nominating Subcommittees*

Pursuant to our Bylaws, our Board maintains the following Special Nominating Subcommittees of the Nominating and Corporate Governance Committee:

the Vivendi Nominating Committee, which includes only Vivendi Directors;

the Executive Nominating Committee, which includes two Vivendi Directors and two Independent Directors; and

the Independent Nominating Committee, which includes only Independent Directors.

The Vivendi Nominating Committee, Executive Nominating Committee and Independent Nominating Committee nominate the Vivendi Director nominees, the Executive Director nominees and the Independent Director nominees, respectively.

The Nominating and Corporate Governance Committee will consider Independent Director candidates submitted by stockholders, as described below under " Stockholder Recommendation of Directors." In addition, stockholders may nominate Independent Directors in accordance with procedures set forth in our Bylaws, as described below under "Stockholder Proposals and Director Nominations for 2011 Annual Meeting."

## Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

The Nominating and Corporate Governance Committee considers the qualifications of potential director nominees as described below under " Director Qualifications." Pursuant to our Corporate Governance Principles and Policies and the Nominating and Corporate Governance Committee's charter, the committee, through the Special Nominating Subcommittees, identifies and evaluates

Table of Contents

potential candidates. The Special Nominating Subcommittees may consider candidates suggested by its members, other directors, senior management and shareholders and may, at the Company's expense, retain search firms, consultants and other advisors to identify, screen, and/or evaluate candidates. Candidates may be interviewed in person by directors and management.

Pursuant to our Bylaws, the Vivendi Nominating Committee and the Independent Nominating Committee will be maintained as long as Vivendi's voting interest does not fall and remain below 10% for a period of 90 consecutive days, and the Executive Nominating Committee will be maintained as long as Vivendi's voting interest does not fall and remain below 50% for a period of 90 consecutive days.

Pursuant to the investor agreement, provided that Vivendi's voting interest does not fall and remain below 10% for a period of 90 consecutive days, Vivendi and its affiliates will vote their shares of Common Stock in favor of the election of director nominees designated by each of the Independent Nominating Committee and the Executive Nominating Committee and against all proposals to remove Independent Directors or Executive Directors except for malfeasance. For more information about the investor agreement, see "Certain Relationships and Related Transactions Relationships and Transactions Relationships and Transactions with Vivendi and its Affiliates Investor Agreement" below.

*Director Qualifications*

*Skills and Characteristics*

As described above under " Special Nominating Subcommittees," pursuant to our Bylaws, we have three Special Nominating Subcommittees the Vivendi Nominating Committee, the Executive Nominating Committee and the Independent Nominating Committee that are responsible for selecting our director nominees, so our director nomination process is largely driven by our corporate governance structure. In accordance with our Corporate Governance Principles and Policies, all director nominees, whether Vivendi Director nominees, Executive Director nominees or Independent Director nominees, should have appropriate skills and characteristics required of Board members, assessed in the context of the perceived needs of the Board at the time. In accordance with the Nominating and Corporate Governance Committee's charter, the Nominating and Corporate Governance Committee and its Special Nominating Subcommittees, in their selection of candidates, consider the following attributes, among others: experience, knowledge, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication and independence. In addition, the committee considers the qualifications of potential nominees identified through the stockholder solicitation procedure described below based on an objective set of criteria established by the committee. These criteria are generally consistent with the attributes listed in the charter, but also include evidence of leadership and the interest and ability to understand the sometimes conflicting interests of the various constituencies of the Company. In selecting candidates, the Nominating and Corporate Governance Committee and the Board take diversity into account, seeking to ensure a representation of diverse perspectives and experience, although the Company's nominating procedures and policies do not prescribe specific standards for diversity.

*Other Directorates*

Pursuant to our Corporate Governance Principles and Policies, our directors must obtain the approval of the Nominating and Corporate Governance Committee before accepting any board membership at another publicly held company, and in no case can any director serve on more than four other boards of publicly held companies.

Table of Contents

*Offer of Resignation Upon Change in Professional Role*

Pursuant to our Corporate Governance Principles and Policies, unless the Nominating and Corporate Governance Committee determines otherwise, if a Vivendi Director or an Independent Director retires, changes employment or otherwise has a significant change in his professional role or responsibilities that may reasonably be seen as affecting his ability to serve, he must offer to resign from our Board. Unless our Board or the Nominating and Corporate Governance Committee determines otherwise, or he has an agreement with us to the contrary, if an Executive Director retires, resigns or otherwise has a significant change in his professional role or responsibilities, he must offer his resignation from our Board.

Our Board or, at our Board's discretion, the Nominating and Corporate Governance Committee will consider whether the continued service of any director so offering to resign is appropriate in light of that change, and if our Board or the Nominating and Corporate Governance Committee determines that the director continues to contribute significantly to us, his membership on our Board may continue.

*Vacancies on our Board*

Pursuant to our Bylaws, any vacancy on our Board will be filled by the affirmative vote of a majority of the remaining directors then in office, provided that until Vivendi's voting interest falls and remains below 10% for a period of 90 consecutive days:

a vacancy created by the resignation, death or removal of a Vivendi Director may only be filled by the affirmative vote of a majority of the Vivendi Nominating Committee; and

a vacancy created by the resignation, death or removal of an Independent Director may only be filled by the affirmative vote of a majority of the Independent Nominating Committee.

In addition, until Vivendi's voting interest falls and remains below 50% for a period of 90 consecutive days, a vacancy created by the resignation, death or removal of an Executive Director may only be filled through the unanimous vote of the Executive Nominating Committee.

*Stockholder Recommendation of Directors*

Stockholders may submit candidates for election as directors in accordance with our Bylaws, as described under "Stockholder Proposals and Director Nominations for 2011 Annual Meeting."

In addition, in accordance with our Corporate Governance Principles and Policies, the Nominating and Corporate Governance Committee will review the qualifications of, and make recommendations to our Board regarding, Independent Director candidates submitted to us by our stockholders. For a director candidate submitted by a stockholder, or group of stockholders, to be considered by the Nominating and Corporate Governance Committee, that recommendation must be in writing and must include the following information:

the name, address, phone number and email address of the stockholder and evidence of the stockholder's ownership of our Common Stock, including the number of shares beneficially owned and the length of time of ownership;

the name of the director candidate, the candidate's address, phone number and email address, the candidate's resume or a list of his or her qualifications to be a director of Activision Blizzard and the candidate's consent to be named a director if nominated; and

a description of any arrangements or understandings between the stockholder and the director candidate and any other persons (including their names), pursuant to which the recommendation is made.

Table of Contents

In addition, our Board has established a procedure to identify potential stockholder nominees to serve as independent directors, pursuant to which the Nominating and Corporate Governance Committee solicits, on an annual basis, recommendations for candidates for nomination from stockholders that have held more than 1% of our Common Stock for at least nine months at the time of the solicitation. The Nominating and Corporate Governance Committee considers the qualifications of any candidates submitted to it in response to those solicitations based on an objective set of criteria established by the Nominating and Corporate Governance Committee, as described above, and, in the exercise of its business judgment and subject to its fiduciary duties, recommends to the Independent Nominating Committee a nominee from among all of the candidates that it has considered. The Independent Nominating Committee retains full authority, subject to its business judgment and its fiduciary duties, to nominate any candidate to stand for election to our Board and to make any recommendations to our stockholders regarding who should be elected as a director, and is not required under the procedure to nominate, or recommend in favor of the election of, any candidate. No stockholders submitted candidates in response to our solicitation in advance of the Annual Meeting. You can access this procedure, including the objective criteria used by the Nominating and Corporate Governance Committee to evaluate nominees submitted in accordance with the procedure, on our website at <http://investor.activision.com/documents.cfm>.

***Board Leadership Structure and Role in Risk Oversight***

Our Board of Directors is led by the Chairman of the Board, with the assistance of our Co-Chairman. Neither role is occupied by the person serving as our Chief Executive Officer. The Board feels that this division is appropriate because it believes that our Chief Executive Officer's responsibility is the day-to-day management of the Company, while the primary responsibility of our Board is to oversee the Chief Executive Officer's performance of his function. Having different individuals serve as the Chairman and Co-Chairman, on the one hand, and the Chief Executive Officer, on the other, allows the Chief Executive Officer to focus on his operational responsibilities, while keeping a measure of independence between the oversight function of our Board and those operating decisions. If our Board were to select our Chief Executive Officer or another employee to serve as Chairman, in accordance with our Corporate Governance Principles and Policies, the Independent Directors would consider the appointment of a lead director.

Part of our Board's supervision of our affairs includes overseeing our risk management. The Board discharges these responsibilities primarily through the Audit Committee, which is responsible for discussing with our management the guidelines and policies governing the process by which management assesses and manages our exposure to risk, as well as our major financial risk exposures and the steps they have taken to monitor and manage such exposure. Our management team communicates regularly with the Audit Committee about these matters and, further, our internal audit department annually provides a formal report to the Audit Committee on our management's strategic risk assessment. In addition, the Compensation Committee provides oversight with respect to risks that may be created by our compensation programs. Each member of the Board is invited to attend the meeting of the Audit Committee at which the formal internal audit risk assessment is presented, and the Board of Directors is otherwise kept abreast of its committees' risk oversight and other activities via reports of the committee chairmen to the full Board. The Board believes that, in light of the variety of risks that we face and their interrelated nature, oversight of risk management is ultimately the responsibility of the Board.

**Stockholder Communications with our Board**

To communicate directly with our full Board, the Vivendi Directors, the Executive Directors, the Independent Directors, any committee of our Board or any individual Board member, stockholders may

Table of Contents

send written correspondence addressed to those director or directors in care of our Corporate Secretary at Activision Blizzard, Inc., 3100 Ocean Park Blvd., Santa Monica, California 90405.

In accordance with our Corporate Governance Principles and Policies, all communications addressed to our Board or one or more directors will be opened by the Corporate Secretary or his designee to determine whether the contents contain a message to one or more of our directors. Communications that relate to our accounting practices, internal accounting controls or auditing matters will be referred to the chairperson of the Audit Committee. Any other communications that are not advertising materials, promotions of a product or service, patently offensive materials or matters deemed, in the reasonable judgment of the Corporate Secretary or his designee, inappropriate for our Board will be forwarded promptly to the addressee. In the case of communications to our Board or any group or committee of directors, the Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the communication is addressed.

**Code of Conduct**

We have a code of ethics, our Code of Conduct, which applies to all of our directors and employees worldwide, including our Chairman, Co-Chairman, Chief Executive Officer and Chief Financial Officer. We also have a Principal Compliance Officer, who administers our ethics and compliance program. You can access a copy of our Code of Conduct on our website at <http://investor.activision.com/documents.cfm>. Furthermore, we will post any amendments to, or waivers of, the Code of Conduct that apply to our Chairman, Co-Chairman, Chief Executive Officer and Chief Financial Officer, and any other related information on our website at <http://investor.activision.com/documents.cfm>.

**EXECUTIVE COMPENSATION**

The following discussion and tables set forth information with regard to compensation for services rendered in all capacities to us and our subsidiaries during 2009 by the named executive officers included in the "Summary Compensation Table" below.

**Compensation Discussion and Analysis**

This Compensation Discussion and Analysis describes the material elements of our executive compensation program and the rationale for the program elements and decisions. This section:

describes the business environment in which we operate and the resulting requirements for talent;

summarizes our compensation philosophy and objectives;

outlines our decision-making approach related to executive compensation; and

describes the elements and rationale behind our compensation programs for 2009, as well as planned refinements for 2010.

This section also briefly describes certain changes to our compensation arrangements that occurred after December 31, 2009 and prior to filing of this proxy statement. See "Recent Events" below.

***Business Environment and Associated Talent Requirements***

We operate in the entertainment software industry, which sits at the convergence of the entertainment, media, high-technology and consumer products sectors. Our industry features a number of characteristics, including:

a high-growth, high-risk environment relative to more mature industries;

a dependence on "hit titles," which constitute a disproportionate level of revenues and profits relative to other games we sell;

rising costs of development partially due to increasingly complex technological requirements;

an increasing importance on building and growing key franchises with sustained game quality; and

a global customer and end-user demographic with a number of distribution channels.

We continue to improve organizational effectiveness and in-house capabilities to control costs. We believe our success in the business environment in which we operate requires executive talent with the following characteristics:

significant global experience managing complex brands and franchises;

an in-depth knowledge of sophisticated strategies and operational models focused on brand management, finance,

operations, sales and category management; and

an aptitude for and experience in managing entertainment and high-technology products and talent in a rapidly changing, high-growth, high-risk environment.

Finding top executives with these characteristics often requires recruitment of executives from larger and more mature industries, such as consumer products. For example, several of our named executive officers come from top-tier global consumer products companies that feature well-developed, sophisticated reward and recognition models.

Table of Contents

*Compensation Philosophy and Objectives*

To respond to these requirements for top executive talent, the Compensation Committee has established the following compensation philosophy for the named executive officers:

*Attract and Retain Key Executive Talent.* Employment agreements are an important element to attract and retain executive talent and typically provide for a minimum three-year commitment.

*Competitive Requirements.* Compensation should reflect the competitive talent market from which we recruit. For executives, base salary is targeted at the median of our peer group and the appropriate survey data, while annual cash and total direct compensation are targeted at up to the 75<sup>th</sup> percentile to attract and retain the highest caliber individuals in the areas where we compete for talent, as well as to reward outstanding performance. For information about our peer group, see " Use of Compensation Surveys and Peer Company Data" below.

*Alignment with Stockholders' Interests.* Our objective is to align executive compensation with the interests of stockholders through the use of performance-based incentive programs and equity. As such, a significant portion of the compensation opportunity should be variable and linked to performance that increases shareholder value.

*Accountability for Achieving Clearly Defined Short- and Long-Term Goals Aligned with Our Strategy.* Performance goals for named executive officers should be clearly defined to provide clear alignment between our business strategy, financial results, and incentive payouts.

Currently, we have employment agreements with each of our named executive officers. We believe these agreements are critical in enabling us to attract and retain talent in a highly competitive industry. The employment agreements specify base salary, annual incentive targets, and certain equity awards, and include provisions regarding the consequences of termination of employment and restrictive covenants surrounding executive officer employment, including non-competition and non-solicitation provisions. See " Employment Agreements" below for a summary of the material terms of each agreement.

Our named executive officers each received a front-loaded equity grant at the time of hire or contract renewal, the value of which is targeted so that the total compensation package including salary and annual bonus over the course of the entire contract period, which is typically 3 to 5 years, equates to the 75<sup>th</sup> percentile versus our peer companies and the applicable survey data. These equity grants vest ratably over the contract term or upon attainment of specified performance objectives, which we believe provides the executive with a more significant equity position up front, enhancing retention, and allowing the executive to benefit from stock price appreciation during his tenure. In addition, in accordance with his employment agreement entered into on July 9, 2008, Mr. Morhaim received a front-loaded option grant at the Combination and also receives annual grants of stock options, consistent with his former equity plan at Vivendi Games, and we may provide supplemental long-term incentive grants to our other executive officers if circumstances warrant.

***Decision- Making Approach to Executive Compensation***

*Scope of Authority of the Compensation Committee*

The Compensation Committee's responsibilities include:

reviewing and approving all compensation programs applicable to executive officers who are subject to Section 16 of the Exchange Act, and employees whose projected annual cash compensation exceeds \$2 million per year;

establishing and evaluating the long-term strategy of employee compensation;

Table of Contents

reviewing and approving the Chief Executive Officer's corporate goals and evaluating his performance;

participating in the establishment of equity grant guidelines and overall pool size and approving all equity awards;

reviewing and discussing with management the compensation-related disclosures included in the proxy statement and annual report;

reviewing and approving all executive officer employment agreements; and

annually reviewing the compensation payable to our Board of Directors.

In accordance with our Bylaws, which require a majority of the committee members to be Vivendi designees, the Compensation Committee consists of two independent directors and three directors designated by Vivendi, including the Compensation Committee Chairman. For additional information regarding the Compensation Committee, its charter and its subcommittees, see "Corporate Governance Matters Board of Directors and Committees Compensation Committee" above. In this Compensation Discussion and Analysis, when we refer to the Compensation Committee, we are referring to the committee serving at the time the compensation decision was made.

