Dear Fellow CF Industries Stockholders:

The enclosed proxy statement and accompanying **GREEN** proxy card are being furnished to stockholders of CF Industries Holdings, Inc., a Delaware corporation (**CF**), by Agrium Inc., a corporation governed by the Canada Business Corporations Act (**Agrium**), and North Acquisition Co., a Delaware corporation, and a wholly-owned subsidiary of Agrium (**North**) (Agrium and North collectively referred to as, **Agrium**, **we** , **our** or **us**) in connection with the solicitation of proxies from you, the stockholders of CF (the **Stockholders**), in connection with the 2009 Annual Meeting of Stockholders of CF, including any and all adjournments, postponements, continuations or reschedulings thereof, or any other meeting of stockholders held in lieu thereof (the **Annual Meeting**), to withhold votes for the election of three members of CF's board of directors to hold office until the 2012 Annual Meeting of Stockholders of CF or until their respective successors are duly elected and qualified. We intend to vote such proxies at the Annual Meeting scheduled to be held on Tuesday, April 21, 2009, commencing at 10:00 a.m., local time, at the Hyatt Deerfield, 1750 Lake Cook Road, Deerfield, Illinois 60015, in order to **WITHHOLD** votes for three members of CF's board of directors standing for re-election at the Annual Meeting.

On March 27, 2009, we announced an increase to the cash component of our February 25, 2009 cash-and-stock offer to acquire 100% of the outstanding capital stock of CF from \$31.70 per share to \$35.00 per share, an increase of \$3.30, or 10.4%. Under the terms of the increased offer, Stockholders would receive \$35.00 in cash and 1.0 Agrium common share for each CF share. Alternatively, Stockholders have the option to elect for each CF share either 1.8685 Agrium common shares or \$75.30 in cash, in each case, subject to proration. In the aggregate, not more than 46% of the shares tendered will be exchanged for cash and not more than 54% of the shares tendered will be exchanged for Agrium common shares. The aggregate cash consideration to be paid by Agrium will not exceed approximately \$1.8 billion, and the aggregate stock consideration to be paid by Agrium will not exceed approximately 50.2 million Agrium common shares.

We believe that a combination of Agrium and CF would create significant value for both Stockholders and Agrium shareholders. CF's refusal to engage in discussions with Agrium left us with no choice but to take our offer directly to you, to give you a direct voice with respect to our proposed business combination with CF. We believe that CF's restructuring of its offer for Terra Industries Inc. (**Terra**) to circumvent a vote by you highlights CF's belief that CF would lose a Stockholder vote on a CF/Terra combination and demonstrates a disregard for your rights as a Stockholder. Agrium is asking that you **WITHHOLD** your vote for the election of the three nominees to the CF board of directors at the Annual Meeting. The average withhold vote percentage at S&P 500 companies is slightly less than 5%. We believe that a withhold vote percentage significantly in excess of this number for CF's nominees will demonstrate that Stockholders support our proposal and will send a strong message to CF's board and management to listen to the will of their Stockholders and engage in discussions with us. We are committed to this compelling combination and urge Stockholders to send a message to the CF board by withholding their votes.

WE ARE NOT ASKING YOU TO VOTE ON OR APPROVE OUR PROPOSAL FOR A BUSINESS COMBINATION WITH CF AT THIS TIME. HOWEVER, WITHHOLDING YOUR VOTE FOR ALL OF THE CF DIRECTOR NOMINEES WILL SEND A CLEAR MESSAGE TO THE BOARD THAT IT SHOULD GIVE PROPER CONSIDERATION TO OUR PROPOSAL.

You may have received, or will be receiving, a proxy solicitation from CF. For all of the reasons discussed in the materials included with this letter or as otherwise provided pursuant to Regulation 14A of the U.S. Securities Exchange Act of 1934, as amended, Agrium strongly urges you to **WITHHOLD** your vote for the election of directors to CF's board of directors by signing and returning the enclosed **GREEN** proxy card in the postage-paid envelope provided.

DO NOT RETURN ANY **WHITE** PROXY CARD YOU MAY RECEIVE FROM CF OR OTHERWISE AUTHORIZE A PROXY TO VOTE YOUR SHARES FOR CF'S NOMINEES. IF YOU HAVE ALREADY RETURNED A **WHITE** PROXY CARD TO CF OR OTHERWISE AUTHORIZED A PROXY TO VOTE YOUR SHARES FOR CF'S NOMINEES, IT IS NOT TOO LATE TO CHANGE YOUR VOTE. TO REVOKE YOUR PRIOR PROXY AND CHANGE YOUR VOTE, SIMPLY SIGN AND RETURN THE ENCLOSED **GREEN** PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED. ONLY YOUR LATEST DATED PROXY WILL BE COUNTED.

If you have any questions regarding the procedures by which you can change your vote, if you have already voted, or if you have any other questions, kindly contact Georgeson Inc. at (866) 318-0506 (banks and brokerage firms please call (212) 440-9800) or email cfttransaction@georgeson.com. Georgeson Inc. is assisting Agrium with its effort to solicit proxies.

