SUMMARY

The following summary highlights information about Dynegy and the Exchange Offers. Because it is a summary, it does not contain all the information that you should consider before tendering Old Notes for exchange. You should read this entire prospectus carefully, including the documents incorporated by reference herein, which are described in the section entitled "Incorporation by Reference." You should also carefully consider, among other things, the matters discussed in the section entitled "Risk Factors."

Our Business

Our primary business is the production and sale of electric energy, capacity and ancillary services from our fleet of 35 power plants in eight states totaling approximately 26,000 MW of generating capacity.

We operate a portfolio of generation assets that is diversified in terms of dispatch profile, fuel type and geography. Our Coal and IPH segments are fleets of baseload coal facilities in Illinois, which dispatch around the clock throughout the year. Our Gas segment operates both intermediate and peaking natural gas plants, located in the Midwest, Northeast and California. The inherent cycling and dispatch characteristics of our intermediate combined cycle units allow us to take advantage of the volatility in market pricing in the day-ahead and hourly markets. This flexibility allows us to optimize our assets and provide incremental value. Peaking facilities are generally dispatched to serve load only during the highest periods of power demand, such as hot summer and cold winter days, or for local reliability needs. Currently our peaking facilities are contracted through either tolling or reliability must run agreements. In addition to generating power, our generating facilities also receive capacity revenues through structured markets or bilateral tolling agreements, as local utilities and ISOs seek to ensure sufficient generation capacity is available to meet future market demands.

We sell electric energy, capacity and ancillary services primarily on a wholesale basis from our power generation facilities. We also serve residential, municipal, commercial and industrial customers primarily in Illinois, Ohio and Pennsylvania through our Homefield Energy and Dynegy Energy Services retail businesses. Wholesale electricity customers will, for reliability reasons and to meet regulatory requirements, contract for rights to capacity from generating units. Ancillary services are the products of a power generation facility that support the transmission grid operation, follow real-time changes in load and provide emergency reserves for major changes to the balance of generation and load. Retail electricity customers purchase energy and these related services in the deregulated retail energy market. We sell these products individually or in combination to our customers for various lengths of time from hourly to multi-year transactions.

We do business with a wide range of customers, including RTOs and ISOs, integrated utilities, municipalities, electric cooperatives, transmission and distribution utilities, power marketers, financial participants such as banks and hedge funds and residential, commercial and industrial end-users. Some of our customers, such as municipalities or integrated utilities, purchase our products for resale in order to serve their retail, commercial and industrial customers. Other customers, such as some power marketers, may buy from us to serve their own wholesale or retail customers or as a hedge against power sales they have made.

Recent Developments

EquiPower Acquisition

On April 1, 2015, we completed the acquisition of the EquiPower Assets, thereby acquiring (i) five combined cycle natural gas-fired facilities in Connecticut, Massachusetts and Pennsylvania, (ii) a partial interest in one natural gas-fired peaking facility in Illinois, (iii) two gas and oil-fired peaking facilities in Ohio, (iv) one coal-fired facility in Illinois and (v) the Brayton Point coal facility in Somerset, MA,

which is scheduled to be retired in June 2017, for a base purchase price of \$3.35 billion in cash plus \$100 million in our common stock, subject to certain adjustments (collectively, the "**EquiPower Acquisition**"). The acquired assets consist primarily of highly efficient and clean-burning natural gas-fired facilities, and the EquiPower Acquisition added approximately 6,300 MW of net generating capacity in Connecticut, Illinois, Massachusetts, Ohio and Pennsylvania.

Duke Midwest Acquisition

On April 2, 2015, we completed the acquisition of the Duke Midwest Assets, thereby acquiring approximately 6,200 MW in (i) five natural gas-fired power facilities located in Ohio, Pennsylvania and Illinois, (ii) one oil-fired power facility located in Ohio, (iii) partial interests in five coal-fired power facilities located in Ohio and (iv) a retail energy business for a base purchase price of \$2.8 billion in cash, subject to certain adjustments (collectively, the "**Duke Midwest Acquisition**"). The facilities operate in the PJM wholesale market, have a diversified fuel mix with baseload coal-fired units, as well as combined cycle and peaking natural gas-fired units, and have an aggregate net generating capacity of approximately 6,200 MW. We operate two of the five coal-fired facilities, the Miami Fort and Zimmer facilities, and other owners will operate the three remaining facilities.

Dynegy Energy Services (East) serves retail electric and gas customers in Ohio with energy and energy services at competitive rates. Dynegy Energy Services (East) serves approximately 25% of switched load within Duke Energy Ohio, Inc.'s service territory, which is the largest share of opt-in mass market customers in that territory, and provides approximately 7 TWh of customer load primarily in Ohio.

MISO 2015-2016 Planning Resource Auction Complaint

As of June 1, 2015, three complaints have been filed at FERC regarding the Zone 4 results for the 2015-2016 Planning Resource Auction ("PRA") conducted by MISO. Complainants are Public Citizen, Inc., the Illinois Attorney General, and Southwestern Electric Cooperative, Inc. Specifically, complainants have challenged the results of the PRA as unjust and unreasonable, requested rate relief/refunds and requested changes to the MISO PRA structure going forward. Complainants have also alleged that Dynegy is a pivotal supplier in Zone 4 that may have engaged in economic or physical withholding constituting market manipulation in the 2015-2016 PRA. Dynegy disputes the allegations and will defend the actions vigorously. We are currently reviewing the complaints and will respond by the comment deadline.

no action or proceeding would impair our ability to proceed with the applicable Exchange Offer; and

any governmental approval has been obtained that we believe, in our sole discretion, is necessary for the completion of the applicable Exchange Offer as outlined in this prospectus.

tender your Old Notes by using the book-entry transfer procedures described below and transmitting a properly completed and duly executed letter of transmittal, with any required signature guarantees, or an agent's message instead of the letter of transmittal, to the exchange agent. In order for a book-entry transfer to constitute a valid tender of your Old Notes in the applicable Exchange Offer, Wilmington Trust, National Association, as exchange agent, must receive a confirmation of book-entry transfer of your Old Notes into the exchange agent's account at DTC prior to the Expiration Date for the applicable Exchange Offer. For more information regarding the use of book-entry transfer procedures, including a description of the required agent's message, see the discussion below in the section entitled "*The Exchange Offers Book-Entry Transfers.*"

Special Procedures for Beneficial Owners

If you are a beneficial owner whose Old Notes are registered in the name of the broker, dealer, commercial bank, trust company or other nominee and you wish to tender your Old Notes in the Exchange Offers, you should promptly contact the person in whose name the Old Notes are registered and instruct that person to tender on your behalf. If you wish to tender in the Exchange Offers on your own behalf, prior to completing and executing the letter of transmittal and delivering your Old Notes, you must either make appropriate arrangements to register ownership of the Old Notes in your name or obtain a properly completed bond power from the person in whose name the Old Notes are registered.

Exchange Agent

Wilmington Trust, National Association is the exchange agent for each of the Exchange Offers. You can find the address and telephone number of the exchange agent below in the section entitled "*The Exchange Offers Exchange Agent.*"

Resales

Based on interpretations by the staff of the SEC, as set forth in no-action letters issued to third parties, we believe that the Exchange Notes you receive in the Exchange Offers may be offered for resale, resold or otherwise transferred without compliance with the registration and prospectus delivery provisions of the Securities Act. However, you will not be able to freely transfer the Exchange Notes if:

you are our "affiliate," as defined in Rule 405 under the Securities Act;

you are not acquiring the Exchange Notes in the Exchange Offers in the ordinary course of your business; or

you are engaged in or intend to engage in, or have an arrangement or understanding with any person to participate in, the distribution, as defined in the Securities Act, of the Exchange Notes you will receive in the Exchange Offers.

If any of the statements above are not true, you cannot rely on the position of the SEC staff described above and you must, therefore, comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale of the Exchange Notes, unless an exemption from these requirements is available to you. If you transfer any Exchange Notes without delivering a prospectus that meets the requirements of the Securities Act or without an exemption from registration of your Exchange Notes from those requirements, you may incur liability under the Securities Act. We will not assume or indemnify you against that liability. In addition, the SEC has not considered the Exchange Offers in the context of its interpretive letters and we cannot be sure that the staff of the SEC would make a similar determination with respect to the Exchange Offers as in such other circumstances.

Broker-Dealer

Each broker-dealer that receives Exchange Notes for its own account in exchange for Old Notes, where such Old Notes were acquired by such broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Notes. See "*Plan of Distribution.*"

Consequences of Not Exchanging Old Notes

If you do not exchange your Old Notes in the applicable Exchange Offer, your Old Notes will continue to be subject to restrictions on transfer. In general, you may offer or sell your Old Notes only:

if they are registered under the Securities Act and applicable state securities laws;

if they are offered and sold under an exemption from registration under the Securities Act and applicable state securities laws; or

if they are offered and sold in a transaction not subject to the Securities Act and applicable state securities laws.

We do not intend to register the Old Notes under the Securities Act, and holders of Old Notes that do not exchange Old Notes for the applicable Exchange Notes in the Exchange Offers will no longer have registration rights with respect to such Old Notes, except in the limited circumstances provided in the Registration Rights Agreement. Under some circumstances, however, holders of Old Notes, including holders who are not permitted to participate in the Exchange Offers or who may not freely resell Exchange Notes received in the applicable Exchange Offer, may require us to file, and to cause to become effective, a shelf registration statement covering resales of Old Notes by these holders. For more information regarding the consequences of not tendering your Old Notes and our obligation to file a shelf registration statement, see the sections entitled "*The Exchange Offers Consequences of Exchanging or Failing to Exchange Old Notes*" and "*Description of the 2019 Exchange Notes Principal, Maturity and Interest*," "*Description of the 2022 Exchange Notes Principal, Maturity and Interest*" and "*Description of the 2024 Exchange Notes Principal, Maturity and Interest*."

RISK FACTORS

An investment in the Notes involves risk. You should carefully consider the following factors, together with the risks and uncertainties discussed in the section entitled "Cautionary Note Regarding Forward-Looking Statements" and the other information incorporated by reference in this prospectus, including the information included in the section entitled "Risk Factors" in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014, and in our Quarterly Report on Form 10-Q for the period ended March 31, 2015. Additional risks and uncertainties not presently known to us, or that we currently deem immaterial, may also impair our business operations. We cannot assure you that any of the events discussed in this prospectus will not occur. If they do, our business, financial condition or results of operations could be materially and adversely affected. In such case, the trading price of our securities, including the Notes, could decline, and you might lose all or part of your investment.

Risks Related to the Acquisitions

The Duke Midwest Assets and the EquiPower Assets have no operating history as stand-alone providers of electric energy, capacity and ancillary services. Therefore, each of the Acquired Entities' historical financial information incorporated by reference into this prospectus do not reflect the results they would have achieved during the periods presented as a stand-alone company and may not be a reliable indicator of their future results.

The historical financial information incorporated by reference in this prospectus does not reflect the financial condition, results of operations or cash flows the Acquired Entities would have achieved during the periods presented or those results they will achieve in the future as stand-alone providers of electric energy, capacity and ancillary services.

The audited combined financial statements incorporated by reference in this prospectus have been derived from the books and records of Duke and Duke Energy Ohio, Inc. ("**Duke Ohio**") on the one hand and ERC and Brayton on the other hand. Preparing these audited combined financial statements required management of Duke and Duke Ohio and ERC and Brayton, as applicable, to assign certain assets, liabilities, revenues and expenses using the historical results of operations and cost basis of the Duke Midwest Assets and EquiPower Assets, respectively, during the periods presented. The financial statements of the Duke Midwest Assets also include income and expense allocations from Duke and its subsidiaries, including Duke Ohio. These assignments are based on certain assumptions, and, as a result, the audited combined financial statements may not reflect what the Acquired Entities' results of operations, financial position or cash flow would have been if they had operated as a stand-alone provider of electric energy, capacity and ancillary services.

The unaudited pro forma condensed combined financial information included and incorporated by reference into this prospectus is presented for illustrative purposes only and does not represent what the financial position or results of operations of Dynege would have been had the Acquisitions been consummated on the dates assumed for purposes of that pro forma information or the actual financial position or results of operations of Dynege following the Acquisitions.

The unaudited pro forma condensed combined financial information included and incorporated by reference into this prospectus is presented for illustrative purposes only, contains a variety of adjustments, assumptions and preliminary estimates, is subject to numerous other uncertainties and does not reflect what Dynege's financial position or results of operations would have been had the Acquisitions been consummated as of the dates assumed for purposes of that pro forma financial information or the financial position or results of operations of Dynege following the Acquisitions. The pro forma adjustments are based on the preliminary information available at the time they were prepared. For purposes of the unaudited pro forma condensed combined financial information, the estimated Acquisitions consideration has been allocated to the assets acquired and liabilities assumed

based on information available to us to estimate fair values. The Acquisitions consideration is allocated among the relative fair values of the assets acquired and liabilities assumed based on their estimated fair values as of the closing date of each Acquisition. Dynegy has not yet completed its analysis of the fair value of these assets and liabilities, as a result the actual amounts recorded may differ materially from the information presented in the unaudited pro forma condensed combined financial information. Additionally, the unaudited pro forma condensed combined financial information does not reflect future costs of any integration activities or benefits from synergies that may be derived from any integration activities nor does it include any other items not expected to have a continuing impact on the consolidated results of operations.

Risks Related to the Exchange Offers and Holding the Exchange Notes

Holders who fail to exchange their Old Notes will continue to be subject to restrictions on transfer and may have reduced liquidity after the Exchange Offers.

If you do not exchange your Old Notes for Exchange Notes in the applicable Exchange Offer, you will continue to be subject to the restrictions on transfer applicable to the Old Notes. The restrictions on transfer of your Old Notes arise because we issued the Old Notes under exemptions from, or in transactions not subject to, the registration requirements of the Securities Act and applicable state securities laws. In general, you may only offer or sell the Old Notes if they are registered under the Securities Act and applicable state securities laws, or offered and sold under an exemption from these requirements. We do not plan to register the Old Notes under the Securities Act. In addition, we have not conditioned the Exchange Offers on receipt of any minimum or maximum principal amount of outstanding Old Notes. As Old Notes are tendered and accepted in the Exchange Offers, the principal amount of remaining Old Notes will decrease. This decrease could reduce the liquidity of the trading market for the Old Notes. We cannot assure you of the liquidity, or even the continuation, of the trading market for the Old Notes following the Exchange Offers.

You must comply with the Exchange Offer procedures in order to receive new, freely tradable Exchange Notes.

Delivery of Exchange Notes in exchange for applicable Old Notes tendered and accepted for exchange pursuant to the Exchange Offers will be made only after timely receipt by the exchange agent of the following:

certificates for Old Notes or a book-entry confirmation of a book-entry transfer of Old Notes into the exchange agent's account at DTC, New York, New York as depository, including an agent's message (as defined herein) if the tendering holder does not deliver a letter of transmittal;

a completed and signed letter of transmittal (or facsimile thereof), with any required signature guarantees, or an agent's message *in lieu* of the letter of transmittal; and

any other documents required by the letter of transmittal.

Therefore, holders of Old Notes who would like to tender Old Notes in exchange for applicable Exchange Notes should be sure to allow enough time for the Old Notes to be delivered on time. We are not required to notify you of defects or irregularities in tenders of Old Notes for exchange. Old Notes that are not tendered or that are tendered but we do not accept for exchange will, following consummation of the applicable Exchange Offer, continue to be subject to the existing transfer restrictions under the Securities Act and, upon consummation of the Exchange Offers, certain registration and other rights under the Registration Rights Agreement will terminate. See "*The Exchange Offers Procedures for Tendering Old Notes*" and "*The Exchange Offers Consequences of Exchanging or Failing to Exchange Old Notes.*"

Table of Contents

If you are a broker-dealer, your ability to transfer the Exchange Notes may be restricted.

A broker-dealer that purchased the Old Notes for its own account as part of market-making or trading activities must comply with the prospectus delivery requirements of the Securities Act in connection with any resale of the Exchange Notes. Our obligation to make this prospectus available to broker-dealers is limited, and, as a result, we cannot guarantee that a proper prospectus will be available to broker-dealers wishing to resell their Exchange Notes. See "*Plan of Distribution*."

The Exchange Notes and the guarantees will be unsecured and effectively subordinated to our existing secured indebtedness and any future secured indebtedness.

