Item 1.01 Entry into a Material Definitive Agreement

On March 23, 2005, the Compensation Committee of the Board of Directors of UNOVA, Inc. (the Company) approved an amendment to the Restricted Stock Agreement made as of July 9, 2003, between the Company and Robert T. Smith (the Agreement). The amendment changed Paragraph 5 of the Agreement to provide that the Restricted Stock shall not be forfeited upon termination of Mr. Smith s employment. As a consequence, Mr. Smith s Restricted Stock will vest if the Performance Goals under the Agreement are satisfied before the July 9, 2006 Expiration Date of the Agreement, even if he is not employed by the Company at the time of satisfaction of such Performance Goals. This change recognizes that the Performance Goals may be satisfied after termination of his employment as a result of his management of the Company s Industrial Automation Systems group prior to his departure. Mr. Smith, Senior Vice President of the Company and President of the Industrial Automation Systems group, is one of the Named Executive Officers whose compensation will be reported in the Company's proxy statement for the 2005 annual meeting of shareholders. The Agreement as amended is filed as Exhibit 10.1 to this report and is incorporated herein by reference.
