**2011: Net Income of R\$ 33.3 billion**

Rio de Janeiro, February 9<sup>th</sup>, 2012 – Petróleo Brasileiro S.A. - Petrobras discloses its consolidated results for the fourth quarter and for the 2011 fiscal year, according to international financial reporting standards (IFRS).

The Company's net income in 2011 was R\$ 33.3 billion (R\$ 2.55 per share) 5% lower than its 2010 net income of R\$ 35.2 billion (R\$ 3.57 per share). Gross profit was R\$ 77.2 billion in 2011, 1% higher than its 2010 gross profit of (R\$ 76.2 billion).

Despite higher domestic sales of 6% as compared to 2010, notably higher sales of diesel oil (+9%), gasoline (+24%) and Jet Fuel (+12%), higher operating expenses and higher purchase costs of oil and imports of oil products, contributed for the lower figures.

In the segmented result, higher oil prices and output in 2011 affected the result of the Exploration & Production (E&P) segment. However, the Supply segment was negatively affected because of higher oil prices.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
