Agrium U.S. is the direct record owner of 1,000 shares of CF and is the beneficial owner of an additional 1,240,849 shares of CF held in street name which in the aggregate represents approximately 2.56% of the outstanding shares of CF as of November 4, 2009 (based on the number of outstanding shares of CF as set forth by CF in its Schedule 14D-9 filed on November 9, 2009). Angela S. Lekatsas, Vice President, Corporate Controller & Chief Risk Officer, of Agrium, Kevin R. Helash, Vice President, Marketing & Distribution, of Agrium and Richard Downey, Senior Director, Investor Relations, of Agrium, beneficially own 50, 250 and 90 shares of CF, respectively. Each of these holdings represents less than 1% of the outstanding shares of CF as of the date hereof.

Agrium expects that each of the *Nominees* and/or the *Alternate Nominees*, as applicable, if elected, will be entitled to receive compensation customarily paid by CF to its non-executive directors. Agrium anticipates that the definitive proxy statement to be filed by CF in connection with the Annual Meeting will describe this compensation. Agrium expects that the *Nominees* and/or the *Alternate Nominees*, as applicable, if elected, will be indemnified for service as directors of CF to the same extent indemnification is provided to the current directors of Agrium and that such *Nominees* or *Alternate Nominees*, as applicable, will be covered by CF's director and officer liability insurance.

Agrium believes that the *Nominees* and/or the *Alternate Nominees*, as applicable, if elected, will exercise their independent judgment and duties as directors of CF and give consideration to Agrium's proposal to acquire CF. Other than as described above, none of the *Nominees* or the *Alternate Nominees* has a substantial interest, direct or indirect, by security holdings or otherwise, in any matter to be acted upon at the Annual Meeting. To the extent the election of the *Nominees* and/or the *Alternate Nominees*, as applicable, may have an impact on Agrium's proposal to acquire CF, Agrium could be considered to have an interest in the matters to be acted upon at the Annual Meeting.