It is important that your shares of CF common stock be represented and voted at the Annual Meeting. Accordingly, regardless of whether you plan to attend the Annual Meeting in person, please complete, date and sign the **GREEN** proxy card that has been provided to you by us (and not the **WHITE** proxy card provided to you by CF or any other proxy card that has been provided to you) and **WITHHOLD** your vote for the election of three members to CF's board of directors at the Annual Meeting. To ensure that your vote is counted, please remember to submit your vote so that it is received by us by April 20, 2009.

Every Stockholder's vote is important, whether you own a few shares or many.

Thank you for your support.

Very truly yours,

Michael M. Wilson

PROXY STATEMENT

This proxy statement and accompanying **GREEN** proxy card are being furnished to stockholders of CF Industries Holdings, Inc., a Delaware corporation (**CF**), by Agrium Inc., a corporation governed by the Canada Business Corporations Act (**Agrium**), and North Acquisition Co., a Delaware corporation, and a wholly-owned subsidiary of Agrium (**North**) (Agrium and North collectively referred to as, **Agrium**, **we**, **our** or **us**) in connection with the solicitation of proxies from you, the stockholders of CF (the **Stockholders**), in connection with the 2009 Annual Meeting of Stockholders of CF, including any and all adjournments, postponements, continuations or reschedulings thereof, or any other meeting of stockholders held in lieu thereof (the **Annual Meeting**), to withhold votes for the election of three members of CF's board of directors to hold office until the 2012 Annual Meeting of Stockholders of CF or until their respective successors are duly elected and qualified. We intend to vote such proxies at the Annual Meeting scheduled to be held on Tuesday, April 21, 2009, commencing at 10:00 a.m., local time, at the Hyatt Deerfield, 1750 Lake Cook Road, Deerfield, Illinois 60015, in order to take the following actions:

- (a) vote **WITHHOLD** for the election of all three members of CF's board of directors;
- (b) vote **FOR** CF's proposal to ratify the selection of KPMG LLP as CF's independent registered public accounting firm for 2009;
- (c) vote **FOR** the approval of CF's new 2009 Equity and Incentive Plan; and
- (d) consider any other business properly brought before the Annual Meeting.

The principal executive offices of CF are located at Four Parkway North, Suite 400, Deerfield, Illinois 60015-2590. CF has set the close of business on March 16, 2009 as the record date (the **Record Date**) for determining the Stockholders entitled to vote at the Annual Meeting. According to CF's proxy statement, on the Record Date, there were 48,400,917 shares of CF's common stock, par value \$0.01 per share (the **Common Stock**), outstanding, each share of Common Stock being entitled to one vote on all matters presented at the Annual Meeting. As of the date of hereof and as of the Record Date, Agrium owns 1,241,849 shares of Common Stock, which represents approximately 2.57% of the outstanding shares of CF (based on the number of outstanding shares of Common Stock on the Record Date).

On March 27, 2009, we announced an increase to the cash component of our February 25, 2009 cash-and-stock offer to acquire 100% of the outstanding capital stock of CF from \$31.70 per share to \$35.00 per share, an increase of \$3.30, or 10.4%. Under the terms of the increased offer, Stockholders would receive \$35.00 in cash and 1.0 Agrium common share for each share of Common Stock. Alternatively, Stockholders have the option to elect for each share of Common Stock either 1.8685 Agrium common shares or \$75.30 in cash, in each case, subject to proration. In the aggregate, not more than 46% of the shares tendered will be exchanged for cash and not more than 54% of the shares tendered will be exchanged for Agrium common shares. The aggregate cash consideration to be paid by Agrium will not exceed approximately \$1.8 billion, and the aggregate stock consideration to be paid by Agrium will not exceed approximately 50.2 million Agrium common shares.

We believe that a combination of Agrium and CF would create significant value for both Stockholders and Agrium shareholders. CF's refusal to engage in discussions with Agrium left us with no choice but to take our offer directly to you, to give you a direct voice with respect to our proposed business combination with CF. We believe that CF's restructuring of its offer for Terra Industries Inc. (Terra) to circumvent a vote by you highlights CF's belief that CF would lose a Stockholder vote on a CF/Terra combination and demonstrates a disregard for your rights as a Stockholder. Agrium is asking that you **WITHHOLD** your vote for the election of the three nominees to the CF board of directors at the Annual Meeting. The average withhold vote percentage at S&P 500 companies is slightly less than 5%. We believe that a withhold vote percentage significantly in excess of this number for CF's nominees will demonstrate that Stockholders support our proposal and will send a strong message to CF's board and management to listen to the will of their Stockholders and engage in discussions with us. We are committed to this compelling combination and urge Stockholders to send a message to the CF board by withholding their votes.

WE ARE NOT ASKING YOU TO VOTE ON OR APPROVE OUR PROPOSAL FOR A BUSINESS COMBINATION WITH CF AT THIS TIME. HOWEVER, WITHHOLDING YOUR VOTE FOR ALL OF THE CF DIRECTOR NOMINEES WILL SEND A CLEAR MESSAGE TO THE BOARD THAT IT SHOULD GIVE PROPER CONSIDERATION TO OUR PROPOSAL.

BACKGROUND AND REASONS FOR THE SOLICITATION

Background

In connection with Agrium's long-term strategic plans involving internal growth alternatives, acquisitions and business combinations, Agrium's management has been seeking out and evaluating strategic acquisition candidates. As part of this ongoing evaluation process, Agrium's board of directors identified CF as a company with assets that fit into Agrium's growth strategy.

