**PROXY STATEMENT  
FOR THE ANNUAL MEETING OF SHAREHOLDERS  
TO BE HELD MAY 30, 2007**

**QUESTIONS AND ANSWERS**

**Why am I receiving these proxy materials?**

We sent you this proxy statement and the accompanying proxy card because the Board of Directors of Zumiez Inc. is soliciting your proxy to vote at its 2007 Annual Meeting of Shareholders. You are invited to attend the annual meeting to vote on the proposal described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the accompanying proxy card.

We intend to mail this proxy statement and the accompanying proxy card on or about April 27, 2007 to all shareholders of record entitled to vote at the annual meeting.

**Who can vote at the annual meeting?**

Only shareholders of record at the close of business on April 13, 2007, the record date for the annual meeting, will be entitled to vote at the annual meeting. At the close of business on the record date, there were 27,880,512 shares of common stock outstanding and entitled to vote.

*Shareholder of Record: Shares Registered in Your Name*

If at the close of business on the record date, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company (f.k.a. Wachovia Bank, N.A.), then you are a shareholder of record. As a shareholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the accompanying proxy card to ensure your vote is counted.

*Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent*

If at the close of business on the record date, your shares were held, not in your name, but rather in an account at a brokerage firm, bank or other agent, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your broker, bank or other agent. The broker, bank or other agent holding your account is considered to be the shareholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy issued in your name from your broker, bank or other agent.

**What am I voting on?**

You are being asked to vote on the election of two directors. When you sign and mail the proxy card, you appoint Thomas D. Campion and Richard M. Brooks as your representatives at the meeting. (When

we refer to the named proxies, we are referring to Mr. Campion and Mr. Brooks.) This way, your shares will be voted even if you cannot attend the meeting.

### **How do I vote?**

For the election of directors, you may either vote For all the nominees or you may Withhold your vote for any nominee you specify. For any other matter to be voted on (if any), you may vote For or Against or abstain from voting. The procedures for voting are as follows:

#### *Shareholder of Record: Shares Registered in Your Name*

If you are a shareholder of record, you may vote in person at the annual meeting. Alternatively, you may vote by proxy by using the accompanying proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

- To vote in person, come to the annual meeting and we will give you a ballot when you arrive.
- To vote using the proxy card, simply complete, sign and date the accompanying proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

#### *Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent*

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a proxy or voting instruction form with these proxy materials from that organization rather than from us. You can vote by using the proxy or voting information form provided by your broker, bank or other agent or, if made available, vote by telephone or the internet. To vote in person at the annual meeting, you must obtain a legal proxy from your broker, bank, or other agent. Under a legal proxy, the bank, broker, or other agent confers all of its rights as a record holder (which may in turn have been passed on to it by the ultimate record holder) to grant proxies or to vote at the meeting. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a legal proxy. Please allow sufficient time to receive a legal proxy through the mail after your broker, bank, or other agent receives your request.

### **How many votes do I have?**

On each matter to be voted upon, you have one vote for each share of common stock you own as of the close of business on April 13, 2007, the record date for the annual meeting.

### **What if I return a proxy card but do not make specific choices?**

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted For the election of both nominees for director. If any other matter is properly presented at the meeting, one of the named proxies on your proxy card as your proxy will vote your shares using his or her best judgment.

### **Who is paying for this proxy solicitation?**

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

**What does it mean if I receive more than one proxy card?**

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return **each** proxy card to ensure that all of your shares are voted.

**Can I change my vote after submitting my proxy?**

Yes. You can revoke your proxy at any time before the applicable vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy with a later date,
- You may send a written notice that you are revoking your proxy to our Secretary at 6300 Merrill Creek Parkway, Suite B, Everett, WA 98203, or
- You may attend the annual meeting and vote in person (If you hold your shares beneficially through a broker, you must bring a legal proxy from the record holder in order to vote at the meeting).

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by them.

**How are votes counted?**

Votes will be counted by the inspector of election appointed for the meeting, who will separately count For and Withhold and, with respect to proposals other than the election of directors (if any), Against votes, abstentions and broker non-votes (if applicable). A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner, despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions. Abstentions and broker non-votes will not be counted towards the vote total for any proposal.

