This Proxy Statement is being sent to shareholders of Eagle Bancorp, Inc., a Maryland corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Shareholders, to be held at 10:00 A.M. on Thursday, May 25, 2006, and at any adjournment or postponement of the meeting. The purposes of the meeting are:

1. electing eight (8) directors to serve until the next Annual Meeting of Shareholders and until their successors are duly elected and qualified;
2. considering and voting on the Company's 2006 Stock Plan; and
3. transacting any other business that may properly come before the meeting or any adjournment or postponement of the meeting.

The meeting will be held at:

The Bethesda Marriott Hotel
5151 Pooks Hill Road
Bethesda, Maryland

This proxy statement and proxy card are being sent to shareholders of the Company on or about April 20, 2006. A copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2005, which includes our audited financial statements, also accompanies this proxy statement.

The cost of this proxy solicitation is being paid by the Company. In addition to the use of the mail, proxies may be solicited personally or by telephone by officers, regular employees or directors of the Company or its subsidiary, EagleBank (the "Bank"), who will not receive any special compensation for their services. The Company may also reimburse brokers, custodians, nominees and other fiduciaries for their reasonable out-of-pocket and clerical costs for forwarding proxy materials to their principals. The Company has not engaged a paid proxy solicitation firm to assist it in connection with the meeting, although it reserves the right to do so if deemed appropriate.

VOTING RIGHTS AND PROXIES

VOTING RIGHTS

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

Only shareholders of record at the close of business on April 6, 2006, will be entitled to notice of and to vote at the meeting or any adjournment or postponement of the meeting. On that date, the Company had 7,239,422 shares of common stock, par value \$.01 per share (the "common stock") outstanding, held by approximately 2,300 total shareholders, including approximately 800 shareholders of record. The common stock is the only class of the Company's stock of which shares are outstanding. Each share of common stock is entitled to one vote on all matters submitted to a vote of the shareholders. Shareholders do not have the right to cumulate votes in the election of directors. The presence, in person or by proxy, of not less than a majority of the total number of outstanding shares of common stock is necessary to constitute a quorum at the meeting.

PROXIES

Properly executed proxies received by the Company in time to be voted at the meeting will be voted as specified by shareholders. In the absence of specific instructions, proxies received will be voted FOR the election of the nominees for election as directors, and FOR approval of the 2006 Stock Plan. Management does not know of any matters that will be brought before the meeting, other than as described in this proxy statement. If other matters are properly brought before the meeting, the persons named in the proxy intend to vote the shares to which the proxies relate in accordance with their best judgment.

The judges of election appointed by the Board of Directors for the meeting will determine the presence of a quorum and will tabulate the votes cast at the meeting. Abstentions will be treated as present for purposes of determining a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the vote of shareholders. If a broker indicates that he or she does not have discretionary authority to vote any shares of common stock on a particular matter, such shares will be treated as present for general quorum purposes, but will not be considered as present or voted with respect to that matter. It is expected that brokers and other street name nominee holders will not vote shares on the 2006 Stock Plan without express instructions from beneficial holders. Therefore, it is important that you provide your bank or broker with instructions on how to vote your shares.

Please sign, date, mark and return promptly the enclosed proxy in the postage paid envelope provided for this purpose in order to assure that your shares are voted. You may revoke your proxy at any time before it is voted at the meeting:

- o by granting a later proxy with respect to the same shares;
- o by sending written notice to Zandra D. Nichols, Corporate Secretary of the Company, at the address noted above, at any time prior to the proxy being voted; or
- o by voting in person at the meeting.

Attendance at the meeting will not, in itself, revoke a proxy. If your shares are held in the name of your bank or broker, you will need additional documentation to vote in person at the meeting. Please see the voting form provided by your recordholder for additional information regarding the voting of your shares.

Many shareholders whose shares are held in an account at a brokerage firm or bank will have the option to submit their proxies or voting instructions electronically through the Internet or by telephone. Shareholders should check the voting form or instructions provided by their recordholder to see which

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

options are available. Shareholders submitting proxies or voting instructions electronically should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies that would be borne by the shareholder. To revoke a proxy previously submitted electronically, a shareholder may simply submit a new proxy at a later date before the submission deadline indicated by your bank or broker, in which case, the later submitted proxy will be recorded and the earlier proxy will be revoked.

In general, when the Board determines that expansion of the Board or replacement of a director is necessary or appropriate, the nominating committee will review, through candidate interviews with members of the Board and management, consultation with the candidate's associates and

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

through other means, a candidate's honesty, integrity, reputation in and commitment to the community, judgment, personality and thinking style, willingness to invest in the Company, residence, willingness to devote the necessary time, potential conflicts of interest, independence, understanding of financial statements and issues, and the willingness and ability to engage in meaningful and constructive discussion regarding Company issues. The committee would review any special expertise, for example, expertise that qualifies a person as an audit committee financial expert, and membership or influence in a particular geographic or business target market, or other relevant business experience. To date the Company has not paid any fee to any third party to identify or evaluate, or to assist it in identifying or evaluating, potential director candidates.

The nominating committee will consider director candidates nominated by shareholders during such times as the Company is actively considering obtaining new directors. Candidates recommended by shareholders will be evaluated based on the same criteria described above. Shareholders desiring to suggest a candidate for consideration should send a letter to the Company's Secretary and include: (a) a statement that the writer is a shareholder (providing evidence if the person's shares are held in street name) and is proposing a candidate for consideration; (b) the name and contact information for the candidate; (c) a statement of the candidate's business and educational experience; (d) information regarding the candidate's qualifications to be director, including but not limited to an evaluation of the factors discussed above which the Board would consider in evaluating a candidate; (e) information regarding any relationship or understanding between the proposing shareholder and the candidate; (f) information regarding potential conflicts of interest; and (g) a statement that the candidate is willing to be considered and willing to serve as director if nominated and elected. Because of the limited resources of the Company and the limited opportunity to seek additional directors, there is no assurance that all shareholder proposed candidates will be fully considered, that all candidates will be considered equally, or that the proponent of any candidate or the proposed candidate will be contacted by the Company or the Board, and no undertaking to do so is implied by the willingness to consider candidates proposed by shareholders

Compensation. During 2005, the Company's Board of Directors did not have a standing compensation committee. The Compensation Committee of the Bank is currently comprised of Mr. Blitz, the Chairman, and Messrs. Abel, Dworcen, Flynn, Goodman, Lee, Murphy, Natovitz, Paul, Rogers and Weinstein. The Compensation Committee of the Bank is responsible, together with management, for the adoption of the Company's personnel policies and establishing salary and compensation guidelines and levels for all Company officers and personnel, other than executive officers of the Company. The Compensation Committee recommends executive officer compensation levels to the Company's Board of Directors. Executive officer compensation decisions are determined by the members of the Board of Directors who are "independent directors" within the meaning of NASD Rule 4200(a)(15). Messrs. Paul, Flynn and Murphy do not participate in, or remain present during Board discussions of their compensation. The Compensation Committee is also responsible for annually nominating the officers of the Company and Bank and evaluating the performance thereof. During the 2005 fiscal year, the Compensation Committee met six (6) times.

AUDIT COMMITTEE REPORT

The Audit Committee has been appointed to assist the Board of Directors in fulfilling the Board's oversight responsibilities by reviewing the financial information that will be provided to the shareholders and others, the systems of internal controls established by management and the Board and the independence and performance of the Company's audit process.

The Audit Committee has:

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

(1) reviewed and discussed with management the audited financial statements included in the Company's Annual Report and Form 10-K;

8

(2) discussed with Stegman and Company, the Company's independent auditors, the matters required to be discussed by statement of Auditing Standards No. 61, and has received the written disclosures and letter from Stegman and Company, as required by Independence Standards Board Standard No. 1; and

(3) discussed with Stegman and Company, its independence.

Based on these reviews and discussions, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the Company's annual report on Form 10-K for the year ended December 31, 2005. The Audit Committee has also considered whether the amount and nature of non-audit services provided by Stegman and Company is compatible with the auditor's independence.

Employee Benefit Plans. The Bank provides a benefit program which includes health and dental insurance, life and long term and short term disability insurance and a 401(k) plan under which the Company makes matching contributions up to 3% of an employee's salary, for substantially all full time employees.

Stock Option Plan. The Company maintains a stock option plan, adopted by shareholders at the 1999 annual meeting, to attract, retain, and motivate key officers of the Company and the Bank by providing them with a stake in the

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

success of the Company as measured by the value of its shares.

The 1998 Stock Option Plan (the "1998 Plan") is administered by a committee (the "Committee"), appointed by the Board of Directors of the Company, consisting of not less than two (2) members of the Board and up to three (3) additional members, who may be members of the Board of Directors, members of the Bank's Board of Directors, or non-director officers of the Company or the Bank. Members of the Committee may be Employee Directors or Non-Employee Directors, and serve at the pleasure of the Board of Directors. In the absence at any time of a duly appointed Committee, the 1999 Plan will be administered by the full Board of Directors.