Agrium and CF had discussions regarding a combination prior to CF's initial public offering in 2005 but no definitive agreement was reached. Since that time, Agrium has closely followed CF and believes that the strategic and business logic of a combination, which was compelling then, is even stronger now.

On January 15, 2009, CF announced its proposed acquisition of all of the outstanding common shares of Terra, pursuant to which each common share of Terra would be entitled to receive 0.4235 of a share of Common Stock.

On February 23, 2009, CF, through a direct wholly-owned subsidiary, commenced an offer to exchange each outstanding share of common stock of Terra for 0.4235 of a share of Common Stock by filing an exchange offer and a registration statement with the SEC.

On February 25, 2009, Agrium delivered a letter to CF containing Agrium's cash-and-stock proposal pursuant to which Agrium would acquire 100% of the outstanding capital stock of CF at a per share value of \$72.00 based on Agrium's share price on February 24, 2009. Under the terms of the letter, Stockholders were entitled to receive \$31.70 in cash and 1.0 common share of Agrium for each share of Common Stock. Alternatively, Stockholders had the option of electing to receive for each share of Common Stock either 1.7866 common shares of Agrium or \$72.00 in cash, subject to proration.

The full text of the letter sent to CF's board of directors is as follows:

Board of Directors

CF Industries Holdings, Inc.

4 Parkway North

Suite 400

Deerfield, Illinois 60015-2590

Attention: Stephen R. Wilson, Chairman, President, and Chief Executive Officer

Dear Members of the Board:

On behalf of the board of directors of Agrium Inc. (Agrium), I am writing to submit for your consideration a proposal to acquire CF Industries Holdings, Inc. (CF) in a transaction that will create significantly more value for your stockholders than your proposal to acquire Terra Industries Inc. (Terra).

Under the terms of our cash-and-stock proposal, Agrium would acquire 100% of the outstanding capital stock of CF (the Proposed Transaction) at a per share value of \$72.00 based on Agrium's current share price. Our offer price represents a premium of 30% over CF's closing price of \$55.58 on February 24, 2009, the day before we announced our proposal, a premium of 42% over the 30-day volume-weighted average share price of CF and a premium of 52% over CF's closing price of \$47.23 on January 15, 2009, immediately prior to CF's announced proposal to acquire Terra. Under the terms of the Proposed Transaction, stockholders of CF would be entitled to receive one Agrium common share and \$31.70 in cash for each CF share. Of the approximately \$3.6 billion of total consideration, 56% would be in Agrium common shares and 44% would be in cash.

As you know, our two companies had serious discussions regarding a combination prior to CF's initial public offering in 2005. Since that time, we have closely followed CF and believe that the strategic and business

logic of a combination, which was compelling then, is even stronger now. We have the highest regard for CF and its employees and believe that our companies, which share highly compatible cultures and operating philosophies, exhibit complementary strengths both geographically and in terms of our product mix.

We believe the Proposed Transaction represents full and fair value for CF's stockholders. By offering a combination of cash and Agrium common shares at a substantial premium, and by offering your stockholders the ability to elect which form of consideration they would prefer to receive (subject to the overall limits of cash and shares comprising the aggregate consideration), the Proposed Transaction presents your stockholders with a unique opportunity for significant long-term value while providing liquidity for those of your stockholders wishing to sell their shares at an extremely attractive price.

The Proposed Transaction will create a leading global producer of agricultural inputs with the broadest product offering in the industry. Together, we can combine our respective world-class distribution networks, knowledgeable and experienced employees and first-rate production capabilities to more efficiently and effectively serve the increasingly competitive global agribusiness industry. We anticipate annual operating synergies from the combination will be approximately \$150 million, substantially in excess of those contemplated in CF's proposal to acquire Terra, and your stockholders will share in the value of those synergies through their continued ownership of the combined company.

We share your view of the benefits of creating a stronger North American-based global player that can more effectively compete on the world stage. We think it is readily apparent that the benefits you highlight with respect to a CF-Terra combination are even more compelling in a CF/Agrium combination. Through the successful execution of our growth strategy, Agrium has become a global enterprise that spans the entire agricultural value chain. A combination with Agrium would create a company with a substantially larger global footprint with a combined crop nutrient production capacity of about 17 million tonnes and touching over 20 million tonnes of crop nutrients through our wholesale, retail, and advanced technologies businesses. Our balanced portfolio of nitrogen, phosphate and potash production and distribution, coupled with our more predictable retail and advanced technologies businesses provide for a more stable company, better able to navigate the volatility of commodity cycles. Furthermore, we have a proven track record of accretive acquisitions and successful integrations.

We have thoroughly analyzed a combination of Agrium and CF and are confident such a transaction can be completed expeditiously. We have sufficient cash resources and fully underwritten financing commitments from Royal Bank of Canada and The Bank of Nova Scotia to fund the Proposed Transaction; accordingly, our proposal is not subject to any financing condition.

Our proposal is conditioned on (i) CF's termination of its bid for Terra, (ii) negotiation of a definitive merger agreement between Agrium and CF, (iii) receipt of the necessary CF board and stockholder approvals, (iv) receipt of necessary regulatory approvals, (v) the absence of any material adverse changes to CF or its business and the continued operation of CF in the ordinary course of business and (vi) the opportunity to conduct limited confirmatory due diligence.

