Robert H. Bartlein	William R. Peeples

Shereef Moharram	Kirk B. Stovesand

2. Ratification of the Independent Auditors. To ratify the selection of McGladrey LLP as the Company's independent auditors for the fiscal year ending December 31, 2015.

3. Other Business. To transact such other business as may properly come before the Meeting and any adjournment thereof, including, without limitation, to approve an adjournment(s) of the Meeting, if necessary, to solicit additional proxies for the nine nominees for election.

The Proxy Statement that accompanies this Notice contains additional information regarding the proposals to be considered at the Meeting and shareholders are encouraged to read it in its entirety.

The Board has fixed the close of business on March 27, 2015 as the record date for determination of shareholders entitled to notice of, and the right to vote at, the Meeting.

As set forth in the enclosed Proxy Statement, proxies are being solicited by and on behalf of the Board. All proposals set forth above are proposals of the Company. It is expected that these materials will be mailed to shareholders on or about April 13, 2015.

The Bylaws of the Company provide for the nomination of Directors in the following manner:

"Nominations for election of members of the board of directors may be made by the board of directors or by any shareholder of any outstanding class of capital stock of the corporation entitled to vote for the election of directors. Notice of intention to make any nominations (other than for persons named in the notice of the meeting at which such nomination is to be made) shall be made in writing and shall be delivered or mailed to the president of the corporation no more than sixty (60) days prior to any meeting of shareholders called for the election of directors and no more than

ten (10) days after the date the notice of such meeting is sent to shareholders pursuant to Section 2.4 of these Bylaws; provided, however, that if ten (10) days notice of such meeting is sent to shareholders, such notice of intention to nominate must be received by the president of the corporation not later than the time fixed in the notice of the meeting for the opening of the meeting. Such notification shall contain the following information to the extent known to the notifying shareholder: (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the number of shares of capital stock of the corporation owned by each proposed nominee; (d) the name and residence address of the notifying shareholder; (e) the number of shares of capital stock of the corporation owned by the notifying shareholder; (f) with the written consent of the proposed nominee, a copy of which shall be furnished with the notification, whether the proposed nominee has ever been convicted of or pleaded nolo contendere to any criminal offense involving dishonesty or breach of trust, filed a petition in bankruptcy or been adjudged a bankrupt. The notice shall be signed by the nominating shareholder and by the nominee. Nominations not made in accordance herewith shall be disregarded by the chairman of the meeting and, upon his instructions, the inspectors of election shall disregard all votes cast for each such nominee. The restrictions set forth in this paragraph shall not apply to nomination of a person to replace a proposed nominee who has died or otherwise become incapacitated to serve as a director between the last day for giving notice hereunder and the date of election of directors if the procedure called for in this paragraph was followed with respect to the nomination of the proposed nominee. A copy of the preceding paragraph shall be set forth in the notice to shareholders of any meeting at which directors are to be elected."

Since important matters are to be considered at the Meeting, it is very important that each shareholder vote.

We urge you to sign and return the enclosed proxy as promptly as possible, whether or not you plan to attend the Meeting in person. The enclosed proxy is solicited by the Board. Any shareholder who executes and delivers such a proxy has the right to revoke it at any time before it is exercised by giving written notice of revocation to the Secretary of the Company, by submitting prior to the Meeting a properly executed proxy bearing a later date or by being present at the Meeting and electing to vote in person by advising the Chairman of the Meeting of such election.

Please indicate on the proxy whether or not you expect to attend the Meeting so that the Company can arrange for adequate accommodations.

By Order of the Board of Directors,

John D. Illgen, Secretary

PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 28, 2015

SOLICITATION AND VOTING OF PROXIES

Community West Bancshares (Company or CWBC) is furnishing this Proxy Statement to its shareholders in connection with the solicitation by the Board of Directors (Board) of proxies to be used at the Annual Meeting of Shareholders (Meeting), to be held on Thursday, May 28, 2015 at 6:30 P.M. local time at La Cumbre Country Club, 4015 Via Laguna, Santa Barbara, California 93110, and at any and all adjournments and postponements thereof. The designated proxyholders (Proxyholders) are members of the Company's management. Only shareholders of record on March 27, 2015 (Record Date) are entitled to notice of and to vote in person or by proxy at the Meeting or any adjournment or postponement thereof. This Proxy Statement and the enclosed proxy card (Proxy) first will be mailed to shareholders on or about April 13, 2015. The Company's Annual Report to Shareholders and the Annual Report on Form 10-K, including consolidated financial statements for the year ended December 31, 2014, accompany this Proxy Statement.

Regardless of the number of shares of Common Stock of the Company (Common Stock) owned, it is important that the holders of a majority of shares be represented by proxy or be present in person at the Meeting. Shareholders are requested to vote by completing the enclosed Proxy and returning it signed and dated in the enclosed postage-paid envelope. Shareholders are to indicate their vote in the spaces provided on the Proxy. Proxies solicited by the Board will be voted in accordance with the directions given therein. Where no instructions are indicated, signed Proxies will be voted "AUTHORITY GIVEN" for all nine nominees in the election of the Directors named in this Proxy Statement and, "FOR" ratification of McGladrey LLP as the Company's independent auditors for the fiscal year ending December 31, 2015. If any other business is properly presented at the Meeting, the Proxy will be voted in accordance with the recommendations of the Board.

