### RISK FACTORS

You should carefully consider the risk factors set forth below, as well as the other information in this Prospectus, in evaluating whether to invest in our Shares.

WE RECEIVED A GOING CONCERN OPINION FROM OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

We received from our independent registered public accounting firm and included in this report an opinion on our consolidated financial statements that raises substantial doubt as to our ability to continue as a going concern as a result of recurring losses from operations and a deficiency in working capital at June 30, 2004.

WE MAY NEED TO RAISE ADDITIONAL FUNDS IN ORDER TO CONTINUE TO OPERATE AND GROW OUR BUSINESS.

If we are unable to grow our business or improve our operating cash flows as expected; If we suffer significant losses on our investments; or if we are unable to realize adequate proceeds from those investments, we will then need to secure alternative equity or debt financing to provide us with additional working capital. However, there can be no assurance that we will be able to complete such financing if required. If we raise funds through debt financing, then we will incur additional interest expense going forward. If we raise additional funds by issuing additional equity securities, then the percentage ownership of our current stockholders will be diluted. We cannot be certain that additional financing will be available when and to the extent required, or that, if available, it will be on acceptable terms. In addition, our ability to complete future financings may be affected by the market price of our Common Stock. If adequate funds are not available on acceptable terms, then we will be unable to continue to fund our existing businesses or planned expansion, or take other steps necessary to enhance our business or continue our operations.

WE HAVE BEEN INCURRING OPERATING LOSSES AND THERE CAN BE NO ASSURANCE THAT WE WILL ACHIEVE OR SUSTAIN PROFITABILITY.

We have incurred operating losses since inception. Certain of our operating businesses have incurred and continue to incur operating losses. We expect to continue to incur significant operating costs in connection with our efforts to expand our existing businesses and to grow through acquisitions. As a

## Edgar Filing: RCG COMPANIES INC - Form 424B3

result of these costs and uncertain revenue growth, there can be no assurance that we will achieve or be able to sustain profitability.

THE PRICE OF OUR COMMON STOCK HAS BEEN VOLATILE AND IF THE MARKET PRICE OF OUR COMMON STOCK DECREASES, STOCKHOLDERS MAY NOT BE ABLE TO SELL THEIR SHARES OF COMMON STOCK AT A PROFIT.

The trading price of our Common Stock during our last fiscal year, as reported by the American Stock Exchange, fluctuated from a high of \$3.16 to a low of \$0.46. Fluctuations in the price of our Common Stock may occur, among other reasons, in response to:

1

- o operating results;
- o regulatory changes;
- o economic changes;
- o market valuation of firms in related businesses; and
- o general market conditions.

In addition, the volume of shares of our Common Stock bought and sold on any trading day has been subject to wide fluctuations which also contribute to fluctuations in the trading price of our Common Stock. The trading price of our Common Stock could continue to be subject to wide fluctuations in response to these or other factors, many of which are beyond our control.

WE MAY BE UNABLE TO MAINTAIN OUR LISTING ON THE AMERICAN STOCK EXCHANGE AND IF WE ARE DELISTED THE TRADING OF OUR COMMON STOCK COULD BE MORE DIFFICULT.

Our Common Stock is presently listed and trading on the American Stock Exchange. We believe that we meet the standards for continued listing but such a determination is subjective and the Exchange may not agree. If our Common Stock is delisted from the Exchange trading in our securities could be more difficult and trading of our Common Stock could be subject to the "penny stock" rules. The U.S. Securities and Exchange Commission (the "SEC") has adopted regulations that generally define a penny stock to be any equity security that has a market price of less than \$5.00 per share, subject to certain exceptions (including trading on the American Stock Exchange). These rules require that any broker-dealer who recommends our securities to persons other than prior customers and accredited investors must, prior to the sale, make a special written suitability determination for the purchaser and receive the purchaser's written agreement to execute the transaction. Unless an exception is available, the regulations require the delivery, prior to any transactions involving a penny stock, of a disclosure schedule explaining the penny stock market and the risks associated with trading in the penny stock market. In addition, broker-dealers must disclose commissions payable to both the broker-dealer and the registered representative and current quotations for the securities they offer. The additional burdens imposed upon broker-dealers by such requirements may discourage broker-dealers from recommending transactions in our securities, which could severely limit the liquidity of our securities and consequently adversely affect the market price for our securities.

IF WE CANNOT INTEGRATE OUR RECENT OR FUTURE ACQUISITIONS, WE MAY BE UNABLE TO SUCCESSFULLY EXECUTE OUR STRATEGY.

We anticipate that a portion of our future growth will be accomplished through acquisitions. The success of our plan depends upon our ability to:

- o identify suitable acquisition opportunities;
- o effectively integrate acquired personnel, operations, products and

## Edgar Filing: RCG COMPANIES INC - Form 424B3

- technologies into our organization;
- o retain and motivate the personnel of acquired businesses;
- o retain customers of acquired business; and
- o obtain necessary financing on acceptable terms or use our securities as consideration for acquisitions.

2

Turbulence in financial markets and the current U.S. economy may result in a diminished pool of companies that meet our criteria for acquisition. Even if we are successful in acquiring companies, we may be unable to integrate them into our business model or achieve the expected synergies.

WE FACE COMPETITION FROM OTHER ACQUIRORS AND INVESTORS, WHICH MAY PREVENT US FROM REALIZING STRATEGIC OPPORTUNITIES.

We plan to acquire or invest in existing companies to fulfill our business plan. In pursuing these opportunities, we face competition from other capital providers and operators of companies, including publicly traded companies, venture capital companies and large corporations. Some of these competitors have greater financial, operational and human resources than we do. This competition may limit our opportunity to acquire interests in companies that we believe could help us fulfill our business plan and increase our value.

OUR ACQUISITION STRATEGY HAS AND WILL CONTINUE TO DILUTE OUR CURRENT STOCKHOLDERS' OWNERSHIP.

Our acquisition strategy contemplates that we may issue our securities to make strategic acquisitions and attempt to grow our business. Each of the acquisitions that we complete in the future, involving the issuance of securities, will further dilute our current stockholders' ownership interest in the Company.

OUR GROWTH PLACES STRAIN ON OUR MANAGERIAL, OPERATIONAL AND FINANCIAL RESOURCES.

Our growth has placed, and is expected to continue to place, a significant strain on our managerial, operational and financial resources. Further growth will increase this strain on our managerial, operational and financial resources, which may inhibit our ability to successfully implement our business plan.

WE DEPEND ON CERTAIN IMPORTANT EMPLOYEES, AND THE LOSS OF ANY OF THOSE EMPLOYEES MAY HARM OUR BUSINESS.

Our performance is substantially dependent on the performance of our executive officers and other key employees. The familiarity of these key employees with their respective industries makes those employees especially critical to our success. In addition, our success is dependent on our ability to attract, train, retain and motivate high quality personnel, especially for our management team. The loss of the services of any of our executive officers or key employees may harm our business. Our success also depends on our continuing ability to attract, train, retain and motivate other highly qualified technical and managerial personnel. Competition for such personnel is intense and our limited resources are likely to make it more difficult for us to attract and retain such personnel.

3

## Edgar Filing: RCG COMPANIES INC - Form 424B3

WE DEPEND ON CERTAIN AIRLINE CONTRACTS.

