PROXY STATEMENT
FOR
MEETING OF STOCKHOLDERS
WEDNESDAY, JULY 23, 2008

INTRODUCTION

The annual meeting of stockholders (the Meeting) of PGT, Inc, a Delaware corporation (the Company) will be held on July 23, 2008, beginning at 12:00 p.m., local time, at the Roosevelt Hotel, Madison Avenue at 45th Street, New York, New York 10017. We encourage all of our stockholders to vote at the Meeting, and we hope that the information contained in this document will help you decide how you wish to vote at the Meeting.

The Board of Directors does not intend to bring any matter before the Meeting except as specifically indicated in the notice and does not know of anyone else who intends to do so. If any other matters properly come before the Meeting, however, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters. If the enclosed proxy is properly executed and returned to, and received by, the Company prior to voting at the Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. In the absence of instructions, the shares will be voted FOR Proposal One, the nominees of the Board of Directors in the election of the four directors whose terms of office will extend until the 2011 annual meeting of stockholders and until their respective successors are duly elected and qualified; FOR Proposal Two, to consider and approve the Replacement Option Agreements approved by the Board of Directors on March 6, 2008; FOR Proposal Three, the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the 2008 fiscal year. Any proxy may be revoked at any time before its exercise by notifying the Secretary of PGT in writing, by delivering a duly executed proxy bearing a later date, or by attending the Meeting and voting in person.

THE MEETING OF STOCKHOLDERS

Why did I receive these proxy materials?

We are furnishing this proxy statement in connection with the solicitation by the Company's Board of Directors of proxies to be voted at the Meeting and at any adjournment or postponement of the Meeting. At the Meeting, stockholders will act upon the following proposals:

To elect four directors nominated by the Board of Directors to serve until our 2011 meeting of stockholders and until their respective successors are duly elected and qualified,

To consider and approve the Replacement Option Agreements approved by the Board of Directors on March 6, 2008,

To ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the 2008 fiscal year, and

To act on any other matter that may properly come before the Meeting.

These proxy solicitation materials are being sent to our stockholders on or about June 11, 2008.

What do I need to attend the Meeting?

Edgar Filing: PGT, Inc. - Form PRE 14A

Attendance at the Meeting is limited to stockholders. Registration will begin at 11:00 a.m., and each stockholder will be asked to present a valid form of personal identification. Cameras, recording devices and other

Table of Contents

electronic devices will not be permitted at the Meeting. Additional rules of conduct regarding the Meeting will be provided at the Meeting.

Who is entitled to vote at the Meeting?

The Board of Directors has determined that those stockholders who are recorded in our record books as owning shares of PGT common stock as of the close of business on May 30, 2008, are entitled to receive notice of and to vote at the Meeting. As of the record date, there were shares of PGT common stock issued and outstanding. Your shares may be (1) held directly in your name as the stockholder of record and/or (2) held for you as the beneficial owner through a stockbroker, bank or other nominee. Our common stock is our only class of outstanding voting securities. Each share of common stock is entitled to one vote on each matter properly brought before the Meeting. There are no dissenters' rights of appraisal in connection with any stockholder vote to be taken at the Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most of our stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, LaSalle Bank, N.A., you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote your shares and are also invited to attend the Meeting. However, because you are not the stockholder of record, you may not vote these shares in person at the Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. Your broker, bank or nominee has enclosed or provided a voting instruction card for you to use in directing the broker or nominee how to vote your shares. If you do not provide the stockholder of record with voting instructions, your shares may constitute broker non-votes. The effect of broker non-votes is more specifically described in "What vote is required to approve each item?" below.

How can I vote my shares in person at the Meeting?

Shares of PGT common stock held directly in your name as the stockholder of record may be voted in person at the Meeting.

SHARES HELD BENEFICIALLY IN STREET NAME MAY BE VOTED IN PERSON BY YOU ONLY IF YOU OBTAIN A SIGNED PROXY FROM THE RECORD HOLDER GIVING YOU THE RIGHT TO VOTE THE SHARES.

EVEN IF YOU CURRENTLY PLAN TO ATTEND THE MEETING, WE RECOMMEND THAT YOU ALSO SUBMIT YOUR PROXY AS DESCRIBED BELOW SO THAT YOUR VOTE WILL BE COUNTED IF YOU LATER DECIDE NOT TO ATTEND THE MEETING.

Table of Contents

How can I vote my shares without attending the Meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct your vote without attending the Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker, bank or nominee.

Please refer to the summary instructions below and those included on your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee.

BY INTERNET OR TELEPHONE If you hold shares through a broker or other nominee in street name, you may be able to vote by the internet or telephone as permitted by your broker or nominee. The availability of internet and telephone voting for beneficial owners will depend on the voting process of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions you receive.

BY MAIL You may do this by marking, signing and dating your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee and mailing it in the accompanying enclosed, pre-addressed envelope. If you provide specific voting instructions, your shares will be voted as you instruct. If the pre-addressed envelope is missing, please mail your completed proxy card to Innisfree M&A Incorporated, 501 Madison Avenue, 20th Floor, New York, NY 10022.

If you cast your vote in any of the ways set forth above, your shares of PGT common stock will be voted in accordance with your voting instructions, unless you validly revoke your proxy. We do not currently anticipate that any other matters will be presented for action at the Meeting. If any other matters are properly presented for action, the persons named on your proxy will vote your shares of PGT common stock on these other matters in their discretion, under the discretionary authority you have granted to them in your proxy.

IF YOUR PROPERLY EXECUTED PROXY DOES NOT SPECIFY HOW YOUR SHARES ARE TO BE VOTED, YOUR SHARES OF PGT COMMON STOCK WILL BE VOTED *FOR* THE ELECTION OF EACH NOMINEE NAMED UNDER THE SECTION OF THIS DOCUMENT CAPTIONED ELECTION OF DIRECTORS, *FOR* APPROVAL OF THE REPLACEMENT OPTION AGREEMENTS APPROVED BY THE BOARD OF DIRECTORS ON MARCH 6, 2008, AND *FOR* THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG, LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE 2008 FISCAL YEAR, AND WILL BE COUNTED AS ABSTENTIONS WITH REGARD TO ANY STOCKHOLDER PROPOSAL. UNDER DELAWARE LAW, ABSTENTIONS HAVE THE SAME EFFECT AS A VOTE AGAINST THE PROPOSAL.

Can I change my vote after I submit my proxy?

Yes. Even after you have submitted your proxy, you may change your vote at any time prior to the close of voting at the Meeting by:

filing with our Secretary at 1070 Technology Drive, North Venice, Florida 34275 a signed, original written notice of revocation dated later than the proxy you submitted,

submitting a duly executed proxy bearing a later date,

voting by telephone or internet on a later date, or

attending the Meeting and voting in person.

In order to revoke your proxy, we must receive an original notice of revocation of your proxy at the address above sent by U.S. mail or overnight courier. You may not revoke your proxy by any other means. If you grant a proxy, you are not prevented from attending the Meeting and voting in person. However, your attendance at the Meeting will not by itself revoke a proxy that you have previously granted; you must vote in person at the Meeting to revoke your proxy.