12

The purpose of the 1998 Plan is to advance the interests of the Company by providing directors and selected key employees of the Bank, the Company, and their affiliates with the opportunity to acquire shares of common stock. By encouraging such stock ownership, the Company seeks to attract, retain and motivate the best available personnel for positions of substantial responsibility and to provide additional incentive to directors and key employees of the Company, the Bank and any affiliate to promote the success of the business as measured by the value of its shares, and to increase the commonality of interests among directors, key employees and other shareholders.

Under the 1998 Plan, 1,142,732 shares of common stock (as adjusted for the 25% stock split in the form of a dividend paid on March 31, 2000, the 40% stock split in the form of a dividend paid on June 15, 2001 and the 30% stock split in the form of a dividend on February 28, 2005), may be issued upon the exercise of "Options" granted under the 1998 Plan.

Under the 1998 Plan, the Committee may grant incentive stock options ("ISOs") or non-incentive stock options ("Non-ISOs") to such key employees as the Committee may designate, and may grant warrants ("Warrants") and other Non-ISOs to directors of the Company, the Bank and their affiliates. ISOs, Non-ISOs and Warrants are collectively referred to as "Options." In the event of any merger, consolidation, recapitalization, reorganization, reclassification, stock dividend, split-up, combination of shares or similar event in which the number or kind of shares is changed without receipt or payment of consideration by the Company, the Committee will adjust both the number and kind of shares of stock as to which Options may be awarded under the 1998 Plan, the affected terms of all outstanding Options, and the aggregate number of shares of common stock remaining available for grant under the 1998 Plan. If any Option expires, becomes unexercisable or is forfeited for any reason without having been exercised or becoming vested in full, the shares of common stock subject to such Options will be available for the grant of additional Options unless the 1998 Plan has expired or otherwise been terminated.

The exercise price of Options may not be less than 100% of the fair market value of the common stock on the date of grant. In the case of an optionee who owns more than 10% of the outstanding common stock on the date of grant, such option price may not be less than 110% of fair market value of the shares. As required by federal tax laws, to the extent that the aggregate fair market value (determined when an ISO is granted) of the common stock with respect to which ISOs are exercisable by an optionee for the first time during any calendar year (under all plans of the Company and of any subsidiary) exceeds \$100,000, the Options will be treated as Non-ISOs, and not as ISOs. A Participant may, under the 1998 Plan, receive additional options notwithstanding the earlier grant of options and regardless of their having been exercised, expired, or surrendered.

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

The 1998 Plan has a term of 10 years from December 9, 1998, its effective date, after which date no Options may be granted. The maximum term for an Option is 10 years from its date of grant, except that the maximum term of an ISO may not exceed five years if the optionee owns more than 10% of the common stock on the date of grant.

As of December 31, 2005, the Company had Options for the purchase of 729,842 shares of common stock issued and outstanding under the 1998 Plan. Subsequent to December 31, 2005, an aggregate of 1,500 Options were granted to non-executive officer employees. As of the date hereof, no grants have been made in 2006 under the 1998 Plan to Mr. Paul, Mr. Flynn, Mr. Murphy, Ms. Riel and Ms. Tonat, or other executive officers. At April 6, 2006, Options to acquire 197,455 shares of common stock remained available for issuance pursuant to the 1998 Plan. The Company is presenting the 2006 Stock Plan for the approval of shareholders at the meeting. If the 2006 Stock Plan is approved, the 1998 Plan will be terminated, and no further Options will be made under the 1998 Plan.

Employee Stock Purchase Plan. The Company also maintains the 2004 Employee Stock Purchase Plan (the "ESPP"). Under the ESPP a total of 195,000 shares of common stock, were reserved for issuance to eligible employees at a price equal to at least 85% of the fair market value of the shares of common stock on the date of grant, and subject to limitations contained in the Internal Revenue Code. Grants each year expire no later than the last business day of January in the calendar year following the year in which the grant is made. During 1995, Mr. Murphy, Ms. Riel and Ms. Tonat exercised the right, granted in 2004, to purchase 1,415, 1,225 and 1,225 shares at a price of \$11.78 per share (as adjusted), under the ESPP. During 2005, Mr. Flynn, Mr. Murphy, Ms. Riel and Ms. Tonat were granted the right to purchase, prior to the last business day of January 2006 1,458, 1,349, 1,169 and 1,169 shares at a price of \$13.25 per share (as adjusted), under the ESPP. Mr. Paul is not eligible to participate in the ESPP, and Mr. Flynn was not eligible to participate in 2004. As of April 6, 2006, 114,523 shares of common stock remained available for issuance under this Plan.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Bank serves as the Compensation Committee of the Company. The Compensation Committee's duty is to review compensation policies applicable to executive officers of the Bank; to consider the relationship of corporate performance to that compensation; to approve salary and bonus levels for senior officers of the Bank, other than those who are executive officers of the Company; to administer various incentive plans of the Bank; to oversee the compensation system for all positions in the Bank; to consider the role of incentive pay, benefits and stock options in overall compensation; and to annually nominate the officers of the Company and Bank.

The Company's Board of Directors did not have a standing compensation committee during 2005. The Compensation Committee of the Bank, also served as the compensation committee for the Company, and is comprised of Mr. Blitz, the Chairman, Messrs. Abel, Dworke, Flynn, Goodman, Lee, Murphy, Paul, Rogers and Weinstein and Ms. Natovitz. The Compensation Committee recommends executive officer compensation levels to the Company's Board of Directors. Compensation decisions for the Chief Executive Officer and other executive officers of the Company and Bank are determined by the members of the Board of Directors who are "independent directors" within the meaning of NASD Rule 4200(a)(15). Messrs. Paul, Flynn and Murphy do not participate in, or remain present during, Board discussions and/or voting on their compensation. They may participate in discussions relative to other executive officers, however, they do not vote on any actions taken.

14

Under the Bank's compensation policies, which have been established by the Compensation Committee, bonus and incentive compensation is paid, and changes in base compensation are made, based both on the individual executive officer's performance, and the performance of the entire Bank. The Committee considers a number of factors when assessing performance, including but not limited to salaries paid by financial services companies, profits during the past year relative to profit plans, results of federal regulatory examinations, growth, and changes in shareholder value. Individual executive performance is based upon its determination of the officer's contributions to the performance of the Bank and the accomplishment of the Bank's strategic goals. In assessing performance for the purposes of establishing base salaries, the members of the Committee do not make use of a mechanical formula, but instead weigh the factors described above as they deem appropriate in the circumstances. The 2005 salary levels of the Bank's executive officers were established consistent with this compensation policy. Effective January 1, 2006, Mr. Paul's salary was increased \$110,000, to reward the continued high level of effort and time commitment dedicated by Mr. Paul to the Bank's business, and the growth and increased profitability of the Company. Salaries of other executive officers were also increased for 2006, reflecting cost of living increases and market comparables.

The compensation of Mr. Paul, the President and Chief Executive Officer of the Company, represents a negotiated amount recommended by the Chairman of the Company and approved by independent directors of the Company, within the

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

meaning of NASD Rule 4200(a)(15), as stated above. A substantial portion of the compensation paid to Mr. Paul is in the form of options to purchase common stock. Options to purchase 15,600 shares of common stock, as adjusted for the stock split paid on February 28, 2005, were granted to Mr. Paul in 2005.

Executive officers have been granted incentive stock options under Eagle Bancorp's Stock Option Plans. The purposes of the Stock Option Plans are to attract, retain, and motivate key officers by providing them with a stake in the success of Eagle Bancorp as measured by the value of its shares. Options are granted at exercise prices equal to the fair market value of the shares on the dates of grant. The Stock Option Committee, which consists of the Chairman of the Board of Eagle Bancorp, the Chairman of the Board of the Bank, and the President/CEO of the Bank, has the responsibility for granting stock options to key employees (other than Mr. Paul, Mr. Flynn and other executive officers of the Company, whose awards are recommended by the Compensation Committee and approved by the independent members of the Board of Directors) and administering the plans. The Management Committee of the Bank recommends to the Stock Option Committee the recipients and the amounts and other terms of options to be granted. The Committee believes that the granting of equity based awards is the most appropriate form of long term compensation for executive officers, since awards of equity encourage ownership in the success of the Company. Grants are discretionary and are limited by the terms and conditions of the Company's Stock Option Plan. The Company has proposed the 2006 Stock Plan for approval at the meeting to allow the Company alternative instruments with which to incentivize and reward senior executive officers.