If your shares are held by your broker, bank or other agent as your nominee (that is, in street name), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker, bank or other agent to vote your shares. If you do not give instructions to your broker, bank or other agent, they can vote your shares with respect to discretionary items, but not with respect to non-discretionary items. Discretionary items are proposals considered routine under the rules of the New York Stock Exchange on which your broker, bank or other agent may vote shares held in street name in the absence of your voting instructions. Brokers may exercise discretion to vote shares as to which instructions are not given with respect to the proposal regarding the election of directors. On non-discretionary items for which you do not give instructions to your broker, bank or other agent, the shares will be treated as broker non-votes.

**How many votes are needed to approve each proposal?**

- For the election of directors, the nominees receiving the largest number of For votes (among votes properly cast in person or by proxy) will be elected as Class II directors. There is no cumulative voting for our directors. Withhold votes will have no practical effect in the election of directors because withhold votes do not represent votes For a nominee.

**What is the quorum requirement?**

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares as of the close of business on the record date are represented by shareholders present at the meeting or by proxy.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other agent) or if you vote in person at the meeting. Generally, abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

**How can I find out the results of the voting at the annual meeting?**

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our quarterly report on Form 10-Q for the second quarter of our fiscal year ending August 4, 2007.

## Director Nomination Procedures

The nominations to the Board of Directors were completed by the Governance and Nominating Committee. The Committee has established qualification requirements, composition criteria and the procedures for selecting new Directors. The Committee reviews the following considerations, among others, in its evaluation of candidates for Board of Director nomination: personal and professional ethics, training, commitment to fulfill the duties of the Board of Directors, commitment to understanding the Company's business, commitment to engage in activities in the best interest of the Company, independence, diversity, industry knowledge and contacts, financial and accounting expertise, leadership qualities, public company board of director and committee experience and other relevant experience and other relevant qualifications. A director candidate's ability to devote adequate time to the Board of Directors and committee activities is also considered.

The nominations and additions to the Board in our last fiscal year and through the date of this proxy statement were completed using procedures in accordance with the charter of the Board's Governance and Nominating Committee including the Director qualifications/criteria/skills as outlined in such charter. These procedures include:

- Initial review of potential director candidates by the Committee as submitted by the independent directors of the Board based on our established criteria for Board membership, including (without limitation): experience, skill set, diversity and the ability to act effectively on behalf of the shareholders and such other criteria as the Committee may deem relevant from time to time.
- Each director candidate was put forth for consideration as a director candidate independently by our independent directors based on their knowledge of the candidates. None of our independent directors had a relationship with any candidates which would impair his independence. Each candidate's biography was reviewed by each member of the Committee with the intention that each candidate would bring a unique perspective to benefit our shareholders and management.
- Interviews of director candidates were conducted by members of the Committee and senior management. These interviews confirmed the Committee's initial conclusion that candidates met the qualifications/criteria/skills to serve as a Director of the Company.
- Reference checks were conducted if further checks were required based on the level of knowledge about the candidate by members of the Committee.
- Background checks were conducted, including criminal, credit and bankruptcy, Securities and Exchange violations and/or sanctions, work history and education.
- Independence Questionnaires were completed by candidates and then reviewed by the Company, the Committee and the Company's attorneys to ensure candidates meet the requirements to be an independent director for the Board, Audit Committee, Compensation Committee, Governance and Nominating Committee and other committee purposes. The review also ensures the candidates' positions do not conflict in any material way with the business of the Company.
- Conclusion to nominate a candidate is based on all of the procedures reviewed above and the information attached. It is ensured through these procedures that the candidate appears to be well qualified to serve on the Company's Board of Directors, and its Committees and appears to meet the Nasdaq Stock Market and SEC requirements to be able to serve as an independent director and as a member of the audit committee and any other committee the Board may assign.
- No fees were paid to any third party search firms in connection with any director nominations.

The Governance and Nominating Committee of the Board will consider qualified nominees recommended by shareholders who may submit recommendations to the Committee in care of our Chairman of the Board and Secretary at the following address:

**Board of Directors**  
c/o Corporate Secretary  
Zumiez Inc.  
6300 Merrill Creek Parkway, Suite B  
Everett, Washington 98203

Nominees for director who are recommended by our shareholders will be evaluated in the same manner as any other nominee for director. Shareholder recommendations for director should include the following information:

- the name and address of the shareholder recommending the person to be nominated;
- a representation that the shareholder is a holder of record of stock of the Company, including the number of shares held and the period of holding;
- a description of all arrangements or understandings between the shareholder and the recommended nominee;
- such other information regarding the recommended nominee as would be required to be included in a proxy statement filed pursuant to Regulation 14A promulgated by the SEC pursuant to the Securities Exchange Act of 1934, as amended; and
- the consent of the recommended nominee to serve as a director of the Company if so elected.

