**Item 2.02.** Results of Operations and Financial Conditions.

On May 3, 2007, Activision, Inc. (the Company) issued a press release announcing preliminary net revenue for its fiscal fourth quarter and fiscal year ended March 31, 2007 and its net revenue outlook for future periods. A copy of the press release is attached hereto as Exhibit 99.1. The Company plans to host a conference call shortly after it has filed its restated financial statements on which it will disclose additional financial results of operations for its fiscal fourth quarter and fiscal year ended March 31, 2007 and additional information on outlook for the fiscal year ending March 31, 2008.

The Company is continuing to work toward the final completion of its review of historical stock option grants and the restatement of past financial statements. At present, the Company expects to record additional non-cash charges for stock-based compensation expenses in prior periods totaling approximately \$67 million before taxes from stock options granted over a thirteen fiscal year period from 1994 - 2006. The Company hopes to be in a position to file its restated financial statements and become current with its period filings with the Securities and Exchange Commission by the end of May 2007.

**Item 8.01.** Other Events.

The Nasdaq Listing and Hearing Review Council (the Listing Council) has granted a request by the Company for additional time to regain compliance with Nasdaq listing requirements, beyond the May 9, 2007 deadline granted by a Nasdaq Listing Qualifications Panel. As a consequence of this action, the Nasdaq Hearing Review Council will review the Nasdaq Listing Qualification Panel's February 8, 2007 decision. Under the schedule established by the Listing Council, the Company has until May 23, 2007 to provide an updated qualifications sheet and until June 1, 2007 to submit any additional information that it wishes the Listing Council to consider in its review, but otherwise no dates have been set for the Listing Council to complete its review or render a decision. The Company currently expects to complete the restatement of its financial statements, make all required filings, and regain compliance with Nasdaq listing requirements before the completion of the Listing Council's review; however, there can be no assurance of this and there can be no assurance that the listing of the Company's stock on the Nasdaq will be maintained.