The Exchange Notes and the guarantees will be general unsecured senior obligations and will be effectively subordinated to all of our existing and future secured debt and that of each Subsidiary Guarantor, including obligations under the Credit Agreement, to the extent of the value of the collateral securing such debt. If we or a Subsidiary Guarantor are declared bankrupt, become insolvent or are liquidated or reorganized, any of our secured debt or that of a Subsidiary Guarantor will be entitled to be paid in full from our assets or the assets of the Subsidiary Guarantor, as applicable, securing that debt before any payment may be made with respect to the Exchange Notes or the affected guarantees. Holders of the Exchange Notes will participate ratably in our remaining assets with all holders of our unsecured indebtedness that does not rank junior to the Exchange Notes, including holders of our 5.875% Senior Notes due 2023 (the "**2023 Notes**"), and all of our other general creditors, based upon the respective amounts owed to each holder or creditor. In any of the foregoing events, there may not be sufficient assets to pay amounts due on the Exchange Notes. As a result, holders of the Exchange Notes may receive less, on a ratable basis, than holders of secured indebtedness. See "*Summary Description of the Exchange Notes Ranking*."

We may be unable to purchase the Exchange Notes upon a change of control.

Upon the occurrence of a change of control, you will have the right to require us to repurchase your Exchange Notes at a purchase price in cash equal to 101% of the principal amount of your Exchange Notes plus accrued and unpaid interest, if any, to but excluding the date of purchase. The Credit Agreement contains, and any future credit agreement or other agreements relating to indebtedness to which we become a party may contain, prohibitions of certain events, including events that would constitute a change of control. The exercise by the holders of Exchange Notes of their right to require us to repurchase the Exchange Notes upon a change of control could cause a default under these other agreements, even if the change of control itself is not due to the financial effect of such repurchases on us or otherwise. In the event a change of control occurs at a time when we are prohibited from purchasing Exchange Notes, we could seek the consent of the applicable lenders to the purchase of Exchange Notes or could attempt to refinance the indebtedness that contains such prohibitions. If we do not obtain a consent or repay that indebtedness, we will remain prohibited from purchasing Exchange Notes. Our failure to make the change of control offer or to pay the change of control purchase price when due would result in a default under the Indentures which, in turn, would constitute a default under the Credit Agreement and the documents governing our other indebtedness. In addition, a change of control may result in an event of default under, or require us to purchase, our other existing or future indebtedness. Finally, the change of control feature of the Exchange Notes does not cover all corporate reorganizations, mergers or similar transactions and may not provide you with protection in a highly leveraged transaction. See "*Description of the 2019 Exchange Notes Change of Control*," "*Description of the 2022 Exchange Notes Change of Control*" and "*Description of the 2024 Exchange Notes Change of Control*."

If an active trading market does not develop for the Exchange Notes you may not be able to resell them.

The Exchange Notes are a new issue of securities and there is no established trading market for the Exchange Notes. We cannot assure you that an active trading market will develop for the Exchange Notes. If no active trading market develops, you may not be able to resell your Exchange Notes at their fair market value or at all. Future trading prices of the Exchange Notes will depend on many factors, including, among other things, prevailing interest rates, our operating results and the market for similar securities. We do not intend to apply for listing the Exchange Notes on any securities exchange or for inclusion of the Exchange Notes in any automated quotation system. Historically, the market for non-investment grade debt has been subjected to disruptions that have caused substantial volatility in the prices of securities similar to the Exchange Notes offered hereby. The market for the Exchange Notes, if any, may be subject to similar disruptions. Any such disruptions may adversely affect the value of your Exchange Notes.

Risks Related to the Exchange Notes

Our indebtedness could adversely affect our ability to raise additional capital to fund our operations. It could also expose us to the risk of increased interest rates and limit our ability to react to changes in the economy or our industry as well as impact our cash available for distribution.

As of March 31, 2015, we had approximately \$7,211 million of total indebtedness and approximately \$5,477 million of indebtedness, net of cash. We also have approximately \$347 million available, net of letters of credit outstanding, for future borrowings under our current revolving credit facility, which excludes the revolving credit facility at IPM. Our indebtedness could have important negative consequences for our financial condition, including:

increasing our vulnerability to general economic and industry conditions;

requiring a substantial portion of our cash flow from operations to be dedicated to the payment of principal and interest on our indebtedness, therefore reducing our ability to use our cash flow to fund our operations, capital expenditures and future business opportunities;

limiting our ability to enter into long-term power sales or fuel purchases which require credit support;

limiting our ability to fund operations or future acquisitions;

restricting our ability to make certain distributions with respect to our capital stock and the ability of our subsidiaries to make certain distributions to us, in light of restricted payment and other financial covenants in our credit facilities and other financing agreements;

exposing us to the risk of increased interest rates because certain of our borrowings, including borrowings under our revolving credit facility, are at variable rates of interest;

limiting our ability to obtain additional financing for working capital including collateral postings, capital expenditures, debt service requirements, acquisitions and general corporate or other purposes; and

limiting our ability to adjust to changing market conditions and placing us at a competitive disadvantage compared to our competitors who may have less debt.

We and our subsidiaries may be able to incur substantial additional indebtedness in the future. The terms of the Indentures and the agreements governing our other indebtedness, including the Credit Agreement, do not fully prohibit us or our subsidiaries from doing so. Additionally, in certain cases, we are permitted to incur other indebtedness which would be effectively senior to the Notes. If new debt is added to current debt levels, the related risks could intensify. See "*Description of the 2019 Exchange Notes*," "*Description of the 2022 Exchange*

Notes" and "Description of the 2024 Exchange Notes."

Table of Contents

The Credit Agreement contains, and agreements we enter into in the future may contain, covenants that significantly restrict our operations.

The Credit Agreement contains covenants imposing financial and operating restrictions on our business. These restrictions may affect our ability to operate our business, may limit our ability to take advantage of potential business opportunities as they arise and may adversely affect the conduct of our current business, including restricting our ability to finance future operations and capital needs and limiting our ability to engage in other business activities. These covenants will place restrictions on our ability and the ability of our operating subsidiaries to, among other things:

declare or pay dividends, repurchase or redeem stock or make other distributions to stockholders;

incur additional debt or issue some types of preferred shares;

create liens;

make certain restricted investments;

enter into transactions with affiliates;

enter into any agreements which limit the ability of certain subsidiaries to make dividends or otherwise transfer cash or assets to us or certain other subsidiaries;

sell or transfer assets; and

consolidate or merge.

In addition, the Credit Agreement contains a financial covenant, if we have utilized 25% or more of our revolving credit facility under the Credit Agreement, that specifies maximum thresholds for our senior secured leverage ratio (as defined in the Credit Agreement). These restrictions may also limit our ability to obtain future financings, withstand a future downturn in our business or the economy in general, or otherwise conduct necessary corporate activities. We may also be prevented from taking advantage of business opportunities that arise because of the limitations that the restrictive covenants under the Credit Agreement impose on us. Agreements we enter into in the future may also have covenants that restrict our operations.

A breach of any covenant in the Indentures, the indenture governing the 2023 Notes, the Credit Agreement or the agreements governing our other indebtedness would result in a default under that agreement after any applicable grace periods. A default, if not waived, could result in acceleration of the debt outstanding under such agreement and in a default with respect to, and acceleration of, the debt outstanding under any other debt agreements. The accelerated debt would become immediately due and payable. If that should occur, we may not be able to make all of the required payments or borrow sufficient funds to refinance it. Even if new financing were then available, it may not be on terms that are acceptable to us. See "Description of the 2019 Exchange Notes Events of Default and Remedies," "Description of the 2022 Exchange Notes Events of Default and Remedies" and "Description of the 2024 Exchange Notes Events of Default and Remedies."

The Indentures do not contain financial covenants or meaningful restrictions on us or our subsidiaries.

Neither we nor any of our subsidiaries are restricted from incurring additional debt or other liabilities under the Indentures. We may from time to time incur additional debt and other liabilities. The Indentures do not require us to achieve or maintain any minimum financial results relating to our financial condition or results of operations. In addition, we are not restricted from paying dividends or making distributions on our capital stock or purchasing or redeeming our capital stock under the Indentures.

Table of Contents

To service our indebtedness, we will require a significant amount of cash. Our ability to generate cash depends on many factors beyond our control.

Our ability to make payments on and to refinance our indebtedness, including the Notes, the 2023 Notes and the Credit Agreement, and to fund planned capital expenditures and other strategic investments will depend on our ability to generate cash in the future. This, to a certain extent, is subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond our control. We may not generate sufficient cash flow from operations and we cannot assure you that future borrowings will be available to us in an amount sufficient to enable us to pay our indebtedness or to fund our other liquidity needs. If we cannot make scheduled payments on our indebtedness, we will be in default and the holders of each series of the Notes and the 2023 Notes could declare all applicable outstanding principal and interest to be due and payable, the lenders under the Credit Agreement could terminate their commitments to loan money, the lenders could foreclose against the assets securing their borrowings and we could be forced into bankruptcy or liquidation. All of these events could result in your losing your investment in the Exchange Notes.

Our ability to refinance the Credit Agreement, the Notes, the 2023 Notes and any other future indebtedness depends on many factors beyond our control.

We will likely need to refinance all or a portion of our indebtedness on or before maturity. Our ability to refinance the Credit Agreement, the Notes, the 2023 Notes and any other future indebtedness will depend on the condition of the capital markets and our financial condition at such time and could be limited by restrictive covenants in our existing and future debt agreements. We cannot provide assurances that we will be able to refinance any of our indebtedness on commercially reasonable terms or at all. If refinancing is not available to us, we may not have sufficient cash to enable us to meet all of our obligations, including payments on the Exchange Notes and our other indebtedness.

Your right to receive payments on the Exchange Notes could be adversely affected if any of our non-guarantor subsidiaries declare bankruptcy, liquidate or reorganize.

A number of our subsidiaries will not guarantee the Exchange Notes. See "*Description of the 2019 Exchange Notes 2019 Notes Subsidiary Guarantees*," "*Description of the 2022 Exchange Notes 2022 Notes Subsidiary Guarantees*" and "*Description of the 2024 Exchange Notes 2024 Notes Subsidiary Guarantees*." Accordingly, claims of holders of the Exchange Notes will be structurally subordinated to the claims of creditors of these non-guarantor subsidiaries, including trade creditors. All obligations of our non-guarantor subsidiaries will have to be satisfied before any of the assets of such subsidiaries would be available for distribution, upon liquidation or otherwise, to us or a guarantor of the Exchange Notes. The Indentures will not limit the ability of these subsidiaries to incur certain additional debt or other liabilities. In the event of a bankruptcy, liquidation or reorganization of any of our non-guarantor subsidiaries, holders of their indebtedness and their trade creditors will generally be entitled to payment of their claims from the assets of those subsidiaries before any assets are made available for distribution to us.

A court could cancel the guarantees of the Exchange Notes by our subsidiaries under fraudulent transfer law.

Each of our current and future wholly-owned domestic restricted subsidiaries that from time to time is a borrower or guarantor under the Credit Agreement will guarantee the Exchange Notes. Although the guarantees provide you with a direct claim against the assets of the Subsidiary Guarantors, under federal bankruptcy law and comparable provisions of state fraudulent transfer laws, in certain circumstances a court could cancel a guarantee and order the return of any payments made thereunder to the Subsidiary Guarantor or to a fund for the benefit of its creditors.

Table of Contents

A court might take these actions if it found, among other things, that when the Subsidiary Guarantor incurred the debt evidenced by its guarantee of the Exchange Notes (i) it received less than reasonably equivalent value or fair consideration for the incurrence of the guarantee and (ii) any one of the following conditions was satisfied:

the Subsidiary Guarantor was insolvent or was rendered insolvent by reason of the incurrence;

the Subsidiary Guarantor was engaged in a business or transaction for which its remaining assets constituted unreasonably small capital; or

the Subsidiary Guarantor intended to incur, or believed (or reasonably should have believed) that it would incur, debts beyond its ability to pay as those debts matured.

In applying the above factors, a court would likely find that a Subsidiary Guarantor did not receive fair consideration or reasonably equivalent value for its guarantee, except to the extent that it benefited directly or indirectly from the issuance of the Exchange Notes or the 2023 Notes or borrowing under the Credit Agreement. The determination of whether a Subsidiary Guarantor was or was rendered "insolvent" when it entered into its guarantee will vary depending on the law of the jurisdiction being applied. Generally, an entity would be considered insolvent if the sum of its debts (including contingent or unliquidated debts) is greater than the fair market value of its assets, if the present fair salable value of its assets is less than the amount that will be required to pay its probable liability on its existing debts, including contingent or unliquidated debts, as they become absolute and matured or if it is unable to pay its debts.

If a court cancelled a Subsidiary Guarantor's guarantee, you would no longer have a claim against that Subsidiary Guarantor or its assets. Our assets and the assets of the remaining Subsidiary Guarantors may not be sufficient to pay amounts then due under the Exchange Notes.

The Exchange Notes will be guaranteed by each of our current and future wholly-owned domestic subsidiaries that is a borrower or guarantor under the Credit Agreement or any indebtedness that refinances the Credit Agreement. If such a subsidiary is released from its guarantee of the Credit Agreement or such other indebtedness, it will automatically be released from its guarantee of the Exchange Notes.

The Exchange Notes will be guaranteed by each of our current and future wholly-owned domestic subsidiaries that is a borrower or guarantor under the Credit Agreement or any indebtedness that refinances the Credit Agreement. If such a subsidiary is released from its guarantee of the Credit Agreement or such other indebtedness, it will automatically be released from its guarantee of the Exchange Notes without the consent of the holders of the applicable series of Notes. The Credit Agreement provides that a subsidiary guarantee may be released under certain circumstances. For example, the Credit Agreement: (i) permits our Subsidiary Guarantors to enter into certain permitted transactions as a result of which such Subsidiary Guarantor ceases to be a subsidiary and (ii) allows us to designate any of our subsidiaries as an unrestricted subsidiary or excluded project subsidiary, so long as certain conditions are satisfied, the effect of which, in each case, would be to release such subsidiary from its guarantee obligations or to not require a guarantee from such subsidiary. See "*Description of the 2019 Exchange Notes 2019 Notes Subsidiary Guarantees*," "*Description of the 2022 Exchange Notes 2022 Notes Subsidiary Guarantees*" and "*Description of the 2024 Exchange Notes 2024 Notes Subsidiary Guarantees*."

Changes in the public debt ratings of the Exchange Notes may materially and adversely alter the cost and the terms and conditions of our future financings and the value and liquidity of the Exchange Notes.

The Exchange Notes will be, and any of our future debt instruments may be, publicly rated by Standard & Poor's Ratings Services and Moody's Investors Service, Inc., which are independent rating agencies. These public debt ratings may affect our ability to incur debt in the future. Any future downgrading of ratings assigned to the Notes, the 2023 Notes our other debt instruments or Dynegy by either rating agency may affect the cost and terms and conditions of our future financings and could adversely affect the value and liquidity of the Exchange Notes.

USE OF PROCEEDS

The unaudited pro forma condensed combined statements of operations are presented for the fiscal year ended December 31, 2014 and for the three months ended March 31, 2015. The unaudited pro forma condensed combined balance sheet is presented as of March 31, 2015. The Pro Forma Financial Information is provided for informational and illustrative purposes only and should be read in conjunction with "Management's Discussion and Analysis of Financial Condition and Results of Operations" and the consolidated financial statements and related notes in Dynegy's Annual Report on Form 10-K for the year ended December 31, 2014, Dynegy's Quarterly Report on Form 10-Q for the three months ended March 31, 2015, in addition to the financial statements of the Duke Midwest Generation Business, and the combined financial statements of EquiPower and its subsidiaries and Brayton and its subsidiary for the same periods, as included in Dynegy's Current Report on Form 8-K filed on May 18, 2015.

The pro forma adjustments, as described in the notes to the unaudited pro forma condensed combined financial statements, are based on currently available information. Management believes such adjustments are reasonable, factually supportable and directly attributable to the events and transactions described below. Dynegy's consolidated financial statements as of and for the three months ended March 31, 2015, and for the year ended December 31, 2014, reflect the Equity Offerings and the Debt Issuance as described below. The unaudited pro forma condensed combined balance sheet reflects the impact of the Acquisitions (described below) as if they had been completed on March 31, 2015. The unaudited pro forma condensed combined statements of operations give effect to the events and transactions below as if they had been completed on January 1, 2014, and only include adjustments which have an ongoing impact. The Pro Forma Financial Information does not purport to represent what our actual consolidated results of operations or financial position would have been had the events and transactions occurred on the dates assumed, nor is it necessarily indicative of our future financial condition or consolidated results of operations.

Common Stock Offering. We conducted a \$698 million public offering of our common stock on October 14, 2014. In addition, \$47 million of common stock was purchased by the underwriters upon exercise of the Underwriters' Option in November 2014 (together, the "Common Stock Offering").

Mandatory Convertible Preferred Stock Offering. We conducted a \$400 million public offering of our Series A Mandatory Convertible Preferred Stock on October 14, 2014 (the "Mandatory Convertible Preferred Stock" and combined with the Common Stock Offering, the "Equity Offerings"). The proceeds of the Equity Offerings were used to fund a portion of the Duke Midwest Acquisition and a portion of the EquiPower Acquisition (as described below).