While we would have preferred to approach you privately, we concluded that given your recent unsolicited proposal to acquire Terra, it was imperative to act now to ensure that CF stockholders have an opportunity to consider our proposal—one that is clearly a superior alternative—prior to you reaching any agreement with Terra.

We firmly believe that our Proposed Transaction is an exceptional opportunity for our two companies and our respective stockholders, employees, customers, suppliers and the communities in which we each do business. My leadership team and I are available to meet with you, your management team and your board at any time to discuss the terms and merits of the Proposed Transaction.

This letter is not intended to create or constitute any legally binding obligation, liability or commitment by us regarding the Proposed Transaction and there will be no legally binding contract or agreement between us unless and until a definitive agreement is executed.

We look forward to hearing from you.

Sincerely yours,

Michael M. Wilson

President and Chief Executive Officer

Agrium Inc.

On February 25, 2009, CF issued a press release confirming receipt of Agrium's proposal to acquire all of the outstanding shares of Common Stock, indicating that CF's board of directors will evaluate the proposal carefully in the context of CF's strategic plans, including its offer to acquire Terra, and will make its determination regarding Agrium's proposal in due course.

On March 5, 2009, Terra issued a press release and filed a Solicitation/Recommendation Statement on Schedule 14D-9 with the SEC announcing that Terra's board of directors unanimously recommends that Terra's stockholders reject CF's unsolicited acquisition proposal.

On March 9, 2009, CF announced that its board of directors rejected Agrium's proposal and reaffirmed CF's intent to pursue a business combination with Terra. In its announcement, CF indicated that it would agree to an exchange ratio of not less than 0.4129 of a share of Common Stock and not more than 0.4539 of a share of Common Stock for each share of Terra common stock. In addition, a significant portion of the consideration in the revised proposal would consist of a non-voting preferred stock.

Later that day, Agrium issued a press release announcing that it remained committed to its proposal to acquire CF and its intention to commence an exchange offer. In addition, Agrium filed a short form notification and a letter requesting an advance ruling certificate or a "no-action" letter in respect of the offer and the proposed merger with the Canadian Commissioner of Competition. The waiting period in Canada has expired.

On March 11, 2009, Terra announced that its board of directors has unanimously rejected CF's revised proposal for a business combination with Terra.

On March 12, 2009, CF announced that it filed with the SEC preliminary proxy materials in connection with its nomination of independent directors to replace three of Terra's directors at Terra's 2009 annual stockholders meeting.

On March 16, 2009, Agrium commenced an exchange offer by filing a registration statement on Form F-4 containing a prospectus/offer to exchange with the SEC, delivering a request to CF pursuant to Rule 14d-5 of the Exchange Act and issuing a press release regarding the commencement of the exchange offer.

On March 23, 2009, CF filed a Solicitation/Recommendation Statement on Schedule 14D-9 with the SEC in which the board of directors of CF recommended that Stockholders reject Agrium's offer and not tender their shares pursuant to the exchange offer.

Also on March 23, 2009, CF issued a press release announcing that its board of directors reaffirmed its intention to pursue a business combination with Terra and that CF would be prepared to enter into a negotiated merger agreement with Terra with an exchange ratio to be not less than 0.4129 of a CF share and not more than 0.4539 of a CF share.

On March 24, 2009, Agrium filed a notification with the U.S. Department of Justice and the Federal Trade Commission as required under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the

HSR Act), relating to its proposed acquisition of CF. The waiting period under the HSR Act will expire at 11:59 p.m., New York City time, on Thursday, April 23, 2009, unless this period is earlier terminated or extended by issuance of a request for additional information or a second request.

On March 27, 2009, we announced an increase to the cash component of our February 25, 2009 cash-and-stock offer to acquire 100% of the outstanding capital stock of CF from \$31.70 per share to \$35.00 per share, an increase of \$3.30, or 10.4%. Under the terms of the increased offer, Stockholders would receive \$35.00 in cash and 1.0 Agrium common share for each share of Common Stock. Alternatively, Stockholders have the option to elect for each share of Common Stock either 1.8685 Agrium common shares or \$75.30 in cash, in each case, subject to proration. In the aggregate, not more than 46% of the shares tendered will be exchanged for cash and not more than 54% of the shares tendered will be exchanged for Agrium common shares. The aggregate cash consideration to be paid by Agrium will not exceed approximately \$1.8 billion, and the aggregate stock consideration to be paid by Agrium will not exceed approximately 50.2 million Agrium common shares. The exchange offer and withdrawal rights will expire at 12:00 midnight New York City time on May 19, 2009, unless extended.