The Governance and Nominating Committee may require that the proposed nominee furnish the Committee with other information as it may reasonably request to assist it in determining the eligibility of the proposed nominee to serve as a director.

To submit a recommendation for director for an upcoming annual shareholder meeting, it is necessary that a proposing shareholder notify the Company and provide the information set forth above no later than 120 days prior to the corresponding date on which the Company's annual proxy statement was mailed in connection with the most recent annual meeting.

#### **General Director Nomination Right of All Shareholders**

Specifically, these provisions require that written notice of a shareholder's intent to make a nomination for the election of directors be received by the Secretary of the Company not fewer than 120 days and not more than 150 days prior to the anniversary date of the prior year's annual meeting of shareholders, and that such notice include:

- The name, age, residence, personal address and business address of the shareholder who intends to make the nomination and of the person(s) to be nominated;

#### **SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table provides information regarding the beneficial ownership of our common stock as of April 12, 2007 by: (i) each of our directors; (ii) each of our executive officers named in the Summary Compensation Table included later in this proxy statement; (iii) all of our executive officers and directors as a group; and (iv) each person, or group of affiliated persons, known by us to beneficially own more than five percent of our common stock. The table is based upon information supplied by our officers, directors and principal shareholders and a review of Schedule 13Gs filed with the SEC. Unless otherwise indicated in the footnotes to the table and subject to community property laws where applicable, we believe that each of the shareholders named in the table has sole voting and investment power with respect to the shares indicated as beneficially owned.

## Edgar Filing: Zumiez Inc - Form DEF 14A

Applicable percentages are based on shares outstanding on April 12, 2007, adjusted as required by rules promulgated by the SEC. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities. In addition, the rules include shares of common stock issuable pursuant to the exercise of stock options that are either immediately exercisable or exercisable on or before June 11, 2007, which is 60 days after April 12, 2007. These shares are deemed to be outstanding and beneficially owned by the person holding those options or warrants for the purpose of computing the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person. Except as noted below, the address for each person that holds 5% or more of our common stock is c/o Zumiez Inc., 6300 Merrill Creek Parkway, Suite B, Everett, Washington 98203.

## EXECUTIVE COMPENSATION

### COMPENSATION DISCUSSION AND ANALYSIS

#### The Compensation Committee

Compensation for our executives is determined by the Compensation Committee (for purposes of this analysis the *Committee*) which currently consists of James M. Weber, Matthew L. Hyde, Gerald F. Ryles and David M. DeMattei. As discussed under the Corporate Governance section under the subheading, Independence of the Board of Directors and its Committees, each of the members satisfy all of the independence requirements of the Nasdaq Stock Market. Each member also meets applicable requirements under the regulations issued by the Securities and Exchange Committee as non-employee directors and the Internal Revenue Service as outside directors. As of the end of fiscal year 2006, our management team consisted of our Chairman, Chief Executive Officer, Chief Financial Officer and General Merchandising Manager. These executive officers are identified in the Summary Compensation Table and are referred to herein as *executive officers*. Prior to the creation of the Committee on March 22, 2005, the Company did not have a compensation committee and the non-management members of the Board of Directors reviewed the annual compensation of the Company's executive officers.

The mission of the Committee, as stated in its Charter, is to further shareholder value by helping to create compensation plans that provide financial incentives to employees for producing results that fairly reward shareholders. A copy of the Committee's charter is available at our website at <http://ir.zumiez.com>.

The Committee has regularly scheduled in-person meetings at least twice per year and has additional in-person or telephonic meetings as appropriate. The agenda for each meeting is set by the Chair. The Committee has full authority to directly retain the services of outside counsel and compensation consultants.

#### **Role of Executive Officers in Compensation Decisions**

Our Chief Executive Officer and other executive officers have attended portions of Committee meetings in order to provide information and help explain data relating to matters under consideration by the Committee but are not present during deliberations or determinations of their respective compensation or during executive sessions which occur in connection with each meeting. Outside counsel also regularly attends Committee meetings.