Debt Financing. On October 27, 2014, we issued \$5.1 billion in aggregate principal amount of unsecured debt at a weighted average interest rate of 7.18% (the "Debt Issuance" or the "Debt" and, together with the Bridge Financing Agreement, the "Debt Financing"). Approximately \$2 billion of the Debt was issued by Dynegy Finance I, Inc. (the "Duke Escrow Issuer"), the proceeds of which were deposited into an escrow account used to finance a portion of the Duke Midwest Acquisition (as described below). Approximately \$3.1 billion of the Debt was issued by Dynegy Finance II, Inc. (the "EquiPower Escrow Issuer"), the proceeds of which were deposited into an escrow account used to finance a portion of the EquiPower Acquisition. Concurrent with

the closing of each of the Acquisitions (as described below), the Escrow Issuers merged with and into Dynegy, and Dynegy became the obligor on the Debt issued by the each Escrow Issuer.

EquiPower Acquisition. As previously disclosed in our Current Reports on Form 8-K, filed on August 26, 2014 and April 7, 2015, our wholly-owned subsidiaries, Dynegy Resource II, LLC and Dynegy Resource III, LLC each entered into an agreement, dated as of August 21, 2014, as amended (collectively, the "*EquiPower Purchase Agreement*"), with Energy Capital Partners, LP and certain of its subsidiaries and related entities. On April 1, 2015, pursuant to the EquiPower Purchase Agreement, we acquired all of the outstanding membership interests of EquiPower Resources Corp. ("*ERC*") and Brayton Point Holdings, LLC ("*Brayton*") for a purchase price of \$3.35 billion in cash and \$100 million of our common stock, subject to certain adjustments (the "*EquiPower Acquisition*"). The EquiPower Acquisition is treated as a purchase of stock for tax purposes.

Duke Midwest Acquisition. As previously disclosed in our Current Reports on Form 8-K, filed on August 26, 2014 and April 8, 2015, our wholly-owned subsidiary, Dynegy Resource I, LLC, entered into a Purchase and Sale Agreement, dated as of August 21, 2014, as amended (the "*Duke Midwest Purchase Agreement*"), with Duke Energy Corporation ("*Duke*") and certain of Duke's subsidiaries. On April 2, 2015, pursuant to the Duke Midwest Purchase Agreement, we acquired certain of Duke's facilities located in the Midwest and its related retail business for a purchase price of \$2.8 billion in cash, subject to certain adjustments (the "*Duke Midwest Acquisition*" and, together with the EquiPower Acquisition, the "*Acquisitions*"). The Duke Midwest Acquisition is treated as an asset acquisition for tax purposes.

In addition, Dynegy executed revolvers with a consortium of banks (the "*Revolver*") upon the closings of the Acquisitions, which expanded the credit available to us by \$950 million (\$600 million for the Duke Midwest Acquisition and \$350 million for the EquiPower Acquisition).

The unaudited pro forma condensed combined financial data has been prepared using the acquisition method of accounting for business combinations under U.S. GAAP, whereby we are required to record the assets acquired and liabilities assumed in the Acquisitions at their estimated fair values as of the closing date of each Acquisition. We have not yet completed our analysis of the fair value of these assets and liabilities given the complexities inherent in the valuation; therefore, the purchase price allocation used in the preparation of the unaudited pro forma combined financial statements included herein should be considered preliminary. Actual results could vary materially from the Pro Forma Financial Information. In addition, the adjustments related to the Acquisitions do not reflect any of the synergies and cost reductions that may result.

a timely confirmation of a book-entry transfer (a "**book-entry confirmation**") of such Old Notes, if such procedure is available, into the exchange agent's account at DTC pursuant to the procedure for book-entry transfer must be received by the exchange agent, prior to the Expiration Date, with the letter of transmittal or an agent's message *in lieu* of such letter of transmittal.

The term "**agent's message**" means a message, transmitted by DTC to and received by the exchange agent and forming a part of a book-entry confirmation, which states that DTC has received an express acknowledgment from the tendering participant stating that such participant has received and agrees to be bound by the letter of transmittal and that we may enforce such letter of transmittal against such participant.

The method of delivery of Old Notes, letters of transmittal and all other required documents is at your election and risk. If such delivery is by mail, it is recommended that you use registered mail, properly insured, with return receipt requested. In all cases, you should allow sufficient time to assure timely delivery. No letter of transmittal or Old Notes should be sent to us.

Signatures on a letter of transmittal or a notice of withdrawal, as the case may be, must be guaranteed unless the Old Notes surrendered for exchange are tendered:

by a holder of the Old Notes who has not completed the box entitled "*Special Issuance Instructions*" or "*Special Delivery Instructions*" on the letter of transmittal; or

for the account of an eligible institution (as defined below).

In the event that signatures on a letter of transmittal or a notice of withdrawal are required to be guaranteed, such guarantees must be by a firm which is a member of the Securities Transfer Agent Medallion Program, the Stock Exchanges Medallion Program or the New York Stock Exchange Medallion Program (each such entity being hereinafter referred to as an "**eligible institution**"). If Old Notes are registered in the name of a person other than the signer of the letter of transmittal, the Old Notes surrendered for exchange must be endorsed by, or be accompanied, by a written instrument or instruments of transfer or exchange, in satisfactory form as we or the exchange agent determine in our sole discretion, duly executed by the registered holders with the signature thereon guaranteed by an eligible institution.

We, or the exchange agent, in our sole discretion, will make a final and binding determination on all questions as to the validity, form, eligibility (including time of receipt) and acceptance of Old Notes tendered for exchange. We reserve the absolute right to reject any and all tenders of any particular Old Note not validly tendered or to not accept any particular Old Note which acceptance might, in our judgment or our counsel's, be unlawful. We also reserve the absolute right to waive any defects or irregularities or conditions of the Exchange Offers as to any particular Old Note either before or after the Expiration Date (including the right to waive the ineligibility of any holder who seeks to tender Old Notes in the Exchange Offers). Our or the exchange agent's interpretation of the term and conditions of the Exchange Offers as to any particular Old Note either before or after the Expiration Date (including the letter of transmittal and the instructions thereto) will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of Old Notes for exchange must be cured within a reasonable period of time, as we determine. We are not, nor is the exchange agent or any other person, under any duty to notify you of any defect or irregularity with respect to your tender of Old Notes for exchange, and no one will be liable for failing to provide such notification.

If the letter of transmittal is signed by a person or persons other than the registered holder or holders of Old Notes, such Old Notes must be endorsed or accompanied by powers of attorney signed exactly as the name(s) of the registered holder(s) that appear on the Old Notes.

Table of Contents

If the letter of transmittal or any Old Notes or powers of attorney are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing. Unless waived by us or the exchange agent, proper evidence satisfactory to us of their authority to so act must be submitted with the letter of transmittal.

By tendering Old Notes, you represent to us that, among other things, the Exchange Notes acquired pursuant to the Exchange Offers are being obtained in the ordinary course of business of the person receiving such Exchange Notes, whether or not such person is the holder and that neither the holder nor such other person has any arrangement or understanding with any person, to participate in the distribution of the Exchange Notes. In the case of a holder that is not a broker-dealer, that holder, by tendering, will also represent to us that the holder is not engaged in, and does not intend to engage in, a distribution of the Exchange Notes.

However, any purchaser of Old Notes who is our affiliate, who intends to participate in the Exchange Offers for the purpose of distributing the Exchange Notes or a broker-dealer that acquired Old Notes in a transaction other than as part of its trading or market-making activities and who has arranged or has an understanding with any person to participate in the distribution of the Old Notes:

cannot rely on the applicable interpretations of the staff of the SEC; and

must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction.

Each broker-dealer that receives Exchange Notes for its own account in exchange for Old Notes, where such Old Notes were acquired by such broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Notes. See "*Plan of Distribution*." The letter of transmittal states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

Acceptance of Old Notes for Exchange; Delivery of Exchange Notes

Upon satisfaction or waiver of all of the conditions to the Exchange Offers, we will accept, promptly after the Expiration Date, all Old Notes validly tendered and will issue the Exchange Notes promptly after the Expiration Date. See "*Summary Conditions to the Exchange Offers*." For purposes of the Exchange Offers, we will be deemed to have accepted validly tendered Old Notes for exchange if and when we give oral (confirmed in writing) or written notice to the exchange agent.

The holder of each Old Note accepted for exchange will receive an Exchange Note in the amount equal to the surrendered Old Note. Holders of Exchange Notes will receive interest accruing from the most recent date to which interest has been paid on the Old Notes, unless the record date for the first interest payment date after the consummation of the Exchange Offers preceded such date of consummation, in which case the interest payable on such interest payment date will be paid to the holders of the Old Notes.

In all cases, issuance of Exchange Notes for Old Notes that are accepted for exchange will be made only after timely receipt by the exchange agent of:

certificates for Old Notes or a timely book-entry confirmation of such Old Notes into the exchange agent's account at DTC;

a properly completed and duly executed letter of transmittal or an agent's message *in lieu* thereof; and

all other required documents.

Table of Contents

If any tendered Old Notes are not accepted for any reason set forth in the terms and conditions of the Exchange Offers or if Old Notes are submitted for a greater principal amount than the holder desires to exchange, such unaccepted or non-exchanged Old Notes will be returned without expense to the tendering holder (or, in the case of Old Notes tendered by book-entry transfer into the exchange agent's account at DTC pursuant to the book-entry procedures described below, such non-exchanged Old Notes will be credited to an account maintained with DTC promptly after the Expiration Date or termination of the Exchange Offers) promptly after the Expiration Date, as applicable.

Book-Entry Transfers

For purposes of the Exchange Offers, the exchange agent will request that an account be established with respect to the Old Notes at DTC within two business days after the date of this prospectus, unless the exchange agent has already established an account with DTC suitable for the Exchange Offers. Any financial institution that is a participant in DTC may make book-entry delivery of Old Notes by causing DTC to transfer such Old Notes into the exchange agent's account at DTC in accordance with DTC's procedures for transfer. Although delivery of Old Notes may be effected through book-entry transfer at DTC, the letter of transmittal or facsimile thereof or an agent's message *in lieu* thereof, with any required signature guarantees and any other required documents, must, in any case, be transmitted to and received by the exchange agent at the address set forth in the section entitled " *Exchange Agent*" on or prior to the Expiration Date.

Withdrawal Rights

You may validly withdraw your tender of Old Notes at any time prior to the Expiration Date. To be effective, a written notice of withdrawal must be received by the exchange agent at one of the addresses set forth in the section entitled " *Exchange Agent*." This notice must specify:

the name of the person having tendered the Old Notes to be withdrawn;

the Old Notes to be withdrawn (including the principal amount of such Old Notes); and

where certificates for Old Notes have been transmitted, the name in which such Old Notes are registered, if different from that of the withdrawing holder.

If certificates for Old Notes have been delivered or otherwise identified to the exchange agent, then, prior to the release of such certificates, the withdrawing holder must also submit the serial numbers of the particular certificates to be withdrawn and a signed notice of withdrawal with signatures guaranteed by an eligible institution, unless such holder is an eligible institution. If Old Notes have been tendered pursuant to the procedure for book-entry transfer described above, any notice of withdrawal must specify the name and number of the account at DTC to be credited with the withdrawn Old Notes and otherwise comply with the procedures of DTC.

We, or the exchange agent, in our sole discretion, will make a final and binding determination on all questions as to the validity, form and eligibility (including time of receipt) of such notices. Any Old Notes so withdrawn will be deemed not to have been validly tendered for exchange for purposes of the Exchange Offers. Any Old Notes tendered for exchange but not exchanged for any reason will be returned to the holder without cost to such holder promptly after the Expiration Date (or, in the case of Old Notes tendered by book-entry transfer into the exchange agent's account at DTC pursuant to the book-entry transfer procedures described above, such Old Notes will be credited to an account maintained with DTC for the Old Notes as soon as practicable after withdrawal, rejection of tender or termination of the Exchange Offers). Properly withdrawn Old Notes may be retendered by following one of the procedures described in the section entitled " *Procedures for Tendering Old Notes*" above at any time on or prior to the Expiration Date.

Fees and Expenses

We will pay the exchange agent customary fees for its services, reimburse the exchange agent for its reasonable out-of-pocket expenses incurred in connection with the provision of these services and pay other registration expenses, including fees and expenses of the trustee under the Indentures relating to the Exchange Notes, filing fees, blue sky fees and printing and distribution expenses. We will not make any payment to brokers, dealers or others soliciting acceptances of the Exchange Offers.

Additional solicitation may be made by telephone, facsimile or in person by our and our affiliates' officers and regular employees.

Accounting Treatment

We will record the Exchange Notes at the same carrying value as the Old Notes, as reflected in our accounting records on the date of the exchange. Accordingly, we will not recognize any gain or loss for accounting purposes. The expenses of the Exchange Offers will be amortized over the term of the Exchange Notes.

Consequences of Exchanging or Failing to Exchange Old Notes

If you do not exchange your Old Notes for Exchange Notes in the applicable Exchange Offers, your Old Notes will continue to be subject to the provisions of the Indentures relating to the Exchange Notes regarding transfer and exchange of the Old Notes and the restrictions on transfer applicable to the Old Notes. These transfer restrictions are required because the Old Notes were issued under an exemption from, or in transactions not subject to, the registration requirements of the Securities Act and applicable state securities laws. In general, the Old Notes may not be offered or sold unless registered under the Securities Act, except under an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities laws. We do not plan to register the Old Notes under

the Securities Act. Based on interpretations by the staff of the SEC, as set forth in no-action letters issued to third parties, we believe that the Exchange Notes you receive in the Exchange Offers may be offered for resale, resold or otherwise transferred without compliance with the registration and prospectus delivery provisions of the Securities Act. However, you will not be able to freely transfer the Exchange Notes if:

you are our "affiliate," as defined in Rule 405 under the Securities Act;

you are not acquiring the Exchange Notes in the Exchange Offers in the ordinary course of your business; or

you are engaged in or intend to engage in, or have an arrangement or understanding with any person to participate in, the distribution, as defined in the Securities Act, of the Exchange Notes you will receive in the Exchange Offers.

We do not intend to request the SEC to consider, and the SEC has not considered, the Exchange Offers in the context of a similar no-action letter. As a result, we cannot guarantee that the staff of the SEC would make a similar determination with respect to the Exchange Offers as in the circumstances described in the no-action letters discussed above. Each holder, other than a broker-dealer, must acknowledge that it is not engaged in, and does not intend to engage in, a distribution of Exchange Notes and has no arrangement or understanding to participate in a distribution of Exchange Notes. If you are our affiliate, are engaged in or intend to engage in a distribution of the Exchange Notes or have any arrangement or understanding with respect to the distribution of the Exchange Notes you will receive in the Exchange Offers, you may not rely on the applicable interpretations of the staff of the SEC and you must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction involving the Exchange Notes. If you are a participating broker-dealer, you must acknowledge that you will deliver a prospectus in connection with any resale of the Exchange Notes. In addition, to comply with state securities laws, you may not offer or sell the Exchange Notes in any state, unless they have been registered or qualified for sale in that state or an exemption from registration or qualification is available and is complied with. The offer and sale of the Exchange Notes to "qualified institutional buyers" (as defined in Rule 144A of the Securities Act) is generally exempt from registration or qualification under state securities laws. We do not plan to register or qualify the sale of the Exchange Notes in any state where an exemption from registration or qualification is required and not available.

DESCRIPTION OF THE 2019 EXCHANGE NOTES

We issued the 2019 Old Notes and will issue the 2019 Exchange Notes (collectively, the "**2019 Notes**") under an Indenture, dated as of October 27, 2014 (as amended, supplemented or modified from time to time, the "**2019 Notes Indenture**"), among Dynege, as successor in interest to Dynege Finance II, Inc., the Subsidiary Guarantors (as defined herein) and Wilmington Trust, National Association, as trustee (the "**Trustee**"), in a private transaction that was not subject to the registration requirements of the Securities Act. The terms of the 2019 Old Notes include those expressly set forth in the 2019 Notes Indenture and those made part of the 2019 Notes Indenture by reference to the Trust Indenture Act of 1939, as amended (the "**Trust Indenture Act**"). The following description is a summary of the material provisions of the 2019 Notes Indenture. This summary does not restate the 2019 Notes Indenture in its entirety and is subject to and is qualified by reference to all of the provisions of the 2019 Notes Indenture, including the definitions of certain terms used therein. We urge you to read the 2019 Notes Indenture because it, and not this description, defines your rights as a holder of the 2019 Notes.

Certain terms used in this description are defined in the section entitled "*Certain Definitions*." Defined terms used in this description but not defined under "*Certain Definitions*" have the meanings assigned to them in the 2019 Notes Indenture. In this description, the words "Dynege," "the Company," "we" and "our" refer only to Dynege and not to any of its subsidiaries.

