PROPOSAL 1. ELECTION OF TRUSTEES

The Board of Trustees of the Fund is divided into three classes with the term of office of one class expiring at the annual meeting of shareholders of the Fund each year. It is proposed that shareholders of the Fund consider the election of two Class II Trustees to serve for three-year terms and until their respective successors are duly elected and qualified. The individual nominees (the "Nominees") proposed for election are listed below. Each Nominee currently serves as a Trustee of the Fund. Each Nominee has consented to being named in this proxy statement and has agreed to continue to serve as a Trustee if elected. Biographical information about each Nominee and information on each Nominee's ownership of Fund shares is set forth below. Biographical information about the Fund's Continuing Trustees, information on each Continuing Trustee's ownership of Fund shares, and other relevant information is set forth on Exhibit A.

The persons named as proxies on the accompanying proxy card intend to vote each such proxy for the election of the Nominees, unless shareholders specifically indicate on their proxies the desire to withhold authority to vote for elections to office. It is not contemplated that any Nominee will be unable to serve as a Trustee for any reason, but if that should occur prior to the meeting, the proxyholders reserve the right to substitute another person or persons of their choice as nominee or nominees.

None of the Nominees or Continuing Trustees are "interested persons" of the Fund, as defined in the Investment Company Act of 1940, as amended (the "1940 Act"). As independent trustees of an investment company, they play a critical role in overseeing fund operations and policing potential conflicts of interest between the Fund and its investment adviser and other service providers. The following tables present information about the Nominees, including their principal occupations and other board memberships and affiliations. The address of each Nominee is 200 Park Avenue, New York, New York 10166.

Name (Age) of Nominee Position with Fund (Since)	Principal Occupation During Past 5 Years	Other Board Memberships and Affiliations	Year Term Expires
James M. Fitzgibbons (69) Trustee (1998)	Chairman of the Board, Davidson Cotton Company (1998-2002)	Howes Leather Corporation, <i>Director</i>	2007
Roslyn M. Watson (54) Trustee (1998)	Principal, Watson Ventures, Inc., a real estate investment company (1993-Present)	American Express Centurion Bank, <i>Director</i> The Hyams Foundation Inc., a Massachusetts Charitable Foundation, Trustee National Osteoporosis Foundation, Trustee	2007

The table below indicates the dollar range of each Nominee's ownership of Fund shares and shares of other funds in the Dreyfus Family of Funds for which he or she is a Board member, in each case as of December 31,

2003.

Name of Nominee Fund Shares for which Responsible as a Board Member

Name of Nominee	Fund Shares	for which Responsible as a Board Member
James M. Fitzgibbons	None	Over \$100,000
Roslyn M. Watson	None	None

As of December 31, 2003, none of the Nominees or their immediate family members owned securities of Dreyfus or any person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with Dreyfus.

The Fund has a standing audit committee comprised of all of the Trustees of the Fund who are not "interested persons" (as defined in the 1940 Act) of the Fund. The function of the audit committee is (1) to oversee the Fund's accounting and financial reporting processes and the audits of the Fund's financial statements and (2) to assist in the Board of Trustees' oversight of the integrity of the Fund's financial statements, the Fund's compliance with legal and regulatory requirements and the independent auditors' qualifications, independence and performance. A copy of the Fund's Audit Committee Charter, which describes the audit committee's purposes, duties and powers, is attached as Exhibit B to this proxy statement. The Fund also has a standing nominating committee comprised of all of the Trustees of the Fund who are not "interested persons" (as defined in the 1940 Act) of the Fund. The Fund's nominating committee is responsible for selecting and nominating persons as members of the Board of Trustees for election or appointment by the Board and for election by shareholders. Each nominating committee member is "independent" as defined by the New York Stock Exchange. A copy of the Fund's Nominating Committee Charter and Procedures is attached as Exhibit C to this proxy statement (the "Nominating Committee Charter"). In evaluating potential nominees, including any nominees recommended by shareholders, the committee takes into consideration the factors listed in the Nominating Committee Charter, including character and integrity, business and professional experience, and whether the committee believes the person has the ability to apply sound and independent business judgment and would act in the interest of the Fund and its shareholders. The committee will consider recommendations for nominees from shareholders submitted to the Secretary of the Fund, c/o The Dreyfus Corporation Legal Department, 200 Park Avenue, 8th Floor West, New York, New York 10166, and including information regarding the recommended nominee as specified in the Nominating Committee Charter. The Fund also has a standing pricing committee comprised of any one or more of the Trustees, the function of which is to assist in valuing the Fund's investments.