*Role of Executive Officers in Compensation Decisions*

The role of the Compensation Committee is to align the executive compensation program with stockholders' interests and our business strategy. The Compensation Committee believes this alignment can be best achieved by consulting with our senior management because of their involvement with our day-to-day operations. As such, management provides the Compensation Committee with valuable insights into our day-to-day operations, what types of rewards and incentives are effective, and recommendations for compensation decisions. For 2009, the Compensation Committee consulted with the named executive officers, as well as our former Chief Legal Counsel, Mr. Rose, and our Chief Human Resources Officer, Ms. Weiser, in formulating compensation plans, and members of that group attended Compensation Committee meetings.

*Role of Compensation Consultants in Compensation Decisions*

Pursuant to the Compensation Committee's charter, the Compensation Committee may engage compensation consultants to help formulate director and executive compensation. The Compensation Committee retained Frederic W. Cook & Co. Inc. ("Cook & Co.") in 2009 for advice on the appropriateness and competitiveness of our executive compensation programs. The Cook & Co. consultant who performs these services reports directly to the Compensation Committee and regularly attends Compensation Committee meetings. Our management team retained Mercer (US) Inc. ("Mercer") in 2009 to provide information, analyses, and advice regarding executive compensation. The Mercer consultant who performs these services reports to our Chief Human Resources Officer and from time to time attends Compensation Committee meetings. Information provided by the consultants was used by management to assist in developing recommendations for executive compensation for 2009, as well as for 2010.

*Factors Considered in Making Compensation Decisions*

In general, our senior management team and the Compensation Committee evaluate a variety of factors when making compensation decisions for our executive officers, including:

an individual's skill set, experience, historical performance and expected future value to the Company, and the impact on us if that individual were to leave the Company;

the level of total compensation for our other senior executives; and

Table of Contents

compensation data from peer companies and published surveys as a general market reference.

The Compensation Committee uses the information provided by management and the outside advisors described above to be better informed about Activision Blizzard and the market for executive positions.

Compensation plans and policies are put into practice through individual employment agreements with each of the named executive officers, which are approved by the Compensation Committee at the time of hire or renewal. The Compensation Committee ultimately exercised its independent and subjective judgment in developing and approving each of the employment agreements, with the following compensation parameters in mind:

Base salary is targeted at the 50<sup>th</sup> percentile of salaries among our peer group companies and similarly situated executives in the survey data, unless the executive is renewing his contract with no change in responsibilities, in which case the then-current base salary is maintained, subject to annual merit increases.

Target annual incentive as a percentage of base salary is based on market data and internal equity.

Total direct compensation is targeted at up to the 75<sup>th</sup> percentile of the peer group and survey data.

The Committee believes the use of employment agreements that are aligned with these compensation policies helps motivate a high-performing group of executives to drive positive business results.

*Use of Compensation Surveys and Peer Company Data*

We annually consult third-party surveys prepared by compensation specialists with respect to companies with comparable revenues, market capitalization, industry focus, number of employees, and similar business-related factors to discern broader compensation trends in the market. For 2009 these surveys included the Croner Software Games Survey, the Radford Executive Survey, the Towers Watson General Industry Executive Database, and a custom Radford survey sponsored by Microsoft that researched compensation program changes with respect to the economic downturn.

In addition, we utilized compensation data obtained from SEC filings of our 15 selected peer group companies, discussed below, including compensation elements of those companies' named executive officers, Company-wide equity usage rates over a 3-year period, and potential dilution from employee stock and option grants. The surveys and peer company data help us understand the competitive market for the industries in which we compete for talent, including gaming, technology, entertainment and leisure, and consumer products sectors, as well as the broader market.

In light of our growth and increasingly global business, a new peer group for the post-Combination Company was developed and approved by the Compensation Committee in December 2008. Since its establishment, we have used this peer group as a key reference point to help guide compensation decisions for our executive officers. The primary screening criteria for the selection of the peer group were as follows:

Industry: gaming, technology, consumer packaged goods, and entertainment & leisure

Size: revenue (generally \$2 billion to \$10 billion); market capitalization (approximately \$8 billion to \$16 billion); and

Business characteristics: consumer orientation and global operations.

Two companies in our peer group, Take-Two Interactive and Viacom, were outside the initial revenue screen, but the Compensation Committee determined that their industry and business

Table of Contents

characteristics warranted their inclusion. In addition, although the overall stock market downturn pushed several peer company market capitalizations below the \$8 billion threshold criteria after the peer companies were selected, the Compensation Committee believes these companies continue to be appropriate comparator companies. We believe the inclusion of consumer packaged goods companies along with our more direct industry comparator groups (gaming, technology, and entertainment) is warranted given that several of our named executive officers come from top-tier global consumer products companies and such companies continue to be among those from which we recruit executive talent.

The resulting peer group reflects our blend of gaming, technology, consumer packaged goods and entertainment focus, our revenue and market capitalization taking into account contemplated growth over the next few years, and a similar mix of domestic and international operations. The executive compensation peer group consists of 15 companies, balanced among the four industry groups as indicated below (most recent trailing four quarters of revenue in billions available as of March 2010 are shown in parentheses)

<b>Gaming</b>	<b>Technology</b>	<b>Consumer Packaged Goods</b>	<b>Entertainment &amp; Leisure</b>
Electronic Arts, Inc. (\$3.5B)	eBay, Inc. (\$8.7B)	H.J. Heinz Company (\$10.4B)	Viacom, Inc. (\$13.6B)
Take-Two Interactive	Yahoo!, Inc. (\$6.5B)	Campbell Soup Company	Mattel, Inc. (\$5.4B)
Software, Inc. (\$982m)	Symantec Corporation (\$5.9B)	(\$7.6B)	Hasbro, Inc. (\$4.1B)
	Adobe Systems, Inc. (\$3.0B)	Clorox Corporation (\$5.5B)	Warner Music Group
	Intuit, Inc. (\$3.3B)	Hershey Company (\$5.3B)	Corporation (\$3.2B)

While the peer group provides the Compensation Committee with an important general frame of reference, the Compensation Committee, where appropriate, may consider the compensation practices of other specific companies with which we compete directly for executive talent. Furthermore, we evaluate broader industry trends and practices to determine the appropriate elements of compensation and the effective design of each element.

As part of the competitive compensation assessment our Compensation Committee undertook in March 2010, as further described below, the Compensation Committee compared Mr. Kotick's compensation to compensation packages of CEOs in the peer group listed above, with the exception of the Take-Two CEO, who was excluded from the summary statistics because he receives compensation from a third party management company. The Committee also used the compensation surveys indicated above prepared by Radford and Towers Watson for purposes of assessing the competitiveness of Mr. Kotick's compensation.

*Compensation Risk Management*

The Compensation Committee reviews the Company's incentive compensation plans to determine if the plan design motivates employees to take inappropriate risks that are likely to have a material adverse effect on the Company. The incentive plans in which our named executive officers and other key employees participate are designed to encourage achievement of high levels of performance against challenging targets tied to achievement of the overall corporate strategy, while mitigating potential risks.

Performance measures are balanced between financial, operational and qualitative targets and long and short-term time horizons for achievement. In the Corporate Annual Incentive Plan (the "CAIP"), financial results are capped at 125% to 200% of target, while individual qualitative measures are capped at 120% of target. Activision Blizzard may recover amounts of performance-based compensation (including bonuses and long term incentive awards) in the event of an earnings restatement, if the amounts paid were in excess of what would have been paid had the restated numbers been used. The Compensation Committee does not require the named executive officers to hold shares obtained from equity incentive plans or prescribe ownership guidelines; however, equity

Table of Contents

grants contain recapture provisions should a named executive officer breach his employment agreement with the Company, including post-termination obligations. Short sales or margin accounts with Activision Blizzard securities are prohibited.

***Elements of Compensation Program for 2009***

An overview of the elements of our compensation program and their purpose is summarized below. Not all of these elements are applicable to all named executive officers.

<b>Compensation Element</b>	<b>Purpose</b>
Salary	Compensate for day-to-day responsibilities.
Annual bonus Corporate Annual Incentive Plan	Drive annual corporate and business unit financial results, as well as individual contributions toward strategic initiatives.
Long-term incentives (e.g., stock options, restricted share awards and performance shares)	Create alignment with stockholders, drive long-term stockholder value, and provide retention.
Perquisites/benefits	Provide modest supplemental benefits to attract key talent.
Retirement payments/benefits	Provide modest supplemental post-retirement income to attract key talent.
Change of control and termination of employment payments/benefits	Ensure unbiased assessment of mergers and acquisitions activity and fair treatment in event of termination.

In addition to the compensation elements described above, Mr. Morhaime also participates in the Blizzard Bonus Plan and a profit-sharing program under the 2008 Plan (the "Morhaime Profit Sharing Plan"). The Blizzard Bonus Plan and Morhaime Profit Sharing Plan, which are described in more detail below, serve as Mr. Morhaime's primary short-term incentives and provide for a sharing of Blizzard Entertainment operating profit and a discretionary payment, thereby providing him with a meaningful incentive to continue to drive the profitability of this division.

***Salary***

Each of our named executive officers is party to an employment agreement. Salary, along with target annual incentives and long term incentive awards, was initially determined upon the signing or renewal of each executive's employment agreement. The salary and any guaranteed minimum annual salary increases represent the outcome of negotiations with the executive. In approving executive contracts, the Compensation Committee utilizes its judgment to determine the appropriate amount and form of compensation necessary to recruit, retain and motivate the executive. Salary increases are determined based on performance during the previous fiscal year, with reference to competitive market data and salaries of our other executives for internal equity purposes.

Salaries for the named executive officers during 2009 are shown in the table below. Due to the challenging financial environment and a desire to be prudent with our fixed costs during this time, we decided to delay the annual salary increase for our employees until June 2009, except for increases for

### Table of Contents

executives whose employment agreements provide for salary increases as of a specific date. In light of this decision, Mr. Kotick elected to forgo a salary increase for 2009.

In March 2010 the Compensation Committee reviewed a competitive compensation assessment using our peer group and survey data to evaluate the competitiveness of our executive compensation program and to evaluate potential refinements for 2010. For information about our peer group, see " Use of Compensation Surveys and Peer Company Data" above. After considering each executive's performance for 2009, the level of total compensation for each of our senior executives, and market data, the Compensation Committee determined 2010 salaries for the named executive officers as indicated in the table below:

Name	Salary on 1/1/2009	Salary for 2009	Salary approved for 2010	Percentage Increase	Contractual Provision
Robert A. Kotick	\$ 950,000	\$950,000	\$1,007,000 (eff. 1/1/2010)	6%	Avg. increase of executive team (excluding promotion increases and contract guarantees)
Thomas Tippel	\$ 535,000	\$750,000 (eff. 2/15/09)	\$850,000 (eff. 3/23/10)	13%(1)	Avg. increase of executive team (excluding promotion increases and contract guarantees)(2)
Brian Hodous	\$ 500,000	\$575,000 (eff. 8/1/09)	\$592,000 (eff. 3/7/10)	3%(3)	None
Michael Morhaime	\$ 475,000	\$520,000 (eff. 3/1/09)	\$751,000(4) (eff. 3/1/10)	5%(4)	None(5)
Chris Walther	n/a	\$500,000 (eff. 10/26/09)	\$510,000 (eff. 3/7/10)	2%(3)	None

- (1) Mr. Tippel's total increase consists of a 6% merit increase effective February 15, 2010 and a 7% increase for his promotion to Chief Operating Officer effective March 23, 2010.
- (2) Mr. Tippel's employment agreement was amended in April 2009 in connection with his appointment as our Chief Corporate Officer and Chief Financial Officer, and again in March 2010 in connection with his appointment as Chief Operating Officer. Prior to the April 2009 amendment, he was contractually entitled to a 4% annual salary increase. From February 15, 2010 until March 22, 2010 Mr. Tippel's annual base salary was \$795,000.
- (3) 6% annual increase prorated for the period since the last increase (for Mr. Hodous) or the executive's start date (for Mr. Walther). We used this proration approach so that, going forward, Mr. Hodous and Mr. Walther may be included in the Company's standard merit increase cycle.
- (4) As of January 1, 2010 the portion of Mr. Morhaime's annual bonus that was guaranteed for 2009 was converted into salary, increasing his annual base salary to \$715,000. In addition, Mr. Morhaime received a 5% merit increase effective March 1, 2010.
- (5) Mr. Morhaime's employment agreement was amended in November 2009. Prior to the amendment, he was contractually entitled to an annual salary increase equal to the greater of 5% and the percentage increase in the consumer price index during the immediately preceding 12 months for Irvine, California.

#### *Corporate Annual Incentive Plan (i.e., the CAIP)*

**2009 Opportunities.** The Compensation Committee established the following threshold, target, and maximum payout opportunities for the named executive officers under our CAIP for 2009. In setting the target levels, the Compensation Committee considered any requirements in the applicable

employment agreements, competitive market data, our desired pay mix, and compensation levels of our other senior executives. If a named executive officer satisfied (but did not exceed) all performance goals, the executive officer would receive a payment equal to his or her target payout (although the Compensation Committee retained the discretion to reduce award payments). Actual payouts were aligned to performance results and could have ranged as follows:

Name	2009 Corporate Annual Incentive Plan Payout Opportunity (% of Salary)(1)		
	Minimum	Target	Maximum(2)
Robert A. Kotick	0%	200%	322%
Thomas Tipll	0%	100%	169%
Brian Hodous	0%	75%	126%
Michael Morhaime(3)	37.5%(4)	75%	132%
Chris Walther(5)			

- (1) Reflects annual opportunity.
- (2) The maximum percentages of salary vary for each executive based on the opportunity as a percentage of salary, mix of measures, weightings, and maximum payout of each measure. Maximum payout as a percentage of the target for each measure is shown in the tables below.
- (3) In addition to the CAIP opportunity shown above, Mr. Morhaime participated in the Blizzard Bonus Plan, which is a compensation program provided by Blizzard Entertainment, the division for which he is responsible, and the Morhaime Profit Sharing Plan, which in 2009 replaced a similar arrangement formerly provided to Mr. Morhaime by Blizzard Entertainment. Mr. Morhaime's participation in the Blizzard Bonus Plan and Morhaime Profit Sharing Plan are discussed in more detail below.
- (4) For 2009 Mr. Morhaime's employment agreement specified that he would receive a guaranteed bonus under the CAIP equal to a specified percentage of his salary. As of January 1, 2010 the guaranteed bonus was canceled, his salary was increased and his CAIP opportunity was reduced proportionately.
- (5) Mr. Walther was not eligible to participate in the CAIP in 2009 because his employment with us began after September 30, 2009.

*2009 Achievement of Performance Goals and Payouts.* We believe a focus on earnings and profitability provides incentives to executives to achieve goals that contribute to increasing stockholder value. For the named executive officers, 70% to 80% of the target opportunity under our CAIP is weighted on non-GAAP measures of profitability. The other 20% to 30% of the award is based on individual measures that support the overall Company strategy and business unit objectives for the year, and are selected by the Compensation Committee based on each named executive officer's responsibilities and areas of oversight. These more qualitative measures include successful product launches, controlling costs, strategic hiring, and improvements in processes. Measures and weightings for each of the named executive officers are shown in the following tables.

Our Compensation Committee and Board established the financial goals and individual performance goals based on the financial plan for the period ended December 31, 2009. The established financial goals required significant year-over-year improvement in profitability, demanded superior performance from our management team, and were selected to drive accountability for Activision Blizzard and/or applicable business units for each executive. In the last eight fiscal years, despite sustained year-over-year revenue and operating income growth, performance-based payouts

Table of Contents

were below target in four of those fiscal years (including below target with respect to Activision Blizzard operating income in 2009), demonstrating the difficulty of achieving these stretch goals.

Market conditions were challenging in 2009 according to the NDP Group, Charttrack and Gfk, with total retail software sales in the US and Europe down 10% from the prior year. However, despite the market weakness, Call of Duty: Modern Warfare 2 attained record retail sales, and as of December 31, 2009, there were approximately 11.5 million gamers worldwide subscribed to play World of Warcraft. In addition, we had several other successful product launches throughout the year.

For 2009, the threshold level of 85% of targeted non-GAAP Activision Blizzard operating income that was required in order for the Company to fund the CAIP was attained. However, some of our planned product launches, notably Blur and Starcraft II, were delayed until 2010 so no payout was earned on those metrics.