Reasons for the Solicitation

We believe that a combination of Agrium and CF would create significant value for both Stockholders and Agrium shareholders. CF's refusal to engage in discussions with Agrium left us with no choice but to take our offer directly to you, to give you a direct voice with respect to our proposed business combination with CF. We believe that CF's restructuring of its offer for Terra to circumvent a vote by you highlights CF's belief that CF would lose a Stockholder vote on a CF/Terra combination and demonstrates a disregard for your rights as a Stockholder. The average withhold vote percentage at S&P 500 companies is slightly less than 5%. We believe that a withhold vote percentage significantly in excess of this number for CF's nominees will demonstrate that Stockholders support our proposal and will send a strong message to CF's board and management to listen to the will of their Stockholders and engage in discussions with us. We are committed to this compelling combination and urge Stockholders to send a message to the CF board by withholding their votes.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

The board of directors of CF has unanimously proposed Stephen A. Furbacher, David R. Harvey, and John D. Johnson as nominees for election as Class I directors at the Annual Meeting. If elected, each of Messrs. Furbacher, Harvey, and Johnson will hold office until the 2012 Annual Meeting of Stockholders or until his successor is duly elected and qualified, subject to earlier retirement, resignation, or removal. For the reasons set forth above under Background and Reasons for the Solicitation Reasons for the Solicitation we are going to **WITHHOLD** our vote for all of the nominees, and we recommend all like-minded Stockholders do the same.

OTHER PROPOSALS

CF has proposed that Stockholders ratify the selection of KPMG LLP as CF's independent registered public accounting firm for 2009, and that Stockholders approve CF's new 2009 Equity and Incentive Plan. We do not object to the ratification of the selection of KPMG LLP, or the approval of the 2009 Equity and Incentive Plan, and we recommend that you vote **FOR** these proposals. Additional information regarding these proposals is contained in CF's definitive proxy statement filed on March 16, 2009.

We do not know of any other matters to be presented for approval by the Stockholders at the Annual Meeting. If, however, other matters are properly presented, the persons named in the enclosed **GREEN** proxy card will vote the Common Stock represented thereby in accordance with their discretion pursuant to the authority granted in the proxy.

Agrium intends to vote all of the shares of Common Stock owned by it at the Annual Meeting to **WITHHOLD** votes for the re-election of Stephen A. Furbacher, David R. Harvey and John D. Johnson, the directors standing for re-election at the Annual Meeting for terms through 2012; vote **FOR** the ratification of the selection of KPMG LLP as CF's independent registered public accounting firm for 2009; and vote **FOR** the approval of the 2009 Equity and Incentive Plan.

VOTING PROCEDURES

Securities Entitled to Vote; Quorum; Vote Required

According to publicly available information, the total number of votes that can be cast at the Annual Meeting by all Stockholders is 48,400,917, consisting of one vote for each share of Common Stock that was outstanding on the Record Date. There is no cumulative voting. A majority of the votes that can be cast must be present for CF to have a quorum at the Annual Meeting. If you are a Stockholder of record as of the Record Date, you will retain your right to vote, even if you sell your shares after the Record Date.

Directors are elected by a plurality of the votes cast. The approval of CF's 2009 Equity and Incentive Plan requires the affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote thereon, provided that the total votes cast on the proposal represents over 50% of all outstanding shares of Common Stock entitled to vote on the proposal. The ratification of the selection of KPMG LLP and the approval of any other matter properly brought before the Annual Meeting requires the affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote thereon in order to be approved.

If you don't vote your shares held in street name, your broker can vote your shares on the election of the director nominees and the ratification of the selection of KPMG LLP as CF's independent registered public accounting firm. Your broker is not permitted to vote your shares on CF's proposal to approve the 2009 Equity and Incentive Plan without receiving instructions from you. This is referred to as a broker non-vote. If you hold shares of Common Stock in your own name, you must vote such shares in person or by proxy or they will not be voted.

You may either vote for or withhold authority to vote for each nominee for the CF board. You may vote for or against or you may abstain on the ratification of the selection of KPMG LLP as CF's independent registered public accounting firm and the approval of CF's 2009 Equity and Incentive Plan. If you withhold authority to vote with respect to any nominee, your shares will be counted for purposes of establishing a quorum, but will have no effect on the election of that nominee. If you abstain from voting on the ratification of the selection of KPMG LLP, your shares will be counted as present for purposes of establishing a quorum and the abstention will have the same effect as a vote against that proposal. Broker non-votes and abstentions on the approval of CF's 2009 Equity and Incentive Plan will be counted for purposes of establishing a quorum, but will have the same effect as a vote against the proposal, unless holders of more than 50% of all outstanding shares of Common Stock entitled to vote thereon cast votes, in which event a broker non-vote or abstention will have no effect on the proposal.

Voting by Proxy

Please authorize a proxy to vote by signing and returning the enclosed **GREEN** proxy card in the postage-paid envelope provided to you by us.

If you return a signed **GREEN** proxy card without providing voting instructions, your shares of Common Stock will be voted (1) **WITHHOLD** for the election of all the nominees as Class I directors; (2) **FOR** CF's proposal to ratify the selection of KPMG LLP as CF's independent registered public accounting firm for 2009; and (3) **FOR** the approval of CF's 2009 Equity and Incentive Plan.

We do not know of any other matters to be presented for approval by the Stockholders at the Annual Meeting. If, however, other matters are properly presented, the persons named as proxies in the enclosed **GREEN** proxy card will vote the shares represented thereby in accordance with their discretion pursuant to the authority granted in the proxy.

YOUR VOTE IS VERY IMPORTANT. If you do not plan to attend the Annual Meeting, we encourage you to read this proxy statement and sign and return your completed **GREEN** proxy card provided to you by us prior to the Annual Meeting so that your shares will be represented and voted in accordance with your instructions. Even if you plan to attend the Annual Meeting in person, we recommend that you authorize a proxy to vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting. To ensure that your vote is counted, please remember to submit your vote so that it is received by us by April 20, 2009.

