**Item 1.01** **Entry into a Material Definitive Agreement.**

On December 19, 2017, Cabot Oil & Gas Corporation (the Company) entered into a definitive agreement to sell, with an effective date of January 1, 2018, all of its assets in the Eagle Ford Shale in Texas to VOG Palo Verde LP, an affiliate of Venado Oil & Gas LLC, for \$765.0 million in cash, subject to adjustments and customary terms and conditions. The transaction is expected to close February 28, 2018, subject to customary closing conditions. There can be no assurance as to such timing or as to the satisfaction of all conditions to the closing.

The definitive agreement contains customary representations and warranties, including representations and warranties concerning the assets and compliance with environmental and tax laws, and indemnification provisions whereby the parties have agreed to indemnify one another against certain liabilities. During the period from signing until the closing of the transaction, the Company has agreed to operate the assets being sold within certain constraints set forth in the definitive agreement.

The foregoing description of the definitive agreement is only a summary and is qualified in its entirety by reference to the complete text of the definitive agreement, a copy of which is attached as Exhibit 2.1 to this Current Report on Form 8-K.