The corporate performance measures used in the CAIP are non-GAAP financial measures. An explanation of how these measures were calculated is provided in the footnotes to the table below. For additional information on the reconciliation of GAAP line items to Non-GAAP measures, please see "Reconciliation of GAAP Net Income (Loss) to Non-GAAP Measures" in Exhibit 99.1 to our Form 8-K filed on February 10, 2010 (which is not incorporated by reference herein).

Non-GAAP Corporate Performance Measures	Performance Goals and Actual Results		
	Goal	Actual Results	Achievement (%)
			(dollars in millions, except share-based amounts)
Activision Blizzard Operating Income(1)	\$ 1,349.8	\$ 1,234.1	91%
Activision Blizzard Diluted Earnings Per Share(2)	\$ 0.68	\$ 0.69	101%
Blizzard Entertainment Operating Income(1)(3)	\$ 710.4	\$ 555.0	78%
Activision Blizzard Cash Flow(4)			185%
	\$ 646.1	\$ 1,194.0	(capped at 125%)

- (1) Non-GAAP operating income measures exclude, as applicable: the impact of the change in deferred net revenues and related cost of sales with respect to certain of our online-enabled games; expenses related to stock-based payments; Activision Blizzard's non-core exit operations (which are the operating results of products and operations of the historical Vivendi Games, Inc. businesses that we have exited or substantially wound down); costs related to the Combination (including transaction costs, integration costs, and restructuring activities); and the amortization of intangibles and impairment of intangible assets.
- (2) "Activision Blizzard Diluted Earnings Per Share," a non-GAAP financial measure, was calculated as non-GAAP net income, divided by weighted average diluted shares.
- (3) Corresponds to segment operating income. For more information, see Note 6 in our consolidated financial statements included in our Annual Report on Form 10-K for the period ended December 31, 2009.
- (4) "Activision Blizzard Cash Flow" is an internal measure calculated by adjusting our non-GAAP net income with year-over-year cash changes in working capital and capital expenditures for the year ended December 31, 2009.

### *Other Annual Incentive Plans and Bonus Programs for 2009*

In addition to the CAIP discussed above, we provided other incentive plan and bonus payments to select executives.

The Compensation Committee awarded a special achievement bonus in the amount of \$500,000 to Mr. Kotick for his strong 2009 performance. The Committee had the highest degree of satisfaction with Mr. Kotick's accomplishments. In particular, the Compensation Committee assessed the unexpectedly

Table of Contents

difficult macro-economic and industry conditions, the Company's excellent market share and financial performance relative to its peers, and the successful completion of the Company's integration efforts post-merger.

The Compensation Committee awarded an additional discretionary bonus to Mr. Hodous in the amount of \$197,834 to recognize his contributions that the Compensation Committee felt were not adequately reflected in his CAIP award.

The Compensation Committee awarded Mr. Walther a discretionary bonus in the amount of \$65,000 to recognize his significant contributions to the Company in the initial months of his employment.

Pursuant to his employment agreement, Mr. Morhaime received an end-of-year bonus in the amount of \$260,000 (50% of his salary) under the Blizzard Bonus Plan for 2009. Under the Blizzard Bonus Plan, Mr. Morhaime's target bonus and minimum bonus for 2009 were 50% of his salary and 25% of his salary, respectively. The Blizzard Bonus Plan is provided to Mr. Morhaime as a continuation of a program he participated in while employed by Vivendi Games. The amount earned by Mr. Morhaime was based on a subjective determination by the Compensation Committee.

Mr. Morhaime also participated in the Morhaime Profit Sharing Plan, which provides him a minimum sharing of the "profit sharing pool" which is determined as a percentage of operating income for the Blizzard Entertainment division. For 2009 Mr. Morhaime received the minimum sharing percentage provided for by his employment agreement. Due to the dynamics of the gaming business and Mr. Morhaime's position as well as our strategic focus on profitability, the prevalent market practice of profit sharing programs in the gaming industry, contractual obligations, and to incentivize and reward him for his contribution to Blizzard Entertainment and Activision Blizzard profits, similar to the Blizzard Bonus Plan, we made the decision to maintain a profit sharing component in Mr. Morhaime's compensation going forward. As described in " Employment Agreements Michael Morhaime" below, in March 2009, the provision of Mr. Morhaime's employment agreement relating to profit sharing compensation was amended, so that, beginning in 2009, his opportunity to receive profit sharing payments is under the 2008 Plan rather than the Blizzard profit sharing plan in order to ensure that such payments are deductible as performance based compensation under Section 162(m) of the Internal Revenue Code. The amendment provides Mr. Morhaime with a maximum share of a "profit sharing pool" with the Compensation Committee retaining negative discretion to reduce the amount (but not below the minimum percentage of the pool specified in his employment agreement), and changes the timing of the payment to following year end, eliminating a mid-year payment.

On November 4, 2009, Mr. Morhaime's employment agreement was further amended. Prior to that amendment, Mr. Morhaime was entitled under his employment agreement to a guaranteed minimum annual bonus of 37.5% of his base salary under our CAIP. His employment agreement also provided for a target annual incentive under the Blizzard Bonus Plan equal to 50% of his base salary, with a guaranteed minimum annual incentive under that plan equal to 25% of his base salary. Under the agreement as amended, as of January 1, 2010 the previously guaranteed portion of Mr. Morhaime's annual bonus under the CAIP was added to his base salary (bringing his annual base salary to \$715,000), his annual target bonus under the CAIP was reduced from 75% to 27% of his base salary (with no minimum bonus guarantee), and his target and guaranteed annual incentive amounts under the Blizzard Bonus Plan were reduced from 50% and 25% of his base salary to 37% and 18.5% of his base salary, respectively.

*Long-Term Incentives*

Our long-term incentive program is intended to drive long-term value creation, create alignment with stockholders' interests and encourage retention. The program consists primarily of grants of stock options, as well as restricted stock, performance restricted stock and restricted share units (collectively

Table of Contents

referred to as "restricted share awards"). Stock options provide value to the executives only in the event the stock price increases, consistent with stockholder objectives. Restricted share awards mirror the ownership interest of stockholders, further aligning the interests of our executives with those of stockholders. Restricted share awards also serve as a retention vehicle, since we generally vest these grants based on continued employment. Certain restricted stock awards for Mr. Kotick and Mr. Tipll have been made with vesting contingent on the achievement of specified performance objectives. For Mr. Kotick the measure is total shareholder return and for Mr. Tipll the measure is reported non-GAAP earnings per diluted share. For additional information about these awards, please see " Grants of Plan Based Awards for 2009" and " Employment Agreements" below.

We believe a combination of stock options and restricted share awards serves to appropriately balance the objectives of the program. In granting equity to executive officers, we typically place a 65-75% weight on options and a 25-35% weight on restricted share awards, except for Mr. Morhaim who receives 100% in stock options per the terms of his employment agreement. We weight options more heavily because their value to the executive is more strongly tied to our stock price growth, as options provide value to executives only if our stock price appreciates above the price on the grant date. Restricted share awards also reward executives for improved stock performance, while enhancing executive retention.

For executive officers, we provide long-term incentive grants as part of employment agreements to secure long-term commitments to our multi-year business growth strategy. Since equity grants are provided to executive officers at the time of their hiring or the renewal of their employment agreement, the value of the awards reflects a multi-year award. We may provide supplemental long-term incentive grants to executive officers if there are circumstances that warrant such additional awards.

All grants of equity securities to employees, including those to executive officers in connection with new or renewed employment agreements, are approved by our Compensation Committee, and, where appropriate, the Section 16 Subcommittee. The effective date of the grant is generally the third trading day following approval if approval is obtained during an open trading window under our insider trading policy. In the event that the Compensation Committee approves a grant when the window is not open because, for example, we are in a regularly scheduled quarter-end blackout period, the effective date of the grant ordinarily is delayed until the window is next scheduled to be open. All stock options have an exercise price equal to the NASDAQ Official Closing Price of our Common Stock on the effective date as reported on Nasdaq.com.

During 2009 we provided long-term incentive awards to Messrs. Tipll, Morhaim, Hodous, and Walther. For Mr. Tipll the value of the equity award was determined based on the terms of his amended employment agreement and his new role as Chief Corporate Officer and Chief Financial Officer as a front-loaded grant for 5 years. For Mr. Morhaim, the number of options awarded was predetermined by the terms of his employment agreement and is intended as an annual grant. For Mr. Hodous, the value of the equity award was determined based on the terms of his new employment agreement and is a front-loaded grant for two years. For Mr. Walther the value of the equity award was determined based on the terms of his new employment agreement and is a front-loaded grant for three years. Details of each agreement are described in " Employment Agreements."

*Retirement Arrangements*

We offer a 401(k) plan to all employees in the United States, including the named executive officers. We do not maintain other retirement benefit plans such as a qualified pension plan or a special non-qualified or supplemental deferred compensation plan for named executive officers. We believe that retirement arrangements are particular to, and should remain the responsibility of, each individual officer. The emphasis on minimal retirement arrangements ensures that a substantial portion

Table of Contents

of the named executive officers' long-term wealth accumulation depends on the achievement of Activision Blizzard profitability targets and the appreciation of our Common Stock.

In 2008, Mr. Morhaime participated in a deferred compensation program which was a continuation of the deferred compensation program at Vivendi Games. We terminated the program effective January 2009 as the program was inconsistent with our philosophy regarding retirement arrangements. In January 2009, all deferred amounts were paid out to all participating employees, including Mr. Morhaime. For further details, please see " Non-Qualified Deferred Compensation" below.

*Perquisites and Other Personal Benefits*

We provide limited perquisites and personal benefits to our named executive officers. Similar to our philosophy on retirement arrangements, we believe that many items that some employers provide as perquisites for their executives and certain personal benefits arrangements are particular to, and should remain the responsibility of, each individual officer. However, according to Mercer's 2009 Cost of Living survey, the Los Angeles urban area where our corporate headquarters is located is still the second most expensive metropolitan area in the United States. Given this relatively high cost of living and housing relative to the areas in which we have traditionally recruited and competed for executive talent, the Compensation Committee has used mortgage assistance, including associated tax reimbursements, to help recruit and retain executive talent. We provided mortgage assistance to Mr. Tippl through February 15, 2009. In addition, we provide Mr. Morhaime with certain other immaterial perquisites and benefits which are consistent with the arrangements he had at Vivendi Games, such as a car allowance and payment or reimbursement for the cost of financial planning services.

In addition, our named executive officers may receive Company-paid life and disability insurance. They are also eligible to participate in benefit programs generally available to all employees, including medical, life and disability insurance benefits programs, generally at the same cost paid by other employees.

We provide very few additional benefits to executives. For further information, please see " Employment Agreements" and the "Summary Compensation Table" below.

*Termination of Employment and Change of Control Arrangements*

To attract and retain talented executives, we provide severance benefits under certain conditions, which are negotiated with each executive officer in connection with a new or renewed employment agreement. In addition, our Chief Executive Officer is provided certain change of control protection. The Compensation Committee believes these arrangements remain consistent with market practice and will assist the relevant individuals in maintaining objectivity in the context of a potential change of control transaction. These benefits for each of the named executive officers are described under " Potential Payments upon Termination or Change of Control" below.

In March 2009, Bruce Hack's employment with the Company as Chief Corporate Officer was terminated and his departure was considered by the Board to be an "involuntary termination" for purposes of his employment agreement. Upon signing of a mutual release agreement, Mr. Hack was entitled to a lump sum severance payment according to the terms of his employment agreement. The terms of his severance are described below in " Potential Payments upon Termination or Change of Control"

We also made certain amendments to Mr. Morhaime's employment agreement, as described in " Potential Payments upon Termination or Change of Control" below.

***Impact of Tax and Accounting Considerations***

In structuring compensation programs, setting individual compensation levels and awarding bonuses and incentive plan payouts, the Compensation Committee considers the potential impact of Section 162(m) of the Internal Revenue Code. This section generally does not allow a publicly held corporation to take a tax deduction when compensation paid to a covered employee (generally, the chief executive officer and any of the corporation's three other highest paid officers other than the chief financial officer) exceeds \$1.0 million in any taxable year unless:

the compensation is payable solely on account of the attainment of pre-established objective performance goals;

a committee of two or more outside directors determines such performance goals;

the company's stockholders approve the material terms of the compensation; and

the committee certifies that the employee has met the performance goals.

The tax deductibility of compensation paid to other executives is not subject to these limitations.

The 2008 Plan permits us to structure performance-based incentives to covered employees in a manner that would allow payments under the 2008 Plan to satisfy the requirements of Section 162(m) for deductibility. This includes the CAIP and the Morhaime Profit Sharing Plan described above.

In 2009, none of our covered employees' salaries exceeded \$1.0 million; therefore we may deduct the full amount of each executive's salary. We generally attempt to preserve the deductibility of elements of our performance-based incentives. However, we believe it is important that we retain the flexibility to structure compensation arrangements necessary to attract and retain the best executive talent, even though such elements may not be fully deductible under Section 162(m). For 2009, portions of compensation paid to the named executive officers will not be deductible.

To the extent that any award granted under the 2008 Plan constitutes a deferral of compensation within the meaning of Section 409A of the Code, the Compensation Committee intends to cause the award to comply with the requirements of Section 409A and to avoid the imposition of penalty taxes and interest upon the participant receiving the award.

The Compensation Committee also takes accounting considerations, including the impact of ASC Topic 718, into account in structuring compensation programs and determining the form and amount of compensation awarded.

(1) Upon the consummation of the Combination, we changed our fiscal year end from March 31<sup>st</sup> to December 31<sup>st</sup>. 9MO 08 refers to the nine month period from April 1, 2008 through December 31, 2008, FY2008 refers to Activision, Inc.'s 2008 fiscal year (from April 1, 2007 through March 31, 2008), and FY2007 refers to Activision, Inc.'s 2007 fiscal year (from April 1, 2006 through March 31, 2007).

(2) For 2009, the amount paid to Mr. Kotick consists of a special achievement bonus paid to him for his performance during that period. Please see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 Other Annual Incentive Plan and Bonus Programs for 2009" above. The amount paid to Mr. Hack for that period consists of a bonus paid to him in accordance with his employment agreement upon his achievement of certain goals relating to the integration of Activision Blizzard and Vivendi Games. Please see " Employment Agreements Bruce Hack" below for further details pertaining to that bonus. The amount paid to Mr. Morhaime for that period consists of amounts paid to him pursuant to the Blizzard Bonus Program and the guaranteed portion of his CAIP award. Please see " Compensation Discussion and Analysis Elements of Compensation Program for 2009" above and " Employment Agreements Michael Morhaime" below for further details pertaining to these bonus programs. The amount paid to Mr. Hodous for that period consists of a discretionary bonus to him to recognize his contributions that the Compensation Committee felt were not adequately reflected in his CAIP award and a renewal bonus paid to him in accordance with his employment agreement. Please see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 Other Annual Incentive Plan and Bonus Programs for 2009" above and " Employment Agreements Brian Hodous" below. The amount paid to Mr. Walther for that period consists of a discretionary bonus to him as compensation for his contributions during that period and a signing bonus paid to him in accordance with his employment agreement. Please see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 Other Annual Incentive Plan and Bonus Programs for 2009" above and " Employment Agreements Chris B. Walther" below.

ended December 31, 2008 filed with the SEC on February 27, 2009. Assumptions and key variables used in the calculation of the grant date fair values for FY2008 are discussed in footnote 14 to Activision, Inc.'s audited financial statements included in its Annual Report on Form 10-K for the year ended March 31, 2008 filed with the SEC on May 30, 2008. Assumptions and key variables used in the calculation of the grant date fair values for FY2007 are discussed in footnote 14 to Activision, Inc.'s audited financial statements included in its Annual Report on Form 10-K for the year ended March 31, 2007 filed with the SEC on June 14, 2007. The amounts reported for each period prior to 2009 differs from the amounts we previously reported for those periods, as our prior disclosure consisted of the dollar amounts recognized for financial reporting purposes in the relevant period for awards granted in and prior to that period rather than the aggregate grant date fair value of awards granted in the period.

(4) The grant date fair value of the performance shares awarded to Mr. Kotick in 9MO 08 is based upon the probable outcome of the performance conditions, excluding the effect of estimated forfeitures. If the highest level of performance were to be assumed, the grant date value of the award to Mr. Kotick would be \$37,587,500. The grant date fair value of the performance shares awarded to Mr. Tippl in 2009 assumes the highest level of performance.

