PROXY STATEMENT

GENERAL INFORMATION ABOUT THE SOLICITATION

We are sending you these proxy materials in connection with the solicitation by the Board of Directors of Bay Resources Ltd (OTCBB: BYRE) of proxies to be used at Bay Resources Annual Meeting of Stockholders to be held on Thursday January 27, 2005, and at any adjournment or postponement of the Meeting. "We", "our", "us" and the "Company" all refer to Bay Resources. The proxy materials are first being mailed on or about December 22, 2004.

WHO MAY VOTE

You will only be entitled to vote at the Annual Meeting if our records show that you held your shares on December 10, 2004. At the close of business on November 16, 2004, a total of 16,714,130 shares of our common stock were outstanding and entitled to vote. Each share of common stock has one vote.

HOW TO VOTE

If your shares are held by a broker, bank or other nominee, it will send you instructions that you must follow to have your shares voted at the Annual Meeting. If you hold your shares in your own name as a record holder, you may instruct the proxy agents how to vote your shares as described below.

VOTE BY MAIL

Edgar Filing: BAY RESOURCES LTD - Form PRE 14A

If you choose to vote by facsimile or mail, simply mark your proxy, date and sign it, and return it to us in the envelope provided. If the envelope is missing, please mail your completed proxy card to Bay Resources, PO Box 6315 St Kilda Road Central Melbourne Victoria 8008 Australia.

VOTING AT THE ANNUAL MEETING

The method by which you vote will not limit your right to vote at the Annual Meeting if you decide to attend in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Meeting.

All shares that have been properly voted and not revoked will be voted at the Annual Meeting. If you sign and return your proxy card but do not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors.

HOW TO REVOKE YOUR PROXY

You may revoke your proxy at any time before it is voted. If you are a record stockholder, you may revoke your proxy in any of the following ways:

- o by giving notice of revocation at the Annual Meeting.
- o by timely delivery of written instruction revoking your proxy to the Secretary of Bay Resources , PO Box 6315 St Kilda Road Central Melbourne Victoria 8008 Australia.
- o by voting in person at the Annual Meeting.

-1-

HOW VOTES WILL BE COUNTED

The Annual Meeting will be held if a quorum, consisting of a majority of the outstanding shares of common stock entitled to vote, is represented at the Meeting. If you have returned a valid proxy or are a record holder and attend the Meeting in person, your shares will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters introduced. Abstentions and broker "non-votes" are also counted in determining whether a quorum is present. A "broker non vote" occurs when a broker, bank or nominee that holds shares for a beneficial owner does not vote on a particular proposal because it does not have discretionary voting power for that proposal and has not received voting instructions from the beneficial owner.

If a quorum is not present at the Annual Meeting, a majority of the shares present, in person or by proxy, has the power to adjourn the Meeting from time to time until a quorum is present. Other than announcing at the Annual Meeting the time and place of the adjourned Meeting, no notice of the adjournment will be given to stockholders unless required because of the length of the adjournment.

Directors will be elected by a plurality of the votes cast.

The affirmative vote of a majority of the outstanding shares of our common stock is required to approve the proposed amendment of our certificate of incorporation.

The votes cast "for" must exceed the cast "against" to approve each other matter voted on at the Meeting.

Edgar Filing: BAY RESOURCES LTD - Form PRE 14A

Abstentions and broker "non-votes" are not counted in the election of directors or the approval of any other matter.

Votes that are withheld or shares that are not voted will have the same legal effect as a vote against the proposed amendment of our certificate of incorporation but will have no effect on the outcome of any other matter voted on.

LIST OF STOCKHOLDERS

The names of stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Meeting for any purpose germane to the Meeting, between the hours of 9.00 a.m. and 5.00 p.m., at our principal executive offices at Level 8, 580 St Kilda Road Melbourne Victoria 3004 Australia.

COST OF THIS PROXY SOLICITATION

We will pay the cost of preparing, assembling and mailing the notice of meeting, proxy statement and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy materials to their principals and to request authority for the execution of proxies. We may reimburse such persons for their expenses incurred in connection with these activities.

