2008 ANNUAL MEETING OF SHAREHOLDERS

To be Held June 26, 2008

PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement and the enclosed form of proxy card are being sent or given to shareholders of Aspyra, Inc., a California corporation (the "Company" or "Aspyra"), in connection with the solicitation of proxies by Aspyra's management on behalf of the Board of Directors of the Company for use at the 2008 Annual Meeting of Shareholders (the "Annual Meeting") to be held on Thursday, June 26, 2008, at 10:00 a.m. Pacific Time at the Company's offices at 26115-A Mureau Road, Calabasas, California 91302. The Annual Report on Form 10-KSB to the shareholders of the Company for the fiscal year ended December 31, 2007, including its financial statements and information concerning the Company, is enclosed with this mailing. This Proxy Statement and the accompanying proxy card are first being mailed to our shareholders on or about May 13, 2008.

Method of Voting

Edgar Filing: ASPYRA INC - Form PRE 14A

Shareholders can vote by proxy or by attending the Annual Meeting and voting in person. A proxy card is enclosed. If you vote by means of the proxy card, the proxy card must be completed, signed and dated by you or your authorized representative. The completed proxy card may be returned in the postage-paid envelope provided or by facsimile to attention Corporate Secretary at (818) 880-4398. James Helms and Anahita Villafane, the designated proxy holders, are members of the Company's management. If you hold Common Stock in street name, you must instruct your broker or nominee as to how to vote such shares.

Solicitation and Voting of Proxies

If a proxy card is properly signed, dated and returned and is not revoked, the shares represented by the proxy card will be voted at the Annual Meeting in accordance with the shareholder's instructions indicated on the proxy card. If no instructions are indicated on the proxy card, the shares will be voted FOR each of the nominees named herein for election as directors, FOR Proposal No. 2 approving the potential issuance of shares of Common Stock below book value in connection with the conversion or exercise of outstanding Company promissory notes and warrants, FOR Proposal No. 3 to amend the Company's Articles of Incorporation to increase the authorized number of shares of Common Stock,

FOR ratification of the appointment of BDO Seidman, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2008, and in accordance with the recommendations of the Board of Directors upon such other business as may properly come before such meeting (including any proposal to adjourn the Annual Meeting) or any and all continuations, postponements or adjournments thereof. If cumulative voting rights are exercised with respect to the election of directors at the Annual Meeting, then the holders of properly executed and returned proxies will be entitled to cumulate and allocate the votes represented by proxies held by such holders in a manner that will result in the approval of the maximum number of directors from the nominees selected by the Board.

Edgar Filing: ASPYRA INC - Form PRE 14A

In the event that sufficient votes in favor of the proposals are not received by the date of the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit further solicitations of proxies. Any such adjournment would require the affirmative vote of the majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote.

This solicitation is made on behalf of the Board of Directors of the Company, and its cost (including preparing and mailing of the notice, this Proxy Statement and the form of proxy) will be paid by the Company. The Company will also make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send the proxy materials to their principals and will reimburse them for their reasonable expenses in so doing. To the extent necessary in order to assure sufficient representation at the Meeting, officers and regular employees of the Company may solicit the return of proxies by mail, telephone, telegram and personal interview. No compensation in addition to regular salary and benefits will be paid to any such officer or regular employee for such solicitation.

Revocation of Proxy

A shareholder giving a proxy has the power to revoke it at any time before it is exercised by giving written notice of revocation to the Secretary of the Company, by executing a subsequent proxy card, or by attending the Annual Meeting and voting in person. If you have instructed your broker to vote your shares, you must follow directions received from your broker to change those instructions. Subject to any such revocation, all shares represented by properly executed proxy cards will be voted in accordance with the specifications on the enclosed proxy card.

Record Date

The close of business on May 7, 2008 has been fixed as the record date (the Record Date) for the determination of shareholders entitled to notice of and to vote at the Annual Meeting and any postponements or adjournments thereof. As of the Record Date, we estimate that there will be 12,437,150 shares of the Company's Common Stock outstanding and entitled to vote and 338 shareholders of record. There are no outstanding securities of the Company other than the Common Stock entitled to vote at the Annual Meeting.

Quorum

In order to conduct business at the Annual Meeting, a quorum must be present. A majority of the shares of Common Stock entitled to vote, present in person or represented by proxy, will constitute a quorum at the Annual Meeting. We will treat shares of Common Stock represented by a properly signed and returned proxy card, including abstentions and broker non-votes, as present at the Annual Meeting for the purposes of determining the existence of a quorum. Each share of Common Stock issued and outstanding on the Record Date is entitled to one vote on any matter presented for consideration and action by the shareholders at the Annual Meeting, subject, in the case of election of directors, to the cumulative voting provisions described below.

Voting Requirements

Edgar Filing: ASPYRA INC - Form PRE 14A

Directors are elected by a plurality of the votes cast in person or by proxy at the Annual Meeting. This means that the seven individuals nominated for election to the Board who receive the most votes will be elected. In voting for directors of the Company, each shareholder has the right to cumulate votes and give one candidate a number of votes equal to the number of directors to be elected, multiplied by the number of votes to which the shares are entitled, or to distribute the votes on the same principle among as many candidates as the shareholder chooses. The candidates receiving the highest number of votes, up to the number of directors to be elected, shall be elected. For a shareholder to exercise cumulative voting rights, such shareholder must give notice of his or her intent to cumulate votes prior to the vote at the Annual Meeting. Instructions for allocation may be marked on the proxy card in the space provided opposite each nominee's name and, if the proxy card is properly marked, the persons acting under the proxy will give notice of the shareholder's intent to vote cumulatively. Unless a contrary instruction is properly marked on the proxy card, the persons acting under the proxy will cumulatively vote so as to maximize the probability that each nominee will be elected.

Approval of Proposal No. 2 regarding the potential issuance of up to 10,923,919 shares of the Company's Common Stock below book value under notes and warrants previously issued in our March 2008 private placement will require the affirmative vote of a majority of the shares of our Common Stock represented at the Annual Meeting in person or by proxy and entitled to vote. Abstentions and broker non-votes on this proposal will have the same effect as a vote AGAINST this proposal for purposes of determining whether it has been approved, and thus will affect the outcome of the vote.

Approval of Proposal No. 3 to amend the Company's Amended and Restated Articles of Incorporation to increase the authorized number of shares of the Company's Common Stock will require the affirmative vote of the holders of a majority of the outstanding shares of Common Stock. Abstentions and broker non-votes on this proposal will have the same effect as a vote AGAINST this proposal for purposes of determining whether it has been approved, and thus will affect the outcome of the vote.

Approval of Proposal No. 4 regarding the ratification of the appointment of BDO Seidman, LLP as Aspyra's independent registered public accounting firm for the fiscal year ending December 31, 2008 and approval of any other proposals to be brought before the Annual Meeting will each require the affirmative vote of a majority of the shares of Common Stock entitled to vote that are present in person or represented by proxy at the Annual Meeting and voting on the proposal, which affirmative votes must also constitute at least a majority of the required quorum. Abstentions will have the same effect as a vote AGAINST these proposals but broker non-votes will have no effect on the outcome of the vote on these proposals.