Revocation of Proxies

You may revoke your proxy at any time prior to its exercise by attending the Annual Meeting and voting in person, by mailing a validly executed, later dated proxy card or by submitting a written notice of revocation to either (A) Agrium Inc., care of Georgeson Inc., 199 Water Street, 26th Floor, New York, New York 10038, or (B) to CF's corporate secretary at the principal executive offices of CF at Four Parkway North, Suite 400, Deerfield, Illinois 60015-2590. Attending the Annual Meeting alone without taking one of the actions above will not revoke your proxy. A revocation may be in any written form validly signed by the record holder or an authorized agent of the record holder so long as it clearly states that the proxy previously given is no longer effective. Stockholders who hold their shares in street name with a bank, brokerage firm, dealer, trust company or other nominee will need to notify the person responsible for their account to revoke or withdraw previously given instructions. Unless revoked in the manner set forth above and subject to the foregoing, duly authorized proxies in the form enclosed will be voted at the Annual Meeting in accordance with your instructions. We request that a copy of any revocation sent to CF or any revocation notification sent to the person responsible for a bank or brokerage account also be sent to us, care of Georgeson Inc., at the address listed above, so that we may be aware of any revocation of a proxy.

DO NOT RETURN ANY WHITE PROXY CARD YOU MAY RECEIVE FROM CF OR OTHERWISE AUTHORIZE A PROXY TO VOTE YOUR SHARES FOR CF'S NOMINEES. IF YOU HAVE ALREADY RETURNED A WHITE PROXY CARD TO CF OR OTHERWISE AUTHORIZED A PROXY TO VOTE YOUR SHARES FOR CF'S NOMINEES, IT IS NOT TOO LATE TO CHANGE YOUR VOTE. TO REVOKE YOUR PRIOR PROXY AND CHANGE YOUR VOTE, SIMPLY SIGN AND RETURN THE ENCLOSED GREEN PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED. ONLY YOUR LATEST DATED PROXY WILL BE COUNTED.

By submitting your proxy to vote to us by executing the enclosed **GREEN** proxy card, you are revoking all prior proxies you have previously given with respect to the Annual Meeting.

Attending the Annual Meeting

You are entitled to attend the Annual Meeting only if you are a Stockholder of record or a beneficial owner as of the Record Date, or if you hold a valid proxy for the Annual Meeting. You will need proof of ownership of the Common Stock to enter the Annual Meeting. When you arrive at the Annual Meeting, you may be asked to present photo identification, such as a driver's license. This will suffice if you hold your shares of Common Stock in your own name. If you hold your shares of Common Stock in street name with a bank, brokerage firm, dealer, trust company or other nominee, then you must bring a letter or account statement showing that you are the beneficial owner of such shares. Note that even if you attend the Annual Meeting, you cannot vote the shares that are held by your nominee unless you have a proxy from your nominee. Rather, you should promptly give instructions to your bank, brokerage firm, dealer, trust company or other nominee to ensure that the **GREEN** proxy card provided to you by us is submitted on your behalf.

NO APPRAISAL OR DISSENTER'S RIGHTS

Stockholders will not have rights of appraisal or similar dissenter's rights with respect to any matters identified in this proxy statement to be acted upon at the Annual Meeting.

SOLICITATION OF PROXIES

Proxies may be solicited by mail, telephone, facsimile, telegraph, the Internet, e-mail, newspapers and other publications of general distribution and in person. We have retained Georgeson Inc. ("Georgeson") for solicitation and advisory services in connection with solicitations relating to the Annual Meeting. Georgeson will receive a fee of \$ [redacted] for its services to Agrium in connection with the solicitation. Approximately 60 people may be employed by Georgeson to solicit proxies from Stockholders for the Annual Meeting. Georgeson is also serving as information agent in connection with our exchange offer for the Common Stock. Agrium will pay the information agent reasonable and customary compensation for these services in addition to reimbursing the information agent for its reasonable out-of-pocket expenses. Agrium agreed to indemnify the information agent against certain liabilities and expenses in connection with the exchange offer, including certain liabilities under the U.S. federal securities laws.

Arrangements will also be made with custodians, nominees and fiduciaries for forwarding proxy solicitation materials to beneficial owners of Common Stock held as of the Record Date. We will reimburse such custodians, nominees and fiduciaries for reasonable expenses incurred in connection therewith. In addition, directors, executive officers and certain other employees of Agrium may solicit proxies as part of their duties in the normal course of their employment without any additional compensation.

The entire expense of soliciting proxies for the Annual Meeting by us or on our behalf is being borne by us and we will not seek reimbursement of those costs from CF. The total expenditures incurred by us to date in connection with this solicitation are approximately \$ [redacted]. We anticipate that the total expenses that we will incur in furtherance of, or in connection with, the solicitation of proxies for the Annual Meeting will be approximately \$ [redacted]. The actual amount could be higher or lower depending on the facts and circumstances arising in connection with any such solicitation.

