Calix to Acquire Occam Networks |  
Consulting Engineer Overview Webinar

3

Welcome & Logistics

Welcome to the Calix to Acquire Occam Networks Consulting

Engineer Q&A

Webinar

Hosted by Carl Russo, Calix president and CEO

Short presentation describing the transaction, rationale, and benefits

Questions and Answers submitted by attendees (online)

Duration: 1 hour

How to ask questions

Conference bridge is broadcast for attendees to prevent excess noise, complexity

Webinar control panel has Q&A module

Type

questions

at

anytime

-

monitored

by

Calix

personnel

Questions will be placed in queue for verbal Q&A response section

Presenters

may

answer

questions

during

the

presentations

if

time

allows

Any questions not answered during this session will be answered via e-mail follow-up

an

expanded Unified Access portfolio

CLOSER RELATIONSHIPS

with customers and partners expected through

direct and expanded sales coverage and support

Enhanced **ALIGNMENT**

with communications service provider network and

business model transformation

5

6

Key Benefits Summary: Solutions

A broader Unified Access portfolio

Greater breadth and diversity of solutions expected

Form factors, ONTs, density options

Complementary technologies and resources

Share many common hardware and software components and

attributes

facilitated integration into Unified Access

Occam's decade of experience in IP and Ethernet matched with

Calix's decade of experience in fiber access

Address access network challenges in moving to Ethernet and fiber

Enhanced voice flexibility expected

A range of solutions across TDM, SIP, H.248, and MGCP

New innovations expected

Expanded engineering, test resources, and R&D dollars solely focused and target on access innovation

7

Key Benefits Summary: Business

A focus on access

Expanded resources, testing, and investment are planned in the part of your network that connects you to your customers

An enhanced direct customer engagement model

More feet on the street

Expansion of our world-class support organization and tools

Expanded Interoperability

Combined Calix Compatible and OPAN programs create one of the industry's broadest and most mature programs for partner interoperability.

Expanded resources and a clear business vision aligned with

your

network

and

business

interests

Information: Where to Find It

Calix will file a Registration Statement on Form S-4 containing a proxy statement/prospectus and other documents concerning the proposed acquisition with the Securities and Exchange Commission (the SEC ). Investors are urged to read the proxy

statement/prospectus when it becomes available and other relevant documents filed with the SEC because they will contain important information. Security holders may obtain a free copy of the proxy statement/prospectus (when it is available) and other documents filed by Calix and Occam Networks with the SEC at the SEC's web site at <http://www.sec.gov>. The proxy statement/prospectus and other documents may also be obtained for free by contacting Calix Investor Relations by e-mail at [Carolyn.Bass@Calix.com](mailto:Carolyn.Bass@Calix.com), by telephone at 415-445-3232 or by mail at Investor Relations, Calix, Inc., 1035 N. McDowell Blvd., Petaluma, CA 94954 or by contacting Occam Networks Investor Relations by e-mail at [ir@occamnetworks.com](mailto:ir@occamnetworks.com), by telephone at 805-692-2957 or by mail at Investor Relations, Occam Networks, 6868 Cortona Drive, Santa Barbara, CA 93117.

14

Participants in the Acquisition of  
Occam Networks

Calix, Occam Networks, certain of their respective directors, executive officers, members of management and employees may, under the rules of the SEC, may be deemed to be participants in the solicitation of proxies in favor of the proposed merger. Information regarding the persons who may be

considered participants in the solicitation of proxies will be set forth in the proxy statement/prospectus when it is filed with the SEC. Information regarding certain of these persons and their beneficial ownership of Calix common stock as of December 31, 2009 is also set forth in the prospectus filed by Calix on March 24, 2010 with the SEC. This document is available free of charge at the SEC's web site at [www.sec.gov](http://www.sec.gov) or by going to Calix's Investor Relations page on its corporate website at [www.Calix.com](http://www.Calix.com).

Information concerning Occam Networks' directors and executive officers is set forth in Occam Networks' proxy statement for its 2010 Annual Meeting of Stockholders, which was filed with the SEC on April 8, 2010. This document is available free of charge at the SEC's website at [www.sec.gov](http://www.sec.gov) or by going to Occam Networks' Investor Relations page on its corporate web site at [www.OccamNetworks.com](http://www.OccamNetworks.com). Additional information regarding the

persons

who may, under the rules of the SEC, be deemed participants in the solicitation of proxies in connection with the proposed merger, and a description of their direct and indirect interests in the proposed merger, which may differ from the interests of Calix stockholders or Occam Networks stockholders generally will be set forth in the proxy statement/prospectus when it is filed with the SEC.

15  
Forward-Looking Statements  
This document contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934. These statements can be identified by the words, believes,

expects,  
could,  
will,  
intends,  
should,  
estimate,  
would,  
may,  
anticipates,  
plans

and other similar words. These statements are based on management's current expectations, estimates, forecasts, projections and beliefs and are subject to a number of factors and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements.

The forward-looking statements contained in this document include statements about

the timing of closing the acquisition, future financial and operating results; benefits of the acquisition; financial advantages; the ability to integrate the companies; the ability to expand the Unified Access portfolio, the ability to accelerate access innovation; the ability to integrate platforms and products to accelerate opportunities for customers and broaden the Calix Unified Access portfolio; plans to increase sales and support coverage; ability to enhance solutions development, testing and quality; the ability to increase the range of deployment options, create closer relationships with customers and partners and enhance alignment with communication service provider networks and business model transformations; the ability to expand resources, testing and investments; the ability to enhance the customer engagement model and expand interoperability; and other statements regarding the proposed acquisition. These statements are not guarantees of future performance, involve risks, uncertainties and assumptions that are difficult to predict, and are based upon assumptions as to future events that may not prove accurate.

Therefore, actual outcomes and results may differ materially from what is expressed herein. For example, if Occam Networks does not receive required stockholder approval or the parties fail to satisfy other

conditions to closing, the transaction may not be consummated. In any forward-looking statement in which Calix or Occam Networks expresses an expectation or belief as to future results, such expectation or belief

is expressed in good faith and believed to have a reasonable basis, but there can be no assurance that the statement

or expectation or belief will result

or  
be  
achieved

or  
accomplished. The following factors, among  
others, could cause actual results to differ materially from those described in the forward-looking  
statements: failure of the Occam Networks stockholders to approve the proposed acquisition; the  
challenges and costs of closing, integrating, restructuring and achieving anticipated synergies; the ability  
to retain key employees; and other economic, business, competitive, and/or regulatory factors affecting the  
businesses of Calix and Occam Networks generally, including those set forth in the filings of Calix with the  
Securities and Exchange Commission, especially in the Risk Factors  
and Management's Discussion and  
Analysis of Financial Condition and Results of Operations  
sections of Calix's prospectus filed with the  
SEC on March 24, 2010 and its quarterly reports on Form 10-Q, Occam Networks' annual reports on Form  
10-K and quarterly reports on Form 10-Q, each of Calix's and Occam Networks' current reports on Form 8-K  
and other SEC filings. These forward-looking statements speak only as of the date hereof. Calix and  
Occam Networks are under no obligation to (and expressly disclaim any such obligation to) update or alter  
their forward-looking statements whether as a result of new information, future events, or otherwise.