Abstentions. A shareholder may withhold authority to vote for one or more nominees for director and may abstain from one or more of the other matters to be voted on at the Annual Meeting. If you return a properly executed proxy card marked ABSTAIN with respect to a particular proposal or marked WITHHELD with respect to one or more director nominees, then the shares represented by that proxy card will be counted as present at the Annual Meeting for purposes of determining a quorum, but those shares will not be voted at the Annual Meeting with respect to such proposal or nominee. Shares for which authority is withheld will have no effect on the voting for the election of directors (which requires a plurality of the votes cast). However, shares that a shareholder abstains from voting will be included in the total of votes cast and have the same effect as a vote AGAINST Proposals No. 2, No. 3 and No. 4.

Broker Non-Votes. If your shares are held by a broker, the broker will vote your shares for you if you provide instructions to your broker on how to vote. You should follow the directions provided by your broker regarding how to instruct your broker to vote your shares. Broker non-votes are shares held by a broker or other nominee that are represented at the Annual Meeting, but with respect to which the broker or nominee has not received instructions from the beneficial owner of the shares to vote on the particular proposal and does not have discretionary voting power on the proposal. Brokers holding shares of record for beneficial owners generally are entitled to exercise their discretion to follow the recommendation of the Board of Directors and vote in favor of Proposals No. 1 (election of directors) and No. 4 (ratification of auditors), but do not have the discretion to vote on Proposal No. 2 or No. 3 included in this Proxy Statement unless they receive other instructions from their customers. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum at the Annual Meeting but will not be counted for purposes of determining the number of shares represented and voting with respect to a proposal. Accordingly, broker non-votes will have no effect on voting on the election of directors or on the ratification of the independent registered public accounting firm. However, broker non-votes will have the effect of a vote AGAINST Proposal No. 2 regarding the potential issuance of shares of our Common Stock and Proposal No. 3 regarding amendment of the Company's Articles of Incorporation.

Voting Shares in Person that are Held Through Brokers. If your shares are held of record by your broker, bank or another nominee and you wish to vote those shares in person at the Annual Meeting, you must obtain from the nominee holding your shares a properly executed legal proxy identifying you as an Aspyra shareholder, authorizing you to act on behalf of the nominee at the Annual Meeting and identifying the number of shares with respect to which the authorization is granted.

Procedures for Shareholder Nominations

The Company's Bylaws provide that a shareholder may nominate candidates for the Board of Directors at an Annual Meeting. Shareholders seeking to nominate a candidate for election as director at an Annual Meeting must provide timely advance written notice to our Corporate Secretary. To be timely for the 2009 Annual Meeting, a shareholder's notice must be delivered to or mailed and received by the Corporate Secretary of Aspyra at our principal executive offices (at 26115-A Mureau Road, Calabasas, California 91302) within a reasonable amount of time prior to the first mailing of the Proxy Statement. The requesting shareholder should provide sufficient biographical information about the proposed candidate to satisfy the requirements of the Securities and Exchange Commission for inclusion in the Proxy Statement and to permit the Board of Directors to evaluate the proposed candidate in light of the criteria described under the caption "Nominating Procedures and Criteria." The request should also provide the full name, address and telephone number of the requesting shareholder and sufficient information to verify that the requesting shareholder is eligible to vote at the Annual Meeting. Additional information and certifications by the requesting shareholder and the proposed candidate may be required before the Board of Directors can make its evaluation.

Other Business

If any other matters besides the proposals described in this Proxy Statement are promptly presented for consideration at the Annual Meeting, the persons named as proxy holders will have discretion to vote on these other matters according to their best judgment to the same extent as the person delivering the proxy card would be entitled to vote. At the date this Proxy Statement went to press, we did not anticipate any other matter would be raised at the Annual Meeting.

PROPOSAL NO. 1**ELECTION OF DIRECTORS**

The Bylaws of the Company provide that the Company's Board of Directors shall consist of not less than three nor more than nine directors, as determined by the Company's Board of Directors, each to hold office for a term of one year and until a successor shall be duly elected and qualified. The present number of directors constituting the entire Board is seven.

A board of seven directors is to be elected at the Annual Meeting. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the Company's seven nominees named below, all of whom are presently directors of the Company. In the event that any nominee of the Company is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in accordance with cumulative voting as will assure the election of as many of the nominees listed below as possible, and, in such event, the specific nominees to be voted for will be determined by the proxy holders. The Company is not aware of any nominee who will be unable or will decline to serve as a director. The term of office of each person elected as a director will continue until the next Annual Meeting of Shareholders or until a successor has been elected and qualified. The candidates for the Board of Directors receiving the seven highest vote totals will be elected to serve as members of the Board of Directors. There are no family relationships among directors or executive officers of the Company.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE
NOMINEES FOR DIRECTOR NAMED ABOVE.**

CORPORATE GOVERNANCE

Corporate Governance Principles

Pursuant to California law and the Company's Bylaws, the Company's business, property and affairs are managed under the direction of the Board of Directors. Thus, the Board of Directors is the ultimate decision-making body of the Company except with respect to those matters reserved for the shareholders.

The Board of Directors selects the senior management team, which is charged with the day-to-day operations of the Company's business. Members of the Board of Directors are kept informed of the Company's business through discussions with the Chief Executive Officer and other senior officers, by reviewing materials requested by them or otherwise provided to them and by participating in meetings of the Board of Directors and its committees. Having selected the senior management team, the Board of Directors acts as an advisor and counselor to senior management, monitors its performance and proposes or makes changes to the senior management team when it deems necessary or appropriate.

Director Independence

The Board affirmatively determines the independence of each director and nominee for election as a director in accordance with guidelines it has adopted, which include all elements of independence set forth in Rule 10A-3 and Regulation S-B under the Securities Exchange Act of 1934 and in Section 803A of the American Stock Exchange (AMEX) Company Guide for small business filers. These guidelines help ensure that the Board and its committees are independent from management and that the interests of the Board and management align with the interests of the shareholders. Based on these standards, the Board has determined that each of the Company's directors, other than Mr. Zierick and Mr. Sym-Smith, is independent under the standards described above.

Board Meetings and Committees

During the fiscal year ended December 31, 2007, the Board of Directors held a total of five meetings.

Compensation Committee. The Board of Directors of the Company has established a Compensation Committee for the purpose of reviewing and making recommendations concerning compensation plans and salaries of officers and other key personnel. The Compensation Committee has not adopted a charter. The Compensation Committee, as an ongoing responsibility, periodically reviews industry related surveys of other companies similar in size and complexity to the Company to determine reasonable salary ranges and incentive compensation for its managers and key employees. The members of the Compensation Committee are Lawrence S. Schmid, Robert S. Fogerson, Jr., and C. Ian Sym-Smith. All members of the Compensation Committee, other than Mr. Sym-Smith, are independent. The Compensation Committee met once during the fiscal year ended December 31, 2007.

Audit Committee. The Board of Directors of the Company has also established an Audit Committee for the purpose of meeting with the Company's independent registered public accounting firm and to review the scope of the audit, internal accounting controls, any change in accounting principles, significant audit adjustments, audit disclosures and related matters. The members of the Audit Committee are Lawrence S. Schmid, Norman R. Cohen, and Jeffrey Tumbleson. The Board has determined that Mr. Schmid qualifies as an audit committee financial expert as defined under the rules of the SEC. The Board has determined that all three members of the Audit Committee are independent as that term is defined by Rule 10A-3 under the Securities Exchange Act of 1934 and by the listing standards of the American Stock Exchange for small business filers under the Securities and Exchange Commission Regulation S-B.