The registered holder of a 2019 Note will be treated as the owner of it for all purposes. Only registered holders of 2019 Notes will have rights under the 2019 Notes Indenture. In exchange for the 2019 Old Notes, we will issue the 2019 Exchange Notes under the 2019 Notes Indenture pursuant to this prospectus.

All references to the 2019 Notes below refer to the 2019 Old Notes and the 2019 Exchange Notes, unless the context otherwise requires.

The 2019 Exchange Notes

The 2019 Exchange Notes will:

be general unsecured obligations of Dynege;

rank *pari passu* in right of payment with all of Dynege's existing and future senior indebtedness;

be effectively subordinated to Dynege's secured indebtedness, including indebtedness incurred under the Credit Agreement, to the extent of the value of the collateral securing such indebtedness;

be senior in right of payment to any of Dynege's subordinated indebtedness; and

be unconditionally guaranteed on a joint and several basis by the Subsidiary Guarantors.

In the exchange offer for the 2019 Notes, Dynege will issue up to \$2,100,000,000 in aggregate principal amount of 6.75% Senior Notes due 2019. The 2019 Exchange Notes will be issued in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. Additional 2019 Notes may be issued under the 2019 Notes Indenture from time to time without the consent of the existing holders of the 2019 Notes. Any additional 2019 Notes issued will have the same terms as the 2019 Notes, except for the issue date, issue price and initial interest payment date. The 2019 Notes and any additional 2019 Notes subsequently issued under the 2019 Notes Indenture will be treated as a single class for all purposes under the 2019 Notes Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase. Unless the context otherwise requires, for all purposes of this description, references to "2019 Notes" include any additional 2019 Notes issued.

Table of Contents

Maturity and Interest

The 2019 Notes will mature on November 1, 2019. Interest on the 2019 Notes will accrue at the rate of 6.75% per annum and will be payable semiannually in arrears on May 1 and November 1 of each year, to the holders of record of 2019 Notes at the close of business on April 15 and October 15, respectively, immediately preceding such interest payment date.

Interest on the 2019 Notes will accrue from the applicable date of original issuance or, if interest has already been paid, from the date it was most recently paid. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. All references to "interest" in this description will be deemed to include any Special Interest payable pursuant to the Registration Rights Agreement.

The 2019 Notes Subsidiary Guarantees

The 2019 Notes will be unconditionally guaranteed, jointly and severally, on a senior unsecured basis by each of Dynegy's current and future Wholly-Owned Domestic Subsidiaries that from time to time is a borrower or guarantor under the Credit Agreement. The obligations of each Subsidiary Guarantor under its 2019 Notes Subsidiary Guarantee will be limited as necessary to prevent such 2019 Notes Subsidiary Guarantee from constituting a fraudulent conveyance under applicable law. See "*Risk Factors Risks Related to the Notes A court could cancel the guarantees of the Notes by our subsidiaries under fraudulent transfer law.*"

Each Subsidiary Guarantor's guarantee of the 2019 Exchange Notes will:

be a general unsecured obligation of such Subsidiary Guarantor;

rank *pari passu* in right of payment with all of such Subsidiary Guarantor's existing and future senior indebtedness;

be effectively subordinated to such Subsidiary Guarantor's secured indebtedness, including such Subsidiary Guarantor's guarantee of Dynegy's obligations under the Credit Agreement, to the extent of the value of the collateral securing such indebtedness; and

be senior in right of payment to any of such Subsidiary Guarantor's subordinated indebtedness.

A Subsidiary Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Subsidiary Guarantor is the surviving Person) another Person, other than Dynegy or another Subsidiary Guarantor, unless immediately after giving effect to that transaction, no Default or Event of Default exists.

The 2019 Notes Subsidiary Guarantee of a Subsidiary Guarantor will be released automatically:

- (1) upon the release, discharge or termination of such Subsidiary Guarantor's obligations as a borrower under the Credit Agreement or such Subsidiary Guarantor's guarantee of the Credit Agreement; or
- (2) upon defeasance or satisfaction and discharge of the 2019 Notes as provided below under the captions "*Legal Defeasance and Covenant Defeasance*" and "*Satisfaction and Discharge.*"

As of March 31, 2015, Dynegy and the Subsidiary Guarantors had an aggregate of approximately \$7,211 million of indebtedness, of which \$786 million was secured. Additionally, Dynegy has approximately \$347 million available, net of letters of credit outstanding, for future borrowings under its revolving credit facility.

Not all of Dynegy's subsidiaries will guarantee the 2019 Exchange Notes. The 2019 Exchange Notes will be effectively subordinated in right of payment to all liabilities of any of Dynegy's subsidiaries that does not guarantee the 2019 Exchange Notes, except to the extent that Dynegy is itself recognized as a creditor of the subsidiary, in which case its claims would still be effectively

Table of Contents

subordinated to the extent of any collateral securing such liabilities and would still be subordinated in right of payment to any indebtedness of the subsidiary senior to that held by Dynegy. As of March 31, 2015, the Subsidiary Guarantors held 34% of Dynegy's consolidated total assets. In addition, as of March 31, 2015, total operating revenues of the Subsidiary Guarantors were approximately 66% and 65% of Dynegy's consolidated operating revenues for the year ended December 31, 2014 and the three months ended March 31, 2015. See "*Risk Factors Risks Related to the Notes Your right to receive payments on the Exchange Notes could be adversely affected if any of our non-guarantor subsidiaries declare bankruptcy, liquidate or reorganize.*"

Methods of Receiving Payments on the 2019 Exchange Notes

If a holder of 2019 Exchange Notes has given wire transfer instructions to the Company, the Company will pay or cause to be paid all principal, interest and premium on that holder's 2019 Exchange Notes in accordance with those instructions. All other payments on 2019 Exchange Notes will be made at the office or agency of the paying agent and registrar unless the Company elects to make interest payments by check mailed to the Noteholders at their address set forth in the register of holders.

Paying Agent and Registrar for the 2019 Exchange Notes

The Trustee will initially act as paying agent and registrar. The Company may change the paying agent or registrar without prior notice to the holders of the 2019 Exchange Notes, and the Company or any of its Subsidiaries may act as paying agent or registrar.

Transfer and Exchange

A holder may transfer or exchange 2019 Exchange Notes in accordance with the provisions of the 2019 Notes Indenture. The registrar and the trustee may require a holder, among other things, to furnish appropriate endorsements and transfer documents in connection with a transfer of 2019 Exchange Notes. Holders will be required to pay all taxes due on transfer. The Company is not required to transfer or exchange any 2019 Exchange Note selected for redemption. Also, the Company is not required to transfer or exchange any 2019 Exchange Note for a period of 15 days before a selection of 2019 Exchange Notes to be redeemed.

Optional Redemption

At any time prior to May 1, 2017, Dynegy may on any one or more occasions redeem up to 35% of the aggregate principal amount of the 2019 Notes, upon not less than 30 nor more than 60 days' notice, at a redemption price of 106.75% of the principal amount of the 2019 Notes redeemed, plus accrued and unpaid interest, if any, to but excluding the redemption date (subject to the rights of holders of 2019 Notes on the relevant record date to receive interest due on the relevant interest payment date), with the proceeds of one or more Equity Offerings; *provided that*:

- (1) at least 65% of the aggregate principal amount of the 2019 Notes issued on the Issue Date (excluding 2019 Notes held by Dynegy and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and
- (2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

At any time prior to May 1, 2017, Dynegy may on any one or more occasions redeem all or a part of the 2019 Notes, upon not less than 30 nor more than 60 days' prior notice, at a redemption price equal to 100% of the principal amount of 2019 Notes redeemed, plus the Applicable 2019 Notes Premium as of, and accrued and unpaid interest, if any, to but excluding the redemption date, subject

to the rights of holders of 2019 Notes on the relevant record date to receive interest due on the relevant interest payment date.

Except pursuant to the preceding two paragraphs, the 2019 Notes will not be redeemable at Dynegy's option prior to May 1, 2017. Dynegy is not prohibited, however, from acquiring the 2019 Notes in market transactions by means other than a redemption, whether pursuant to a tender offer or otherwise.

On or after May 1, 2017, Dynegy may on any one or more occasions redeem all or a part of the 2019 Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the 2019 Notes redeemed, to but excluding the applicable redemption date, if redeemed during the 12-month period beginning on May 1 of the years indicated below (subject to the rights of noteholders on the relevant record date to receive interest on the relevant interest payment date):

Year	Percentage
2017	103.375%
2018	101.688%
2019 and thereafter	100.000%

Mandatory Redemption

The Company is not required to make mandatory redemption or sinking fund payments with respect to the 2019 Notes.

Selection and Notice

If less than all of the 2019 Exchange Notes are to be redeemed at any time, the Trustee (or registrar if other than the Trustee) will select the 2019 Exchange Notes for redemption on a pro rata basis to the extent practicable or by lot or such other similar method in accordance with the procedures of DTC, unless otherwise required by law or applicable stock exchange requirements.

No 2019 Exchange Notes of \$2,000 or less can be redeemed in part. Notices of redemption will be mailed by first class mail or delivered electronically at least 30 but not more than 60 days before the redemption date to each holder of 2019 Exchange Notes to be redeemed at its registered address, except that redemption notices may be mailed or delivered electronically more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the 2019 Notes or a satisfaction and discharge of the 2019 Notes Indenture. Any redemption notice may, in the Company's discretion, be subject to the satisfaction of one or more conditions precedent. If such redemption is subject to the satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), such redemption may not occur and such notice may be rescinded in the event that any or all of such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed.

If any 2019 Exchange Note is to be redeemed in part only, the notice of redemption that relates to that 2019 Exchange Note will state the portion of the principal amount of that 2019 Exchange Note that is to be redeemed. A new 2019 Exchange Note in principal amount equal to the unredeemed portion of the original 2019 Exchange Note will be issued in the name of the holder of 2019 Exchange Notes upon cancellation of the original 2019 Exchange Note. 2019 Exchange Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on 2019 Exchange Notes or portions of them called for redemption.

Change of Control

If a Change of Control occurs, each holder of 2019 Exchange Notes will have the right to require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that holder's 2019 Exchange Notes pursuant to a change of control offer (the "**Change of Control Offer**") on the terms set forth in the 2019 Notes Indenture. In the Change of Control Offer, the Company will offer a payment (the "**Change of Control Payment**") in cash equal to 101% of the aggregate principal amount of the 2019 Notes repurchased, plus accrued and unpaid interest, if any, on the 2019 Notes to but excluding the date of purchase, subject to the rights of Noteholders on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Company will mail (or deliver electronically) a notice to each holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase 2019 Exchange Notes on the date for payment specified in the notice (the "**Change of Control Payment Date**"), which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed or delivered, pursuant to the procedures required by the 2019 Notes Indenture and described in such notice. The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the 2019 Exchange Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the 2019 Notes Indenture, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the 2019 Notes Indenture by virtue of such compliance.

On the Change of Control Payment Date, the Company will, to the extent lawful:

- (1) accept for payment all 2019 Exchange Notes or portions of 2019 Exchange Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all 2019 Exchange Notes or portions of 2019 Exchange Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the 2019 Exchange Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of 2019 Exchange Notes or portions of 2019 Exchange Notes being purchased by the Company.

The paying agent will promptly mail to each holder of 2019 Exchange Notes properly tendered the Change of Control Payment for such 2019 Exchange Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each holder a new 2019 Exchange Note equal in principal amount to any unpurchased portion of the 2019 Exchange Notes surrendered, if any; *provided that* each new 2019 Exchange Note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require the Company to make a Change of Control Offer following a Change of Control will be applicable whether or not any other provisions of the 2019 Notes Indenture are applicable. Except as described above with respect to a Change of Control, the 2019 Notes Indenture does not contain provisions that permit the holders of the 2019 Exchange Notes to require that the Company repurchase or redeem the 2019 Exchange Notes in the event of a takeover, recapitalization or similar transaction.

The Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the 2019 Notes Indenture applicable to a Change of Control Offer made by the Company and purchases all 2019 Notes properly tendered and not

withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to the 2019 Notes Indenture as described above under the caption " *Optional Redemption*," unless and until there is a default in payment of the applicable redemption price. A Change in Control Offer may be made in advance of a Change of Control, with the obligation to pay and the timing of payment conditioned upon the occurrence of a Change of Control, if a definitive agreement to effect a Change of Control is in place at the time the Change of Control Offer is made.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of "all or substantially all" of the properties or assets of the Company and its Subsidiaries taken as a whole. There is a limited body of case law interpreting the phrase "substantially all," and there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a holder of 2019 Exchange Notes to require the Company to repurchase its 2019 Exchange Notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of the Company and its Subsidiaries taken as a whole to another Person or group may be uncertain.

Certain Covenants

Liens

The Company will not and will not permit any Subsidiary Guarantor to, create, incur, assume or suffer to exist or become effective any mortgage, pledge or other lien (other than Permitted Liens) upon any Principal Property to secure indebtedness for borrowed money represented by notes, bonds, debentures or other evidences of indebtedness, unless all payments due under the 2019 Notes Indenture and the 2019 Notes issued thereunder are secured on an equal and ratable basis with the obligations so secured until such time as such obligations are no longer secured by a lien.

Merger, Consolidation or Sale of Assets

The Company may not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not the Company is the surviving corporation) or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Company and its Subsidiaries taken as a whole, in one or more related transactions, to another Person; unless:

- (1) either (a) the Company is the surviving corporation or (b) the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state of the United States or the District of Columbia; *provided that* if the Person is a partnership or limited liability company, then a corporation wholly-owned by such Person organized or existing under the laws of the United States, any state of the United States or the District of Columbia that does not and will not have any material assets or operations shall become a co-issuer of the 2019 Notes pursuant to supplemental indentures duly executed by the Trustee;
- (2) the Person formed by or surviving any such consolidation or merger (if other than the Company) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made assumes all the obligations of the Company under the 2019 Notes Indenture, the 2019 Notes and the Registration Rights Agreement pursuant to documents in such form as are reasonably satisfactory to the Trustee; and
- (3) immediately after such transaction, no Default or Event of Default exists.

In addition, the Company may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person.

This "Merger, Consolidation or Sale of Assets" covenant will not apply to:

- (1) a merger of the Company with an Affiliate solely for the purpose of reincorporating the Company in another jurisdiction or forming a direct holding company of the Company; and
- (2) any sale, transfer, assignment, conveyance, lease or other disposition of assets between or among the Company and its Subsidiaries, including by way of merger or consolidation.

Additional 2019 Notes Subsidiary Guarantees

After the consummation of the Duke Midwest Assets Acquisition (as defined in the 2019 Notes Indenture) or the EquiPower Acquisition (as defined in the 2019 Notes Indenture), as applicable, if any Wholly-Owned Domestic Subsidiary of Dynegy other than a Subsidiary Guarantor becomes a borrower under the Credit Agreement or guarantees any indebtedness under the Credit Agreement, within 30 days thereof Dynegy shall cause such Wholly-Owned Domestic Subsidiary to execute and deliver to the Trustee a supplemental indenture pursuant to which such Subsidiary will guarantee payment of the 2019 Notes on the same terms and conditions as those applicable to the Subsidiary Guarantors under the 2019 Notes Indenture and will deliver to the trustee an opinion of counsel that such supplemental indenture has been duly authorized, executed and delivered and constitute a legally valid and enforceable obligation (subject to customary qualifications and exceptions). Thereafter, such Wholly-Owned Domestic Subsidiary will be a Subsidiary Guarantor with respect to the 2019 Notes until such Wholly-Owned Domestic Subsidiary's 2019 Notes Subsidiary Guarantee with respect to the 2019 Notes is released in accordance with the 2019 Notes Indenture.

Reports

Whether or not required by the SEC's rules and regulations, so long as any 2019 Notes are outstanding, the Company will furnish to the Trustee, within the time periods (including any extensions thereof) specified in the SEC's rules and regulations:

- (1) all quarterly and annual reports of Dynegy that would be required to be filed with the SEC on Forms 10-Q and 10-K if Dynegy were required to file such reports; and
- (2) all current reports of Dynegy that would be required to be filed with the SEC on Form 8-K if Dynegy were required to file such reports.

All such reports will be prepared in all material respects in accordance with all of the rules and regulations applicable to such reports. Each annual report on Form 10-K will include a report on Dynegy's consolidated financial statements by Dynegy's independent registered public accounting firm. In addition, after the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable, the Company will file (or will cause to be filed) a copy of each of the reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC will not accept such a filing). To the extent such filings are made with the SEC, the reports will be deemed to have been furnished to the Trustee and holders of 2019 Notes. The Company agrees that it will not take any action for the purpose of causing the SEC not to accept any such filings.

