Commencing December 6, 2017, Acuity Brands, Inc. (the “Company”) provided the following communication to stockholders.

SUPPLEMENT TO THE PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JANUARY 5, 2018

EXPLANATORY NOTE

The following disclosure supplements the definitive proxy statement filed by the Company with the Securities and Exchange Commission on November 21, 2017 (the “Proxy Statement”) in connection with the solicitation of proxies by the Company’s Board of Directors for the above-referenced annual meeting of stockholders and any adjournment or postponement thereof. There are no other changes to the Proxy Statement or the matters to be considered by the Company’s stockholders. This supplemental disclosure should be read together with the Proxy Statement, which should be read in its entirety. Terms used in this supplement to the Proxy Statement and not otherwise defined herein have the meanings given to them in the Proxy Statement.

SUPPLEMENTAL DISCLOSURE REGARDING ITEM 5—APPROVAL OF THE AMENDED AND RESTATED ACUITY BRANDS, INC. 2012 OMNIBUS STOCK INCENTIVE COMPENSATION PLAN

The following supplemental disclosure supersedes and replaces the section captioned “Description of the Amended 2012 Plan - Eligibility” on page 57 of the Proxy Statement.

Eligibility. The Committee may grant awards under the Amended 2012 Plan to the Company’s employees, non-employee directors or consultants, and any prospective employee who has accepted an offer of employment from the Company or any Subsidiary or Affiliate (as such terms are defined in the Amended 2012 Plan). However, only employees will be eligible to receive “incentive stock options” under the Amended 2012 Plan.

As disclosed on page 5 of the Company’s Annual Report on Form 10-K that accompanies this Proxy Statement, the Company employed approximately 12,500 associates as of August 31, 2017 who could be eligible to receive awards under the Amended 2012 Plan, of which approximately 4,000 were employed in the United States, approximately 8,000 in Mexico, and approximately 500 in other international locations, including Europe, Canada, and the Asia/Pacific region. As further disclosed on page 17 of this Proxy Statement, there are currently 11 non-employee directors of the Company who could be eligible to receive awards under the Amended 2012 Plan. Finally, as of the date of this Proxy Statement there are 10 consultants who could be eligible to receive awards under the Amended 2012 Plan.

The addition of consultants as eligible individuals under the Amended 2012 Plan is intended to provide the Company with additional flexibility to grant awards under the plan. During the last fiscal year, there were approximately 20 individuals who would be deemed consultants for the purposes of the Amended 2012 Plan. While we have no current expectations as to whether we will make awards to any consultants under the Amended 2012 Plan, we believe it is important to provide the flexibility to do so if it is in the interests of our stockholders.

As described below under “- Plan Administration,” the basis for participation in the Amended 2012 Plan is the decision of the Committee, as the administrator of the plan, in its sole discretion in furtherance of the purposes of the Amended 2012 Plan, as described above under “- Purpose”. Subject to the provisions of the Amended 2012 Plan, the Committee may, from time to time, select participants from all eligible individuals and shall determine the nature and amount of each award.

The following disclosure supplements the section captioned “New Plan Benefits” on page 63 of the Proxy Statement by adding a new second paragraph with the heading “Benefits to Named Executive Officers and Others.”