The Audit Committee met four times during the fiscal year ended December 31, 2007. The Board initially adopted a charter for the Audit Committee in March 2000, and later amended the charter in June 2000. The current copy of the charter for the Audit Committee is available to security holders on the Company's website at www.aspyra.com. The Audit Committee recommends the engagement of BDO Seidman, LLP as the Company's independent registered public accounting firm.

Nominating Committee. In April 2007, the Company established a Nominating Committee which consists of John Mutch and Norman R. Cohen, both of whom are independent directors. The Nominating Committee has not yet adopted a formal charter. The Committee is responsible for nominating the slate of the directors which are then approved by the entire Board of independent directors. All members of the Nominating Committee are independent. The Nominating Committee met twice during the fiscal year ended December 31, 2007.

Nominating Procedures and Criteria

Once the Nominating Committee makes its recommendation, the entire Board of independent directors considers and approves nominees for election to the Board of Directors. In addition to the candidates proposed by the Board of Directors, the Board of Directors considers candidates for director suggested by shareholders, provided such recommendations are made in accordance with the procedures set forth in the Bylaws and described under Shareholder Proposals. Shareholder nominations that meet the criteria outlined below will receive the same consideration that the Board of Director's nominees receive.

Edgar Filing: ASPYRA INC - Form PRE 14A

Essential criteria for all candidates considered by the Board of Directors include the following: integrity and ethical behavior, maturity, management experience and expertise, independence and diversity of thought and broad business or professional experience, an understanding of business, financial affairs and the complexities of business organizations.

In evaluating candidates for certain Board positions, the Board of Directors evaluates additional criteria, including the following: financial or accounting expertise, industry expertise, marketing, business and other experience relevant to public companies of a size comparable to the Company, and experience in investment banking, commercial lending or other financing activities.

In selecting nominees for the Board of Directors, the Board of Directors evaluates the general and specialized criteria set forth above, identifying the relevant specialized criteria prior to commencement of the recruitment process. If the candidate is a candidate for re-election, the Board considers previous performance and generally considers the candidate's ability to contribute to the success of the Company.

Edgar Filing: ASPYRA INC - Form PRE 14A

The Board of Directors nominees for the Annual Meeting have been recommended by the independent members of the Board of Directors.

Shareholders did not propose any candidates for election at the Annual Meeting.

Shareholder Communications with Directors

You may communicate with each chairman of our Board Committees, or with our independent directors as a group by writing to such persons c/o Aspyra, Inc., 26115-A Mureau Road, Calabasas, California 91302, Attention Board of Directors.

We will initially receive and process communications before forwarding them to the addressee. Additionally, the Board has requested that certain items that are unrelated to the duties and responsibilities of the Board should be excluded, such as junk mail and mass mailings, product complaints, product inquiries, new product suggestions, résumés and other forms of job inquiries, and surveys. In addition, material that is unduly hostile, threatening, illegal or similarly unsuitable will be excluded, with the provision that any communication that is filtered out must be made available to any outside director upon request.

- (1) Mr. Besbeck retired in November 2007. On December 20, 2007, the Company and Mr. Besbeck entered into a Separation Agreement and General Release pursuant to which (i) Mr. Besbeck shall receive severance equal to one year of his base salary in effect as of November 30, 2007, to be paid in equal bi-weekly installments over eighteen months;

(ii) the Company shall pay COBRA benefits to Mr. Besbeck for up to eighteen months; (iii) the Company shall accelerate the vesting of options exercisable for 35,000 of the Company's Common Stock previously granted to Mr. Besbeck pursuant to the Company's 2005 Stock Incentive Plan; and (iv) the Company and Mr. Besbeck will release each other from all claims arising from Mr. Besbeck's employment with the Company, subject to certain exceptions.

- (2) A discussion of the methods used in calculation of these values may be found in Footnote 8 to the consolidated financial statements which is in our annual report on Form 10-KSB. Reflects the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year computed in accordance with SFAS 123(R), excluding the forfeiture assumption.
- (3) Amounts shown in Column (I) consist of premiums paid for medical, life and disability insurance and Company matching contributions under the Company's 401(k) profit-sharing plan.

Compensation to our executive officers consists of salary, cash bonus, tax-deferred profit sharing, medical and life insurance benefits, and equity compensation pursuant to our 2005 Equity Incentive Plan and our 1997 Stock Option Plan. Certain of our executive officers also have additional benefits regarding severance or a change of control of the Company. The Compensation Committee of the Board of Directors (i) reviews and approves corporate goals and objectives relevant to compensation of the executive officers, (ii) evaluates the performance of the executive officers in light of those goals and objectives, (iii) determines and approves the compensation level of the executive officers based on this evaluation, and (iv) makes recommendations to the Board with respect to cash incentive compensation plans and equity incentive plans. The Committee also reviews and recommends to the Board any new compensation or retirement plans and administers the Company's 2005 Equity Incentive Plan and our 1997 Stock Option Plan.

The Compensation Committee is responsible for administering a management incentive bonus plan that is predicated on the pre-tax profitability of the overall company. Bonus pool funds will be allocated according to two criteria: (i) 50% of the pool should be awarded to the participants according to salary percentage and (ii) the remaining 50% will be allocated according to the accomplishment of individual goals set for each plan participant. The Compensation Committee of Aspyra also is responsible for administering the Company's 2005 Equity Incentive Plan and 1997 Stock Option Plan and such grants under these plans are at the discretion of the committee, as described in more detail below.

Aspyra has adopted a profit sharing plan pursuant to which income tax is deferred on amounts contributed by employees under Section 401(k) of the Internal Revenue Code of 1986, as amended, which we refer to as the Code. All employees, over the age of 21, are eligible to participate in the plan after the completion of six months of service. Aspyra contributes, on a matching basis, 25% of the employee's contribution up to 4%. Aspyra's contribution becomes vested at the rate of 20% for each full year of employment. Both the employee's and Aspyra's contributions are subject to aggregate annual limits under the Code.

Employment Agreements, Termination of Employment and Change-in-Control Agreements

Other than Messrs. Miller, Zierick and Besbeck, we currently have no employment agreements with any of our executive officers, nor any compensatory plans or arrangements resulting from the resignation, retirement or any other termination of any of our executive officers, from a change-in-control of the Company, or from a change in any executive officer's responsibilities following a change-in-control.

Bruce Miller is employed by Aspyra on a month-to-month basis pursuant to the terms of his employment agreement. The agreement provides for a base salary at an annual rate of \$191,757 for Mr. Miller and authorizes the payment of other fringe benefits and bonuses made available by Aspyra to its senior executives. Mr. Miller also received insurance benefits which were paid for by Aspyra and employer contributions to his 401(k) plan account as provided for in Aspyra's 401(k) profit sharing plan. These amounts, including amounts accrued and unconditionally vested under the 401(k) plan, are reflected in the table above.