PROPOSAL 1

ELECTION OF DIRECTORS

GENERAL

Our By-laws provide that the number of Directors of the Company initially shall be six and that the number of directors which shall thereafter constitute the whole Board shall be determined by the Board of Directors. The Board has determined that the number of Directors constituting the whole Board shall be four.

Directors need not be stockholders of the Company or residents of the State of Delaware. Directors are elected for an annual term and generally hold office until the next Directors have been duly elected and qualified. Directors may receive compensation for their services as determined by the Board of Directors. A vacancy on the Board may be filled by the remaining Directors even though less than a quorum remains. A Director appointed to fill a vacancy remains a Director until his successor is elected by the Stockholders at the next annual meeting of Shareholder or until a special meeting is called to elect Directors.

Our Board of Directors currently has four members who hold office for a period of one year.

Your proxy will be voted FOR the election of the four nominees named below, unless you withhold authority to vote for any or all of the nominees. Management has no reason to believe that a nominee will be unwilling or unable to serve as a director. However, if a nominee is unwilling or unable to serve, your proxy will be voted for another nominee designated by our Board of Directors.

BOARD, AUDIT COMMITTEE AND REMUNERATION COMMITTEE MEETINGS

Our Board of Directors consists of four members, of whom two have been, and continue to be, independent under applicable regulations. During fiscal 2004, our Board of Directors met three times. The Board of Directors also uses resolutions in writing to deal with certain matters and during fiscal 2004, five resolutions in writing were signed by all Directors.

Historically our entire Board has selected nominees for election as directors. The Board believes this process has worked well thus far particularly since it has been the Board's practice to require unanimity of Board members with respect to the selection of director nominees. In determining whether to elect a director or to nominate any person for election by our stockholders, the Board assesses the appropriate size of the Board of Directors, consistent with our bylaws, and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, the Board will consider various potential candidates to fill each vacancy. Candidates may come to the attention of the Board through a variety of sources, including from current members of the Board, stockholders, or other persons. The Board of Directors has not yet had the occasion to, but will, consider properly submitted proposed nominations by stockholders who are not directors, officers, or employees of Bay Resources on the same basis as candidates proposed by any other person. Stockholders can make proposals as provided below under the caption "Requirements, Including Deadlines, for Submission of Stockholder Proposals and Nominations of Directors."

-5-

AUDIT COMMITTEE:

Dr David Tyrwhitt and Mr. Paul Ehrlich constitute our Audit Committee. It is the opinion of the Board of Directors that each of them is an independent director as defined in applicable regulations. Our Audit Committee does not include a "financial expert" as defined in Item 401 (e) of Regulation S-B. The Company only has two independent Directors and neither of these independent Directors has a finance background. The Audit Committee met three times during fiscal 2004.

The Board's current written charter for its Audit Committee is a statement attached as Annex A to this proxy statement.

-6-

REPORT OF THE AUDIT COMMITTEE

Management is responsible for Bay Resources' financial reporting process, including its system of internal control, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. Bay Resources' independent auditors are responsible for auditing those financial statements.

In performing our oversight duties we rely on management's representation that

Edgar Filing: BAY RESOURCES LTD - Form PRE 14A

the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States. We also rely on the representations of the independent auditors included in their report on Bay Resources' financial statements.

Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures. Furthermore, our contacts with management and the independent auditors do not assure that:

- o Bay Resources' financial statements are presented in accordance with generally accepted accounting principles,
- o the audit of Bay Resources' financial statements has been carried out in accordance with generally accepted auditing standards or
- o Bay Resources' independent accountants are in fact "independent."

In connection with the inclusion of the audited financial statements in Bay Resources' 2004 annual report on Form 10-KSB, the Audit Committee:

- o reviewed and discussed the audited financial statements with management,
- o discussed with our independent auditors the materials required to be discussed by SAS 61,
- o reviewed the written disclosures and the letter from our independent auditors required by Independent Standards Board Standard No. 1 and discussed with our independent auditors their independence, and
- o based on the foregoing review and discussion, recommended to the Board of Directors that the audited financial statements be included in Bay Resources' 2004 annual report on form 10-KSB.