#### **Compensation Philosophy and Objectives**

The Committee believes that in order for us to succeed we must be able to attract, motivate and retain qualified executives. To that end, our compensation program is reviewed annually and modified, as appropriate, in order to be closely integrated with Company strategies and objectives for the ultimate purpose of growing shareholder value on a long-term basis.

The objective of the Committee in determining the type and amount of executive compensation is to provide a total compensation package consisting of a base salary, an annual incentive bonus, and long-term incentives in the form of equity-based awards, or some combination of the foregoing, that allows us to attract and retain talented executive officers and to align their interests with those of our shareholders. In particular, providing long-term incentives through the use of equity awards under the Company's 2005 Equity Incentive Plan provides an alignment of the financial interests of our executive officers with those of our shareholders.

Our compensation philosophy is to reward executives based on the Company's overall performance and the executives' past and current contributions and performance. As discussed in the next section, the annual incentive bonus plan and the long-term incentives (stock option awards) are by design directly linked to Company performance. The combination of base salaries, the annual incentive bonus plan and long-term incentives (stock options) are intended to provide an opportunity for executives to earn a total competitive compensation package which is closely linked to overall Company performance and that is competitive with the total compensation paid to similarly situated executives at peer and other locally based companies that compete with us for executive talent. It should be noted that the actual values obtained under either the annual incentive bonus plan or the long-term incentives may vary significantly depending on the performance of the Company in the case of the annual incentive bonus plan and specifically our stock price in the case of the long-term incentive awards. In conducting its review of compensation for the Company's executive officers, the Committee reviewed a compensation and benefits survey of selected retail-based companies prepared by Mercer Human Resource Consulting in partnership with the National Retail Federation.

### Design of the Executive Compensation Program

The three major elements to our executive compensation program – base salary, the annual incentive bonus plan and the long-term incentive awards – are reviewed and determined annually and presently consist of the following components:

#### *Base Salary*

Base salaries for our executive officers are intended to reasonably compensate them for services rendered during the fiscal year. Annual adjustments in base salaries are generally made effective at the beginning of the first month of the fiscal year for which they applied and therefore also reflect in large part the prior year’s business and individual performance achievements. The Committee met in March 2006 to consider the base salary rates of our executive officers. Based on a number of criteria, including (1) the Company’s strong performance in fiscal 2005, (2) individual performance of the executive officers, and (3) an internal review of the executive officers’ current compensation, increases in base salaries of the executive officers were approved.

For fiscal year 2006 each of the executive officers received the base salary set forth below.

<b>Executive Officer</b>	<b>2006 Base Salary</b>
Richard M. Brooks, President and CEO	\$ 231,000
Thomas D. Campion, Chairman of the Board	\$ 231,000
Lynn K. Kilbourne, General Merchandising Manager	\$ 226,600
Brenda I. Morris, Chief Financial Officer	\$ 220,000

Base salary is also a key component in determining awards under the annual incentive bonus plan since the bonus payable under that plan is determined by multiplying base salary by a percentage or factor in addition to other objective adjustments.

#### *Annual Incentive Bonus Plan*

Annual incentive bonuses are intended to reflect the Committee’s belief that a significant portion of the annual compensation of each executive officer should be contingent upon our performance, as well as the individual contribution of each executive officer. Accordingly, our executive officers, including our Chief Executive Officer, participate in an annual executive incentive bonus plan, referred to as the *Executive Bonus Plan*, which provides for cash bonuses based upon the achievement of certain specified financial goals for us for the fiscal year. The Committee annually establishes targeted financial performance levels for the ensuing fiscal year in conjunction with our annual financial plan and expectations regarding earnings per share and Company performance. Upon the achievement of various increasing levels of performance above the minimum target levels, the bonus increases up to a maximum amount currently equal to the executive’s annual salary. Similarly, in the event applicable performance levels are not reached, then no bonus will be awarded. The purpose of the Executive Bonus Plan is to reward and reinforce executive management’s commitment to achieve levels of profitability and return consistent with increasing shareholder value.

Cash bonuses earned under the Executive Bonus Plan are paid each year upon completion of our annual audit of the results of operations for the previous fiscal year by our independent auditors. In fiscal 2006, executive officers received bonuses for fiscal 2005 under the Executive Bonus Plan.