In connection with his appointment on a consulting basis as interim Chief Executive Officer on February 25, 2008, James Zierick, who is also a member of the Company's Board of Directors, entered into a letter agreement with the Company dated February 25, 2008 setting forth the terms of his services as interim CEO. Under the agreement, Mr. Zierick is to be engaged on a consulting basis for a period of three months, with cash compensation of \$15,000 per month payable at the beginning of each month. In connection with Mr. Zierick's appointment, the Company also awarded him a non-qualified stock option exercisable for 112,500 shares of Aspyra Common Stock, at an exercise price equal to the closing market price of the Company's Common Stock on March 1, 2008. The options vest at a rate of 1/12 at the end of each week until fully vested or, if earlier, the termination of Mr. Zierick's services as interim CEO. The option has a five year term.

Steven Besbeck retired as our Chief Executive Officer in November 2007. On December 20, 2007, the Company and Mr. Besbeck entered into a Separation Agreement and General Release pursuant to which (i) Mr. Besbeck shall receive severance equal to one year of his base salary in effect as of November 30, 2007, to be paid in equal bi-weekly installments over eighteen months, (ii) the Company shall pay COBRA benefits to Mr. Besbeck for up to eighteen months, (iii) the Company shall accelerate the vesting of options exercisable for 35,000 of the Company's Common Stock previously granted to Mr. Besbeck pursuant to the Company's 2005 Stock Incentive Plan, and (iv) the Company and Mr. Besbeck will release each other from all claims arising from Mr. Besbeck's employment with the Company, subject to certain exceptions.

Equity Incentive Plan Information

Edgar Filing: ASPYRA INC - Form PRE 14A

The Company's 2005 Equity Incentive Plan (the "2005 Plan") was adopted by the Board on August 2, 2005 and approved by shareholders at the Annual Meeting held on November 21, 2005. The 2005 Plan replaced the Company's former 1997 Stock Option Plan (the "1997 Plan") and incorporated 290,875 remaining unissued options from the 1997 Plan. Awards under the 2005 Plan may be granted to any of our employees, directors or consultants or those of our affiliates. As of March 28, 2008, there were approximately 67 full-time employees and 7 non-employee directors eligible to participate in the 2005 Plan. An incentive stock option may be granted under the 2005 Plan only to a person who, at the time of the grant, is an employee of the Company or a related corporation. The 2005 Plan is administered by the Board or a committee of the Board.

Under the 2005 Plan, the Company may award to eligible participants incentive stock options (ISO), non-statutory stock options; stock awards (both restricted stock awards and restricted stock unit awards); and stock appreciation rights. As of April 16, 2008 there were 868,626 shares of Common Stock subject to outstanding awards under the 2005 Plan and 422,249 available for future awards under the 2005 Plan. In the case of awards intended to qualify as "performance-based compensation" within the meaning of Section 162(m) of the Code, the measures established by the 2005 Plan administrator must be qualifying performance criteria.

The 2005 Plan provides that in the event of a merger with or into another corporation or our change in control, including the sale of all or substantially all of our assets, and certain other events, our Board or the Compensation Committee may, in its discretion, provide for the assumption or substitution of, or adjustment to, each outstanding award, accelerate the vesting of options and stock appreciation rights, and terminate any restrictions on stock awards or cash awards or provide for the cancellation of awards in exchange for a cash payment to the participant.

During the fiscal year ended December 31, 2007, we did not grant any options to any of the Named Executive Officers.

The following table sets forth information as to stock options granted under the 2005 Plan and 1997 Plan, and the net value received from the exercise of options (market value of stock on the date of exercise, less the exercise price) by each executive officer whose aggregate remuneration is set forth above.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information known to the Company regarding beneficial ownership of Aspyra's Common Stock as of April 16, 2008 of (i) each present director or nominee for director, (ii) each Named Executive Officer, (iii) all officers and directors as a group, and (iv) each beneficial owner of more than five percent of Aspyra's Common Stock. Information as to beneficial owners who are not officers or directors of Aspyra is based on publicly available information as of the record date.

Beneficial ownership of shares is determined in accordance with the rules of the SEC and generally includes any shares over which a person exercises sole or shared voting or investment power. Except in cases where community property laws apply or as indicated in the footnotes to this table, we believe that each shareholder identified in the table possesses sole voting and investment power over all shares of Common Stock shown as beneficially owned by the shareholder. Shares of Common Stock subject to options that are currently exercisable or exercisable within 60 days of April 16, 2008, are considered outstanding and beneficially owned by the person holding the options for the purpose of computing the percentage ownership of that person but are not treated as outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated below, the address of each individual listed below is c/o Aspyra, Inc., 26115-A Mureau Road, Calabasas, California 91302.

The percentages for each person or group shown in the table below are based on 12,437,150 shares issued and outstanding as of April 16, 2008, plus the additional shares that such person or group is deemed to beneficially own as set forth in the table. The table below shows the number of shares and percentage beneficially owned both prior to and after giving effect to the approval of Proposal No. 2 and No. 3 and the issuance of additional shares under the Notes and Warrants sold in our March 2008 Private Placement. An aggregate maximum of 10,923,919 shares are issuable upon conversion or exercise of all Notes and Warrants issued in the Private Placement, assuming that the shareholders approve both Proposal No. 2 and Proposal No. 3 at the Annual Meeting (consisting of 5,427,273 shares issuable upon conversion of all Notes, and 5,496,646 shares issuable upon exercise of all Warrants). The Notes and Warrants issued in the Private Placement provide that they cannot be converted or exercised, as applicable, to the extent such conversion or exercise would result in the holder and its affiliates beneficially owning more than 9.99% of our outstanding Common Stock on the date of such conversion or exercise. The number and percentage of Common Stock deemed beneficially owned and shown in the column prior to the approval of Proposals No. 2 and 3 is limited accordingly.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Directors and Executive Officers

2008 Bridge Loans and Private Placement.

On January 28, 2008 the Company entered into a Note Purchase Agreement (the "Bridge Agreement") with two of the Company's current shareholders, C. Ian Sym-Smith, a director of the Company, and TITAB, LLC, a privately held investment management company whose Managing Member is Bradford G. Peters, a former director of the Company. In connection with TITAB's entry into the Bridge Agreement, Mr. Peters resigned from his position as a director of the Company. Subsequently, on March 13, 2008, the Company entered into a second Bridge Agreement with J. Shawn Chalmers, who is a holder of approximately 9.9% of our outstanding Common Stock. Pursuant to these Bridge Agreements, Mr. Sym-Smith, TITAB LLC and Mr. Chalmers each purchased a secured promissory note from the Company in the principal amount of \$200,000, \$100,000 and \$300,000, respectively, and bearing interest at the rate of LIBOR plus 2.5% per annum. The Company's obligations under the notes were secured by a security interest in substantially all of the Company's tangible and intangible assets, pursuant to the terms of a Security Agreement entered into between the Company and each of Mr. Sym-Smith, TITAB LLC and Mr. Chalmers. The obligations under the note and the security interest created by the Security Agreement were subordinate and junior in right of payment to the senior lien on the Company's assets held by Western Commercial Bank in connection with the Company's existing line of credit. The Bridge Agreement with Mr. Sym-Smith and TITAB LLC (which includes the form of promissory note) and the Security Agreement were filed as exhibits to our Current Report on Form 8-K filed February 1, 2008 and are hereby incorporated by reference herein. The Bridge Agreement with Mr. Chalmers (which includes the form of promissory note) and the Security Agreement were filed as exhibits to our Current Report on Form 8-K filed March 13, 2008 and are hereby incorporated by reference herein.

