## **Item 2.01**

### **Completion of Acquisition or Disposition of Asset.**

On June 11, 2009, Imperial Industries, Inc. (the Company) wholly owned subsidiary Just-Rite Supply, Inc. (the Just-Rite) entered into an Assignment for the Benefit of Creditors (the Assignment) with Michael P. Phelan, Vice President of Michael Moecker and Associates (the Assignee). The Assignee is an unrelated third party of the Company, Just-Rite or any of its affiliates

In connection with the Assignment Just-Rite transferred, and set over unto the Assignee all of its assets, including, but not limited to all real property, fixtures, goods, stock, inventory, equipment, furniture, furnishings, accounts receivable, bank deposits, cash, promissory notes, cash value and proceeds of insurance policies, claims and demands belonging to Just-Rite as of June 11, 2009 (the Assets). Just-Rite did not receive any consideration for the transfer of its assets to the Assignee; provided however, the Assignee agreed to use the proceeds from the liquidation of the Assets to pay the liabilities of Just-Rite existing as of the date of the transfer, after expenses of the Assignee.

Reference is made to Item 1.03 of the Company's Form 8-K dated June 10, 2009, filed with the Securities and Exchange Commission on June 11, 2009, the contents of which are incorporated herein by this reference.

## **Item 2.05**

### **Cost Associated with Exit or Disposal Activities.**

On June 9, 2009, the Board of Directors of the Company adopted a plan of disposal for its subsidiary, Just-Rite to liquidate its Assets and pay its creditors and, in accordance therewith, entered into the Assignment with the Assignee effective June 11, 2009. Just-Rite ceased all operations on that date. See Item 2.01 above for a more complete description of the Assignment.

The Company operates in the residential and commercial construction industry which is down sharply over the last two years. The depressed residential and commercial construction market has had an adverse effect on the Company's liquidity, capital resources and results of operations. As a result, the Company's Board of Directors determined it was in the best interest of the Company and its shareholders to cease Just-Rite operations and to provide for an orderly liquidation of its assets.

Upon execution of the Assignment, the Assignee took possession of the Assets, commenced administration of Just-Rite's estate, started liquidating the assets, paying all costs and administrative expenses and paying all of the debts and liabilities of Just-Rite to the extent funds are available.

We expect the majority of the Assets to be liquidated by August 31, 2009.

The Company is unable to determine a good faith estimate of the estimated costs or a range of estimated costs to be incurred as a result of the Assignment. The Company will file an amended report on Form 8-K after it makes a determination of the estimated costs or range of estimated costs.
