<sup>3</sup> The Board also approved a special, one-time performance bonus recognizing management s outstanding achievements in enhancing shareholder values over the past five years, including, but not limited to, total shareholder return and the recent recapitalization of the Wilmington, Delaware portfolio. The aggregate amount of this special bonus (inclusive of the amounts set forth in the table) is \$5,130,000 in the form of restricted Common Shares which will vest over a period of not less than five years and the number of such shares issued is based on the preceding 20-day average closing prices of the Company s Common Shares from the date of grant (\$20.12). The option exercise price will be the average of the high and low trading prices of the Common Shares on the date of grant (\$20.65).