In connection with the Private Placement described below under Proposal No. 2, each of Mr. Sym-Smith, TITAB LLC and Mr. Chalmers purchased a new convertible Note in the principal amount of \$700,000, \$200,000 and \$100,000, respectively, which new Notes included all principal rolled over from each of their previous bridge notes to the Company. In connection with the Private Placement and their purchase of new Notes, each of Mr. Sym-Smith, TITAB LLC and Mr. Chalmers was issued a Warrant corresponding to their new Notes and exercisable for additional shares of the Company's Common Stock. The terms of the Note and Warrant issued to each of Mr. Sym-Smith, TITAB LLC and Mr. Chalmers in connection with the Private Placement are described below under Proposal 2.

Consulting Agreement with MV Advisors II, LLC

On August, 29, 2007, John Mutch was elected as a member of the Board of Directors and to serve as Chairman of the Board. Mr. Mutch was elected pursuant to a right held by certain holders of the Company's Common Stock and warrants to purchase Common Stock issued in a private placement in 2005 to designate one member of the Company's Board of Directors, in accordance with the terms of Section 4.9 of a Common Stock and Warrant Purchase Agreement dated as of August 18, 2005, which was filed as Exhibit 10.1 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on August 22, 2005.

In connection with Mr. Mutch's election, the Company entered into a consulting agreement with MV Advisors II, LLC ("MV Advisors"), a consulting firm of which Mr. Mutch is the sole member and Managing Partner. Under the agreement, MV Advisors provides strategic consulting services to the Company and receives an annual fee of \$75,000, payable in non-refundable quarterly advances, offset by the amount of any retainer or meeting fees that Mr. Mutch is eligible to receive for his Board service. In addition, MV Advisors will be paid a success fee,

payable for up to 6 years, equal to 5% of the value of certain customer contracts secured by the Company as a result of the efforts of MV Advisors. MV Advisors was also granted rights to purchase at least \$250,000 of certain future offerings of Company equity securities. The consulting agreement has an initial term of one year commencing with Mr. Mutch's becoming a director of the Company and will automatically renew for successive one year terms unless either party notifies the other of its intent not to renew the agreement. In his capacity as a consultant to the Company through MV Advisors, Mr. Mutch was also awarded a non-qualified stock option under the Company's 2005 Stock Incentive Plan exercisable for 240,000 shares of the Company's Common Stock, vesting in equal monthly installments over three years, subject to full acceleration upon a change in control of the Company and also upon certain terminations of Mr. Mutch's services.

Placement Agent Services by Great American Investors, Inc.

One of our current directors and a director nominee, Jeffrey Tumbleson, is the brother of the managing director of Great American Investors, Inc. (GAI). As disclosed below under Proposal No. 2 concerning the issuance of Common Stock in connection with our 2008 Private Placement, we engaged GAI as placement agent for the Private Placement, and in

consideration for their services in that transaction, we issued to GAI a Note in the principal amount of \$210,000, together with a Warrant to purchase 451,193 shares of our Common Stock. The Note and Warrant issued to GAI have the same terms as other Notes and Warrants issued to the Purchasers in the Private Placement and their terms are described more fully below under Proposal No. 2. GAI also acted as placement agent for two private placements of the Company's securities in November 2005 and May 2006 and in connection with those two prior transactions we paid GAI fees in the amount of \$150,000 in 2005 and \$315,000 in 2006.

Indemnification; Directors and Officers Insurance

On November 22, 2005, the Company completed its merger with StorCOMM, Inc., pursuant to the terms of the Agreement and Plan of Reorganization, dated August 16, 2005 (the Merger Agreement). Under the terms of the Merger Agreement, Aspyra agreed that it will indemnify and hold harmless, and provide advancement of expenses to, all past and present directors, officers and employees of StorCOMM and its subsidiaries, including Messrs. Peters, Sym-Smith, Elliott and Peterson, to the same extent these directors, officers and employees were indemnified or had the right to advancement of expenses as of the date of the Merger Agreement by StorCOMM pursuant to StorCOMM's Certificate of Incorporation, Bylaws and indemnification agreements, in existence on the date of the Merger Agreement with any of the directors, officers and employees of StorCOMM and its subsidiaries for acts or omissions occurring at or prior to the date of the merger, including for acts or omissions occurring in connection with the approval of the Merger Agreement and the consummation of the merger.

Sections 204(a)(10), 204(a)(11), 204.5 and 317 of the California General Corporation Law (CGCL) permit a corporation to indemnify its directors, officers, employees and other agents in terms sufficiently broad to permit indemnification (including reimbursement for expenses) under certain circumstances for liabilities arising under the Securities Act of 1933. The Company's Articles of Incorporation provide that the liability of directors for monetary damages shall be eliminated to the fullest extent permitted under California law. In addition, Aspyra's Articles of Incorporation provide that Aspyra is authorized to provide indemnification of agents, including directors, officers, employees and other agents (as defined in Section 317 of the CGCL) for breach of duty to Aspyra and its shareholders through Bylaw provisions or through agreements with the agents, or both, in excess of the indemnification otherwise permitted by Section 317 of the CGCL, subject only to the applicable limits set forth in Section 204 of the CGCL.

Aspyra's Bylaws provide that, to the maximum extent permitted by the CGCL, Aspyra may indemnify any person who was or is a party or is threatened to be made a party to any proceeding by reason of the fact that such person was an agent of Aspyra, against expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in connection with such proceeding. Aspyra may advance expenses incurred in defending any proceeding prior to the final disposition of such proceeding to the maximum extent permitted by the CGCL.

The above discussion of the CGCL and Aspyra's Articles of Incorporation and Bylaws is not intended to be exhaustive and is qualified in its entirety by such statutes, Articles of Incorporation and Bylaws.

Indemnification for liabilities arising under the Securities Act may be permitted to Aspyra's directors, officers and controlling persons under the foregoing provisions, or otherwise. Aspyra has been advised that in the opinion of the SEC this indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Section 317(i) of the CGCL further provides that a corporation may purchase and maintain insurance on behalf of any agent, including any director, officer, employee or other agent of the corporation. Aspyra's Bylaws permit Aspyra to secure insurance on behalf of any officer, director, employee or other agent of Aspyra. Aspyra has obtained policies of insurance under which, subject to the limitations of such policies, coverage is provided to Aspyra's directors and officers against loss arising from claims made by reason of breach of fiduciary duty or other

wrongful acts as a director or officer.

Aspyra has entered into agreements to indemnify its directors and executive officers in addition to the indemnification provided for in its Articles of Incorporation and Bylaws. These agreements, among other things, provide for indemnification of Aspyra's directors and executive officers for expenses, judgments, fines and settlement amounts incurred by any of these people in any action or proceeding arising out of his or her services as a director or executive officer or at Aspyra's request. Aspyra believes that these provisions and agreements are necessary to attract and retain qualified people as directors and executive officers.