Our travel services business generally contracts with three carriers for charter tour operator contracts. While this concentration generally reduces the costs of the carrier service, if one or more of these carriers are unable to perform under its contract, our travel services business may experience service interruptions that could reduce its revenue. Additionally, our travel services business may be forced to replace such a carrier, which could result in higher operating costs for the carrier services, thereby reducing profitability.

INCREASES IN FUEL COSTS AFFECT OUR OPERATING COSTS AND COMPETITIVENESS.

Fuel is a major component of our operating expenses. Both the cost and availability of fuel are influenced by many economic and political factors and events occurring in oil producing countries throughout the world, and fuel costs fluctuate widely. Recently the price per barrel of oil is as at an all-time high and has significantly impacted our results of operations. We cannot predict our future cost and availability of fuel, which affects our ability to compete. The unavailability of adequate fuel supplies could have a material adverse effect on our operations and profitability. In addition, larger airlines may have a competitive advantage because they pay lower prices for fuel. We generally follow industry trends by imposing a fuel surcharge in response to significant fuel price increases. However, our ability to pass on increased fuel costs is limited by economic and competitive conditions.

PURSUANT TO THE TERMS OF OUR ACQUISITION OF VACATION EXPRESS WE HAVE INCURRED SUBSTANTIAL DEBT WHICH IS SECURED BY CERTAIN OF OUR INVESTMENT HOLDINGS.

Under the terms of our acquisition of Vacation Express we issued a \$10,000,000 seven-year promissory note which is secured by certain of our investment holdings. In addition, under the terms of the acquisition we have made a commitment to purchase \$4,500,000 of travel related services. If we are unable to repay the note or satisfy the commitment, we may forfeit certain of our investment holdings. In addition, the debt may put a strain on our working capital. If we are unable to repay the debt, our financial position will be negatively impacted.

FUTURE EVENTS SIMILAR TO THOSE OF SEPTEMBER 11, 2001 MAY HAVE AN ADVERSE EFFECT ON OUR BUSINESSES.

The terrorist attack against the United States on September 11, 2001 produced great uncertainty in the economy in general and in the aviation industry in particular. These events are still having a negative impact on the air travel industry. These events may drastically alter the long-term demand for charter services. In addition, these events may lead the Federal Aviation Administration to place additional restrictions on charter flight operators, which may increase the cost of private charter services. The long-term impact of these events on the aviation industry and the chartered services segment of that industry are not known. These events could have a material adverse effect on our aviation travel services business.

4

GOVERNMENT REGULATION OF THE TRAVEL INDUSTRY COULD IMPACT OUR AVIATION TRAVEL SERVICES' BUSINESS OPERATIONS.

Certain segments of the travel industry are regulated by the United States Government and, while we are not currently required to be certified or licensed

## Edgar Filing: RCG COMPANIES INC - Form 424B3

under such regulation, certain services offered by our aviation travel services business are affected by such regulation. Charter flights operators, upon which our aviation travel services business depends, are subject to vigorous and continuous certification requirements by the Federal Aviation Administration. Changes in the regulatory framework for charter aviation travel could adversely affect our aviation travel services business' operations and financial condition.

OUR AVIATION TRAVEL SERVICES BUSINESS FACES INTENSE COMPETITION FROM COMMERCIAL AIRLINERS AND OTHER TOUR OPERATORS FOR CUSTOMERS.

We provide leisure charter jet travel and tour services and face intense competition from commercial airlines and other tour operators for the potential customers who travel to these locations and other locations that we may serve in the future. These commercial airlines have greater resources, marketing efforts and brand equity than we do and they also offer a potential customer more flights to these locations. Furthermore, travelers have numerous choices of location when choosing travel destinations. Since we offer only limited travel destinations, we face intense competition from travel agents, commercial airlines, hotels, resorts, casinos and other organizations in the travel industry that offer alternative travel destinations to those offered by us. Many competitors possess far greater capital and human resources, marketing efforts and brand equity than we do. If we are unable to compete effectively with these various competitors in the travel industry, we may not be able to achieve and maintain profitability.

OUR TECHNOLOGY SOLUTIONS BUSINESS MAY NOT BE ABLE TO KEEP UP WITH THE CONTINUOUS TECHNOLOGICAL CHANGE IN ITS MARKET.

The success of our technology solutions business will depend, in part, on its ability to respond to technological advances. This business may not be successful in responding quickly, cost-effectively and sufficiently to these developments. Many of the competitors of our technology solutions business are larger than we are and have significantly more financial resources to invest in advances in technology, products and other areas central to providing technology and Internet solutions. Our technology solutions business will not be able to compete effectively or meet its growth objectives if it is unable, for technical, financial or other reasons, to adapt in a timely manner in response to technological advances. In addition, employee time allocated to responding to technological advances will not be available for client engagements.

5

THE SUCCESS OF OUR TECHNOLOGY SOLUTIONS BUSINESS IS LARGELY DEPENDENT UPON ITS ABILITY TO RETAIN ITS MANUFACTURER AUTHORIZATIONS THAT ALLOW IT TO SELL SOFTWARE TO EDUCATIONAL CUSTOMERS AT DISCOUNTED PRICING AND ITS LINES OF CREDIT.

Our technology solutions business has been accumulating authorizations from key software manufacturers that allow it to sell products to educational facilities at deep discounts. If our technology solutions business were to lose any of these authorizations, its ability to sell computer products to educational customers would be adversely impacted, which could have a similar impact on its sales, profitability and ability to expand within this business line. In addition, this business uses credit lines extended by banks, software and hardware manufacturers and distributors. The loss of any of these credit lines would limit the ability of our technology solutions business to meet customer demand, thereby reducing sales and profits.

THE EXERCISE OF OUTSTANDING OPTIONS, WARRANTS AND CONVERTIBLE PREFERRED STOCK COULD SUBSTANTIALLY DILUTE EXISTING STOCKHOLDERS AND COULD HAVE A NEGATIVE EFFECT ON OUR STOCK PRICE.

## Edgar Filing: RCG COMPANIES INC - Form 424B3

We have adopted the RCG Companies Incorporated Stock Option Plan (the "Plan") and our stockholders have authorized the issuance of options to acquire up to 20,000,000 shares of Common Stock under the Plan. As of June 30, 2004, we have outstanding options for 2,261,657 shares, under the Plan that have been granted to our officers, directors, employees and other service providers of which options for 1,820,229 shares are vested. There have been zero options exercised for fiscal year 2004 of Common Stock that were issued under the Plan. In addition to options issued under the Plan, we currently have outstanding warrants as of June 30, 2004 for 6,421,963 shares, including 6,000 that were exercised during this fiscal year. Our outstanding options and warrants have exercise prices ranging from \$0.28 to \$28.00. As of the filing date, we currently have outstanding convertible preferred shares for 4,574,468 common shares at a conversion price of \$.94 per share, none of which have been converted as of the filing date. The exercise of these options, warrants or preferred shares will dilute the percentage ownership of our current stockholders and the potential sale of shares issued upon the exercise of these warrants, options or preferred shares could have a negative impact on the market price of our Common Stock.

THE FUTURE SALES OF RESTRICTED SECURITIES COULD HAVE A NEGATIVE EFFECT ON OUR STOCK PRICE.