In March of 2006, the Committee approved the terms of the Executive Bonus Plan for fiscal year 2006 (the *2006 Bonus Plan*). The 2006 Bonus Plan used the following criteria with respect to Company performance during fiscal 2006 in determining bonus awards thereunder: same store sales growth, earnings growth and improvements in product margin. Performance thresholds or levels were established for each of the criteria and the criteria were assigned different weighting in calculating the amounts payable under

the 2006 Bonus Plan. The weighting of criteria was also tailored for each executive officer depending on his or her position and responsibilities within the Company. For each of the performance criteria there was a threshold (50% of target) below which no bonus will be earned for a respective criterion. Furthermore, there were maximum points (200% of target for same store sales growth; 175% of target for earnings growth and 200% of target for improvements in product margin) at which no further bonus amount can be earned for a respective criterion. Performance levels are established at levels that are achievable, but require better than expected planned performance and generally the Committee sets the threshold, target and maximum levels such that the relative difficulty of achieving the target levels is consistent from year to year. The maximum overall payout to each executive officer under the 2006 Bonus Plan is an amount equal to close to the full amount of his or her base salary. Bonus payments under the 2006 Bonus Plan were made in March 2007 (after the Company received its audited 2006 financial results and after review and approval of the Committee) and are as set forth below.

<b>Executive Officer</b>	<b>2006 Bonus</b>
Thomas D. Campion, Chairman of the Board	\$ 209,875
Richard M. Brooks, President and CEO	\$ 209,875
Lynn K. Kilbourne, General Merchandising Manager	\$ 206,225
Brenda I. Morris, Chief Financial Officer	\$ 198,000

#### *Long-Term Incentives*

The use of stock option awards as long-term incentives for executive officers helps the Company to (1) enhance the linkage between the creation of shareholder value and long-term executive incentive compensation, (2) provide an opportunity for increased equity ownership by executives and (3) maintain a competitive level of total compensation. In addition, stock options are awarded subject to a vesting schedule to better enhance executive retention with the Company.

The Committee believes that the use of stock options very closely aligns executive compensation with the value to be received by shareholders during the same period. An option award provides the executive with a benefit only if the value of Company shares increases over the exercise price of the options, and potentially provides greater leverage since more shares are included in an option grant than in a grant of restricted stock. While restricted stock will fluctuate with the value of Company shares and provide a benefit even if the value of the Company's shares decline, it has less upside potential than stock options since fewer shares are awarded than in an option grant having an equivalent initial value. Accordingly, at this time, the Committee has chosen to solely use stock option awards as long-term incentives.

Stock option awards are determined based on prior year performance of the Company and the executive officer and the level of equity ownership in the Company that the executive already has accumulated. Stock option awards also may vary among executive officers based on their respective positions within the Company. Except as noted below, all stock option awards are generally granted at the Committee's regularly scheduled March meeting and prior to the release of the Company's prior fiscal year annual earnings. Newly hired executive officers who are eligible to receive options are awarded such options effective as of the date and the amount set forth in their respective offer letter with a vesting schedule beginning as of their respective date of hire.

On March 9, 2006, the Company granted options to acquire 40,000 shares of Company stock to Brenda Morris, Chief Financial Officer, and to Lynn Kilbourne, General Merchandising Manager, respectively. The stock options were granted pursuant to the Company's 2005 Equity Incentive Plan. The stock options have a ten year term and 20% of the options vest on the one-year anniversary of the grant, and 1/48th of the remaining options vest each month thereafter. The stock options have an exercise price equal to the closing price of the Company's stock on March 9, 2006. No awards of stock options were made to the executive officers during fiscal 2005.

### **Employment Agreement with President and Chief Executive Officer**

The Company is party to an Executive Agreement with Richard M. Brooks, pursuant to which he serves as our President and Chief Executive Officer. The agreement has no fixed term and terminates upon the death or disability of Mr. Brooks or upon written notice from either party. Under the agreement, Mr. Brooks is eligible to be considered for an annual discretionary bonus of up to \$100,000 and future stock option grants. The agreement further provides that if we terminate Mr. Brooks' employment without cause or if he terminates his employment for good reason, he will continue to receive his base salary until he accepts employment with another employer, but in no event longer than 18 months after the termination of his employment.