2

For the fiscal year ended March 31, 2004, the Fund held 8 Board meetings, 5 audit committee meetings, and 1 pricing committee meeting. The nominating committee had no meetings during the last fiscal year. All Trustees attended at least 75% of all Board and audit committee meetings during the last fiscal year. The Fund does not have a formal policy regarding Trustees' attendance at annual meetings of shareholders. Trustees did not attend last year's annual meeting.

Each Trustee who is not an "interested person" (as defined in the 1940 Act) of the Fund receives \$17,000 per year, plus \$1,000 for each Board meeting attended, and \$2,000 for separate committee meetings attended which are not held in conjunction with a regularly scheduled Board meeting. If there is a joint committee meeting of The Dreyfus/Laurel Funds, Inc., The Dreyfus/Laurel Tax-Free Municipal Funds and The Dreyfus/Laurel Funds Trust (collectively, the "Dreyfus/Laurel Funds") and the Fund, the \$2,000 committee meeting fee will be allocated between the Dreyfus/Laurel Funds and the Fund. Each Trustee who is not an "interested person" (as defined in the 1940 Act) also receives \$500 for Board meetings and separate committee meetings attended that are conducted by telephone. The Chairman of the Board receives an additional 25% of such compensation. The Fund also reimburses each Trustee who is not an "interested person" (as defined in the 1940 Act) of the Fund for travel and out-of-pocket expenses.

The Fund does not pay any other remuneration to its officers and Trustees, and the Fund does not have a bonus, pension, profit-sharing or retirement plan. The Fund has adopted a Director Emeritus Program whereby a Trustee ("Director") who has served on a Dreyfus-managed fund board (or its predecessor) for a minimum of 10 years and who has reached age 72 is entitled to elect Emeritus status for each such fund board on which he or she then serves. Also, upon reaching age 80 Emeritus status is mandatory. The 10-year prerequisite for service as

Edgar Filing: DREYFUS HIGH YIELD STRATEGIES FUND - Form DEF 14A

a fund Director is waived for a Director who reaches age 80 but has not served as a Director for 10 years. Directors Emeritus are entitled to serve in such position for a maximum of 10 years and are paid 50% of the annual retainer fee and 50% of any meeting fees otherwise applicable to the Director, together with reasonable out-of-pocket expenses for each meeting attended, but no payments will be made under the Program if the aggregate net assets of the Dreyfus/Laurel Funds and the Fund are below \$100 million at the end of a calendar quarter. Finally, a Director Emeritus is relieved of the formal responsibilities and the potential liability that being a Director ordinarily entails. Ruth Marie Adams and Francis P. Brennan currently are Directors Emeritus.

The aggregate amount of compensation paid to each Nominee by the Fund for the fiscal year ended March 31, 2004, and by all funds in the Dreyfus Family of Funds for which such Nominee was a Board member for the year ended December 31, 2003, was as follows:

Name of Nominee	Aggregate compensation from the Fund*	Total compensation from the Fund and Dreyfus fund complex paid to Nominee (**)
James M. Fitzgibbons	\$ 22,500	\$88,000 (23)
Roslyn M. Watson	\$ 23,500	\$89,000 (23)

* Amount does not include reimbursed expenses for attending Board meetings, which amounted to \$2,972 for all Trustees as a group.

** Represents the number of separate portfolios comprising the investment companies in the fund complex, including the Fund, for which the Nominee served as a Board member.

3

For the Fund's most recent fiscal year, the aggregate amount of compensation paid by the Fund to each Continuing Trustee who is not a Nominee, and the aggregate amount of compensation paid by all funds in the Dreyfus Family of Funds for which such person was a Board member for the year ended December 31, 2003, is set forth in Exhibit A. Certain other information concerning the Fund's Trustees and officers also is set forth in Exhibit A.

