PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
To be held February 2, 2012

LIGHTPATH TECHNOLOGIES, INC.
2603 Challenger Tech Court, Suite 100
Orlando, Florida USA 32826

Proxies in the form enclosed with this proxy statement are solicited by the Board of Directors of LightPath Technologies, Inc., a Delaware corporation (the “Company”), for use at the Annual Meeting of Stockholders to be held Thursday, February 2, 2012 at 11:00 a.m. EST, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at 11:00 a.m. EST at the Hyatt Regency Orlando International Airport Hotel. The address is 9300 Airport Boulevard, Orlando, FL 32827.

References in this proxy statement to “LightPath”, “we”, “us”, “our”, or the “Company” refers to LightPath Technologies, Inc.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE MEETING OF STOCKHOLDERS TO BE HELD ON FEBRUARY 2, 2012.

This proxy statement, the enclosed proxy card, and the Annual Report on Form 10-K for the fiscal year ended on June 30, 2011, are made available to you on our website, www.lightpath.com. With respect to the Annual Meeting and all of our future shareholder meetings, please contact Dorothy Cipolla at 1-800-472-3486 ext. 305, or dcipolla@lightpath.com to request a copy of the proxy statement, annual report or proxy card or to obtain directions to such meeting.

Why am I receiving these materials?

We sent you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the Annual Meeting of Stockholders to be held on Thursday, February 2, 2012 at 11:00 a.m. EST at the Hyatt Regency Orlando International Airport Hotel. The address is 9300 Airport Boulevard, Orlando, FL 32827. You are invited to attend the Annual Meeting and we request that you vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

We intend to mail this proxy statement and accompanying proxy card on or about December 23, 2011 to all stockholders of record entitled to vote at the Annual Meeting.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on December 12, 2011 will be entitled to vote at the Annual Meeting. On this record date, there were 9,761,129 shares of Class A common stock (our only class of common stock) outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on December 12, 2011, your shares were registered directly in your name with our transfer agent, Registrar and Transfer Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted. Even if you fill out and return your proxy, you may still vote in person if you are able to attend the meeting.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on December 12, 2011 your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

The following matters are scheduled for the Annual Meeting: (i) the election of two Class III directors to our Board of Directors; and (ii) the ratification of the selection of Cross, Fernandez & Riley LLP as independent auditor.

A vote may also be held on any other business as may properly come before the Annual Meeting or any postponement or adjournment thereof, although there is no other business anticipated to come before the Annual Meeting.

Why is it important for me to vote?

If you are the beneficial owner of shares held in “street name” by a broker, the broker, as the record holder of the shares, is required to vote those shares in accordance with your instructions. If you do not direct your broker how to vote your shares, the broker will be entitled to vote the shares with respect to “discretionary” items but will not be permitted to vote the shares with respect to “non-discretionary” items (resulting in a “broker non-vote”). The ratification of the appointment of our independent public accountant under Proposal No. 2 is a “discretionary” matter. The election of directors under Proposal No. 1 is a “non-discretionary” matter.

How do I vote?

With regard to the election of directors, you may vote “For” all nominees listed or you may vote “Against” any or all of the nominees. With regard to the ratification of the appointment of our independent public accountant, you may vote “For” or “Against” or abstain from voting. The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from LightPath. Simply complete and mail the proxy card to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

If you fail to complete a proxy card or provide your broker with voting instructions at least ten days before the meeting, your broker will be unable to vote on the election of directors. Your broker may use his or her discretion to cast a vote on any other routine or discretionary matter.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you owned as of December 12, 2011.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted “For” all nominees listed for Proposal No. 1 and “For” the ratification of our independent public accountant for Proposal No. 2. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

LightPath will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We will also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

What is “householding”?

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy the delivery requirements for proxy statements with respect to two or more security holders sharing the same address by delivering a single proxy statement addressed to those security holders. This process, which is commonly referred to as “householding,” potentially means convenience for security holders and cost savings for companies.