PROPOSAL NO. 2

**APPROVAL OF POTENTIAL ISSUANCES OF
SHARES OF COMMON STOCK UNDER CONVERTIBLE NOTES AND WARRANTS**

Introduction

On March 26, 2008 (the Closing Date), the Company closed a private placement transaction (the Private Placement) with nine accredited investors (the Purchasers) in which the Company issued and sold to the Purchasers \$2,775,000 in principal amount of secured convertible notes (the Notes) (including \$600,000 in Notes that were rolled over from outstanding bridge loans to the Company previously made by certain of the Purchasers), together with warrants to purchase an additional 5,045,454 shares of the Company's Common Stock (Warrants). The Notes are convertible into shares of the Company's Common Stock at a conversion price of \$0.55 per share (the Conversion Price), subject to adjustment in the event of stock splits, stock dividends, and similar transactions. The Notes mature on March 26, 2010 and bear interest at the rate of 8% per annum compounded on each July 15 and January 15, which rate is subject to increase to 24% per annum (or the maximum lawful rate) if the Company defaults under the Notes. Each Purchaser received Warrants with an exercise price of \$0.55 per share equal to the total number of shares of Common Stock initially issuable upon conversion of the corresponding Note, which terminate on the third anniversary of the warrant issuance. The terms of the Notes and Warrants are described in greater detail below in the section entitled Terms of the Transaction.

At the current Conversion Price, the Notes, including current principal and all accrued interest through their maturity date, would be convertible into 5,427,273 shares of the Company's Common Stock. The Warrants, if exercised in full at their current exercise price, would be exercisable for an additional 5,496,646 shares of the Company's Common Stock. Accordingly, the Notes and Warrants together are currently convertible or exercisable for an aggregate of 10,923,919 shares, or approximately 88% of the shares of the Company's Common Stock currently issued and outstanding. However, we are not obligated to issue shares in excess of 19.9% of our issued and outstanding shares (the Issuance Cap) unless and until any required shareholder approvals with respect to applicable issuances of shares under the Notes and Warrants are obtained. The rules of the American Stock Exchange (AMEX) requires shareholder approval of the issuance of shares in excess of the Issuance Cap at a price less than the greater of book or market value, as discussed below. Accordingly, at the present time, in the absence of shareholder approval, the Notes and Warrants together are convertible or exercisable at the Purchasers' discretion only into 2,474,993 shares of Common Stock, or 19.9% of our issued and outstanding shares in the absence of a shareholder vote.

In connection with the Private Placement, we agreed with the Purchasers, that, among other things, (i) we would obtain, within 120 days after the Closing Date, the approval of our shareholders for the issuance and/or potential issuance of all shares of Common Stock which may be issued pursuant to the conversion of the Notes and the exercise of the Warrants in excess of 19.99% of our Common Stock in connection with the Private Placement, and (ii) we would obtain the approval of our shareholders to amend our Articles on Incorporation in order to increase our authorized number of shares of Common Stock to 40,000,000 shares. Failure to obtain such shareholder approval would constitute an event of default under the Notes. An event of default under the Notes would allow the holders to declare all amounts under the Notes immediately due and payable, and the interest rate on the principal balance of the Note would increase from 8% to 24% per annum (or the maximum lawful rate).

In connection with the Private Placement, we agreed with the Purchasers, that, among other things, (i) we would ob

Edgar Filing: ASPYRA INC - Form PRE 14A

Accordingly, we are now seeking shareholder approval with respect to potential issuances of shares under the Notes and the Warrants as well as Proposal No. 3 regarding the amendment of our Articles of Incorporation. In the event that this Proposal No. 2 is not approved by the shareholders, we will be in default under the Notes. If an event of default under the Notes were to occur, the holders of the Notes could declare all amounts under the Notes immediately due and payable, and the interest on the principal under the Notes will increase substantially.

Why the Company Needs Shareholder Approval

We are seeking shareholder approval in order to comply with the AMEX rules and to fulfill an obligation under our agreement with the Purchasers to seek any required shareholder approvals with respect to applicable issuances of shares of our Common Stock issuable upon conversion of the Notes and exercise of the Warrants.

AMEX Rule 713 requires shareholder approval for the issuance of securities (other than in a public offering) at a price per share less than the greater of the book or market value of a company's stock, where the amount of securities being issued represents 20% or more of an issuer's outstanding Common Stock. Although the Conversion Price of the Notes was above the market value per share of our Common Stock as of the Closing Date, the Conversion Price is less than the book value of the shares as of such date. Accordingly, the issuance of shares in excess of the Issuance Cap under the Notes and the Warrants requires shareholder approval.

We are seeking shareholder approval so that we can avoid an event of default under the Notes and avoid an obligation of ours that would arise to pay increased interest on the Notes. If any required shareholder approvals are not obtained, we would be obligated to pay interest at a significantly higher rate (24% or the maximum lawful rate, as opposed to 8%) on the Notes principal, which will increase our borrowing costs and indebtedness and potentially materially impair the Company's operations and financial position. In addition, an event of default under the Notes would allow the holders to declare all amounts under the Notes immediately due and payable. This would require us to use our limited working capital and/or raise additional funds. If we fail to make required payments, the holders of the Notes could, subject to the rights of Western Commercial Bank, the holder of the first position lien on our assets, take title to and sell all of our assets in satisfaction of principal and interest then owing under the Notes.

Terms of the Transaction

General. On March 26, 2008, we entered into a Securities Purchase Agreement (the "Purchase Agreement") by and among the Company, Jay Weil as collateral agent, and the Purchasers named in the Purchase Agreement for the private placement of Notes in the principal amount of \$2,775,000 and corresponding Warrants to purchase and additional 5,045,454 shares of the Company's Common Stock at \$0.55 per share. The proceeds from the Private Placement are to be used, and in accordance with the Purchase Agreement, may only be used, for the Company's working capital purposes, including the payment of the Company's current liabilities as of the Closing Date. The Private Placement closed, and the Notes and Warrants were issued on March 26, 2008. Pursuant to the terms of the Purchase Agreement, we agreed to obtain, within 120 days after the Closing Date, shareholder approval for (i) for the issuance and/or potential issuance of all shares of Common Stock which may be issued pursuant to the conversion of the Notes and the exercise of the Warrants in excess of 19.99% of our Common Stock in connection with the Private Placement, in accordance with the AMEX rule described above, and (ii) to amend our Articles of Incorporation in order to increase our authorized number of shares of Common Stock to 40,000,000 shares. Failure to obtain such shareholder approval would constitute an event of default under the Notes, allowing the holders to declare all amounts under the Notes immediately due and payable, and increasing the interest rate on the Notes from 8% to 24% (or the maximum lawful rate).

The Notes and Warrants. The Notes accrue interest at a rate of 8% per annum, subject to adjustment, compounded on each July 15 and January 15. The term of the Notes is two years, and the Notes are convertible into shares of Common Stock at the Conversion Price of \$0.55, subject to certain adjustments. At the current Conversion Price, the Notes would be convertible into an aggregate of 5,427,273 shares of our Common Stock, or approximately 44% of the shares currently issued and outstanding. Each Purchaser received Warrants at \$0.55 per share equal to the total number of shares of Common Stock initially issuable upon conversion of the corresponding Note, which terminate on the third anniversary of the Warrant issuance. The Warrants, if exercised in full at their current exercise price, would be exercisable for an additional 5,496,646 shares of the Company's Common Stock. Accordingly, the Notes and Warrants together are currently convertible or exercisable for an aggregate of 10,923,919 shares, or approximately 88% of the shares of the Company's Common Stock currently issued and outstanding. Nevertheless, because of the Issuance Cap, the Notes and Warrants are convertible or exercisable at the Purchasers' discretion only into 2,474,993 shares of Common Stock, or 19.9% of our issued and outstanding shares.