Table of Contents

If your shares of PGT common stock are held in a stock brokerage account or by a bank or other nominee, you may revoke your proxy by following the instructions provided by your broker, bank or nominee.

All shares of PGT common stock that have been properly voted and not revoked will be voted at the Meeting.

Is there a list of stockholders entitled to vote at the Meeting?

A complete list of stockholders entitled to vote at the Meeting will be open for examination by PGT stockholders for any purpose germane to the Meeting, during regular business hours, for a period of ten days prior to the Meeting, at the Company's principal place of business and at the Meeting.

What constitutes a quorum to transact business at the Meeting?

Before any business may be transacted at the Meeting, a quorum must be present. The presence at the Meeting, in person or by proxy, of the holders of a majority of the shares of PGT common stock outstanding and entitled to vote on the record date will constitute a quorum. At the close of business on the record date, _____ shares of our common stock were issued and outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the Meeting for purposes of a quorum.

What is the recommendation of the Board of Directors?

Our Board of Directors recommends a vote FOR the election of our four nominees to the Board of Directors, FOR the approval of the Replacement Option Agreements approved by the Board of Directors on March 6, 2008, and FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the 2008 fiscal year.

Unless you give other instructions either via your proxy card or your electronic vote, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors.

With respect to any other matter that properly comes before the Meeting, the proxy holders will vote in accordance with their judgment on such matter.

What vote is required to approve each item?

Election of directors named in Proposal One are elected by a plurality of the votes present in person or represented by proxy and entitled to vote, and the director nominees who receive the greatest number of votes at the Meeting (up to the number of directors to be elected) will be elected. You may vote FOR or WITHHELD with respect to election of directors. Shares will be voted, if authority to do so is not withheld, for election of the Board of Directors' nominees named in Proposal One. Only votes FOR or WITHHELD are counted in determining whether a plurality has been cast in favor of a director. Broker non-votes, if any, will not affect the outcome of the vote on the election of directors.

The affirmative vote of at least a majority of our issued and outstanding common stock present, in person or by proxy, and entitled to vote at the Meeting will be required to both approve the Replacement Option Agreements approved by the Board of Directors on March 6, 2008 and ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the 2008 fiscal year.

The affirmative vote of at least a majority of our issued and outstanding common stock present, in person or by proxy, and entitled to vote at the Meeting will be required to approve any stockholder proposal. Under applicable Delaware law, in determining whether any stockholder proposal has received the requisite number of

Table of Contents

affirmative votes, abstentions and broker non-votes will be counted and will have the same effect as a vote against any stockholder proposal.

A broker non-vote occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. If you are a beneficial owner, your bank, broker or other holder of record is permitted to vote your shares on the election of directors even if the record holder does not receive voting instructions from you. Absent instructions from you, the record holder may not vote on any non-discretionary matter which includes any stockholder proposal. Without your voting instructions, a broker non-vote will occur. An abstention will occur at the Meeting if your shares of PGT common stock are deemed to be present at the Meeting, either because you attend the Meeting or because you have properly completed and returned a proxy, but you do not vote on any proposal or other matter which is required to be voted on by our stockholders at the Meeting. You should consult your broker if you have questions about this.

What does it mean if I receive more than one proxy or voting instruction card?

It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Where can I find the voting results of the Meeting?

We will announce preliminary voting results at the Meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of fiscal year 2008.

Who will count the votes?

A representative of LaSalle Bank, our transfer agent, will both tabulate the votes and serve as the inspector of election.

Who will pay for the cost of this proxy solicitation?

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. To assist us in soliciting proxies, we have retained Innisfree M&A Incorporated, a proxy solicitation firm, and we have agreed to pay Innisfree M&A Incorporated a fee of \$8,000, and all reasonable out-of-pocket expenses incurred by it in connection with the provision of its services. We will request banks, brokers, nominees, custodians and other fiduciaries, who hold shares of PGT common stock in street name, to forward these proxy solicitation materials to the beneficial owners of those shares, and we will reimburse them the reasonable out-of-pocket expenses they incur in doing so.

How can I access the Company's proxy materials and annual report electronically?

Table of Contents**PROPOSAL ONE****ELECTION OF DIRECTORS**

There are currently eleven members of our Board of Directors. Pursuant to the Company's Amended and Restated Certificate of Incorporation, the Board is classified, which means it is divided into three classes of directors based on the expiration of their terms. Under the classified board arrangement, directors are elected to terms that expire on the annual meeting date three years following the annual meeting at which they were elected, and the terms are staggered so that the terms of approximately one-third of the directors expire each year. At the Meeting, our stockholders will elect four directors to hold office until the 2011 annual meeting of stockholders and until their respective successors have been duly elected and qualified. Accordingly, this Proposal One seeks the election of four directors (Messrs. Daniel Agroskin, Richard D. Feintuch, Ramsey A. Frank, and Brent N. Milgrim as Class II directors) whose terms expire in 2008.

The Board of Directors has nominated Messrs. Agroskin, Feintuch, Frank and Milgrim to serve again as Class II directors until the 2011 annual meeting of stockholders and until their respective successors have been duly elected and qualified. Each nominee has consented to continue to serve as a director if elected at the Meeting. Should a nominee become unavailable to accept election as a director, the persons named in the enclosed proxy will vote the shares that such proxy represents for the election of such other person as the Board of Directors may nominate. We have no reason to believe that any of the nominees will be unable to serve.

**THE BOARD OF DIRECTORS RECOMMENDS VOTING FOR THE ELECTION OF
THE FOUR CLASS II DIRECTOR NOMINEES.**

Set forth below is certain information concerning each nominee for election as a director at the Meeting and each director whose current term of office will continue after the Meeting.

INFORMATION REGARDING THE BOARD AND ITS COMMITTEES

Board Purpose and Structure

The mission of the Board of Directors is to provide strategic guidance to the Company's management, to monitor the performance and ethical behavior of the Company's management, and to maximize the long-term financial return to the Company's stockholders, while considering and appropriately balancing the interests of other stakeholders and constituencies. The Board is constituted of eleven directors.

Director Independence

The Board of Directors applies standards in affirmatively determining whether a director is independent, in compliance with applicable SEC rules and the rules and listing standards of The NASDAQ Stock Market LLC (the NASDAQ). The Board of Directors, in applying the above-referenced standards, has affirmatively determined that Messrs. Feintuch, McHugh, Morgan and Sherman are independent directors. As part of the Board's process in making such determination, it also determined that each such director has no other material relationship with the Company that could interfere with his ability to exercise independent judgment.

In addition to Messrs. Feintuch, McHugh, Morgan and Sherman, our Board of Directors includes: one management director, Mr. Hershberger, who is the Company's President and CEO; five directors (Chairman Levy and Messrs. Agroskin, Castaldi, Frank and Milgrim) who are affiliated with JLL Partners, Inc.; and Mr. White.