Required Vote

The election of a Nominee for the Fund requires the approval of a majority of shares of the Fund represented in person or by proxy and entitled to vote at the meeting, if a quorum is present.

ADDITIONAL INFORMATION

Selection of Independent Registered Public Accounting Firm

The 1940 Act requires that the Fund's independent registered public accounting firm (the "independent auditors" or "auditors") be selected by a majority of those Trustees who are not "interested persons" (as defined in the 1940 Act) of the Fund. The audit committee has direct responsibility for the appointment, compensation, retention and oversight of the Fund's independent auditors. At a meeting held on April 21, 2004, the Fund's audit committee approved and at a meeting held on April 22, 2004, the Fund's Board, including a majority of those Trustees who are not "interested persons" (as defined in the 1940 Act) of the Fund, ratified and approved the selection of KPMG LLP as independent auditors for the fiscal year ending March 31, 2005. KPMG LLP, a major international accounting firm, has acted as auditors of the Fund since the Fund's organization.

At a meeting held on May 24, 2004, after reviewing the Fund's audited financial statements for the fiscal year ended March 31, 2004, the Fund's audit committee recommended to the Fund's Board that such statements be included in the Fund's Annual Report to Shareholders. A copy of the audit committee's report for the Fund is attached as Exhibit D to this proxy statement.

Independent Auditor Fees and Services

The following chart reflects fees to KPMG LLP in the Fund's last two fiscal years. For Service Affiliates (i.e., Dreyfus and any entity controlling, controlled by or under common control with Dreyfus that provides ongoing services to the Fund), such fees represent only those fees that require pre-approval by the audit committee. Certain of such services were not pre-approved prior to May 6, 2003, when the pre-approval requirement became applicable. On and after May 6, 2003, 100% of all services provided by KPMG LLP were pre-approved as required. (For comparative purposes, the fees shown assume that all such services were pre-approved, including services that were not pre-approved prior to the compliance date of the pre-approval requirement.)

¹ For the years ended March 31, 2003/March 31, 2004 (the Fund's fiscal year end).

² Services to the Fund consisted of (i) services rendered in connection with procedures adopted for the Fund's revolving credit and security agreement; and (ii) security counts required by Rule 17f-2 under the 1940 Act.

³ Services to the Fund consisted of review or preparation of U.S. federal, state, local and excise tax returns.

⁴ Rendered to the Fund and Service Affiliates.

Audit Committee Pre-Approval Policies and Procedures. The Fund's audit committee has established policies and procedures (the "Policy") for pre-approval (within specified fee limits) of KPMG LLP's engagements for non-audit services to the Fund and Service Affiliates without specific case-by-case consideration. Pre-approval considerations include whether the proposed services are compatible with maintaining KPMG LLP's independence. The Policy and services covered therein are considered annually. In addition, proposed services requiring pre-approval but not covered by the Policy are considered from time to time as necessary.

Auditor Independence. The Fund's audit committee has considered whether the provision of non-audit services that were rendered to Service Affiliates which did not require pre-approval are compatible with maintaining KPMG LLP's independence.

A representative of KPMG LLP is expected to be present at the meeting, will have the opportunity to make a statement, and will be available to respond to appropriate questions.

Voting Information

Edgar Filing: DREYFUS HIGH YIELD STRATEGIES FUND - Form DEF 14A

To vote, please complete, date and sign the enclosed proxy card and mail it in the enclosed, postage-paid envelope. In addition to the use of the mails, proxies may be solicited personally or by telephone, and the Fund may pay persons holding shares of the Fund in their names or those of their nominees for their expenses in sending soliciting materials to their principals. Authorizations to execute proxies may be obtained by telephonic or electronically transmitted instructions in accordance with procedures designed to authenticate the shareholder's identity. In all cases where a telephonic proxy is solicited, the shareholder will be asked to provide his or her address and social security number (in the case of an individual) or taxpayer identification number (in the case of a non-individual) and to confirm that the shareholder has received the Fund's proxy statement and proxy card in the mail. Within 72 hours of receiving a shareholder's solicited telephonic voting instructions, a confirmation will be sent to the shareholder to ensure that the vote has been taken in accordance with the shareholder's instructions and to provide a telephone number to call immediately if the shareholder's instructions are not correctly reflected in the confirmation. Shares represented by executed and unrevoked proxies will be voted in accordance with the specifications made thereon, and if no voting instructions are given, shares will be voted FOR the proposals.

