Introduction

On November 16, 2006, Sally Beauty Holdings, Inc. (*Sally Beauty*) completed its previously announced transaction to separate from Alberto-Culver Company (*Alberto*) and commenced regular way trading of its common stock on the New York Stock Exchange under the symbol *SBH*. The creation of a new independent Sally Beauty results from the successful completion of a plan, approved by Alberto shareholders on November 10, 2006, to separate Alberto's retail and distribution business, which will be operated by Sally Beauty, from its consumer products business, which will be operated by Alberto, into two separate, publicly-traded companies.

Item 1.01 Entry into a Material Definitive Agreement

Stockholders Agreement

In connection with the completion of the separation, Sally Beauty entered into a Stockholders Agreement, dated as of November 16, 2006, with CDRS Acquisition LLC, CD&R Parallel Fund VII, L.P. and the other stockholders party thereto. Descriptions of the material provisions of the Stockholders Agreement are included in (i) the proxy statement/prospectus information statement included as part of the Registration Statement on Form S-4, as amended (File No. 333-136259), of Sally Beauty (formerly New Sally Holdings, Inc.) filed with the Securities and Exchange Commission and (ii) the Current Report on Form 8-K of Sally Beauty, as filed with the Securities and Exchange Commission on October 30, 2006. A copy of the Stockholders Agreement is filed herewith as Exhibit 4.8 and incorporated herein by reference.

Indentures

On November 16, 2006, Sally Holdings LLC and Sally Capital Inc. (*Sally Capital*), both indirect wholly-owned subsidiaries of Sally Beauty, completed a private offering of \$430.0 million aggregate principal amount of 9.25% Senior Notes due 2014 (the *Senior Notes*) and \$280.0 million aggregate principal amount of 10.5% Senior Subordinated Notes due 2016 (the *Senior Subordinated Notes*) (collectively referred to as the *Notes*). The Senior Notes and the Senior Subordinated Notes were each issued under an indenture, dated as of November 16, 2006, by and among Sally Holdings, Sally Capital, the guarantors named therein and Wells Fargo Bank, National Association, as Trustee. Interest on the Notes will be paid on May 15 and November 15 of each year, beginning May 15, 2007. The Senior Notes mature on November 15, 2014 and the Senior Subordinated Notes mature on November 15, 2016. The indentures governing the Notes contain covenants limiting, among other things, the ability of Sally Holdings and its restricted subsidiaries to incur additional indebtedness or issue preferred shares, pay dividends on or make other distributions in respect of capital stock or make other restricted payments, make certain investments, limit dividends or other payments by its restricted subsidiaries to Sally Holdings, sell certain assets, enter into certain types of transactions with affiliates, use assets as security for certain other indebtedness without securing the Senior Notes, consolidate, merge, sell or otherwise dispose of all or substantially all assets, and designate subsidiaries as unrestricted subsidiaries. The indentures governing the Notes also provide for customary events of default. Copies of the indentures are attached as Exhibits 4.1 and 4.2 hereto and incorporated herein by reference.

Registration Rights Agreements

In connection with the offering of the Notes, Sally Holdings, Sally Capital, the guarantors named therein and Merrill Lynch, Pierce, Fenner & Smith, Incorporated and the other financial institutions named therein entered into a registration rights agreement, dated as of November 16, 2006, with respect to each series of Notes providing the holders of the Notes certain rights relating to registration of the Notes under the Securities Act of 1933, as amended. Sally Holdings and Sally Capital are required to use their commercially reasonable efforts to file a registration statement and to cause such registration statement to become effective within 360 days following November 16, 2006. If Sally Holdings and Sally Capital fail to comply with certain obligations under the Registration Rights Agreements, they will be required to pay liquidated damages in the form of additional cash interest to the holders of the Notes. Credit Agreements

