INFORMATION TO BE INCLUDED IN THE REPORT

Item 1.01 Entry into a Material Definitive Agreement.

The disclosures contained in Items 1.02 and 2.03 are incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

On October 5, 2006, in conjunction with entering into a new credit facility (as more fully described in Item 2.03 below), Advance Auto Parts, Inc. (the "Company"), Advance Stores Company, Incorporated ("Advance Stores"), the Company's wholly owned subsidiary, and JPMorgan Chase Bank, N.A. executed a Release and Termination Agreement ("Release and Termination Agreement") with respect to the Amended and Restated Credit Agreement dated as of November 3, 2004 (as amended, the "Credit Agreement"), among the Company, Advance Stores, as Borrower, and JPMorgan Chase Bank, N.A., as Administrative Agent, which was filed as Exhibit 10.1 to the Company's Current Report on Form 8-K filed November 9, 2004. Upon payment in full of the Designated Obligations under the Credit Agreement totaling \$435 million, the Release and Termination Agreement terminates the lenders' Commitments under the Credit Agreement, discharges the liability of the Company and its subsidiaries with respect to their obligations under the Credit Agreement, and terminates the guarantees created under the Guarantee Agreement and security interests granted by the Security Agreement and releases the liens in respect to the Collateral under the Credit Agreement.

The above description of the Release and Termination Agreement is not complete and is qualified in its entirety by the full text of the Release and Termination Agreement, which is filed as Exhibit 10.38 to this Current Report on Form 8-K.

Item 2.03 Creation of a Direct Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On October 5, 2006, the Company, as Guarantor, entered into a new \$750 million unsecured five-year revolving credit facility with Advance Stores, as Borrower, the lenders party thereto, and JPMorgan Chase Bank, N.A., as administrative agent. This new facility will replace the Company's term loans and revolver under the existing credit facility terminated as described in 1.02 above. Proceeds from this revolving loan will be used to repay \$434 million of principal outstanding on the Company's current term loans and revolver under its existing credit facility. Additionally, the new facility provides for the issuance of letters of credit with a sub limit of \$300 million and swingline loans in an amount not to exceed \$50 million. The Company may request that the total revolving commitment be increased by an amount not exceeding \$250 million during the term of the credit agreement. Voluntary prepayments and voluntary reductions of the revolving balance are permitted in whole or in part, at the Company's option, in minimum principal amounts as specified in the new credit facility.

The interest rates on the revolving loan under the new credit facility will be based, at the Company's option, on an adjusted LIBOR rate, plus a margin, or an alternate base rate, plus a margin. After an initial interest period, the Company may elect to convert a particular borrowing to a different type. The initial margin is 0.75% and 0.0% per annum for the adjusted LIBOR and alternate base rate borrowings, respectively. A commitment fee will be charged on the unused portion of the revolver, payable in arrears. The initial commitment fee rate is 0.150% per annum. Under the terms of the new credit facility, the interest rate spread and commitment fee will be based on the Company's credit rating. The revolving facility terminates on October 5, 2011.

The new credit facility is guaranteed by the Company. The facility contains covenants restricting the ability of the Company and its subsidiaries to, among other things, (1) create, incur or assume additional debt (including hedging arrangements), (2) incur liens or engage in sale-leaseback transactions, (3) make loans and investments, (4) guarantee obligations, (5) engage in certain mergers, acquisitions and asset sales, (6) engage in transactions with affiliates, (7) change the nature of the Company's business and the business conducted by its subsidiaries and (8) change the holding company status of the Company. The Company is required to comply with financial covenants with respect to a maximum leverage ratio and a minimum coverage ratio. The new credit facility also provides for customary events of default, including non-payment defaults, covenant defaults and cross-defaults to the Company's other material indebtedness.

The above description of the new credit facility is not complete and is qualified in its entirety by the full text of the amended and restated credit agreement for the facility, which is filed as Exhibit 10.1 to this Current Report on Form 8-K.
