PROXY STATEMENT

We are providing this proxy statement in connection with the solicitation of proxies by the Board of Directors of Natural Alternatives International, Inc., a Delaware corporation (the Company or we, our, or us), for use at the Annual Meeting of Stockholders to be held on Friday, December 6, 2013, at 11:00 a.m. Pacific time, at Natural Alternatives International, Inc., Vista Manufacturing Facility, 1215 Park Center Drive, Vista, California 92081, and at any adjournment or postponement thereof (the Annual Meeting). We expect to mail this proxy statement and the enclosed proxy card on or about October 25, 2013 to all stockholders entitled to vote at the Annual Meeting.

VOTING INFORMATION

Who can vote?

You may vote if you were a stockholder of record as of the close of business on October 10, 2013. This date is known as the record date. You are entitled to one vote for each share of common stock you held on that date on each matter presented at the Annual Meeting. As of October 10, 2013, 6,912,155 shares of our common stock, par value \$0.01 per share, were issued and outstanding, net of 496,522 treasury shares.

How many votes are needed to hold the Annual Meeting?

To take any action at the Annual Meeting, a majority of our outstanding shares of common stock entitled to vote as of October 10, 2013, must be represented, in person or by proxy, at the Annual Meeting. This is called a quorum.

What is a proxy?

A proxy allows someone else to vote your shares on your behalf. Our Board of Directors is asking you to allow Mark A. LeDoux, our Chairman and Chief Executive Officer, and Kenneth E. Wolf, our Chief Financial Officer and Chief Operating Officer, to vote your shares at the Annual Meeting.

How do I vote by proxy?

Whether you hold shares directly as a stockholder of record or beneficially in street name, you may vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. To vote by proxy, please follow the instructions on the enclosed proxy card. You may vote by telephone, by Internet or by mail. Shares held in street name may be voted by telephone or by Internet only if your broker or nominee makes those methods available. Your broker or nominee will enclose instructions for voting shares held in street name by telephone or by Internet with this proxy statement if your broker or nominee has chosen to make those methods available.

If you vote by proxy, your shares will be voted at the Annual Meeting in the manner you indicate. If you vote by mail and return a signed proxy card with no specific instructions, your shares will be voted as the Board of Directors recommends.

Can I change my vote after I submit my proxy?

Yes. You can change or revoke your proxy at any time before it is voted by submitting another proxy with a later date. You may also send a written notice of revocation to Natural Alternatives International, Inc., 1185 Linda Vista Drive, San Marcos, California 92078, Attention: Mr. Kenneth Wolf, Secretary.

Can I vote in person at the Annual Meeting instead of voting by proxy?

Yes. However, we encourage you to vote your shares at your earliest convenience to ensure that your shares are represented and voted. If you vote your shares by proxy and later decide you would like to attend the meeting and vote your shares in person, you will need to provide a written notice of revocation to the secretary of the meeting before your proxy is voted.

How are votes counted?

Except as noted, all proxies received will be counted in determining whether a quorum exists and whether we have obtained the necessary number of votes on each proposal. Abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum for the Annual Meeting, but broker non-votes are not counted for purposes of determining the number of shares entitled to vote with respect to any proposal. Accordingly, broker non-votes will have no effect on the outcome of the vote for the election of directors or any other proposed matter. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (i) the broker has not received voting instructions from the beneficial owner and (ii) the broker lacks discretionary voting power to vote such shares.

Stockholders of record who are present in person or by proxy and who abstain, including brokers holding customers shares of record who cause abstentions to be recorded at the meeting, are considered stockholders who are present and entitled to vote on the proposals. Accordingly, a properly executed proxy marked ABSTAIN or WITHHOLD with respect to any matter will not be voted, will have no effect on the outcome of the election of directors, and will have the same effect as a vote AGAINST any other proposed matter.

What is the effect of not casting my vote?

If you hold your shares in street name, it is critical that you cast your vote if you want it to count in the election of directors. In the past, if you held your shares in street name and you did not indicate how you wanted your shares voted in the election of directors, your bank or broker was allowed to vote those shares on your behalf in the election of directors as they felt appropriate.