The market price of our Common Stock could be negatively affected by the future sale of shares of restricted Common Stock, including shares of restricted Common Stock underlying options and warrants that have been or will be issued by us. As of June 30, 2004 and June 30, 2003, approximately 4,800,000 of our 21,289,004, and 2,100,000 of our 13,948,160, respectively, issued and outstanding shares of Common Stock are believed to be restricted securities as defined in Rule 144 promulgated under the Securities Act of 1933, as amended (the "Securities Act") or otherwise not available for trading by the public. Rule 144 provides generally that restricted securities must be held for a one-year period prior to resale and provides certain additional limitations on the sale of such shares, including limitations on the volume of such shares that a beneficial owner may sell in any three-month period thereafter. Generally, non-affiliated stockholders may sell restricted shares that have been held for at least two years without any limitations. In addition, Rule 145 permits the sale by non-affiliates of restricted securities issued in connection with certain business combinations one year after such shares are issued. As restricted shares become eligible for resale pursuant to Rule 144 or Rule 145, the number of sellers of our Common Stock could increase significantly and, as a result, the market price of our Common Stock could decrease.

6

IF WE ARE NOT ABLE TO PROTECT OUR INTELLECTUAL PROPERTY, PROPRIETARY RIGHTS AND TECHNOLOGY, WE COULD LOSE THOSE RIGHTS AND INCUR SUBSTANTIAL COSTS POLICING AND DEFENDING THOSE RIGHTS.

We rely primarily on a combination of intellectual property laws and contractual provisions to protect our proprietary rights and technologies, brand and marks. These laws and contractual provisions provide only limited protection of proprietary rights and technology. Our means of protecting our intellectual property, proprietary rights and technology may not be adequate.

IF THE SELLING STOCKHOLDERS SELL A SUBSTANTIAL AMOUNT OF THEIR SHARES, THESE SALES COULD HAVE AN ADVERSE IMPACT ON OUR STOCK PRICE.

If some or all of the Selling Stockholders sell a substantial amount of their Common Stock under this Prospectus, such sales could have a significant

## Edgar Filing: RCG COMPANIES INC - Form 424B3

negative impact on the market price of our Common Stock. This Prospectus could result in a large number of shares of our Common Stock being sold in the market which, in turn, could result in a reduction in the market price of our Common Stock.

### ABOUT THE COMPANY

#### WHO WE ARE

RCG Companies Incorporated and its subsidiaries ("RCG", "We" or the "Company") is a network of travel and technology services companies brought together under one operating company to benefit from synergistic relationships

## Edgar Filing: RCG COMPANIES INC - Form 424B3

and the infusion of intellectual and capital resources. We are engaged in the operation of travel services and technology solutions businesses. Incorporated in 1982, RCG is a Delaware corporation headquartered in Charlotte, North Carolina. Our fiscal year ends on June 30.

On November 14, 2003, we changed our name from eResource Capital Group, Inc. to RCG Companies Incorporated to better reflect the nature and evolution of our business strategy. In fiscal year 2001, we brought in new executive management and modified our business plan to focus on acquiring and enhancing travel and technology services companies. We also brought in new management to our aviation business and completed the acquisition of an aviation services company that, together, have expanded that business into a highly specialized travel organization that delivers a unique turnkey air service. We have increased our focus on the travel and entertainment sector and plan to continue to operate, enhance and acquire substantial interests in the value of expansion phase companies operating in the travel and entertainment sector.

Through our wholly owned subsidiary, Flightserv, Inc. ("Flightserv"), we concluded the acquisition of substantially all of the assets and liabilities of VE Holdings, Inc. ("Vacation Express") and SunTrips, Inc. ("SunTrips") (the "Acquired Companies"), effective October 31, 2003. These acquired companies were integrated into Flightserv, our existing travel services business, to form our largest operating segment. We had previously provided services to the Acquired Companies.

8

The Acquired Companies provide specialized distribution of leisure travel products and services. Vacation Express, based in Atlanta, Georgia, sells air and hotel packages to Mexican and Caribbean destinations. SunTrips, based in San Jose, California, sells air and hotel packages for Mexico, the Dominican Republic, Costa Rica, Hawaii and the Azores. The flights originate in Oakland, California and/or Denver, Colorado.

Logisoft Corp. ("Logisoft"), our technology solutions business, provides integrated products and services to assist customers in meeting their strategic technology initiatives. Our products and services include distribution of third-party-published software titles for the educational market and corporate customers, full-service Internet development, Internet Web site hosting and co-location, and Internet business development services encompassing partner-site management and marketing. In our Internet business development and marketing services business, we generally participate in the development and implementation of the business plan in exchange for revenue sharing and/or equity-based arrangements.

On November 5, 2003, Logisoft completed the acquisition of SchoolWorld Software, a Pittsburgh, Pennsylvania-based educational software company.

During the third quarter of 2004, our Board of Directors (the "Board") authorized the disposition of our investment in Lifestyle Innovations, Inc. ("LFSI"), a full-service home technology integration company. Accordingly, the operations of LFSI were reclassified to "discontinued operations" for all periods presented. During the fourth quarter, we contributed approximately 4 million shares to the treasury of LFSI, a substantial portion of which were reissued to certain LFSI investors to settle certain contingent claims. LFSI also issued other shares, which resulted in our interest in LFSI being reduced to an effective 45.5% beneficial ownership. Considering the substantial reduction in ownership and the lack of control over LFSI, the investment in LFSI is now recorded using the equity method and is no longer a consolidated subsidiary. The change resulted in RCG restoring its negative carrying value

## Edgar Filing: RCG COMPANIES INC - Form 424B3

during the forth quarter.

### OUR ADDRESS AND PHONE NUMBER

Our principal executive offices are located at 6836 Morrison Boulevard, Suite 200, Charlotte, North Carolina 28211. Our telephone number is (704) 366-5054.

### OUR BUSINESSES

#### GENERAL

In fiscal 2001, we brought in new executive management and modified our business plan to focus on acquiring and enhancing travel and entertainment and technology services companies and, as a result, acquired companies in the telecommunications call center, home technology and technology solutions business segments. We also brought in new management to our aviation business and completed the acquisition of an aviation services company that, together, have expanded that business into a highly specialized travel organization that

9

delivers a unique turnkey air service. This aviation travel services business generated \$165 million and \$62 million in revenue in fiscal years 2004 and 2003, respectively. As a result of this growth, we have increased our focus on the travel and entertainment sector and plan to continue to acquire substantial interests in, operate and enhance the value of companies operating in the travel and entertainment sectors. We are in the early phases of our expanded strategy and continue to focus on existing operations as well as our efforts to implement this strategy.

At different times prior to fiscal 2000, we operated businesses in several industries including drug screening, computer software and residential and commercial real estate development, all of which have now been discontinued. During fiscal 2000, our Company, under the name flightserv.com, Inc. was engaged in the development of an Internet website to provide access to private aviation travel services. In March 2000, we launched our private aviation program, called Private Seats<sup>TM</sup>. We were able to generate only minimal customer bookings through the Private Seats<sup>TM</sup> program and did not book any flights under this program after June 2000.

#### AVIATION TRAVEL SERVICES

We acquired Internet Aviation Services, Ltd. ("IASL"), a leisure and business travel services company which provided charter aviation services, in August 2000. IASL was integrated into our aviation travel services business through our Flightserv subsidiary.