The Bank also pays discretionary cash bonuses to executive officers of the Bank. Annual bonuses are accrued as of the end of the fiscal year and are paid in January. Bonus amounts for 2005 were determined in accordance with the Senior Management Incentive Plan which was adopted for 2005. This plan considers the performance of both the bank and the individual officers in regards to several performance criteria including growth, profitability, asset quality and regulatory compliance. Mr. Paul's bonus of \$50,000 was awarded to reward the continued high level of effort and time commitment dedicated by Mr. Paul to the Bank's business, and the growth and increased profitability of the Company. In conclusion, the Compensation Committee believes that executive compensation should be competitive yet reasonable, and be reflective of overall performance of the Company.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Bank has had, and expects to have in the future, banking transactions in the ordinary course of business with some of its and the Company's directors, officers, and employees and their associates. In the past, substantially all of such transactions have been on the same terms, including interest rates, maturities and collateral requirements as those prevailing at the time for comparable transactions with non-affiliated persons and did not involve more than the normal risk of collectibility or present other unfavorable features. The maximum aggregate amount of loans (including lines of credit) to officers, directors and affiliates of the Company and Bank during the year ended December 31, 2005 amounted to \$9.83 million, representing approximately 15.13% of the Company's total shareholders' equity at December 31, 2005. In the opinion of the Board of Directors, the terms of these loans are no less favorable to the Bank than terms of the loans from the Bank to unaffiliated parties. On December 31, 2005, \$9.83 million of loans were outstanding to individuals who, during 2005, were officers, directors or affiliates of the Company and Bank. At the time each loan was made, management believed that the loan involved no more than the normal risk of collectibility and did not present other unfavorable features. None of such loans were classified as Substandard Doubtful or Loss.

The Bank leases certain office space, at a current monthly rental of \$5,285, excluding certain pass through expenses, from a limited liability

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

company in which a trust for the benefit of Mr. Paul's children has an 85% interest.

15

During 2005, the Company sold interests in a limited liability company and certain related beneficial interests in real property owned by that company, which the Company acquired in lieu of foreclosure upon nonperforming loans to a third party borrower, in the amount of approximately \$3.0 million, and related deeds of trust and other collateral, to a limited liability company of which Mr. Paul is the managing member, and in which Mr. Paul, Mr. Alperstein, Mr. Murphy, seven members of the Board of Directors of the Bank (and one member of the Board of Directors of the Bank who has since left the Board) have controlling financial interests. The price paid by the acquiring limited liability company was equal to the outstanding balance of the loans plus accrued but unpaid interest and fees to which the Company was entitled under the terms of the loan, and other amounts advanced by the Company, and equaled or exceeded the appraised value of the property, deeds of trust and other collateral. The Company suffered no loss in respect of the transaction or loans, and believes that the terms of the sale to the limited liability company were as favorable to the Company as those which could have been obtained from third parties, and was equal to or exceeded the market value of the property sold. Neither the Company nor the Bank financed the purchase of the property by the limited liability company, or the investment by any person in the limited liability company.

STOCK PERFORMANCE COMPARISON

The following table compares the cumulative total return on a hypothetical investment of \$100 in the Company's common stock on December 31, 2000 through December 31, 2005, with the hypothetical cumulative total return on the Nasdaq Stock Market Index (U.S. Companies) and the Nasdaq Bank Index for the comparable period, including reinvestment of dividends.

APPROVAL OF THE EAGLE BANCORP, INC. 2006 STOCK PLAN

GENERAL

The Board of Directors has adopted the Eagle Bancorp, Inc. 2006 Stock Plan (the "2006 Plan"), subject to approval by the Company's shareholders. A

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

copy of the 2006 Plan is attached hereto as Exhibit A and should be consulted for additional information. All statements made herein regarding the 2006 Plan, which are only intended to summarize the 2006 Plan, are qualified in their entirety by reference to the 2006 Plan.

If approved, the 2006 Plan will replace the 1998 Plan, and no further awards will be granted under the 1998 plan. Options issued under the 1998 Plan will continue in effect and will be subject to the requirements of that plan, but no new options will be granted under it. The 2006 Stock Plan authorizes awards for up to 500,000 shares of Company common stock over its ten-year term.

PURPOSE OF THE 2006 PLAN

The purpose of the 2006 Plan is to advance the interests of the Company by providing directors and selected employees of the Bank, the Company, and their affiliates with the opportunity to acquire shares of common stock, through awards of options, restricted stock and stock appreciation rights. By encouraging such stock ownership, the Company seeks to attract, retain and motivate the best available personnel for positions of substantial responsibility and to provide additional incentive to directors and employees of the Company, the Bank and any affiliate to promote the success of the business as measured by the value of its shares, and to increase the commonality of interests among directors, key employees and other shareholders. It is expected that the 2006 Plan, and the greater variety of instruments that may be granted under it, will improve the Company's ability to provide key employees with a significant portion of their overall compensation package in equity, and to tie a portion of that equity compensation to performance.

DESCRIPTION OF THE 2006 PLAN

Administration. The 2006 Plan is administered by a committee (the "Committee"), appointed by the Board of Directors of the Company, consisting of not less than three (3) members of the Board. Members of the Committee must be Independent Directors within the meaning of the listing requirements of Nasdaq, and Non-Employee Directors, and serve at the pleasure of the Board of Directors. In the absence at any time of a duly appointed Committee, the 2006 Plan will be administered by the members of the Board of Directors who are Independent Directors.

The Committee has discretion and authority to select participants and grant awards, to determine the form and content of any awards made under the 2006 Plan, to interpret the 2006 Plan, to prescribe, amend and rescind rules and regulations relating to the 2006 Plan, and to make all other decisions necessary or advisable in connection with administering the 2006 Plan, including establishing the corporate divisional or individual performance or achievement standards on which an award may be contingent. All decisions, determinations and interpretations of the Committee are final and conclusive on all persons affected thereby. Members of the Committee will be indemnified to the full extent permissible under the Company's articles of incorporation and bylaws in connection with any claims or other actions relating to any action taken under the 2006 Plan. As of the date hereof, the Committee consists of all of the members of the Board of Directors of the Company who are independent within the meaning of NASD Rule 4200(a)(15).

Eligible Persons; Types of Awards. Under the 2006 Plan, the Committee may grant incentive stock options ("ISOs"), non-incentive stock options ("Non-ISOs" and together with ISOs, "Options"), stock appreciation rights ("SARs") and shares of restricted stock ("Restricted Stock") to such employees as the Committee may designate, and may grants Non-ISOs to directors and advisory board members of the Company, the Bank, and their affiliates. The Company currently intends to grant SARs and Restricted Stock only to senior executive officers of the Company and Bank, other than Mr. Paul, but may elect

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

to expand the group of officers or employees who may be granted such awards.

17

To date, the Company has not made any awards under the 2006 Plan. If the 2006 Plan is approved at the meeting, the Company expects that it will grant awards to the six executive officers named below, on or shortly after the date of the meeting. The awards would have approximately the expected values set forth below. The expected value of the awards, and the actual number of shares of common stock which must be subject to the award of SARs or Restricted Stock in order to achieve such expected value, will be determined based upon application of the Black-Scholes or a similar pricing model, using assumptions as to pricing volatility, and other factors as of the date of the award. The actual value which recipients of awards may ultimately realize may be higher or lower than the expected value. In making awards, the Company's expectations will be to provide awards that have an expected value equal to a certain percentage of base salary. Until an award is made, the Company reserves the right to make awards in higher or lower amounts, to vary the instruments granted, or to eliminate awards in their entirety. The number of shares subject to awards will be disclosed in a Current Report on Form 8-K following grant.

Name	Expected Value of SARs	Expected Value of Shares of Restricted Stock		
		Performance Subtarget Achieved	Performance Target Achieved	Perform Targ Exceed Designa
Michael T. Flynn	\$11,804	\$23,608	\$35,412	\$47,
Thomas D. Murphy	11,025	22,050	33,075	44,
Susan G. Riel	9,627	19,254	28,881	38,
Martha Foulon-Tonat	9,627	19,254	28,881	38,
All executive officers as group (7 persons, including Mr. Paul)	\$58,814	\$117,628	\$176,411	\$235,

Each of the SARs reflected in the above table would have a term ending on December 31, 2008, and entitle the holder to receive an amount equal to the excess of the fair market value of the indicated number of shares at the end of the term of the SAR over the aggregate exercise price of the SAR, payable in shares of common stock. The only condition to exercise of the award of SARs would be continued service with the Company through the exercise date of the SAR. The issuance of the shares of Restricted Stock granted would be subject to the achievement of certain designated corporate goals through the end of the 2008 fiscal year. The named officers would be entitled to receive the number of shares indicated under the level performance target level achieved. If the lowest level of performance is not met, no shares of Restricted Stock would be issued in respect of the awards. In future years, the named officers, and possibly other employees or officers, would be eligible to receive additional awards of options, SARs or Restricted Stock under the 2006 Plan. Performance goals, targets and measures may vary from year to year and from grant to grant.

Financial Effects to the Company of Grants. The Company will receive no monetary consideration for the granting of Options under the 2006 Plan. It will

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

receive no monetary consideration other than the option exercise price for shares of common stock issued to optionees upon the exercise of their Options. It will receive no monetary consideration for the exercise of SARs or the issuance of Restricted Stock.

Under recently implemented accounting standards, the Company is required to accrue compensation expense for the grant of options or other equity based instruments such as SARs and Restricted Stock. Generally, the measurement date of the expense is the date of grant, subject to adjustment over the vesting or performance period for the award.