If, notwithstanding the foregoing, the SEC will not accept Dynegy's filings for any reason, the Company will (i) post (or cause to be posted) the reports referred to in the first paragraph of this covenant on Dynegy's website with no password protection within the time periods that would apply if Dynegy were required to file those reports with the SEC, (ii) not later than ten business days after the time Dynegy posts its quarterly and annual reports on its website, hold (or cause to be held) a quarterly conference call to discuss the information contained in such reports and (iii) no fewer than two business days prior to the date of the conference call required to be held in accordance with clause (ii) above, issue (or cause to be issued) a press release to appropriate U.S. wire services

announcing the time and date of such conference call and either including all information necessary to access the call or directing the holders or beneficial owners of, and prospective investors in, the 2019 Notes and securities analysts and market makers to contact an individual at Dynege (for whom contact information shall be provided in such press release) to obtain the information on how to access such conference call.

In addition, the Company agrees that, for so long as any 2019 Notes remain outstanding, at any time it is not required to file the reports required by the preceding paragraphs with the SEC, it will furnish to the holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Events of Default and Remedies

Each of the following is an "**Event of Default**":

- (1) default for 30 days in the payment when due of interest on the 2019 Notes;
- (2) default in payment when due of the principal of, or premium, if any, on the 2019 Notes;
- (3) failure by the Company or a Subsidiary Guarantor to comply with any covenant in the 2019 Notes Indenture (other than a default specified in clause (1) or (2) above) for 60 days after written notice by the Trustee or holders of at least 25% in principal amount of the 2019 Notes;
- (4) default under any document evidencing any indebtedness for borrowed money by the Company (or Dynege prior to the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable) or any Subsidiary Guarantor, whether such indebtedness now exists or is created after the Issue Date, if that default:
 - (a) is caused by a failure to pay principal when due at final (and not any interim) maturity on or prior to the expiration of any grace period provided in such indebtedness (a "**Payment Default**"); or
 - (b) results in the acceleration of such indebtedness prior to its express maturity (without such acceleration having been rescinded, annulled or otherwise cured),

and, in each case, the principal amount of any such indebtedness, together with the principal amount of any other such indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated (without such acceleration having been rescinded, annulled or otherwise cured), aggregates \$100.0 million or more; *provided that* this clause (4) shall not apply to (i) secured indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such indebtedness and (ii) any indebtedness that is required to be converted into Qualifying Equity Interests upon the occurrence of certain designated events so long as no payments in cash or otherwise are required to be made in accordance with such conversion);

- (5) except as permitted by the 2019 Notes Indenture, any 2019 Notes Subsidiary Guarantees of any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary shall be held in any final and non-appealable judicial proceeding to be unenforceable or invalid or shall cease for any reason (other than in accordance with its terms) to be in full force and effect or any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary, or any Person acting on behalf of any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary, shall deny or disaffirm in writing its or their obligations under its or their 2019 Notes Subsidiary Guarantees; and

In the case of an Event of Default pursuant to clause (6) of the previous paragraph, the 2019 Notes that are outstanding will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the holders of at least 25% in principal amount of the 2019 Notes that are outstanding may declare all the 2019 Notes to be due and payable immediately.

Subject to certain limitations, holders of a majority in principal amount of the 2019 Notes that are then outstanding may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from holders of the 2019 Notes notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal or interest.

In case an Event of Default occurs and is continuing under the 2019 Notes Indenture, the Trustee will be under no obligation to exercise any of the rights or powers under such Indenture at the request or direction of any holders of the 2019 Notes unless such holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no holder of a 2019 Note may pursue any remedy with respect to the 2019 Notes Indenture unless:

(1)

such holder has previously given the Trustee notice that an Event of Default is continuing;

(2)

holders of at least 25% in aggregate principal amount of the 2019 Notes that are then outstanding have requested the Trustee to pursue the remedy;

(3)

such holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;

(4)

the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and

(5)

holders of a majority in aggregate principal amount of the 2019 Notes that are then outstanding have not given the Trustee a direction inconsistent with such request within such 60-day period.

Table of Contents

The holders of a majority in aggregate principal amount of the 2019 Notes then outstanding by notice to the Trustee may, on behalf of the holders of the 2019 Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the 2019 Notes Indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, the 2019 Notes.

The Company is required to deliver to the Trustee annually a statement regarding compliance with the 2019 Notes Indenture. Upon becoming aware of any Default or Event of Default, Dynegy is required to deliver to the Trustee a statement specifying such Default or Event of Default.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator or stockholder of the Company or any Subsidiary Guarantor, as such, will have any liability for any obligations of the Company or the Subsidiary Guarantors under the 2019 Notes, the 2019 Notes Indenture or the 2019 Notes Subsidiary Guarantees, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of 2019 Notes by accepting a 2019 Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the 2019 Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Legal Defeasance and Covenant Defeasance

The Company may, at its option and at any time, elect to have all of its obligations discharged with respect to the 2019 Notes that are outstanding and all obligations of the Subsidiary Guarantors of such 2019 Notes discharged with respect to their 2019 Notes Subsidiary Guarantees ("**Legal Defeasance**") except for:

- (1) the rights of holders of the 2019 Notes that are then outstanding to receive payments in respect of the principal of, or interest or premium on such 2019 Notes when such payments are due from the trust referred to below;
- (2) the Company's obligations with respect to the 2019 Notes concerning issuing temporary 2019 Notes, registration of 2019 Notes, mutilated, destroyed, lost or stolen 2019 Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's and the Subsidiary Guarantors' obligations in connection therewith; and
- (4) the Legal Defeasance provisions of the 2019 Notes Indenture.

In addition, the Company may, at its option and at any time, elect to have the obligations of the Company and the Subsidiary Guarantors released with respect to certain covenants (including the Company's obligation to make Change of Control Offers) that are described in the 2019 Notes Indenture ("**Covenant Defeasance**") and thereafter any omission to comply with those covenants will not constitute a Default or Event of Default with respect to the 2019 Notes. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described in the section entitled "*Events of Default and Remedies*" will no longer constitute an Event of Default with respect to the 2019 Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance:

- (1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the holders of the 2019 Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of

independent public accountants to pay the principal of, or interest and premium on the 2019 Notes that are then outstanding on the Stated Maturity or on the applicable redemption date, as the case may be, and the Company must specify whether such 2019 Notes are being defeased to maturity or to a particular redemption date;

- (2) in the case of Legal Defeasance, the Company has delivered to the Trustee an opinion of counsel reasonably acceptable to the Trustee confirming that (a) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the holders of the 2019 Notes that are then outstanding will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;
- (3) in the case of Covenant Defeasance, the Company has delivered to the Trustee an opinion of counsel reasonably acceptable to the Trustee confirming that the holders of the 2019 Notes that are then outstanding will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
- (4) no Default or Event of Default with respect to the 2019 Notes has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit);
- (5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than the 2019 Notes Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;
- (6) the Company must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Company with the intent of preferring the holders of the 2019 Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding creditors of the Company or others; and
- (7) the Company must deliver to the Trustee an Officer's Certificate and an opinion of counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the 2019 Notes Indenture, the 2019 Notes and the 2019 Notes Subsidiary Guarantees may be amended or supplemented with the consent of the holders of a majority in principal amount of the 2019 Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the 2019 Notes), and any existing default or compliance with any provision of the 2019 Notes Indenture, the 2019 Notes or the 2019 Notes Subsidiary Guarantees may be waived with the consent of the holders of a majority in principal amount of the 2019 Notes that are then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the 2019 Notes).

Without the consent of each holder of the 2019 Notes, an amendment or waiver may not (with respect to the 2019 Notes held by a non-consenting holder):

- (1) reduce the principal amount of the 2019 Notes whose holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of the 2019 Notes or alter the provisions with respect to the redemption of the 2019 Notes (other than provisions relating to the covenant described above in the section entitled " *Change of Control*" and provisions relating to the number of days of notice to be given in the event of a redemption);
- (3) reduce the rate of or change the time for payment of interest on the 2019 Note;
- (4) waive a Default or Event of Default in the payment of principal of, or interest or premium on the 2019 Notes (except a rescission of acceleration of the 2019 Notes by the holders of a majority in aggregate principal amount of the 2019 Notes and a waiver of the payment default that resulted from such acceleration);
- (5) make any such 2019 Note payable in currency other than that stated in the 2019 Notes;
- (6) make any change in the provisions of the 2019 Notes Indenture relating to waivers of past Defaults or the rights of holders of the 2019 Notes to receive payments of principal of, or interest or premium on the 2019 Notes;
- (7) waive a redemption payment with respect to any 2019 Note (other than a payment required by the covenant described above in the section entitled " *Change of Control*"); or
- (8) make any change in the preceding amendment and waiver provisions.

Notwithstanding the preceding, without the consent of any holder of the 2019 Notes, the Company, the Subsidiary Guarantors and the Trustee may amend or supplement the 2019 Notes Indenture, the 2019 Notes and the 2019 Notes Subsidiary Guarantees:

- (1) to cure any ambiguity, defect or inconsistency;
- (2) to provide for the uncertificated 2019 Notes in addition to or in place of the certificated 2019 Notes;
- (3) to provide for the assumption of the Company's or a Subsidiary Guarantor's obligations to holders of the 2019 Notes in the case of a merger or consolidation or sale of all or substantially all of the Company's or such Subsidiary Guarantor's assets;
- (4) to make any change that would provide any additional rights or benefits to the holders of the 2019 Notes or that does not adversely affect the legal rights under the 2019 Notes Indenture of any such holder;
- (5) to comply with requirements of the SEC in order to effect or maintain the qualification of the 2019 Notes Indenture under the Trust Indenture Act;
- (6) to conform the text of the 2019 Notes Indenture or the 2019 Notes to any provision of the "Description of the Notes" section of the confidential offering memorandum of Dynegey, dated October 10, 2014, relating to the initial offering of the 2019 Old Notes to the extent that such provision in that "Description of the Notes" was intended to be a verbatim or substantially verbatim recitation of a provision of the 2019 Notes Indenture, the 2019 Notes or the 2019 Notes Subsidiary Guarantees;

(7)

to evidence and provide for the acceptance and appointment under the 2019 Notes Indenture of a successor trustee pursuant to the requirements thereof;

- (8) to provide for the issuance of additional 2019 Notes in accordance with the limitations set forth in the 2019 Notes Indenture; or
- (9) to allow any Subsidiary Guarantor to execute a supplemental indenture and/or a 2019 Notes Subsidiary Guarantee with respect to the 2019 Notes.

Satisfaction and Discharge

The 2019 Notes Indenture will be discharged and will cease to be of further effect as to the 2019 Notes issued thereunder, when:

- (1) either:
 - (a) all 2019 Notes that have been authenticated, except lost, stolen or destroyed 2019 Notes that have been replaced or paid and 2019 Notes for whose payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or
 - (b) all 2019 Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Company or any Subsidiary Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the holders of 2019 Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the 2019 Notes not delivered to the Trustee for cancellation for principal, premium and accrued interest to the date of maturity or redemption;
- (2) no Default or Event of Default under the 2019 Notes Indenture has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound;
- (3) the Company or any Subsidiary Guarantor has paid or caused to be paid all sums payable by it under the 2019 Notes Indenture; and
- (4) the Company has delivered irrevocable written instructions to the Trustee under the 2019 Notes Indenture to apply the deposited money toward the payment of the 2019 Notes at maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officer's Certificate and an opinion of counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee

If the Trustee becomes a creditor of the Company or any Subsidiary Guarantor, the 2019 Notes Indenture limits its right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; *however*, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue (if the 2019 Notes Indenture has been qualified under the Trust Indenture Act) or resign.

Table of Contents

The holders of a majority in principal amount of the 2019 Notes that are outstanding will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, subject to certain exceptions. The 2019 Notes Indenture provides that, in case an Event of Default occurs and is continuing, the Trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the 2019 Notes Indenture at the request of any holder of 2019 Notes, unless such holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

DESCRIPTION OF THE 2022 EXCHANGE NOTES

We issued the 2022 Old Notes and will issue the 2022 Exchange Notes (collectively, the "**2022 Notes**") under an Indenture, dated as of October 27, 2014 (as amended, supplemented or modified from time to time, the "**2022 Notes Indenture**"), among Dynegy, as successor in interest to Dynegy Finance II, Inc., the Subsidiary Guarantors (as defined herein) and Wilmington Trust, National Association, as trustee (the "**Trustee**"), in a private transaction that was not subject to the registration requirements of the Securities Act. The terms of the 2022 Old Notes include those expressly set forth in the 2022 Notes Indenture and those made part of the 2022 Notes Indenture by reference to the Trust Indenture Act of 1939, as amended (the "**Trust Indenture Act**"). The following description is a summary of the material provisions of the 2022 Notes Indenture. This summary does not restate the 2022 Notes Indenture in its entirety and is subject to and is qualified by reference to all of the provisions of the 2022 Notes Indenture, including the definitions of certain terms used therein. We urge you to read the 2022 Notes Indenture because it, and not this description, defines your rights as a holder of the 2022 Notes.

Certain terms used in this description are defined in the section entitled "*Certain Definitions*." Defined terms used in this description but not defined under "*Certain Definitions*" have the meanings assigned to them in the 2022 Notes Indenture. In this description, the words "Dynegy," "the Company," "we" and "our" refer only to Dynegy and not to any of its subsidiaries.

The registered holder of a 2022 Note will be treated as the owner of it for all purposes. Only registered holders of 2022 Notes will have rights under the 2022 Notes Indenture. In exchange for the 2022 Old Notes, we will issue the 2022 Exchange Notes under the 2022 Notes Indenture pursuant to this prospectus.

All references to the 2022 Notes below refer to the 2022 Old Notes and the 2022 Exchange Notes, unless the context otherwise requires.

The 2022 Exchange Notes

The 2022 Exchange Notes will:

be general unsecured obligations of Dynegy;

rank *pari passu* in right of payment with all of Dynegy's existing and future senior indebtedness;

be effectively subordinated to Dynegy's secured indebtedness, including indebtedness incurred under the Credit Agreement, to the extent of the value of the collateral securing such indebtedness;

be senior in right of payment to any of Dynegy's subordinated indebtedness; and

be unconditionally guaranteed on a joint and several basis by the Subsidiary Guarantors.

In the exchange offer for the 2022 Notes, Dynegy will issue up to \$1,750,000,000 in aggregate principal amount of 7.375% Senior Notes due 2022. The 2022 Exchange Notes will be issued in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. Additional 2022 Notes may be issued under the 2022 Notes Indenture from time to time without the consent of the existing holders of the 2022 Notes. Any additional 2022 Notes issued will have the same terms as the 2022 Notes, except for the issue date, issue price and initial interest payment date. The 2022 Notes and any additional 2022 Notes subsequently issued under the 2022 Notes Indenture will be treated as a single class for all purposes under the 2022 Notes Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase. Unless the context otherwise requires, for all purposes of this description, references to "2022 Notes" include any additional 2022 Notes issued.

Maturity and Interest

The 2022 Notes will mature on November 1, 2022. Interest on the 2022 Notes will accrue at the rate of 7.375% per annum and will be payable semiannually in arrears on May 1 and November 1 of each year, to the holders of record of 2022 Notes at the close of business on April 15 and October 15, respectively, immediately preceding such interest payment date.

Interest on the 2022 Notes will accrue from the applicable date of original issuance or, if interest has already been paid, from the date it was most recently paid. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. All references to "interest" in this description will be deemed to include any Special Interest payable pursuant to the Registration Rights Agreement.

The 2022 Notes Subsidiary Guarantees

The 2022 Notes will be unconditionally guaranteed, jointly and severally, on a senior unsecured basis by each of Dynegy's current and future Wholly-Owned Domestic Subsidiaries that from time to time is a borrower or guarantor under the Credit Agreement. The obligations of each Subsidiary Guarantor under its 2022 Notes Subsidiary Guarantee will be limited as necessary to prevent such 2022 Notes Subsidiary Guarantee from constituting a fraudulent conveyance under applicable law. See "*Risk Factors Risks Related to the Notes A court could cancel the guarantees of the Notes by our subsidiaries under fraudulent transfer law.*"

Each Subsidiary Guarantor's guarantee of the 2022 Exchange Notes will:

be a general unsecured obligation of such Subsidiary Guarantor;

rank *pari passu* in right of payment with all of such Subsidiary Guarantor's existing and future senior indebtedness;

be effectively subordinated to such Subsidiary Guarantor's secured indebtedness, including such Subsidiary Guarantor's guarantee of Dynegy's obligations under the Credit Agreement, to the extent of the value of the collateral securing such indebtedness; and

be senior in right of payment to any of such Subsidiary Guarantor's subordinated indebtedness.

A Subsidiary Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Subsidiary Guarantor is the surviving Person) another Person, other than Dynegy or another Subsidiary Guarantor, unless immediately after giving effect to that transaction, no Default or Event of Default exists.