As part of its annual evaluation of director independence, the Board examined (among other things) whether any transactions or relationships exist currently (or existed during the past three years), between each independent director and the Company, its subsidiaries, affiliates, equity investors, or independent auditors and the nature of those relationships under the relevant NASDAQ and SEC standards. The Board also examined whether there are (or have been within the past year) any transactions or relationships between each independent director and any executive officer of PGT or its affiliates. As a result of this evaluation, the Board has affirmatively determined that each independent director is independent under those criteria. Independent directors meet in regularly scheduled executive sessions outside the presence of other directors and management representatives. Interested parties, including stockholders, may communicate with the Chairman of the Board of Directors or the independent directors as a group through the process described in this Proxy Statement under the heading Corporate Governance Policy on Stockholder-Director Communications.

Table of Contents

Board Meetings and Attendance

In 2007, including both regularly scheduled and special meetings, our Board of Directors met a total of seven (7) times, and the Audit Committee met a total of seven (7) times. During 2007, six (6) of the meetings of the Board of Directors were attended by 100% of the Company's directors, and one (1) was attended by all but one director. Additionally, 100% of the members of the Audit Committee attended all of the meetings of the Audit Committee held during the period in which they served on such committee. As discussed below, the Compensation Committee was newly formed in 2007 and did not hold any scheduled or special meetings. Pursuant to the PGT, Inc. Policy on Director Attendance at Annual Meetings of Stockholders, which can be obtained without charge in the Investors section of our Company website at www.pgtindustries.com under the heading Corporate Governance, all directors are strongly encouraged to attend the annual meeting in person. Any director who is unable to attend an annual meeting of stockholders is expected to notify the Chairman of the Board in advance of such meeting. All members of the Company's Board of Directors, including each nominee for election as a director and each director whose then current term of office continued after the meeting, attended our 2007 annual meeting of stockholders held on May 23, 2007.

Controlled Company Exemption and Committees

As of the date hereof, we continue to be a Controlled Company for purposes of Rule 4350(c)(5) of the NASDAQ Marketplace Rules (the NASDAQ Rules) by virtue of the fact that our majority stockholder continues to hold approximately 52% of the voting power of our common stock. As a Controlled Company, we are exempt from the provisions of the NASDAQ Rules that require us to have a board of directors comprised of a majority of independent directors and to maintain compensation and nominating committees comprised solely of independent directors. Accordingly, the Board does not have a standing nominating committee. The Board has two standing committees: the Audit Committee and the Compensation Committee. The Board believes that in light of its current status as a Controlled Company and its adoption of the Policy on the Director Nomination Process, it has in place adequate processes to identify, evaluate, select and nominate qualified director candidates. If we cease to be a Controlled Company under the NASDAQ Rules, we will come into full compliance with all of the requirements thereof within the applicable transition periods provided by the NASDAQ Rules.

Audit Committee

The Audit Committee's purpose is to assist the Board of Directors in fulfilling its responsibilities with respect to the oversight of the accounting and financial reporting practices of PGT, including oversight of the integrity of our financial statements and compliance with legal and regulatory requirements, the qualifications and independence of our independent registered public accounting firm, and the performance of our internal audit function and our independent registered public accounting firm. The Audit Committee also is charged with preparation of an audit committee report, retention and termination of our independent registered public accounting firm, annual review of the report of our independent registered public accounting firm, and discussion with our independent registered public accounting firm of the audited and quarterly financial statements of PGT and any audit problems or difficulties and management's response thereto. The Audit Committee charter can be obtained without charge in the Investors section of our Company website at www.pgtindustries.com under the heading Corporate Governance.

The Audit Committee is comprised of three independent directors (as that term is defined by the NASDAQ listing standards and SEC regulations), Messrs. Feintuch, McHugh and Morgan. Mr. McHugh serves as the Chairman of the Audit Committee. The Audit Committee met seven times during 2007. During each meeting the Audit Committee met privately with the Company's independent registered public accounting firm. The Board of Directors has: (i) affirmatively determined that all Audit Committee members are financially literate and possess financial sophistication as defined by the NASDAQ listing standards; (ii) has designated Messrs. McHugh and Morgan, as audit committee financial experts under the SEC's guidelines; and (iii) determined that

Table of Contents

Messrs. Feintuch, McHugh and Morgan meet the independence standards of both the SEC rules and the NASDAQ Rules for Audit Committee members.

Compensation Committee

The Compensation Committee was established in 2007. The Compensation Committee determines the compensation of our executive officers, including our chief executive officer and chief financial officer. The Compensation Committee also reviews and reassesses the compensation paid to members of our board for their service on our board and board committees and recommends any changes in compensation to the full board for its approval. In addition, the Compensation Committee authorizes all stock option and other equity-based awards to employees and non-employee directors under our stock option and equity incentive plans. For information about our compensation program, the role of the Compensation Committee and the engagement of compensation consultants in setting executive compensation, see Compensation Discussion and Analysis. The compensation committee, having been newly formed in 2007, did not hold any scheduled or special meetings in 2007. The Compensation Committee charter can be obtained without charge in the Investors section of our Company website at www.pgtindustries.com in the section titled Corporate Governance.

The Compensation Committee is comprised of three directors, Messrs. Castaldi, Feintuch and Sherman, of whom Messrs. Feintuch and Sherman are independent directors (as that term is defined by the NASDAQ listing standards and SEC regulations). Mr. Castaldi serves as Chairman of the Committee.

Information on the Compensation of Directors

Non-management directors, other than those affiliated with JLL Partners, Inc., (currently Messrs. Feintuch, McHugh, Morgan, Sherman, and White) receive the following compensation: (a) an annual cash retainer of \$40,000; (b) a grant under the Company's 2006 Equity Incentive Plan of restricted shares of common stock with a value at the time of issuance of approximately \$40,000 per year for each year of service as a director; (c) a fee of \$1,000 per day for each meeting of the Board of Directors (or committee thereof) attended; (d) an annual cash retainer of \$5,000 for each committee on which they serve; and (e) reimbursement of reasonable travel expenses. We have not paid, and currently do not intend to pay, compensation to individuals serving on our Board who are employees or affiliates of the Company for their service as directors.

No Material Proceedings

There were no material proceedings to which any of our directors, executive officers or affiliates, or any owner of record or beneficially of more than five percent of our common stock (or their associates), is a party adverse to the Company or its subsidiary or has a material interest adverse to the Company or its subsidiary.

CORPORATE GOVERNANCE

We are committed to conducting our business in a way that reflects best practices, as well as the highest standards of legal and ethical conduct. We want to be a company of integrity and to be perceived as such by everyone who comes in contact with us. To that end, the Board of Directors has approved a comprehensive system of corporate governance documents. These documents meet or exceed the requirements established by the NASDAQ listing standards and by the SEC and are reviewed periodically and updated as necessary to reflect changes in regulatory requirements and evolving oversight practices. These policies embody the principles, policies, processes, and practices followed by the Board, executive officers and employees in governing the Company, and serve as a flexible framework for sound corporate governance.

