The Company has been informed by one of its carrier partners that it plans to develop direct licensing relationships with the major record labels beginning in early 2007. Accordingly, the Company expects its revenues, as well as its operating results, to be negatively impacted by these direct relationships. Through the six months ended June 30, 2006, InfoSpace generated \$89.6 million in mobile revenue, of which label tone sales represented approximately \$55 million. InfoSpace's total revenue for the same period was \$186.1 million. The Company plans to rationalize its costs to align them with expected future revenues.