### **Tax and Accounting Implications**

#### *Deductibility of Executive Compensation*

Section 162(m) of the Internal Revenue Code limits the Company's ability to deduct certain compensation over \$1 million paid to the executive officers unless such compensation is based on performance objectives meeting certain criteria or is otherwise excluded from the limitation. The Committee believes that it is generally in the Company's best interests to comply with Section 162(m) and expects that most of the compensation paid to the named executives will either be under the \$1 million limit, eligible for exclusion (such as stock options) under the \$1 million limit, or based on qualified performance objectives. However, notwithstanding this general policy, the Committee also believes that there may be circumstances in which the Company's interests are best served by maintaining flexibility in the way compensation is provided, whether or not compensation is fully deductible under Section 162(m). Accordingly, it is possible that some compensation paid to executive officers may not be deductible to the extent that the aggregate of non-exempt compensation exceeds the \$1 million level.

#### *Accounting for Stock-Based Compensation*

Effective January 29, 2006 the Company adopted the fair value method of accounting for stock-based compensation arrangements in accordance with Financial Accounting Standards Board ( FASB ) Statement No. 123(R), Share-Based Payment ( SFAS No. 123(R) ), using the modified prospective method of transition. Under the provisions of SFAS No. 123(R), the estimated fair value of share based awards granted under the Company's 2005 Equity Incentive Plan is recognized as compensation expense over the vesting period. Using the modified prospective method, compensation expense is recognized beginning with the effective date of adoption of SFAS No. 123(R) for all share based payments (i) granted after the effective date of adoption and (ii) granted prior to the effective date of adoption and after the Company's initial public offering on May 5, 2005.

(4) With the exception of Mr. DeMattei, each non-employee director was granted 10,000 options at the Company's annual meeting of shareholders on May 31, 2006. This column represents the dollar amount recognized for financial statement reporting purposes with respect to the 2006 fiscal year for the fair value of stock options granted to the non-employee directors in fiscal 2006 in accordance with FAS 123R. Pursuant to SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. For additional information, refer to Note 2 to the Notes to Consolidated Financial Statements in our 2006 Form 10-K (listed under Stock Compensation). These amounts reflect the Company's accounting expense for these awards, and do not correspond to the actual value that will be recognized by the non-employee directors.

(5) Mr. DeMattei was granted 10,000 options on November 13, 2006. Mr. DeMattei joined the Board of Directors subsequent to the Company's annual meeting of shareholders in August of 2006.

#### **Potential Payments Upon Termination or Change in Control**

Except for our Chief Executive Officer, the named executive officers do not have employment or severance agreements with the Company. Certain of the named executive officers have unvested stock options under the Company's 2005 Equity Incentive Plan, the vesting of which may accelerate in the event of a Change in Control (as defined below). The information below is a summary of certain provisions of these agreements and does not attempt to describe all aspects of the agreements. The rights of the parties are governed by the actual agreements and are in no way modified by the abbreviated summaries set forth in this proxy statement.

Following the description of the agreements, there is a table showing the potential payments the named executive officers could have received under these arrangements, assuming that, in the case of Mr. Brooks, his employment was terminated by the Company without cause or for good reason by Mr. Brooks on February 3, 2007, or in the case of Ms. Morris or Ms. Kilbourne, the vesting of certain of their options was accelerated in connection with a Change in Control on February 3, 2007.

#### *Employment Agreement for Richard M. Brooks*

Mr. Brooks' Employment Agreement provides that if his employment is terminated by the Company without cause (as defined in the Employment Agreement) or by Mr. Brooks with good reason (as defined in the Employment Agreement), then the Company shall continue to pay Mr. Brooks' base salary until the earlier of the date that he accepts employment with another employer or upon the expiration of eighteen (18) months after his termination of employment. All employee benefits shall cease upon termination of employment. As a condition to post-termination salary continuation payments, (i) the Company may require that Mr. Brooks provide consulting services to the Company on a reasonable basis during the period that payments continue and (ii) Mr. Brooks must be in compliance with covenants in the Employment Agreement relating to confidentiality, return of confidential information, assignment of inventions, non-solicitation and non-competition.

#### *Acceleration of Stock Option Vesting*

The Company's 2005 Equity Incentive Plan provides that in the event of a Change in Control (as defined below), if the surviving corporation does not assume or continue outstanding stock option awards or substitute similar stock option awards for those outstanding under the 2005 Equity Incentive Plan, then all such outstanding stock options will be accelerated and become fully vested and exercisable immediately prior to the consummation of the Change in Control transaction.