Recent changes in regulations were made to take away the ability of your bank or broker to vote your uninstructed shares in the election of directors on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors, no votes will be cast on your behalf. Your bank or broker will, however, continue to have discretion to vote any uninstructed shares on the ratification of the appointment of the Company's independent registered public accounting firm.

How many votes are required to approve each of the proposals?

For the election of the Class II directors, a plurality of the votes is required for the election of each director. This means that the candidates who receive the most votes will be elected to the available Class II positions on the Board of Directors. The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required to approve all of the other proposals.

As of October 10, 2013, our executive officers and directors were entitled to vote 1,390,845 shares, or approximately 20.1%, of our issued and outstanding common stock. Our executive officers and directors have indicated their intention to vote for the election of each of the nominees for Class II directors, for Proposal 2, for Proposal 3, and 3 Years on Proposal 4.

You will not have any rights of appraisal or similar dissenter's rights with respect to any matters to be acted upon at the Annual Meeting.

Who pays for this proxy solicitation?

We will pay the cost of soliciting proxies for the Annual Meeting, including the costs of preparing, assembling and mailing the proxy materials. We will provide copies of proxy materials to fiduciaries, custodians and brokerage houses to forward to the beneficial owners of shares held in their name. We may reimburse such fiduciaries,

custodians and brokers for their costs in forwarding the proxy materials.

In addition to the solicitation of proxies by mail, certain of our officers and other employees may also solicit proxies personally or by telephone, facsimile, or other means. No additional compensation will be paid to these individuals for any such services.

OUR BOARD OF DIRECTORS

Board Members

Our Board of Directors is responsible for the overall management of the Company. The Board of Directors is divided into three classes, designated Class I, Class II and Class III. The Board of Directors currently includes two Class I directors, two Class II directors, and one Class III director. Members of each class of our Board of Directors are elected to serve for a three-year term. The Class II directors currently are serving a term that is due to expire at the Annual Meeting. The Class III director is currently serving a term that is due to expire at our next annual meeting, and the Class I directors are serving a term that is due to expire at the next annual meeting thereafter. The name, age, positions held with the Company, and term of office of each of our directors are shown below.

Mr. Davis graduated from the University of Texas with a Bachelor of Science in Chemistry. He holds a Master of Business Administration (MBA) degree from the Harvard Graduate School of Business Administration.

We believe that Mr. Davis' qualifications to continue to serve on our Board of Directors include his prior service on our Board of Directors, his more than 30 years of practical experience and knowledge as a director as a result of his service on multiple boards and committees of public companies, and his prior experience as a Chief Executive Officer. In addition, his degree in chemistry enables him to understand much of the science involved in the products manufactured by the Company and his MBA from Harvard provides an understanding of and education in matters ranging from internal control to long range business strategy.

He has more than 40 years of management experience in the nutritional supplement business, including all aspects of operations, sales, marketing, finance and strategic planning, having led several companies within the industry, including a former customer of the Company.

Board Meetings

The Board of Directors held four meetings during the fiscal year ended June 30, 2013. During the fiscal year ended June 30, 2013, all members of the Board of Directors attended at least 75% of the total number of meetings held by the Board of Directors and the committees of the Board of Directors on which they served.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors is comprised of five members, four of whom are independent. The remaining member, Mr. LeDoux, is the Company's founder, Chief Executive Officer and largest stockholder. Mr. LeDoux also serves as the Chairman of the Board. We do not have a lead independent director. The Chairman of the Board is not an officer position. The Chairman presides over meetings of the Board of Directors but does not possess any other rights or responsibilities that differ from the other members of the Board of Directors. We believe a five-member board, 80% of which is comprised of independent members, is appropriate for the size and operations of our Company. The Board of Directors has Audit, Human Resources and Nominating Committees as described in more detail below. The Board of Directors is principally responsible for providing risk oversight of the Company.

Independence

Nasdaq rules require listed companies to have a board of directors with at least a majority of independent directors. Our Board of Directors has determined that four of our five directors are independent under the listing standards of the Nasdaq Stock Market. The members determined to be independent are Messrs. Davis, Dunn, Lane and Weldon.

