**Item 1.01 Entry into a Material Definitive Agreement.**

**Senior ABL Credit Facility**

On July 28, 2015, Univar Inc., and, certain of its subsidiaries, as borrowers, entered into an ABL credit agreement pursuant to which Bank of America N.A. and the other lenders agreed to provide for a five-year senior secured ABL credit facility in an aggregate amount of \$1.3 billion, and a three-year senior secured ABL term loan facility in an aggregate principal amount of \$100 million (collectively, the New Senior ABL Facility ). The maximum amount available to borrow under the New Senior ABL Facility would be determined by the amount of eligible inventory, accounts receivable, and cash of Univar Inc. and certain of its subsidiaries.

The New Senior ABL Facility is secured by (i) a first priority lien on the borrowers' accounts receivable and inventory, and (ii) a second priority lien on substantially all other assets of these parties in each case subject to various limitations and exceptions.

The interest rates applicable to the loans under the New Senior ABL Facility will be based on, at the borrower's option, (i) with respect to Initial Term Loans under the New Senior ABL Facility, a fluctuating rate of interest determined by reference to a base rate plus an applicable margin ranging from 1.50% to 3.00% and (ii) with respect to the U.S. and Canadian Revolving Loans under the New Senior ABL Facility, a fluctuating rate of interest determined by reference to a base rate plus an applicable margin ranging from 0.25% to 1.75%. The applicable margin will be adjusted after the completion of each full fiscal quarter based upon the pricing grid in the New Senior ABL Facility.

The New Senior ABL Facility contains a number of customary affirmative and negative covenants that are substantially similar to those set forth in the New Senior Term Facilities entered into on July 1, 2015. The New Senior ABL Facility contains customary events of default that are substantially identical to those set forth in the New Senior Term Facilities.

The foregoing summary of the New Senior ABL Facility does not purport to be complete and is qualified in its entirety by reference to the complete terms of the ABL Credit Agreement, filed as Exhibit 10.1 hereto and incorporated herein by reference.

**Item 1.02 Termination of a Material Definitive Agreement.**

Univar Inc., as a borrower, and, certain of its subsidiaries, entered into a Second Amended and Restated ABL Credit Agreement, dated as of March 25, 2013 (as amended prior to the date hereof, the Existing ABL Credit Agreement ). In connection with and substantially concurrently with the effectiveness of the New Senior ABL Facility, the borrowers repaid in full all amounts outstanding under the Existing ABL Credit Agreement and terminated all commitments thereunder.

**Item 8.01 Other Events**

Attached as Exhibit 99.1 and incorporated by reference herein is a copy of Univar Inc.'s press release dated July 29, 2015 announcing the closing of the New Senior ABL Facility.