David S Tyrwhitt, Audit Committee Chairman
Paul L Ehrlich., Audit Committee Member

REMUNERATION COMMITTEE

The Board has a Remuneration Committee comprised of two independent directors. During fiscal 2004, the Remuneration Committee met once. During the year, the Remuneration Committee reviewed employment agreements and salary levels of our executive officers were considered.

PROPOSAL 2 APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK FROM 25,000,000 TO 50,000,000 SHARES

INTRODUCTION

Our Certificate of Incorporation currently authorizes the issuance of twenty-five million (25,000,000) shares of common stock, par value \$0.0001 per share. In October, 2004, the Board of Directors adopted a resolution proposing that our Certificate of Incorporation be amended to increase the authorized number of shares of common stock to fifty million (50,000,000), subject to stockholder approval of the amendment.

CURRENT USE OF SHARES

We currently have on issue 16,714,130 shares of common stock and 3,423,984 warrants exercisable into 3,423,984 shares of common stock, leaving 4,861,886 shares of common stock available for future issuance. In addition, we propose to issue 1,600,000 options under the 2004 Share Option Plan. We will continue to require additional shares of common stock for the purposes discussed below and accordingly, we propose to increase the authorized number of shares we can issue to 50 million shares of common stock, par value US\$0.0001 per common share.

PROPOSED AMENDMENT TO CERTIFICATE OF INCORPORATION

The Board of Directors has adopted resolutions setting forth (i) the proposed amendment to Article VIII of the Company's Certificate of Incorporation; (ii) the advisability of the amendment; and (iii) a call for submission of the amendment for approval by the Company's stockholders at the annual meeting.

The following is the text of Article VIII of the Certificate of Incorporation of the Company, as proposed to be amended:

"VIII. The corporation shall be authorized to issue a total of fifty million (50,000,000) shares of common stock, par value \$.0001 per share."

COMMON STOCK

The shares of common stock shall be alike and equal in all respects and shall have one vote for each share. Dividends payable in cash or in any other medium may be declared by the Board of Directors and paid on the shares of common stock. In the event of voluntary or involuntary liquidation, dissolution, distribution of assets or winding-up of the Corporation, the holders of the common stock shall be entitled to receive all of the remaining assets of the Corporation of whatever kind available for distribution to shareholders ratably in proportion to number of shares of common stock held by them respectively.

PURPOSE AND EFFECT OF THE PROPOSED AMENDMENT

Edgar Filing: BAY RESOURCES LTD - Form PRE 14A

The Board of Directors believes that the availability of additional authorized but unissued shares will provide the Company with the flexibility to issue common stock for a variety of corporate purposes, such as to raise capital, make acquisitions, effect future stock splits and stock dividends and to adopt additional employee benefit plans or to reserve additional shares for issuance under such plans.

Other than as described above, the Board of Directors has no immediate plans, understanding, agreements or commitments to issue additional common stock for any purposes. No additional action or authorization by the Company's stockholders would be necessary prior to the issuance of such additional shares, unless required by applicable law or the rules of any stock exchange or national securities association trading system on which the common stock is then listed or quoted. The Company reserves the right to seek a further increase in authorized shares from time to time in the future as considered appropriate by the Board of Directors.

Under the Company's Certificate of Incorporation, the Company's stockholders do not have preemptive rights with respect to common stock. Thus, should the Board of Directors elect to issue additional shares of common stock, existing stockholders would not have any preferential rights to purchase such shares. In addition, if the Board of Directors elects to issue additional shares of common stock, such issuance could have a dilutive effect on the earnings per share, voting power and shareholdings of current stockholders.

The issuance of the additional shares of common stock could have the effect of diluting earnings per share and book value per share, which could adversely affect the Company's existing stockholders. Issuing additional shares of common stock may also have the effect of delaying or preventing a change of control of the Company. The Company's authorized but unissued common stock could be issued in one or more transactions that would make it more difficult or costly, and less likely, a takeover of the Company. The proposed amendment to the Certificate of Incorporation is not being recommended in response to any specific effort of which the Company is aware to obtain control of the Company, and the Board of Directors has no present intention to use the additional shares of common stock in order to impede a takeover attempt.