Other than the matters set forth on the attached Notice of Annual Meeting of Shareholders, the Board knows of no additional matters that will be presented for consideration at the Meeting. Execution of a Proxy, however, confers to each of Janice Stewart and Susan Thompson, as the designated Proxyholders, discretionary authority to vote the shares in accordance with the recommendations of the Board on such other business, if any, which may properly come before the Meeting and at any adjournments or postponements thereof, including whether or not to adjourn the Meeting. In addition, the Proxy being solicited confers, and the holders of each Proxy will have, discretionary authority to vote with respect to any matter if the Company did not have notice of such matter by February 21, 2015, which is at least 45 days before the anniversary date on which the Company first mailed its proxy materials for the then-prior year's Annual Meeting of Shareholders.

You may revoke your Proxy at any time prior to its exercise by filing a written notice of revocation with the Secretary of the Company, by delivering to the Company a duly executed Proxy bearing a later date, or by attending the Meeting and voting in person. However, if you are a shareholder whose shares are not registered in your own name, you will need to provide appropriate documentation from the record holder to vote personally at the Meeting.

The following matters will be considered and voted upon at the Meeting:

1. Election of Directors. To elect nine persons to the Board of Directors of the Company to serve until the 2016 Annual Meeting of Shareholders and until their successors are elected and have qualified. The following persons are the Board of Directors' nominees:

Robert H. Bartlein	William R. Peeples
Jean W. Blois	Martin E. Plourd
John D. Illgen	James R. Sims, Jr.
Shereef Moharram	Kirk B. Stovesand
Eric Onnen	

2. Ratification of the Company's Independent Auditors. To ratify the appointment of McGladrey LLP as the Company's independent auditors for the fiscal year ending December 31, 2015.

3. Other Business. To transact such other business as may properly come before the Meeting and any adjournment thereof, including, without limitation, approving an adjournment(s) of the Meeting, if necessary, to solicit additional proxies for the nine nominees for election.

This solicitation of proxies is being made by the Board. The expense of solicitation of proxies for the Meeting will be borne by the Company. It is anticipated that proxies will be solicited primarily through the use of the mail. Proxies may also be solicited personally or by telephone by Directors, officers and employees of the Company, and its wholly-owned subsidiary, Community West Bank (CWB or Bank), without additional compensation therefor. The Company will also request persons, firms and corporations holding shares in their names, or in the name of their nominees, that are beneficially owned by others, to send proxy materials to and obtain proxies from such beneficial owners and will reimburse such holders for their reasonable expenses in doing so. The total estimated cost of the solicitation is \$22,000.

VOTING SECURITIES

The securities that may be voted at the Meeting consist of shares of Common Stock. The close of business on March 27, 2015 has been fixed by the Board as the Record Date for the determination of shareholders of record entitled to notice of and to vote at the Meeting and at any adjournments or postponements thereof. The total number of shares of Common Stock outstanding as of the Record Date was 8,203,658 shares. Each shareholder is entitled to one vote, in person or by proxy, for each share held as of the Record Date, except that in the election of Directors, each shareholder has the right to cumulate votes provided that the candidates' names have been properly placed in nomination prior to commencement of voting and a shareholder has given notice of their intention to cumulate votes prior to commencement of voting. Cumulative voting entitles a shareholder to give one candidate a number of votes equal to the number of Directors to be elected, multiplied by the number of shares of Common Stock held by that shareholder, or to distribute such votes among as many candidates as the shareholder deems fit. The candidates receiving the highest number of votes, up to the number of Directors to be elected, will be elected.

Of the shares of Common Stock outstanding as of the Record Date, 2,026,028 (24.70%) shares of the issued and outstanding shares of Common Stock were beneficially owned by Directors and executive officers of the Company. Such persons have informed the Company that they will vote "AUTHORITY GIVEN" for all nine nominees in the election of Directors and "FOR" ratification of the selection of McGladrey LLP (McGladrey) as the Company's independent auditors for the fiscal year ending December 31, 2015. Under California law and the Company's Bylaws, a quorum consists of the presence in person or by proxy of a majority of the shares entitled to vote at the Meeting, and a matter (other than the election of Directors) voted on by shareholders will be approved if it receives the vote of a majority of the shares both present and voting, which shares also constitute a majority of the required quorum, unless the vote of a greater number of shares is required. Abstentions and broker non-votes will be included in the number of shares present at the Meeting and entitled to vote for the purpose of determining the presence of a quorum.

If your shares are held in "street name" by a brokerage firm, you will need to follow the directions your brokerage firm provides to you to properly vote your shares. Under the current rules of the New York Stock Exchange (NYSE), if you do not give instructions to your brokerage firm at least ten days before the Meeting, you still will be able to vote your shares with respect to certain "routine" matters, but you will not be allowed to vote your shares with respect to certain "non-routine" matters. For example, the ratification of McGladrey as the Company's independent auditors (Proposal 2) is considered to be a routine matter under the NYSE rules and your brokerage firm will be able to vote on this proposal if it does not receive instructions from you, so long as it holds your shares in its name. However, the election of Directors (Proposal 1) is a non-routine matter. Accordingly, if you do not instruct your broker how to vote with respect to Proposal 1, your broker may not vote with respect to this proposal and those votes will be counted as "broker non-votes." "Broker non-votes" are shares that are held in "street name" by a bank or brokerage firm that

indicates on its proxy that it does not have or did not exercise discretionary authority to vote on a particular matter. Assuming that a quorum is present at the Meeting, the following chart sets forth the required vote to approve each matter to be considered and voted upon at the Meeting and the effect of "Withhold" votes, abstentions and broker non-votes.