Agrium has retained RBC Dominion Securities Inc. ("RBC"), a member company of RBC Capital Markets, and Scotia Capital, a subsidiary of The Bank of Nova Scotia, to act as our financial advisors in connection with the proposed business combination transaction between CF and us. Agrium has also retained RBC Capital Markets Corporation, a U.S. affiliate of RBC, to act as dealer manager for the exchange offer. Agrium will pay RBC and Scotia Capital and their respective affiliates reasonable and customary compensation for their services as financial advisor (and in the case of RBC Capital Markets Corporation, also as dealer manager) in addition to reimbursement of their reasonable out-of-pocket expenses. Agrium has agreed to indemnify RBC and Scotia Capital and their affiliates against specified liabilities, including, in the case of RBC Capital Markets Corporation and its affiliates, certain liabilities and expenses in connection with the exchange offer, including certain liabilities under the U.S. federal securities laws.

RBC is a global, full service securities firm engaged in securities trading and brokerage activities, and providing investment banking, investment management and financial advisory services. RBC and its affiliates, directors and officers may at any time invest on a principal basis or manage funds that invest, hold long or short positions, finance positions, and may trade or otherwise structure and effect transactions, for their own account or the accounts of their customers, in debt or equity securities or loans of Agrium, CF or any other company, or any currency or commodity, that may be involved in the proposed acquisition of CF, or any related derivative instrument.

Scotia Capital represents the global corporate and investment banking, and capital markets businesses of the Scotiabank Group, providing full service coverage in Canada and servicing selected niche markets globally. In

the ordinary course of Scotia Capital's financial advisory activities, Scotia Capital or its affiliates may hold positions for its own account or the accounts of its clients in equity, debt or other securities of Agrium, CF or any other company that may be involved in the transaction.

Neither RBC nor Scotia Capital admits that it, any controlling person of RBC or Scotia Capital or any of their respective directors, officers, employees, agents or affiliates is a participant, as defined in Schedule 14A promulgated under the Exchange Act, in the solicitation of proxies for the Annual Meeting, or that Schedule 14A requires the disclosure of certain information about them. None of RBC, Scotia Capital, or any of the foregoing persons will receive any fee for, or in connection with, any solicitation activities in addition to the fees it is otherwise entitled to receive under its engagement as financial advisor to us or as dealer manager.

CERTAIN INFORMATION REGARDING AGRIMUM AND NORTH

Agrium

Agrium is a major retailer of agricultural products and services in both North and South America and a global producer and wholesale marketer of nutrients for agricultural, specialty and industrial markets. Agrium produces and markets three primary groups of nutrients (nitrogen, phosphate and potash) as well as controlled release fertilizers.

Agrium is a corporation governed by the Canada Business Corporations Act. Agrium's executive offices are headquartered at 13131 Lake Fraser Drive S.E., Calgary, Alberta, T2J 7E8 Canada and its telephone number is (403) 225-7000.

North

North, a Delaware corporation, is a wholly-owned subsidiary of Agrium. North is newly formed, and was organized for the purpose of making the offer for CF and consummating the proposed merger. North has engaged in no business activities to date and it has no material assets or liabilities of any kind, other than those incident to its formation and those incurred in connection with the offer and the proposed merger. North's principal executive offices are located at c/o Agrium U.S. Inc., 4582 South Ulster Street, Suite 1700, Denver, Colorado 80237 and its telephone number is (303) 804-4400.

Additional information regarding Agrium and North is set forth in Annex A to this proxy statement.

CERTAIN RELATIONSHIPS WITH CF

As of the date of hereof and as of the Record Date, Agrium owns 1,241,849 shares of Common Stock, which represents approximately 2.57% of the outstanding shares of Common Stock (based on the number of outstanding shares of Common Stock on the Record Date). The average purchase price paid by Agrium was \$52.32 per share of Common Stock. Other than the purchase of the 1,241,849 shares of Common Stock during the period between February 12, 2009 and February 19, 2009, neither Agrium nor North has effected any transaction in securities of CF in the past two years. Angela S. Lekatsas, Vice President, Corporate Controller & Chief Risk Officer, of Agrium, Kevin R. Helash, Vice President, Marketing & Distribution, of Agrium, and Richard Downey, Senior Director, Investor Relations, of Agrium, beneficially own 50, 250 and 90 shares of Common Stock, respectively. The shares of Common Stock owned by Ms. Lekatsas were purchased on June 23, 2008 at a price of \$167.89 per share, the shares of Common Stock owned by Mr. Helash were purchased on October 9, 2008 at a price of \$61.62 per share, and the shares of Common Stock owned by Mr. Downey were purchased on September 19, 2008 at a price of \$105 per share. Each of these holdings represents less than 1% of the outstanding shares of Common Stock. No part of the purchase price or market value of the shares of Common Stock referred to in this paragraph is represented by funds borrowed or otherwise obtained for the purpose of

acquiring or holding such shares of Common Stock. Other than as set forth above, to the best of Agrium's and North's knowledge, after reasonable inquiry, none of the persons listed on Annex A of this proxy statement, nor any of their respective associates or majority-owned subsidiaries, (i) beneficially owns or has the right to acquire any securities of CF or has effected any transaction in securities of CF during the past two years, and (ii) is, or was within the past year, a party to any contract, arrangement or understanding with any person with respect to any of CF's securities including, but not limited to, joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profit, division of losses or profits, or the giving or withholding of proxies.