If the proposed amendment is adopted, it will become effective upon filing of a Certificate of Amendment to the Company's Certificate of Incorporation with the Delaware Secretary of State. However, if the Company's stockholders approve the proposed amendment to the company's Certificate of Incorporation, the Board retains discretion under Delaware law not to implement the proposed amendment. If the Board exercised such discretion, the number of authorized shares would remain at current levels.

VOTE NECESSARY TO APPROVE THE AMENDMENT

The affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote at the annual meeting, assuming a quorum is present, is necessary for approval of the amendment.

Recommendation of the Board

-17-

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM TWENTY-FIVE MILLION (25,000,000) TO FIFTY MILLION (50,000,000).

PROPOSAL 3

APPROVAL OF THE 2004 SHARE OPTION PLAN

REASONS FOR THE 2004 PLAN

Effective October 15, 2004, our Board of Directors unanimously adopted the 2004 Bay Resources Ltd Share Option Plan (the "2004 Plan"), subject to stockholder approval at the Annual Meeting.

The Board believes it is critical for Bay Resources' continued success to be able to offer employees, officers, directors and consultants of outstanding ability, who are eligible to participate in the 2004 Plan, equity interests in Bay Resources parallel to that of Bay Resources' stockholders. Our board of directors strongly prefers stock incentives over cash bonus payments as ways to attract and retain our key personnel. We can use the cash for other purposes and can also further align the interests of management with our stockholders as we continue to meet our goals of increasing shareholder value by improving our performance and increasing our profitability.

The following summary of the 2004 Plan is qualified in its entirety by the full text of the 2004 Plan, a copy of which is attached hereto as Annex B.

GENERAL

The 2004 Plan provides for the granting of options.

The maximum number of shares available for awards is 10% of the issued and outstanding shares of common stock on issue at any time. If an option expires or is cancelled without having been fully exercised or vested, the remaining shares will generally be available for grants of other awards.

On November 16, 2004, the last sales price of our common stock, as reported by the OTC-Bulletin Board, was US\$7.00.

ADMINISTRATION

The 2004 Plan will be administered by the Remuneration Committee of the Board comprised solely of directors who are not employees or consultants to Bay Resources or any of its affiliated entities.

ELIGIBILITY

Any employee, director, officer, consultant of or to Bay Resources or an affiliated entity (including a company that becomes an affiliated entity after the adoption of the 2004 Plan) is eligible to participate in the 2004 Plan if the Committee, in its sole discretion, determines that such person has contributed significantly or can be expected to contribute significantly to the success of Bay Resources or an affiliated entity. As of October 15, 2004, approximately four employees or consultants and our four non-employee directors would be eligible to participate in the 2004 Plan. During any one year period, no participant is eligible to be granted options to purchase more than 5% shares of our issued and outstanding common stock or if they provide investor relations activities, or are a consultant to the Company, 2% of the issued and outstanding shares of common stock in any 12 month period.

-18-

TERM, PRICE AND METHOD OF PAYMENT FOR STOCK UNDERLYING OPTIONS

Edgar Filing: BAY RESOURCES LTD - Form PRE 14A

Options granted under the 2004 Plan are to purchase Bay Resources common stock. The term of each option will be fixed by the Remuneration Committee, but no option will be exercisable more than 10 years after the date of grant. The option exercise price is fixed by the Remuneration Committee at the time the option is granted. The exercise price must be paid in cash.

Options granted to participants vest and have a term of 10 years.

NON-TRANSFERABILITY/ASSIGNABILITY

No award is transferable, or assignable by the participant except upon his or her death.

AMENDMENT

The Board may amend the 2004 Plan, except that no amendment may adversely affect the rights of a participant without the participant's consent or be made without stockholder approval if such approval is necessary to qualify for or comply with any applicable law, rule or regulation the Board deems necessary or desirable to qualify for or comply with.

TERMINATION

Subject to earlier termination by the Board, the 2004 Plan has an indefinite term except that no ISO may be granted following the tenth anniversary of the date the 2004 Plan is approved by stockholders.