(5) For 2009, the amounts in this column for the named executive officers other than Mr. Morhaime represent cash incentives paid under the CAIP. For Mr. Morhaime, the amount consists of amounts paid to him pursuant to the Morhaime Profit Sharing Plan and the portion of his payout under the CAIP in excess of the amount which was guaranteed under his employment agreement prior to it being amended in November 2009 (which guaranteed portion is reported herein as a bonus). For a discussion of non-equity incentive plans, see " Compensation Discussion and Analysis Elements of Compensation Program for the 2009 Corporate Annual Incentive Plan" and " Other Annual Incentive Plan and Bonus Programs for 2009."

(6) For 2009, the amounts in this column include the following:

Name	Company 401(k) plan "matching" contributions	Life, disability or medical insurance premiums/ COBRA coverage	Mortgage assistance payments or relocation
Robert A. Kotick	\$ 3,300	\$ 26,804	
Thomas Tippl	\$ 3,300	\$ 7,018	\$ 10,500
Bruce Hack	\$ 4,400	\$ 46,693	
Brian Hodous	\$ 3,300	\$ 7,995	\$ 14,000
Michael Morhaime	\$ 8,162	\$ 19,386	
Chris B. Walther		\$ 508	\$ 41,794

In addition:

Mr. Hack received \$5,177,160 in severance in connection with the termination of his employment (see " Potential Payments upon Termination or Change of Control" below for further details), \$37,135 in reimbursements for taxes he incurred with respect to a portion of that severance payment and \$61,176 in respect of office facilities and staff support provided to him in New York (in addition to those provided to him in Santa Monica) prior to that termination;

Mr. Hodous received \$12,861 in reimbursements for taxes he incurred with respect to his mortgage assistance payments; and

Mr. Morhaime received a car allowance and a stipend for personal financial, accounting, tax and legal services.

We have calculated the incremental cost to us of the compensation listed above based on the amount of payments made by us for the provision of such benefits.

(7) Mr. Hack's employment with us ended on March 31, 2009. (Following his termination, Mr. Tippl succeeded him in the position of our Chief Corporate Officer.)

(8) Mr. Walther's employment with us began on October 26, 2009.

- (2) The named executive officers participating in the CAIP for 2009 were not entitled to a minimum amount thereunder except for Mr. Morhaime, whose employment agreement guaranteed him an annual incentive bonus in an amount equal to 37.5% of his base salary at the time the amount of the payout under the CAIP was determined, until that employment agreement was amended in November 2009 to remove that guarantee with regard to performance periods beginning on or after January 1, 2010 (see " Employment Agreements Michael Morhaime" below). (Neither Mr. Hack nor Mr. Walther were eligible to participate in the CAIP for 2009.)
- (3) All grants of equity awards made to our named executive officers in 2010 were made under the 2008 Plan.

Three-eighths of these options vest on each of July 31, 2010 and 2011 and the remaining one-quarter of these options vest on July 31, 2012, subject to possible earlier vesting of that remaining quarter on a date established by the Compensation Committee if and when it determines that we have met or exceeded the non-GAAP operating income target in our annual operating plan for the year ending December 31, 2010.
- (11) Pursuant to his employment agreement with us, Mr. Morhaime is, subject to the minimum and maximum percentages specified in that agreement, entitled to share in an annual profit sharing pool, the aggregate amount of which depends upon Blizzard Entertainment's profitability for that year. Because the amount to which Mr. Morhaime is entitled cannot be known at the beginning of a year, no target amount is determinable and the target amount shown is a representative amount equal to Mr. Morhaime's share of the aggregate pool paid to Blizzard Entertainment employees with respect to 2008. **Non-Qualified Deferred Compensation**

The table below presents information with respect to Mr. Morhaime's 2009 participation in the Vivendi Games Executive Deferred Compensation Plan and the Vivendi Games Executive Deferred Compensation Plan II (together, the "DCP"), a deferred compensation program provided by Vivendi Games. The DCP constituted an unfunded, non-qualified deferred compensation plan, the purpose of which was to give selected management or highly compensated employees of Vivendi Games the opportunity to save for their retirement or for other long-term goals on a tax-deferred basis. Under the DCP, eligible employees could elect to contribute up to (1) 50% of their base salary to the DCP, less any required tax withholdings and (2) 100% of incentive bonuses and incentive compensation to the DCP, less any required tax withholdings. Contributions by Vivendi Games (or us, following the Combination) to the accounts of DCP participants was discretionary. Participants were at all times vested 100% in their DCP accounts. The amount in a participant's DCP account was adjusted for interest, gains and losses allocated to his or her account based on the participant's investment elections.

In September 2008, we terminated the program effective January 23, 2009. In January 2009, all deferred amounts were paid out to participating employees, including Mr. Morhaime. Please see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 Retirement Arrangements" above. None of the other named executive officers participated in a deferred compensation program during 2009.

**Employment Agreements**

We believe that, to attract and retain the executive talent necessary to lead us, we should enter into an employment agreement with each of our executive officers. The following is a summary of the material terms regarding compensation set forth in the employment agreement we have entered into with each of our named executive officers, other than provisions regarding payments and benefits upon termination or a change of control, which are described under " Potential Payments upon Termination or Change of Control" below.

***Robert A. Kotick***

Robert A. Kotick is party to an employment agreement with us, pursuant to which he serves as our President and Chief Executive Officer. Mr. Kotick's term of employment under his employment agreement began on December 1, 2007 and will end on December 31, 2012.

Pursuant to the agreement, Mr. Kotick's annual base salary was \$950,000 on December 1, 2007 and was and will be increased automatically on January 1<sup>st</sup> of each year, in an amount at least equal to the average percentage increase approved by the Compensation Committee for members of the

Table of Contents

executive leadership team with respect to that year, excluding any increases guaranteed by contract or due to an executive's significant promotion or modification in duties. For more information about Mr. Kotick's base salary, see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 Salary Analysis" above.

Mr. Kotick is also entitled to receive an annual bonus under the CAIP, with a target amount of 200% of his base salary, the actual amount of which will be determined by the Compensation Committee based on his achievement of mutually agreed objectives and his overall performance and our financial performance, and the form of which will be determined by the Compensation Committee in its sole discretion. For more information about performance-based bonuses, see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 2009 Achievement of Performance Goals and Payouts" above. In addition, the Compensation Committee, in its sole discretion, may award Mr. Kotick a performance bonus at any time in an amount and form determined by the Compensation Committee. Mr. Kotick is also entitled to participate in all benefit plans generally available to our senior executive officers and we are required to maintain an \$8.55 million supplemental term life insurance policy for the benefit of his estate for a period of 10 years from the effective date of the agreement.

As an inducement to enter into his employment agreement, Mr. Kotick received an option to purchase 3,700,000 shares of our Common Stock. In addition, upon the consummation of the Combination, Mr. Kotick received a grant of 2,500,000 performance shares, which vest in 20% increments on each of the first, second, third and fourth anniversaries of the consummation of the Combination, with another 20% to vest on the last day of the term of Mr. Kotick's agreement, in each case subject to our attaining the specified compound annual total stockholder return target for that vesting period (0% for the first year, 5% for the second, 7.5% for the third, 15% for the fourth and 18% for the fifth). If we do not achieve the performance target for a vesting period, none of Mr. Kotick's performance shares mentioned above will vest for that vesting period. If, however, we later achieve a performance target for a subsequent vesting period, then all of the unvested performance shares relating to prior vesting periods will vest on that subsequent vesting date.

Mr. Kotick's employment agreement also provides that all stock options granted to Mr. Kotick prior to January 1, 2007 would vest in full upon the consummation of the Combination. As a result, options to purchase 300,000 shares of our Common Stock that would otherwise have vested on April 10, 2010 vested on July 9, 2008.

Pursuant to the employment agreement, until the second anniversary of the expiration of the term of his employment under the agreement, Mr. Kotick is restricted from soliciting the employment of anyone then employed by us or our affiliates (or anyone who was employed by us or them during the then-most recent six month period). In addition, Mr. Kotick is prohibited from competing with us during the term.

***Thomas Tipl***

Thomas Tipl is party to an employment agreement with us, which was amended in February 2009 and again in March 2010. Under the employment agreement, Mr. Tipl served as the Chief Financial Officer of Activision Publishing until the consummation of the Combination, as our Chief Financial Officer from the consummation of the Combination until February 2009 and as our Chief Corporate Officer and Chief Financial Officer from February 2009 until March 2010. As amended in March 2010, the agreement sets forth the terms under which he serves as our Chief Operating Officer (as well as continues to serve as our Chief Financial Officer until his replacement is hired).

Mr. Tipl's initial term of employment under the agreement began on October 1, 2005 and the original expiration date under the agreement was September 30, 2010. Prior to the 2009 amendment of the agreement, Activision Publishing had the option to extend his term for an additional period of up

Table of Contents

to three years if Mr. Tipl's total compensation exceeded \$15 million during the initial term, where "total compensation" consisted of his cumulative base salary, cumulative annual bonuses, realized and unrealized gains from all vested options issued to him, the market value of all restricted shares of our Common Stock issued to him that have vested and the amounts realized by him from the sale of any of those shares. As amended in 2009, Mr. Tipl's term of employment will expire on April 15, 2014 (and we will not be able to unilaterally extend that term).

Pursuant to the agreement, Mr. Tipl's annual base salary was \$450,000 on October 1, 2005 and was to be increased automatically on October 1<sup>st</sup> of each year by at least 4% (or whatever higher amount that the Board or the Compensation Committee determined in its sole discretion). As amended in February 2009, the agreement provided for an annual base salary of \$750,000 as of February 15, 2009, with automatic increases on February 15<sup>th</sup> of each year by an amount at least equal to the average percentage increase approved by the Compensation Committee for members of the executive leadership team with respect to that year, excluding any increases guaranteed by contract or due to an executive's significant promotion or modification in duties. Pursuant to the March 2010 amendment of his agreement, Mr. Tipl's annual base salary was increased to \$850,000 as of March 23, 2010 and will be increased automatically each year in accordance with the 2009 amendment. For more information about Mr. Tipl's base salary, see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 Salary Analysis" above.

Mr. Tipl is also eligible for an annual bonus under the CAIP. Initially, the target amount of that bonus was 75% of his base salary. As amended in February 2009, the agreement provided for a target equal to 100% of his base salary, and the agreement currently provides for a target equal to 120% of his base salary. The actual amount of any bonus will be determined by us in our sole discretion based on his overall performance and our performance. For more information about performance-based bonuses, see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 2009 Achievement of Performance Goals and Payouts" above. Mr. Tipl is also entitled to participate in all benefit plans generally available to our senior executive officers. Prior to the 2009 amendment to the agreement, we were required to maintain a \$2 million supplemental term life insurance policy for the benefit of his estate through the term of his employment, which we agreed to increase to \$3 million as part of the 2009 amendment.

As an inducement to enter into the employment agreement in 2005, in connection with the commencement of his employment Mr. Tipl was paid a signing bonus of \$100,000 and granted an option to purchase 1,600,000 shares of our Common Stock. In addition, in consideration for abandoning certain long-term compensation, pension benefits and related equity participations with his prior employer, in connection with the commencement of his employment Mr. Tipl was granted 193,424 restricted shares of our Common Stock. Pursuant to his agreement prior to the 2009 amendment, Mr. Tipl was also reimbursed for certain relocation costs and incremental income taxes resulting from those costs and was entitled to an aggregate of \$420,000 in mortgage assistance during his initial term (as well as reimbursement for incremental taxes resulting from those payments for the first three years of assistance). However, pursuant to the agreement as amended in 2009, effective February 15, 2009 Mr. Tipl no longer receives mortgage assistance.

As an inducement to enter into the 2009 amendment to the employment agreement, Mr. Tipl was granted (1) an option to purchase 1,200,000 shares of our Common Stock, (2) 150,000 restricted shares and (3) 80,000 performance shares that vested on February 15, 2010 upon our attainment of a specified non-GAAP earnings per diluted share target. Pursuant to the 2010 amendment to the employment agreement, if approved by the Compensation Committee, Mr. Tipl will receive a grant of (1) an option to purchase 525,000 shares, (2) 350,000 restricted share units, and (3) 225,000 performance shares which will vest ratably on each of February 15, 2011, 2012, 2013 and 2014 if our non-GAAP earnings per diluted share for the prior year is at least equal to the earnings per diluted share objective in our annual operating plan for the year (and, even if we fail to meet an objective, may vest in a

Table of Contents

subsequent year if we "over-deliver" in that subsequent year by an amount at least sufficient to make up for the shortfall).

Pursuant to the employment agreement, until the second anniversary of the expiration of the term of his employment under the agreement, Mr. Tippl is restricted from soliciting the employment of anyone who was employed by us or our affiliates during the term of his employment and from inducing any of our business partners to alter its relationship with us. Mr. Tippl is also generally not permitted to seek or negotiate for other employment before the final six months of the term. In addition, Mr. Tippl is prohibited from competing with us during the term.

***Bruce Hack***

Bruce Hack formerly served as our Chief Corporate Officer and our Vice Chairman pursuant to an employment agreement with us that became effective July 9, 2008 and was terminated on March 31, 2009 in conjunction with Mr. Hack's termination of employment with us.

Pursuant to the agreement, Mr. Hack was entitled to an annual base salary of \$1,500,000.

Mr. Hack was also eligible for an annual bonus under the CAIP with a target amount of \$1,000,000. The actual amount of the bonus was to be based upon the achievement of mutually agreed upon objectives, provided it was at least \$500,000 and no more than \$2,000,000. Mr. Hack was also entitled to participate in all benefits plans generally available to our senior executive officers and was furnished with office facilities and staff support in both Santa Monica and New York.

In accordance with the agreement, Mr. Hack received a bonus of \$1,000,000 upon the consummation of the Combination and was eligible for a bonus of \$1,000,000 if he and we achieved merger integration objectives established by our Chief Executive Officer in consultation with Mr. Hack and approved by our Board.

The agreement provided that we would recommend to the Compensation Committee that Mr. Hack receive a grant of an option to purchase 400,000 shares of our Common Stock (or an equity award of comparable value) at least once per year during the term of his agreement to the extent awards are being made to our other senior executives during that year. Mr. Hack was granted an option to purchase 400,000 shares of our Common Stock in July 2008 but received no other equity awards from us.

Pursuant to the employment agreement, until March 31, 2010, Mr. Hack was restricted from soliciting the employment of anyone then employed by us or our affiliates. In addition, Mr. Hack was prohibited from competing with us during the term of his employment under the agreement.

***Brian Hodous***

Brian Hodous is party to an employment agreement with Activision Publishing, pursuant to which he serves as our Chief Customer Officer. Mr. Hodous's term of employment under the agreement began on August 1, 2009 and will end on July 31, 2011.

Pursuant to the agreement, Mr. Hodous is entitled to an annual base salary of \$575,000, with periodic increases at our discretion. For more information about Mr. Hodous's base salary, see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 Salary Analysis" above.

Mr. Hodous is also eligible for an annual bonus under the CAIP with a target amount of 75% of his base salary, the actual amount of which will be determined by us in our sole discretion based on his overall performance and our performance. For more information about performance-based bonuses, see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 2009 Achievement of Performance Goals and Payouts" above. Mr. Hodous is also entitled to participate in

all benefit plans generally available to our executive officers and we are required to maintain a \$2 million supplemental term life insurance policy for the benefit of his estate through the term of his employment.

As an inducement to enter into the employment agreement, Mr. Hodous was (1) paid a renewal bonus of \$48,000, (2) granted an option to purchase 200,000 shares of our Common Stock and (3) granted 60,000 restricted share units.

Pursuant to the employment agreement, until the second anniversary of the expiration of the term of his employment under the agreement, Mr. Hodous is restricted from soliciting the employment of anyone then employed by us or our subsidiaries (or anyone who was employed by us or them during his final 90 days of employment). Mr. Hodous is also restricted from inducing any of our business partners to alter its relationship with us during the term. Mr. Hodous is also generally not permitted to negotiate for other employment before the final six months of the term. In addition, Mr. Hodous is prohibited from competing with us during the term.

*Michael Morhaime*

Michael Morhaime is party to an employment agreement with us, pursuant to which he serves as the President and Chief Executive Officer of Blizzard Entertainment. The agreement became effective July 9, 2008 and Mr. Morhaime's term under the agreement will expire on July 31, 2013. The agreement was amended twice in 2009: on March 31<sup>st</sup>, and again on November 4<sup>th</sup>. The material terms of the March 31, 2009 amendment were effective immediately and the material terms of the November 4, 2009 amendment took effect on January 1, 2010.