A number of brokers with account holders who are LightPath stockholders will be “householding” our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement, please notify your broker and also notify us by sending your written request to Investor Relations, LightPath Technologies, Inc., 2603 Challenger Tech Court, Suite 100, Orlando, Florida USA 32826 or by calling Investor Relations at 407-382-4003, ext. 314. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request “householding” of their communications should also contact their broker and notify us in writing or by telephone.

Can I revoke or change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. You may revoke your proxy in any one of three ways:

You may submit another properly completed proxy card with a later date.

You may send a written notice that you are revoking your proxy to LightPath’s Secretary at 2603 Challenger Tech Court, Suite 100, Orlando, Florida USA 32826.

You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

How are votes counted?

Votes will be counted by the inspector of elections appointed for the meeting, who will separately count “For”, “Against”, “Withhold Authority” and “Abstain” as applicable, and other votes, abstentions and broker non-votes. A broker “non-vote” occurs when a nominee/broker holding shares for a beneficial owner does not vote on a particular proposal because the nominee/broker does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. Abstentions will have the same effect as “Against” votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether a matter has been approved.

How many votes are needed to approve the proposals?

With regard to Proposal No. 1 (election of directors), the two nominees receiving a plurality of the votes cast at the meeting will be elected as directors of the Company. A properly executed proxy marked “Withhold Authority” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

With regard to Proposal No. 2 (ratification of independent auditor), a majority of the votes cast at the meeting will ratify Cross, Fernandez & Riley LLP as independent auditor of the Company.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares of Class A common stock entitled to vote is represented by votes at the meeting or by proxy. On the record date, there were 9,761,129 outstanding shares (including all restricted stock awards at such date) entitled to vote. Thus 4,880,565 must be represented by votes at the meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy vote or vote at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. LightPath will subsequently file a Current Report on Form 8-K within four business days following such results becoming final indicating the results from the Annual Meeting.

When are stockholder proposals for the 2013 Annual Meeting due?

Stockholders interested in presenting a proposal to be considered for inclusion in next year’s proxy statement and form of proxy may do so by following the procedures prescribed in Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Securities Exchange Act”), and the Company’s By-laws. To be considered for inclusion, stockholder proposals must be submitted in writing to the Corporate Secretary, LightPath Technologies, Inc., 2603 Challenger Tech Court, Suite 100, Orlando, Florida USA 32826 before August 23, 2012, which is 120 calendar days prior to the anniversary of the mailing date of this proxy statement, and must be in compliance with all applicable laws and regulations.

If a stockholder wishes to present a proposal at the 2013 Annual Meeting, but the proposal is not intended to be included in the Company's proxy statement relating to the meeting, the stockholder must give advance notice to the Company prior to the deadline for such meeting determined in accordance with the By-laws (the "By-law Deadline"). Under the Company's By-laws, in order for a proposal to be timely, it must be received by the Company no later than 60 days, nor earlier than 90 days, prior to the annual meeting date. If a stockholder gives notice of such a proposal after the By-law Deadline, the stockholder will not be permitted to present the proposal to the stockholders for a vote at the meeting.

Furthermore, Rule 14a-4 under the Securities Exchange Act also establishes a different deadline for submission of stockholder proposals that are not intended to be included in the Company's proxy statement with respect to discretionary voting (the "Discretionary Vote Deadline"). The Discretionary Vote Deadline for the 2013 Annual Meeting is November 7, 2012 (45 calendar days prior to the anniversary of the mailing date of this proxy statement). If a stockholder gives notice of such a proposal after the Discretionary Vote Deadline, the Company's proxy holders will be allowed to use their discretionary voting authority to vote against the stockholder proposal when and if the proposal is raised at the 2013 Annual Meeting. A properly submitted proposal received after the Discretionary Vote Deadline but before the By-law Deadline would be eligible to be presented at the annual meeting, however, the Company believes that its proxy holders would be allowed to use the discretionary authority granted by the proxy card to vote against the proposal at the meeting without including any disclosure of the proposal in the proxy statement relating to such meeting.