Board Committees

The Board of Directors has an Audit Committee, a Human Resources Committee, which functions as a compensation committee, and a Nominating Committee. Membership on each committee is limited to independent directors as defined under the listing standards of the Nasdaq Stock Market. In addition, members of the Audit Committee must also meet the independence standards for audit committee members adopted by the Securities and Exchange Commission (SEC). The members of the committees of our Board of Directors are as follows:

Audit Committee	Human Resources Committee	Nominating Committee
Joe E. Davis (Chairman)*	Lee G. Weldon (Chairman)	Lee G. Weldon (Chairman)
Alan G. Dunn	Joe E. Davis	Joe E. Davis
Alan J. Lane*	Alan G. Dunn	Alan J. Lane

* The Board of Directors has determined that Messrs. Davis and Lane are each an audit committee financial expert as defined by applicable rules adopted by the SEC.

During the fiscal year ended June 30, 2013, the Audit Committee held four meetings, the Human Resources Committee held three meetings, and the Nominating Committee held one meeting.

Audit Committee. The Audit Committee operates under a charter originally adopted by the Board of Directors in 2000, amended and restated in April 2004, and further amended in August 2007 and September 2009. While the Audit Committee charter is not currently available on our website, a copy of the charter, as amended, was included as Attachment A to last year's proxy statement (for fiscal year 2011-2012). The general function of the Audit Committee is to oversee the accounting and financial reporting processes of the Company and the audits of our financial statements. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities relating to the accounting, reporting and financial practices of the Company, including the integrity of our financial statements and disclosures; the surveillance of administration and financial controls and our compliance with legal and regulatory requirements; the qualification, independence and performance of our independent registered public accounting firm; and the performance of our internal audit function and control procedures. The Audit Committee is responsible for reviewing and recommending matters to the Board of Directors, but has no authority to make final decisions except as set forth in the Audit Committee's charter. The Audit Committee has the sole authority to appoint, determine funding for, and oversee our independent registered public accounting firm.

Human Resources Committee. The Human Resources Committee operates under a charter adopted by the Board of Directors in January 2006, and amended in August 2007 and September 2009. While the Human Resources Committee charter is not currently available on our website, a copy of the charter, as amended, was included as Attachment B to last year's proxy statement (for fiscal year 2011-2012). The primary purpose of the Human Resources Committee is to oversee the Company's overall compensation and incentive programs for the Company's executive officers and certain other key personnel. The Human Resources Committee is responsible for reviewing and recommending matters to the Board of Directors, which may be based on recommendations from the Company's management, but has no authority to make final decisions except with respect to the Company's incentive plans as described below or as otherwise set forth in the committee's charter. Among other things, the Human Resources Committee recommends to the Board of Directors the amount of compensation to be paid or awarded to our officers and certain other personnel including salary, bonuses, other cash or stock awards under our incentive compensation plans as in effect from time to time, retirement and other compensation, and is responsible for evaluating the performance of the Company's Chief Executive Officer and making recommendations to the Board of Directors concerning the compensation for such officer. In addition, the Human Resources Committee has delegated to its Chairman the authority to administer the Company's 2009 Omnibus Incentive Plan with respect to employees who are not officers or directors of the Company, to the sole extent of approving stock option grants under the plan to such employees, within the limitations of such plan, and only for grants proposed by the Company's Chief Executive Officer and Chief Financial Officer not exceeding 5,000 shares, and with a term not exceeding five years, an exercise price equal to at least 110% of the last reported sale price of the Company's common stock on the Nasdaq Stock Market on the date of grant, and vesting over a period of not less than three years. The Human Resources Committee may engage the services of an independent compensation and benefits consulting company to conduct a survey and review of the Company's compensation programs as compared to other similarly situated companies taking into account, among others, industry, size and location when the committee deems appropriate.