If a proxy is properly executed and returned accompanied by instructions to withhold authority to vote, represents a broker non-vote (that is, a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares of the Fund on a particular matter with respect to which the broker or nominee does not have discretionary power), or marked with an abstention (collectively, abstentions), the Fund's shares represented thereby will be considered to be present at the meeting for purposes of determining the existence of a quorum for the transaction of business. Under Massachusetts law, abstentions do not constitute a vote for or against a matter and will be disregarded in determining votes cast on an issue. A quorum is constituted by the presence in person or by proxy of the holders of a majority of the shares of beneficial interest issued and outstanding and entitled to vote at the meeting.

Any shareholder giving a proxy may revoke it at any time before it is exercised by submitting to the Fund a written notice of revocation or a subsequently executed proxy or by attending the meeting and voting in person.

5

The date after which notice of a shareholder proposal is considered untimely, except as otherwise permissible under applicable law, is May 17, 2005.

Shareholders who wish to communicate with Trustees should send communications to the attention of the Secretary of the Fund, 200 Park Avenue, New York, New York 10166, and communications will be directed to the Trustee or Trustees indicated in the communication or, if no Trustee or Trustees are indicated, to the Chairman of the Board of Trustees.

No member of the Audit Committee shall be an "interested person" of the Fund, as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended, nor shall any member receive any compensation from the Fund except compensation for service as a member of the Board or a committee of the Board. Each member must otherwise be "independent" under the rules of the New York Stock Exchange (the "NYSE"), the American Stock Exchange (the "AMEX") and the rules adopted under Section 301 of the Sarbanes-Oxley Act of 2002 ("Sarbanes-Oxley"), as applicable.

Each member of the Audit Committee must be able to read and understand financial statements (including the Fund's balance sheet, income statement and cash flow statement) and otherwise be financially literate, as determined by the Board in its business judgment, or must become financially literate within a reasonable time after appointment to the Audit Committee. At least one member of the Audit Committee must have accounting or related financial management expertise, as determined by the Board in its business judgment.¹ The Board also must annually determine whether any member of the Audit Committee is an "audit committee financial expert" ("ACFE"), within the meaning of the rules adopted and implemented under Section 407 of Sarbanes-Oxley. If the Board has determined that a member of the Audit Committee is an ACFE, it may presume that such member has accounting or related financial management expertise.²

II. Purposes of the Audit Committee

The purposes of the Audit Committee are to:

- (a) oversee the accounting and financial reporting processes of the Fund and the audits of the Fund's financial statements;
- (b) assist Board oversight of (i) the integrity of the Fund's financial statements, (ii) the Fund's compliance with legal and regulatory requirements, and (iii) the independent auditors' qualifications, independence and performance; and
- (c) prepare an Audit Committee report as required by the Securities and Exchange Commission (the "SEC") to be included in the Fund's annual proxy statement.

III. Role and Responsibilities of the Audit Committee

The function of the Audit Committee is oversight; it is Fund management's responsibility to maintain appropriate systems for accounting and internal control over financial reporting and the independent auditors' responsibility to plan and carry out a proper audit. Specifically, the Fund's management is responsible for (a) preparation, presentation and integrity of the Fund's financial statements, (b) maintenance of appropriate accounting and financial reporting principles and policies and (c) maintenance of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out an audit consistent with applicable legal and professional standards and the terms of their engagement letter.

Although the Audit Committee is expected to take a detached and questioning approach to the matters that come before it, the review of the Fund's financial statements by the Committee is not an audit, nor does the Committee's review substitute for the responsibilities of the Fund's management for preparing, or the independent auditors for auditing, the

¹ In addition, for AMEX-listed funds, one member must be financially sophisticated, in that he or she has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background that results in the individual's financial sophistication, such as being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. No member of the Audit Committee of an AMEX-listed Fund may be an AMEX employee or an AMEX member who is active on its trading floor.

² For AMEX-listed Funds, the Board also may presume that an ACFE is financially sophisticated.

financial statements. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not employees of the Fund and are not, and do not represent themselves to be, accountants or auditors by profession. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures.