Except as described in this proxy statement, (i) there have been no contracts, negotiations or transactions since March 16, 2007, between Agrium, or to the best of Agrium's and North's knowledge, any of the persons listed on Annex A of this proxy statement or their respective affiliates on the one hand, and CF or its affiliates on the other hand concerning any merger, consolidation, acquisition, tender offer, election of CF's directors, or the sale of a material amount of CF's assets, and (ii) neither Agrium nor North, nor to the best knowledge of Agrium or North, after reasonable inquiry, none of the persons listed on Annex A of this proxy statement, nor any of their respective affiliates, have any other present or proposed material agreement, arrangement, understanding or relationship (with respect to any future employment or otherwise) with CF or any of its executive officers, directors, controlling persons or subsidiaries.

Information regarding security ownership of certain beneficial owners and management of CF is included on Annex B to this proxy statement.

SUBMISSION OF FUTURE STOCKHOLDER PROPOSALS

Under SEC rules, a Stockholder who intends to present a proposal at the next Annual Meeting of Stockholders and who wishes the proposal to be included in CF's proxy statement for that meeting pursuant to Rule 14a-8 under the Exchange Act must submit the proposal in writing to CF's corporate secretary at the address set forth elsewhere in this proxy statement. The proposal must be received no later than November 17, 2009.

CF's bylaws require that written notice of (i) proposals intended to be presented by a Stockholder at the next Annual Meeting, but that are not intended for inclusion in CF's proxy statement for that meeting pursuant to Rule 14a-8, and (ii) nominees for the election of directors intended to be made by a Stockholder at the next Annual Meeting be delivered to CF's corporate secretary at the address set forth elsewhere in this proxy statement no earlier than December 22, 2009 and no later than January 21, 2010. Such advance notice deadline will also be the deadline for timely proposals made in accordance with Rule 14a-4(c) under the Exchange Act. To be in proper written form, such a notice must set forth the information prescribed in CF's bylaws. You can obtain a copy of CF's bylaws by writing CF's corporate secretary at the address set forth elsewhere in this proxy statement.

FORWARD-LOOKING STATEMENTS

Certain statements and other information included in this proxy statement constitute forward-looking information within the meaning of applicable Canadian securities legislation or constitute forward-looking statements (together, forward-looking statements). All statements in this proxy statement, other than those relating to historical information or current condition, are forward-looking statements, including, but not limited to, estimates, forecasts and statements as to management's expectations with respect to, among other things, business and financial prospects, financial multiples and accretion estimates, future trends, plans, strategies, objectives and expectations, including with respect to future operations following the proposed acquisition of CF. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from such forward-looking statements.

Events or circumstances that could cause actual results to differ materially from those in the forward-looking statements, include, but are not limited to, CF's failure to accept Agrium's proposal and enter into a definitive agreement to effect the transaction, Agrium common shares issued in connection with the proposed acquisition may have a market value lower than expected, the businesses of Agrium and CF, or any other recent business acquisitions, may not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected, the expected combination benefits and synergies and costs savings from the Agrium/CF transaction may not be fully realized or not realized within the expected time frame, the possible delay in the completion of the steps required to be taken for the eventual combination of the two companies, including the possibility that approvals or clearances required to be obtained from regulatory and other agencies and bodies will not be obtained in a timely manner or will be obtained on conditions that may require divestiture of assets expected to be acquired, disruption from the proposed transaction making it more difficult to maintain relationships with customers, employees and suppliers, general business and economic conditions, interest rates, exchange rates and tax rates, weather conditions, crop prices, the supply, demand and price level for our major products, gas prices and gas availability, operating rates and production costs, domestic fertilizer consumption and any changes in government policy in key agriculture markets, including the application of price controls and tariffs on fertilizers and the availability of subsidies or changes in their amounts, changes in development plans, construction progress, political risks, including civil unrest, actions by armed groups or conflict, governmental and regulatory requirements and actions by governmental authorities, including changes in government policy, changes in environmental, tax and other laws or regulations and the interpretation thereof and other risk factors detailed from time to time in Agrium and CF's reports filed with the SEC.

Agrium disclaims any intention or obligation to update or revise any forward-looking statements in this proxy statement as a result of new information or future events, except as may be required under applicable U.S. federal securities laws or applicable Canadian securities legislation.

These forward-looking statements are based on certain assumptions and analyses made by us in light of our experience and perception of historical trends, current conditions and expected future developments as well as other factors we believe are appropriate in the circumstances. Expected future developments are based, in part, upon assumptions respecting our ability to successfully integrate the businesses of Agrium and CF, or any other recent acquisitions.

All of the forward-looking statements contained herein are qualified by these cautionary statements and by the assumptions that are stated or inherent in such forward-looking statements. Although Agrium believes these assumptions are reasonable, undue reliance should not be placed on these assumptions and such forward-looking statements. The key assumptions that have been made in connection with the forward-looking statements include, but are not limited to, CF's acceptance of Agrium's proposal and the entering into of a definitive agreement to effect the proposed transaction, closing the proposed transaction, the market value of Agrium common shares issued in connection with the proposed acquisition, our ability to successfully integrate within expected time frames and costs, and realize the expected combination benefits and synergies and costs savings from, the combination of the businesses of Agrium and CF, or any other recent business acquisitions, and our ability to maintain relationships with customers, employees and suppliers during the course of the proposed transaction.