Nominating Committee. The Nominating Committee operates under a charter adopted by the Board of Directors in August 2004, and amended in August 2007 and September 2009. While the Nominating Committee charter is not currently available on our website, a copy of the charter, as amended, was included as Attachment C to last year's proxy statement (for fiscal year 2011-2012). The purpose of the Nominating Committee is to assist the Board of Directors in identifying qualified individuals to become members of the Board of Directors and in determining the composition of the Board of Directors and its various committees. The Nominating Committee periodically reviews the qualifications and independence of directors, selects candidates as nominees for election as directors, recommends directors to serve on the various committees of the Board of Directors, reviews director compensation and benefits, and oversees the self-assessment process of each of the committees of the Board of Directors.

The Nominating Committee considers nominee recommendations from a variety of sources, including nominees recommended by stockholders. Persons recommended by stockholders are evaluated on the same basis as persons suggested by others. Stockholder recommendations may be made in accordance with our Stockholder Communications Policy. See "Stockholder Communications with Directors" below. The Nominating Committee has the authority to retain a search firm to assist in the process of identifying and evaluating candidates.

The Nominating Committee has not established any specific minimum requirements for potential members of our Board of Directors. Instead, the Nominating Committee's evaluation process includes many factors and considerations including, but not limited to, a determination of whether a candidate meets Nasdaq and/or SEC requirements relating to independence and/or financial expertise, as applicable, and whether the candidate meets the Company's desired qualifications in the context of the current make-up of the Board of Directors with respect to factors such as business experience, education, intelligence, leadership capabilities, integrity, competence, dedication, diversity, skills, and the overall ability to contribute in a meaningful way to the deliberations of the Board of Directors respecting the Company's business strategies, financial and operational performance and corporate governance practices. The Nominating Committee will generally select those nominees whose attributes it believes would be most beneficial to the Company in light of all the circumstances.

Stockholder Communications with Directors

Our Board of Directors has adopted a Stockholder Communications Policy to provide a process by which our stockholders may communicate with the Board of Directors. Under the policy, stockholders may communicate with the Board of Directors as a whole, with the independent directors, with a committee of the Board, or with a particular director. Stockholders wishing to communicate directly with our Board of Directors may do so by mail addressed to Natural Alternatives International, Inc., 1185 Linda Vista Drive, San Marcos, California, 92078, Attn: Corporate Secretary. The envelope must contain a clear notation indicating that the enclosed letter is a Stockholder-Board Communication or Stockholder-Director Communication. All such letters must identify the author as a stockholder of the Company and clearly state whether the intended recipients are all members of the Board of Directors, all independent directors, all members of a committee of the Board, or certain specified individual directors. The Corporate Secretary will review the communications received from stockholders at the above designated address on a regular basis and if they are relevant to the Company's operations and policies, they will be copied and forwarded to the appropriate director or directors as expeditiously as reasonably practicable. By way of example, communications that are unduly hostile, threatening, obscene, illegal or similarly inappropriate will not be forwarded to any director. Matters deemed to be trivial in the sole discretion of the Corporate Secretary will be delivered to the appropriate director or directors at the next regularly scheduled meeting of the Board of Directors. The Corporate Secretary will periodically provide the Board of Directors with a summary of all communications received that were not forwarded and will make those communications available to any director upon request. The Board of Directors will determine whether any communications sent to the Board of Directors should be properly addressed by the entire Board or a committee thereof and whether a response to the communication is warranted.

Attendance at Annual Meetings

The members of the Board of Directors are encouraged, but not required, to attend each of the Company's annual meetings of stockholders. It may not be possible or practicable, in light of other business commitments of the directors, for all of the members of the Board of Directors to attend all of the Company's annual meetings of stockholders. At the Company's last annual meeting of stockholders held on December 7, 2012, each of the members of the Board of Directors was present.

PROPOSAL 1

ELECTION OF CLASS II DIRECTORS

Nominees

At the Annual Meeting, two Class II directors are to be elected, to serve until the next meeting of stockholders held to elect Class II directors and until their respective successors are elected and qualified or their earlier death, resignation or removal. The Board of Directors proposes the election of the nominees named below, who currently serve as Class II members of our Board of Directors.

Unless authorization to do so is withheld, proxies received will be voted for the nominees named below. If any nominee should become unavailable for election before the Annual Meeting, the proxies will be voted for the election of such substitute nominee as the present Board of Directors may propose. Each person nominated for election has agreed to serve if elected, and the Board of Directors has no reason to believe that the nominees will be unable to serve.