FEDERAL INCOME TAX CONSEQUENCES

The following is a general and brief summary of the federal income tax treatment of stock options granted under the 2004 Plan. This discussion is not complete and its application may vary in particular circumstances or as a result of changes in federal income tax laws and regulations.

A participant generally will not incur any U.S. federal income tax liability as a result of the grant of an option.

A participant will recognize ordinary income for federal income tax purposes when the participant exercises an option. The amount of income recognized upon exercise of an option is the fair market value of the shares of common stock acquired upon exercise (determined as of the date of exercise) reduced by the amount the participant paid for the shares. The participant's tax basis in the shares will equal the fair market value of the shares on the date of exercise and the participant's holding period will begin on the date after the date of exercise. Any gain or loss upon sale of the shares will be treated as a capital gain or loss. The capital gain or loss will generally be treated as long-term gain or loss if the shares are held for more than one year.

-19-

The Company is generally entitled to a business expense deduction on its federal income tax return with respect to stock options in the same amount and at the same time that participant recognizes ordinary income with respect to the stock option. Amounts treated as capital gain to the participant are not deductible by the Company.

no Options can be granted under the Plan if the Company is inactive; the aggregate number of Options granted to Service Providers conducting Investor Relations Activities in any 12-month period must not exceed 2% of the Outstanding Shares, calculated at the time of grant; and

the aggregate number of options granted to any one Consultant in any 12-month period must not exceed 2% of the Outstanding Shares, calculated at the time of grant.

OPTIONS NOT EXERCISED

2.7 In the event an Option granted under the Plan expires unexercised or is terminated by reason of dismissal of the Optionee for cause or is otherwise lawfully cancelled prior to exercise of the Option, the Optioned Shares that were issuable thereunder will be returned to the Plan and will be eligible for re-issue.

POWERS OF THE BOARD

2.8 The Board will be responsible for the general administration of the Plan and the proper execution of its provisions, the interpretation of the Plan and the determination of all questions arising hereunder. Without limiting the generality of the foregoing, the Board has the power to

- (d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do; and (e) may in its sole discretion amend this Plan (except for previously granted and outstanding Options) to reduce the benefits that may be granted to Service Providers (before a particular Option is granted) subject to the other terms hereof.

- 3.5 Any proposed amendment to the terms of an Option must be approved by the Board prior to the exercise of such Option.

VESTING OF OPTIONS

- 3.6 Subject to ss.3.7 and 3.8, vesting of Options is otherwise at the discretion of the Board, and will generally be subject to:
- (a) the Service Provider remaining employed by or continuing to provide services to the Company or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or any of its Affiliates during the vesting period; or
 - (b) remaining as a Director of the Company or any of its Affiliates during the vesting period.

VESTING OF OPTIONS GRANTED FOR INVESTOR RELATIONS ACTIVITIES

-31-

CHANGE OF CONTROL

- 3.8 Notwithstanding ss.3.6, in the case of a Change of Control all options then outstanding will immediately vest for the purpose of such transaction.

OPTIONEE CEASING TO BE DIRECTOR, EMPLOYEE OR SERVICE PROVIDER

- 3.9 No Option may be exercised after the Service Provider has left the employ/office or has been advised his services are no longer required or his service contract has expired, except as follows:
- (a) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;
 - (b) Options granted to a Service Provider conducting Investor Relations Activities will expire within 30 days of the date the Optionee ceases to conduct such activities, but only to the extent that such Optionee was vested in the Option at the date the Optionee ceased to conduct such activities,
 - (c) Options granted to an Optionee other than one conducting Investor Relations Activities will expire within 90 days after the Optionee ceases to be employed with or provide services to the Company, but only to the extent that such Optionee was vested in the Option at the date the Optionee ceased to be so employed or

Edgar Filing: BAY RESOURCES LTD - Form PRE 14A

to provide services to the Company; and

- (d) in the case of an Optionee being dismissed from employment or service for cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.