For purposes of the 2005 Equity Incentive Plan, "Change in Control" means:

- (i) the consummation of a merger or consolidation of the Company with or into another entity or any other corporate reorganization, if more than 50% of the combined voting power of the continuing or surviving entity's securities outstanding immediately after such merger, consolidation or other reorganization is owned by persons who were not shareholders of the Company immediately prior to such merger, consolidation or other reorganization; or
- (ii) the sale, transfer or other disposition of all or substantially all of the Company's assets.

A transaction shall not constitute a Change in Control if its sole purpose is to change the state of the Company's incorporation or to create a holding company that will be owned in substantially the same proportions by the persons who held the Company's securities immediately before such transaction.

**Estimated Payments on Termination or Change in Control**

Name	Cash Severance upon Termination by Company without Cause or by Executive for Good Reason	Stock Option Vesting in Connection with a Change in Control
Richard M. Brooks, CEO(1)	\$ 346,500	
Brenda I. Morris, CFO(2)		\$ 255,000
Thomas D. Campion, Chairman		
Lynn K. Kilbourne, GMM(2)		\$ 255,000

(2) Represents the amount calculated by multiplying the number of in-the-money options with respect to which the vesting would accelerate as a result of a Change in Control under the circumstances noted by the difference between the exercise price and the closing price of a share of common stock on the last trading day of the 2006 fiscal year. The number of shares subject to unvested stock options and exercise prices thereof are shown above in the Outstanding Equity Awards at Fiscal Year-End table.

**Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm**

The Audit Committee pre-approves all auditing services, internal control-related services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent auditor, subject to the de minimis exception (discussed below) for non-audit services that are approved by the Audit Committee prior to the completion of the audit. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee will evaluate whether any permitted non-audit services are compatible with maintaining the auditor's independence.

As discussed above, all services of the auditor must be pre-approved by the Audit Committee except for certain services other than audit, review or attest services that meet the de minimis exception under 17 CFR Section 210.2-01, namely:

- the aggregate amount of fees paid for all such services is not more than 5 percent of the total fees paid by the Company to its auditor during the fiscal year in which the services are provided;
- such services were not recognized by the Company at the time of the engagement to be non-audit services; and
- such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit.

During fiscal years 2006 and 2005, there were no such services that were performed pursuant to the de minimis exception.

**Termination of PricewaterhouseCoopers LLP; Engagement of Moss Adams LLP**

On April 27, 2006, the Company dismissed PricewaterhouseCoopers LLP ( *PwC* ) as its independent registered public accounting firm and engaged Moss Adams LLP as its new independent registered public accounting firm. The decision to change independent registered public accounting firms was approved by the Audit Committee of the Company's Board of Directors.

The Company disclosed these events in a Current Report on Form 8-K filed with the SEC on May 3, 2006 (the *Form 8-K* ), which included the following information:

The reports of PwC on the Company's financial statements as of and for the years ended January 29, 2005 and January 28, 2006 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle. During the fiscal years ended January 29, 2005 and January 28, 2006 and through April 27, 2006, there were (1) no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PwC, would have caused PwC to make reference thereto in their reports on the financial statements for such years, and (2) no reportable events (as defined in Regulation S-K Item 304(a)(1)(v)). PwC provided to the Company a letter addressed to the SEC stating that it agreed with the statements of the Company made in the Form 8-K in response to Item 304(a).

During the fiscal years ended January 29, 2005 and January 28, 2006 and through April 27, 2006, the Company did not consult with Moss Adams LLP or any other independent accounting firm regarding either (1) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, or (2) any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event, as that term is described in Item 304(a)(1)(v) of Regulation S-K.

**HOUSEHOLDING OF PROXY MATERIALS**

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers, banks and other agents) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as householding, potentially means extra convenience for shareholders and cost savings for companies.

A number of brokers, banks or other agents with account holders who are shareholders of the Company will be householding our proxy materials. A single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker, bank or other agent that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker, bank or other agent, and direct a written request for the separate proxy statement and annual report to Secretary, Zumiez Inc., 6300 Merrill Creek Parkway, Suite B, Everett, WA 98203. Shareholders whose shares are held by their broker, bank or other agent as nominee and who currently receive multiple copies of the proxy statement at their address that would like to request householding of their communications should contact their broker, bank or other agent.