Flightserv, headquartered in Atlanta, GA, is a nationally recognized airline and travel program management company providing tour operators, corporate travel departments, sports teams and casinos with cost effective and reliable charter air transportation on a scheduled and ad-hoc basis. Flightserv acts as a program manager by providing turnkey charter services including aircraft and related services such as ground support and aircraft fueling, passenger service and support, and real-time flight tracking. Flightserv differentiates itself in the charter travel industry by focusing on full program management services, which combines the functions of aircraft brokerage, flight operations, airport operations, contract negotiation between clients and air service providers, airport subsidy negotiations and consumer marketing. Flightserv does not own or operate any aircraft.

## Edgar Filing: RCG COMPANIES INC - Form 424B3

Flightserv had an agreement with Vacation Express, a member of the MyTravel Group, ending in December 2004, to operate a passenger hub at Atlanta Hartsfield Airport. Pursuant to the terms of the agreement, six commercial jet aircraft originate in six eastern and mid-western cities and serve six Caribbean destinations. Also, in July 2002, Flightserv entered into a three-year agreement with SunTrips, Inc., a sister company of Vacation Express in the MyTravel Group, to operate scheduled weekly flights between three west coast cities and two Mexican destinations. The majority of the revenue of Flightserv was historically generated pursuant to these contracts.

On October 31, 2003, VE Holdings, Inc. and SunTrips, Inc. both wholly-owned subsidiaries of MyTravel USA Holdings, Inc., entered into an amended and restated asset purchase agreement with FS Tours, Inc. and FS SunTours, Inc., which are wholly-owned direct subsidiaries of Flightserv.

10

Under the terms of the asset purchase agreement, FS Tours and FS SunTours acquired substantially all of the assets and certain liabilities of Vacation Express and SunTrips, except for certain excluded items, for \$12 million, of which \$10 million is in the form of a seven-year non interest bearing promissory note from Flightserv secured by certain of our investment holdings.

In conjunction with the asset purchase, we entered into a three-year agreement with MyTravel Canada Holidays, Inc., for certain services, including the purchasing of hotel accommodations for our company on an exclusive basis. Under the asset purchase agreement we are required to pay MyTravel Canada approximately \$4.5 million over three years.

Additionally, we were required to obtain replacement letters of credit in the aggregate principal amount of \$3 million.

With the closing of these acquisitions, SunTrips and Vacation Express will continue to operate from their current locations, with FS Tours and FS SunTours assuming operational control. Air and hotel vacation packages will continue to be marketed and sold under the SunTrips and Vacation Express brands.

SunTrips, based in San Jose, California, sells air and hotel vacation packages to Mexico, Dominican Republic, Costa Rica, Hawaii and the Azores out of Oakland, California and/or Denver, Colorado. Vacation Express, based in Atlanta, Georgia, sells air and hotel packages to Mexico and Caribbean destinations, including Aruba, Bahamas, Costa Rica, Dominican Republic, Jamaica, and St. Martin. SunTrips and Vacation Express together generated revenues of approximately \$200 million for the twelve months ended September 30, 2003. Both companies were air charter customers of Flightserv.

In fiscal 2002 and 2003, Flightserv developed and implemented a trial scheduled charter flight operation d/b/a Interstate Jet. Initial service began between Allentown PA/ Newburgh NY and Las Vegas NV and Los Angeles CA. The origination cities were chosen as a result of direct cash subsidies and marketing support from the respective airport authorities. The trials of these cities did not yield adequate passenger loads and yields to break even and were discontinued.

### TECHNOLOGY SOLUTIONS

Our technology solutions business is the result of our acquisition of Logisoft Corp. (f/k/a Logisoft Computer Products Corp.), and its wholly-owned subsidiary eStorefronts.net Corp. in June 2001.

## Edgar Filing: RCG COMPANIES INC - Form 424B3

Our technology solutions business provides integrated products and services to assist customers in meeting their strategic technology initiatives. Our products and services include distribution of third-party published software titles to the educational market and corporate customers, full service Internet development, Internet site hosting and co-location and Internet business development services encompassing partner site management and marketing. In our Internet business development and marketing services business, we generally participate in the development and implementation of the business plan in exchange for revenue sharing and/or equity-based arrangements.

11

On June 6, 2001, we acquired Logisoft in exchange of 785,714 shares of Common Stock pursuant to that certain agreement and plan of merger. The total purchase price aggregated \$5,504,879 and the transaction was recorded using the purchase method of accounting. The excess value of the purchase price over the fair value of Logisoft's net assets on the acquisition date aggregating \$4,146,000 was allocated to goodwill. The aggregate purchase price and goodwill were both adjusted in fiscal 2002 by \$42,000 to reflect the issuance of earn-out shares to certain members of Logisoft's management.

On June 10, 2003 eStorefronts.net Corporation, 100% owned by Logisoft, purchased a 75% interest in Premier Shoe Group, LLC for \$187,000. A one-year 10% note of \$147,000 was signed at closing and \$40,000 cash was paid. Premier Shoe Group operates a website named 123Shoes.com which sells brand name shoes. The results of Premier Shoe Group are consolidated on Logisoft's financial statements and the portion of income or loss attributable to the minority interest as an increase or decrease to the minority interest recorded.

On October 31, 2003, Logisoft acquired substantially all of the assets of Computer Inventory Control, Inc. ("CIC"), a Pittsburgh, Pennsylvania based educational software company, in consideration of up to 225,000 shares of the Company's Common Stock valued at \$380,000. On October 31, 2003, the purchase price was 174,312 shares of the Company's Common Stock, which was determined by dividing \$380,000 by the average closing price of the Company's Common Stock on the American Stock Exchange for the previous three consecutive business days ending on the day prior to the closing of the acquisition agreement. Since the gross sales price from the sale of the 174,312 shares of the Company's Common Stock was less than \$380,000, the Company issued to CIC 50,000 additional shares of Company Common Stock which equaled the difference between \$380,000 and the aggregate sales price. Pursuant to the acquisition agreement, Logisoft acquired the "SchoolWorld Software" trademark, software licenses as well as all of the accounts, databases and related inventory of CIC. CIC is a full service source for educational software.

### TELECOMMUNICATIONS CALL CENTER

We operated our telecommunications call center which provided telemarketing, help desk and other services to companies through our subsidiary DM Marketing, Inc. ("DMM"). In December 2002, our aviation travel services business assumed operational responsibility of the call center operations located in Pensacola FL. The call center provided support to aviation travel services as a reservations and customer care center for airlines, tour operators and for internal programs for which the Company took reservations from travelers. On September 1, 2003, we closed our Pensacola, FL call center facility.

In January 2003, DMM was operated and managed by Flightserv and provided in-bound reservations call center services to Southeast Airlines and Flightserv's Interstate Jet. From January through June 2003 DMM booked

surplus, for each share of Series A Preferred Stock an amount equal to the Stated Value per share plus any accrued and unpaid dividends thereon and any other fees or liquidated damages owing thereon before any distribution or payment shall be made to the holders of any Junior Securities, and if the assets of the Company shall be insufficient to pay in full such amounts, then the entire assets to be distributed to the Holders shall be distributed among the Holders ratably in accordance with the respective amounts that would be payable on such shares if all amounts payable thereon were paid in full.

### CONVERSION

Conversions at Option of Holder. Each share of Series A Preferred Stock shall be convertible into that number of shares of Common Stock (subject to the limitations set forth below) determined by dividing the Stated Value of such share of Series A Preferred Stock by the Set Price.