NON ASSIGNABLE

3.10 Subject to ss.3.9, all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

ADJUSTMENT OF THE NUMBER OF OPTIONED SHARES

3.11 The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following:

- (a) in the event of a subdivision of Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a greater number of Common Shares, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder, in addition to the number of Optioned Shares in respect of which the right to purchase is then being exercised, such additional number of Common Shares as result from the subdivision without an Optionee making any additional payment or giving any other consideration therefor;

-32-

- (b) in the event of a consolidation of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a lesser number of Common Shares, the Company will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares hereunder, in lieu of the number of Optioned Shares in respect of which the right to purchase is then being exercised, the lesser number of Common Shares as result from the consolidation;
- (c) in the event of any change of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder the number of shares of the appropriate class resulting from the said change as an Optionee would have been entitled to receive in respect of the number of Common Shares so purchased had the right to purchase been exercised before such change;
- (d) in the event of a capital reorganization, reclassification or change of outstanding equity shares (other than a change in the par value thereof) of the Company, a consolidation, merger or amalgamation of the Company with or into any other company or a sale of the property of the Company as or substantially as an entirety at any time while an Option is in effect, an Optionee will thereafter have the right to purchase and receive, in lieu of the Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option, the kind and amount of shares and other securities and property receivable upon such capital reorganization, reclassification, change, consolidation, merger, amalgamation or sale which the holder of a number of Common Shares equal to the number of Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the

Edgar Filing: BAY RESOURCES LTD - Form PRE 14A

- (e) an adjustment will take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this Section are cumulative;
- (f) the Company will not be required to issue fractional shares in satisfaction of its obligations hereunder. Any fractional interest in a Common Share that would, except for the provisions of this ss.3.11, be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Company; and
- (g) if any questions arise at any time with respect to the Exercise Price or number of Optioned Shares deliverable upon exercise of an Option in any of the events set out in this ss.3.11, such questions will be conclusively determined by the Company's auditors, or, if they decline to so act, any other firm of Chartered Accountants, in Vancouver, British Columbia (or in the city of the Company's principal executive office) that the Company may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

-33-

ARTICLE 4 COMMITMENT AND EXERCISE PROCEDURES

OPTION COMMITMENT

- 4.1 Upon grant of an Option hereunder, an authorized officer of the Company will deliver to the Optionee an Option Commitment detailing the terms of such Options and upon such delivery the Optionee will be subject to the Plan and have the right to purchase the Optioned Shares at the Exercise Price set out therein subject to the terms and conditions hereof.

- 4.2 An Optionee who wishes to exercise his Option may do so by delivering
- (a) a written notice to the Company specifying the number of Optioned Shares being acquired pursuant to the Option; and

Edgar Filing: BAY RESOURCES LTD - Form PRE 14A

EMPLOYMENT AND SERVICES

- 5.1 Nothing contained in the Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Company, or interfere in any way with the right of the Company to lawfully terminate the Optionee's office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Optionee will be voluntary.

NO REPRESENTATION OR WARRANTY

- 5.2 The Company makes no representation or warranty as to the future market value of Common Shares issued in accordance with the provisions of the Plan or to the effect of the INCOME TAX ACT IN EITHER THE COUNTRY OF WHICH THE OPTIONEE IS A RESIDENT OR THE COUNTRY IN WHICH THE COMPANY IS RESIDENT or any other taxing statute governing the Options or the Common shares issuable thereunder or the tax consequences to a Service Provider. Compliance with applicable securities laws as to the disclosure and resale obligations of each Participant is the responsibility of such Participant and not the Company.

AMENDMENT OF THE PLAN

- 5.4 The Board reserves the right, in its absolute discretion, at any time to amend, modify or terminate the Plan with respect to all Common Shares in respect of Options which have not yet been granted hereunder. Any amendment to any provision of the Plan will be subject to any necessary Regulatory Approvals unless the effect of such amendment is intended to reduce (but not to increase) the benefits of this Plan to Service Providers or unless the amendment is merely cosmetic in nature and will not negatively affect the holders of Common Shares of the Company.

CONTINUATION OF PLAN

- 5.5 The Plan will become effective from and after October 15, 2004, and will remain effective for a period of 10 years.

TAX WITHHOLDING

- 5.6 An Option holder shall, upon notification of the amount due and prior to or concurrently with delivery to such holder of a certificate representing such Common Shares, pay promptly any amount necessary to satisfy applicable federal, state, local or other tax requirements.