Prior to the being amended in March 2009, Mr. Morhaime's annual base salary under the agreement was \$475,000, subject to automatic increases. As amended in March 2009, the employment agreement provided for an annual base salary of \$520,000 commencing on March 31, 2009, which was to be increased automatically on March 1 of each year by the greatest of (1) 5%, (2) the percentage increase in the consumer price index during the immediately preceding 12 months for Irvine, California as determined by the U.S. Department of Labor, Bureau of Labor Statistics, and (3) whatever other merit increase our Board approved. Pursuant to the agreement as amended in November 2009, Mr. Morhaime's annual base salary was increased to \$715,000 as of January 1, 2010 and he is no longer entitled to automatic annual salary increases. For more information about Mr. Morhaime's base salary, see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 Salary Analysis" above.

Mr. Morhaime is also eligible for an annual bonus under the CAIP. Ten percent of any such bonus will be based on our financial performance and 90% of that bonus will be based on his achievement of mutually agreed objectives and his overall performance and Blizzard Entertainment's financial performance. Prior being amended in November 2009, the employment agreement provided that the target amount of such bonus would be 75% of Mr. Morhaime's base salary and that the actual amount of such bonus would be at least 37.5%, and no more than 150%, of his base salary at the time his annual incentive plan payment was made, but would otherwise be in our discretion. Pursuant to the agreement as amended in November 2009, the target amount of Mr. Morhaime's bonus is 27% of his base salary and there is no longer any contractual guaranteed minimum, or stipulated maximum, amount of such bonus. For more information about performance-based bonuses, see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 2009 Achievement of Performance Goals and Payouts" above.

Mr. Morhaime is also eligible to participate in the Blizzard Bonus Plan. Prior to the November 2009 amendment, the employment agreement provided that the target amount of such bonus would be 50% of his base salary and that the actual amount of such bonus would be at least 25% of Mr. Morhaime's base salary at the time the bonus is paid, but would otherwise be in our Chief

Table of Contents

Executive Officer's discretion. Pursuant to the agreement as amended in November 2009, as of January 1, 2010 the target amount of Mr. Morhaime's bonus was reduced to 37% of his base salary and the guaranteed amount of such bonus was reduced to 18.5% of Mr. Morhaime's base salary at the time the bonus is paid. For more information about the Blizzard Bonus Plan, see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 Other Annual Incentive Plan and Bonus Programs for 2009" above.

Prior to the March 2009 amendment to the employment agreement, Mr. Morhaime was also eligible to participate in the Blizzard profit sharing plan. The agreement provided that Mr. Morhaime would be entitled to a minimum percentage of the profit sharing pool but that the amount of his award would otherwise be in our Chief Executive Officer's discretion. Under his employment agreement as amended in March 2009, Mr. Morhaime no longer participates directly in the Blizzard profit sharing plan, but instead is entitled to performance-based cash compensation on an annual basis pursuant to our 2008 Plan (or any successor plan) based on a share of the earnings generated by Blizzard Entertainment. Mr. Morhaime is entitled to a specified percentage of the profit sharing pool, although the Compensation Committee may exercise negative discretion with respect to his actual annual percentage interest in the pool (subject to a specified minimum percentage). For more information about the Blizzard Profit Sharing Plan, see " Compensation Discussion and Analysis Elements of Compensation Program for 2009 Other Annual Incentive Plan and Bonus Programs for 2009" above.

Mr. Morhaime is also entitled to participate in all benefit plans generally available to Blizzard Entertainment's senior executive officers (provided that in any case his benefits are in the aggregate at least as favorable to him as those provided to him by Blizzard Entertainment as of October 15, 2007). Mr. Morhaime was entitled to reimbursement of any legal fees he incurred in connection with the negotiation of his agreement. He also receives an annual stipend to reimburse him for his personal financial, accounting, tax and legal services and is entitled to participate in our executive auto allowance program.

As an inducement to enter into the employment agreement, in connection with the commencement of his employment Mr. Morhaime was granted an option to purchase 600,000 shares of our Common Stock in July 2008. In addition, the agreement provides that we will, beginning in 2009, recommend to the Compensation Committee that Mr. Morhaime receive a grant of an option to purchase 200,000 shares of our Common Stock once per year during the term of his agreement to the extent awards are being made to our other senior executives during that year. Accordingly, in November 2009, the Compensation Committee, upon our recommendation, granted Mr. Morhaime an option to purchase 200,000 shares of our Common Stock.

Pursuant to the employment agreement, during the term of his employment under the agreement and during any period following the expiration of the term in which he is receiving severance from us (as well as for any period corresponding to any lump sum severance payment he receives from us), Mr. Morhaime is restricted from soliciting the employment of anyone then employed by us or Blizzard Entertainment and from inducing any of our business partners or Blizzard Entertainment's business partners to terminate its relationship with us or them. In addition, Mr. Morhaime is prohibited from competing with us during the term. Further, during any period in which he is receiving severance from us (as well as for any period corresponding to any lump sum severance payment he receives from us), he must make himself reasonably available to us to provide any information or other assistance we may reasonably request with respect to matters relating to Blizzard Entertainment's business about which he has knowledge as a result of his employment. For information about the severance Mr. Morhaime may receive, see " Potential Payments upon Termination or Change of Control" below.

As an inducement to enter into the employment agreement, Mr. Walther was (1) paid a signing bonus of \$350,000, (2) granted an option to purchase 300,000 shares of our Common Stock and (3) granted 75,000 restricted share units. Pursuant to his agreement, Mr. Walther also received an aggregate of \$41,794 to cover certain relocation costs.

Pursuant to the employment agreement, until the second anniversary of the expiration of the term of his employment under the agreement, Mr. Walther is restricted from soliciting the employment of anyone then employed by us or our subsidiaries (or anyone who was employed by us or them during his final 90 days of employment). Mr. Walther is also restricted from inducing any of our business partners to alter its relationship with us during the term. Mr. Walther is also generally not permitted to negotiate for other employment before the final six months of the term. In addition, Mr. Walther is prohibited from competing with us during the term.

**Potential Payments upon Termination or Change of Control**

The table below describes the compensation payable to the named executive officers upon termination of employment or change of control. The calculations assume that each of these events occurred on December 31, 2009 with the exception of Mr. Hack's termination, which occurred on March 31, 2009.

unpaid vacation, unreimbursed business expenses and any amounts then due under our benefit plans, programs or policies (collectively, "basic severance") (which for purposes of this table, are assumed to have been paid or reimbursed in full as of December 31, 2009), the following:

(a)

Mr. Kotick will receive:

in the event of his termination due to disability, subject to his execution of an effective and irrevocable release, an amount equal to 100% of his base salary at the rate in effect on his termination date (less, if the termination occurs following a change of control occurring prior to December 31, 2010, one dollar for each dollar by which the aggregate value, determined as of the date of the occurrence of the change of control, of the equity held by Mr. Kotick which is accelerated in accordance with his employment agreement upon the change of control, exceeds \$25 million (see footnote (4)), which amount will be paid to him in equal installments over the 12 month period following his termination date;

continuation of health/medical insurance benefits for him and his family, as applicable, for a period of two years following his termination date; and

in the event of his termination due to disability, continuation of his supplemental life insurance benefits through December 1, 2017.

(b)

Mr. Tippl will receive:

a lump-sum payment equal to 300% of the base salary paid or payable to him for the most recent year immediately prior to termination; and

continuation of health/medical insurance benefits for him and his family, as applicable, for a period of two years following his termination date.

(c)

Mr. Hodous will receive:

in the event of his termination due to disability, subject to his execution of an effective and irrevocable release, a lump-sum payment equal to 300% of his base salary at the rate in effect on his termination date.

(d)

Mr. Walther will receive:

in the event of his termination due to death, a lump-sum payment equal to 200% of his base salary at the rate in effect on his termination date, less any payments received under company-provided life insurance, if any, other than his company-provided \$2,000,000 term life policy (which payments, for purposes of this table, are assumed to be zero); and

in the event of his termination due to disability, subject to his execution of an effective and irrevocable release, salary continuation through December 31, 2012 in an amount equal to 100% of the base salary that would have been payable to him through that date, less certain payments received under company-provided long-term disability insurance, if any (which payments, for purposes of this table, are assumed to be zero).

Unless otherwise stated, the amounts reflected in the table are in addition to any insurance proceeds the executive or his estate would receive upon death or disability, as the case may be.

Any payment in respect of a bonus which any of the named executive officers would receive in connection with a termination of employment due to death or disability is discussed in footnote (5). The effects of a termination of employment due to death or disability on outstanding equity awards are discussed in footnote (7).

We maintain a key man life insurance policy with respect to each of Messrs. Kotick, Tippl and Hodous and a key man disability insurance policy with respect to each of Messrs. Kotick and Hodous. As a result, in the event of a termination of the employment of Messrs. Kotick, Tippl or Hodous due to death or the termination of Messrs. Kotick or Hodous due to disability, we would receive insurance proceeds to fund a portion of the additional payments and benefits due to the executive or his estate upon that termination.

(2)

The employment of each of the named executive officers may be terminated for "cause" if any of the following occur:

Mr. Kotick: subject to his right to cure, he (1) engaged in act of fraud or embezzlement in respect of us or our funds, properties or assets, (2) was convicted of a felony relating to his actions as our executive (provided that all rights of appeal have been exercised or have lapsed), unless such acts were committed in the reasonable, good faith belief that his actions were in our best interests and the best interests of our stockholders and would not violate criminal law, (3) engaged in willful misconduct or gross negligence in connection with the performance of his duties that has caused or is highly likely to cause us severe harm, or (4) was intentionally dishonest in the performance of his duties under his employment agreement and such dishonesty had a material adverse effect on us;

Mr. Tippl: he (1) engaged in willful, reckless or gross misconduct, (2) subject to his right to cure, materially breached his employment agreement, (3) was convicted of, or pled no contest to, a felony or crime involving dishonesty or moral turpitude, (4) breached his duty of loyalty to us, or (5) violated our corporate governance policies;

Mr. Hodous: our good faith determination that he (1) engaged in misconduct or gross negligence in the performance of his duties or willfully and continuously failed or refused to perform any duties reasonably requested in the course of his employment, (2) engaged in fraud, dishonesty, or any other conduct that causes or has the potential to cause, harm to us or our subsidiaries, including our business or reputation, (3) subject to his right to cure, violated any of our lawful directives or policies or any applicable laws, rules or regulations, (4) materially breached his employment agreement, (5) materially breached any proprietary

information or confidentiality agreement with us or our subsidiaries, (6) was convicted of, or pled guilty or no contest to, a felony or crime involving dishonesty or moral turpitude, or (7) breached his fiduciary duties to us or our subsidiaries;

Mr. Morhaime: he (1) subject to his right to cure, failed to perform his primary duties or breached his employment agreement, in either case resulting in material and demonstrable damage to us or our affiliates, (2) subject to his right to cure, intentionally and materially failed to comply with our material policies of which he has been provided written notice and the terms of which are equally and uniformly applied to all of our executive employees, or (3) was convicted of a felony or other crime involving dishonesty or fraud or that results or would reasonably be expected to result in our becoming subject to public reprimand or sanction; and

Mr. Walther: subject to his right to cure if curable without damage to us or our subsidiaries other than in the circumstance described in clause (6), our reasonable and good faith determination that he (1) engaged in gross negligence in the performance of his duties or willfully and continuously failed or refused to perform any duties reasonably requested in the course of his employment, (2) engaged in fraud, dishonesty, or any other serious misconduct that causes or has the potential to cause, harm to us or our subsidiaries, including our business or reputation, (3) materially violated any of our lawful directives or policies or any laws, rules or regulations applicable to his employment, (4) materially breached his employment agreement, (5) materially breached any proprietary information or confidentiality agreement with us or our subsidiaries, (6) was convicted of, or pled guilty or no contest to, a felony or crime involving dishonesty or moral turpitude, or (7) materially breached his fiduciary duties to us or our subsidiaries.

In addition, for Mr. Tipll, a "performance termination" occurs if we terminate his employment by reason of his failure to perform the functions of the position at the appropriate level.

Each of the named executive officers will receive basic severance in connection with a performance termination or a termination for cause, and none of them will receive any salary-related severance or bonus with respect to the year of termination in connection with a performance termination or a termination for cause. In addition:

In the event of a termination of employment for cause, Mr. Kotick will receive, in addition to any basic severance:

any earned but unpaid bonuses for prior years; and

continuation of his supplemental life insurance benefits through December 1, 2017.

The effects of a termination of employment in connection with a performance termination or a termination for cause on outstanding equity awards are discussed in footnote (7).

(3)

Each of the named executive officers may terminate his employment for "good reason" upon the occurrence of any of the following without his consent:

Mr. Kotick: (1) a reduction in his base salary, (2) a material reduction in certain benefits to which he is contractually entitled, (3) the assignment to him or any duties inconsistent with his position, duties, responsibilities, authority or status with us or a change in his reporting responsibilities, titles or offices as in effect prior to such assignment or change, (4) our material breach or failure to performance, when due, any of our obligations under his employment agreement, (5) any purported termination of his employment in contravention of his employment agreement or in violation of our Bylaws, or (6) a good faith determination by him that he is not able to discharge his duties effectively by reason of directives from our Board requiring him to perform duties not directly related to our operations;

Mr. Tipll: our relocation to a location more than 25 miles from Los Angeles County which is materially adverse to him;

Messrs. Hodous and Walther: a relocation of his principal place of business to a location more than 50 miles from our current headquarters that materially and adversely affects his commute; and

Mr. Morhaime: (1) a reduction in his base salary or any contractually guaranteed minimum bonuses or bonus opportunities, (2) a material reduction in certain benefits to which he is contractually entitled, (3) any change to the CAIP, the Blizzard Bonus Plan or the Morhaime Profit Sharing Plan that materially reduces his opportunity to earn compensation under those plans, when taken as a whole, (4) any change to the Blizzard Profit Sharing Plan that materially reduces the aggregate compensation opportunities available to Blizzard Entertainment's employees under that plan, (5) our material default by us in paying or providing him with any compensation or benefits required or any material obligations owed to him under his employment agreement, (6) our termination without cause of any member of Blizzard Entertainment's management team, (7) a change in location of his primary place of employment to a location more than 15 miles from Blizzard Entertainment's existing office in Irvine, California, (8) a change in title that conveys lesser responsibility or lower status, or the

imposition of any restriction or constraint upon him or the undertaking of any other act which materially diminishes his position, office, responsibility, duties or authority, (9) a change in his reporting structure and responsibilities as set forth in his employment agreement, (10) a change in control of Blizzard Entertainment, or (11) subject to certain exceptions and limitations on his authority, our engaging in conduct with respect to the operations or activities of Blizzard Entertainment which, taken individually or as a whole, prevent or materially interfere with him having authority, ability, accountability, and control over the conduct of Blizzard Entertainment's strategic, operational and daily business activities, or otherwise prevent him from effectively acting as Blizzard Entertainment's chief executive office.

Upon a termination of employment by us without cause or by the named executive officer for good reason, the named executive officers will receive, in addition to any basic severance, the following:

(a)

Mr. Kotick will receive:

subject to his execution of an effective and irrevocable release, an amount equal to 200% of the sum of his base salary in effect on his termination date and the target annual bonus for the year in which the termination occurs (unless such

termination follows a change of control occurring prior to December 31, 2010, in which case the amount will be equal to 300% of that sum, less one dollar for each dollar by which the aggregate value, determined as of the date of the occurrence of the change of control, of the equity held by Mr. Kotick which is accelerated in accordance with his employment agreement upon the change of control, exceeds \$25 million (see footnote (4)), which amount will be paid to him in equal installments over the 12 month period following his termination date;

continuation of health/medical insurance benefits for him and his family for a period of two years following his termination date; and

continuation of his supplemental life insurance benefits through December 1, 2017.

(b)

Mr. Tippl will receive:

salary continuation through April 15, 2014 in an amount equal to 100% of the base salary that would have been payable to him through that date (taking into account the automatic increases in base salary under his employment agreement, which increases are not reflected in this table because the amount thereof cannot be determined, as they are based upon increases approved for other members of the executive leadership team for the year in question).