Beneficial Ownership Limitation. The Company shall not effect any conversion of the Series A Preferred Stock, and the Holder shall not have the right to convert any portion of the Series A Preferred Stock to the extent that after giving effect to such conversion, the Holder (together with the Holder's affiliates), as set forth on the applicable Conversion Notice, would beneficially own in excess of 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to such conversion.

Limitation on Number of Shares Issuable. Notwithstanding anything herein to the contrary, the Company shall not issue to any Holder any shares of Common Stock, including pursuant to any rights herein, including, without limitation, any conversion rights or right to issue shares of Common Stock in payment of dividends, to the extent such shares, when added to the number of shares of Common Stock previously issued upon conversion of any shares of Series A Preferred Stock would exceed 3,875,188, or such greater or lesser number of shares of Common Stock permitted pursuant to the corporate governance rules of the Trading Market that is at the time the principal trading exchange or market for the Common Stock (the "Maximum Aggregate Share Amount"), unless the Company first obtains shareholder approval permitting such issuances in accordance with the Trading Market rules ("Shareholder Approval").

Forced Conversion. If after the date that the registration statement which registers for resale all of the Conversion Shares (the "Conversion Shares Registration Statement") is declared effective (the "Effective Date") the VWAP for each of any 10 consecutive Trading Days ("Threshold Period"), which 10 consecutive Trading Day period shall have commenced only after the Effective Date, exceeds 200% of the then effective Set Price (defined below), the Company may, within 2 Trading Days after any such Threshold Period, deliver a notice to all Holders (a "Forced Conversion Notice" and the date such notice is received by the Holders, the "Forced Conversion Notice Date") to cause the Holders to immediately convert all or part of the then outstanding shares of Series A Preferred Stock pursuant to Section 5 of the Certificate and the Holders shall surrender (if all Series A Preferred Stock is converted) their respective shares of Series A Preferred Stock to the Company for conversion within 5 Trading Days of the Forced Conversion Notice Date. The Company may only effect a Forced Conversion Notice if all of the Equity Conditions have been met during the Threshold Period through the Forced Conversion Notice Date.

16

The conversion price shall equal \$0.94 (the "Set Price"), subject to the following adjustments.

\* if the Company, at any time while the Series A Preferred Stock is

## Edgar Filing: RCG COMPANIES INC - Form 424B3

outstanding: (A) shall pay a stock dividend or otherwise make a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock, (B) subdivide outstanding shares of Common Stock into a larger number of shares, (C) combine (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (D) issue by reclassification of shares of the Common Stock any shares of capital stock of the Company, then the Set Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock Outstanding before such event and of which the denominator shall be the number of shares of Common Stock Outstanding after such event. Any adjustment made pursuant to the section of the Certificate shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or reclassification.

\* if the Company, at any time while the Series A Preferred Stock is outstanding, shall issue rights, options or warrants to all holders of Common Stock (and not to Holders) entitling them to subscribe for or purchase shares of Common Stock at a price per share less than the VWAP at the record date mentioned below, then the Set Price shall be multiplied by a fraction, of which the denominator shall be the number of shares of the Common Stock Outstanding on the date of issuance of such rights or warrants plus the number of additional shares of Common Stock offered for subscription or purchase, and of which the numerator shall be the number of shares of the Common Stock Outstanding on the date of issuance of such rights or warrants plus the number of shares which the aggregate offering price of the total number of shares so offered (assuming receipt by the Company in full of all consideration payable upon exercise of such rights, options or warrants) would purchase at such VWAP. Such adjustment shall be made whenever such rights or warrants are issued, and shall become effective immediately after the record date for the determination of stockholders entitled to receive such rights, options or warrants.

\* if the Company or any subsidiary thereof at any time while any of the Series A Preferred Stock is outstanding, shall sell, grant any option or warrant to purchase or sell or grant any right to reprice its securities, or otherwise dispose of or issue any Common Stock or any equity or equity equivalent securities (including any equity, debt or other instrument that is at any time over the life thereof convertible into or exchangeable for Common

Stock) (collectively, "Common Stock Equivalents") entitling any Person to acquire shares of Common Stock, at an effective price per share less than the Set Price (a "Dilutive Issuance"), as adjusted (if the holder of the Common Stock or Common Stock Equivalent so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights per share which are issued in connection with such issuance, be entitled to receive shares of Common Stock at a price per share which is less than the Set Price, such issuance shall be deemed to have occurred for less than the Set Price), then the Set Price shall be reduced to equal the effective conversion, exchange or purchase price for such Common Stock or Common Stock Equivalents (including any reset provisions thereof) at issue. Such adjustment shall be made whenever such Common Stock or Common Stock Equivalents are issued. The Company shall notify the Holder in writing, no later than the second Trading Day following the issuance of any Common Stock or Common Stock Equivalent, indicating therein the applicable issuance price, or of applicable reset price, exchange price, conversion price and other pricing terms. For purposes of this subsection, a Dilutive Issuance shall be deemed to have occurred when binding

## Edgar Filing: RCG COMPANIES INC - Form 424B3

agreements have been closed by the Company and any purchaser therein.

\* if the Company, at any time while the Series A Preferred Stock is outstanding, shall distribute to all holders of Common Stock (and not to Holders) evidences of its indebtedness or assets or rights or warrants to subscribe for or purchase any security other than the Common Stock (which shall be subject to Section 5(c)(iii) of the Certificate), then in each such case the Set Price shall be adjusted by multiplying the Set Price in effect immediately prior to the record date fixed for determination of stockholders entitled to receive such distribution by a fraction of which the denominator shall be the VWAP determined as of the record date mentioned above, and of which the numerator shall be such VWAP on such record date less the then per share fair market value at such record date of the portion of such assets or evidence of indebtedness so distributed applicable to one outstanding share of the Common Stock as determined by the Board of Directors in good faith. In either case the adjustments shall be described in a statement provided to the Holders of the portion of assets or evidences of indebtedness so distributed or such subscription rights applicable to one share of Common Stock. Such adjustment shall be made whenever any such distribution is made and shall become effective immediately after the record date mentioned above.

No adjustment shall be made in connection with an Exempt Issuance.

### REDEMPTION UPON TRIGGERING EVENTS

Upon the occurrence of a Triggering Event, each Holder shall have the right to require the Company to redeem all of the Series A Preferred Stock then held by such Holder for a redemption price, in cash, equal to the Triggering Redemption Amount. The Triggering Redemption Amount shall be due and payable within 5 Trading Days of the date on which the notice for the payment therefor is provided by a Holder (the "Triggering Redemption Payment Date"). If the Company fails to pay the Triggering Redemption Amount in full the Company will pay interest thereon at a rate of 18% per annum, accruing daily from such date until the Triggering Redemption Amount, plus all such interest thereon, is paid in full.