2

Proposal	Required Vote	Effect of "Withhold" Votes, Abstentions, Broker Non-Votes
Proposal 1 – Election of Directors	The candidates receiving the highest number of votes, present and by proxy entitled to vote, up to the number of Directors to be elected, will be elected.	Broker non-votes will have no effect on the voting for the election of Directors.
Proposal 2 – Ratification of the Company's Independent Auditors	Affirmative vote of a majority of the votes represented in person or by proxy and entitled to vote at the Meeting.	Abstentions will have the same effect as votes against such proposal, and broker non-votes will not be counted as votes and will have no effect on the voting of this proposal.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS, DIRECTORS AND EXECUTIVE OFFICERS

The following table sets forth certain information as of the Record Date, concerning the beneficial ownership of the Company's outstanding Common Stock (i) by persons (other than depositories) known to the Company to own more than 5% of the Company's outstanding Common Stock, (ii) by each of the Company's Directors or nominees, (iii) by each of the Named Executive Officers, and (iv) by all current Directors and executive officers as a group. Management is not aware of any change in control of the Company that has occurred since January 1, 2014, or any arrangement that may, at a subsequent date, result in a change in control of the Company.

The Company also has outstanding 5,995 shares of Fixed Rate Cumulative Preferred Stock, Series A (Series A Preferred Stock), for which 15,600 shares were originally issued to the United States Department of the Treasury on December 19, 2008 in connection with the Company's participation in the Troubled Asset Relief Program – Capital Purchase Program (TARP-CPP). On December 11, 2012, all shares of Series A Preferred Stock were sold to private investors in a non-public offering as part of a modified "Dutch Auction" process. Such private investors are now the beneficial owners of 100% of the issued and outstanding shares of Series A Preferred Stock, and therefore, no further disclosure with respect to the Series A Preferred Stock is contained in the table below. The Series A Preferred Stock is not entitled to vote at the Meeting.

On December 19, 2008, in connection with the Company's participation in the TARP-CPP, the Company also issued to the Treasury a warrant to purchase up to 521,158 shares of Common Stock at an exercise price of \$4.49 per share. The Warrant is immediately exercisable and has a 10-year term. On June 6, 2013, the warrant was sold in an auction to a private investor, Wellington Management Company, LLP, and such potential shares are included in the following beneficial ownership table.

Except as indicated, the address of each of the persons listed below is c/o Community West Bancshares, 445 Pine Avenue, Goleta, CA 93117.

PROPOSAL 1

ELECTION OF DIRECTORS

Directors and Executive Officers

The Company's Bylaws provide that the authorized number of Directors will be not less than six nor more than eleven, with the exact number of Directors to be fixed from time to time by resolution of a majority of the Board or by resolution of the shareholders. The Board of Directors last fixed at nine the authorized number of Directors.

At the Meeting, nine persons will be elected to serve as Directors of the Company until the 2016 Annual Meeting and until their successors are elected and have qualified. The nine persons named below are all currently Directors of the Company and have been nominated by the Board for re-election. A Proxy that is submitted to the Company with the instruction "AUTHORITY GIVEN" or without instructions will be voted in such a way as to effect the election of all nine nominees, or as many thereof as possible. In the event that any of the nominees should be unable to serve as a Director, it is intended that the Proxy will be voted for the election of such substitute nominees, if any, as will be designated by the Board. Each nominee has consented to being named in the Proxy Statement and has agreed to serve as a member of the Board, if elected. The Board has no reason to believe that any of the nominees will be unable or unwilling to serve. Additional nominations can only be made by complying with the notice provision set forth in the Bylaws of the Company, an extract of which is included in the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement. This Bylaw provision is designed to give the Board advance notice of competing nominations, if any, and the qualifications of nominees, and may have the effect of precluding third-party nominations if the notice provisions are not followed.

Pursuant to NASDAQ Stock Market LLC (NASDAQ) Listing Rules, the Board has made an affirmative determination that the following members of the Board are "independent" within the meaning of such rules: Robert H. Bartlein, Jean W. Blois, John D. Illgen, Shereef Moharram, Eric Onnen, William R. Peeples, James R. Sims, Jr. and Kirk B. Stovesand. As such, pursuant to NASDAQ Listing Rules and Rule 10A-3 of the Securities Exchange Act of 1934 (Exchange Act), a majority of the members of the Board and all the members of the Audit Committee are "independent" as so defined.

The following persons have been nominated for election by the Board:

Robert H. Bartlein	William R. Peeples
Jean W. Blois	Martin E. Plourd
John D. Illgen	James R. Sims, Jr.

CERTAIN INFORMATION REGARDING THE BOARD OF DIRECTORS

Meetings and Committees

The Company's Board met 13 times (12 regular meetings and one special meeting) during the year ended December 31, 2014, and had the following standing committees of the Company or the Bank that met during the year: Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee. In addition, the Company's Directors served on the Board of Directors of CWB, including the various committees established by CWB. During 2014, none of the Company's Directors attended less than 75% of the Company's Board meetings and meetings of committees on which they served. All Board members attended the 2014 Annual Meeting of Shareholders.

The Audit Committee is currently composed of four independent Directors: Messrs. Stovesand, Illgen, Onnen and Sims. This Committee is responsible for review of all internal and external examination reports and selection of the Company's independent auditors. The Audit Committee met 12 times during 2014.

The Nominating and Corporate Governance Committee is composed of three independent Directors: Messrs. Peeples, Bartlein and Illgen. The Committee is responsible for recommendations regarding the Board's composition and structure and policies and processes regarding overall corporate governance. The Committee met once during 2014.

