# MIND Announces New Win and Follow-on Orders

## MIND products and services continue to help operators expand offering and add subscribers

**Yoqneam, Israel, November 27, 2006** - MIND CTI Ltd. (NasdaqNM:MNDO), a leading provider of convergent end-to-end billing and customer care product based solutions for tier 2 and tier 3 carriers worldwide, today announced a new win and customer follow-on orders, mainly from NGN (Next Generation Networks) operators.

MIND has been selected by a new alternative carrier in Central America to support VoIP and IPTV services with its integrated billing and customer care solutions. IPTV is considered a "must-have" service offered by NextGen operators.

MIND has also received follow-on orders for expanded license and professional services from carriers around the world, including one mobile carrier in Europe and one in Africa and two Next Gen operators in Europe (offering VoIP and data services).

MIND provides NextGen operators a converged platform that includes flexible mediation, a seamless integration to the SIP network and full support for multiple IP services. The MIND platform excels thanks to our:

- Interoperability with major vendors of softswitches, including Alcatel, Cirpack, Broadsoft, Cisco, Ericsson, Netcentrex and Sonus.
- Full convergence including support of prepaid and postpaid subscribers.
- Real-time rating for multiple services on a single platform, including IPTV, DSL, voice and content.
- Unlimited number of rating schemes and billing plans offered to service providers, easily implementing new technologies and services pricing requirements.
- Scalability of our end-to-end comprehensive solution.

Monica Eisinger, Chairperson and CEO, commented: "We believe that our large customer base for end-to-end billing and customer-care solutions on softswitch-based networks, our experience in understanding this sophisticated environment and our advanced technology positions us as a market leader in this field. Service providers deploying the MIND solution benefit from our unique expertise and enjoy immediate implementation of new services with differentiated competitive rating schemes."

#### **About MIND**

MIND CTI Ltd. is a leading provider of convergent prepaid and postpaid end-to-end billing and customer care solutions for VoIP, Mobile, Wireline and Quad-play carriers worldwide. Since 1997 MIND has been a pioneer in enabling the VoIP technology for emerging and incumbent service providers. In August 2005 MIND acquired Sentori, Inc., a US based provider of customer care and billing solutions to wireless carriers and mobile virtual network operators (MVNOs). Sentori, Inc. brings over ten years of wireless experience staff and seven years of a wireless operational solution to carriers. A global company, MIND operates from offices in Europe, Israel and the United States. MIND employs over 300 IT professionals and serves customers in more than 40 countries around the world.