Term Loan Credit Agreement

On November 16, 2006, Sally Holdings LLC (Sally Holdings), an indirect wholly owned subsidiary of Sally Beauty, entered into a credit agreement among Merrill Lynch Capital Corporation, as Administrative Agent and Collateral Agent, and the several lenders from time to time parties thereto (the Term Loan Credit Agreement). The Term Loan Credit Agreement provides for a term A loan facility and a term B loan facility, which provide senior secured term loans up to a maximum principal amount of \$150 million and \$920 million, respectively. Sally Holdings parent, Sally Investment Holdings LLC (Sally Investment Holdings), and each domestic subsidiary of Sally Holdings (other than any subsidiary that is a foreign subsidiary holding company or a subsidiary of a foreign subsidiary) guarantee Sally Holdings obligations under the term A loan facility and the term B loan facility.

The term A loan facility matures on November 16, 2012, and the term B loan facility matures on November 16, 2013. The term A loan facility amortizes as follows: 5% in each of years one and two, 10% in each of years three and four, 20% in year five and 50% in year six. The term B loan facility amortizes in nominal quarterly installments (not exceeding one percent of the aggregate initial principal amount thereof per annum) with the balance due on the maturity date.

Amounts drawn under the term A loan facility bear annual interest at either an adjusted LIBOR rate plus a margin of 2.00% to 2.50%, or an alternate base rate plus a margin of 1.00% to 1.50%. Amounts drawn under the term B loan facility bear annual interest at either an adjusted LIBOR rate plus a margin of 2.25% to 2.50%, or an alternate base rate plus a margin of 1.25% to 1.50%. The interest rate margins are subject to adjustments based on Sally Holdings secured leverage ratio.

The Term Loan Credit Agreement contains a number of negative covenants restricting, among other things, indebtedness, liens, merger or transfer of substantially all assets of Sally Holdings, asset dispositions, distributions, dividends and repurchases of capital stock, prepayment or modification of certain other debt, acquisitions and investments, affiliate transactions, and limitations on dividends or other payments from subsidiaries. Sally Holdings is required to comply with a secured leverage ratio test. The Term Loan Credit Agreement contains customary events of default. A copy of the Term Loan Credit Agreement is attached as Exhibit 4.5.1 hereto and incorporated herein by reference.

Sally Holdings obligations under the Term Loan Credit Agreement (or the guarantees thereof by the guarantors) are secured by (i) all of the capital stock, or interests if applicable, of Sally Holdings and the domestic subsidiaries (other than any subsidiary that is a foreign subsidiary holding company or a subsidiary of a foreign subsidiary) owned by Sally Holdings and the guarantors, (ii) 65% of the capital stock of any non-U.S. subsidiary held directly by Sally Holdings or any guarantor, and (iii) substantially all other tangible and intangible personal property owned by Sally Holdings, with certain exceptions, pursuant to a security agreement (the Term Loan Guarantee and Collateral Agreement) made by Sally Holdings and its domestic subsidiaries on November 16, 2006. A copy of the Term Loan Guarantee and Collateral Agreement is attached as Exhibit 4.5.2 hereto and incorporated herein by reference. Sally Holdings obligations under the Term Loan Credit Agreement (or the guarantees thereof by the guarantors) are also secured by certain real property.

ABL Credit Agreement

On November 16, 2006, Sally Holdings, its domestic subsidiaries Beauty Systems Group LLC and Sally Beauty Supply LLC, as subsidiary borrowers, and its Canadian subsidiaries Sally Beauty (Canada) Corporation and Beauty Systems Group (Canada), Inc., as Canadian borrowers, entered into a credit agreement among Merrill Lynch Capital, a division of Merrill Lynch Business Financial Services Inc., as Administrative Agent and Collateral Agent, Merrill Lynch Capital Canada Inc., as Canadian Agent and Canadian Collateral Agent, and the several lenders from time to time parties thereto (the "ABL Credit Agreement"). The ABL Credit Agreement provides for a senior secured revolving credit facility of up to \$400 million (subject to availability under a borrowing base). Sally Investment Holdings and each domestic subsidiary of Sally Holdings (other than any subsidiary that is a borrower, foreign subsidiary holding company, or a subsidiary of a foreign subsidiary) have guaranteed the obligations of Sally Holdings and its subsidiaries under the ABL Credit Agreement.