18

Shares Available for Grants. The 2006 Plan reserves 500,000 shares of common stock for issuance upon the exercise of Options, SARs and the grant of Restricted Stock. In the event of any merger, consolidation, recapitalization, reorganization, reclassification, stock dividend, split-up, combination of shares or similar event in which the number or kind of shares is changed without receipt or payment of consideration by the Company, the number and kind of shares of stock as to which Options, SARs and Restricted Stock may be awarded under the 2006 Plan, the affected terms of all outstanding Options, SARs and shares of Restricted Stock, and the aggregate number of shares of common stock remaining available for grant under the 2006 Plan will be adjusted. Generally, the number of shares as to which SARs are granted are charged against the aggregate number of shares available for grant under the 2006 Plan, provided that, in the case of a SAR granted in conjunction with an Option, under circumstances in which the exercise of the SAR results in termination of the option and vice versa, only the number of shares of common stock subject to the option shall be charged against the aggregate number of shares of common stock remaining available under the 2006 Plan. If awards should expire, become unexercisable, or be forfeited for any reason without having been exercised or become vested in full, the shares of common stock subject to such awards will be available for the grant of additional awards, unless the 2006 Plan has been terminated. Shares issued upon the exercise of Options or SARs or in respect of Restricted Stock awards may be either authorized but unissued shares or, to the extent permitted by Maryland law, treasury stock.

Duration of the 2006 Plan and Grants. The 2006 Plan, if approved at the meeting, will have a term of ten years from May 26, 2006, its effective date, after which date no awards may be granted. The maximum term for an Option or SAR is ten years from its date of grant, except that the maximum term of an ISO may not exceed five years if the optionee owns more than 10% of the common stock on the date of grant. The expiration of the 2006 Plan, or its termination by the Committee, will not affect any award then outstanding.

Repricing. No awards under the 2006 Plan may be repriced or exchanged for awards with lower exercise prices without the approval of shareholders.

Options. The exercise price of Options may not be less than 100% of the fair market value of the common stock on the date of grant. In the case of an optionee who owns more than 10% of the outstanding common stock on the date of grant, such option price may not be less than 110% of fair market value of the shares. As required by federal tax laws, to the extent that the aggregate fair market value (determined when an ISO is granted) of the common stock with respect to which ISOs are exercisable by an optionee for the first time during any calendar year (under all plans of the Company and of any subsidiary) exceeds \$100,000, the Options will be treated as Non-ISOs, and not as ISOs. In the event that the fair market value per share of the common stock falls below the exercise price of previously granted Options, the Committee will have the authority, with the consent of the optionee, to cancel outstanding Options and

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

to issue new Options with an exercise price equal to the then current fair market price per share of the common stock, provided that no such repricing will occur without ratification or approval by the shareholders.

If the common stock is listed on a national securities exchange (including the Nasdaq National Market or Nasdaq Capital Market) on the date in question, then the market value per share will be not less than the average of the highest and lowest selling price on such exchange on such date, or if there were no sales on such date, then the exercise price will be not less than the mean between the bid and asked prices on such date. If the common stock is traded otherwise than on a national securities exchange on the date in question, then the market value per share will be not less than the mean between the bid and asked price on such date, or, if there is no bid and asked price on such date, then on the next prior business day on which there was a bid and asked price. If no such bid and asked price is available, then the market value per share will be its fair market value as determined by the Committee, in its sole and absolute discretion.

SARs. A SAR is a right that entitles the holder to receive, as the Committee prescribes in the grant, all or a percentage of the difference between (i) the fair market value of the shares of common stock subject to the SAR at the time of its exercise, and (ii) the fair market value of such shares at the time the SAR was granted (or, in the case of SARs granted in tandem with options, the exercise price). This difference is payable in cash or common stock or a combination of cash and stock, as designated by the Committee. The exercise price as to any particular SAR may not be less than the fair market value of the optioned shares on the date of grant. A SAR may be granted in tandem with all or part of any Option granted under the 2006 Plan or without any relationship to any Option. A SAR granted in tandem with an ISO must expire no later than the ISO, must have the same exercise price as the ISO and may be exercised only when the ISO is exercisable and when the fair market value of the shares subject to the ISO exceeds the exercise price of the ISO. For SARs granted in tandem with options, the optionee's exercise of the SAR cancels the right to exercise the option, and vice versa.

19

Exercise of Options and SARs. The exercise of Options and SARs will be subject to such terms and conditions as are established by the Committee in a written agreement between the Committee and the optionee. In the absence of Committee action to the contrary: (A) an otherwise unexpired ISO shall cease to be exercisable upon (i) an employee's termination of employment for "just cause" (as defined in the 2006 Plan), (ii) the date three months after an employee terminates service for a reason other than just cause, death, or disability, or (iii) the date one year after an employee terminates service due to disability, or two years after termination of such service due to his death, and in each case such shorter period as may be set forth in an award; (B) an unexpired Non-ISO shall be exercisable at any time (but not later than the date on which the Non-ISO would otherwise expire), except where the optionee's service with the Company terminates as a result of "just cause" or where a director optionee is removed from the board of directors on which he or she serves, in which case Non-ISO will terminate on the date of termination or removal, as the case may be. Notwithstanding the provisions of any Option which provides for its exercise in installments as designated by the Committee, an Option will become immediately exercisable upon the optionee's death or permanent and total disability. Notwithstanding the provisions of any SAR, upon the death, disability or retirement of the holder of a SAR after achieving the age of 65 and after five years of continuous service: (A) a SAR that is not a performance based award and that provides for its vesting or exercise in installments or at a future date as designated by the Committee, will be exercisable for that

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

portion of the award as bears the same relation to the total amount of the award as the period of service from the date of grant to the date of death, disability or retirement bears to the period from the date of grant to original date of vesting or exercisability, and (B) a SAR that is a performance based award, may be exercised for that portion of the award as bears the same relationship to the achievement in respect of the performance based award standards or conditions, as determined by the Committee in its sole discretion. In no event, however, will any Option or SAR be exercisable after its expiration date, as to fractional shares of common stock or prior to the holder's satisfaction of any income tax withholding requirements.

A participant may exercise Options or SARs, subject to provisions regarding their termination and limitations on their exercise, only by (i) written notice of intent to exercise with respect to a specified number of shares of common stock, and (ii) payment to the Company (contemporaneously with delivery of such notice) in cash, in common stock, or a combination of cash and common stock, of the amount of the exercise price for the number of shares with respect to which the Option or SAR is then being exercised. Common stock used in full or partial payment of the exercise price for Options or SARs will be valued at its market value at the date of exercise. Shares acquired from the Company within six months of an exercise may generally not be used to pay the exercise price.

Restricted Stock. Restricted Stock is an award of shares of common stock that is subject to forfeiture, restrictions against transfer, meeting specific corporate, individual or individual performance or achievement standards or goals, or other conditions or restrictions set forth in an award agreement. The Committee has discretion at the time of making a Restricted Stock grant to determine a period of up to five years during which the shares granted will be subject to restrictions, and the conditions that must be satisfied in order for the shares of restricted stock to become unrestricted (i.e., vested and nonforfeitable). For example, the Committee may condition vesting upon a recipient's continued employment or upon the recipient's attainment of specific corporate, divisional, or individual performance or achievement standards or goals. However, the minimum vesting period for Restricted Stock is three years if the vesting is based solely on the passage of time and continued employment, although vesting may occur ratably over such period; and the minimum measurement date for vesting of restricted stock based upon performance criteria is one year. The Committee shall determine the percentage of the award of restricted stock which shall vest in the event of death, disability, or retirement prior to the expiration of the restriction period or the satisfaction of the restrictions applicable to an award of restricted stock. Neither the Stock Option Committee nor the Board will have the authority, without shareholder approval, to accelerate the vesting period of Restricted Stock other than in the event of a change-in-control of the Company or the death, disability, retirement, or termination of employment of the participant.

Until a recipient's interest vests, Restricted Stock is nontransferable and forfeitable. Nevertheless, the recipient may be entitled to vote the Restricted Stock and to receive dividends and other distributions made with respect to Restricted Stock grants that are issued subject to forfeiture in the event that the vesting conditions are not met, as opposed to shares that are issued only upon satisfaction of the conditions. To the extent that a recipient becomes vested in Restricted Stock and has satisfied applicable income tax withholding obligations, the Company will deliver unrestricted shares of common stock to the recipient. At the end of the restriction period, the recipient will forfeit to Bancorp any issued shares of Restricted Stock as to which the recipient did not earn a vested interest during the restriction period, i.e. where the performance based conditions are not met.

Change in Control. Notwithstanding the provisions of any Option, SAR or Restricted Stock award which provide for its exercise or vesting in installments

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

or subject to conditions, all awards will be immediately exercisable and fully vested upon the occurrence of a change in control. At the time of a change in control that does not constitute a "transaction", the participant shall, at the discretion of the Committee, be entitled to receive cash in an amount equal to the excess of the fair market value of the common stock subject to an Option or SAR over the exercise price of such shares, in exchange for the cancellation of such Options and SARs by the optionee. Notwithstanding the previous sentence, in no event may an Option or SAR be cancelled in exchange for cash, within the six-month period following the date of its grant.