18

"Triggering Event" means any one or more of the following events:

\* the failure of a Conversion Shares Registration Statement to be declared effective by the Commission on or prior to the 180th day after the Original Issue Date;

\* if, during the Effectiveness Period, the effectiveness of the Conversion Shares Registration Statement lapses for any reason for more than an aggregate of 60 calendar days (which need not be consecutive days) during any 12 month period, or the Holder shall not be permitted to resell Registrable Securities under the Conversion Shares Registration Statement other than as a result of any action or inaction of a Holder for more than an aggregate of 60 calendar days (which need not be consecutive days) during any 12 month period (the Effectiveness Period is that period commencing with the Effectiveness Date and continuing until all securities covered by the Conversion Shares Registration Statement have been sold or may be sold without volume restrictions pursuant to Rule 144(k));

\* the Company shall fail to deliver certificates representing Conversion Shares issuable upon a conversion prior to the 10th Trading Day after such shares are required to be delivered, or the Company shall provide written notice to any Holder, including by way of public announcement, at any time, of

## Edgar Filing: RCG COMPANIES INC - Form 424B3

its intention not to comply with requests for conversion of any shares of Series A Preferred Stock in accordance with the terms hereof;

\* if either of the following events shall not have been cured to the satisfaction of the Holders prior to the expiration of 15 days from the Event Date (as defined in the Registration Rights Agreement) relating thereto (other than an Event resulting from a failure of a Conversion Shares Registration Statement to be declared effective by the Commission on or prior to the 180th day after the Original Issue Date, which is covered above): (i) a Registration Statement is not filed on or prior to its Filing Date (as defined in the Registration Rights Agreement), or (ii) the Company fails to file with the Commission a request for acceleration in accordance with Rule 461 promulgated under the Securities Act, within five Trading Days of the date that the Company is notified (orally or in writing, whichever is earlier) by the Commission that a Registration Statement will not be "reviewed," or not subject to further review;

\* the Company shall fail for any reason to pay in full the amount of cash due pursuant to a Buy-In within 5 Trading Days after notice therefor is delivered or shall fail to pay all amounts owed on account of an Event within five days of the date due (for purposes hereof an Event includes the following events: (i) a registration statement is not timely filed, (ii) the Company fails to timely file with the Commission a request for acceleration after being notified that a Registration Statement will not be "reviewed," or is not subject to further review, (iii) prior to its Effectiveness Date, the Company fails to file a pre-effective amendment and otherwise respond in writing to comments made by the Commission in respect of such Registration Statement within 20 Trading Days after the receipt of comments by or notice from the SEC that such amendment is required in order for a Registration Statement to be declared effective, (iv) a registration statement filed or required to be filed is not declared effective by the Commission by its Effectiveness Date, or (v) after the Effectiveness Date, a registration statement ceases for any reason to remain continuously effective as to all registrable securities for which it is required to be effective, or the Holders are not permitted to utilize the prospectus therein to resell such registrable securities for 15 consecutive days or an aggregate of 25 days during any 12-month period, which need not be consecutive days);

19

\* the Company shall fail to have available a sufficient number of authorized and unreserved shares of Common Stock to issue to such Holder upon a conversion unless the Company has complied with Section 4.10(b) of the Purchase Agreement (which section provides the Company an opportunity to amend the Company's certificate of incorporation to increase the number of shares the Company is authorized to issue);

\* the Company shall fail to observe or perform any other material covenant, agreement or warranty contained in, or otherwise commit any breach of the Transaction Documents, and such material failure or breach shall not, if subject to the possibility of a cure by the Company, have been remedied within 30 calendar days after the date on which written notice of such failure or breach shall have been given;

\* the Company shall be a party to any Change of Control Transaction or the Company shall redeem more than a de minimis number of Junior Securities;

\* there shall have occurred a Bankruptcy Event;

## Edgar Filing: RCG COMPANIES INC - Form 424B3

\* the Common Stock shall fail to be listed or quoted for trading on a Trading Market for more than 5 consecutive Trading Days.

### FUNDAMENTAL TRANSACTIONS

If a Fundamental Transaction occurs, then upon any subsequent conversion of shares of Series A Preferred Stock, the Holder shall have the right to receive, for each Conversion Share that would have been issuable upon such conversion absent such Fundamental Transaction, the Alternate Consideration. For purposes of any such conversion, the determination of the Set Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Set

20

Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any conversion of shares of Series A Preferred Stock following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Company or surviving entity in such Fundamental Transaction shall issue to the Holder new Series A Preferred Stock consistent with the foregoing provisions and evidencing the Holder's right to convert such Series A Preferred Stock into Alternate Consideration. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this provision and insuring that the Series A Preferred Stock (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

### DESCRIPTION OF WARRANTS

The following is a summary of the material terms of the Warrants and is qualified by its entirety by the form of Warrant filed as an exhibit to Form 8-K filed by the Company with the U.S. Securities and Exchange Commission on September 16, 2004.

### NUMBER, TERM, AND DEFINITIONS

The Warrants entitle the holders thereof to initially purchase up to a total of approximately 1,186,617 shares of the Common Stock of the Company.

The Warrants are exercisable at any time on or after the Initial Exercise Date and on or prior to the close of business on the three-year anniversary of the Initial Exercise Date. The Exercise Period shall be extended for the number of Trading Days during such period in which (x) trading in the Common Stock is suspended by any Trading Market, or (y) following the Effective Date, the Registration Statement is not effective or the prospectus included in the Registration Statement may not be used by the Purchasers for the resale of the Warrant Shares.

Capitalized terms used and not otherwise defined in this Description of Warrants Section shall have the meanings set forth in Section 1 of the Warrant.

### EXERCISE

## Edgar Filing: RCG COMPANIES INC - Form 424B3

t 6 0 Exercise of Warrant. Exercise of the Warrants may be made at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company of a duly executed facsimile copy of the Notice of Exercise Form annexed to the Warrant.

Exercise Price. The exercise price of each share of Common Stock under the Warrants shall be \$1.20, subject to adjustment (the "Warrant Exercise Price").

Cashless Exercise. If at any time after one year from the date of issuance of the Warrants there is no effective Registration Statement registering the resale of the Warrant Shares by the Holder, then the Warrants may also be exercised at such time by means of a "cashless exercise."

Holder's Restrictions. Each Holder shall not have the right to exercise any portion of their Warrant, pursuant to Section 2(c) of the Warrants or otherwise, to the extent that after giving effect to such issuance after exercise, the Holder (together with the Holder's affiliates), as set forth on the applicable Notice of Exercise, would beneficially own in excess of 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to such issuance.

21

Call Provision. Subject to the provisions of Section 2(f) of the Warrants, if after the Effective Date the Measurement Price exceeds 200% of the then Warrant Exercise Price (subject to adjustment as set forth herein) (the "Threshold Price), then the Company may, within ten Trading Days of such period, call for cancellation of all or any portion of the Warrants for which a Notice of Exercise has not yet been delivered (such right, a "Call"). To exercise this right, the Company must deliver to the Holder an irrevocable written notice (a "Call Notice"), indicating therein the portion of unexercised portion of the Warrants to which such notice applies. If the conditions set forth below for such Call are satisfied from the period from the date of the Call Notice through and including the Call Date (as defined below), then any portion of the Warrant subject to such Call Notice for which a Notice of Exercise shall not have been received from and after the date of the Call Notice will be cancelled at 6:30 p.m. (New York City time) on the tenth Trading Day after the date the Call Notice is received by the Holder (such date, the "Call Date"). Any unexercised portion of the Warrant to which the Call Notice does not pertain will be unaffected by such Call Notice. Notwithstanding anything to the contrary set forth in the Warrant, the Company may not deliver a Call Notice or require the cancellation of the Warrant (and any Call Notice will be void), unless, from the beginning of the 20 consecutive Trading Days used to determine whether the Common Stock has achieved the Threshold Price through the Call Date, the Equity Conditions (as defined in the Certificate of Designation) have been met. The Company's right to Call the Warrant shall be exercised ratably among the Purchasers based on each Purchaser's initial purchase of Common Stock pursuant to the Purchase Agreement.