The 2022 Notes Subsidiary Guarantee of a Subsidiary Guarantor will be released automatically:

- (1) upon the release, discharge or termination of such Subsidiary Guarantor's obligations as a borrower under the Credit Agreement or such Subsidiary Guarantor's guarantee of the Credit Agreement; or
- (2) upon defeasance or satisfaction and discharge of the 2022 Notes as provided below under the captions "*Legal Defeasance and Covenant Defeasance*" and "*Satisfaction and Discharge.*"

Additionally, Dynegy has approximately \$347 million available, net of letters of credit outstanding, for future borrowings under its revolving credit facility.

Not all of Dynegy's subsidiaries will guarantee the 2022 Exchange Notes. The 2022 Exchange Notes will be effectively subordinated in right of payment to all liabilities of any of Dynegy's subsidiaries that does not guarantee the 2022 Exchange Notes, except to the extent that Dynegy is itself recognized as a creditor of the subsidiary, in which case its claims would still be effectively

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the 2022 Exchange Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the 2022 Notes Indenture, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the 2022 Notes Indenture by virtue of such compliance.

On the Change of Control Payment Date, the Company will, to the extent lawful:

- (1) accept for payment all 2022 Exchange Notes or portions of 2022 Exchange Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all 2022 Exchange Notes or portions of 2022 Exchange Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the 2022 Exchange Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of 2022 Exchange Notes or portions of 2022 Exchange Notes being purchased by the Company.

The paying agent will promptly mail to each holder of 2022 Exchange Notes properly tendered the Change of Control Payment for such 2022 Exchange Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each holder a new 2022 Exchange Note equal in principal amount to any unpurchased portion of the 2022 Exchange Notes surrendered, if any; *provided that* each new 2022 Exchange Note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require the Company to make a Change of Control Offer following a Change of Control will be applicable whether or not any other provisions of the 2022 Notes Indenture are applicable. Except as described above with respect to a Change of Control, the 2022 Notes Indenture does not contain provisions that permit the holders of the 2022 Exchange Notes to require that the Company repurchase or redeem the 2022 Exchange Notes in the event of a takeover, recapitalization or similar transaction.

The Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the 2022 Notes Indenture applicable to a Change of Control Offer made by the Company and purchases all 2022 Notes properly tendered and not

withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to the 2022 Notes Indenture as described above under the caption " *Optional Redemption*," unless and until there is a default in payment of the applicable redemption price. A Change in Control Offer may be made in advance of a Change of Control, with the obligation to pay and the timing of payment conditioned upon the occurrence of a Change of Control, if a definitive agreement to effect a Change of Control is in place at the time the Change of Control Offer is made.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of "all or substantially all" of the properties or assets of the Company and its Subsidiaries taken as a whole. There is a limited body of case law interpreting the phrase "substantially all," and there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a holder of 2022 Exchange Notes to require the Company to repurchase its 2022 Exchange Notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of the Company and its Subsidiaries taken as a whole to another Person or group may be uncertain.

Certain Covenants

Liens

The Company will not and will not permit any Subsidiary Guarantor to, create, incur, assume or suffer to exist or become effective any mortgage, pledge or other lien (other than Permitted Liens) upon any Principal Property to secure indebtedness for borrowed money represented by notes, bonds, debentures or other evidences of indebtedness, unless all payments due under the 2022 Notes Indenture and the 2022 Notes issued thereunder are secured on an equal and ratable basis with the obligations so secured until such time as such obligations are no longer secured by a lien.

Merger, Consolidation or Sale of Assets

The Company may not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not the Company is the surviving corporation) or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Company and its Subsidiaries taken as a whole, in one or more related transactions, to another Person; unless:

- (1) either (a) the Company is the surviving corporation or (b) the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state of the United States or the District of Columbia; *provided that* if the Person is a partnership or limited liability company, then a corporation wholly-owned by such Person organized or existing under the laws of the United States, any state of the United States or the District of Columbia that does not and will not have any material assets or operations shall become a co-issuer of the 2022 Notes pursuant to supplemental indentures duly executed by the Trustee;
- (2) the Person formed by or surviving any such consolidation or merger (if other than the Company) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made assumes all the obligations of the Company under the 2022 Notes Indenture, the 2022 Notes and the Registration Rights Agreement pursuant to documents in such form as are reasonably satisfactory to the Trustee; and
- (3) immediately after such transaction, no Default or Event of Default exists.

In addition, the Company may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person.

This "Merger, Consolidation or Sale of Assets" covenant will not apply to:

- (1) a merger of the Company with an Affiliate solely for the purpose of reincorporating the Company in another jurisdiction or forming a direct holding company of the Company; and
- (2) any sale, transfer, assignment, conveyance, lease or other disposition of assets between or among the Company and its Subsidiaries, including by way of merger or consolidation.

Additional 2022 Notes Subsidiary Guarantees

After the consummation of the Duke Midwest Assets Acquisition (as defined in the 2022 Notes Indenture) or the EquiPower Acquisition (as defined in the 2022 Notes Indenture), as applicable, if any Wholly-Owned Domestic Subsidiary of Dynegy other than a Subsidiary Guarantor becomes a borrower under the Credit Agreement or guarantees any indebtedness under the Credit Agreement, within 30 days thereof Dynegy shall cause such Wholly-Owned Domestic Subsidiary to execute and deliver to the Trustee a supplemental indenture pursuant to which such Subsidiary will guarantee payment of the 2022 Notes on the same terms and conditions as those applicable to the Subsidiary Guarantors under the 2022 Notes Indenture and will deliver to the trustee an opinion of counsel that such supplemental indenture has been duly authorized, executed and delivered and constitute a legally valid and enforceable obligation (subject to customary qualifications and exceptions). Thereafter, such Wholly-Owned Domestic Subsidiary will be a Subsidiary Guarantor with respect to the 2022 Notes until such Wholly-Owned Domestic Subsidiary's 2022 Notes Subsidiary Guarantee with respect to the 2022 Notes is released in accordance with the 2022 Notes Indenture.

Reports

Whether or not required by the SEC's rules and regulations, so long as any 2022 Notes are outstanding, the Company will furnish to the Trustee, within the time periods (including any extensions thereof) specified in the SEC's rules and regulations:

- (1) all quarterly and annual reports of Dynegy that would be required to be filed with the SEC on Forms 10-Q and 10-K if Dynegy were required to file such reports; and
- (2) all current reports of Dynegy that would be required to be filed with the SEC on Form 8-K if Dynegy were required to file such reports.

All such reports will be prepared in all material respects in accordance with all of the rules and regulations applicable to such reports. Each annual report on Form 10-K will include a report on Dynegy's consolidated financial statements by Dynegy's independent registered public accounting firm. In addition, after the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable, the Company will file (or will cause to be filed) a copy of each of the reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC will not accept such a filing). To the extent such filings are made with the SEC, the reports will be deemed to have been furnished to the Trustee and holders of 2022 Notes. The Company agrees that it will not take any action for the purpose of causing the SEC not to accept any such filings.

If, notwithstanding the foregoing, the SEC will not accept Dynegy's filings for any reason, the Company will (i) post (or cause to be posted) the reports referred to in the first paragraph of this covenant on Dynegy's website with no password protection within the time periods that would apply if Dynegy were required to file those reports with the SEC, (ii) not later than ten business days after the time Dynegy posts its quarterly and annual reports on its website, hold (or cause to be held) a quarterly conference call to discuss the information contained in such reports and (iii) no fewer than two business days prior to the date of the conference call required to be held in accordance with clause (ii) above, issue (or cause to be issued) a press release to appropriate U.S. wire services

announcing the time and date of such conference call and either including all information necessary to access the call or directing the holders or beneficial owners of, and prospective investors in, the 2022 Notes and securities analysts and market makers to contact an individual at Dynegy (for whom contact information shall be provided in such press release) to obtain the information on how to access such conference call.

In addition, the Company agrees that, for so long as any 2022 Notes remain outstanding, at any time it is not required to file the reports required by the preceding paragraphs with the SEC, it will furnish to the holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Events of Default and Remedies

Each of the following is an "**Event of Default**":

- (1) default for 30 days in the payment when due of interest on the 2022 Notes;
- (2) default in payment when due of the principal of, or premium, if any, on the 2022 Notes;
- (3) failure by the Company or a Subsidiary Guarantor to comply with any covenant in the 2022 Notes Indenture (other than a default specified in clause (1) or (2) above) for 60 days after written notice by the Trustee or holders of at least 25% in principal amount of the 2022 Notes;
- (4) default under any document evidencing any indebtedness for borrowed money by the Company (or Dynegy prior to the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable) or any Subsidiary Guarantor, whether such indebtedness now exists or is created after the Issue Date, if that default:
 - (a) is caused by a failure to pay principal when due at final (and not any interim) maturity on or prior to the expiration of any grace period provided in such indebtedness (a "**Payment Default**"); or
 - (b) results in the acceleration of such indebtedness prior to its express maturity (without such acceleration having been rescinded, annulled or otherwise cured),

and, in each case, the principal amount of any such indebtedness, together with the principal amount of any other such indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated (without such acceleration having been rescinded, annulled or otherwise cured), aggregates \$100.0 million or more; *provided that* this clause (4) shall not apply to (i) secured indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such indebtedness and (ii) any indebtedness that is required to be converted into Qualifying Equity Interests upon the occurrence of certain designated events so long as no payments in cash or otherwise are required to be made in accordance with such conversion);

- (5) except as permitted by the 2022 Notes Indenture, any 2022 Notes Subsidiary Guarantees of any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary shall be held in any final and non-appealable judicial proceeding to be unenforceable or invalid or shall cease for any reason (other than in accordance with its terms) to be in full force and effect or any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary, or any Person acting on behalf of any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary, shall deny or disaffirm in writing its or their obligations under its or their 2022 Notes Subsidiary Guarantees; and

(a) a court of competent jurisdiction (i) enters an order or decree under any Bankruptcy Law that is for relief against the Company (or Dynegy prior to the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable), any Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary in an involuntary case; (ii) appoints a custodian for all or substantially all of the property of the Company (or Dynegy prior to the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable), any Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary; or (iii) orders the liquidation of the Company (or Dynegy prior to the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable), any Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary and, in each of clauses (i), (ii) or (iii), the order, appointment or decree remains unstayed and in effect for at least 60 consecutive days; or (b) the Company (or Dynegy prior to the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable), any Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary, pursuant to or within the meaning of Bankruptcy Law (i) commences a voluntary case; (ii) consents to the entry of an order for relief against it in an involuntary case; (iii) consents to the appointment of a custodian of it or for all or substantially all of its property; or (iv) makes a general assignment for the benefit of its creditors.

In the case of an Event of Default pursuant to clause (6) of the previous paragraph, the 2022 Notes that are outstanding will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the holders of at least 25% in principal amount of the 2022 Notes that are outstanding may declare all the 2022 Notes to be due and payable immediately.

Subject to certain limitations, holders of a majority in principal amount of the 2022 Notes that are then outstanding may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from holders of the 2022 Notes notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal or interest.

In case an Event of Default occurs and is continuing under the 2022 Notes Indenture, the Trustee will be under no obligation to exercise any of the rights or powers under such Indenture at the request or direction of any holders of the 2022 Notes unless such holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no holder of a 2022 Note may pursue any remedy with respect to the 2022 Notes Indenture unless:

(1)

such holder has previously given the Trustee notice that an Event of Default is continuing;

(2)

holders of at least 25% in aggregate principal amount of the 2022 Notes that are then outstanding have requested the Trustee to pursue the remedy;

(3)

such holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;

(4)

the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and

(5)

holders of a majority in aggregate principal amount of the 2022 Notes that are then outstanding have not given the Trustee a direction inconsistent with such request within such 60-day period.

Table of Contents

The holders of a majority in aggregate principal amount of the 2022 Notes then outstanding by notice to the Trustee may, on behalf of the holders of the 2022 Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the 2022 Notes Indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, the 2022 Notes.

The Company is required to deliver to the Trustee annually a statement regarding compliance with the 2022 Notes Indenture. Upon becoming aware of any Default or Event of Default, Dynegy is required to deliver to the Trustee a statement specifying such Default or Event of Default.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator or stockholder of the Company or any Subsidiary Guarantor, as such, will have any liability for any obligations of the Company or the Subsidiary Guarantors under the 2022 Notes, the 2022 Notes Indenture or the 2022 Notes Subsidiary Guarantees, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of 2022 Notes by accepting a 2022 Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the 2022 Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Legal Defeasance and Covenant Defeasance

The Company may, at its option and at any time, elect to have all of its obligations discharged with respect to the 2022 Notes that are outstanding and all obligations of the Subsidiary Guarantors of such 2022 Notes discharged with respect to their 2022 Notes Subsidiary Guarantees ("**Legal Defeasance**") except for:

- (1) the rights of holders of the 2022 Notes that are then outstanding to receive payments in respect of the principal of, or interest or premium on such 2022 Notes when such payments are due from the trust referred to below;
- (2) the Company's obligations with respect to the 2022 Notes concerning issuing temporary 2022 Notes, registration of 2022 Notes, mutilated, destroyed, lost or stolen 2022 Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's and the Subsidiary Guarantors' obligations in connection therewith; and
- (4) the Legal Defeasance provisions of the 2022 Notes Indenture.

In addition, the Company may, at its option and at any time, elect to have the obligations of the Company and the Subsidiary Guarantors released with respect to certain covenants (including the Company's obligation to make Change of Control Offers) that are described in the 2022 Notes Indenture ("**Covenant Defeasance**") and thereafter any omission to comply with those covenants will not constitute a Default or Event of Default with respect to the 2022 Notes. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described in the section entitled "*Events of Default and Remedies*" will no longer constitute an Event of Default with respect to the 2022 Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance:

- (1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the holders of the 2022 Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of

independent public accountants to pay the principal of, or interest and premium on the 2022 Notes that are then outstanding on the Stated Maturity or on the applicable redemption date, as the case may be, and the Company must specify whether such 2022 Notes are being defeased to maturity or to a particular redemption date;

- (2) in the case of Legal Defeasance, the Company has delivered to the Trustee an opinion of counsel reasonably acceptable to the Trustee confirming that (a) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the holders of the 2022 Notes that are then outstanding will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;
- (3) in the case of Covenant Defeasance, the Company has delivered to the Trustee an opinion of counsel reasonably acceptable to the Trustee confirming that the holders of the 2022 Notes that are then outstanding will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
- (4) no Default or Event of Default with respect to the 2022 Notes has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit);
- (5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than the 2022 Notes Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;
- (6) the Company must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Company with the intent of preferring the holders of the 2022 Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding creditors of the Company or others; and
- (7) the Company must deliver to the Trustee an Officer's Certificate and an opinion of counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the 2022 Notes Indenture, the 2022 Notes and the 2022 Notes Subsidiary Guarantees may be amended or supplemented with the consent of the holders of a majority in principal amount of the 2022 Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the 2022 Notes), and any existing default or compliance with any provision of the 2022 Notes Indenture, the 2022 Notes or the 2022 Notes Subsidiary Guarantees may be waived with the consent of the holders of a majority in principal amount of the 2022 Notes that are then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the 2022 Notes).

Without the consent of each holder of the 2022 Notes, an amendment or waiver may not (with respect to the 2022 Notes held by a non-consenting holder):

- (1) reduce the principal amount of the 2022 Notes whose holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of the 2022 Notes or alter the provisions with respect to the redemption of the 2022 Notes (other than provisions relating to the covenant described above in the section entitled " *Change of Control*" and provisions relating to the number of days of notice to be given in the event of a redemption);
- (3) reduce the rate of or change the time for payment of interest on the 2022 Note;
- (4) waive a Default or Event of Default in the payment of principal of, or interest or premium on the 2022 Notes (except a rescission of acceleration of the 2022 Notes by the holders of a majority in aggregate principal amount of the 2022 Notes and a waiver of the payment default that resulted from such acceleration);
- (5) make any such 2022 Note payable in currency other than that stated in the 2022 Notes;
- (6) make any change in the provisions of the 2022 Notes Indenture relating to waivers of past Defaults or the rights of holders of the 2022 Notes to receive payments of principal of, or interest or premium on the 2022 Notes;
- (7) waive a redemption payment with respect to any 2022 Note (other than a payment required by the covenant described above in the section entitled " *Change of Control*"); or
- (8) make any change in the preceding amendment and waiver provisions.