20

In the event of a "change in control" that is a "transaction", all awards of Options, SARs and Restricted Stock must be surrendered, and with respect to each award surrendered, the Board will in its sole and absolute discretion determine whether the holder of the surrendered award will receive: (1) an award for the number and kind of shares into which each outstanding share (other than shares held by dissenting shareholders) is changed or exchanged, together with an appropriate adjustment to the exercise price; (2) the number and kind of shares into which each outstanding share (other than shares held by dissenting shareholders) is changed or exchanged in the transaction that are equal in market value to the excess of the market value on the date of the transaction of the shares subject to the Option or SAR, over the exercise price; or (3) a cash payment (from the Company or the successor corporation) in an amount equal to the excess of the market value on the date of the transaction of the shares subject to the Option or SAR over the exercise price.

For purposes of the 2006 Plan, "change in control" means any one of the following events: (1) the acquisition of ownership, holding or power to vote more than 50% of the Bank's or Company's voting stock, (2) the acquisition of the power to control the election of a majority of the Bank's or Company's directors, (3) the exercise of a controlling influence over the management or policies of the Bank or the Company by any person or by persons acting as a "group" (within the meaning of Section 13(d) of the Securities Exchange Act of 1934), or (4) the failure of "Continuing Directors" to constitute at least two-thirds of the Board of Directors of the Company or the Bank (the "Company Board") during any period of two consecutive years. For purposes of this Plan, "Continuing Directors" shall include only those individuals who were members of the Company Board at the Effective Date and those other individuals whose election or nomination for election as a member of the Company Board was approved by a vote of at least two-thirds of the Continuing Directors then in office. The decision of the Committee as to whether a change in control has occurred shall be conclusive and binding. "Transaction" means (i) the liquidation or dissolution of the Company, (ii) a merger or consolidation in which the Company is not the surviving entity, or (iii) the sale or disposition of all or substantially all of the Company's assets. No adjustment upon a change in control, a "transaction" or otherwise may be made in such a manner as to constitute a modification, within the meaning of Section 424(h) of the Code, of outstanding ISOs. If, by reason of any such adjustments, an optionee becomes entitled to new, additional, or different shares of stock or securities, such new, additional, or different shares of stock or securities shall thereupon be subject to all of the conditions and restrictions which were applicable to the shares pursuant to the Option before the adjustment was made.

Although these provisions are included in the 2006 Plan primarily for the protection of an employee-participant in the event of a change in control of the Company, they may also be regarded as having a takeover defensive effect, which may reduce the Company's vulnerability to hostile takeover attempts and certain other transactions which have not been negotiated with and approved by the Board of Directors.

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

Restrictions on Transferability. Options, SARs and Restricted Stock may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent and distribution, or pursuant to the terms of a "qualified domestic relations order." Non-ISOs may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent and distribution, pursuant to the terms of a "qualified domestic relations order" or, in the sole discretion of the Committee, in connection with a transfer for estate or retirement planning purposes to a trust established for such purposes.

Restrictions on Sale of Shares. Shares of common stock acquired in connection with an award or exercise of Options, SARs or Restricted Stock may not be sold or otherwise disposed of before the end of a six-month period beginning on the date the award was granted, except for dispositions by bona fide gifts or transfers by will or the laws of descent or distribution. This restriction is in addition to any other restriction imposed by the 2006 Plan or by the Committee in connection with any grant of an award. This restriction is also in addition to the holding period discussed below under "Federal Income Tax Consequences" required for treatment of an Option as an ISO.

Conditions on Issuance of Shares. The Committee will have the discretionary authority to impose, in agreements, such restrictions on shares issued pursuant to the 2006 Plan as it may deem appropriate or desirable, including but not limited to the authority to impose a right of first refusal or to establish repurchase rights or both of these restrictions. In addition, the Committee may not issue shares unless the issuance complies with applicable securities laws, and to that end may require that an optionee or recipient make certain representations or warranties.

21

Amendment and Termination of the 2006 Plan. The Board of Directors may from time to time amend the terms of the 2006 Plan and, with respect to any shares at the time not subject to Options, suspend or terminate the 2006 Plan; provided that shareholder approval is required to increase the number of shares subject to the 2006 Plan or to extend the term of the 2006 Plan. No amendment, suspension, or termination of the 2006 Plan will, without the consent of any affected holders of an award, alter or impair any rights or obligations under any award granted prior to any such termination, amendment or suspension.

FEDERAL INCOME TAX CONSEQUENCES

ISOs. An employee recognizes no taxable income upon the grant of ISOs. If the optionee holds the option shares for at least two years from the date the ISO is granted and one year from the date the ISO is exercised, any gain realized on the sale of the shares received upon exercise of such ISO is taxed as long-term capital gain. However, the difference between the fair market value of the stock at the date of exercise and the exercise price of the ISO will be treated as an item of tax preference in the year of exercise for purposes of the alternative minimum tax. If the employee disposes of the shares before the expiration of either of the special holding periods, the disposition is a "disqualifying disposition." In this event, the employee will be required, at the time of the disposition of the stock, to treat the lesser of the gain realized or the difference between the exercise price and the fair market value of the stock at the date of exercise as ordinary income and the excess, if any, as capital gain.

The Company will not be entitled to any deduction for federal income tax purposes as the result of the grant or exercise of an ISO, regardless of

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

whether or not the exercise of the ISO results in liability under the alternative minimum tax. However, if the employee has ordinary income taxable as compensation as a result of a disqualifying disposition, the Company will be entitled to deduct an equivalent amount, subject to federal income tax limitations on annual executive compensation deductions.

Non-ISOs. In the case of a Non-ISO, the holder will recognize ordinary income upon the exercise of the Non-ISO in an amount equal to the difference between the fair market value of the shares on the date of exercise and the exercise price (or, if the optionee is subject to certain restrictions imposed by the federal securities laws, upon the lapse of those restrictions unless the optionee makes a special tax election within 30 days after the date of exercise to have the general rule apply). Upon a subsequent disposition of such shares, any amount received by the optionee in excess of the fair market value of the shares as of the of exercise will be taxed as capital gain. The Company will be entitled to a deduction for federal income tax purposes at the same time and in the same amount as the ordinary income recognized by the optionee in connection with the exercise of a Non-ISO.

SARs. The grant of a SAR has no tax effect on the optionee or the Company. Upon exercise of the SARs, however, any cash or common stock received by the optionee in connection with the exercise of a SAR will be treated as compensation income to the optionee, and the Company will be entitled to a business expense deduction for the amounts treated as such compensation income, subject to federal income tax limitations on annual executive compensation deductions.

Restricted Stock. The recipient of Restricted Stock will not have taxable income upon grant, except that the recipient may elect to be taxed at the time of grant. Unless an election is made to be tax as of the time of grant, the recipient of Restricted Stock will have ordinary income at the time of vesting of shares of Restricted Stock. The Company will be entitled to a business expense deduction in the same amount, subject to federal income tax limitations on annual executive compensation deductions.

Section 20. No Award may be granted under the Plan after ten (10) years from the Effective Date.

(b) Term of Options and SARs. The Committee shall establish the term of each Option and SAR granted under the Plan. No Option or SAR may have a term that exceeds ten (10) years. No ISO granted to an Employee who owns Shares representing more than ten percent (10%) of the outstanding shares of Common Stock, as determined in accordance with the Code, at the time an ISO is granted may have a term that exceeds five (5) years.

4. SHARES SUBJECT TO THE PLAN.

(a) General. Except as otherwise required by the provisions of Section 14, the aggregate number of Shares deliverable upon the exercise of Awards shall be 500,000. Optioned Shares may either be authorized but unissued Shares or Shares held in treasury to the extent allowed by Maryland law. If Awards should expire, become unexercisable or be forfeited for any reason without having been exercised or become vested in full, the Optioned Shares shall be available for the grant of additional Awards under the Plan, unless the Plan shall have been terminated.

(b) Special Rule for SARs. Not in limitation of the provisions of Section 4(a), the number of Shares with respect to which a SAR is granted, and not the number of Shares delivered upon the exercise of the SAR, shall be charged against the aggregate number of Shares remaining available under the Plan, provided, however, that in the case of a SAR granted in tandem with an Option, under circumstances where the exercise of the Option results in the termination of the SAR, or vice versa, only the number of Shares subject to the Option shall be charged against the aggregate number of Shares remaining available under the Plan. The Shares related to an Option as to which Option rights have been terminated as a result of the exercise of a related SAR shall not be available for the grant of additional Awards.

5. ADMINISTRATION OF THE PLAN.

(a) Composition of the Committee. The Plan shall be administered by the Committee, which shall consist of not less than three (3) members of the Board. All members of the Committee shall be Independent Directors, and shall serve at the pleasure of the Board. In the absence at any time of a duly appointed Committee, the Plan shall be administered by the members of the Board who are Independent Directors.