Our Board of Directors proposes the election of the following nominees as Class II members of the Board of Directors:

Alan G. Dunn

Lee G. Weldon

PROPOSAL 2

RATIFICATION OF SELECTION OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our independent registered public accounting firm for the fiscal year ended June 30, 2013 was Ernst & Young LLP. The Audit Committee of the Board of Directors has selected and approved Ernst & Young LLP to serve as our independent registered public accounting firm for the fiscal year ending June 30, 2014. One or more representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and are expected to be available to respond to appropriate questions and to make a statement if they desire to do so.

Audit Fees

The aggregate fees billed to the Company by Ernst & Young LLP for professional services rendered for the audit of our annual financial statements, the reviews of the financial statements included in our Quarterly Reports on Form 10-Q and other services provided in connection with our statutory and regulatory filings during each of the last two fiscal years ended June 30, were:

2013	\$ 239,114
2012	\$ 273,461

Audit-Related Fees

There were no fees billed to the Company by Ernst & Young LLP for assurance and related services reasonably related to the performance of the audit or review of our financial statements and not included under Audit Fees above during the fiscal years ended June 30, 2013 and June 30, 2012.

Tax Fees

During the fiscal year ended June 30, 2013, there were no tax fees billed to the Company by Ernst & Young. During the fiscal year ended June 30, 2012, Ernst & Young billed the Company fees in the amount of \$2,000 for services provided in connection with a review of the Company's transfer pricing practices and the Company's compliance with applicable U.S. Department of Treasury regulations. All of such services were approved by the Audit Committee.

All Other Fees

There were no other fees billed to the Company by Ernst & Young LLP for products and services provided during the fiscal years ended June 30, 2013 and June 30, 2012.

Pre-Approval Policies and Procedures

On June 23, 2003, the Audit Committee approved certain policies and procedures under which all audit and non-audit services performed by our independent registered public accounting firm must be approved in advance by the Audit Committee. Under these policies and procedures, proposed services to be provided by our independent registered public accounting firm may either be pre-approved without consideration of specific case-by-case services by the Audit Committee (general pre-approval), or require the specific pre-approval of the Audit Committee (specific pre-approval). The Audit Committee may delegate either type of pre-approval authority to one or more of its members, who would then be required to report any pre-approval decisions to the Audit Committee at its next

scheduled meeting. Unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by our independent registered public accounting firm. Any proposed services exceeding pre-approved cost levels or budgeted amounts also will require specific pre-approval by the Audit Committee. In granting both general and specific pre-approval, the Audit Committee will consider whether such services are consistent with the SEC's rules on auditor independence, as well as whether our independent registered public accounting firm is best positioned to provide the most effective and efficient service, for reasons such as familiarity with our business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance our ability to manage or control risk or improve audit quality. The term of any general pre-approval will be 12 months, unless the Audit Committee determines otherwise. For the fiscal year ended June 30, 2013, all of the audit and non-audit services described herein were approved pursuant to these policies and procedures, as adopted by the Audit Committee, and none of the services were approved by the Audit Committee pursuant to a waiver of pre-approval, as contemplated by Regulation S-X, Rule 201(c)(7)(i)(C).

Audit Services. The annual audit services engagement terms and fees are subject to specific pre-approval by the Audit Committee. Audit services include the annual financial statement audit and quarterly reviews, subsidiary audits, and other services necessary for the auditors to form an opinion on the Company's consolidated financial statements. The Audit Committee monitors the audit services engagement no less frequently than quarterly and also approves, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Company structure or other items. In addition, the Audit Committee may grant general pre-approval to other audit services, which include statutory or financial audits for subsidiaries of the Company and services associated with SEC registration statements, periodic reports and other documents filed with the SEC or issued in connection with securities offerings.

Audit-Related Services. The Audit Committee may grant general pre-approval of audit-related services, which are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent registered public accounting firm. Audit-related services include due diligence services pertaining to any potential business acquisitions or dispositions, consultations related to accounting, financial reporting or disclosure matters not classified as audit services, assistance with the implementation of new accounting and financial reporting rules and guidance, financial audits of employee benefit plans, and assistance with internal control reporting requirements.