Each member of the Audit Committee shall be entitled to rely on the (i) integrity of those persons and organizations within and outside the Fund from which he or she receives information and (ii) accuracy of the financial and other information provided to the Committee by such persons and organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board). In addition, the evaluation of the Fund's financial statements by the Audit Committee is not of the same scope as, and does not involve the extent of detail as, audits performed by the independent auditors, nor does the Audit Committee's evaluation substitute for the responsibilities of the Fund's management for preparing, or the independent auditors for auditing the financial statements.

IV. Duties and Responsibilities of the Audit Committee

To carry out its purposes, the Audit Committee shall have the following duties and responsibilities:

- (a) to have direct responsibility for the appointment, compensation, retention and oversight of the Fund's independent auditors and, in connection therewith, to review and evaluate matters potentially affecting the independence and capabilities of the auditors;
- (b) to review and pre-approve (including associated fees) all audit and other services to be provided by the independent auditors to the Fund and all non-audit services to be provided by the independent auditors to the Fund's investment adviser or any entity controlling, controlled by or under common control with the investment adviser (an Adviser Affiliate) that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund;
- (c) to establish, to the extent permitted by law and deemed appropriate by the Audit Committee, detailed pre-approval policies and procedures for services described in (b) above;
- (d) to consider whether the independent auditors' provision of any non-audit services to the Fund, the Fund's investment adviser or an Adviser Affiliate not pre-approved by the Audit Committee are compatible with maintaining the independence of the independent auditors;
- (e) to meet with the Fund's independent auditors, including separate meetings as necessary, to: (i) review the arrangements for and scope of the annual audit and any special audits; (ii) review with the independent auditors any problems or difficulties the auditors encountered in the course of the audit work, including any restrictions on their activities or access to requested information and any significant disagreements with Fund management; (iii) review all critical accounting policies and practices applied by the Fund in preparing its financial statements; (iv) discuss any accounting adjustments noted or proposed by the independent auditors that were passed as immaterial or otherwise; (v) any communications between the audit team and the independent auditing firm's national office respecting auditing or accounting issues presented by the engagement; (vi) review any material written communications between the independent auditors and the Fund, including any management or internal control letter issued, or proposed to be

issued, by the independent auditors to the Fund, report or recommendation on internal controls, schedule of unadjusted differences, engagement letter and independence letter; and (vii) review the form of independent auditors' report to the Board and Fund shareholders (for NYSE- and AMEX-listed funds, the form of the auditors' report must be reviewed in advance of filing with the SEC);

- (f) to review (i) major issues regarding accounting principals and financial statement presentations, including any significant changes in the Fund's selection or application of accounting principles, and major issues as to the adequacy of the Fund's internal controls and any special audit steps adopted in light of material control deficiencies; (ii) analyses prepared by Fund management and/or the independent auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements; and (iii) the effect of regulatory and accounting initiatives on the financial statements of the Fund;
- (g) to discuss: (i) prior to filing with the SEC, the annual audited financial statements with management and the independent auditors, including management's discussion of Fund performance (NYSE- and AMEX-listed

Funds); (ii) for NYSE-listed Funds, semi-annual financial statements and any quarterly financial statements; and (iii) for NYSE-listed Funds, the type and presentation of information to be included in any earnings press releases (paying particular attention to any use of "pro forma" or "adjusted" non-GAAP information), including any financial information and earnings guidance provided to analysts and rating agencies (which discussions may be general in nature, such as the types of information to be disclosed and the type of presentation to be made), provided that each earnings release or guidance need not be discussed in advance;

- (h) to at least annually, ensure receipt of a formal written statement from the independent auditors delineating all relationships between the independent auditors and the Fund, consistent with Independent Standards Board Standard 1, in order to evaluate the independent auditors' qualifications, performance and independence, including the review and evaluation of the lead partner of the independent auditors, so that the Audit Committee can actively engage in a dialogue with the independent auditors with respect to any

disclosed relationships or services that may impact the objectivity and independence of the auditors, taking into account the opinions of Fund management and to further consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm itself, and to present conclusions of the review to the Board;