How do I get a copy of the exhibits filed with the Company's Form 10-K?

A copy of the Company's Annual Report for 2011, which contains the Company's Form 10-K for the fiscal year ended June 30, 2011, and consolidated financial statements, has been delivered to you with this proxy statement. We will provide to any stockholder as of the Record Date, who so specifically requests in writing, a copy of the exhibits filed with the Company's Form 10-K. Requests for such copies should be directed to Investor Relations at 2603 Challenger Tech Court, Suite 100, Orlando, Florida USA 32826. In addition, copies of all exhibits filed electronically by the Company may be reviewed and printed from the SEC website at <http://www.sec.gov> under the EDGAR archives section.

Where can I get information regarding how to send communications to the Board of Directors and the Company's policy regarding Board member's attendance at annual meetings?

The Board of Directors provides a process for stockholders to send communications to the Board of Directors and has adopted a policy regarding Board member's attendance at annual meetings. Information regarding these matters is contained on our website at <http://www.lightpath.com> under "Investor Relations," "FAQs."

AIG/O was purchased by MFLEX in 2006. Prior to 2000, Mr. Symmons held engineering positions at Ryobi N.A., SatCon Technologies and General Dynamics. Meetings of the Board of Directors and its Committees

The Board of Directors has an Audit Committee, a Compensation Committee and a Finance Committee. The Board of Directors does not have a standing nominating committee. The entire Board of Directors met eight times, including telephonic meetings, during fiscal year 2011. All of the directors attended 81% or more of the meetings of the Board of Directors and the meetings held by committees of the Board of Directors on which they served. Three of six of the then elected directors attended the 2010 Annual Meeting of Stockholders on February 3, 2011. Steven Brueck, Louis Leeburg and Sohail Khan missed the 2010 Annual Meeting of Stockholders because they were unable to travel when a severe winter snow storm closed numerous airports, affecting air travel across the United States.

It is the Company's policy that all directors of the Company are required to make a concerted and conscientious effort to attend the Company's Annual Meeting of the Stockholders in each year during which that director serves as a member of the Board of Directors of the Company.

Audit Committee. The Audit Committee, which consists of Dr. Steven Brueck, Louis Leeburg (Chairman) and Gary Silverman, met five times during fiscal year 2011. The meetings included discussions with management and the Company's independent auditors to discuss the interim and annual financial statements and the annual report of the Company and the Company's financial and accounting functions and organization. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is available on the Company's website at www.lightpath.com. The Audit Committee's responsibilities include, among others, direct responsibility for the engagement and termination of the Company's independent accountants, and overseeing the work of the accountants and determining the compensation for their engagement(s). The Board of Directors has determined that the Audit Committee is comprised entirely of independent members as defined under applicable listing standards set out by the SEC, the National Association of Securities Dealers (NASD) and the Nasdaq Capital Market. The Board of Directors has also determined that at least one member of the Audit Committee, Mr. Leeburg, is an "audit committee financial expert" as defined by SEC rules. Mr. Leeburg's business experience that qualifies him to be determined an "audit committee financial expert" is described above.

Compensation Committee. The Compensation Committee, which consists of Sohail Khan, Robert Ripp and Gary Silverman (Chairman), met twice during fiscal year 2011. The Compensation Committee reviews and recommends to the Board of Directors the compensation and benefits of certain executive officers of the Company, including the Chief Executive Officer, and the Chief Financial Officer and also administers the Amended and Restated Omnibus Plan, pursuant to which incentive awards, including stock options, are granted to directors, executive officers and key employees of the Company. The Compensation Committee does not have a charter and may not delegate its authority to other persons.

