8. Analysis of Indenture provisions.

Edgar Filing: Masspower Partners II, LLC - Form T-3

The Dynegy Notes will be issued under the Indenture to be dated as the Plan Effective Date, and entered into between Dynegy and the trustee thereunder (the Trustee). The following is a general description of certain provisions of the Indenture required to be summarized by Section 305(a)(2) of the Act. The following analysis is not a complete description of the Indenture provisions discussed and is qualified in its entirety by reference to the terms of the Indenture, a form of which is included as Exhibit T3C hereto and incorporated by reference herein. Dynegy has not entered into the Indenture as of the date of this filing, and the terms of the Indenture are subject to change prior to its execution. Capitalized terms used below but not defined herein have the meanings assigned to them in the Indenture. Section and article references refer to sections and articles in the Indenture unless otherwise indicated.

(a) Events of Default; Withholding of Notice of Default.

Each of the following is an Event of Default under the Indenture:

- (1) default for 30 days in the payment when due of interest on the Notes;
- (2) default in payment when due of the principal of, or premium, if any, on the Notes;
- (3) failure by the Company or a Subsidiary Guarantor to comply with any covenant in this Indenture (other than a default specified in clause (1) or (2) above) for 60 days after written notice by the Trustee or Holders of at least 25% in principal amount of the Notes;
- (4) default under any document evidencing any indebtedness for borrowed money by the Company or any Subsidiary Guarantor, whether such indebtedness now exists or is created after the Issue Date, if that default:
 - (A) is caused by a failure to pay principal when due at final (and not any interim) maturity on or prior to the expiration of any grace period provided in such indebtedness; or
 - (B) results in the acceleration of such indebtedness prior to its express maturity (without such acceleration having been rescinded, annulled or otherwise cured),

and, in each case, the principal amount of any such indebtedness, together with the principal amount of any other such indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated (without such acceleration having been rescinded, annulled or otherwise cured), aggregates \$100.0 million or more; provided that this clause (4) shall not apply to (i) secured indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such indebtedness and (ii) any indebtedness that is required to be converted into Qualifying Equity Interests upon the occurrence of certain designated events so long as no payments in cash or otherwise are required to be made in accordance with such conversion);

(5) except as permitted by this Indenture, any Subsidiary Guarantee of any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary shall be held in any final and non-appealable judicial proceeding to be unenforceable or invalid or shall cease for any reason (other than in accordance with its terms) to be in full force and effect or any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary, or any Person acting on behalf of any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary, shall deny or disaffirm in writing its or their obligations under its or their Subsidiary Guarantees; and

(6) (a) a court of competent jurisdiction (i) enters an order or decree under any Bankruptcy Law that is for relief against the Company, any Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail or deliver electronically to Holders a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest on, any Note, the Trustee may and shall be protected in withholding the notice if and so long as it in good faith determines that withholding the notice is in the interests of the Holders.

(b) Execution and Authentication; Application of Proceeds.

Edgar Filing: Masspower Partners II, LLC - Form T-3

One Officer must sign the Notes for the Company by manual, facsimile or .pdf signature.

If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the Trustee. The signature will be conclusive evidence that the Note has been authenticated under this Indenture. A Note shall be dated the date of its authentication.

The Trustee shall, upon receipt of a Company Order, authenticate Notes for original issue under this Indenture, including any Additional Notes issued pursuant to Section 2.07 (*Additional Notes*). Such Company Order may authorize authentication and delivery pursuant to oral or electronic instructions from the Company or its duly authorized agent or agents, which oral instructions shall be promptly confirmed in writing.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders, the Company or an Affiliate of the Company.

If the Company shall establish pursuant to or as contemplated by Section 2.07 (*Additional Notes*) that the Notes of a series or a portion thereof are to be issued in the form of one or more Registered Global Notes, then the Company shall execute and the Trustee, upon receipt of a Company Order, shall authenticate and deliver one or more Registered Global Notes in temporary or permanent form that (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of all of the Notes of such series issued in such form and not yet cancelled, (ii) shall be registered in the name of the Depository for such Registered Global Note or Notes or the nominee of such Depository, (iii) shall be delivered by the Trustee to such Depository or pursuant to such Depository's instructions and (iv) shall bear a legend substantially similar to that in Section 2.02 (*Execution and Authentication*).

There will be no proceeds from the issuance of the Dynege Notes because the Dynege Notes will be issued in connection with the Plan.

(c) Termination of Guaranty.

The Subsidiary Guarantee of a Subsidiary Guarantor will be released automatically:

(1) upon the release, discharge or termination of such Subsidiary Guarantor's obligations as a borrower under the Credit Agreement or such Subsidiary Guarantor's guarantee of the Credit Agreement; or

(2) upon defeasance or satisfaction and discharge of the Notes as provided in Articles 8 (*Legal*

Defeasance and Covenant Defeasance) and 11 (*Satisfaction and Discharge*).

(d) Satisfaction and Discharge of the Indenture.

The Indenture will be discharged and will cease to be of further effect as to all Notes issued thereunder, when:

(1) either:

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the distribution of a notice of redemption or otherwise or will become due and payable within one year and the Company or any Subsidiary Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities or a combination of cash in U.S. dollars and non-callable Government Securities, in such amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the Notes not

delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(2) no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound;

(3) the Company or any Subsidiary Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

(4) the Company has delivered irrevocable written instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

(e) Compliance Certificate.

The Company and each Guarantor (to the extent that such Guarantor is so required under the TIA) shall deliver to the Trustee, within 90 days after the end of each fiscal year, an Officer's Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Company is taking or proposes to take with respect thereto.

So long as any of the Notes are outstanding, the Company shall deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default, an Officer's Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.