Board Leadership Structure and Role in Risk Oversight

The position of Chairman of the Board is separate from the position of Chief Executive Officer for each of the Company and CWB. William R. Peeples, a non-employee independent Director, has been elected as the Chairman of the Company and Robert H. Bartlein, a non-employee independent Director, has been elected as the Chairman of CWB. Martin E. Plourd is serving as President and Chief Executive Officer of the Company and CWB. Separating these positions allows the Chief Executive Officer to focus on day-to-day business, while allowing the Chairman of the Boards of each of the Company and CWB to lead the respective Boards in their fundamental role of providing advice to and independent oversight of management. The Board recognizes the time, effort and energy that the Chief Executive Officer is required to devote to his position in the current business environment, as well as the commitment required to serve as the Chairman, particularly as the Board's oversight responsibilities continue to grow. While the Company's bylaws and corporate governance guidelines do not require that the Company's Chairman and Chief Executive Officer positions be separate, the Board believes that having separate positions and having independent

outside Directors serve as the Chairman of each of the Company and CWB is the appropriate leadership structure for the Company at this time and demonstrates the Company's commitment to good corporate governance.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. The Company faces a number of risks, including economic risks, environmental and regulatory risks and others, such as the impact of competition. Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

The Board believes that establishing the right "tone at the top" and that full and open communication between management and the Board of Directors is essential for effective risk management and oversight. The Company's Chairman and CWB's Chairman meet regularly with the President and Chief Executive Officer and other senior officers to discuss strategy and risks facing the Company. Senior management is available to address any questions or concerns raised by the Board on risk management-related and any other matters. Periodically, the Board of Directors receives presentations from senior management on strategic matters involving the Company's operations. The Board holds strategic planning sessions with senior management to discuss strategies, key challenges and risks and opportunities for the Company.

While the Board is ultimately responsible for risk oversight at the Company, the Board's various standing committees assist the Board in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and discusses policies with respect to risk assessment and risk management. Risk assessment reports are regularly provided by management to the Audit Committee. The Compensation Committee of the Board assists the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from compensation policies and programs. The Nominating and Corporate Governance Committee of the Board assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization, membership and structure, succession planning for our Directors and executive officers and corporate governance.

Audit Committee Report

The Report of the Audit Committee of the Board will not be deemed filed under the Securities Act of 1933 (Securities Act) or under the Exchange Act.

The Board maintains an Audit Committee currently comprised of four of the Company's Directors, each of whom meet the independence and experience requirements of the NASDAQ Listing Rules. The Audit Committee assists the Board in monitoring the accounting, auditing and financial reporting practices of the Company. The Audit Committee operates under a written Charter, which is assessed annually for adequacy. The Audit Committee Charter was last amended on December 13, 2012 and was last ratified on December 18, 2014. A copy of the Charter is included as Appendix A to the Company's 2013 Proxy Statement, as filed with the SEC on March 29, 2013, and is available at www.sec.gov.

Based on the attributes, education and experience requirements under the NASDAQ Listing Rules, the requirements set forth in section 407 of the Sarbanes-Oxley Act of 2002 and associated regulations, the Board has identified Kirk B. Stovesand as an "Audit Committee Financial Expert" as defined under Item 407 (d) (5) of Regulation S-K, and has determined him to be independent.

Management is responsible for the preparation of the Company's financial statements and financial reporting process, including its system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee:

Reviewed and discussed with management the audited financial statements contained in the Company's Annual Report on Form 10-K for fiscal 2014; and

Obtained from management their representation that the Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States.

The Company's 2014 independent auditor, Ernst & Young LLP (EY), was responsible for performing an audit of the Company's financial statements in accordance with the auditing standards generally accepted in the United States and expressing an opinion on whether the Company's financial statements present fairly, in all material respects, the Company's financial position and results of operations for the periods presented and conform with accounting principles generally accepted in the United States. In fulfilling its oversight responsibilities, the Audit Committee:

Discussed with EY the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T; and

Received and discussed with EY the written disclosures and the letter from EY required by applicable requirements of PCAOB regarding EY's communications with the Audit Committee concerning independence, and reviewed and discussed with EY whether the rendering of the non-audit services provided by them to the Company during fiscal 2014 was compatible with their independence.

In addition, the Company received a letter from EY to the effect that EY's audit of the Company was subject to its quality control system for the United States accounting and auditing practice to provide reasonable assurance that the engagement was conducted in compliance with professional standards, that there was appropriate continuity of EY personnel working on the audit and the availability of national office consultation.

In performing its functions, the Audit Committee acts only in an oversight capacity. It is not the responsibility of the Audit Committee to determine that the Company's financial statements are complete and accurate, are presented in accordance with accounting principles generally accepted in the United States or present fairly the results of operations of the Company for the periods presented or that the Company maintains appropriate internal controls. Further, it is not the duty of the Audit Committee to determine that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's auditors are independent.

Based upon the reviews and discussions described above, and the report of EY, the Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the Securities and Exchange Commission.