Tax Services. To the extent the Company retains its independent registered public accounting firm to provide tax services, the Audit Committee may grant general pre-approval for those tax services that historically have been provided by its independent registered public accounting firm and that the Audit Committee has reviewed and determined would not impair the independence of the auditor. Generally, tax services involving large and complex transactions must be specifically pre-approved by the Audit Committee.

Other Services. The Audit Committee may grant general pre-approval to those permissible non-audit services that it determines are routine and recurring services and that would not impair auditor independence. All other services not otherwise classified above must be specifically pre-approved by the Audit Committee.

Procedures. All services proposed to be provided by our independent registered public accounting firm that do not require specific pre-approval by the Audit Committee are submitted to the Company's Chief Financial Officer, who determines whether such services are included within those that have received general pre-approval by the Audit Committee. All services proposed to be provided by our independent registered public accounting firm that require specific pre-approval by the Audit Committee are submitted to the Audit Committee or its delegated member by both the independent registered public accounting firm and the Company's Chief Financial Officer. The Chief Financial Officer is responsible for monitoring the performance of the services provided by the independent registered public accounting firm, determining whether such services are in compliance with the Audit Committee's pre-approval policies, and reporting the results of his monitoring on a periodic basis to the Audit Committee.

Effect of Ratification

Ratification by stockholders of the selection of Ernst & Young LLP as our independent registered public accounting firm is not required by applicable law. However, as a matter of policy and sound corporate practice, we are submitting the selection to our stockholders for ratification at the Annual Meeting. If stockholders fail to ratify the selection of Ernst & Young LLP, the Board of Directors will reconsider the matter. Even if the selection is ratified by stockholders, the Board of Directors may select a different firm to serve as our independent registered public accounting firm at any time during the fiscal year if it believes a change would be in the best interests of the Company and its stockholders.

Our Board of Directors unanimously recommends that you vote FOR Proposal 2.

PROPOSAL 3

ADVISORY VOTE TO APPROVE THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT

We are providing our stockholders with an opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement. This proposal, which is often referred to as a say-on-pay proposal, is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act). Under a transition period provided by the SEC's rules implementing the Dodd-Frank Act, smaller reporting companies were not required to include a say-on-pay proposal in their proxy statements until their first stockholders meeting occurring on or after January 21, 2013. As we meet the definition of a smaller reporting company under the SEC's rules, this annual meeting will be the first time we present our stockholders with a say-on-pay proposal.

Our executive compensation program is designed to attract, motivate, and retain our executive officers, who are critical to our success. As described in the tables included in the sections below entitled Executive Officer Compensation and Director Compensation as well as our accompanying narrative disclosure to such tables, our executive compensation program contains elements of cash and equity-based compensation. We believe our program is designed to align the interests of our named executive officers with those of our stockholders and to reward our named executive officers for the achievement of our near-term and longer-term financial and strategic goals.

The Board of Directors is asking our stockholders to approve a non-binding advisory vote on the following resolution:

RESOLVED, that the compensation paid to our named executive officers, as disclosed in our proxy statement for the 2013 Annual Meeting pursuant to the rules of the Securities and Exchange Commission, including the compensation tables and any other related disclosure, is hereby APPROVED.

Though this proposal calls for a non-binding advisory vote, our Board of Directors and Compensation Committee value the opinions of our stockholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

Our Board of Directors unanimously recommends that you vote FOR Proposal 3.

PROPOSAL 4

ADVISORY VOTE TO RECOMMEND THE FREQUENCY OF FUTURE

ADVISORY VOTES ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

In Proposal 3 above, we are providing our stockholders with an opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers. In this proposal, we are asking our stockholders to cast a non-binding advisory vote regarding the frequency of future say-on-pay votes. Stockholders may vote for a frequency of every one, two, or three years, or may abstain from voting. This proposal, which is often referred to as a say-on-frequency proposal, also is required by the Dodd-Frank Act. Under a transition period provided by the SEC's rules implementing the Dodd-Frank Act, smaller reporting companies were not required to include a say-on-frequency proposal in their proxy statements until their first stockholders meeting occurring on or after January 21, 2013. Accordingly, this annual meeting will be the first time we present our stockholders with a say-on-frequency proposal.