Notwithstanding the preceding, without the consent of any holder of the 2022 Notes, the Company, the Subsidiary Guarantors and the Trustee may amend or supplement the 2022 Notes Indenture, the 2022 Notes and the 2022 Notes Subsidiary Guarantees:

- (1) to cure any ambiguity, defect or inconsistency;
- (2) to provide for the uncertificated 2022 Notes in addition to or in place of the certificated 2022 Notes;
- (3) to provide for the assumption of the Company's or a Subsidiary Guarantor's obligations to holders of the 2022 Notes in the case of a merger or consolidation or sale of all or substantially all of the Company's or such Subsidiary Guarantor's assets;
- (4) to make any change that would provide any additional rights or benefits to the holders of the 2022 Notes or that does not adversely affect the legal rights under the 2022 Notes Indenture of any such holder;
- (5) to comply with requirements of the SEC in order to effect or maintain the qualification of the 2022 Notes Indenture under the Trust Indenture Act;
- (6) to conform the text of the 2022 Notes Indenture or the 2022 Notes to any provision of the "Description of the Notes" section of the confidential offering memorandum of Dynegy, dated October 10, 2014, relating to the initial offering of the 2022 Old Notes to the extent that such provision in that "Description of the Notes" was intended to be a verbatim or substantially verbatim recitation of a provision of the 2022 Notes Indenture, the 2022 Notes or the 2022 Notes Subsidiary Guarantees;

(7)

to evidence and provide for the acceptance and appointment under the 2022 Notes Indenture of a successor trustee pursuant to the requirements thereof;

- (8) to provide for the issuance of additional 2022 Notes in accordance with the limitations set forth in the 2022 Notes Indenture; or
- (9) to allow any Subsidiary Guarantor to execute a supplemental indenture and/or a 2022 Notes Subsidiary Guarantee with respect to the 2022 Notes.

Satisfaction and Discharge

The 2022 Notes Indenture will be discharged and will cease to be of further effect as to the 2022 Notes issued thereunder, when:

- (1) either:
 - (a) all 2022 Notes that have been authenticated, except lost, stolen or destroyed 2022 Notes that have been replaced or paid and 2022 Notes for whose payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or
 - (b) all 2022 Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Company or any Subsidiary Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the holders of 2022 Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the 2022 Notes not delivered to the Trustee for cancellation for principal, premium and accrued interest to the date of maturity or redemption;
- (2) no Default or Event of Default under the 2022 Notes Indenture has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound;
- (3) the Company or any Subsidiary Guarantor has paid or caused to be paid all sums payable by it under the 2022 Notes Indenture; and
- (4) the Company has delivered irrevocable written instructions to the Trustee under the 2022 Notes Indenture to apply the deposited money toward the payment of the 2022 Notes at maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officer's Certificate and an opinion of counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee

If the Trustee becomes a creditor of the Company or any Subsidiary Guarantor, the 2022 Notes Indenture limits its right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; *however*, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue (if the 2022 Notes Indenture has been qualified under the Trust Indenture Act) or resign.

Table of Contents

The holders of a majority in principal amount of the 2022 Notes that are outstanding will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, subject to certain exceptions. The 2022 Notes Indenture provides that, in case an Event of Default occurs and is continuing, the Trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the 2022 Notes Indenture at the request of any holder of 2022 Notes, unless such holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

DESCRIPTION OF THE 2024 EXCHANGE NOTES

We issued the 2024 Old Notes and will issue the 2024 Exchange Notes (collectively, the "**2024 Notes**") under an Indenture, dated as of October 27, 2014 (as amended, supplemented or modified from time to time, the "**2024 Notes Indenture**"), among Dynegy, as successor in interest to Dynegy Finance II, Inc., the Subsidiary Guarantors (as defined herein) and Wilmington Trust, National Association, as trustee (the "**Trustee**"), in a private transaction that was not subject to the registration requirements of the Securities Act. The terms of the 2024 Old Notes include those expressly set forth in the 2024 Notes Indenture and those made part of the 2024 Notes Indenture by reference to the Trust Indenture Act of 1939, as amended (the "**Trust Indenture Act**"). The following description is a summary of the material provisions of the 2024 Notes Indenture. This summary does not restate the 2024 Notes Indenture in its entirety and is subject to and is qualified by reference to all of the provisions of the 2024 Notes Indenture, including the definitions of certain terms used therein. We urge you to read the 2024 Notes Indenture because it, and not this description, defines your rights as a holder of the 2024 Notes.

Certain terms used in this description are defined in the section entitled "*Certain Definitions*." Defined terms used in this description but not defined under "*Certain Definitions*" have the meanings assigned to them in the 2024 Notes Indenture. In this description, the words "Dynegy," "the Company," "we" and "our" refer only to Dynegy and not to any of its subsidiaries.

The registered holder of a 2024 Note will be treated as the owner of it for all purposes. Only registered holders of 2024 Notes will have rights under the 2024 Notes Indenture. In exchange for the 2024 Old Notes, we will issue the 2024 Exchange Notes under the 2024 Notes Indenture pursuant to this prospectus.

All references to the 2024 Notes below refer to the 2024 Old Notes and the 2024 Exchange Notes, unless the context otherwise requires.

The 2024 Exchange Notes

The 2024 Exchange Notes will:

be general unsecured obligations of Dynegy;

rank *pari passu* in right of payment with all of Dynegy's existing and future senior indebtedness;

be effectively subordinated to Dynegy's secured indebtedness, including indebtedness incurred under the Credit Agreement, to the extent of the value of the collateral securing such indebtedness;

be senior in right of payment to any of Dynegy's subordinated indebtedness; and

be unconditionally guaranteed on a joint and several basis by the Subsidiary Guarantors.

In the exchange offer for the 2024 Notes, Dynegy will issue up to \$1,250,000,000 in aggregate principal amount of 7.625% Senior Notes due 2024. The 2024 Exchange Notes will be issued in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. Additional 2024 Notes may be issued under the 2024 Notes Indenture from time to time without the consent of the existing holders of the 2024 Notes. Any additional 2024 Notes issued will have the same terms as the 2024 Notes, except for the issue date, issue price and initial interest payment date. The 2024 Notes and any additional 2024 Notes subsequently issued under the 2024 Notes Indenture will be treated as a single class for all purposes under the 2024 Notes Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase. Maturity and Interest

The 2024 Notes will mature on November 1, 2024. Interest on the 2024 Notes will accrue at the rate of 7.625% per annum and will be payable semiannually in arrears on May 1 and November 1 of each year, to the holders of record of 2024 Notes at the close of business on April 15 and October 15, respectively, immediately preceding such interest payment date.

Interest on the 2024 Notes will accrue from the applicable date of original issuance or, if interest has already been paid, from the date it was most recently paid. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. All references to "interest" in this description will be deemed to include any Special Interest payable pursuant to the Registration Rights Agreement.

The 2024 Notes Subsidiary Guarantees

The 2024 Notes will be unconditionally guaranteed, jointly and severally, on a senior unsecured basis by each of Dynegy's current and future Wholly-Owned Domestic Subsidiaries that from time to time is a borrower or guarantor under the Credit Agreement. The obligations of each Subsidiary Guarantor under its 2024 Notes Subsidiary Guarantee will be limited as necessary to prevent such 2024 Notes Subsidiary Guarantee from constituting a fraudulent conveyance under applicable law. See "*Risk Factors Risks Related to the Notes A court could cancel the guarantees of the Notes by our subsidiaries under fraudulent transfer law.*"

Each Subsidiary Guarantor's guarantee of the 2024 Exchange Notes will:

be a general unsecured obligation of such Subsidiary Guarantor;

rank *pari passu* in right of payment with all of such Subsidiary Guarantor's existing and future senior indebtedness;

be effectively subordinated to such Subsidiary Guarantor's secured indebtedness, including such Subsidiary Guarantor's guarantee of Dynegy's obligations under the Credit Agreement, to the extent of the value of the collateral securing such indebtedness; and

be senior in right of payment to any of such Subsidiary Guarantor's subordinated indebtedness.

A Subsidiary Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Subsidiary Guarantor is the surviving Person) another Person, other than Dynegy or another Subsidiary Guarantor, unless immediately after giving effect to that transaction, no Default or Event of Default exists.

The 2024 Notes Subsidiary Guarantee of a Subsidiary Guarantor will be released automatically:

- (1) upon the release, discharge or termination of such Subsidiary Guarantor's obligations as a borrower under the Credit Agreement or such Subsidiary Guarantor's guarantee of the Credit Agreement; or
- (2) upon defeasance or satisfaction and discharge of the 2024 Notes as provided below under the captions "*Legal Defeasance and Covenant Defeasance*" and "*Satisfaction and Discharge.*"

Not all of Dynegy's subsidiaries will guarantee the 2024 Exchange Notes. The 2024 Exchange Notes will be effectively subordinated in right of payment to all liabilities of any of Dynegy's subsidiaries that does not guarantee the 2024 Exchange Notes, except to the extent that Dynegy is itself recognized as a creditor of the subsidiary, in which case its claims would still be effectively

Any redemption notice may, in the Company's discretion, be subject to the satisfaction of one or more conditions precedent. If such redemption is subject to the satisfaction of one of more conditions precedent, such notice shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), such redemption may not occur and such notice may be rescinded in the event that any or all of such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed.

If any 2024 Exchange Note is to be redeemed in part only, the notice of redemption that relates to that 2024 Exchange Note will state the portion of the principal amount of that 2024 Exchange Note that is to be redeemed. A new 2024 Exchange Note in principal amount equal to the unredeemed portion of the original 2024 Exchange Note will be issued in the name of the holder of 2024 Exchange Notes upon cancellation of the original 2024 Exchange Note. 2024 Exchange Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on 2024 Exchange Notes or portions of them called for redemption.

Change of Control

If a Change of Control occurs, each holder of 2024 Exchange Notes will have the right to require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that holder's 2024 Exchange Notes pursuant to a change of control offer (the "**Change of Control Offer**") on the terms set forth in the 2024 Notes Indenture. In the Change of Control Offer, the Company will offer a payment (the "**Change of Control Payment**") in cash equal to 101% of the aggregate principal amount of the 2024 Notes repurchased, plus accrued and unpaid interest, if any, on the 2024 Notes to but excluding the date of purchase, subject to the rights of Noteholders on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Company will mail (or deliver electronically) a notice to each holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase 2024 Exchange Notes on the date for payment specified in the notice (the "**Change of Control Payment Date**"), which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed or delivered, pursuant to the procedures required by the 2024 Notes Indenture and described in such notice. The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the 2024 Exchange Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the 2024 Notes Indenture, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the 2024 Notes Indenture by virtue of such compliance.

On the Change of Control Payment Date, the Company will, to the extent lawful:

- (1) accept for payment all 2024 Exchange Notes or portions of 2024 Exchange Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all 2024 Exchange Notes or portions of 2024 Exchange Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the 2024 Exchange Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of 2024 Exchange Notes or portions of 2024 Exchange Notes being purchased by the Company.

The paying agent will promptly mail to each holder of 2024 Exchange Notes properly tendered the Change of Control Payment for such 2024 Exchange Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each holder a new 2024 Exchange Note equal in principal amount to any unpurchased portion of the 2024 Exchange Notes surrendered, if any; *provided that* each new 2024 Exchange Note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require the Company to make a Change of Control Offer following a Change of Control will be applicable whether or not any other provisions of the 2024 Notes Indenture are applicable. Except as described above with respect to a Change of Control, the 2024 Notes Indenture does not contain provisions that permit the holders of the 2024 Exchange Notes to require that the Company repurchase or redeem the 2024 Exchange Notes in the event of a takeover, recapitalization or similar transaction.

The Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the 2024 Notes Indenture applicable to a Change of Control Offer made by the Company and purchases all 2024 Notes properly tendered and not

withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to the 2024 Notes Indenture as described above under the caption " *Optional Redemption*," unless and until there is a default in payment of the applicable redemption price. A Change in Control Offer may be made in advance of a Change of Control, with the obligation to pay and the timing of payment conditioned upon the occurrence of a Change of Control, if a definitive agreement to effect a Change of Control is in place at the time the Change of Control Offer is made.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of "all or substantially all" of the properties or assets of the Company and its Subsidiaries taken as a whole. There is a limited body of case law interpreting the phrase "substantially all," and there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a holder of 2024 Exchange Notes to require the Company to repurchase its 2024 Exchange Notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of the Company and its Subsidiaries taken as a whole to another Person or group may be uncertain.

Certain Covenants

Liens

The Company will not and will not permit any Subsidiary Guarantor to, create, incur, assume or suffer to exist or become effective any mortgage, pledge or other lien (other than Permitted Liens) upon any Principal Property to secure indebtedness for borrowed money represented by notes, bonds, debentures or other evidences of indebtedness, unless all payments due under the 2024 Notes Indenture and the 2024 Notes issued thereunder are secured on an equal and ratable basis with the obligations so secured until such time as such obligations are no longer secured by a lien.

Merger, Consolidation or Sale of Assets

The Company may not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not the Company is the surviving corporation) or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Company and its Subsidiaries taken as a whole, in one or more related transactions, to another Person; unless:

- (1) either (a) the Company is the surviving corporation or (b) the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state of the United States or the District of Columbia; *provided that* if the Person is a partnership or limited liability company, then a corporation wholly-owned by such Person organized or existing under the laws of the United States, any state of the United States or the District of Columbia that does not and will not have any material assets or operations shall become a co-issuer of the 2024 Notes pursuant to supplemental indentures duly executed by the Trustee;
- (2) the Person formed by or surviving any such consolidation or merger (if other than the Company) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made assumes all the obligations of the Company under the 2024 Notes Indenture, the 2024 Notes and the Registration Rights Agreement pursuant to documents in such form as are reasonably satisfactory to the Trustee; and
- (3) immediately after such transaction, no Default or Event of Default exists.

In addition, the Company may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person.

This "Merger, Consolidation or Sale of Assets" covenant will not apply to:

- (1) a merger of the Company with an Affiliate solely for the purpose of reincorporating the Company in another jurisdiction or forming a direct holding company of the Company; and
- (2) any sale, transfer, assignment, conveyance, lease or other disposition of assets between or among the Company and its Subsidiaries, including by way of merger or consolidation.

Additional 2024 Notes Subsidiary Guarantees

After the consummation of the Duke Midwest Assets Acquisition (as defined in the 2024 Notes Indenture) or the EquiPower Acquisition (as defined in the 2024 Notes Indenture), as applicable, if any Wholly-Owned Domestic Subsidiary of Dynegy other than a Subsidiary Guarantor becomes a borrower under the Credit Agreement or guarantees any indebtedness under the Credit Agreement, within 30 days thereof Dynegy shall cause such Wholly-Owned Domestic Subsidiary to execute and deliver to the Trustee a supplemental indenture pursuant to which such Subsidiary will guarantee payment of the 2024 Notes on the same terms and conditions as those applicable to the Subsidiary Guarantors under the 2024 Notes Indenture and will deliver to the trustee an opinion of counsel that such supplemental indenture has been duly authorized, executed and delivered and constitute a legally valid and enforceable obligation (subject to customary qualifications and exceptions). Thereafter, such Wholly-Owned Domestic Subsidiary will be a Subsidiary Guarantor with respect to the 2024 Notes until such Wholly-Owned Domestic Subsidiary's 2024 Notes Subsidiary Guarantee with respect to the 2024 Notes is released in accordance with the 2024 Notes Indenture.

Reports

Whether or not required by the SEC's rules and regulations, so long as any 2024 Notes are outstanding, the Company will furnish to the Trustee, within the time periods (including any extensions thereof) specified in the SEC's rules and regulations:

- (1) all quarterly and annual reports of Dynegy that would be required to be filed with the SEC on Forms 10-Q and 10-K if Dynegy were required to file such reports; and
- (2) all current reports of Dynegy that would be required to be filed with the SEC on Form 8-K if Dynegy were required to file such reports.

All such reports will be prepared in all material respects in accordance with all of the rules and regulations applicable to such reports. Each annual report on Form 10-K will include a report on Dynegy's consolidated financial statements by Dynegy's independent registered public accounting firm. In addition, after the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable, the Company will file (or will cause to be filed) a copy of each of the reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC will not accept such a filing). To the extent such filings are made with the SEC, the reports will be deemed to have been furnished to the Trustee and holders of 2024 Notes. The Company agrees that it will not take any action for the purpose of causing the SEC not to accept any such filings.

If, notwithstanding the foregoing, the SEC will not accept Dynegy's filings for any reason, the Company will (i) post (or cause to be posted) the reports referred to in the first paragraph of this covenant on Dynegy's website with no password protection within the time periods that would apply if Dynegy were required to file those reports with the SEC, (ii) not later than ten business days after the time Dynegy posts its quarterly and annual reports on its website, hold (or cause to be held) a quarterly conference call to discuss the information contained in such reports and (iii) no fewer than two business days prior to the date of the conference call required to be held in accordance with clause (ii) above, issue (or cause to be issued) a press release to appropriate U.S. wire services

announcing the time and date of such conference call and either including all information necessary to access the call or directing the holders or beneficial owners of, and prospective investors in, the 2024 Notes and securities analysts and market makers to contact an individual at Dynegy (for whom contact information shall be provided in such press release) to obtain the information on how to access such conference call.

