<u>Top of the Form</u> Item 8.01 Other Events.

We currently have outstanding \$389.5 million principal amount of 9% Convertible Junior Subordinated Debentures due in 2063 (the "debentures"). The debentures rank junior to all of our existing and future senior indebtedness.

Interest on the debentures is payable semi-annually in arrears on April 1 and October 1 of each year. As long as no event of default with respect to the debentures has occurred and is continuing, we have the option to defer interest for one or more consecutive interest periods up to ten years without giving rise to an event of default.

On September 11, 2012, we sent notice to the holder of record of the debentures that we are deferring to October 1, 2022, the interest payment that was scheduled to be paid on October 1, 2012. The notice is an exhibit to this Report.

We previously deferred interest on the debentures that would have been payable on the scheduled interest payment dates of April 1, 2009, October 1, 2009 and April 1, 2010. On October 1, 2010 we paid each of those deferred interest payments, including the compound interest on each, and the interest that was due on October 1, 2010. The payment of the deferred interest was made from the net proceeds of our April 2010 common stock offering. We have remained current on the interest payments since October 1, 2010.

Additional information about the debentures and the deferral of interest is included in our Quarterly Report on Form 10-Q for the quarter ended June 30, 2012, in Note 3 ("Debt," under the caption "Convertible Junior Subordinated Debentures") of the Notes to our Consolidated Financial Statements, which are included in Part I, Item I of such Form 10-Q. As indicated in such Note, the provisions of the debentures are complex. The description is not intended to be complete in all respects and is qualified in its entirety by the terms of the debentures, which are contained in the Indenture, dated as of March 28, 2008, between us and U.S. Bank National Association. The Indenture is filed as Exhibit 4.6 to our Quarterly Report on Form 10-Q for the quarter ended March 31, 2008.