Events of default under the Notes include our failure to secure any required shareholder approval necessary for the issuance of more than 19.9% of our currently outstanding shares of Common Stock, our failure to secure shareholder approval of an amendment of our articles of incorporation to increase the authorized number of shares of our Common Stock to 40,000,000 shares (see Proposal 3 below), failure to pay

when due any principal, interest or late charges on the Notes, certain defaults on our indebtedness, certain events of bankruptcy and our breach or failure to perform in respect of representations and obligations under the Notes. Upon the occurrence of an event of default, our obligations under the Note may become due and payable in accordance with the terms thereof.

Security Interest. Pursuant to a security agreement entered into in connection with the Purchase Agreement (the Security Agreement), the obligations under the Purchaser Notes are secured by a security interest in substantially all of the Company's assets in favor of the Purchasers, subordinate only to the security interest held in the Company's assets by Western Commercial Bank.

Registration Rights. Pursuant to a registration rights agreement entered into in connection with the Purchase Agreement (the Registration Rights Agreement), we agreed to use commercially reasonable efforts to file a registration statement registering a portion of the shares of Common Stock underlying the Notes and the Warrants with the Securities and Exchange Commission (SEC) within 60 days from the Closing Date and use commercially reasonable effects to have such registration statement declared effective within 90 days from the date on which we file the registration statement (120 days if the registration statement is reviewed by the SEC). In the event that the initial registration statement does not include all of the shares of Common Stock underlying the Notes and Warrants, the Company will file an additional registration statement registering the allowable balance pursuant to Rule 415 under the Securities Act of 1933, as amended (the Securities Act).

Amendment of Articles of Incorporation. As set forth in more detail in Proposal No. 3 below, we are also under an obligation pursuant to the Purchase Agreement to authorize and reserve a sufficient number of shares of Common Stock for issuance in connection with the conversion of the Notes and the exercise of the Warrants. Currently our Articles of Incorporation do not authorize a sufficient number shares of Common Stock for these issuances, and at the Annual Meeting we are soliciting the approval of our shareholders to amend our Articles of Incorporation to authorize the issuance of up to 40,000,000 shares of Common Stock.

Preemptive Rights. In connection with the Private Placement, the Company also granted to each Purchaser, for a period of one year after the Closing Date, the right to purchase, pro rata, all (or any part) of any equity securities or options, rights or warrants for equity securities of the Company, subject to certain exemptions (New Securities) that the Company may, from time to time during such period, propose to sell or issue. Each Purchaser's pro rata share of the New Securities (its Pro Rata Amount) for purposes of this preemptive right, is equal to the ratio of (i) the sum of the number of shares of Common Stock then held by the Purchasers plus the number of shares issuable to the Purchaser assuming the entire principal amount of all of the Notes held by the Purchaser are converted into Common Stock and all of the Warrants held by the Purchaser are exercised in accordance with their respective terms (the Purchaser Shares) to (ii) the sum of (A) the total number of shares of the Common Stock held all Purchasers as of the date of such determination, plus (B) the total number of Purchaser Shares held by all Purchasers.

Interests of Certain Shareholders. The Purchasers under the Purchase Agreement included J. Shawn Chalmers, who was issued a Note in the amount of \$750,000. Mr. Chalmers's \$750,000 Note included \$300,000 that was rolled over from a bridge loan previously made to the Company on March 13, 2008. Mr. Chalmers currently beneficially owns 9.99% of our outstanding Common Stock (including the exercisable portion of the Warrant issued to him). The Purchasers also included Brad Peters, a former director of the Company, who was issued a Note in the amount of \$200,000, which was rolled over from a bridge loan that closed January 28, 2008, and C. Ian Sym-Smith, a current director and director nominee, who was issued a Note in the amount of \$100,000 which was rolled over from a bridge loan previously made to the Company on January 28, 2008.

Brokers. We issued to Great American Investors, Inc., the placement agent for the private placement, a Note in the amount of \$210,000 (the Broker Note), and a Warrant to purchase 451,193 shares of our Common Stock (the Broker Warrant). The Broker Note and Broker Warrant have the same terms as the Purchaser Notes and Purchaser Warrants. One of our current directors and a director nominee, Jeffrey Tumbleson is the brother of the managing director of Great American Investors, Inc., which also acted as placement agent for two private placements of the Company's securities in November 2005 and May 2006.

Further Information. The terms of the Private Placement, the Notes, the Warrants and other transaction documents are complex and only briefly summarized above. For further information on the Private Placement and the rights of the Purchasers, please refer to the descriptions contained in the Company's Current Report on Form 8-K filed with the SEC on April 1, 2008, and the transaction documents filed as exhibits to such report. The discussion herein is qualified in its entirety by reference to such filed transaction documents.

Effect of Proposal on Current Shareholders

If this Proposal No. 2 is adopted, up to a maximum of 10,923,919 shares of Common Stock (without regard to any Issuance Cap) would be issuable upon conversion of the Notes and exercise of the Warrants by the Purchasers. As a result, the issuance of shares upon a future conversion of the Notes or exercise of the Warrants would result in significantly greater dilution to our shareholders, particularly those shareholders who did not participate in the Private Placement, and afford them a smaller percentage interest in the voting power, liquidation value and aggregate book value of the Company. Additionally, the sale or any resale of the Common Stock issued upon conversion of the Notes

and the exercise of the Warrants sold in the Private Placement could cause the market price of our Common Stock to decline.

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF POTENTIAL ISSUANCES OF SHARES OF COMMON STOCK UNDER THE COMPANY'S CONVERTIBLE NOTES AND WARRANTS.

PROPOSAL NO. 3

APPROVAL OF CERTIFICATE OF AMENDMENT TO AMENDED AND RESTATED ARTICLES OF INCORPORATION TO INCREASE IN NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

The Board is requesting shareholder approval of an amendment (the Amendment) to our Amended and Restated Articles of Incorporation (the Articles) in order to increase the authorized number of shares of our Common Stock from 20,000,000 shares to 40,000,000 shares. The Board of Directors has approved the Amendment, subject to the ratification of the shareholders, and recommends that the shareholders approve the Amendment. The Amendment is necessary in order to authorize and reserve a sufficient number of shares of our Common Stock necessary for the conversion of all Notes and exercise of all Warrants issued in the Private Placement described above under Proposal No. 2.

Outstanding Shares and Purpose of the Proposal

Our Articles of Incorporation currently authorizes us to issue a maximum of 20,000,000 shares of Common Stock and 500,000 shares of Preferred Stock. As of April 16, 2008 there were 12,437,150 shares of Common Stock and no shares of Preferred Stock issued and outstanding. In addition, as of the same date, the Board has reserved 868,626 shares for issuance upon exercise of options and rights granted under our stock option and stock purchase plans. As described above under Proposal 2, under the terms of the Notes and the Warrants issued to the Purchasers in the Private Placement, up to 5,427,273 shares of the Company's Common Stock are issuable upon conversion of the Notes and up to an additional 5,496,646 shares of our Common Stock are issuable upon exercise of all Warrants. As a result, up to 10,923,919 shares of Common Stock are issuable as a result of the Private Placement, assuming that the shareholders approval Proposal No. 2 above in connection with such issuance. When taken together with all shares currently outstanding, an aggregate of 23,361,069 shares of the Company's Common Stock shall be issued or issuable following the Private Placement. Accordingly, the number of shares authorized for issuance under the Articles must be increased from 20,000,000 to 40,000,000.