Policy Regarding Processes for Identifying and Evaluating Director Nominees

The Board of Directors has also adopted a Policy Regarding Processes for Identifying and Evaluating Director Nominees that describes the process followed by the Board to identify, evaluate, select and nominate director candidates. A copy of the Policy on the Director Nomination Process is available without charge in the Investors' section of our Company website at www.pgtindustries.com under the heading Corporate Governance.

The Board of Directors believes that the minimum qualifications for serving as a director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and have a record and reputation for honest and ethical conduct in both his or her professional and personal activities. Nominees for director shall be those people who the Board believes, after taking into account, among other things, their skills, expertise, integrity, character, judgment, age, independence, corporate experience, length of service, conflicts of interest and commitments, including, among other things, service on the boards (or comparable governing bodies) of other public companies, private business companies, charities, civic bodies or similar organizations and other qualities, will enhance the Board's ability to manage and direct, in an effective manner, the affairs and business of the Company, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and satisfy any independence requirements imposed by law, regulation or NASDAQ listing requirements.

The Board will identify potential nominees by asking current directors and executive officers to notify the Board if they become aware of persons meeting the criterion described above or by engaging a firm or firms that specialize in identifying director candidates. The Board also will consider candidates recommended by stockholders as described above.

Notwithstanding the foregoing, so long as the Company continues to be a Controlled Company (within the meaning of NASDAQ Rule 4350(c)(5)), the Board will be guided by the recommendations of the Company's majority stockholder, in its nomination process.

Auditor Services Pre-Approval Policy

The charter of the Audit Committee, available on the Corporate Governance section of our web site, tasks the Audit Committee with the responsibility of appointing, compensating, retaining and overseeing the work of the Company's independent registered public accounting firm, and defines the principles and procedures followed by the Audit Committee in overseeing the annual audit, quarterly reviews, financial reporting process and internal controls.

The Audit Committee is responsible for pre-approving all audit services and permitted non-audit services (including the fees and retention terms) to be performed for us by Ernst & Young LLP prior to their engagement for such services. The Audit Committee has adopted a pre-approval policy pursuant to which the Audit Committee establishes detailed pre-approved categories of non-audit services that may be performed by Ernst & Young LLP during the fiscal year, subject to dollar limitations set by the Audit Committee. All of the fees paid to Ernst & Young LLP under the categories Audit-Related, Tax and All Other were pre-approved by the Audit Committee, and none of such fees were approved in reliance on the de minimis exception established by the Securities and Exchange Commission.

Table of Contents

In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee also has established procedures for the receipt, retention, and treatment of complaints regarding accounting, internal accounting controls, or auditing matters and for the confidential, anonymous submission by our employees of concerns regarding accounting or auditing matters.

PROPOSAL TWO

APPROVE THE REPLACEMENT OPTION AGREEMENTS

At the Meeting, stockholders will be asked to approve the Replacement Option Agreements that were approved by the Board of Directors on March 6, 2008. Pursuant to these agreements, the current option agreements (the Current Option Agreements) of certain designated employees of the Company (the Designated Employees), including, among others, Mr. Jeffrey T. Jackson, Executive Vice President and Chief Financial Officer, Mr. Mario Ferrucci III, Vice President, and General Counsel, Mr. C. Douglas Cross, Vice President Vinyl Product Stream, and Ms. Mary J. Kotler, Vice President Supply Chain, will be cancelled, terminated, and replaced by options under the Company's 2006 Equity Incentive Plan.

Background and Summary of Effects of Approval of the Proposal

The purpose of the 2006 Equity Incentive Plan is to provide an incentive to eligible persons to increase their efforts on behalf of the Company and its subsidiaries and to promote the Company's success. The Board of Directors of the Company determined that, as a result of economic conditions that have adversely affected the Company and the industry in which the Company competes, the options held by the Designated Employees had exercise prices that were significantly above the current market price of the Company's common stock and that the grants of replacement options would help the Company to retain and provide additional incentive to such Designated Employees and align their interests with those of the Company's stockholders.

Pursuant to the terms of the Replacement Option Agreement executed by each of the Designated Employees on March 6, 2008, the grant of replacement options is conditioned upon the approval of the Company's stockholders at a duly called annual or special meeting. If the grant of replacement options and the cancellation and termination of the Current Option Agreements fail to be approved by the Company's stockholders on or prior to September 30, 2008, the Replacement Option Agreements will automatically expire without further action of the parties and become null and void, and the Current Option Agreements will be reinstated and continue in full force and effect.

The replacement options have an exercise price of \$3.09 per share, which was the closing price on the NASDAQ Global Market of the Company's common stock on March 5, 2008, the day before the date on which the Board of Directors of the Company granted the replacement options and the Designated Employees executed the Replacement Option Agreements. The replacement options are exercisable with respect to one third of the shares (rounded to the nearest whole share) on each of the first, second, and third anniversaries of March 6, 2008. The replacement options expire on March 6, 2015.

At March 6, 2008, there were eight employees, including the officers identified above, who held a total of 317,374 options with exercise prices ranging from \$10.15 to \$14.00 per share for whom the Board of Directors approved the Replacement Option Agreements with an exercise price of \$3.09 per share. The following table presents summary information as of March 6, 2008 about the affected stock options held by officers and non-officer employees as a group of the Company that will be replaced if Proposal Two is approved by stockholders.

Table of Contents**Information About Current and Replacement Option Agreements**

Name	Number of Securities Underlying Current Option Agreements Exercisable	Number of Securities Underlying Current Option Agreements Unexercisable	Current Option Exercise Price	Number of Securities Underlying Replacement Option Agreements Unexercisable	Replacement Option Exercise Price

Mario Ferrucci III Vice President and General Counsel	12,138	24,276 17,570	14.00 12.77	53,984	3.09
Mary J. Kotler Vice President Supply Chain	6,945	9,723	12.77	16,668	3.09
C. Douglas Cross Vice President Vinyl Product Stream		9,423	12.77	9,423	3.09

	5,838	8,173	12.77		
	20,965	41,931	14.00		

Accounting Consequences

Under the Financial Accounting Standards Board Statement of Financial Accounting Standards No. 123R (SFAS 123R), the grant of replacement options with an aggregate fair value less than the aggregate fair value of the cancelled and terminated options will result in less compensation expense. For compensation purposes, the replacement options have a fair value of \$1.42 per option and replace options with fair values ranging from \$3.89 to \$5.07 per share. The fair value of the replacement options was calculated based on an expected holding period of five years, expected volatility of 49.9%, and risk-free interest rate of 2.6%.

U.S. Federal Income Tax Consequences

We believe that under current law the following Federal income tax consequences generally would arise with respect to the replacement options. The cancellation and termination of existing options for replacement options should be treated as a non-taxable exchange, so that no income should be recognized for U.S. federal income tax purposes by the Company or by any Designated Employee. Upon exercising a replacement option, the Designated Employee will generally recognize ordinary income, and the Company would normally claim a tax deduction equal to, the difference between the market price and exercise price of the Company's common stock on the date of exercise.

Reason for Soliciting Shareholder Approval

Under NASDAQ rules and the terms of the 2006 Equity Incentive Plan, each Replacement Option Agreement constitutes a repricing that requires stockholder approval.