### CERTAIN ADJUSTMENTS.

Stock Dividends and Splits. If the Company, at any time while the Warrants are outstanding: (A) pays a stock dividend or otherwise make a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company pursuant to the Warrants), (B) subdivides outstanding shares of Common Stock into a larger number of shares, (C) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (D) issues by reclassification of shares of the Common Stock any shares of

## Edgar Filing: RCG COMPANIES INC - Form 424B3

capital stock of the Company, then in each case the Warrant Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding before such event and of which the denominator shall be the number of shares of Common Stock outstanding after such event and the number of Warrant Shares issuable upon exercise of the Warrants shall be proportionately adjusted. Any adjustment made pursuant to Section 3(a) of the Warrants shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

22

**Subsequent Equity Sales.** If the Company or any Subsidiary thereof, as applicable, at any time while the Warrants are outstanding, shall sell, grant any option to purchase, sell or grant any right to reprice its securities, or otherwise dispose of or issue any Common Stock or Common Stock Equivalents entitling any Person to acquire shares of Common Stock, at an effective price per share less than the then Warrant Exercise Price (such lower price, the "Base Share Price" and such issuances collectively, a "Dilutive Issuance"), as adjusted (if the holder of the Common Stock or Common Stock Equivalents so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights per share which is issued in connection with such issuance, be entitled to receive shares of Common Stock at an effective price per share which is less than the Warrant Exercise Price, such issuance shall be deemed to have occurred for less than the Warrant Exercise Price), then, the Warrant Exercise Price shall be reduced to equal the Base Share Price; provided, however, in no event shall the Warrant Exercise Price be less than \$1.00, subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock that occur after the date of the Securities Purchase Agreement. Such adjustment shall be made whenever such Common Stock or Common Stock Equivalents are issued. The Company shall notify the Holder in writing, no later than the second Trading Day following the issuance of any Common Stock or Common Stock Equivalents, indicating therein the applicable issuance price, or of applicable reset price, exchange price, conversion price and other pricing terms.

**Pro Rata Distributions.** If the Company, at any time prior to the Termination Date, shall distribute to all holders of Common Stock (and not to Holders of the Warrants) evidences of its indebtedness or assets or rights or warrants to subscribe for or purchase any security other than the Common Stock (which shall be subject to Section 3(b) of the Warrants), then in each such case the Warrant Exercise Price shall be adjusted by multiplying the Warrant Exercise Price in effect immediately prior to the record date fixed for determination of stockholders entitled to receive such distribution by a fraction of which the denominator shall be the VWAP determined as of the record date mentioned above, and of which the numerator shall be such VWAP on such record date less the then per share fair market value at such record date of the portion of such assets or evidence of indebtedness so distributed applicable to one outstanding share of the Common Stock as determined by the Board of Directors in good faith. In either case the adjustments shall be described in a statement provided to the Holders of the portion of assets or evidences of indebtedness so distributed or such subscription rights applicable to one share of Common Stock. Such adjustment shall be made whenever any such distribution is made and shall become effective immediately after the record date mentioned above.

**Fundamental Transaction.** If, at any time while the Warrants are outstanding, (A) the Company effects any merger or consolidation of the Company with or into another Person, in which the Company is not the surviving entity,

## Edgar Filing: RCG COMPANIES INC - Form 424B3

or the Company's then existing shareholders will own less than 51% of the surviving entity, (B) the Company effects any sale of all or substantially all of its assets in one or a series of related transactions, (C) any tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property, or (D) a Fundamental Transaction, then, upon any subsequent conversion of the Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise absent such Fundamental Transaction, at the option of the Holder, (a) upon exercise of the Warrants, the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and Alternate Consideration receivable upon or as a

result of such reorganization, reclassification, merger, consolidation or disposition of assets by a Holder of the number of shares of Common Stock for which the Warrants are exercisable immediately prior to such event or (b) only in the event the Company is acquired in an all cash acquisition, cash equal to the value of the Warrants as determined in accordance with the Black-Scholes option pricing formula. For purposes of any such exercise, the determination of the Warrant Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Warrant Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of the Warrant following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Company or surviving entity in such Fundamental Transaction shall issue to the Holder a new warrant consistent with the foregoing provisions and evidencing the Holder's right to exercise such warrant into Alternate Consideration upon the payment thereof. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this paragraph and insuring that the Warrant (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

### DESCRIPTION OF ADDITIONAL INVESTMENT RIGHTS

The following is a summary of the material terms of the Additional Investment Rights and is qualified by its entirety by the form of Additional Investment Rights Agreement filed as an exhibit to Form 8-K filed by the Company with the U.S. Securities and Exchange Commission on September 16, 2004.

### NUMBER, TERM, AND DEFINITIONS

The Additional Investment Rights entitle the holders thereof to initially purchase up to a total of approximately 3,430,851 shares of the Common Stock of the Company.

The Additional Investment Rights are exercisable at any time on or after the Initial Exercise Date and on or prior to the close of business on the earlier of (a) the later of (i) the 181st day after the Effective Date and (ii) the 181st day after the Initial Exercise Date and (b) the 2nd year anniversary of the date of the Purchase Agreement (the "Termination Date" and the period from the Initial Exercise Date until the Termination Date

## Edgar Filing: RCG COMPANIES INC - Form 424B3

Capitalized terms used and not otherwise defined in this Description of Additional Investment Rights Section shall have the meanings set forth in Section 1 of the Additional Investment Rights.

24

### EXERCISE.

**Exercise of Additional Investment Right.** Exercise of the purchase rights represented by the Additional Investment Rights may be made at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company of a duly executed facsimile copy of the Notice of Exercise Form annexed to the Additional Investment Rights agreement.

**Exercise Price.** The exercise price of each share of Common Stock under the Additional Investment Rights shall be \$1.03, subject to adjustment (the "AIR Exercise Price").

**Holder's Restrictions.** The Holder shall not have the right to exercise any portion of the Additional Investment Rights, pursuant to Section 2(c) of the Additional Investment Rights thereof or otherwise, to the extent that after giving effect to such issuance after exercise, the Holder (together with the Holder's affiliates), as set forth on the applicable Notice of Exercise, would beneficially own in excess of 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to such issuance.

**Call Provision.** Subject to the provisions of Section 2(f) of the Additional Investment Rights, if after the Effective Date the Measurement Price is greater than or equal to the Threshold Price, then the Company may, in its sole discretion, within ten Trading Days of such period, exercise its Call right. To exercise this right, the Company must deliver to the Holder an irrevocable Call Notice, indicating therein the portion of unexercised portion of the Additional Investment Rights to which such notice applies. If the conditions set forth below for such Call are satisfied from the period from the date of the Call Notice through and including the Call Date (as defined below), then any portion of the Additional Investment Rights subject to such Call Notice for which a Notice of Exercise shall not have been received from and after the date of the Call Notice will be cancelled at 6:30 p.m. (New York City time) on the Call Date. Any unexercised portion of the Additional Investment Rights to which the Call Notice does not pertain will be unaffected by such Call Notice. Notwithstanding anything to the contrary set forth in the Additional Investment Rights, the Company may not deliver a Call Notice or require the cancellation of the Additional Investment Rights (and any Call Notice will be void), unless, from the beginning of the 20 consecutive Trading Days used to determine whether the Common Stock has achieved the Threshold Price through the Call Date, the Equity Conditions have been met. The Company's right to Call the Additional Investment Right shall be exercised ratably among the Purchasers based on each Purchaser's initial purchase of Common Stock pursuant to the Securities Purchase Agreement.

