### **Report on the Historical Summary**

We have audited the accompanying statement of revenue and certain expenses (the Historical Summary) of King's Landing (the Property) for the year ended December 31, 2013, and the related notes to the Historical Summary.

### **Management's Responsibility for the Historical Summary**

Management is responsible for the preparation and fair presentation of the Historical Summary in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Historical Summary that is free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Historical Summary based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Historical Summary is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Historical Summary. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Historical Summary, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Historical Summary in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Historical Summary.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the Historical Summary referred to above presents fairly, in all material respects, the revenue and certain expenses described in Note 1 to the Historical Summary of the Property for the year ended December 31, 2013, in accordance with accounting principles generally accepted in the United States of America.

**Basis of Presentation**

As described in Note 1 to the Historical Summary, the accompanying Historical Summary was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in Form 8-K/A of Independence Realty Trust, Inc.) and is not intended to be a complete presentation of the Property's revenue and expenses. Our opinion is not modified with respect to this matter.

**KING S LANDING****NOTES TO STATEMENT OF REVENUE AND CERTAIN EXPENSES****FOR THE YEAR ENDED DECEMBER 31, 2013****NOTE 1: ORGANIZATION AND BASIS OF PRESENTATION**

The accompanying statement of revenue and certain expenses (the Historical Summary) includes the revenue and certain expenses of the following property (hereinafter referred to as the Property):

Property Name	Type	Units <sup>(1)</sup>	Location
King s Landing	Multi-family	152	Creve Coeur, MO

(1) Does not include 10,921 square feet of retail space in three units. As of December 31, 2013, the commercial units were 100% occupied by three tenants paying an average total monthly base rent of \$22,925, or \$25.19 per square foot per year.

On February 27, 2014 a definitive agreement was entered into for the acquisition of the Property by Independence Realty Trust (IRT) for a purchase price equal to \$32.7 million.

The Historical Summary has been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (the SEC), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The Historical Summary includes the historical revenue and certain expenses of the Property, exclusive of items which may not be comparable to the proposed future operations of the Property. Material amounts that would not be directly attributable to future operating results of the Property are excluded, and the Historical Summary is not intended to be a complete presentation of the Property's revenue and expenses. Items excluded consist principally of interest on mortgages and depreciation for the Property.

The Historical Summary presents the revenue and certain expenses of the Property during the identified period and may not be comparable to future periods. Management is not aware of any material factors relating to the Property other than those already described above that would cause the reported financial information not to be necessarily indicative of future operating results.

In the preparation of the accompanying Historical Summary, subsequent events were evaluated through May 13, 2014, the date the financial statement was available to be issued.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES*****a. Revenue Recognition***

Rental income attributable to residential leases is recorded when due from residents, generally upon the first day of the month. Leases are for periods of up to one year, with rental payments due monthly. Other income results from fees for, including but not limited to, late payments, cleaning, damages, and storage and is recorded when earned.

For commercial tenants, rental income is recognized on a straight-line basis, from the earlier of lease inception or when the tenant takes possession or the date of acquisition of the property subject to existing leases, which averages minimum rents over the terms of the leases. Commercial leases also typically provide for reimbursement of a tenant's pro-rata share of common area maintenance and other operating expenses of the property.

***b. Property Management Fees***

For the year ended December 31, 2013, property management fees were \$87,093.

---

**KING S LANDING**
**NOTES TO STATEMENT OF REVENUE AND CERTAIN EXPENSES****FOR THE YEAR ENDED DECEMBER 31, 2013*****c. Bad Debt Expense***

The Property recognizes bad debt expense for uncollectible receivables. Management's estimate of bad debt expense is based on expected and inherent risks of collectability for receivables from tenants. For the year ended December 31, 2013, bad debt expenses were \$1,072.

***d. Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported periods. Actual results could differ from those estimates.

**NOTE 3: FUTURE MINIMUM RENTAL COMMITMENTS**

The following table represents the minimum future rentals under expiring leases for our three commercial tenants as of December 31, 2013.

2014	\$ 230,088
2015	114,013
2016	83,538
2017	41,769
<b>Total</b>	<b>\$ 469,408</b>

**NOTE 4: COMMITMENTS AND CONTINGENCIES*****Litigation***

The Property may be subject to various claims and legal proceedings that arise in the ordinary course of its business activities. Management believes that any liability that may ultimately result from the resolution of these matters will not have a material adverse effect on the financial condition or results of operations of the Property.

- (2) Berkshire Square was acquired on September 19, 2013. Financing was obtained on December 27, 2013.