Consequences if the Replacement Option Agreements are Not Approved by Stockholders

If the Replacement Option Agreements fail to be approved by the Company's stockholders on or prior to September 30, 2008, the Replacement Option Agreements will automatically expire without further action of the parties and become null and void, and the Current Option Agreements will be reinstated and continue in full force and effect.

PROPOSAL THREE

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC

ACCOUNTING FIRM

The Audit Committee appointed Ernst & Young LLP, independent registered public accounting firm, to audit the consolidated financial statements of the Company for the fiscal year ending January 3, 2009. As a matter of good corporate governance, the Company's stockholders will be requested to ratify the Audit Committee's selection at the Meeting. Ernst & Young LLP has audited the Company's consolidated financial statements since 2001.

Although there is no requirement that Ernst & Young LLP's appointment be terminated if the ratification fails, the Audit Committee will consider the appointment of other independent registered public accounting firms if the stockholders choose not to ratify the appointment of Ernst & Young LLP. The Audit Committee may terminate the appointment of Ernst & Young LLP as our independent registered public accounting firm without the approval of the stockholders whenever the Audit Committee deems such termination appropriate.

Amounts paid by us to Ernst & Young LLP for audit and non-audit services rendered in 2007 and 2006 are disclosed on page .

Representatives of Ernst & Young LLP are expected to be present at the Meeting, will be afforded the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions.

The Company has been advised by Ernst & Young LLP that neither the firm, nor any member of the firm, has any financial interest, direct or indirect, in any capacity in the Company or its subsidiaries.

The Audit Committee negotiates the annual audit fee directly with the Company's independent auditors. The Audit Committee also establishes pre-approved limits for which the Company's management may engage the Company's independent auditors for specific services. Any work which exceeds these pre-approved limits in a quarter requires the advance approval of the Audit Committee. Each quarter, the Audit Committee reviews and approves all work done by the independent auditors during the previous quarter and establishes any pre-approved limits for the current quarter. All fees for fiscal 2007 were pre-approved by the Audit Committee.

THE BOARD OF DIRECTORS RECOMMENDS VOTING FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth information regarding the beneficial ownership of our common stock as of May 1, 2008, unless otherwise noted, for (a) each person who is known by us to own beneficially more than 5% of the outstanding shares of our common stock, (b) each of our incumbent directors named in Proposal One Election of Directors above, (c) each of our named executive officers named in the Summary Compensation Table below, and (d) all of our incumbent directors and executive officers as a group.

The percentages of shares outstanding provided in the table below are based on 27,777,512 voting shares outstanding as of May 1, 2008. Beneficial ownership is determined in accordance with SEC rules and generally includes voting or investment power with respect to securities. Unless otherwise indicated, each person or entity named in the table has sole voting and investment power, or shares voting and investment power with his or her spouse, with respect to all shares of stock listed as owned by that person. The number of shares shown does not include the interest of certain persons in shares held by family members in their own right. Executive officers, directors, and beneficial owners of greater than 10% of our outstanding securities are required by SEC regulations to provide us with copies of all Section 16(a) forms that they file. EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy and Objectives

PGT believes that the quality, skills and dedication of its named executive officers whose compensation is individually reported in this proxy statement are critical factors affecting the long-term stockholder value of PGT. We believe also that successful compensation programs for executive officers and other key employees, including the named executive officers, must further three primary objectives:

ensuring that compensation is aligned with the enhancement of stockholder value;

attracting and retaining quality personnel by providing rewards, including competitive salaries and benefits, for exemplary company and individual performance; and

providing incentives for future performance.

All compensation policies and decisions are designed to reward employees, including the named executive officers, who demonstrate the capacity to make a significant contribution to our financial and competitive performance, thereby furthering the first primary objective referred to above. Key factors to increase or decrease compensation include:

the nature, scope and level of the individual's responsibilities;

PGT's overall performance and profitability, which we primarily measure by net sales, EBITDA, earnings per share and return on operating investment and over the long-term through stock price increases and total return to stockholders; and

the employee's performance compared to the goals and objectives (which, in the case of the named executive officers, primarily relate to their effectiveness in leading our initiatives to increase sales, productivity, cash flow, income and revenue growth and the value we provide to our stockholders, customers, employees and suppliers).

Compensation to our named executive officers is intended to be competitive with that of similar companies with comparable sales. As part of our assessment, PGT, like other companies, looks to the compensation paid to individuals with similar responsibilities at peer companies. Because peer selection is somewhat difficult due to the lack of publicly-traded companies with which we compete and the lack of available data for privately-held competitors, we focus primarily on compensation levels within our relevant labor market to ensure that PGT's compensation arrangements are in line with companies of its size, attract and retain executive talent and align each executive's interests with those of the stockholders.

Based on our assessment of, among other things, general industry survey data of companies of similar size, we believe our total direct annual compensation to senior management (including our named executive officers), including total cash compensation and the annualized expected value of long-term incentive awards is generally at or below the level of total direct compensation for our peer group.

Roles and Responsibilities

The Compensation Committee of the Board of Directors and management (based on information, including, but not limited to, research provided by an independent compensation consultant retained by the Company in 2006) collaborate in the development, evaluation, and approval of our executive compensation programs. In general, the roles are discussed below; additional details regarding the roles of each are discussed throughout this Compensation Discussion and Analysis section.

Compensation Committee. As discussed above under Information Regarding the Board and its Committees Controlled Company Exemption and Committees on page , the Compensation

Table of Contents

Committee was newly formed in 2007. As such, until the Compensation Committee was formed, the Board maintained direct authority and responsibility for the review, evaluation and approval of the compensation structure and level for all of our executive officers. The Board, based on a recommendation of the Compensation Committee, conducts an annual review and approval of the Chief Executive Officer's annual compensation, including an evaluation of his performance, corporate goals and objectives relevant to his compensation based on, among other things, contractual obligations, the Company's performance, the value of similar awards to chief executive officers of comparable companies, and the awards given to the Chief Executive Officer in past years.

Management. Our senior leadership team (which includes representation from each of the Company's major functional areas) sets our strategic business and operational objectives and strives to design and develop compensation programs that motivate executives behaviors consistent with such objectives. In collaboration with the Compensation Committee of the Board of Directors and considering information provided by the compensation consultant, our Chief Executive Officer, Chief Financial Officer and Vice President Human Resources coordinate the annual review of the compensation programs for the executive officers. Such review includes an evaluation of individual and company performance, competitive practices and trends, and various compensation issues. Based on the outcomes of this review, management makes recommendations to the Compensation Committee of the Board of Directors regarding the compensation of each of the executive officers, other than the Chief Executive Officer.

Compensation Consultant. In 2006, the Company retained the services of Towers Perrin, a compensation consultant, to assist with compensation matters. The role of the consultant was to advise management and the Board of Directors in the executive compensation design process, provide independent compensation data and analysis to facilitate the annual review of the programs, and advise the Board of Directors in their oversight role. The compensation consultant attended meetings with our Board of Directors and management as needed. Specifically, Towers Perrin analyzed PGT's then-current incentive compensation arrangements for PGT's management team, including each of the named executive officers; and utilized an appropriate group of peer companies to use in recommending an appropriate structure for incentive compensation, including a long-term incentive plan through which the interests of management are directly aligned with those of our stockholders and consistent with PGT's status as a publicly-traded company.