The Compensation Committee is responsible for establishing, implementing and continually monitoring the Company's compensation policies and philosophy. The Compensation Committee is responsible for determining executive compensation, including approving recommendations regarding equity awards to all executive officers of the Company. However, the Compensation Committee does rely on the annual reviews made by the Chief Executive Officer with respect to the performance of each of the Company's other executive officers. The conclusions reached and recommendations based on these reviews, including with respect to salary adjustments and annual award amounts, are presented to the Compensation Committee. The Compensation Committee can exercise its discretion in modifying any recommended adjustments or awards to executive officers. In the case of the Chief Executive Officer, compensation is determined solely based on the review conducted by the Compensation Committee. Neither the Compensation Committee nor management employed any compensation consultants during fiscal year 2011.

The Compensation Committee also annually reviews director compensation to ensure non-employee directors are adequately compensated for the time expended in fulfilling their duties to the Company as well as the skill-level required by the Company of members of the Board of Directors. After the Compensation Committee completes their annual review, they make recommendations to the Board of Directors regarding director compensation. For fiscal 2011, the Board determined that the current cash and stock-based incentive compensation awarded to directors was still appropriate.

Finance Committee. The Finance Committee, which consists of Louis Leeburg and Robert Ripp, did not meet during fiscal year 2011. The Finance Committee reviews and provides guidance to the Board of Directors and management with respect to the Company's significant financial policies. For fiscal 2011, the full Board of Directors performed these functions, especially with regard to matters having to do with the Company's financing transactions concluded throughout the fiscal year.

All current committee members are expected to be nominated for re-election to the same committees at a Board of Directors' meeting to be held immediately following the Annual Meeting.

Nominations Process and Criteria

The Board of Directors does not consider it necessary to form a committee of the Board of Directors specifically for governance or nomination matters due to the modest scope of the Company. With respect to nomination matters, all independent directors participate in the consideration of director nominees. The Board of Directors has determined that each current director, except for Mr. Gaynor, meets the independence criteria for members of a nominating committee as set forth in the applicable rules of the Nasdaq Capital Market and the SEC. Due to the status of Mr. Gaynor as the Company's Chief Executive Officer, he is not an independent board member and may not specifically nominate anyone for Board membership nor vote on the matter of appointments to the Board of Directors.

Additionally, the Board of Directors believes it is not necessary to adopt criteria for the selection of directors. The Board of Directors believes that the desirable background of a new individual member of the Board of Directors may change over time and that a thoughtful, thorough selection process is more important than adopting criteria for directors. The Board of Directors is fully open to utilizing whatever methodology is efficient in identifying new, qualified directors when needed, including using industry contacts of the Company's directors or professional search firms.

There were no fees paid or due to third parties in fiscal 2011 to identify or evaluate or to assist in evaluating or identifying potential nominees to the Board.

Any stockholder wishing to propose that a person be nominated for or appointed to the Board of Directors may submit such a proposal, according to the procedure described in the stockholder proposal section on page 5 of this proxy statement, to:

Corporate Secretary
LightPath Technologies, Inc.
2603 Challenger Tech Court, Suite 100
Orlando, Florida 32826

Such correspondence will be timely forwarded to the Chairman of the Audit Committee for review and consideration in accordance with the criteria described above. The independent directors will consider director candidates recommended by stockholders.

Director Independence

In accordance with Nasdaq Capital Market and SEC rules, the Board of Directors affirmatively determines the independence of each director and nominee for election as a director in accordance with guidelines it has adopted, which include all elements of independence set forth in the Nasdaq Capital Market listing standards. Based on these standards, the Board has determined that each of the following non-employee directors is independent and has no relationship with the Company, except as a director and stockholder of the Company:

Robert Ripp	Steven Brueck
Gary Silverman	Sohail Khan
Louis Leeburg	

All members of the Audit and Compensation Committees are also independent. The Board of Directors approved a Code of Business Conduct and Ethics on May 3, 2004 (the "Code"). The Code applies to the Chief Executive Officer, Chief Financial Officer and senior financial officers and the entire Board of Directors. A copy of the Code is posted on the Company's website at www.lightpath.com.