The credit facility matures on November 16, 2011. It includes a \$25 million sub-limit for swingline loans and a \$50 million sub-limit for letters of credit. Amounts drawn under the credit facility bear annual interest at either an adjusted LIBOR rate plus a margin of 1.00% to 1.50%, or an alternate base rate plus a margin of 0.00% to 0.50%. The interest rate margins are subject to adjustments based on borrowing availability under the credit facility. The commitment fee calculated on the unused portion of the credit facility ranges from 0.20% to 0.35% per year based on available loan commitments. The ABL Credit Agreement contains a number of negative covenants restricting, among other things, certain mergers and transfers of substantially all assets, distributions, dividends and repurchases of capital stock and other equity interests, acquisitions, prepayment or modification of certain other debt, negative pledges, changes in fiscal year or line of business, and hedging arrangements. In addition, the ABL Credit Agreement contains a number of representations, including a representation as to the absence of liens other than permitted liens, that are required to be accurate in all material respects as a condition to borrowing. Sally Holdings is required to comply with a fixed charge coverage ratio test if the availability under the ABL Credit Agreement falls and remains below \$40 million. The ABL Credit Agreement contains customary events of default. A copy of the ABL Credit Agreement is attached as Exhibit 4.6.1 hereto and incorporated herein by reference.

The obligations of Sally Holdings and its subsidiaries under the ABL Credit Agreement (or the guarantees thereof by the guarantors) are secured by (i) all of the capital stock, or interests if applicable, of Sally Holdings and the domestic subsidiaries (other than any subsidiary that is a foreign subsidiary holding company or a subsidiary of a foreign subsidiary) owned by Sally Holdings, the domestic subsidiary borrowers and the guarantors, (ii) 65% of the capital stock of any non-U.S. subsidiary held directly by Sally Holdings, any domestic subsidiary borrower or any guarantor, and (iii) substantially all other tangible and intangible personal property owned by Sally Holdings, each domestic subsidiary borrower and each guarantor, subject to certain exceptions, pursuant to a security agreement (the "U.S. Guarantee and Collateral Agreement") made by Sally Holdings and its domestic subsidiaries on November 16, 2006. A copy of the U.S. Guarantee and Collateral Agreement is attached as Exhibit 4.6.2 hereto and incorporated herein by reference. The obligations of the Canadian borrowers under the ABL Credit Agreement are also secured by (i) all of the capital stock, or interests if applicable, of the Canadian borrowers and (ii) substantially all other tangible and intangible personal property owned by the Canadian borrowers subject to certain exceptions, pursuant to a security agreement (the "Canadian Guarantee and Collateral Agreement") made by the Canadian borrowers and Sally Beauty Canada Holdings Inc., the direct parent of the Canadian borrowers. A copy of the Canadian Guarantee and Collateral Agreement is attached as Exhibit 4.6.3 hereto and incorporated herein by reference. The obligations of Sally Holdings and its domestic subsidiaries under the ABL Credit Agreement (or certain guarantees thereof by the guarantors) are also secured by certain real property.

Intercreditor Agreement

Pursuant to an intercreditor agreement dated November 16, 2006, made between the Administrative Agent and Collateral Agent under the ABL Credit Agreement and the Administrative Agent and Collateral Agent under the Term Loan Credit Agreement (the Intercreditor Agreement), the lenders under the ABL Credit Agreement have a first priority lien on certain collateral held by Sally Holdings and its domestic subsidiaries (the ABL Priority Collateral) and a second priority lien on substantially all other assets held by Sally Holdings and its domestic subsidiaries, and the lenders under the Term Loan Credit Agreement have a second priority lien on the ABL Priority Collateral and a first priority lien on substantially all other assets held by Sally Holdings and its domestic subsidiaries. A copy of the Intercreditor Agreement is attached as Exhibit 4.7 hereto and incorporated herein by reference.