(b) Powers of the Committee. Except as limited by the express provisions of the Plan or by resolutions adopted by the Board, the Committee shall have sole and complete authority and discretion (i) to select Participants and grant Awards, (ii) to determine the form and content of Awards to be issued in the form of Agreements under the Plan, including but not limited to the corporate, divisional or individual performance or achievement standards or goals of Performance Based Awards, which need not be identical among Participants granted Awards at the same time, (iii) to interpret the Plan, (iv) to prescribe, amend and rescind rules and regulations relating to the Plan, and (v) to make other determinations necessary or advisable for the administration of the Plan. The Committee shall have and may exercise such other power and authority as may be delegated to it by the Board from time to time. A majority of the entire Committee shall constitute a quorum and the action of a majority of the members present at any meeting at which a quorum is present, or acts approved in writing by a majority of the Committee without a meeting, shall be deemed the action of the Committee.

(c) Agreement. Each Award shall be evidenced by a written agreement containing such provisions as may be approved by the Committee. Each such Agreement shall constitute a binding contract between the Company and the

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

Participant, and every Participant, upon acceptance of such Agreement, shall be bound by the terms and restrictions of the Plan and of such Agreement. The terms of each such Agreement shall be in accordance with the Plan, but each Agreement may include such additional provisions and restrictions determined by the Committee, in its discretion, provided that such additional provisions and restrictions are not inconsistent with the terms of the Plan. In particular, the Committee shall set forth in each Agreement (i) the Exercise Price of an Option or SAR, (ii) the number of Shares subject to, and the expiration date of, the Award, (iii) the manner, time and rate (cumulative or otherwise) of exercise or vesting of such Award, and (iv) the restrictions, including Performance Based Awards standards, if any, to be placed upon such Award, or upon Shares which may be issued in respect of such Award. The Chairman of the Committee and such other officers as shall be designated by the Committee are hereby authorized to execute Agreements on behalf of the Company and to cause them to be delivered to the recipients of Awards.

(d) Effect of the Committee's Decisions. All decisions, determinations, and interpretations of the Committee shall be final and conclusive on all persons affected thereby. The Committee's determination whether a Participant's Continuous Service has ceased, the effective date thereof, and whether a Performance Based Award standard or condition shall have been met in the event of the Death, Disability or Retirement shall be final and conclusive on all persons affected thereby.

(e) Indemnification. In addition to such other rights of indemnification as they may have, the members of the Committee shall be indemnified by the Company in connection with any claim, action, suit or proceeding relating to any action taken or failure to act under or in connection with the Plan or any Option, granted hereunder to the full extent provided for under the Company's Articles of Incorporation or Bylaws with respect to the indemnification of directors.

A-3

6. GRANT OF OPTIONS.

(a) General Rule. The Committee, in its sole discretion, may grant ISO's or Non-ISOs to Employees of the Company or its Affiliates and may grant Non-ISOs to members of the Board, members of the Bank Board, members of Bank advisory boards, and members of the boards of directors of Affiliates.

(b) Special Rules for ISOs. The aggregate Market Value, as of the date the Option is granted, of the Shares with respect to which ISOs are exercisable for the first time by an Employee during any calendar year (under all incentive stock option plans, as defined in Section 422 of the Code, of the Company, or any Parent or Subsidiary), shall not exceed \$100,000. Notwithstanding the prior provisions of this Section, the Committee may grant Options in excess of the foregoing limitations, in which case such Options granted in excess of such limitation shall be Options which are Non-ISOs.

7. EXERCISE PRICE FOR OPTIONS.

(a) Limits on Committee Discretion. The Exercise Price as to any particular Option granted under the Plan shall not be less than the Market Value of the Optioned Shares on the date of grant. In the case of an Employee who owns Shares, as determined in accordance with the Code, representing more than 10% of the Company's Outstanding Shares of Common Stock at the time an ISO is granted, the Exercise Price shall not be less than 110% of the Market Value of the Optioned Shares at the time the ISO is granted.

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

(b) Standards for Determining Exercise Price. If the Common Stock is listed on a national securities exchange (including the Nasdaq National Market or Nasdaq Capital Market) on the date in question, then the Market Value per Share shall be not less than the average of the highest and lowest selling price on such exchange on such date, or if there were no sales on such date, then the Exercise Price shall be not less than the mean between the bid and asked prices on such date. If the Common Stock is traded otherwise than on a national securities exchange on the date in question, then the Market Value per Share shall be not less than the mean between the bid and asked price on such date, or, if there is no bid and asked price on such date, then on the next prior business day on which there was a bid and asked price. If no such bid and asked price is available, then the Market Value per Share shall be its fair market value as determined in good faith by the Committee, in its sole and absolute discretion.

8. EXERCISE OF OPTIONS.

(a) Generally. Any Option shall be exercisable at such times and under such conditions as shall be permissible under the terms of the Plan and of the Agreement. An Option may not be exercised for a fractional Share. In the event that any adjustment of an Option pursuant to Section 14 or otherwise would result in an Optionee being entitled to exercise for a fractional Share, then upon such adjustment, the number of Shares which may be acquired upon exercise of such Option shall be rounded down to the next whole share, and the Optionee shall not be entitled to any payment, compensation or alternative Award in lieu thereof.

(b) Procedure for Exercise. A Participant may exercise Options, subject to provisions relative to its termination and limitations on its exercise, only by (1) written notice of intent to exercise the Option with respect to a specified number of Shares, and (2) payment to the Company (contemporaneously with delivery of such notice) in cash, in Common Stock, or a combination of cash and Common Stock, of the amount of the Exercise Price for the number of Shares with respect to which the Option is then being exercised. Each such notice (and payment where required) shall be delivered, or mailed by prepaid registered or certified mail, addressed to the Treasurer of the Company at the Company's executive offices. Common Stock utilized in full or partial payment of the Exercise Price for Options shall be valued at its Market Value at the date of exercise. Notwithstanding the foregoing, a Share acquired upon the exercise of an Option (or otherwise directly acquired from the Company) may not be surrendered in payment of any portion of the exercise price of an Option unless such Share shall have been held for at least six months, or the Committee shall have determined that the use of such Share shall not result in adverse tax or accounting consequences to the Company.

(c) Period of Exercisability-ISOs. An ISO may be exercised by a Participant only while the Participant is an Employee and has maintained Continuous Service from the date of the grant of the ISO, or within three months after termination of such Continuous Service (but not later than the date on which the Option would otherwise expire), except if the Employee's Continuous Service terminates by reason of -

A-4

- (1) "Just Cause" which for purposes hereof shall have the meaning set forth in any unexpired employment or severance agreement between the Participant and the Bank and/or the Company (and, in the absence of any such agreement, means termination because of the Employee's personal dishonesty, incompetence, willful misconduct, breach of fiduciary duty involving personal profit, intentional failure to perform stated duties, willful violation of any law,

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

rule or regulation (other than traffic violations or similar offenses) or final cease-and-desist order), then the Participant's rights to exercise such ISO shall expire on the date of such termination;

- (2) death, then to the extent that the Participant would have been entitled to exercise the ISO immediately prior to his death, such ISO of the deceased Participant may be exercised by the personal representatives of his estate or person or persons to whom his rights under such ISO shall have passed by will or by laws of descent and distribution within two years from the date of his death, or such shorter period as may be set forth in an Agreement, but not later than the date on which the Option would otherwise expire,;
- (3) Disability, then to the extent that the Participant would have been entitled to exercise the ISO immediately prior to his Disability, such ISO may be exercised within one year from the date of such Disability, or such shorter period as may be set forth in an Agreement, but not later than the date on which the ISO would otherwise expire.

(d) Acceleration on Death or Disability. Notwithstanding the provisions of any Option that provides for its exercise in installments as designated by the Committee, such Option shall become immediately exercisable upon the Participant's death or Disability.

(e) Period of Exercisability-Non-ISOs. Except to the extent otherwise provided in the terms of an Agreement, a Non-ISO may be exercised by a Participant, or the estate of a Participant, at any time before its expiration date, except if the Participant's Service terminates by reason of:

- (1) "Just Cause" which for purposes hereof shall have the meaning set forth in any unexpired employment or severance agreement between the Participant and the Bank and/or the Company (and, in the absence of any such agreement, means termination because of the Participant's personal dishonesty, incompetence, willful misconduct, breach of fiduciary duty involving personal profit, intentional failure to perform stated duties, willful violation of any law, rule or regulation (other than traffic violations or similar offenses) or final cease-and-desist order), then the Participant's rights to exercise such Non-ISO shall expire on the date of such termination; or
- (2) Removal from the Board or the Bank Board pursuant to the respective Articles of Incorporation, or termination of service as an advisory board member for any reason whatsoever then the Participant's rights to exercise such Non-ISO shall expire on the date of such removal. Failure to be nominated for reelection or failure to be reelected to the Board at the end of a director's term shall not constitute a removal.