Nominating and Corporate Governance Committee

The Company's Nominating and Corporate Governance Committee (NCGC) was established in February 2004 and the committee charter (Charter) is annually assessed and was last amended on December 13, 2012 and was last ratified on December 18, 2014. A copy of the Charter is included as Appendix B to the Company's 2013 Proxy Statement, as filed with the SEC on March 29, 2013, and is available at www.sec.gov. The NCGC, consisting of three independent Directors, makes recommendations to the Board regarding the Board's composition and structure, nominations for elections of Directors and policies and processes regarding principles of corporate governance to ensure the Board's compliance with its fiduciary duties to the Company and its shareholders. The NCGC reviews the qualifications of, and recommends to the Board, candidates as additions, or to fill Board vacancies, if any were to occur during the year.

The NCGC will consider, as part of its nomination process, any Director candidate recommended by a shareholder of the Company who follows the procedures in this Proxy Statement shown under the heading "2016 Shareholder Proposals" set forth below. The NCGC will follow the processes in the Charter when identifying and evaluating overall Board composition and individual nominees to the Board.

Additional information regarding (i) the NCGC's policy with regard to the consideration of any Director candidates recommended by security holders and related procedures to be followed by security holders in submitting such recommendations, (ii) minimum qualifications of Director candidates, and (iii) the NCGC's process for identifying and evaluating nominees for Directors, is incorporated herein by reference to the Charter.

The NCGC determines the required selection criteria and qualifications of Director nominees based upon the Company's needs at the time nominees are considered. In general, Directors should possess the highest personal and professional ethics, integrity and values and be committed to representing the long-term interests of the Company's shareholders. In addition to the foregoing considerations, the NCGC will consider criteria such as strength of character and leadership skills; general business acumen and experience; broad knowledge of the industry; number of other board seats; and, willingness to commit the necessary time to ensure an active board whose members work well together and possess the collective knowledge and expertise required by the Board. The NCGC considers these same criteria for candidates regardless of whether the candidate was identified by the NCGC, by shareholders, or any other source.

The goal of the NCGC is to seek to achieve a balance of knowledge and experience on the Company's Board. To this end, the NCGC seeks nominees with the highest professional and personal ethics and values, an understanding of the Company's business and industry, diversity of business experience, expertise and backgrounds, a high level of education, broad-based business acumen and the ability to think strategically. The composition of the current Board reflects diversity in business and professional experience, skills, and gender. The NCGC reviews the effectiveness of the Charter in achieving the goals of the NCGC as stated therein annually.

Compensation Committee

The Compensation Committee (CC) assists the Board by reviewing and approving the Company's overall compensation and benefit programs and administering the compensation of the Company's executive and senior officers. The CC is comprised of four of the Company's Directors, each of whom meet the current independence and experience requirements of the applicable provision of the NASDAQ Listing Rules and requirements of the Securities and Exchange Commission (SEC). During 2014, neither the CC nor the Board of Directors utilized the services of an outside compensation consultant. The CC operates under a written charter that is assessed annually for adequacy. The CC's charter was last approved on March 7, 2013 and ratified on December 18, 2014. A copy of the Charter is included as Appendix C to the Company's 2013 Proxy Statement, as filed with the SEC on March 29, 2013, and is available at www.sec.gov.

The CC's overall philosophy is as follows: (i) to attract and retain quality talent which is critical to both short-term and long-term success; (ii) to reinforce strategic performance objectives through the use of incentive compensation programs; (iii) to create a mutuality of interest between executive and senior officers and shareholders through compensation structures that share the rewards and risks of strategic decision-making; and (iv) to encourage executives to achieve substantial levels of ownership of stock in the Company.

The CC's functions and objectives are: (i) to review and approve the Company's overall compensation and benefit programs and for administering the compensation for the Company's executive and senior officers; (ii) to determine the competitiveness of current base salaries, annual and long-term incentives relative to specific competitive markets for the President and Chief Executive Officer and other senior management; (iii) to establish goals and objectives for senior officers and evaluate performance in light of the goals and objectives; (iv) to evaluate and approve the annual compensation and incentive plans for the President/CEO; (v) to develop a performance review mechanism that has written objectives and goals which are used to make salary increase determinations; (vi) to retain advisors and to be responsible for their appointment, payment and oversight as it deems necessary to carry out its duties; (vii) to review and reassess the adequacy of the CC's Charter annually and recommend any proposed changes to the Board for approval, which will be included in or discussed in the annual Proxy Statement no less frequently than every three years.

Also, in the event of disability prior to normal retirement age, he will be paid 100% of the accrued benefit in lieu of any other benefit hereunder, paid in 180 equal monthly installments. If a change of control occurs, followed within 24 months by separation of service prior to normal retirement age, Mr. Plourd will receive within 30 days a lump-sum benefit of \$1,130,357 and any gross-up required, in lieu of any other benefit thereunder. See tables entitled "Outstanding Equity Awards at Fiscal Year-End" and "Director Compensation Table" for more information regarding options outstanding as of December 31, 2014.

The 2014 Stock Option Plan

On March 27, 2014, the Company's Board adopted the 2014 Stock Option Plan (2014 Plan) and it was subsequently approved by the shareholders at the 2014 Annual Meeting of Shareholders. The 2014 Plan provides for the issuance of up to 500,000 shares of the Company's Common Stock to Directors, officers and key employees of the Company and CWB. At December 31, 2014, the number of shares to be issued upon exercise of outstanding options granted pursuant to the 2014 Plan was 0 shares, and the number of shares of Common Stock remaining available for future issuance under the 2014 Plan was 500,000 shares. See the tables below entitled "Outstanding Equity Awards at Fiscal Year-End" and "Director Compensation Table" for more information regarding options outstanding as of December 31, 2014.

Eligibility. Full-time employees, officers and Board members of the Company and subsidiaries, including CWB, are eligible to receive awards under the 2014 Plan at the discretion of the Board.