(Mr. Tippl will also receive these amounts if his employment is terminated as a result of his loss of immigration status and legal ability to work for us in the United States.)

(c)

Mr. Hodous will receive:

subject to his execution of an effective and irrevocable release, salary continuation through July 31, 2011 in an amount equal to 100% of the base salary (at the rate in effect on his termination date) that would have been payable to him through that date.

(d)

Mr. Morhaime will receive:

a lump-sum payment equal to the sum of the following components as determined from his termination date through the last day of the unexpired then-current term of his employment agreement (*i.e.*, July 31, 2013), or, if longer, through the date which is two years from and after the date of termination:

100% of the base salary (at the rate in effect on his termination date) that would have been payable to him through that date;

an amount equal to the actual annual bonus paid under each of the CAIP and Blizzard Bonus Plan for the year immediately preceding the year of termination (reduced, but not below zero, by \$195,000 in the event of a termination before January 1, 2011); and

health/medical insurance benefits and life and disability insurance benefits; and

a lump-sum payment equal to 200% of the actual annual bonus compensation paid to Mr. Morhaime under the Morhaime Profit Sharing Plan for the year immediately prior to termination.

In addition, if Mr. Morhaime's employment had been terminated without cause or for good reason on December 31, 2009 and the sum of the total amount of compensation paid Mr. Morhaime as of that date had not exceeded the "required total compensation" (defined as the product of (i) \$4,000,000 multiplied by (ii) the total number of years (including any partial year expressed as a percentage of an entire year) during which Mr. Morhaime remained employed by us under the agreement), he would have been entitled to the shortfall in a single lump sum (which, had he been terminated as of December 31, 2009, would have been \$0). Pursuant to the November 2009 amendment to his employment agreement, effective January 1, 2010, instead of the payment described in the preceding sentence, Mr. Morhaime is entitled to (a) a payment of \$1,500,000 if his employment is terminated without cause and (b) if his employment is terminated for good reason, a payment of \$300,000 if that termination occurs during 2010, \$600,000 if that termination occurs during 2011, \$900,000 if that termination occurs during 2012, \$1,200,000 if that termination occurs during 2012 or \$1,500,000 if that termination occurs during 2013.

## Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

(e)

Mr. Walther will receive:

subject to his execution of an effective and irrevocable release, salary continuation through December 31, 2012 in an amount equal to 100% of the base salary (in the rate in effect on his termination date) that would have been payable to him through that date.

Any payment in respect of a bonus which any of the named executive officers would receive in connection with a termination of employment by us without cause or by the named executive officer for good reason is discussed in footnote (5). The effects of a termination of employment by us without cause or by the named executive officer for good reason on outstanding equity awards are discussed in footnote (7).

All benefits to which each of Messrs. Hodous and Walther is otherwise entitled with the exception of the basic severance will cease if he breaches the post-termination non-solicitation provisions of his employment agreement. Please see, respectively, " Employment Agreements Brian Hodous" and " Employment Agreements Chris B. Walther" above for a description of those obligations. In addition, all payments and benefits to Mr. Hodous with the exception of the basic severance will cease if he obtains any subsequent employment or otherwise provides services of any kind for compensation, and if Mr. Walther obtains any subsequent employment or otherwise provides services of any kind for compensation during the period in which he is receiving salary continuation, the amount of such salary continuation will generally be offset by the base salary he earns during that period.

(4)

For Mr. Kotick, in the event of a change of control:

(a)

Upon a subsequent termination of employment by us without cause or by Mr. Kotick for good reason during the twelve month period following the effective date of that change of control, he will receive, in addition to any basic severance, the following:

subject to his execution of an effective and irrevocable release, an amount equal to 300% of the sum of his base salary in effect on his termination date and the target annual bonus for the year in which termination date occurs (less one dollar for each dollar by which the aggregate value, determined as of the date of the occurrence of the change of control, of the equity held by Mr. Kotick which is accelerated in accordance with his employment agreement upon the change of control, exceeds \$25 million (see (c) below)), which amount will be paid to him in equal installments over the 12 month period following his termination date;

continuation of health/medical insurance benefits for him and his family, as applicable, for a period of two years following his termination date; and

continuation of his supplemental life insurance benefits through December 1, 2017.

(b)

The amounts shown represent:

the value of any unvested options, the vesting of which accelerates upon Mr. Kotick's termination, which equals the excess, if any, of the NASDAQ Official Closing Price of \$11.11 per share of our Common Stock on December 31, 2009 over the exercise price of the options; and

the value of any restricted shares, restricted share units or performance shares as to which the restrictions lapse upon Mr. Kotick's termination, which equals the NASDAQ Official Closing Price of \$11.11 per share of our Common Stock on December 31, 2009.

(c)

If a change of control had occurred on December 31, 2009, upon the change of control (whether or not he was subsequently terminated):

40 percent of the options granted to him on December 5, 2007 (*i.e.*, 1,480,000 additional options) would have immediately vested and all options vested as of that date would have remained exercisable until their original expiration date and the options granted to him on or prior to June 15, 2007 would have remained exercisable until their original expiration date; and

40 percent of the performance shares granted to him on July 9, 2008 (*i.e.*, 1,000,000 performance shares) would have immediately vested.

If he is subsequently terminated due to disability or by us without cause or by him for good reason:

the unvested portion of the restricted share units granted to him on July 9, 2008 will immediately vest.

The effects of a termination of employment due to death on outstanding equity awards are the same following a change of control as they are when there is no change of control and are discussed in footnote (7).

In addition, if the NASDAQ Official Closing Price of our Common Stock on the date of the change of control is greater than the exercise price of any of his vested options, Mr. Kotick will have the right to forfeit the options in exchange for a cash payment equal in value to the number of shares of our Common Stock underlying those options multiplied by the amount that the NASDAQ Official Closing Price exceeds the exercise price of the options. For purposes of this table, no value is attributed this provision of his employment agreement, as Mr. Kotick could obtain the same value by exercising those options and selling the shares purchased upon exercise in the open market.

(d)

Pursuant to his employment agreement, Mr. Kotick is entitled to be grossed-up in respect of any excise taxes for which he is responsible in respect of payments by us to him as a result of a change of control. Assuming that a change of control occurred on December 31, 2009, any payment owed to him under the employment agreement as a result of that change of control would not have exceeded the necessary safe harbor cap under the Internal Revenue Code to trigger a gross-up payment for him.

For purposes of Mr. Kotick's employment agreements, a change of control is defined to include the acquisition of 25% or more of our outstanding voting stock (except if the person or group acquiring that stock beneficially owns fewer shares than Vivendi and its affiliates in the aggregate and does

## Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

not have, by virtue of that beneficial ownership or by contract the right to elect a majority of the Board), the failure of the incumbent directors (or their designated successors) to constitute a majority of the Board, or a consolidation, merger or sale of all or substantially all of our assets in which our stockholders do not retain in excess of 65% of the combined voting power of the corporation or other person or entity resulting from that transaction in substantially the same proportion as their ownership of the voting securities of Activision Blizzard immediately before the transaction. No change of control will be deemed to have occurred upon the acquisition of additional control of Activision Blizzard by Vivendi or by any one person or more than one person acting as a group that beneficially owns, directly or indirectly, more than 50% of our total outstanding voting stock.

- (5) In the event of a termination of employment without cause or for good reason, or in the event of a termination of employment due to death or disability, each of the named executive officers is entitled to any earned but unpaid bonuses for prior years, as well as a *pro rata* bonus for the year in which the termination occurs as follows:
- (a) Mr. Kotick will receive, subject to his execution of an effective and irrevocable release (other than in the event of a termination of his employment due to death):
- a lump-sum payment equal to the annual bonus earned for the year immediately preceding the year in which the termination occurs, multiplied by a fraction, the numerator of which is the number of days worked in the year in which the termination occurs and the denominator of which is 365.
- (b) Mr. Tipll will receive, to the extent the bonus is earned:
- a lump-sum payment equal to the annual bonus for the year in which the termination occurs (where all goals will be measured by actual performance), multiplied by a fraction, the numerator of which is the number of days worked in the year in which the termination occurs and the denominator of which is 365.
- (c) Messrs. Hodous and Walther will each receive, to the extent the bonus is earned and subject to his execution of an effective and irrevocable release (other than in the event of a termination of his employment due to death):
- a lump-sum payment equal to the annual bonus for the year in which the termination occurs (where all goals will be measured by actual performance), multiplied by a fraction, the numerator of which is the number corresponding to the month in which the termination occurs and the denominator of which is 12. (No amount is shown in the table for Mr. Walther with respect thereto, because he was not eligible to participate in the CAIP in 2009.)
- (d) Mr. Morhaime will receive, to the extent the bonus is earned:
- a lump-sum payment equal to the annual bonus and any amounts he would have received under the CAIP, Morhaime Profit Sharing Plan and Blizzard Bonus Plan for the year in which the termination occurs (where all goals will be measured by actual performance), multiplied by a fraction, the numerator of which is the number of days prior to and including his termination date in the year in which the termination occurs and the denominator of which is 365.
- None of the named executive officers shall be entitled to a bonus with respect to the year of termination of his employment in connection with a performance termination or a termination for cause (although Mr. Tipll will receive any earned but unpaid bonus for prior years in the event of a performance termination and Mr. Kotick will receive any such bonus in the event of a termination of his employment for cause).
- (6) The amounts shown represent the estimated cost to us for continuation of health/medical insurance benefits and, if applicable, life and disability insurance benefits for the required period, based on the cost to the Company of providing those benefits during the year ended December 31, 2009.
- (7) The amounts shown represent:
- the value of any unvested options, the vesting of which accelerates upon termination, which equals the excess, if any, of the NASDAQ Official Closing Price of \$11.11 per share of our Common Stock on December 31, 2009 over the exercise price of the options; and
- the value of any restricted shares, restricted share units or performance shares as to which the restrictions lapse upon termination, which equals the NASDAQ Official Closing Price of \$11.11 per share of our Common Stock on December 31, 2009.
- The outstanding equity awards that continue to vest in accordance with their vesting schedules do not have any additional value attributed to them in this table over the value based on the \$11.11 stock price on December 31, 2009 because the market price of our Common Stock at the time of vesting cannot be determined. Assuming the stock price on the date of vesting is equal to the NASDAQ Official Closing Price of \$11.11 per share of our Common Stock on December 31, 2009, the value of the vesting is as described below and reflects only the intrinsic value on that date.
- The effects of termination on the outstanding equity awards held by each named executive officer as of December 31, 2009 are as follows:

## Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

(a)

For Mr. Kotick, with respect to equity awards granted pursuant to, or otherwise governed by, his employment agreement, on the date of termination:

in the event of a termination of employment due to death or disability or in the event of a termination of employment without cause or for good reason, subject to his execution of an effective and irrevocable release (other than in the event of a termination of his employment due to death):

provided that any such termination due to his disability, without cause or for good reason does not follow a change of control, 40 percent of the options granted to him on December 5, 2007 will immediately vest (*i.e.*, 1,480,000 additional options) and all options vested as that date will remain exercisable until their original expiration date, the options granted to him prior to January 1, 2007 will remain exercisable until the earlier of the fifth anniversary of his termination date and their original expiration date and the options granted to him on June 15, 2007 will remain exercisable until their original expiration date;

the unvested portion of the restricted share units granted to him on July 9, 2008 will immediately vest; and

Table of Contents

provided that any such termination does not follow a change of control, any unvested portion of his performance shares will be treated as follows:

if the performance target for the relevant performance period (*i.e.*, the period ending on July 9, 2010) has been met as of his termination date, the performance shares that would have vested on July 9, 2010 had Mr. Kotick remained employed through that date will immediately vest;

if the performance target for the relevant performance period was not met as of his termination date but has been met as of July 9, 2010, the performance shares that would have vested on July 9, 2010 had Mr. Kotick remained employed through that date will vest on July 9, 2010;

if the performance target for the subsequent performance period (*i.e.*, the period ending on July 9, 2011) has been met as of his termination date, the performance shares that would have vested on July 9, 2011 had Mr. Kotick remained employed through that date will immediately vest; and

to the extent any performance shares do not vest in the manner described in the preceding bullet points, if the performance target for any subsequent performance period (*i.e.*, the period ending on July 9, 2011, July 9, 2012 or December 31, 2012) has been met as of the last day of such performance period, then a pro-rated portion of the remaining performance shares will vest on such date, where the pro-rated portion is determined using a fraction, the numerator of which is the number of days beginning on July 9, 2008 and ending on the termination date and the denominator of which is the number of days beginning on July 9, 2008 and ending on December 31, 2012 (*i.e.*, the expiration date of the agreement).

(For purposes of this table, no value is attributed to this potential acceleration of the performance shares, as the performance metric for neither the performance period ending on July 9, 2010 nor the performance period ending on July 9, 2011 was met as of December 31, 2009, and any other potential post-termination vesting would have occurred after December 31, 2009.)

For the effects of a change in control and any subsequent termination on Mr. Kotick's outstanding equity awards see footnote (4).

in the event of a termination of employment for cause:

his options (whether or not vested) will be cancelled;

the unvested portion of the restricted share units granted to him on July 9, 2008 will be cancelled; and

the unvested portion of his performance shares will be cancelled.

in the event of a termination of employment for any other reason:

his options will cease to vest on and, to the extent vested, will generally remain exercisable for 30 days;

the unvested portion of the restricted share units granted to him on July 9, 2008 will immediately vest; and

the unvested portion of his performance shares will be cancelled.

As of December 31, 2009, all outstanding equity awards granted to Mr. Kotick were governed by his employment agreement. Specifically, there were: (1) unvested options to purchase 2,220,000 shares of our Common Stock; (2) 242,424 unvested restricted share units, and (3) 2,500,000 unvested performance shares. Please see " Outstanding Equity Awards at December 31, 2009" for further details about these awards.

in the event of a termination of employment due to death, on the date of termination:

a *pro rata* portion (determined based upon the amount of time between October 1, 2005 (*i.e.*, the date on which the initial term of employment under his employment agreement commenced) and the date of his death) of his unvested options to purchase 533,333 shares of our Common Stock (which are otherwise scheduled to vest on October 3, 2010) will vest and become exercisable (*i.e.*, 453,333 options); the remainder of his unvested options will cease to vest; and, to the extent vested, his options will generally remain exercisable for 30 days; and

his unvested restricted shares will vest such that the value of the aggregate number of his restricted shares already vested but not yet sold, if any, and the newly-vested restricted shares (based on the fair market value of the shares on the date of termination) is equal to \$1,500,000, less the amount, if any, of the after-tax proceeds of any vested shares already sold by him, and the remainder of his restricted shares will be cancelled; based on the NASDAQ Official Closing Price of \$11.11 per share of our Common Stock on December 31, 2009, if he had been terminated on that date, restricted shares with a value of \$660,851, or 59,483 shares, would have immediately vested.

in the event of a termination of employment due to disability, on the date of termination:

his options will cease to vest and, to the extent vested, will generally remain exercisable for 30 days; and

in the event of a termination of employment for cause or as a result of a performance termination, on the date of termination:

his options (whether or not vested) will be cancelled; and

because he abandoned certain long-term compensation, pension benefits and related equity participations with his prior employer, his unvested restricted shares will vest such that the value of the aggregate number of his restricted shares already vested but not yet sold, if any, and the newly-vested restricted shares (based on the fair market value of the shares on the date of termination) is equal to \$1,500,000, less the amount, if any, of the after-tax proceeds of any vested shares already sold by him, and the remainder of his restricted shares will be cancelled; based on the NASDAQ Official Closing Price of \$11.11 per share of our Common Stock on December 31, 2009, if he had been terminated on that date, restricted shares with a value of \$660,851, or 59,483 shares, would have immediately vested.

in the event of a termination of employment without cause or for good reason (or as a result of his loss of immigration status and legal ability to work for us in the United States):

if his aggregate earned value (defined as the aggregate of the value of restricted stock vested prior to termination (as determined by reference to the NASDAQ Official Closing Price on the vesting date) and the value of exercised stock options (where all options are deemed to have been exercised upon vesting)) is equal to or exceeds the valuation limit determined by multiplying 2.5 by the number that is equal to the sum of his initial base salary and target annual bonus (\$1,968,750) multiplied by the number of full and partial years worked as of the date of termination, Mr. Tipl's remaining unvested restricted shares and stock options will be canceled; otherwise, Mr. Tipl's restricted shares and stock options will continue to vest until his aggregate earned value in respect of that equity exceeds the valuation limit (or he begins to compete with us, in which case the vesting will cease as of the day he begins the competitive activity); based on the NASDAQ Official Closing Price of \$11.11 per share of our Common Stock on December 31, 2009, Mr. Tipl's aggregate earned value exceeded the valuation limit of \$8,371,233; therefore, his outstanding and unvested restricted shares and stock options would be canceled upon termination of employment without cause or for good reason.

in the event of a termination of employment for any other reason, on the date of termination:

his options (whether or not vested) will be cancelled; and

his unvested restricted shares will be cancelled.