9. STOCK APPRECIATION RIGHTS (SARS).

(a) Granting of SARs. In its sole discretion, the Committee may from time to time grant to Employees SARs either in conjunction with, or independently of, any Options granted under the Plan. A SAR granted in conjunction with an Option may be an alternative right wherein the exercise of the Option terminates the SAR to the extent of the number of shares purchased upon exercise of the Option and, correspondingly, the exercise of the SAR terminates the Option to the extent of the number of Shares with respect to which the SAR is exercised. Alternatively, a SAR granted in conjunction with an

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

Option may be an additional right wherein both the SAR and the Option may be exercised. A SAR may not be granted in conjunction with an ISO under circumstances in which the exercise of the SAR affects the right to exercise the ISO or vice versa, unless the SAR, by its terms, meets all of the following requirements:

- (1) The SAR will expire no later than the ISO;
- (2) The SAR may be for no more than the difference between the Exercise Price of the ISO and the Market Value of the Shares subject to the ISO at the time the SAR is exercised;
- (3) The SAR is transferable only when the ISO is transferable, and under the same conditions;
- (4) The SAR may be exercised only when the ISO may be exercised; and
- (5) The SAR may be exercised only when the Market Value of the Shares subject to the ISO exceeds the Exercise Price of the ISO.

A-5

(b) Exercise Price. The Exercise Price as to any particular SAR shall not be less than the Market Value of the Optioned Shares on the date of grant.

(c) Exercise of SARs. A SAR granted hereunder shall be exercisable at such times and under such conditions as shall be permissible under the terms of the Plan and of the Agreement granted to a Participant, provided that a SAR may not be exercised for a fractional Share. Upon exercise of a SAR, the Participant shall be entitled to receive, without payment to the Company except for applicable withholding taxes, an amount equal to the excess of (or, in the discretion of the Committee if provided in the Agreement, a portion of) the excess of the then aggregate Market Value of the number of Optioned Shares with respect to which the Participant exercises the SAR, over the aggregate Exercise Price of such number of Optioned Shares. This amount shall be payable by the Company, in the discretion of the Committee as set forth in an Agreement with respect to an Award of SARs, in cash or in Shares valued at the then Market Value thereof, or any combination thereof. The provisions of Section 8(d) regarding the period of exercisability of Options are incorporated by reference herein, and shall determine the period of exercisability of SARs. Not in limitation of the foregoing, unless an Agreement provides that a SAR may be settled only in Shares, a SAR shall be exercisable only on a date certain specified in the Agreement.

(d) Procedure for Exercising SARs. To the extent not inconsistent with this Section, the provisions of Section 8(b) as to the procedure for exercising Options are incorporated by reference, and shall determine the procedure for exercising SARs.

(e) Acceleration of SARs. Notwithstanding the provisions of any SAR, upon the Death, Disability or Retirement of a Participant, such Participant (or the Participant's estate) shall be entitled to exercise such SAR:

- (1) that is not a Performance Based Award and that provides for its vesting or exercise in installments or at a future date as designated by the Committee in an Agreement, for that portion of the award as bears the same relation to the total amount of the Award as the period of service from the date of grant to the date of Death,

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

Disability or Retirement bears to the period from the date of grant to original date of vesting or exercisability;

(2) that is a Performance Based Award, for that portion of the Award as bears the same relationship to the achievement in respect of the Performance Based Award Standards or conditions, as determined by the Committee in its sole discretion.

10. REISSUANCE OF OPTIONS OR SARs. Notwithstanding anything herein to the contrary, the Committee shall have the authority to cancel outstanding Options or SARs with the consent of the Participant and to reissue new Options or SARs at a lower Exercise Price equal to the then Market Value per share of Common Stock in the event that the Market Value per share of Common Stock at any time prior to the date of exercise of outstanding Options or SARs falls below the Exercise Price, provided, however, that no such repricing shall be effective unless specifically approved or ratified by the affirmative vote of a majority of the Common Stock present or represented and entitled to vote at a meeting of shareholders duly called and held on a date not later than the date of the next annual meeting of shareholders following such cancellation and reissuance.

11. RESTRICTED STOCK AWARDS.

Any Share of Restricted Stock subject to an Award shall be subject to the following terms and conditions, and otherwise to such other terms and conditions as are either applicable generally to Awards, or prescribed by the Committee in the applicable Agreement.

(a) Restriction Period. At the time of each award of Restricted Stock, there shall be established for the Restricted Stock a restriction period, which shall be no less than 12 months and no greater than 5 years (the "Restriction Period"). Such Restriction Period may differ among Participants and may have different expiration dates with respect to portions of shares of Restricted Stock covered by the same Award. In no event (i) may the goal or standard measurement date for a Performance Based Award of Restricted Stock be less than one year from the date of grant; or (ii) may the Restriction Period for any other award of Restricted Stock be less than 3 years, provided that restrictions may terminate ratably over the vesting period.

(b) Vesting Restrictions. The Committee shall determine the restrictions applicable to the award of Restricted Stock, including, but not limited to, requirements of Continuous Service for a specified term, or, for Performance Based Awards of Restricted Stock, the attainment of specific corporate, divisional, or individual performance or achievement standards or goals, which restrictions may differ with respect to each Participant granted an Award of Restricted Stock at the same time. The Agreement shall provide for forfeiture of Shares covered thereby if the specified restrictions are not met during the Restriction Period. Awards of Restricted Stock may provide for the issue of Shares upon grant, subject to forfeiture if the specified restrictions are not met, or for the issuance of Shares only upon the achievement of the restrictions at the end of the Restricted Period or upon the achievement of the performance standards or goals, subject to earlier vesting as provided herein.

A-6

(c) Vesting upon Death, Disability, or Retirement. The Committee shall set forth in the Agreement the percentage of the Award of Restricted Stock, if any, which shall vest in the Participant in the event of death, Disability, or Retirement prior to the expiration of the Restriction Period or the satisfaction of the restrictions applicable to an award of Restricted Stock.

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

(d) Acceleration of Vesting. Notwithstanding the Restriction Period and the restrictions imposed on the Restricted Stock, as set forth in any Agreement, the Committee may shorten the Restriction Period or waive any restrictions, if the Committee concludes that it is in the best interests of the Company to do so, provided that any such actions not done in connection with a Change in Control or the death, Disability, Retirement, or termination of employment of a Participant shall not be effective unless specifically approved or ratified by the affirmative votes of the holders of a majority of the Common Stock present or represented and entitled to vote at a meeting duly held on date no later than the next annual meeting of shareholders.

(e) Ownership; Voting. Where stock certificates are issued in respect of Restricted Stock Awards awarded hereunder, which are subject to forfeiture if the restrictions are not satisfied, such certificates shall be registered in the name of the Participant, whereupon the Participant shall become a shareholder of the Company with respect to such Restricted Stock and shall, to the extent not inconsistent with express provisions of the Plan, have all the rights of a shareholder, including but not limited to the right to vote and to receive all dividends paid on such Shares, and the certificates shall be deposited with the Company or its designee, together with a stock power endorsed in blank, and the following legend shall be placed upon such certificates reflecting that the shares represented thereby are subject to restrictions against transfer and forfeiture:

"The transferability of this certificate and the shares of stock represented thereby are subject to the terms and conditions (including forfeiture) contained in the Eagle Bancorp, Inc. 2006 Stock Plan, and an agreement entered into between the registered owner and Eagle Bancorp, Inc. Copies of such Plan and Agreement are on file in the offices of the Secretary of Eagle Bancorp, Inc."

Where an Award of Restricted Stock is subject to issuance upon the achievement of Performance Based Award standards or goals or other conditions, no certificates shall be issued until satisfaction of such conditions.

(f) Lapse of Restrictions. At the expiration of the Restricted Period applicable to the Restricted Stock, or upon the satisfaction of conditions to receipt of the Restricted Stock, as applicable, the Company shall deliver to the Participant, or the legal representative of the Participant's estate, or if the personal representative of the Participant's estate shall have assigned the estate's interest in the Restricted Stock, to the person or persons to whom his rights under such Restricted Stock shall have passed by assignment pursuant to his will or to the laws of descent and distribution, the stock certificates deposited with it or its designee and as to which the Restricted Period has expired and the requirements of the restrictions have been met. If a legend has been placed on such certificates, the Company shall cause such certificates to be reissued without the legend.

(g) Forfeiture of Restricted Stock. The Agreement shall provide for forfeiture of any Restricted Stock which is not vested in the Participant or for which the restrictions have not been satisfied during the Restriction Period.

12. CONDITIONS UPON ISSUANCE OF SHARES.

(a) Compliance with Securities Laws. Shares of Common Stock shall not be issued with respect to any Award unless the issuance and delivery of such Shares shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the rules and regulations promulgated thereunder, any applicable state securities law, and the requirements of any securities exchange upon which the Shares may then be listed. The Plan is intended to comply with Rule 16b-3, and any provision of the Plan than the Committee determines in its sole and absolute discretion to be

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

inconsistent with said Rule shall, to the extent of such inconsistency, be inoperative and null and void, and shall not affect the validity of the remaining provisions of the Plan.

