Item 6. Indemnification of Directors and Officers.

Texas law permits a Texas corporation to include in its Certificate of Formation a provision eliminating or limiting the liability of a director to the corporation or its shareholders for monetary damages arising from acts or omissions in the director's capacity as a director, subject to various statutory exceptions. The Company's Restated Certificate of

Formation, as amended, contains a provision eliminating the liability of the Company's directors to the Company and its shareholders to the fullest extent permitted by Texas law, as it exists or may be amended or interpreted from time to time.

Texas law permits a Texas corporation to indemnify its directors and officers against certain liabilities and expenses incurred in defending proceedings against them in their capacities as directors and officers, if it is determined that the director or officer (1) conducted himself in good faith, (2) reasonably believed (a) in the case of official conduct as a director or an officer, that his conduct was in the corporation's best interests, or (b) in any other case, that his conduct was not opposed to the corporation's best interests, and (3) in the case of a criminal proceeding, had no reasonable cause to believe that his conduct was unlawful. Texas law also requires a Texas corporation to indemnify directors or officers in connection with any proceeding in which the director or officer is wholly successful, on the merits or otherwise, in the defense.

II-1

The Company's Restated Certificate of Formation requires it to indemnify its directors and officers against any and all liability and reasonable expenses that may be incurred by them in connection with or resulting from (1) any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, arbitrative, or investigative, (2) an appeal of such action, suit, or proceeding, or (3) an inquiry or investigation that could lead to such an action, suit, or proceeding, all to the fullest extent permitted by Texas law.

The Restated Certificate of Formation also requires the Company to pay or reimburse, in advance of the final disposition of any action, suit, or proceeding, all reasonable expenses incurred by a director or officer who was, is, or is threatened to be made a named defendant or respondent in an action, suit, or proceeding, all to the fullest extent permitted by Texas law.

Texas law also permits the Company to purchase and maintain insurance on behalf of its directors and officers against certain liabilities and expenses incurred in their capacities as directors and officers, whether or not the Company would have the power to indemnify them under Texas law or the Restated Certificate of Formation.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question as to whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