Elements of Executive Compensation in 2007

We believe executive compensation should include the following four components:

Annual Base Salary. Our objectives are to target annual base salary at the median level and to make it competitive, when taken in conjunction with the other compensatory elements, to attract and retain executives.

Annual Cash Incentive Opportunity. PGT uses annual cash bonuses to reward certain employees, including each of the named executive officers, for the achievement of annual company and individual performance objectives.

Long-Term Equity-Based Incentives. PGT utilizes long term equity-based incentives, principally grants of restricted stock and stock options, to foster a focus on the long-term best interests of PGT and its stockholders, thereby aligning the interests of the executives with those of the stockholders.

Executive Benefit and Perquisites. The Company provides modest benefits and perquisites to executive officers. As the Company seeks to maintain an egalitarian culture in its facilities and operations our executive compensation program remains relatively free of executive benefits and perquisites. Such benefits and perquisites which do exist, however, are described below.

Table of Contents

Annual Base Salary

Our Board of Directors separately considers the salary and bonus of the chief executive officer. In determining his annual compensation, our Board of Directors considers the highly competitive industry in which we operate and the unique experience he brings to the position as well as his contributions to our long-term performance.

For our other named executive officers, our chief executive officer provides our Board of Directors with recommendations regarding compensation. Our Board of Directors reviews such recommendations and approves annual compensation for named executive officers, consisting of base salary and target bonus (discussed below), on an annual basis. Our Board of Directors may request additional information and analysis and ultimately determines in its discretion, based on its own analysis and judgment and the recommendations of the chief executive officer, whether to approve any recommended changes in compensation.

Our goal is to pay each named executive officer a base salary sufficient to remain competitive in the market. Our base salaries are less performance based than our annual cash bonuses and long term equity-based incentives. See the Summary Compensation Table for Fiscal years 2006 and 2007 for a listing of our named executive officers. Mr. Hershberger's base salary was \$325,000 per year; which was not increased from the prior year. Mr. Jackson's base salary was increased by \$13,000 effective on April 1, 2007 to \$273,000 per year. Mr. Ferrucci's base salary was increased \$10,000 effective on April 16, 2007 to \$205,000 per year. Mr. Moore's base salary was increased \$11,000 effective on April 1, 2007 to \$286,000 per year. Mr. Moore's employment with the Company terminated on December 31, 2007. Ms. Kotler's base salary was \$185,000 per year, which was not increased from the prior year. These salary increases were largely reflective of the Board of Directors' perception of individual performance, competitiveness of salary in the marketplace and inflation adjustments. Base salary paid to the named executive officers in 2007 constituted approximately the following percentages of their total compensation as set forth in the Summary Compensation Table: Mr. Hershberger: 98.2%; Mr. Jackson: 54.9%; Mr. Ferrucci: 43.7%; Mr. Moore: 24.7% and Ms. Kotler: 53.8%.

Annual Cash Incentive Opportunity

In order to provide incentives for future annual performance, we believe that a substantial portion of each named executive officer's compensation should be in the form of a bonus, the amount of which is based upon both individual and company performance. Accordingly, our policy is to allocate an amount equal to a target range of 30% to 50% of a named executive officer's annual base salary to performance based cash bonus awards.

Our Board of Directors established annual cash bonus targets as a percentage of salary under the 2007 Annual Incentive Plan (AIP) for each named executive officer. As a percentage of base salary, these targets were 50% for Mr. Hershberger, 45% for Messrs. Jackson and Moore, 30% for Mr. Ferrucci and 30% for Ms. Kotler, respectively. The 2007 AIP was based on an opportunity of which:

40% based on net sales,

40% based on earnings per share, and

20% based on return on operating investment.

If PGT achieves less than 100% of its target for net sales, earnings per share, or return on operating investment, the corresponding percentage of the opportunity based on such respective measurement will be reduced accordingly. Conversely, if PGT achieves greater than 100% of its target for net sales, earnings per share, or return on operating investment, the corresponding percentage of the opportunity based on such respective measurement will be increased, to a maximum of 200%. Specific targets, for each of the above, are set so they can only be achieved through performance that exceeds that which is generally expected in the current economic and industrial environment. As such, company-wide performance at these targeted levels, which is required for an executive officer to obtain his/her target annual cash bonus, is challenging.

Table of Contents

Our Board of Directors, in its sole discretion, administered the 2007 AIP and had the right to modify the awards and the terms of such plan, and based on achievement of individual objectives or performance, among other things, determines final awards. There were no payments of cash bonuses to participants in the 2007 Annual Incentive Plan, or 2007 AIP, including each of the named executive officers.

On March 13, 2008, our Board of Directors approved the details of the 2008 AIP. The 2008 AIP established annual cash bonus targets as a percentage of salary for each named executive officer. As a percentage of base salary, these targets were 70% for Mr. Hershberger, 60% for Mr. Jackson, 40% for Mr. Ferrucci and 40% for Ms. Kotler, respectively. The 2008 AIP was based on an opportunity of which:

20% based on net sales,

35% based on EBITDA,

20% based on return on operating investment, and

25% is based on discretionary factors.

If PGT achieves less than 100% of its target for net sales, EBITDA, or return on operating investment, the corresponding percentage of the opportunity based on such respective measurement will be reduced accordingly. Conversely, if PGT achieves greater than 100% of its target for net sales, EBITDA, or return on operating investment, the corresponding percentage of the opportunity based on such respective measurement will be increased, to a maximum of 175%. Specific targets, for each of the above, are set so they can only be achieved through performance that exceeds that which is generally expected in the current economic and industrial environment. As such, company-wide performance at these targeted levels, which is required for an executive officer to obtain his/her target annual cash bonus, is challenging.

Long-Term Equity-Based Incentives

We believe the best way to align the interests of the named executive officers and our stockholders are for such officers to own a meaningful amount of our common stock. In order to reach this objective and to retain our executives, we grant equity-based awards to named executive officers under the long term incentive portion of our 2006 Equity Incentive Plan.

Long-term incentive compensation, rather than reflecting a single year's results, is intended to reward performance over the long term. Our practice is to structure this long-term incentive compensation in the form of options and restricted stock granted under the Company's Long-Term Incentive Plan, or LTIP. All outstanding options have an exercise price equal to the fair market value of the common stock on the date of grant. Options granted to officers and employees have been granted on, or shortly after, the date that PGT's Board of Directors authorized the grant of the option.

In 2007, stock options and restricted stock granted pursuant to the Company's LTIP were authorized by our Board of Directors and granted three market days after the Company released its fiscal year earnings. From time to time, options and restricted stock have been granted to officers on the respective dates of commencement of their employment with the Company, and restricted stock has been granted to non-management directors, other than those affiliated with JLL Partners, Inc., in connection with commencement of service on the Board.

