**CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS**

This Form 8-K contains forward-looking statements within the meaning of applicable federal securities laws that are based upon our current expectations and assumptions concerning future events, which are subject to a number of risks and uncertainties that could cause actual results to differ materially from those anticipated. The words expect, anticipate, estimate, forecast, initiative, objective, plan, goal, project, outlook, priorities, target, pursue, commence, seek, may, would, could, should, believe, potential, continue, or the negative words or similar expressions is intended to identify forward-looking statements. All statements contained in this Form 8-K, other than statements of historical fact, including without limitation, statements about our plans, strategies, prospects and expectations regarding future events and our financial performance, are forward-looking statements that involve certain risks and uncertainties. While these statements represent our current judgment on what the future may hold, and we believe these judgments are reasonable, these statements are not guarantees of any events or financial results, and our actual results may differ materially. Important factors that could cause our actual results to be materially different from our expectations include, among others, the risk that (i) CIT is unsuccessful in implementing its strategy and business plan, (ii) CIT is unable to react to and address key business and regulatory issues, (iii) CIT is unable to achieve the projected revenue growth from its new business initiatives or the projected expense reductions from efficiency improvements, (iv) CIT becomes subject to liquidity constraints and higher funding costs, or (v) the parties to a transaction do not receive or satisfy regulatory or other approvals or conditions on a timely basis or approvals are subject to conditions that are not anticipated. We describe these and other risks that could affect our results in Item 1A, Risk Factors, of our latest Annual Report on Form 10-K for the year ended December 31, 2017, which was filed with the Securities and Exchange Commission. Accordingly, you should not place undue reliance on the forward-looking statements contained in this Form 8-K.
