Independent Auditors Report
To the Board of Trustees and Stockholders of
BRT Realty Trust and Subsidiaries
We have audited the accompanying statement of revenues and certain expenses of 4205 Union Square Blvd. (Union Square) for the year ended December 31, 2011. The statement of revenues and certain expenses is the responsibility of the BRT Realty Trust s management. Our responsibility is to express an opinion on the statement of revenues and certain expenses based on our audit.
We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Union Square s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission for inclusion in a Form 8-K/A of BRT Realty Trust. As described in Note 2, material amounts that would not be comparable to those resulting from the proposed future operations of Union Square are excluded from the statement of revenues and certain expenses and the statement of revenues and certain expenses is not intended to be a complete presentation of Union Square s revenues and expenses.
In our opinion, financial statement referred to above presents fairly, in all material respects, the revenues and certain expenses of Union Square for the year ended December 31, 2011, on the basis of accounting described in Note 2.

Items excluded consist of interest expense, depreciation, amortization, corporate expenses, and other costs not directly related to future operations.

Use of Estimates
