PROSPECTUS SUPPLEMENT DATED MARCH 28, 2008

(To Prospectus dated July 13, 2007)

\$2,200,000,000

6.00% Convertible Senior Notes due 2015

This Prospectus Supplement No. 3 (Prospectus Supplement No. 3) supplements the prospectus dated July 13, 2007 (the Prospectus), and supersedes, in its entirety, Prospectus Supplement No. 2, dated December 20, 2007, relating to the resale by selling security holders of our 6.00% Convertible Senior Notes due 2015 and the common stock issuable upon conversion of the notes.

You should read this Prospectus Supplement No. 3 in conjunction with the Prospectus. This Prospectus Supplement No. 3 is not complete without, and may not be delivered or used except in conjunction with, the Prospectus, including any amendments or supplements to it. This Prospectus Supplement No. 3 is qualified by reference to the Prospectus, except to the extent that the information provided by this Prospectus Supplement No. 3 supersedes information contained in the Prospectus.

Investing in our common stock involves risk. See the section entitled Risk Factors beginning on page 8 of the Prospectus.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the accuracy or adequacy of this Prospectus Supplement No. 3 or the Prospectus. Any representation to the contrary is a criminal offence.

The date of this Prospectus Supplement No. 3 is March 28, 2008.

The section entitled "Selling Security Holders" in the Prospectus is superseded in its entirety with the following:

SELLING SECURITY HOLDERS

On April 27, 2007, we issued all of the notes to Morgan Stanley & Co. Incorporated, Lehman Brothers Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated. These initial purchasers then resold the notes to persons reasonably believed by the initial purchasers to be qualified institutional buyers in reliance on Rule 144A of the Securities Act. Based on representations made to us by the selling security holders, we believe that the selling security holders purchased the notes in the ordinary course of business and that at the time of the purchase of the notes, such selling security holders had no agreements or understandings, directly or indirectly with any person to distribute such securities. All of the notes were issued as "restricted securities" under the Securities Act. Selling security holders may from time to time offer and sell pursuant to this Prospectus Supplement No. 2 and the Prospectus any or all of the notes and shares of common stock issuable upon conversion of the notes.

The following table sets forth information, as of March 28, 2008, with respect to the selling security holders and the principal amounts of notes beneficially owned by each selling security holder that may be offered pursuant to this prospectus. The information is based on information provided by or on behalf of the selling security holders. The selling security holders may offer all, some or none of the notes or the common stock issuable upon conversion of the notes. The selling security holders identified below may have sold, transferred or otherwise disposed of all or a portion of their notes since the date on which they provided the information regarding their notes in transactions exempt from the registration requirements of the Securities Act. The number of shares of common stock owned prior to the offering includes shares of common stock issuable upon conversion of the notes. The percentage of common stock outstanding beneficially owned by each selling security holder is based on 606,190,311 shares of common stock outstanding on March 26, 2008. The number of shares of common stock issuable upon conversion of the notes offered hereby is based on a conversion price of \$28.08 per share and a cash payment in lieu of any fractional share.