On March 31, 2009, Bruce Hack's employment with the Company as Chief Corporate Officer was terminated and his departure was considered by the Board to be an "involuntary termination" for purposes of his employment agreement. Upon his execution of an effective and irrevocable release, Mr. Hack received, in addition to the basic severance to which he was entitled, and a \$1,000,000 bonus paid to him in accordance with his employment agreement upon his achievement of certain goals relating to the integration of Activision Blizzard and Vivendi Games to which he was entitled (regardless of whether he was terminated), the following:

a lump-sum payment equal to 200% of the sum of his base salary at the rate in effect on March 31, 2009 and the target annual bonus for 2009 (discounted to present value from the time at which such amount would have been paid absent any accelerated payment at an annual discount rate for the relevant periods equal to the "mid-term applicable Federal rate" (within the meaning of Section 1274(d) of the Internal Revenue Code), compounded annually, in effect on the date of termination);

a lump-sum payment equal to the target bonus for 2009 (where all goals were measured by actual performance), multiplied by a fraction, the numerator of which is the number of days worked in the year in 2009 and the denominator of which is 365;

in lieu of the continuation of health/medical benefits for him and his family for a period of two years following his termination date to which he was otherwise entitled, (a) Company-paid continued coverage for him and his family under the health/medical plans in accordance with COBRA (Consolidated Omnibus Budget Reconciliation Act of 1986) for 18 months following his termination, (b) a lump sum payment of \$10,000, and (c) reimbursement to his attorney of \$35,000 in fees Mr. Hack incurred in connection with the termination (as well as reimbursement to Mr. Hack for the incremental taxes resulting from such payment).

immediate vesting of his then-unvested options to purchase 266,667 shares of our Common Stock granted pursuant to his employment agreement (where the value for purposes of the table equals the excess, if any, of the NASDAQ Official Closing Price of \$11.11 per share of our Common Stock on December 31, 2009 over the exercise price of the options); additionally, all options vested as of his termination date will remain exercisable until their original expiration date; and

one year of company-paid outplacement assistance.

Table of Contents**DIRECTOR COMPENSATION****General**

Directors of Activision Blizzard who are not employed by us or any of our subsidiaries, or by Vivendi or any of its controlled affiliates (collectively, the "unaffiliated directors"), receive a mix of compensation, which includes an annual cash retainer, specific cash fees for services rendered and equity incentive awards. Directors of Activision Blizzard who are employed by us or any of our subsidiaries are not entitled to receive any compensation for their services on our Board. Directors of Activision Blizzard who are employed by Vivendi or any of its controlled affiliates are, pursuant to our Bylaws, entitled to receive the equity needed to satisfy our stock ownership requirements for non-employee directors, but otherwise receive no compensation for their service on our Board. All of our directors are reimbursed by us or Vivendi for expenses incurred in attending Board, Board committee and stockholder meetings. In accordance with our Corporate Governance Principles and Policies, our directors receive no perquisites.

The Compensation Committee annually reviews the compensation plans and policies applicable to all directors and makes recommendations to our Board regarding those plans and policies. In June 2008, the Compensation Committee engaged Cook & Co. to consider whether the program should be revised in connection with the consummation of the Combination and, upon the recommendation of Cook & Co., the Compensation Committee approved changes to the program effective as of July 16, 2008.

**Equity Compensation and Stock Ownership Guidelines**

Our director compensation program is closely linked with stockholders' interests through the grant of equity incentive awards and the promulgation of stock ownership guidelines. Our Board believes that directors more effectively represent our stockholders, whose interests our Board is charged with protecting, if they are stockholders themselves. Pursuant to our Corporate Governance Principles and Policies, directors receiving shares of our Common Stock as a part of their annual director compensation are required to retain those shares for a period of eighteen months after the date of grant or receipt.

Table of Contents

Under the equity compensation program for our unaffiliated directors (as amended on June 5, 2009 to adjust the awards made under the program to reflect the September 2008 two-for-one split of our Common Stock), upon an unaffiliated director's initial election to our Board and re-election to our Board following each ten year period of continuous service, that director receives options to purchase 40,000 shares of our Common Stock and 20,000 restricted share units which vest in eight equal installments (on a quarterly basis for the two years following the date of grant, subject to continued service on our Board). In addition, upon the annual re-election of an unaffiliated director to our Board, that director receives options to purchase 20,000 shares of our Common Stock and 10,000 restricted share units which vest in four equal installments (on a quarterly basis for the year following the date of grant, subject to continued service on our Board).

Pursuant to our director compensation program and our Corporate Governance Principles and Policies, each non-affiliated director is required, within four years following his initial election to our Board, to own shares of our Common Stock (including any restricted shares of Common Stock) or restricted share units having an aggregate value at least equal to three times the amount of the annual cash retainer that we then pay that director for service on our Board. The program (as amended by the Board on June 5, 2009 to clarify certain provisions thereof) specifies that the value of shares owned by each non-affiliated director will be calculated as of January 2nd of each applicable year (or if that date is not a trading date, the next trading date) based on (a) the higher of: (i) the closing price of our Common Stock as quoted on the NASDAQ National Market on that day, or (ii) the closing price of our Common Stock as quoted on the NASDAQ National Market on the date of grant (or if that date is not a trading date, the next trading date), for any shares awarded to the director by us, and (b) the actual cost to the director for any other shares. Non-affiliated directors are subject to these guidelines for as long as they continue to serve on our Board. As January 4, 2010, each of our non-affiliated directors who, as of that date, had been a member of our Board for four or more years was in compliance with these guidelines.

In addition, in accordance with our Corporate Governance Principles and Policies, each of our directors (including the unaffiliated directors) is required, within eighteen months following the director's initial election to our Board, to acquire no less than 7,000 shares of our Common Stock. As of April 1, 2010, each of our directors who, as of that date, had been a member of our Board for 18 or more months was in compliance with these guidelines.

As noted above, our Bylaws require that we provide each Vivendi Director with the equity needed to satisfy any stock ownership requirements for directors. In furtherance of this requirement, on July 10, 2009, our Board granted each of Messrs. Roussel and Turrini an award of 10,000 restricted share units. The restricted share units vest in four equal installments (on a quarterly basis for the year following the date of grant, subject to continued service on our Board).

**Indemnification**

We maintain a directors and officers insurance policy that insures all of our directors from any claim arising out of an alleged wrongful act by them in their capacity as directors of Activision Blizzard.

In addition, we have entered into indemnification agreements with our unaffiliated directors containing provisions that, in certain respects, provide broader indemnification than the indemnification required by the Delaware General Corporation Law. The indemnification agreements require us, among other things, to indemnify those directors against certain liabilities that may arise by reason of their status or service as directors, provided that they acted in good faith and in a manner they reasonably believed to be in or not opposed to our best interests (provided further that, with respect to any criminal action, suit or proceeding, they had no reasonable cause to believe that their conduct was unlawful). The indemnification agreements also require us to advance expenses incurred by our

Table of Contents

unaffiliated directors as a result of any proceeding against them as to which they could be indemnified. We believe that these agreements are necessary to attract and retain qualified persons as directors.

**Compensation for 2009**

The following table sets forth a summary of certain information regarding the compensation of our directors for 2009, excluding Messrs. Hack and Kotick, each of whom is also a named executive officer of Activision Blizzard included in the "Summary Compensation Table" above and neither of whom received any additional compensation for his Board service in 2009. Mr. Kelly also receives no additional compensation for his Board service and the information in the table reflects his compensation as an employee of the Company.

Régis Turrini		10,000

(4)

The table does not reflect perquisites and other personal benefits provided to any director other than Mr. Kelly because the aggregate value of any such compensation received by each director in 2009 was less than \$10,000.

(5)

None of Messrs. Capron, Crépin, Lévy, Morris, Pénisson, Roussel or Turrini was entitled to cash compensation in connection with his service on our Board for 2009, as each was a Vivendi Director.

(6)

Mr. Kelly is party to an employment agreement with the Company, which is dated as of December 1, 2007 and expires on March 31, 2011, and pursuant to which he serves as the Co-Chairman of our Board. At the time of the Combination, it was anticipated that Mr. Kelly would have a less active role in the operational leadership of the Company. His employment

Table of Contents

agreement with the Company was amended commensurately, providing for a reduction in his annual base salary to \$450,000 as of April 1, 2008 (with annual increases at the discretion of the Compensation Committee) and the elimination of any entitlement to an annual bonus unless otherwise determined by the Compensation Committee in its sole discretion. He has not received any equity or other long-term incentive compensation since the Combination and received an aggregate salary of \$458,654 during 2009.

Regardless of expectations, however, since the Combination, Mr. Kelly has played an important and active role in the Company as an advisor to management throughout 2008 and 2009, notably in respect of Activision Publishing's restructuring and Activision Blizzard's leadership succession. In recognition of Mr. Kelly's continued significant contributions to the Company since the Combination, the Compensation Committee awarded Mr. Kelly a special performance bonus of \$2 million.

In addition, pursuant his employment agreement, Mr. Kelly is entitled to participate in all benefits plans generally available to our senior executive officers and we are required to maintain a \$6 million supplemental term life insurance policy for the benefit of his estate through the term of his employment. As a result, during 2009, he also received other compensation consisting of \$6,953 in insurance premiums paid by us with respect to life and long-term disability insurance for his benefit and \$3,300 in "matching" contributions by us to his account under our 401(k) plan.

(7)

On June 5, 2009, Messrs. Hack and Pénisson each ceased serving as a director and Messrs. Roussel and Turrini were elected to our Board in their stead.

Our Certificate of Incorporation and our Bylaws, which were amended in connection with the Combination, include various provisions governing transactions and other relationships between us and Vivendi. These provisions are summarized in this section.

#### *Transactions with Vivendi and its Controlled Affiliates*

Our Certificate of Incorporation provides that no contract, agreement, arrangement or transaction (or any amendment, modification or termination thereof) between us, on the one hand, and Vivendi and its controlled affiliates, on the other hand, will be void or voidable solely for the reason that Vivendi or its controlled affiliates is a party thereto, or solely because any of our directors or officers who are affiliated with Vivendi are present at or participate in the meeting of our Board or committee of the Board which authorizes the contract, agreement, arrangement, transaction, amendment, modification or termination or solely because his or their votes are counted for that purpose, but that any the contract, agreement, arrangement or transaction (or any amendment, modification or termination thereof) will be governed by the provisions of our Certificate of Incorporation, our Bylaws, Delaware law and any other applicable law.

In addition, our Certificate of Incorporation provides that, unless Vivendi's voting interest (1) equals or exceeds 90% or (2) is less than 35%, with respect to any merger, business combination or similar transaction involving us or any of our subsidiaries, on the one hand, and Vivendi or its controlled affiliates, on the other hand, in addition to any approval required by Delaware law or our Bylaws, the approval of the transaction requires the affirmative vote of a majority in interest of our stockholders, other than Vivendi and its controlled affiliates, that are present and entitled to vote at the meeting called to approve the transaction.

Table of Contents

Our Certificate of Incorporation also provides that, to the fullest extent permitted by law, neither Vivendi, its controlled affiliates, nor any of their respective officers or directors will be liable to us or our stockholders for breach of any fiduciary duty or duty of loyalty or failure to act in (or not opposed to) the best interests of Activision Blizzard or the derivation of any improper personal benefit by reason of the fact that Vivendi, its controlled affiliates or an officer or director of Vivendi or any of its controlled affiliates in good faith takes any action or exercises any rights or gives or withholds any consent in connection with any agreement or contract between us, on the one hand, and Vivendi and its controlled affiliates, on the other hand.

Our Bylaws require that, until July 9, 2013, any transaction or agreement between us or any of our subsidiaries, on the one hand, and Vivendi or any of its controlled affiliates, on the other hand, including any merger, business combination or similar transaction involving those parties, must, in addition to any approval required by law, be approved by (1) the affirmative vote of a majority of the votes present or otherwise able to be cast at a meeting of our Board and (2) the affirmative vote of at least a majority of the Independent Directors (as defined in our Bylaws).

A "controlled affiliate" of Vivendi is an affiliate as defined under the Exchange Act that is controlled, directly or indirectly, by Vivendi.

*Business Activities*

Under our Certificate of Incorporation, neither Vivendi nor any of its controlled affiliates may engage, directly or indirectly, in any "competing business," which is defined as the business of developing or publishing (1) interactive games for video game consoles or personal computers or (2) massive multi-player online role playing games. The businesses conducted by Vivendi and its controlled affiliates as of the consummation of the Combination (and reasonable enhancements, extensions and derivations of those businesses) are not considered to be competing businesses. In addition, our Certificate of Incorporation contains procedures pursuant to which certain businesses Vivendi or its controlled affiliates may acquire would not be considered competing businesses.

Vivendi and its affiliates are not otherwise obligated to refrain from engaging in the same or similar business activities or lines of business as we do. Our Certificate of Incorporation also provides that, to the fullest extent permitted by law, neither Vivendi nor any of its officers or directors will be liable to us or our stockholders for breach of any fiduciary duty by reason of those activities or because that person participated in them.

*Corporate Opportunities*

Our Certificate of Incorporation provides that, in the event that Vivendi acquires knowledge of a potential corporate opportunity for both Activision Blizzard and Vivendi, Vivendi will have no duty to communicate or offer the corporate opportunity to us; provided, however, that if that corporate opportunity is offered to an officer or director of Activision Blizzard who is also an officer, director or employee of Vivendi, expressly in that person's capacity as a director or officer of Activision Blizzard, then the corporate opportunity will not be pursued by Vivendi.

Subject to the provisions of our Certificate of Incorporation described in the prior paragraph, to the fullest extent permitted by law, (1) Vivendi will not be liable to us or our stockholders for breach of any fiduciary duty as a stockholder of Activision Blizzard by reason of the fact that Vivendi acquires or seeks the corporate opportunity for itself, directs the corporate opportunity to another person or entity, or otherwise does not communicate information regarding the corporate opportunity to us, and (2) a director or officer of ours who is also a director, officer or employee of Vivendi who acts in a manner consistent with these standards will have satisfied and fulfilled his or her fiduciary duty to us and our stockholders with respect to the corporate opportunity.

Table of Contents

The provisions of our Certificate of Incorporation described above under the headings " Business Activities" and " Corporate Opportunities" expire on the date that Vivendi and its controlled affiliates cease to beneficially own at least 10% of the outstanding shares of our Common Stock and no person who is a director or officer of Activision Blizzard is also a director or officer of Vivendi.

***Review, Approval or Ratification of Transactions with Related Persons***

Pursuant to the Audit Committee charter, the Audit Committee is responsible for establishing and implementing policies and procedures for reviewing and approving or disapproving all transactions or courses of dealing involving us in which any director or executive officer, or members of their immediate families, has an interest, including, without limitation, transactions required to be disclosed under the SEC's related persons transactions disclosure rule. The Audit Committee is also responsible for reviewing our policies relating to the ethical handling of conflicts of interest, including related party transactions, and reviewing past or proposed transactions between us and the members of our management.

In addition to the provisions in our Certificate of Incorporation and Bylaws pertaining to the approval of transactions and other relationships between us and Vivendi described above, our Code of Conduct addresses the handling of actual and potential conflicts of interest between our interests and the interests of our employees, including our executive officers, and our directors, which may include related party transactions. In accordance with our Code of Conduct, such conflicts of interest should be avoided and if an executive officer or director believes, after consultation with our Chief Legal Officer, Chief Public Policy Officer or Principal Compliance officer, that he may have a conflict of interest, he should consult with the Audit Committee, which is responsible for determining whether a conflict actually exists.