Because this proposal calls for a non-binding advisory vote, our Board and the Compensation Committee may determine to hold say-on-pay votes more or less frequently than the option selected by our stockholders (though no less frequently than once every three years). However, our Board and the Compensation Committee value the opinions of our stockholders and will consider the outcome of the vote when determining the frequency of future say-on-pay votes. In the future, we will provide a say-on-frequency vote at least once every six years as required by the Dodd-Frank Act.

The Board believes that a say-on-pay vote every three years is most appropriate for the Company, as this will provide an effective way for the Company to periodically obtain stockholders' opinions regarding executive compensation and allow adequate time for the Company to respond to stockholder feedback. We believe a three-year cycle will provide stockholders with time to evaluate the effects of our executive compensation strategies and their impact on our performance, financial, and business goals. By contrast, a more frequent vote might lead to a short-term perspective on executive compensation that is inconsistent with the longer-term approach taken by our Compensation Committee and with which we currently view our business.

Before making its recommendation, the Board considered the arguments in favor of more frequent votes, including increased opportunities for stockholder input and the belief that annual votes might promote greater accountability on executive compensation. After considering the alternatives, the Board believes that, on balance, a three-year cycle is most appropriate for the Company. The Compensation Committee intends to periodically reassess this triennial approach and, if appropriate, may provide for a more frequent say-on-pay vote.

Our Board of Directors recommends that stockholders select 3 YEARS on Proposal 4.

The annual retention fee is paid in advance at the beginning of each year of a director's term, which is determined to commence on the date of the annual meeting held to elect any class of directors and to continue until the next annual meeting of stockholders held to elect any class of directors. Directors appointed during a term year may receive a proportional amount of the annual retention fee for that year. Options and other equity awards may be granted to directors on a discretionary basis. Mr. LeDoux receives no additional compensation for serving as a director. SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and any person who owns more than 10% of our common stock, to file with the SEC initial reports of ownership of our common stock within 10 days of becoming a director, executive officer or greater than 10% stockholder, and reports of changes in ownership of our common stock before the end of the second business day following the day on which a transaction resulting in a change of ownership occurs. Directors, executive officers and greater than 10% stockholders are required by SEC regulations to provide us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on our review of the copies of such reports provided to us and written representations that no other reports were required, during the fiscal year ended June 30, 2013, all required Section 16(a) reports applicable to our directors, executive officers and greater than 10% stockholders were timely filed.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Pursuant to the Audit Committee's charter, the Audit Committee conducts a review of all related party transactions for potential conflict of interest situations on an ongoing basis. The Company may not enter into a related party transaction unless the transaction is approved by the Audit Committee. A transaction is considered a related party transaction if the transaction would be required to be disclosed herein pursuant to Item 404 of Regulation S-K. AUDIT COMMITTEE REPORT

The Audit Committee reviewed and discussed the Company's audited financial statements for the fiscal year ended June 30, 2013 with the Company's management, and discussed with Ernst & Young LLP, the Company's independent registered public accounting firm, the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee received the written disclosures and the letter from Ernst & Young LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding independent accountant communications with audit committees concerning independence, and discussed with Ernst & Young LLP its independence. It is not the duty of the Audit Committee to plan or conduct audits, to determine that the Company's financial statements are presented fairly in all material respects in accordance with accounting principles generally accepted in the United States, to certify the Company's financial statements or to guarantee the report of the Company's independent registered public accounting firm. As the Audit Committee's primary function is oversight, the Audit Committee relies on the expertise, skills and knowledge of management and the Company's independent registered public accounting firm and the accuracy of information provided to the Audit Committee by such persons in carrying out its oversight responsibilities. In giving its recommendation to the Board of Directors that the audited financial

statements be included in the Company's Annual Report on Form 10-K, the Audit Committee relied on (i) certain representations and reports of management concerning the preparation of the financial statements; and (ii) the reports of the Company's independent registered public accounting firm with respect to such financial statements.