15

Plan Term. The 2014 Plan's term commenced on May 22, 2014 and will terminate on May 22, 2024 (subject to early termination is described herein).

Administration. The 2014 Plan is administered by the Board, serving as the "Stock Option Committee", one or more of whom may also be executive officers and therefore may not be deemed to be "independent," as that term is defined in the listing standards of the NASDAQ Stock Market, LLC. Members of the Board receive no additional compensation for their administration of the Plans. Each Director will abstain from approving the grant of any options to themselves. Options may be granted only to Directors, officers and key employees of the Company and any subsidiary, including CWB. Subject to the express provisions of the 2014 Plan, the Board is authorized to construe and interpret the 2014 Plan, and make all the determinations necessary or advisable for administration of the 2014 Plan. The full text of the 2014 Plan is available as Appendix A to the Company's Amendment No. 1 to Schedule 14A filed with the SEC on May 5, 2014.

Incentive and Non-Qualified Stock Options. The 2014 Plan provides for the grant of both incentive stock options and non-qualified options. Incentive stock options are available only to persons who are employees of the Company, and are subject to limitations imposed by applicable sections of the Internal Revenue Code, as amended, including a \$100,000 limit on the aggregate fair market value (determined on the date the options are granted) of shares of Common Stock with respect to which incentive stock options are exercisable for the first time by an optionee during any calendar year (under the 2014 Plan and all other "incentive stock option" plans of the Company). Any options granted under the 2014 Plan which do not meet the limitations for incentive stock options, or which are otherwise not deemed to be incentive stock options, are deemed "non-qualified."

Amendment and Termination of the 2014 Plan. The 2014 Plan, and all stock options previously granted under the 2014 Plan, will terminate upon the dissolution or liquidation of the Company, upon a consolidation, reorganization, or merger as a result of which the Company is not the surviving corporation, or upon a sale of all or substantially all of the assets of the Company. However, all options theretofore granted will become immediately exercisable in their entirety upon the occurrence of any of the foregoing, and any options not exercised immediately upon the occurrence of any of the foregoing events will terminate, unless provision is made for the assumption or substitution thereof. As a result of these acceleration provisions, even if an outstanding option were not fully vested as to all increments at the time of the event, that option will become fully vested and exercisable. The Board may at any time suspend, amend or terminate the 2014 Plan, and may, with the consent of the respective optionee, make such modifications to the terms and conditions of outstanding options as it may deem advisable. Certain amendments to the 2014 Plan may also require shareholder approval if such amendment or modification would: (a) materially increase the number of shares of Common Stock which may be issued under the 2014 Plan; (b) materially increase the number of shares of Common Stock which may be issued at any time under the 2014 Plan to all Directors who are not also officers or key employees of the Company; (c) materially modify the requirements as to eligibility for participation in the 2014 Plan; (d) increase or decrease the exercise price of any option granted under the 2014 Plan; (e) increase the maximum term of options provided for in the 2014 Plan; (f) permit options to be granted to any person who is not an eligible participant; or (g) change any provision of the 2014 Plan which would affect the qualification as an incentive stock option under the 2014 Plan. The amendment, suspension or termination of the 2014 Plan will not, without the consent of the optionee, alter or impair any rights or obligations under any outstanding option under the 2014 Plan.

Adjustments Upon Changes in Capitalization. The total number of shares covered by the 2014 Plan and the price, kind and number of shares subject to outstanding options thereunder, will be appropriately and proportionately adjusted if the outstanding shares of Common Stock are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Company through reorganization, merger, recapitalization, reclassification, stock split, stock dividend, stock consolidation or otherwise, without consideration to CWBC as provided in the 2014 Plan. Fractional share interests of such adjustments may be accumulated, although no fractional shares of stock will be issued under the 2014 Plan.

(1) Each option grant generally vests 20% on each anniversary of the grant date. Each stock option expires 10 years after the date the stock option was granted.

Pension Benefits

Excluding any tax-qualified contribution plan and any nonqualified defined contribution plan, none of the Named Executive Officers or any other key officers participate in any plan that provides for payments or other benefits at, following, or in connection with, retirement.

Treatment of Outstanding Stock Options upon Retirement, Termination or Change of Control

Termination of Employment or Affiliation. Under the terms of the 1997, 2006 and 2014 Plans (Plans), in the event an optionee ceases to be affiliated with the Company or a subsidiary for any reason other than disability, death or termination for cause, the stock options granted to such optionee will expire at the earlier of the expiration dates specified for the options, or 90 days after the optionee ceases to be so affiliated. During such period after cessation of affiliation, the optionee may exercise the option to the extent it was exercisable as of the date of such termination, and thereafter the option expires in its entirety. If an optionee's stock option agreement so provides, and if an optionee's

status as an eligible participant is terminated for cause, the options held by such person will expire 30 days after termination, although the Board may, in its sole discretion, within 30 days of such termination, reinstate the option. If the option is reinstated, the optionee will be permitted to exercise the option only to the extent, for such time, and upon such terms and conditions as if the optionee's status as an eligible participant had been terminated for a reason other than cause, disability or death, as described above.

