### PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Howard Hughes Corporation, a Delaware corporation (the Company), has experienced delays in finalizing its audited financial statements for the year ended December 31, 2010 and related disclosures in its Annual Report on Form 10-K for the year ended December 31, 2010 (the 2010 Form 10-K). The delays have resulted primarily from the relatively short period of time between the completion of the Company's spin-off from General Growth Properties, Inc. (GGP) in November 2010 and the 2010 Form 10-K filing deadline and the complexity of the spin-off and related transactions. As a result, management of the Company has determined that additional time is necessary for completion of the 2010 Form 10-K.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes  No

The Company does not believe that its results of operations for the three months and year ended December 31, 2010 are comparable to the same periods in 2009 as a result of the completion of the Company's spin-off from GGP and related transactions in November 2010. The Company's financial statements for periods prior to the completion of the spin-off (a) were derived from the books and records of GGP, (b) were carved-out from GGP at a carrying value reflective of the historical costs in GGP's records, and (c) reflect allocations for certain corporate expenses that do not reflect what the Company's expenses would have been had the Company been operating as a separate, stand-alone public company.

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.