A-7

(b) Special Circumstances. The inability of the Company to obtain approval from any regulatory body or authority deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder shall relieve the Company of any liability in respect of the non-issuance or sale of such Shares. As a condition to the exercise or vesting of an Award, the Company may require the person exercising or vesting in the Award to make such representations and warranties as the Committee determines may be necessary to assure the availability of an exemption from the registration requirements of federal or state securities law.

(c) Committee Discretion. The Committee shall have the discretionary authority to impose in Agreements such restrictions on Shares as it may deem appropriate or desirable, including but not limited to the authority to impose a right of first refusal or to establish repurchase rights or both of these restrictions.

(d) Compliance with Section 409A. It is intended and anticipated that Awards under the Plan will not be subject to the requirements of Code Section 409A. However, to the extent that Code Section 409A does apply to an Award, the Plan is intended to comply with Code Section 409A, and official guidance issued thereunder, and thus avoid the imposition of any excise tax and interest on any Participant pursuant to Code Section 409A(a)(1)(B). Notwithstanding any provision of the Plan to the contrary, the Plan shall be interpreted, operated and administered consistent with this intent, and any inconsistent provision of any Award or Agreement shall be deemed to be modified accordingly as the Committee shall determine in its sole discretion and without further consent of the affected Participant; provided that the Company shall have no liability whatsoever to any Participant or any other person in the event that any Award is determined to be subject to, and is not in compliance with, Section 409A of the Code.

13. RESTRICTIONS ON SALE OF SHARES

(a) Six-Month Restriction. Shares of Common Stock that have been acquired upon exercise of an Award may not be sold or otherwise disposed of before the end of a six-month period beginning on the date the Award was granted. This restriction is in addition to any other restriction imposed by this Plan or by the Committee pursuant to this Plan.

(b) Exceptions. The six-month restriction imposed by subsection (a) shall not apply to dispositions by bona fide gifts or to transfers by will or the laws of descent or distribution.

14. EFFECT OF CHANGES IN CONTROL AND CHANGES IN COMMON STOCK SUBJECT TO THE PLAN.

(a) Effects of Change in Control.

- (1) Notwithstanding the provisions of any Award that provides for its exercise or vesting in installments, all Awards shall be immediately exercisable and fully vested upon a Change in Control, and all conditions to the vesting, exercise or receipt of an Award or Shares subject to an Award shall be deemed to be satisfied.

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

- (2) At the time of a Change in Control which does not constitute a Transaction, in the discretion of the Committee, any or all outstanding Options and/or SARs may be cancelled, in exchange for which cancellation the Participant shall receive payment in cash or Shares in an amount equal to the excess of the Market Value at the time of the Change in Control of the Shares subject to such Option and/or SAR over the Exercise Price of such Options or SAR (or in the event that the terms of any SAR limit the maximum payment pursuant to such SAR, such maximum amount), provided that in no event may an Option or SAR be cancelled in exchange for cash pursuant to this Section (a)(2) within the six-month period following the date of its grant.
- (3) In the event there is a Change in Control that constitutes a Transaction, all outstanding Awards shall be surrendered. With respect to each such Award so surrendered, the Committee shall in its sole and absolute discretion determine whether the holder of each such Award so surrendered shall receive--
- (A) for each Share then subject to an Award, an Award for the number and kind of shares (or amount of cash or other property, or combination thereof) into which each Outstanding Share (other than Shares held by dissenting stockholders) is changed or exchanged, together with an appropriate adjustment to the Exercise Price in the case of Options and SARs; or

A-8

- (B) the number and kind of shares (or amount cash or other property, or combination thereof) into which each Outstanding Share (other than Shares held by dissenting stockholders) is changed or exchanged in the Transaction that are equal in market value to the Market Value of the Shares subject to the Award, and in the case of Options or SARs, the excess of the Market Value on the date of the Transaction of the over the Exercise Price of the Option or SAR; or
- (C) a cash payment (from the Company or the successor corporation), in an amount equal to the excess of the Market Value on the date of the Transaction of the Shares subject to the Award, over the Exercise Price of the Option or SAR.

(b) Recapitalizations; Stock Splits, Etc. The number and kind of shares reserved for issuance under the Plan, and the number and kind of shares subject to outstanding Awards and the Exercise Price thereof, shall be proportionately adjusted for any increase, decrease, change or exchange of Shares for a different number or kind of shares or other securities of the Company which results from a merger, consolidation, recapitalization, reorganization, reclassification, stock dividend, split-up, combination of shares, or similar event in which the number or kind of shares is changed without the receipt or payment of consideration by the Company.

(c) Special Rule for ISOs. Any adjustment made pursuant to subsections (a)(3)(A) or (b) of this Section shall be made in such a manner as not to

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

constitute a modification, within the meaning of Section 424(h) of the Code, of outstanding ISOs.

(d) Conditions and Restrictions on New, Additional, or Different Shares or Securities. If, by reason of any adjustment made pursuant to this Section, a Participant becomes entitled to new, additional, or different shares of stock or securities, such new, additional, or different shares of stock or securities shall thereupon be subject to all of the conditions and restrictions which were applicable to the Shares pursuant to the Award before the adjustment was made.

(e) Other Issuances. Except as expressly provided in this Section, the issuance by the Company or an Affiliate of shares of stock of any class, or of securities convertible into Shares or stock of another class, for cash or property or for labor or services either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, shall not affect, and no adjustment shall be made with respect to, the number, class, or Exercise Price of Shares then subject to Awards or reserved for issuance under the Plan.

15. NON-TRANSFERABILITY OF AWARDS.

(a) ISOs, SARs and Restricted Stock may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent and distribution, or pursuant to the terms of a "qualified domestic relations order" (within the meaning of Section 414(p) of the Code and the regulations and rulings thereunder).

(b) Non-ISO's may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent and distribution, pursuant to the terms of a "qualified domestic relations order" (within the meaning of Section 414(p) of the Code and the regulations and rulings thereunder), or, in the sole discretion of the Committee, in connection with a transfer for estate or retirement planning purposes to a trust established for such purposes.

16. TIME OF GRANTING OPTIONS. The date of grant of an Award shall, for all purposes, be the later of the date on which the Committee makes the determination of granting such Option, and the Effective Date. Notice of the determination shall be given to each Participant to whom an Award is so granted within a reasonable time after the date of such grant.

17. EFFECTIVE DATE. The Plan shall be effective as of the date of shareholder approval of the Plan. Awards may be made prior to approval of the Plan by the stockholders of the Company, if the exercise of Awards is conditioned upon stockholder approval of the Plan. In the event that shareholder approval is not obtained, all Awards shall terminate and be of no force or effect, and no Participant shall be entitled to any payment or alternative compensation or award.

18. APPROVAL BY STOCKHOLDERS. The Plan shall be approved by stockholders of the Company within twelve (12) months before or after the Effective Date.

19. MODIFICATION OF AWARDS. At any time, and from time to time, the Board may authorize the Committee to direct execution of an instrument providing for the modification of any outstanding Award, provided no such modification shall confer on the holder of said Award any right or benefit which could not be conferred on him by the grant of a new Award at such time, or impair the Award without the consent of the holder.

Edgar Filing: EAGLE BANCORP INC - Form DEF 14A

20. AMENDMENT AND TERMINATION OF THE PLAN. The Board may from time to time amend the terms of the Plan and, with respect to any Shares at the time not subject to Awards, suspend or terminate the Plan; provided that shareholder approval shall be required to increase the number of Shares subject to the Plan provided in Section 4 or to extend the term of the Plan. No amendment, suspension, or termination of the Plan shall, without the consent of any affected holders of an Award, alter or impair any rights or obligations under any Award theretofore granted.

21. RESERVATION OF SHARES. The Company, during the term of the Plan, will reserve and keep available a number of Shares sufficient to satisfy the requirements of the Plan.

22. WITHHOLDING TAX. The Company's obligation to deliver Shares upon exercise or vesting of Awards (or such earlier time that the Participant makes an election under Section 83(b) of the Code) shall be subject to the Participant's satisfaction of all applicable federal, state and local income and employment tax withholding obligations. The Committee, in its discretion, may permit the Participant to satisfy the obligation, in whole or in part, by irrevocably electing to have the Company withhold Shares, or to deliver to the Company Shares that he already owns, having a value equal to the amount required to be withheld. The value of Shares to be withheld, or delivered to the Company, shall be based on the Market Value of the Shares on the date the amount of tax to be withheld is to be determined. As an alternative, the Company may retain, or sell without notice, a number of such Shares sufficient to cover the amount required to be withheld.

23. NO EMPLOYMENT OR OTHER RIGHTS. In no event shall a Participant's eligibility to participate or participation in the Plan create or be deemed to create any legal or equitable right of the Director or Employee or any other party to continue service with the Company, the Bank, or any Affiliate of such corporations. No member of the Board, Bank Board, or board of directors of any Affiliate shall have a right to be granted an Award or, having received an Award, the right to be granted an additional Award.

24. GOVERNING LAW. The Plan shall be governed by and construed in accordance with the laws of the State of Maryland, except to the extent that federal law shall be deemed to apply.
