FORM 8-K**Item 1.01 Entry into a Material Definitive Agreement.**

On June 27, 2013, SAIC, Inc. ("SAIC") entered into a credit agreement (the "Credit Agreement") among SAIC, as guarantor, SAIC Gemini, Inc. ("SAIC Gemini"), a wholly-owned subsidiary of SAIC, as borrower, Citibank, N.A. ("Citibank"), as administrative agent, the lenders party thereto and the other agents and letter of credit issuers party thereto. SAIC's guarantee obligations under the Credit Agreement are unsecured and shall be released upon the completion of the Spinoff Transaction (as defined below).

The facilities were put in place in anticipation of the contribution of the technical, engineering and enterprise information technology services business of SAIC and Science Applications International Corporation to SAIC Gemini, the payment of a special dividend to SAIC, the distribution by SAIC of all of the outstanding shares of common stock of SAIC Gemini to SAIC's stockholders and certain related transactions (as set forth in more detail in the Registration Statement on Form 10 filed by SAIC Gemini with the Securities and Exchange Commission on March 7, 2013, as amended, supplemented or otherwise modified from time to time, the "Spinoff Transaction").

The Credit Agreement consists of (i) a five-year unsecured revolving credit facility in an initial aggregate principal amount of up to \$200,000,000 (the "Revolving Credit Facility") and (ii) a five-year unsecured term facility with an initial aggregate principal amount of \$500,000,000 (the "Term Loan Facility" and, together with the Revolving Credit Facility, the "Credit Facilities"). Borrowings under the Credit Facilities will bear interest at a variable rate of interest based on LIBOR (or, in the case of borrowings in Euro, EURIBOR) or Citibank's base rate. Interest rate margins with respect to borrowings under the Credit Agreement shall range from (a) for LIBOR or EURIBOR loans, 1.50% to 2.75% and (b) for base rate loans, 0.50% to 1.75%, in each case based on the then applicable Leverage Ratio (as defined in the Credit Agreement).

The Credit Agreement contains certain restrictive covenants applicable to SAIC Gemini and its subsidiaries, which include limitations on: liens, mergers and consolidations; changes in accounting principles; changes in nature of business; hedging agreements; sale and lease-back transactions; subsidiary indebtedness; dividends and issuances of capital stock; negative pledges; and transactions with affiliates. The Credit Agreement also includes certain financial covenants, which require the maintenance of a Leverage Ratio (as defined in the Credit Agreement) of not greater than 3.25:1.00 and an Interest Coverage Ratio (as defined in the Credit Agreement) of at least 3.50:1.00. To receive an extension of credit under the Credit Agreement, SAIC Gemini must satisfy customary conditions.

The Credit Agreement also contains certain customary events of default, including, among others, defaults based on certain bankruptcy and insolvency events, nonpayment, cross-defaults to other debt, breach of specified covenants, ERISA events, material monetary judgments, change of control events and the material inaccuracy of our representations and warranties. If an event of default occurs and is continuing under the Credit Facilities, the Credit Agreement provides that the administrative agent shall at the request, or may with the consent, of the required lenders, terminate the commitments thereunder, declare amounts outstanding, including principal and accrued interest and fees, payable immediately, and enforce any and all rights and interests.

The foregoing description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the Credit Agreement, a copy of which is attached to this report as Exhibit 10.1.