### CERTAIN ADJUSTMENTS.

**Stock Dividends and Splits.** If the Company, at any time while the Additional Investment Rights are outstanding: (A) pays a stock dividend or otherwise make a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company pursuant to the Additional Investment Rights), (B) subdivides outstanding shares of Common Stock into a larger number of shares,

## Edgar Filing: RCG COMPANIES INC - Form 424B3

(C) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (D) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the AIR Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding before such event and of which the denominator shall

25

be the number of shares of Common Stock outstanding after such event and the number of Additional Investment Right Shares issuable upon exercise of the Additional Investment Rights shall be proportionately adjusted. Any adjustment made pursuant to Section 3(a) of the Additional Investment Rights shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

Pro Rata Distributions. If the Company, at any time prior to the Termination Date, shall distribute to all holders of Common Stock (and not to Holders of the Additional Investment Rights) evidences of its indebtedness or assets or rights or Additional Investment Rights to subscribe for or purchase any security other than the Common Stock (which shall be subject to Section 3(b) of the Additional Investment Rights), then in each such case the AIR Exercise Price shall be adjusted by multiplying the AIR Exercise Price in effect immediately prior to the record date fixed for determination of stockholders entitled to receive such distribution by a fraction of which the denominator shall be the VWAP determined as of the record date mentioned above, and of which the numerator shall be such VWAP on such record date less the then per share fair market value at such record date of the portion of such assets or evidence of indebtedness so distributed applicable to one outstanding share of the Common Stock as determined by the Board of Directors in good faith. In either case the adjustments shall be described in a statement provided to the Holders of the portion of assets or evidences of indebtedness so distributed or such subscription rights applicable to one share of Common Stock. Such adjustment shall be made whenever any such distribution is made and shall become effective immediately after the record date mentioned above.

Fundamental Transaction. If, at any time while the Additional Investment Rights are outstanding, (A) the Company effects any merger or consolidation of the Company with or into another Person, in which the Company is not the surviving entity, or the Company's then existing shareholders will own less than 51% of the surviving entity, (B) the Company effects any sale of all or substantially all of its assets in one or a series of related transactions, (C) any tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property, or (D) a Fundamental Transaction, then, upon any subsequent conversion of the Additional Investment Rights, the Holder shall have the right to receive, for each Additional Investment Right Share that would have been issuable upon such exercise absent such Fundamental Transaction, at the option of the Holder, (a) upon exercise of the Additional Investment Rights, the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and Alternate Consideration receivable upon or as a result of such reorganization, reclassification, merger, consolidation or disposition of assets by a Holder of the number of shares of Common Stock for which the Additional Investment Rights are exercisable immediately prior to such event or (b) only in the event the Company is acquired in an all cash acquisition, cash equal to the value of the Additional Investment Rights as determined in accordance with the Black-Scholes option pricing formula. For

## Edgar Filing: RCG COMPANIES INC - Form 424B3

purposes of any such exercise, the determination of the AIR Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the AIR Exercise Price among the Alternate Consideration in a reasonable manner

26

reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of the Additional Investment Rights following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Company or surviving entity in such Fundamental Transaction shall issue to the Holder a new Additional Investment Right consistent with the foregoing provisions and evidencing the Holder's right to exercise such Additional Investment Right into Alternate Consideration upon the payment thereof. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of paragraph and insuring that the Additional Investment Rights (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

To our knowledge, neither Mr. Mannion, nor HPC Capital Management has any arrangement with any person to participate in the distribution of such securities. The Del Mar Consulting Group is the Company's investor communications and public relations consultant. K. Wesley M. Jones Sr. was appointed a Director of the Company on April 15, 2004. Mr. Jones was 1 of 4 investors in a March 1, 2004 Letter of Credit transaction which benefited a subsidiary of the Company. Mr. Jones received 12,500 Warrants in connection with this transaction.

We have agreed to pay the full costs and expenses in connection with the issuance, offer, sale and delivery of the shares, including all fees and expenses in preparing, filing and printing the registration statement and Prospectus and related exhibits, amendments and supplements thereto and mailing of those items. We will not pay selling commissions and expenses associated with any sale by the Selling Stockholders.

### PLAN OF DISTRIBUTION

Each Selling Stockholder (the "Selling Stockholders") of our Common Stock and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their shares of Common Stock on the Trading Market or any other stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed or negotiated prices. A Selling Stockholder may use any one or more of the following methods when selling shares:

- o ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- o block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- o purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- o an exchange distribution in accordance with the rules of the applicable exchange;
- o privately negotiated transactions;
- o settlement of short sales entered into after the date of this prospectus;
- o broker-dealers may agree with the Selling Stockholders to sell a specified number of such shares at a stipulated price per share;

- o a combination of any such methods of sale;

## Edgar Filing: RCG COMPANIES INC - Form 424B3

- o through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise; or
- o any other method permitted pursuant to applicable law.

The Selling Stockholders may also sell shares under Rule 144 under the Securities Act, if available, rather than under this prospectus.

Broker-dealers engaged by the Selling Stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the Selling Stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. Each Selling Stockholder does not expect these commissions and discounts relating to its sales of shares to exceed what is customary in the types of transactions involved.

In connection with the sale of our Common Stock or interests therein, the Selling Stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the Common Stock in the course of hedging the positions they assume. The Selling Stockholders may also sell shares of our Common Stock short and deliver these securities to close out their short positions, or loan or pledge the Common Stock to broker-dealers that in turn may sell these securities. The Selling Stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The Selling Stockholders and any broker-dealers or agents that are involved in selling the shares may be deemed to be "underwriters" within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Each Selling Stockholder has informed the Company that it does not have any agreement or understanding, directly or indirectly, with any person to distribute the Common Stock.

The Company is required to pay certain fees and expenses incurred by it incident to the registration of the shares. The Company has agreed to indemnify the Selling Stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

Because Selling Stockholders may be deemed to be "underwriters" within the meaning of the Securities Act, they will be subject to the prospectus delivery requirements of the Securities Act. In addition, any securities covered by this prospectus which qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than under this prospectus. Each Selling Stockholder has advised us that they have not entered into any agreements, understandings or arrangements with any underwriter or broker-dealer regarding the sale of the resale shares. There is no underwriter or coordinating broker acting in connection with the proposed sale of the resale shares by the Selling Stockholders.

We agreed to use our commercially reasonable efforts to keep this prospectus effective until the earlier of (i) the date on which the shares may be resold by the Selling Stockholders without registration and without regard to

## Edgar Filing: RCG COMPANIES INC - Form 424B3

any volume limitations by reason of Rule 144(k) under the Securities Act or any other rule of similar effect or (ii) all of the shares have been sold pursuant to the prospectus or Rule 144 under the Securities Act or any other rule of similar effect. The resale shares will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale shares may not simultaneously engage in market making activities with respect to our Common Stock for a period of two business days prior to the commencement of the distribution. In addition, the Selling Stockholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of shares of our Common Stock by the Selling Stockholders or any other person. We will make copies of this prospectus available to the Selling Stockholders and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale.