Restricted stock and options create a strong link between executive compensation and stockholder return and contribute to the ability of our executives to develop a meaningful ownership interest in PGT. In order to allow executive officers to benefit from increases in common stock values and thus provide such officers a continuing incentive to achieve results beneficial to the stockholders, we generally award restricted stock and options on an annual basis on terms providing for vesting over a period of time. In comparison with stock option awards, restricted stock awards are less dilutive and still closely align the interests of the named executive officers with those of our stockholders.

Table of Contents

The Board of Directors of the Company determined that, as a result of economic conditions that have adversely affected the Company and the industry in which the Company competes, the options held by certain designated employees had exercise prices that were significantly above the current market price of the Company's common stock and that the grants of replacement options would help the Company retain and provide additional incentive to such designated employees and align their interests with those of the Company's stockholders.

Therefore, on March 6, 2008, the Board of Directors approved, subject to the approval of the Company's stockholders, the cancellation and termination of the then-current option agreements of certain designated employees of the Company, including Messrs. Jackson and Ferrucci and Ms. Kotler, and the grant of replacement options under the Company's 2006 Equity Incentive Plan.

Pursuant to the terms of the Replacement Option Agreement executed on March 6, 2008 by each of the designated employees, the grant of replacement options is conditioned upon the approval of the Company's stockholders at a duly called annual or special meeting. If the grant of replacement options and the cancellation and termination of the then-current option agreements fail to be approved by the Company's stockholders on or prior to September 30, 2008, the Replacement Option Agreements will automatically expire without further action of the parties and become null and void, and the then-current option agreements will be reinstated and continue in full force and effect.

The replacement options have an exercise price of \$3.09 per share, which was the closing price on the NASDAQ Global Market of the Company's common stock on March 5, 2008, the day before the date on which the Board of Directors of the Company granted the replacement options and the designated employees executed the Replacement Option Agreements. The replacement options are exercisable with respect to one third of the shares (rounded to the nearest whole share) on each of the first, second, and third anniversaries of March 6, 2008. The replacement options expire on March 6, 2015.

Mr. Jackson was granted an option to purchase an aggregate of 152,675 shares of the Company's common stock at an exercise price of \$3.09 per share. In connection therewith, Mr. Jackson's option to purchase 115,863 shares of the Company's common stock at an exercise price of \$12.84 per share and his option to purchase 36,812 shares of the Company's common stock at an exercise price of \$12.77 per share were cancelled and terminated, subject to approval of the Company's stockholders.

Mr. Ferrucci was granted an option to purchase an aggregate of 53,984 shares of the Company's common stock at an exercise price of \$3.09 per share. In connection therewith, Mr. Ferrucci's option to purchase 36,414 shares of the Company's common stock at an exercise price of \$14.00 per share and his option to purchase 17,570 shares of the Company's common stock at an exercise price of \$12.77 per share were cancelled and terminated, subject to approval of the Company's stockholders.

Ms. Kotler was granted an option to purchase an aggregate of 16,668 shares of the Company's common stock at an exercise price of \$3.09 per share. In connection therewith, Ms. Kotler's option to purchase 16,668 shares of the Company's common stock at an exercise price of \$12.77 per share were cancelled and terminated, subject to approval of the Company's stockholders.

Mr. Moore's option to purchase 27,277 shares of the Company's common stock at \$12.84 per share was not replaced.

Executive Benefits and Perquisites

Our executive compensation program remains relatively free of fringe benefits and perquisites. Generally, benefits and perquisites available to executive officers are available to all employees on similar terms.

Table of Contents

The Company does not provide its executive officers separate dining or other facilities, company cars, club dues, or other similar perquisites. Company-provided air travel for executive officers is for business purposes only. The Company's use of non-commercial aircraft on a rental basis is limited to appropriate business-only travel. The Company's health care, insurance, 401(k) plan, and other welfare and employee-benefit programs are the same for all eligible employees, including the named executive officers. In certain situations, we provide our named executive officers with expense reimbursement relating to relocation. Additionally, the Company does, within certain limits, provide product free of charge to executive officers for installation in their respective primary residences. The Company does not, however, pay for the cost of installing such product.

We provide the above-described executive benefits and perquisites in order to attract and retain our named executive officers by offering compensation opportunities that are competitive with those offered by similarly situated public companies. However, such executive benefits and perquisites represent a relatively small portion of their total compensation. The value of benefits and perquisites provided are presented in the All Other Compensation column (and described in the related footnotes) of the Summary Compensation Table for Fiscal Years 2006 and 2007.

Other Compensation

Retirement/Post-Employment Benefits. The Company does not provide any retirement programs, pension benefits or deferred compensation plans to its named executive officers other than its 401(k) plan, which is available to all employees.

Equity Grant Practices. The Board's plan is to grant annual equity awards to certain eligible employees, including the named executive officers, following the release of earnings in February of each year to ensure that the most current information regarding the Company's financial position is properly reflected in the fair market value for all such equity grants. We do not engage in the practice of timing equity grants prior to the release of material non-public information. We determine that the fair market value of equity grants as the closing price of the Company's common stock on the date immediately preceding the grant date.

Employment Agreements

We have entered into employment agreements with each of our named executive officers. Each of these agreements has a term of three years, with automatic one-year renewals commencing on the first anniversary of the effective date of the employment agreement. In addition to providing for an annual base salary and employee benefits, these agreements provide, among other things, that the executive is eligible for an annual performance bonus, as determined by the President of the Company and the Board of Directors, in their discretion. The executive must be employed at the time such bonus is awarded and paid by the Company.

Under each of these employment agreements, in the event that (a) the executive's employment is terminated by us without cause (as defined in the employment agreement) or (b) the executive terminates his/her employment because of (i) a material adverse diminution of his/her duties or responsibilities to which he/she has not agreed in writing, (ii) the assignment of the executive to a location outside of a fifty (50) mile radius from the Company's current headquarters, or (iii) conduct on the part of the Company amounting to fraud against the executive; in addition to the benefits otherwise due to the executive and as otherwise required by law, the executive is entitled to continuation of his/her base salary for twelve months after the date of termination. Should the executive terminate his/her employment other than for the reasons set forth above in clause (b), the Company will continue to pay such executive's salary for the shorter of thirty days or the notice period provided by the

Table of Contents

executive with respect to his/her termination. In addition, under this employment agreement, in the event that the executive's employment is terminated by his or her death or disability (as defined in the employment agreement), in addition to the benefits otherwise due to him or her, the Company will pay to the executive (or, in the case of death, to his or her designated beneficiary) his/her base salary for a period of six months.

During the executive's employment with us and at all times thereafter, he/she may not disclose confidential information. During the executive's employment with us and for two years thereafter, unless the employment agreement is terminated by us without cause or by him/her for the reasons set forth in the paragraph above in clause (b), in which case the period will be the duration of the executive's employment with us and for one year thereafter (except in the case of Mr. Hershberger, for whom the period is two years thereafter), the executive may not directly or indirectly compete with the Company. In addition, the executive may not solicit any employees or agents of the Company or any suppliers or contractors of the Company to terminate or adversely change their relationships with us.