Liquidation or Change of Control. The Plans, and all stock options previously granted under the Plans, terminate upon the dissolution or liquidation of the Company, upon a consolidation, reorganization or merger as a result of which the Company is not the surviving corporation, or upon a sale of all or substantially all of the assets of the Company. However, all options heretofore granted become immediately exercisable in their entirety upon the occurrence of any of the foregoing, and any options not exercised immediately upon the occurrence of any of the foregoing events will terminate unless provision is made for the assumption or substitution thereof. As a result of the acceleration provisions, even if an outstanding option were not fully vested as to all increments at the time of the event, that option will become fully vested and exercisable. All options outstanding at the time of completion of the merger(s) will survive and not become immediately exercisable.

Profit Sharing and 401(k) Plan

The Company has established a 401(k) plan for the benefit of its employees. Employees are eligible to participate in the plan beginning the first of the month following the successful completion of 30 days of employment, subject to certain limitations. Each plan year, the Company will make a Safe Harbor non-elective employer contribution on behalf of eligible participants an amount equal to 3% of such eligible participant's compensation for such plan year. The Company's contributions were determined by the Board and amounted to \$200,000 in 2014 and \$202,000 in 2013.

Directors' Compensation

CWB's non-employee Directors are paid for attendance at CWB Board meetings at the rate of \$1,200 (\$1,500 for the Chairman) for each regular Board meeting and \$250 (\$350 for Audit Committee Chairman) for each committee meeting. If a Director attends a meeting by telephone, only 25% of the above fee is received. In 2014, no additional discretionary compensation was awarded to the non-employee Directors. There were no CWBC Director fees paid during 2014.

The following table sets forth the information concerning the compensation paid to each of the Company's Directors during 2014. Compensation paid to Martin E. Plourd, Director, President and Chief Executive Officer of CWBC and CWB, is not included in this table because he was an employee during 2014 and, therefore, received no additional compensation for his service as a Director.

(1) Outstanding stock options held by each non-employee Director at December 31, 2014 are as follows: Robert H. Bartlein, 10,000; Jean W. Blois, 20,000; John D. Illgen, 20,000; Shereef Moharram, 10,000; Eric Onnen, 10,000; William R. Peeples, 10,000; James R. Sims, Jr., 20,000; Kirk B. Stovesand, 20,000. Stock options held at December 31, 2014 by Mr. Plourd are included in the table for the Named Executive Officers under the heading entitled "Outstanding Equity Awards at Fiscal Year-End."

(2) Column represents the aggregate grant date fair value of option awards granted during the applicable fiscal year as computed in accordance with FASB ASC Topic 718, disregarding for this purpose the estimate of forfeitures related to service-based vesting conditions. The terms of the 1997, 2006 and 2014 Plans are described above in the section entitled "Stock Option Plans." Furthermore, the amount recognized for these awards was calculated based on the Black-Scholes option-pricing model. See the Company's Annual Report on Form 10-K, at Note 11 to the Company's Financial Statements for the year ended December 31, 2014.

Certain Relationships and Related Transactions

Certain Directors and executive officers of the Company, as well as the companies with which such Directors are associated, are customers of and have had banking transactions with CWB in the ordinary course of business. CWB expects to have such ordinary banking transactions with such persons in the future. In the opinion of CWB management, all loans and commitments to lend included in such transactions were made in compliance with applicable laws on substantially the same terms, including interest rates and collateral, as those prevailing for comparable transactions with other persons of similar creditworthiness and did not involve more than a normal risk of collectibility or present other unfavorable features. Although CWB does not have any limits on the aggregate amount it would be willing to lend to Directors and officers as a group, loans to individual Directors and officers must comply with CWB's internal lending policies and statutory lending limits.

PROPOSAL 2

RATIFICATION OF THE COMPANY'S INDEPENDENT AUDITORS

The Board of Directors, upon recommendation of its Audit Committee, has ratified the appointment of McGladrey to serve as its independent auditors for the fiscal year ending December 31, 2015. Representatives from McGladrey are expected to be present at the Meeting. The Company will afford the representatives an opportunity to make a statement, should they desire to do so, and expect that the representatives will be available to respond to appropriate questions.

The Board of Directors is requesting the Company's shareholders to ratify the appointment of McGladrey as the Company's independent auditors for 2015. Although ratification is not required by the Company's Bylaws or otherwise, the Board of Directors is submitting the appointment of McGladrey to the shareholders for ratification because the Board of Directors values the shareholders' views on the Company's independent auditors and as a matter of good corporate practice. In the event that the shareholders fail to ratify the appointment, it will be considered as a direction to the Board of Directors and the Audit Committee to consider the selection of a different firm. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent auditor, subject to ratification by the Board of Directors, at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

Change in Principal Independent Auditors

At the same meeting held on October 30, 2014, the Board of Directors, upon recommendation of its Audit Committee, approved the dismissal of Ernst & Young LLP (EY) as the Company's independent auditors, effective upon completion of the audit of the Company's financial statements for the year ended December 31, 2014 and the issuance of their report thereon.

EY has served as the Company's independent auditors since the year ended December 31, 2002, auditing its financial statements and the report on such financial statements appearing in the Company's Annual Report on Form 10-K for each fiscal year ended during that period, including for the period ended December 31, 2014 upon the filing of which on March 6, 2015, EY's services as the Company's independent auditors ended. The decision to change independent auditors was decided after the Company's Board of Directors completed a competitive review process to determine the Company's independent registered public accounting firm for the year ending December 31, 2015.

The reports of EY on the Company's consolidated financial statements for the past two fiscal years did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles generally accepted in the United States of America (GAAP).