Effective Date of Amendment

If the Amendment is adopted, it will become effective upon filing of a Certificate of Amendment to our Amended and Restated Articles of Incorporation with the Secretary of State of the State of California. If approved, Section (a) of Article III of our Amended and Restated Articles of Incorporation will be amended to read in its entirety as follows:

The corporation is authorized to issue two classes of shares, designated Common Stock and Preferred Stock. The total number of shares which the corporation is authorized to issue is 40,500,000. The number of shares of Preferred Stock which the corporation is authorized to issue is 500,000. The number of shares of Common Stock which the corporation is authorized to issue is 40,000,000.

The form of Certificate of Amendment to be filed with the Secretary of State of the State of California is set forth as Appendix A to this Proxy Statement.

Effects of Approving or Rejecting the Proposal

Edgar Filing: ASPYRA INC - Form PRE 14A

If this proposal is approved, the additional shares of Common Stock will have the same rights as the presently authorized shares, including the right to cast one vote per share of Common Stock. Although the authorization of additional shares would not, in itself, have any effect on the rights of any holder of our Common Stock, the future issuance of additional shares of Common Stock (other than by way of a stock split or dividend) would have the effect of diluting the voting rights and could have the effect of diluting earnings per share and book value per share of existing shareholders.

As described above under Proposal No. 2, in connection with the Private Placement, we agreed with the Private Placement Purchasers, that, among other things, we would obtain, within 120 days after the Closing Date, the approval of our shareholders to amend the Articles in order to increase our authorized number of shares of Common Stock to 40,000,000 shares and allow for the authorization and reservation of all shares issuable under the Notes and Warrants. In addition, we agreed with the Purchasers that if such shareholder approval was not obtained, such event would constitute an event of default under the Notes and the interest rate on the principal balance of the Note would increase from 8% to 24% per annum (or the maximum lawful rate), a significantly higher rate which will increase our borrowing costs and indebtedness and potentially materially impair the Company's operations and financial position. As with the occurrence of other events of default, failure to secure shareholder approval of the Amendment may also make our obligations under the Notes immediately due and payable in accordance with the terms thereof. This would require us to use our limited working capital and/or raise additional funds. If we fail to make required payments, the holders of the Notes could, subject to the rights of Western Commercial Bank, the holder of the first position lien on our assets, take title to and sell all of our assets in satisfaction of principal and interest then owing under the Notes.

As described above under Proposal No. 2, in connection with the Private Placement, we agreed with the Private Pl

As described above under Proposal No. 2, in connection with the Private Placement, we agreed with the Private Pl

At present, other than in connection with the exercise of the Notes and Warrants issued in the Private Placement, the Board of Directors has no other plans to issue the additional shares of Common Stock authorized by the Amendment. However, it is possible that some of these additional shares could be used in the future for various other purposes without further shareholder approval, except as such approval may be required in particular cases by our charter documents, applicable law or the rules of any stock exchange or other system on which our securities may then be listed. These purposes may include: raising capital, providing equity incentives to employees, officers or directors, establishing strategic relationships with other companies, expanding the company's business or product lines through the acquisition of other businesses or products, and other purposes.

We could also use the additional shares of Common Stock that would become available for issuance if the Amendment were adopted to oppose a hostile takeover attempt or to delay or prevent changes in control or management of the Company. Although this proposal to increase the authorized Common Stock has been prompted by our contractual obligations to the Purchasers in the Private Placement and not by the threat of any hostile takeover attempt (nor is the Board currently aware of any such attempts directed at the Company), nevertheless, shareholders should be aware that approval of proposal could facilitate future efforts by us to deter or prevent changes in control of the Company, including transactions in which the Company might otherwise receive a premium for their shares over then current market prices.

Vote Required

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock will be required to approve the authorization of the Board of Directors to increase the authorized Common Stock by amendment of the Company's Amended and Restated Articles of Incorporation. As a result, abstentions and broker non-votes, if any, will have the same effect as a vote against this proposal. Brokers may have the authority to vote on this proposal when they have not received instructions from the beneficial owner. Holders of shares of our Common Stock do not have appraisal rights under California law or under the governing documents of the Company in connection with this solicitation.

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE AMENDMENT OF THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK.

PROPOSAL NO. 4

RATIFICATION OF APPOINTMENT OF BDO SEIDMAN, LLP

The Audit Committee of the Board of Directors has selected BDO Seidman, LLP, independent registered public accounting firm, to serve as the Company's auditors for the fiscal year ending December 31, 2008. BDO Seidman, LLP has served as the Company's independent registered public accounting firm for its last thirteen fiscal years.

A representative of BDO Seidman, LLP is expected to be available at the meeting of shareholders to respond to appropriate questions and will be given the opportunity to make a statement if he or she desires to do so. The Board of Directors recommends the ratification of its selection of BDO Seidman, LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2008.

The affirmative vote of holders of a majority of the shares of Aspyra's Common Stock, present in person or represented by proxy at the Annual Meeting and entitled to vote, is required to approve the proposal to ratify the appointment of BDO Seidman, LLP as Aspyra's independent registered public accounting firm for the fiscal year ending December 31, 2008.

Audit Fees

The aggregate fees billed for fiscal years 2007 and 2006 for each of the following categories of services are as follows, all of which was attributable to BDO Seidman, LLP:

	2007	2006
Audit fees (1)	\$ 287,679	\$ 244,433
Audit-related fees (2)		
Tax fees (3)		
All other fees (4)		
Total	\$ 287,679	\$ 244,433

The categories in the above table have the definitions assigned under Item 9 of Schedule 14A promulgated under the Securities Exchange Act of 1934, and with respect to Aspyra's 2007 and 2006 fiscal years, these categories include in particular the following components:

- (1) Audit fees includes fees for audit services principally related to the year-end examination and the quarterly reviews of Aspyra's consolidated financial statements, consultation on matters that arise during a review or audit, and SEC filings.
- (2) Audit related fees includes fees, which are for consulting services. The principal auditors did not provide any consulting services for the years ended December 31, 2007 and 2006.

As described above under Proposal No. 2, in connection with the Private Placement, we agreed with the Private Plac

Edgar Filing: ASPYRA INC - Form PRE 14A

- (3) Tax fees includes fees for tax compliance and advice. The principal auditors did not provide any tax services for the years ended December 31, 2007 and 2006.
- (4) All other fees includes fees for training on the requirements of Section 404 of the Sarbanes-Oxley Act of 2002. The principal auditors did not provide any other services for the years ended December 31, 2007 and 2006.

An accounting firm other than BDO Seidman, LLP provides the majority of Aspyra's tax services.

Audit Committee Pre-Approval Policy

The Audit Committee's policy is to pre-approve all audit and non-audit services, and the related fees, provided to Aspyra by its Independent Registered Public Accounting Firm, or subsequently approve non-audit services in those circumstances where a subsequent approval is necessary and permissible under the Exchange Act or the rules of the Securities and Exchange Commission. Accordingly, all of the services relating to the fees described in the table above were approved by the Audit Committee.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF BDO SEIDMAN, LLP AS ASPYRA'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2008.