In addition, the Company agrees that, for so long as any 2024 Notes remain outstanding, at any time it is not required to file the reports required by the preceding paragraphs with the SEC, it will furnish to the holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Events of Default and Remedies

Each of the following is an "**Event of Default**":

- (1) default for 30 days in the payment when due of interest on the 2024 Notes;
- (2) default in payment when due of the principal of, or premium, if any, on the 2024 Notes;
- (3) failure by the Company or a Subsidiary Guarantor to comply with any covenant in the 2024 Notes Indenture (other than a default specified in clause (1) or (2) above) for 60 days after written notice by the Trustee or holders of at least 25% in principal amount of the 2024 Notes;
- (4) default under any document evidencing any indebtedness for borrowed money by the Company (or Dynegy prior to the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable) or any Subsidiary Guarantor, whether such indebtedness now exists or is created after the Issue Date, if that default:
 - (a) is caused by a failure to pay principal when due at final (and not any interim) maturity on or prior to the expiration of any grace period provided in such indebtedness (a "**Payment Default**"); or
 - (b) results in the acceleration of such indebtedness prior to its express maturity (without such acceleration having been rescinded, annulled or otherwise cured),

and, in each case, the principal amount of any such indebtedness, together with the principal amount of any other such indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated (without such acceleration having been rescinded, annulled or otherwise cured), aggregates \$100.0 million or more; *provided that* this clause (4) shall not apply to (i) secured indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such indebtedness and (ii) any indebtedness that is required to be converted into Qualifying Equity Interests upon the occurrence of certain designated events so long as no payments in cash or otherwise are required to be made in accordance with such conversion);

- (5) except as permitted by the 2024 Notes Indenture, any 2024 Notes Subsidiary Guarantees of any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary shall be held in any final and non-appealable judicial proceeding to be unenforceable or invalid or shall cease for any reason (other than in accordance with its terms) to be in full force and effect or any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary, or any Person acting on behalf of any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary, shall deny or disaffirm in writing its or their obligations under its or their 2024 Notes Subsidiary Guarantees; and

(a) a court of competent jurisdiction (i) enters an order or decree under any Bankruptcy Law that is for relief against the Company (or Dynegy prior to the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable), any Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary in an involuntary case; (ii) appoints a custodian for all or substantially all of the property of the Company (or Dynegy prior to the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable), any Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary; or (iii) orders the liquidation of the Company (or Dynegy prior to the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable), any Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary and, in each of clauses (i), (ii) or (iii), the order, appointment or decree remains unstayed and in effect for at least 60 consecutive days; or (b) the Company (or Dynegy prior to the consummation of the Duke Midwest Assets Acquisition or the EquiPower Acquisition, as applicable), any Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary, pursuant to or within the meaning of Bankruptcy Law (i) commences a voluntary case; (ii) consents to the entry of an order for relief against it in an involuntary case; (iii) consents to the appointment of a custodian of it or for all or substantially all of its property; or (iv) makes a general assignment for the benefit of its creditors.

In the case of an Event of Default pursuant to clause (6) of the previous paragraph, the 2024 Notes that are outstanding will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the holders of at least 25% in principal amount of the 2024 Notes that are outstanding may declare all the 2024 Notes to be due and payable immediately.

Subject to certain limitations, holders of a majority in principal amount of the 2024 Notes that are then outstanding may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from holders of the 2024 Notes notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal or interest.

In case an Event of Default occurs and is continuing under the 2024 Notes Indenture, the Trustee will be under no obligation to exercise any of the rights or powers under such Indenture at the request or direction of any holders of the 2024 Notes unless such holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no holder of a 2024 Note may pursue any remedy with respect to the 2024 Notes Indenture unless:

(1)

such holder has previously given the Trustee notice that an Event of Default is continuing;

(2)

holders of at least 25% in aggregate principal amount of the 2024 Notes that are then outstanding have requested the Trustee to pursue the remedy;

(3)

such holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;

(4)

the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and

(5)

holders of a majority in aggregate principal amount of the 2024 Notes that are then outstanding have not given the Trustee a direction inconsistent with such request within such 60-day period.

Table of Contents

The holders of a majority in aggregate principal amount of the 2024 Notes then outstanding by notice to the Trustee may, on behalf of the holders of the 2024 Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the 2024 Notes Indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, the 2024 Notes.

The Company is required to deliver to the Trustee annually a statement regarding compliance with the 2024 Notes Indenture. Upon becoming aware of any Default or Event of Default, Dynegy is required to deliver to the Trustee a statement specifying such Default or Event of Default.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator or stockholder of the Company or any Subsidiary Guarantor, as such, will have any liability for any obligations of the Company or the Subsidiary Guarantors under the 2024 Notes, the 2024 Notes Indenture or the 2024 Notes Subsidiary Guarantees, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of 2024 Notes by accepting a 2024 Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the 2024 Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Legal Defeasance and Covenant Defeasance

The Company may, at its option and at any time, elect to have all of its obligations discharged with respect to the 2024 Notes that are outstanding and all obligations of the Subsidiary Guarantors of such 2024 Notes discharged with respect to their 2024 Notes Subsidiary Guarantees ("**Legal Defeasance**") except for:

- (1) the rights of holders of the 2024 Notes that are then outstanding to receive payments in respect of the principal of, or interest or premium on such 2024 Notes when such payments are due from the trust referred to below;
- (2) the Company's obligations with respect to the 2024 Notes concerning issuing temporary 2024 Notes, registration of 2024 Notes, mutilated, destroyed, lost or stolen 2024 Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's and the Subsidiary Guarantors' obligations in connection therewith; and
- (4) the Legal Defeasance provisions of the 2024 Notes Indenture.

In addition, the Company may, at its option and at any time, elect to have the obligations of the Company and the Subsidiary Guarantors released with respect to certain covenants (including the Company's obligation to make Change of Control Offers) that are described in the 2024 Notes Indenture ("**Covenant Defeasance**") and thereafter any omission to comply with those covenants will not constitute a Default or Event of Default with respect to the 2024 Notes. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described in the section entitled "*Events of Default and Remedies*" will no longer constitute an Event of Default with respect to the 2024 Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance:

- (1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the holders of the 2024 Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of

independent public accountants to pay the principal of, or interest and premium on the 2024 Notes that are then outstanding on the Stated Maturity or on the applicable redemption date, as the case may be, and the Company must specify whether such 2024 Notes are being defeased to maturity or to a particular redemption date;

- (2) in the case of Legal Defeasance, the Company has delivered to the Trustee an opinion of counsel reasonably acceptable to the Trustee confirming that (a) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the holders of the 2024 Notes that are then outstanding will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;
- (3) in the case of Covenant Defeasance, the Company has delivered to the Trustee an opinion of counsel reasonably acceptable to the Trustee confirming that the holders of the 2024 Notes that are then outstanding will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
- (4) no Default or Event of Default with respect to the 2024 Notes has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit);
- (5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than the 2024 Notes Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;
- (6) the Company must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Company with the intent of preferring the holders of the 2024 Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding creditors of the Company or others; and
- (7) the Company must deliver to the Trustee an Officer's Certificate and an opinion of counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the 2024 Notes Indenture, the 2024 Notes and the 2024 Notes Subsidiary Guarantees may be amended or supplemented with the consent of the holders of a majority in principal amount of the 2024 Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the 2024 Notes), and any existing default or compliance with any provision of the 2024 Notes Indenture, the 2024 Notes or the 2024 Notes Subsidiary Guarantees may be waived with the consent of the holders of a majority in principal amount of the 2024 Notes that are then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the 2024 Notes).

Without the consent of each holder of the 2024 Notes, an amendment or waiver may not (with respect to the 2024 Notes held by a non-consenting holder):

- (1) reduce the principal amount of the 2024 Notes whose holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of the 2024 Notes or alter the provisions with respect to the redemption of the 2024 Notes (other than provisions relating to the covenant described above in the section entitled " *Change of Control*" and provisions relating to the number of days of notice to be given in the event of a redemption);
- (3) reduce the rate of or change the time for payment of interest on the 2024 Note;
- (4) waive a Default or Event of Default in the payment of principal of, or interest or premium on the 2024 Notes (except a rescission of acceleration of the 2024 Notes by the holders of a majority in aggregate principal amount of the 2024 Notes and a waiver of the payment default that resulted from such acceleration);
- (5) make any such 2024 Note payable in currency other than that stated in the 2024 Notes;
- (6) make any change in the provisions of the 2024 Notes Indenture relating to waivers of past Defaults or the rights of holders of the 2024 Notes to receive payments of principal of, or interest or premium on the 2024 Notes;
- (7) waive a redemption payment with respect to any 2024 Note (other than a payment required by the covenant described above in the section entitled " *Change of Control*"); or
- (8) make any change in the preceding amendment and waiver provisions.

Notwithstanding the preceding, without the consent of any holder of the 2024 Notes, the Company, the Subsidiary Guarantors and the Trustee may amend or supplement the 2024 Notes Indenture, the 2024 Notes and the 2024 Notes Subsidiary Guarantees:

- (1) to cure any ambiguity, defect or inconsistency;
- (2) to provide for the uncertificated 2024 Notes in addition to or in place of the certificated 2024 Notes;
- (3) to provide for the assumption of the Company's or a Subsidiary Guarantor's obligations to holders of the 2024 Notes in the case of a merger or consolidation or sale of all or substantially all of the Company's or such Subsidiary Guarantor's assets;
- (4) to make any change that would provide any additional rights or benefits to the holders of the 2024 Notes or that does not adversely affect the legal rights under the 2024 Notes Indenture of any such holder;
- (5) to comply with requirements of the SEC in order to effect or maintain the qualification of the 2024 Notes Indenture under the Trust Indenture Act;
- (6) to conform the text of the 2024 Notes Indenture or the 2024 Notes to any provision of the "Description of the Notes" section of the confidential offering memorandum of Dynegey, dated October 10, 2014, relating to the initial offering of the 2024 Old Notes to the extent that such provision in that "Description of the Notes" was intended to be a verbatim or substantially verbatim recitation of a provision of the 2024 Notes Indenture, the 2024 Notes or the 2024 Notes Subsidiary Guarantees;

(7)

to evidence and provide for the acceptance and appointment under the 2024 Notes Indenture of a successor trustee pursuant to the requirements thereof;

- (8) to provide for the issuance of additional 2024 Notes in accordance with the limitations set forth in the 2024 Notes Indenture; or
- (9) to allow any Subsidiary Guarantor to execute a supplemental indenture and/or a 2024 Notes Subsidiary Guarantee with respect to the 2024 Notes.

Satisfaction and Discharge

The 2024 Notes Indenture will be discharged and will cease to be of further effect as to the 2024 Notes issued thereunder, when:

- (1) either:
 - (a) all 2024 Notes that have been authenticated, except lost, stolen or destroyed 2024 Notes that have been replaced or paid and 2024 Notes for whose payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or
 - (b) all 2024 Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Company or any Subsidiary Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the holders of 2024 Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the 2024 Notes not delivered to the Trustee for cancellation for principal, premium and accrued interest to the date of maturity or redemption;
- (2) no Default or Event of Default under the 2024 Notes Indenture has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound;
- (3) the Company or any Subsidiary Guarantor has paid or caused to be paid all sums payable by it under the 2024 Notes Indenture; and
- (4) the Company has delivered irrevocable written instructions to the Trustee under the 2024 Notes Indenture to apply the deposited money toward the payment of the 2024 Notes at maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officer's Certificate and an opinion of counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee

If the Trustee becomes a creditor of the Company or any Subsidiary Guarantor, the 2024 Notes Indenture limits its right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; *however*, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue (if the 2024 Notes Indenture has been qualified under the Trust Indenture Act) or resign.

Table of Contents

The holders of a majority in principal amount of the 2024 Notes that are outstanding will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, subject to certain exceptions. Item 20. Indemnification of Directors and Officers.

The Delaware Corporations

Delaware General Corporation Law. Section 145 ("**Section 145**") of the Delaware General Corporation Law (the "**DGCL**") provides that a Delaware corporation may indemnify any persons who were, are or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was illegal. Section 145(b) of the DGCL provides that a Delaware corporation may indemnify officers and directors in an action by or in the right of the corporation under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer, director, employee or agent is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director has actually and reasonably incurred under Section 145(c).

Section 145(g) of the DGCL provides that a corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director or officer of the corporation against any liability asserted against the person in any such capacity, or arising out of the person's status as such, whether or not the corporation would have the power to indemnify the person against such liability under the provisions of the DGCL.

any person who was or is a party, or who is threatened to be made a party, to any action, suit or proceeding, because he or she is or was a manager, member, officer, employee or agent of the company or is or was serving at the company's request as a manager, member, director, officer, employee or agent of any other entity, against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by the manager, member, officer, employee or agent in connection with the proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the company and, in connection with any criminal action or proceeding, the person had no reasonable cause to believe his or her conduct was unlawful. In the case of an action by or in the right of the company to procure a judgment in its favor, indemnification for the manager, member, officer, employee or agent must also satisfy the criteria set forth in 1705.32(B) that such person is not adjudged to be liable for negligence or misconduct in the performance of his or her duty to the company, except in the event that that the court of common pleas or the court in which the action was brought determines that such person is fairly and reasonably entitled to indemnification for expenses that the court considers proper.

Pursuant to 1705.32(C) of the ORC, to the extent that a manager, officer, employee or agent of a limited liability company has been successful on the merits or otherwise in defense of any such action, suit or proceeding, the company must indemnify him against expenses actually and reasonably incurred by such person in connection with the action. In the absence of a court order or success on the merits, indemnification shall be made based upon a determination in accordance with Section 1705.32 that indemnification of the manager, officer, employee or agent is proper, which determination shall be made by (a) a majority vote of a quorum of managers of the indemnifying company who were not and are not parties to or threatened to be made parties to the action, suit or proceeding, (b) in a written opinion by independent legal counsel, if directed by a majority vote of a quorum of disinterested managers, (c) by the members or the sole member, as the case may be, or (d) by the court of common pleas or court in which the action, suit or proceeding was brought.

Section 1705.32(E) of the ORC also provides that a limited liability company may purchase and maintain insurance for or on behalf of any person who is or was a manager, member, officer or employee of the company. The indemnification authorized by Section 1705.32 is not exclusive and shall be in addition to the indemnification under the operating agreement, any other agreement, or by a vote of disinterested managers of the limited liability company.

The Texas Corporation

Texas Business Organizations Code. Section 8.101 of the Texas Business Organizations Code ("**TBOC**") provides that, subject to certain limitations, a corporation may indemnify a governing person, former governing person, or delegate who was, is, or is threatened to be made a respondent in a proceeding for reasonable expenses to the extent that it is determined that the person: (A) conducted himself or herself in good faith; (B) reasonably believed (i) in the case of conduct in his or her official capacity as a director of the corporation, that his or her conduct was in the corporation's best interests; and (ii) in all other cases, that his or her conduct was at least not opposed to the corporation's best interests; and (C) in the case of any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. A person may be indemnified under Section 8.102 of the TBOC against judgments, penalties (including excise and similar taxes), fines, settlements, and reasonable expenses actually incurred by the person (including court costs and attorneys' fees), but if the person is found liable to the corporation or is found liable on the basis that personal benefit was improperly received by him, the indemnification is limited to reasonable expenses actually incurred and shall not be made in respect of any proceeding in which the person has been found liable for willful or intentional misconduct, breach of the duty of loyalty, or an act or omission not committed in good faith that constitutes a breach of a duty owed to the corporation. A corporation is obligated under Section 8.051 of the TBOC to indemnify a governing person, former governing person, or delegate against reasonable expenses actually incurred by the person in connection with a proceeding in which the person is a respondent because the person is or was a governing person or delegate if the person is wholly successful, on the merits or otherwise, in the defense of the proceeding and if a court determines that a governing person, former governing person, or delegate is entitled to indemnification. Under Section 8.104 of the TBOC, a corporation may pay or reimburse reasonable expenses incurred by a present governing person or delegate who was, is, or is threatened to be made a respondent in a proceeding in advance of the final disposition of the proceeding after the corporation receives (1) a written affirmation by the person of the person's good faith belief that the person has met the standard of conduct necessary for indemnification under Chapter 8 of the TBOC, and (2) a written undertaking by or on behalf of the person to repay the amount paid or reimbursed if the final determination is that the person has not met that standard or that indemnification is prohibited by Section 8.102. Section 8.105 provides that a corporation shall indemnify an officer to the same extent that indemnification is required for a governing person.

Pursuant to a request for confidential treatment, portions of this Exhibit have been redacted and filed separately with the SEC as required by Rule 24b-2 under the Securities Exchange Act of 1934, as amended.

Management compensatory plan or arrangement.

Item 22. Undertakings.

The undersigned registrants hereby undertake:

- 1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (a) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
 - (b) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
 - (c) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- 2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- 3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- 4) For the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the

Table of Contents

registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

5) For the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (a) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (b) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (c) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (d) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Company's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

7) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

8) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

9) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

11) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