During the last two fiscal years ended December 31, 2014 and 2013, and the subsequent interim period January 1, 2015 through March 6, 2015, (i) the Company had no disagreements with EY on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which disagreements, if not resolved to the satisfaction of EY, would have caused EY to make reference to the subject matter of the disagreements in connection with its report on the consolidated financial statements for such periods and (ii) there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K).

The Company requested EY to furnish it with a letter addressed to the SEC stating whether it agrees with the above statements. A copy of that letter, dated November 5, 2014, is filed as Exhibit 16.1 to the Company's Current Report on Form 8-K filed with the SEC on November 5, 2014 and is incorporated herein by reference. This Form 8-K was amended on March 11, 2015 by a Form 8-K/A to announce that EY's dismissal was effective as of March 6, 2015, the date the Company filed its 2014 Form 10-K with the SEC. A copy of EY's letter, dated March, 11, 2015, stating that it agreed with the statements included in the 8-K/A was attached as Exhibit 16.1 to the Company's Current Report and is incorporated herein by reference.

Representatives from EY are expected to be present at the Meeting and will be available to respond to appropriate questions.

During the two most recent fiscal years, and the subsequent interim period January 1, 2015 through March 6, 2015, neither the Company nor anyone on its behalf has consulted McGladrey with respect to either: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company that McGladrey concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K)..

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF MCGLADREY LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2015.

Audit Fees

During the years ended December 31, 2014 and 2013, the aggregate fees billed by EY for the audit of the Company's consolidated financial statements for such fiscal year and for the review of the Company's interim financial statements were \$324,000 and \$316,000 respectively. These amounts include fees related to the fiscal year audit and interim reviews, notwithstanding when the fees were billed or when the services were rendered. Expenses included were billed from January through December of the fiscal year, notwithstanding when the expenses were incurred.

Audit-Related Fees

During the years ended December 31, 2014 and 2013, no other audit-related services were billed.

Tax Fees

During the years ended December 31, 2014 and 2013, the aggregate fees billed by EY for professional services related to recurring state and federal tax preparation, compliance and consulting were \$47,000 and \$44,000, respectively.

In addition, during the years ended December 31, 2014 and 2013, \$8,700 and \$14,700, respectively, were billed by EY related to professional tax services during the course of an IRS examination.

All Other Fees

During the years ended December 31, 2014 and 2013, there were no fees billed by EY for any other products or services provided by EY that are not otherwise disclosed above.

The Audit Committee of the Company reviewed and discussed with EY whether the rendering of the non-audit services provided by them to the Company during fiscal 2014 was compatible with their independence. The Audit

Committee pre-approves all audit and permissible non-audit services to be provided by EY and the estimated fees for these services.

20

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the Company's independent auditor. These services may include audit, audit-related, tax and other services. Pre-approval is generally provided for up to one year and is detailed as to a particular service or category of service. The independent auditor and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditor in accordance with the pre-approval and the fees for services performed to date. All services performed by EY for which fees were billed to the Company during the years ended December 31, 2014 and 2013 as disclosed herein were approved by the Audit Committee pursuant to the procedures outlined herein. All of the services of EY in auditing the Company's Financial Statements for the year ended December 31, 2014 were performed by EY or its full-time, permanent employees.

2016 SHAREHOLDER PROPOSALS

Shareholder proposals to be considered for inclusion in the Proxy Statement for the Company's 2016 Annual Meeting of Shareholders (2016 Meeting) must be received by the Company at its offices at 445 Pine Avenue, Goleta, California 93117, no later than December 15, 2015. The proposals must also satisfy the conditions and procedures prescribed by the Company's Bylaws and by the SEC in Rule 14a-8 for such proposals to be included in the Company's Proxy Statement for the 2016 Meeting, and must be limited to 500 words. To be included in the Proxy Statement, the shareholder must be a holder of record or beneficial owner of at least \$2,000 in market value or 1% of the Company's securities entitled to be voted on the proposal, and have held the shares for at least one year and will continue to hold the shares through the date of the 2016 Meeting. Either the proposer, or a representative qualified under California law to present the proposal on the proposer's behalf, must attend the meeting to present the proposal. Shareholders may not submit more than one proposal.

The SEC has in effect a rule governing a company's ability to use discretionary proxy authority with respect to proposals that were not submitted in time to be included in the Proxy Statement (i.e., outside the processes of Rule 14a-8 as described in the preceding paragraph). As a result, in the event a proposal is not submitted to the Company prior to February 28, 2016, and the proxy materials delivered in connection with the 2016 Meeting contain a statement conferring discretionary authority to the Proxyholders of the Company (similar to the statement set forth in the third paragraph of this Proxy Statement), the proxies solicited by the Board for the 2016 Annual Meeting will confer discretionary authority to the proxyholders to vote the shares in accordance with their best judgment and discretion if the proposal is received by the Company after February 28, 2016.

Whether or not you intend to be present at the Meeting, you are urged to return your Proxy promptly. If you are then present at the Meeting and wish to vote your shares in person, your original Proxy may be revoked by voting at the Meeting. However, if you are a shareholder whose shares are not registered in your own name, you will need the Proxy obtained from your recordholder to vote personally at the Meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers (as defined in regulations promulgated by the SEC thereunder), Directors and persons who own more than ten percent of the Common Stock to file reports of stock ownership and changes in stock ownership with the SEC. The officers, Directors and greater than ten percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of all reports of ownership furnished to the Company, or written representations that no forms were necessary, the Company believes that during the last year its officers, Directors and greater than ten percent beneficial owners complied with all filing requirements, except for Mr. Plourd, who filed a late Form 4 on February 28, 2014.