The following table summarizes the value of the termination payments and benefits that our named executive officers would receive if they had terminated employment on December 29, 2007 under the circumstances shown. The amounts shown in the table exclude distributions under our 401(k) retirement plan and any additional benefits that are generally available to all of our salaried employees.

Change in Control Arrangements

As previously discussed under "Executive Compensation-Employment Agreements" on page , we have entered into employment agreements with each of our named executive officers which could trigger payments to one or more of the executive officers named in the Summary Compensation Table in connection with, among other things, a change in control, but only if such executive officer were terminated without cause or terminates his or her employment for good reason.

DIRECTOR COMPENSATION

As previously discussed under "Information Regarding the Board and its Committees-Information on the Compensation of Directors," in connection with the Company's initial public offering of its common stock, on June 2, 2006, our Board of Directors approved, for all non-management directors, other than those affiliated with JLL Partners, Inc., (currently Messrs. Feintuch, McHugh, Morgan, Sherman, and White) the following compensation: (i) an annual cash retainer of \$40,000; (ii) a grant under the Company's 2006 Equity Incentive Plan of restricted shares of common stock with a value at the time of issuance of approximately \$40,000 per year for each year of service as a director; (iii) a fee of \$1,000 per day for each meeting of the Board of Directors (or committee thereof) attended; (iv) an annual cash retainer of \$5,000 for each committee on which they serve; and (v) reimbursement of reasonable travel expenses. Mr. Hershberger, and directors who are affiliated with JLL Partners, Inc., (currently Messrs. Levy, Castaldi, Frank, Milgrim and Agroskin) receive no compensation for serving as a director of PGT nor for serving on any committees of our Board of Directors. They are, however, reimbursed for their reasonable travel expenses.

IMPACT OF TAX TREATMENTS ON COMPENSATION

Section 162(m) of the Internal Revenue Code limits the tax deduction for public companies to \$1 million for compensation paid to a company's chief executive officer or any of the four other most highly compensated executive officers. Qualifying performance-based compensation is not subject to the deduction limit if Internal Revenue Code requirements are met. We believe that stock options granted under our long-term incentive plans would qualify as performance-based compensation. While such stock options vest over a specified period of time contingent upon the option holder's continued employment with the Company, such stock options only have value if the Company's performance results in a stock price higher than the price on the date of grant. In addition, we believe that annual cash bonus awards would qualify as performance-based compensation. In contrast, restricted stock awards, do not qualify as performance-based compensation because they have immediate value (at a minimum, once the restrictions are released) irrespective of the Company's performance.

While we seek to take advantage of favorable tax treatment for executive compensation where appropriate, the primary drivers for determining the amount and form of executive compensation must be the retention and motivation of superior executive talent rather than tax-based considerations.

Table of Contents

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

In 2007, the full Board of Directors of PGT determined and oversaw executive and director compensation for the Company as the Compensation committee of the Board of Directors was newly formed in 2007. Other than Rodney Hershberger, who is the Chief Executive Officer and President of the Company, and Randy L. White, who was President of the Company until February 2005, none of the members of the Board of Directors were officers or employees of PGT, Inc. or any of its subsidiaries during the last fiscal year, or at any other time, or had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K. None of the members of the Board of Directors were executive officers of another entity on whose compensation committee or Board of Directors an executive officer of the Company served.

REVIEW AND APPROVAL OF TRANSACTIONS WITH RELATED PARTIES

All related party transactions are reviewed and, as appropriate, may be approved or ratified by the Board of Directors. If a Director is involved in the transaction, he may not participate in any review, approval or ratification of such transaction. Related party transactions are approved by the Board of Directors only if, based on all of the facts and circumstances, they are in, or not inconsistent with, the best interests of the Company and the best interests of our stockholders, as the Board of Directors determines in good faith. The Board of Directors takes into account, among other factors it deems appropriate, whether the transaction is on terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction. The Board of Directors may also impose such conditions as it deems necessary and appropriate on the Company or the related party in connection with the transaction.

In the case of a transaction presented to the Board of Directors for ratification, the Board of Directors may ratify the transaction or determine whether rescission of the transaction is appropriate.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since December 31, 2006 (the first day of the Company's 2007 fiscal year), there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or are to be a party in which the amount involved exceeds \$120,000 and in which any director, executive officer or holder of more than 5% of our common stock, or an immediate family member of any of the foregoing, had or will have a direct or indirect interest other than compensation arrangements, which are described above.

AUDIT COMMITTEE REPORT*

The Board of Directors has ultimate authority and responsibility for effective corporate governance, including the role of oversight of the management of PGT. The Audit Committee's purpose is to assist the Board of Directors in fulfilling its responsibilities to the Company and its stockholders by overseeing the accounting and financial reporting processes of PGT, the audits of PGT's consolidated financial statements, the qualifications, selection, and performance of the Company's independent registered public accounting firm. The Audit Committee operates under a written charter adopted by the Board of Directors on June 2, 2006, available without charge in the Investors' section of our Company website at www.pgtindustries.com under the heading Corporate Governance.

* The Audit Committee Report does not constitute soliciting material, and shall not be deemed to be filed or incorporated by reference into any other filing of PGT under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that PGT specifically incorporates the Audit Committee Report by reference therein.

Table of Contents

The Board of Directors has determined that Messrs. McHugh and Feintuch are independent. Both of these members of the committee also satisfy the definition of independence for audit committee members contained in the NASDAQ Rules, as well as the SEC's additional independence requirement for audit committee members. In addition, the Board of Directors has determined that each of Messrs. McHugh and Morgan is an audit committee financial expert as defined by SEC rules.

The Audit Committee members do not act as accountants or auditors for the Company. The Audit Committee relies on the expertise and knowledge of management and the independent auditor in carrying out its oversight responsibilities. Management has the primary responsibility for establishing and maintaining effective systems of internal and disclosure controls (including internal control over financial reporting), for preparing financial statements, and for the public reporting process. Ernst & Young LLP, PGT's independent auditor for 2007, is responsible for expressing opinions on the conformity of the company's audited financial statements with generally accepted accounting principles.

With respect to the fiscal year ended December 29, 2007, the Audit Committee, among other things: oversaw the integrity of the Company's financial statements and financial reporting processes, oversaw compliance with legal and regulatory requirements, reviewed the external auditors' qualifications and independence (including auditor rotation), and evaluated the external auditors' performance.

The Audit Committee has reviewed and discussed with management and Ernst & Young LLP the audited consolidated financial statements for the year ended December 29, 2007. The committee also discussed with Ernst & Young LLP all matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from Ernst & Young LLP the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee has had discussions with Ernst & Young LLP regarding its independence from the Company and its management.

Based on the reviews and discussions described above, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, inclusion of the audited consolidated financial statements for the fiscal year ended December 29, 2007 in our Annual Report on Form 10-K for 2007 for filing with the SEC. The Audit Committee and the Board of Directors have selected Ernst & Young LLP as the company's independent accountant for 2008.