***Combination of Activision and Vivendi Games and Post-Closing Tender Offer***

On July 9, 2008, the parties to the Business Combination Agreement dated December 1, 2007 (the "Business Combination Agreement") Activision Blizzard (then known as Activision, Inc.), Sego Merger Corporation, Vivendi, VGAC and Vivendi Games consummated the Combination. In that transaction:

a wholly owned subsidiary of ours merged with Vivendi Games, and VGAC, a wholly owned subsidiary of Vivendi and the former sole stockholder of Vivendi Games, received approximately 591,000,000 newly issued shares of our Common Stock; and

VGAC purchased approximately 126,000,000 newly issued shares of our Common Stock.

Vivendi and its subsidiaries owned approximately 54% of the issued and outstanding shares of our Common Stock following the consummation of the Combination and owned approximately 57% of the issued and outstanding shares of our Common Stock as of December 31, 2009.

Upon the consummation of the Combination, our Certificate of Incorporation and Bylaws were amended and restated to provide for, among other things, (1) the change of our name to Activision Blizzard, Inc., (2) the change of our fiscal year end to December 31, (3) an increase in the authorized number of shares of our Common Stock, (4) certain majority and minority stockholder protections and (5) certain changes to the structure of our Board. As a result of these amendments, among other things, Vivendi is entitled to appoint a majority of our Board. For more information about our corporate governance, see "Corporate Governance Matters" above and " Investor Agreement" below.

The transactions with Vivendi described below were entered into in connection with the Combination before Vivendi and we were related parties.

*Credit Facility Provided by Vivendi*

On April 29, 2008, we entered into a senior unsecured credit agreement with Vivendi, which we and Vivendi amended in connection with the consummation of the Combination. Pursuant to the credit agreement, as amended, Vivendi provides us with a revolving credit facility in an aggregate amount of up to \$475 million at any time to be used for general corporate purposes. The revolving facility will terminate and any amounts outstanding will be payable in full on March 31, 2011. The revolving facility is subject to customary negative covenants, subject to certain exceptions, qualifications and baskets, including limitations on: indebtedness; liens; investments, mergers, consolidations and acquisitions; transactions with affiliates; issuance of preferred stock by subsidiaries; sale and leaseback transactions; restricted payments; and certain restrictions with respect to subsidiaries.

Borrowings under the revolving facility bear interest by reference to LIBOR (and under limited circumstances, at Vivendi's election, a "base rate"). The applicable margin with respect to loans bearing interest by reference to LIBOR is 1.20% per annum and the applicable margin with respect to loans bearing interest with reference to the base rate, if any, is 0.20% per annum. We did not borrow any amounts under the revolving facility in 2009. Any unused amounts under the revolving facility are subject to a commitment fee of 0.42% per annum, and we paid Vivendi an aggregate of \$2,022,709 during 2009 with respect thereto.

*Voting and Lock-Up Agreements*

On December 1, 2007, in connection with entering into the Business Combination Agreement, we and Vivendi entered into voting and lock-up agreements with Mr. Kotick, our Chief Executive Officer, and Mr. Kelly, the Co-Chairman of our Board. Among other things, these agreements governed the voting of Messrs. Kotick and Kelly on the Combination and restricted transfers by each of more than a third of his Activision, Inc. shares and other Activision, Inc. equity securities until 120 days after the consummation of the Combination. These agreements also provide Messrs. Kotick and Kelly with certain registration rights which were effective as of the consummation of the Combination, including the right to require us to file a registration statement with the SEC relating to the sale of their securities and the right to participate in any proposed registered public offering of our securities.

*Investor Agreement*

In connection with the consummation of the Combination, on July 9, 2008, we, Vivendi, VGAC and Vivendi Games entered into an investor agreement. The investor agreement contains various agreements among the parties regarding, among other things:

Vivendi's and VGAC's agreement to vote their respective shares of our Common Stock in favor of (1) the nominees proposed for election as directors of Activision Blizzard by the Independent Nominating Committee, subject to certain limited exceptions, and (2) the nominees proposed for election as directors of Activision Blizzard by the Executive Nominating Committee, in each case, as long as those nominees are nominated in accordance with our Certificate of Incorporation and Bylaws (for more information, see "Corporate Governance Matters - Special Nominating Subcommittees" above);

our agreement to reimburse Vivendi for stock-settled equity award expenses and to make payments in respect of the exercise of cash-settled equity awards, in each case as they relate to certain equity awards granted by Vivendi and its controlled affiliates to Vivendi Games' employees prior to the consummation of the Combination;

our agreement to provide Vivendi with our quarterly consolidated financial statements, to use reasonable best efforts to comply with Vivendi's consolidation and financial reporting process and to provide to Vivendi with that financial and tax-related information with respect to us and our subsidiaries as is reasonably necessary in order for Vivendi to comply with certain reporting obligations and regulatory requirements;

our grant of certain registration rights to Vivendi and its affiliates, including demand and piggyback registration rights and our agreement to indemnify certain parties for certain liabilities in connection with those registrations; and

Vivendi's and VGAC's agreements to provide us with at least five business days notice of their intention to enter into any agreement to consummate a "control block sale" (as that term is defined in the investor agreement) and to provide certain other information related thereto.

In accordance with the investor agreement, during 2009:

we reimbursed Vivendi for an aggregate of \$1,200,987 in respect of expenses it incurred relating to certain stock-settled equity awards granted by it and its controlled affiliates to Vivendi Games' employees prior to the consummation of the Combination;

Vivendi reimbursed us for an aggregate of \$1,189,869 in respect expenses we incurred relating to our reporting obligations to Vivendi.

In addition, in accordance with the investor agreement and the employment agreement between us and our former Chief Merger Officer, Jean-Francois Grollemund, dated July 16, 2008, until Mr. Grollemund's employment ended on December 31, 2009, we were obligated to reimburse, on a quarterly basis, Vivendi or any of its controlled affiliates for contributions made by Vivendi or any of its controlled affiliates to the French social security system in respect of the employment of Mr. Grollemund (but in no event in excess of the maximum amount of the social security contributions required under applicable law). During 2009, we paid to Vivendi \$136,531 for reimbursement of those social security contributions.

*Tax Sharing Agreement*

Also in connection with the consummation of the Combination, on July 9, 2008, we entered into a tax sharing agreement with Vivendi Games and Vivendi Holding I Corp., a subsidiary of Vivendi ("VHIC"). The tax sharing agreement sets forth various agreements among the parties relating to, among other things:

the joining of Activision Blizzard or certain of our subsidiaries in the filing of certain consolidated, combined or unitary income or franchise tax returns that VHIC may elect or be required to file;

the payment by us and our subsidiaries to VHIC of amounts representing certain tax liabilities attributable to us and our subsidiaries;

the payment by VHIC to us of (or the offsetting of certain of our obligations to pay VHIC with) amounts in respect of fifty percent of the tax liability associated with certain distributions that may be made by non-U.S. subsidiaries of Vivendi Games to us (or certain of our U.S. subsidiaries) during the five year period following the consummation of the Combination;

*Cash Management Services Agreement*

On June 19, 2008, we entered into a cash management services agreement with Vivendi effective as of the consummation of the Combination on July 9, 2008, pursuant to which Vivendi provides certain treasury-related services to certain of our subsidiaries. The agreement has a term of three years, subject to possible extensions, and may be terminated by either party on not less than three months prior written notice. Vivendi charges us a fee based on Vivendi's estimated cost of providing these services and we reimburse Vivendi for its out-of-pocket expenses incurred in connection with the services. We also license software from Vivendi on a royalty-free basis in connection with certain of these services. We paid Vivendi an aggregate of \$450,000 during 2009 in accordance with the cash management services agreement.

*Relationships with Universal Music Group and its Affiliates*

During 2009 we paid an aggregate of \$14,140,687 in royalties and other fees (including fees relating to the marketing of artists whose music was licensed for our games) to Universal Music Group and its affiliates for those uses.

**AUDIT COMMITTEE REPORT**

Management is responsible for our system of internal control over financial reporting. Our independent registered public accounting firm, PricewaterhouseCoopers LLP, is responsible for performing an independent audit of our consolidated financial statements and the effectiveness of our internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States), and to issue a report thereon. The Audit Committee is responsible for overseeing management's conduct of the financial reporting process and our system of internal control over financial reporting.

The Audit Committee has reviewed and discussed with both management and our independent registered public accounting firm all annual financial statements prior to their issuance. In connection with these reviews, management advised the Audit Committee that each set of financial statements reviewed had been prepared in accordance with generally accepted accounting principles, and reviewed significant accounting and disclosure issues with the Audit Committee. These reviews included discussion with the independent registered public accounting firm of matters required to be discussed pursuant to Public Company Accounting Oversight Board auditing standard AU 380, including the quality of our accounting principles, the reasonableness of significant judgments and the clarity of disclosure in the financial statements. The Audit Committee also discussed with our independent

registered public accounting firm matters relating to such firm's independence, including a review of audit and non-audit fees and the written disclosures and letter from PricewaterhouseCoopers LLP to the Audit Committee as required by applicable requirements of the Public Company Accounting Oversight Board (Independence Discussions with Audit Committees).

Taking all of these reviews and discussions into account, all of the Audit Committee members, whose names are listed below, recommended to our Board that it approve the inclusion of our audited financial statements in our Annual Report on Form 10-K for the period ended December 31, 2009 for filing with the SEC.

**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

**Selection of Auditors**

Our Audit Committee has engaged PricewaterhouseCoopers LLP to be our independent registered public accounting firm for the current fiscal year ending December 31, 2010. PricewaterhouseCoopers LLP audited our financial statements for the periods ended December 31, 2009 and 2008.

PricewaterhouseCoopers LLP audited the financial statements of Activision, Inc. for its fiscal years ended March 31, 2008, 2007 and 2006 and Ernst & Young LLP audited the financial statements of Vivendi Games for its fiscal years ended December 31, 2007 and 2006. The Combination was treated as a reverse acquisition for accounting purposes and as such, the historical financial statements of the accounting acquirer, Vivendi Games, have become Activision Blizzard's historical financial statements. The SEC has released guidance that, unless the same accountant reported on the most recent financial statements of both the accounting acquirer and the acquired company, a reverse acquisition results in a change of accountants. Upon the consummation of the Combination, the Audit Committee chose to dismiss Ernst & Young LLP, the independent auditors that were previously engaged to audit the financial statements of Vivendi Games, and engaged PricewaterhouseCoopers LLP to be the independent registered public accounting firm for Activision Blizzard for the period ended December 31, 2008, resulting in a change of accountants for Activision Blizzard.

During Vivendi Games' fiscal years ended December 31, 2007 and 2006 and the subsequent interim period from January 1, 2008 through July 9, 2008, neither we nor Vivendi Games consulted with PricewaterhouseCoopers LLP in regards to Vivendi Games' financial statements, which were audited by Ernst & Young LLP, with respect to any of (1) the application of accounting principles to a specified transaction, either completed or proposed or (2) the type of audit opinion that might be rendered on the Vivendi Games' financial statements or the type of audit opinion that might be rendered on our financial statements and there was no matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a reportable event of the type described in Item 304(a)(1)(v) of Regulation S-K).

No report issued by Ernst & Young LLP on the financial statements of Vivendi Games for its fiscal years ended December 31, 2007 or 2006 contained an adverse opinion or disclaimer of opinion, or qualification or modification as to uncertainty, audit scope, or accounting principles. In addition, during Vivendi Games' fiscal years ended December 31, 2007 and 2006 and through the date on which Ernst & Young LLP was dismissed, there were no disagreements with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreement(s), if not resolved to the satisfaction of Ernst & Young LLP, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its report.

Except as described below, there were no reportable events under Item 304(a)(1)(v) of Regulation S-K with respect to Vivendi Games' fiscal years ended December 31, 2007 and 2006 and during the subsequent interim period through July 9, 2008.

During its fiscal years ended December 31, 2007 and 2006, Vivendi Games was a wholly owned subsidiary of Vivendi. As a wholly owned subsidiary operating as a business unit within the Vivendi group, Vivendi Games had not historically prepared financial statements for separate stand alone purposes, had its taxable income processed within the Vivendi U.S. tax returns and did not maintain an external financial reporting group or a tax group. Internal controls have proven to be adequate to comply with Vivendi's internal reporting requirements under International Financial Reporting Standards. The U.S. GAAP stand-alone financial statements of Vivendi Games for its fiscal years ended December 31, 2007 and 2006 were prepared for the purpose of inclusion in our proxy statement relating to the Combination and were issued after the announcement of the transaction.

Table of Contents

Management of Vivendi Games has discussed the material weaknesses described below with Ernst & Young LLP, and management of Vivendi Games and Vivendi have authorized Ernst & Young LLP to respond fully to the inquiries of a successor auditor concerning the subject matter below. Ernst & Young LLP considered the material weaknesses in determining the nature, timing and extent of their audit procedures performed on the 2007 and 2006 financial statements of Vivendi Games.

In connection with Ernst & Young LLP's audit of the financial statements of Vivendi Games for the fiscal years ended December 31, 2007 and 2006, Ernst & Young LLP advised Vivendi Games that it believed the following matters constituted material weaknesses as it related to those stand-alone financial statements: In connection with the preparation of its financial statements, on a stand-alone U.S. GAAP basis, for the fiscal years ended December 31, 2007 and 2006, Vivendi Games management did not detect certain errors in the preparation, classification and disclosure of those financial statements; additionally, Vivendi Games management did not detect certain errors in the stand alone-tax provision and related tax disclosures in the financial statements for the fiscal year ended December 31, 2007. These errors were detected by Ernst & Young LLP during the audit process and required certain modifications to the financial statements and related disclosures prior to their issuance. These modifications were made prior to the delivery of these financial statements by Vivendi Games management to us.

We provided each of Ernst & Young LLP and PricewaterhouseCoopers LLP with a copy of the foregoing disclosure and an opportunity to comment on it.

**Auditor Attendance at Annual Meeting**

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. They are also expected to be available to respond to appropriate questions.

**Pre-Approval Policies and Procedures**

In accordance with the Audit Committee charter, the Audit Committee pre-approves all audit and non-audit services provided by the independent auditor. The Audit Committee charter provides that pre-approval of audit and permitted non-audit fees may be made by the Audit Committee or by one or more members of the Audit Committee as designated by the chair of the Audit Committee, although no such designation has yet been made. Any approval granted pursuant to such delegation must be reported to the Audit Committee at its next scheduled meeting.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who beneficially own more than 10% of our Common Stock to file with the SEC initial reports of ownership and reports of changes in beneficial ownership of our Common Stock and other equity securities. Those persons are required by SEC rules to furnish us with copies of all Section 16(a) forms they file.

Based solely upon a review of the copies of Section 16(a) forms furnished to us and written representations from certain reporting persons that no Forms 5 were required, we believe that during 2009, all of our executive officers, directors and persons who beneficially owned more than 10% of our Common Stock were in compliance with all filing requirements of Section 16(a) of the Exchange Act with the exception of Ronald Doornink, an advisor to our Board, who delinquently reported, on a filing made on March 17, 2009, four sales of our Common Stock, and Ms. Weiser, who delinquently reported, on a filing made on December 23, 2009, an aggregate of nine purchases and sales of our Common Stock effected without her prior knowledge or specific direction under broker-directed separately managed accounts.

Each of our stockholders who, as of the date on which the notice is mailed, has not requested to receive all proxy materials from us in printed form or via email will receive a notice regarding the Internet availability of those materials, which will include instructions on how to access them, as well as how to vote online.

**If you received the notice and would prefer to receive a copy of the materials for the Annual Meeting or future annual meetings of our stockholders via email or would prefer to receive a printed copy of those materials via mail, in each case at no charge, please follow the instructions for obtaining the materials on the notice.**

**DELIVERY OF DOCUMENTS TO SECURITY HOLDERS SHARING AN ADDRESS**

The SEC has adopted rules that permit companies to deliver a single notice regarding the availability of proxy materials on the Internet or a single copy of proxy materials to multiple stockholders sharing an address, unless a company has received contrary instructions from one or more of the stockholders at that address. In accordance with those rules, we may deliver a single notice or copy of proxy materials to multiple stockholders sharing an address but, upon request, will promptly deliver a separate notice or a separate copy of proxy materials to one or more stockholders at a shared address to which a single notice or a single copy of proxy materials was delivered. Stockholders may request a separate notice or a separate copy of proxy materials by calling our Investor Relations department at (310) 255-2000 or by mailing a request to our Corporate Secretary at Activision Blizzard, Inc., 3100 Ocean Park Boulevard, Santa Monica, California 90405.
