**Item 8.01. Other Events.**

On July 1, 2007, DCP Midstream Partners, LP, or the Partnership, closed its previously announced acquisition of a 25% limited liability company interest in DCP East Texas Holdings, LLC ( East Texas ), a 40% limited liability company interest in Discovery Producer Services LLC ( Discovery ) and a non-trading derivative instrument (the Swap ) from DCP Midstream, LLC. The transfer of assets between DCP Midstream, LLC and the Partnership represents a transfer of assets between entities under common control. Transfers of net assets or exchanges of shares between entities under common control are accounted for as if the transfer occurred at the beginning of the period, and prior years are retroactively adjusted to furnish comparative information similar to the pooling method. On October 17, 2007, the Partnership filed a Current Report on Form 8-K which included supplemental consolidated financial statements of the Partnership as of December 31, 2006 and 2005, and for each of the three years in the period ended December 31, 2006, accounting for the acquisition similar to the pooling method. The Current Report on Form 8-K also included unaudited supplemental consolidated financial statements as of June 30, 2007 and for the six months ended June 30, 2007 and 2006.

Included herein as Exhibit 99.3 are the audited consolidated financial statements and financial statement schedule of the Partnership as of December 31, 2006 and 2005 and for each of the three years in the period ended December 31, 2006, as well as the unaudited consolidated financial statements of the Partnership as of June 30, 2007 and for the six months ended June 30, 2007 and 2006. These audited consolidated financial statements and financial statement schedule and unaudited consolidated financial statements give retroactive effect to the acquisition of East Texas, Discovery and the Swap. These audited consolidated financial statements become the Partnership's historical consolidated financial statements since financial statements covering the date of consummation of the acquisition were filed on November 9, 2007 on Form 10-Q. These audited consolidated financial statements and financial statement schedule replace Items 8 and 15 in the Partnership's 2006 Form 10-K filed on March 14, 2007. Also, included herein as Exhibit 99.1 is the Selected Financial Data, for which years 2006, 2005 and 2004 are derived from the audited consolidated financial statements, while the remaining periods are derived from the unaudited consolidated financial statements, and replaces Item 6 in the Partnership's 2006 Form 10-K filed on March 14, 2007. Included herein as Exhibit 99.2 is Management's Discussion and Analysis of Financial Condition and Results of Operations, which relates to the consolidated financial statements and unaudited consolidated financial statements, and replaces Item 7 in the Partnership's 2006 Form 10-K filed on March 14, 2007.
