(ii) Administration costs include a goodwill amortisation charge of GBP116 million (2004: GBP119 million), net of an exceptional credit of GBP13 million (2004: nil) (see note 4).

### 3. Share of joint ventures' and associates' operating results

#### Goodwill

In the prior year, a credit of GBP11 million arose on the write back of negative goodwill which had arisen on the acquisition of an additional 16.7% stake in Attheraces Holdings Limited in April 2004, taking the Group's stake in Attheraces to 50%. The remaining net GBP1 million charge relates to amortisation of goodwill arising on the acquisition of certain joint ventures and associates.

2005

(i) Settlement of ITV Digital programming debtors

In July 2005, the Group received GBP13 million from the liquidators of ITV Digital as a full and final settlement in respect of amounts owed to the Group. The receipt is recorded as an exceptional item within operating profit due to the distortion that its inclusion within operating expenses would have on the individual operating expenses line item to which it was attributed.

(ii) Loss on disposal of investments in joint ventures

In November 2004, the Group sold its 49.5% investment in Granada Sky Broadcasting Limited ("GSB") for GBP14 million in cash, realising a loss on disposal of GBP23 million. This included the write back of GBP32 million of goodwill which had previously been written off to reserves, as permitted prior to the implementation of Financial Reporting Standard ("FRS") 10, "Goodwill and Intangible Assets" ("FRS 10"). The loss on disposal is a non-operating exceptional item as defined by FRS 3 "Reporting Financial Performance" ("FRS 3") and is therefore recorded as an exceptional item below operating profit.

2004

(iii) Profit on disposal of fixed asset investments

In March 2004, the Group sold its 20% shareholding in QVC (UK), operator of QVC - The Shopping Channel, for GBP49 million in cash, realising a profit on disposal of GBP49 million. The profit on disposal is a non-operating exceptional item as defined by FRS 3 and is therefore recorded as an exceptional item below operating profit.

In October 2003, the Group disposed of its listed investment in Manchester United plc, realising a profit on disposal of GBP2 million. The profit on disposal is a non-operating exceptional item as defined by FRS 3 and is therefore recorded as an exceptional item below operating profit.

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

(iv) Amounts written back to fixed asset investments, net

The Group reduced its provision against its minority equity investments in football clubs by GBP33 million, due to the disposal of its investment in Manchester United plc in October 2003, for GBP62 million in cash. The Group also increased its provision against its remaining minority equity investments in football clubs by GBP9 million. The reduction of GBP33 million in the provision is recorded as an exceptional item below operating profit as it relates directly to the disposal of the investment as detailed above. The increase in the remaining provision is recorded as an exceptional item below operating profit due to the distortion that its inclusion within operating expenses would have on the individual operating expenses line to which it was attributed.

Goodwill of GBP272 million, GBP543 million and GBP5 million, arising on the acquisitions of Sports Internet Group ("SIG"), British Interactive Broadcasting ("BiB") and WAPTV respectively, is being amortised over periods of seven years on a straight-line basis.

In accordance with FRS 11 "Impairment of fixed assets and goodwill", impairment reviews were performed on the carrying values of BiB and SIG goodwill balances at the end of the first full financial year after acquisition, at 30 June 2002, which did not indicate impairment. Consistent with Group strategy, the business plans on which these reviews were based reflect significant projected increases in betting and other interactive revenues over the subsequent five years. The Group continues to monitor the performance of these businesses and is satisfied that no impairment of goodwill has occurred.

### Undrawn RCFs

In November 2004, the Group entered into a GBP1 billion RCF. This facility was used to cancel an existing GBP600 million RCF and is available for general corporate purposes. The GBP1 billion facility has a maturity date of July 2010, and interest accrues at a margin of between 0.45% and 0.55% above LIBOR, dependent on the Group's leverage ratio of net debt to earnings before interest, taxes, depreciation and amortisation ("EBITDA") (as defined in the loan agreement). At the current ratio of Net Debt: EBITDA, the margin would be 0.45% above LIBOR if the Group were to make a drawing on the facility.

Both the bank facilities and the publicly-traded guaranteed notes have been issued by the Company and guaranteed by both British Sky Broadcasting Limited and Sky Subscribers Services Limited. Additionally, the GBP1 billion RCF has been guaranteed by BSkyB Investments Limited.

Share buy-back

On 12 November 2004, the Company's shareholders approved a resolution at the Annual General Meeting for the Company to purchase up to 97 million Ordinary Shares. During the financial year, the Company purchased, and subsequently cancelled, 74 million Ordinary Shares at an average price of GBP5.60 per share, with a nominal value of GBP37 million, for a consideration of GBP416 million. Consideration included stamp duty and commission of GBP3 million. This represents 4% of called-up share capital at the beginning of the financial year.

Goodwill

In accordance with FRS 10, the Company has included the write off of GBP32 million of unamortised goodwill in the calculation of the loss on disposal of GSB, the effect of which has been included in the profit for the financial year. The goodwill arose on the purchase of GSB and had previously been written off to the profit and loss reserve as permitted prior to FRS 10. Accordingly, an adjustment has been made to write back the GBP32 million charge to the profit and loss reserve.

At 30 June 2005, the cumulative goodwill written off directly to reserves by the Group amounted to GBP492 million (2004: GBP524 million).

Share option schemes

During the period, the Company issued shares with a market value of GBP1 million (2004: GBP26 million) in respect of the exercise of options awarded under various share option schemes.

At 30 June 2005, the Group's ESOP held 5,609,212 Ordinary Shares in the Company at an average value of GBP5.78 per share. The 1,808,303 shares utilised during the period relate to the exercise of Long Term Incentive Plan ("LTIP"), Equity Bonus Plan ("EBP"), Key Contributor Plan ("KCP"), Executive Share Option Scheme and Sharesave Scheme awards.

Corporate reorganisation

On 13 April 2005, the High Court approved a reduction in the share capital of BSkyB Investments Limited, a 100% owned subsidiary. This formed part of a corporate reorganisation, allowing the Company access to additional distributable reserves.

Disposal of GSB

In accordance with FRS 10, the Group has included the write off of GBP32 million of unamortised goodwill in the calculation of the loss on disposal of GSB, the effect of which has been included in the profit for the financial year. The goodwill arose on the purchase of GSB and had previously been written off to the profit and loss reserve as permitted prior to FRS 10. Accordingly, an adjustment has been made to write back the GBP32 million charge to the profit and loss reserve.

2004

Share premium reduction

On 10 December 2003, the High Court approved a reduction in the Company's share premium account of GBP1,120 million, as approved by the Company's shareholders at the Annual General Meeting held on 14 November 2003. The reduction had the effect of eliminating the Company's deficit on its profit and loss account as at 30 September 2003 of GBP1,106 million, and creating a non-distributable special reserve of GBP14 million, which represents the excess of the share premium reduction over the deficit.

WAPTIV

On 30 September 2003, the Company issued 338,755 Ordinary Shares to satisfy the remaining contingent consideration in respect of the acquisition of the remaining 5% interest in WAPTIV Limited which occurred in May 2001.