- (i) to at least annually, obtain and review a report by the independent auditors describing: (i) the independent auditing firm's internal quality-control procedures; and (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues;
- (j) to set clear policies relating to the hiring by entities within the Fund's investment company complex

- of employees or former employees of the independent auditors, in compliance with the requirements of Sarbanes-Oxley;
- (k) to establish procedures for the receipt, retention, and treatment of complaints received by the Fund relating to accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of the Fund or the Fund's investment adviser, administrator, principal underwriter or any other provider of accounting related services for the Fund, of concerns regarding questionable accounting or auditing matters pertaining to the Fund;
- (l) to periodically meet separately with the Fund's management and with the independent auditors;
- (m) to discuss with management, in a general manner, but not as a committee to assume responsibility for, the Fund's processes with respect to risk assessment and risk management;

- (n) to report its activities regularly to the Board, including any issues that arise with respect to (i) the quality or integrity of the Fund's financial statements, (ii) the Fund's compliance with legal or regulatory requirements, or (iii) the performance and independence of the independent auditors (including the Audit Committee's conclusions with respect to IV (h) above), and to make such recommendations with respect to the above and other matters as the Audit Committee may deem necessary or appropriate;
- (o) to prepare and review with the Board an annual performance evaluation of the Audit Committee, conducted in such manner as the Committee deems appropriate, which evaluation must compare the performance of the Audit Committee with the requirements of this Charter; and
- (p) to perform such other functions and to have such powers as may be necessary or appropriate in the efficient and lawful discharge of the powers provided in this Charter.

V. Operations of the Audit Committee

The Audit Committee shall meet regularly, as frequently as circumstances dictate (for AMEX-listed Funds only, at least quarterly), and is empowered to hold special meetings as circumstances require. The Audit Committee may request that

non-members attend a meeting of the Audit Committee or meet with any members of, or consultants to, the Audit Committee. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call, or similar communications equipment by means of which all persons participating in the meeting can hear each other, and may act by written consent to the extent permitted by law and the Fund's by-laws.

The Audit Committee shall have the authority to engage independent counsel and other advisers, as it determines necessary to carry out its duties. The Fund shall provide appropriate funding, as determined by the Audit Committee, for payment of compensation to (a) the independent auditors for preparing or issuing an audit report or performing other audit, review or attest services for the Fund or (b) any advisers employed by the Audit Committee. The Fund shall also provide appropriate funding for ordinary administrative expenses of the Audit Committee that are necessary and appropriate in carrying out its duties.

The Audit Committee shall review and reassess the adequacy of this Charter at least annually and recommend any changes to the Board. The Board also shall review and approve this Charter at least annually.

The Audit Committee, in its discretion, may delegate all or a portion of its duties and responsibilities to a subcommittee of the Audit Committee, including the authority to pre-approve any audit or non-audit services to be performed for the Fund, the Fund's investment adviser or any Adviser Affiliate by the independent auditors, provided any such approvals are presented to the Audit Committee at its next scheduled meeting.

Each Fund shall comply with the NYSE or AMEX certification requirements, if applicable.

REPORT OF THE AUDIT COMMITTEE

May 24, 2004

Edgar Filing: DREYFUS HIGH YIELD STRATEGIES FUND - Form DEF 14A

The audit committee oversees the Fund's financial reporting process on behalf of the Board of Trustees. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The committee reviewed with the independent registered public accounting firm (the "independent auditors" or "auditors"), who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Fund's accounting principles and such other matters as are required to be discussed with the committee under the standards of the Public Company Accounting Oversight Board (United States). In addition, the committee has discussed with the independent auditors the auditors' independence from management and the Fund, including the auditors' letter and the matters in the written disclosures required by the Independence Standards Board, and considered the compatibility of non-audit services with the auditors' independence.

The committee discussed with the Fund's independent auditors the overall scope and plans for the audits. The committee met with the independent auditors, with and without management present, to discuss the results of their audits, their evaluations of the Fund's internal controls, and the overall quality of the Fund's financial reporting.

In reliance on the reviews and discussions referred to above, the committee recommended to the Board of Trustees (and the Board has approved) that the audited financial statements be included in the Annual Report to Shareholders for the year ended March 31, 2004. The committee and the Board also have approved the selection of KPMG LLP as the Fund's independent auditors.