Related Transactions

When the Company is contemplating entering into any transaction in which any executive officer, director, nominee or any family member of the foregoing would have any direct or indirect interest, regardless of the amount involved, the terms of such transaction have to be presented to the full Board of Directors (other than any interested director) for approval. The Board of Directors has not adopted a written policy for related party transaction review but when presented with such transaction, it is discussed by the full Board of Directors and documented in the board minutes.

In July 2008, the Board of Directors was presented with a Securities Purchase Agreement with twenty-four institutional and private investors with respect to the private placement of 8% senior convertible debentures. Among the investors were Steven Brueck, J. James Gaynor, Louis Leebug, Robert Ripp, Gary Silverman and James Magos, all of whom were directors or officers of LightPath at the time of the transaction. Mr. Ripp invested \$250,000 and the others each invested \$25,000 or less. The principal amount outstanding on the convertible debenture held by Mr. Ripp is \$187,500 as of December 12, 2011. The principal amount outstanding on each of the convertible debentures held by Dr. Brueck, Mr. Gaynor, Mr. Leebug and Mr. Silverman is \$18,750 as of December 12, 2011. Mr. Magos fully converted his convertible debenture into shares of common stock. The Company previously prepaid all interest due on the convertible debentures through August 1, 2011, the original maturity date. The maturity date of the convertible debentures was extended until August 1, 2013. The Company prepaid all interest accruing for the period August 2, 2011 through July 31, 2012. On August 1, 2012, the Company will prepay interest accruing for the period from August 1, 2012 through maturity on August 1, 2013.

Board of Directors Leadership Structure and Role in Risk Oversight

Board Leadership Structure

The Company's Board of Directors has chosen to separate the positions of Chairman and Chief Executive Officer, with Mr. Robert Ripp serving as Chairman and Mr. J. James Gaynor serving as Chief Executive Officer. As Chief Executive Officer and President, Mr. Gaynor is responsible for the day to day leadership and performance of the Company, with the Board being responsible for setting the strategic direction of the Company, as well as overseeing and advising the management of the Company. The Board believes that the current independent leadership of the Board by the Company's non-executive Chairman enhances the effectiveness of its oversight of management and provides a perspective that is separate and distinct from that of management.

Role of the Board in Risk Oversight

Our Board of Directors is responsible for the oversight of our operational risk management process. Our Board has delegated authority for addressing certain risks, and accessing the steps management has taken to monitor, control and report such risks, to our Audit and Finance Committees. Such risks include risks relating to execution of our growth strategy, the effects of the contracting in the global economy and general financial condition and outlook on customer purchases, component inventory supply, or ability to expand our partner network, communication with investors, certain actions of our competitors, the protection of our intellectual property, sufficiency of our capital, inventory investment and risk of obsolescence, security of information systems and data, integration of new information systems, credit risk, product liability and costs of reliance on external advisors. The Audit or Finance Committee, as applicable, then reports such risks as appropriate to the Board of Directors. The Board of Directors initiates discussions with appropriate members of our senior management if, after discussion of such risks, the Board determines that such risks raise questions or concerns about the status of operational risks then facing the Company.

Our Board relies on our Compensation Committee to address significant risk exposures facing the Company with respect to compensation, including risks relating to retention of key employees, protection of partner relationships, management succession and benefit costs, and when appropriate; report these risks to the full Board.

Stockholder Communications with the Board of Directors

Stockholders and other parties interested in communicating directly with the Board of Directors, a committee of the Board of Directors, or any individual director, may do so by sending a written communication to the attention of the intended recipient(s) in care of the Corporate Secretary, LightPath Technologies, Inc., 2603 Challenger Tech Court, Suite 100, Orlando, Florida USA 32826. The Corporate Secretary will forward all appropriate communications to chairman of the Audit Committee.

AUDIT COMMITTEE REPORT

The Audit Committee is responsible for, among other things, reviewing and discussing the Company's audited financial statements with management, discussing with the Company's independent auditors information relating to the auditors' judgments about the quality of the Company's accounting principles, recommending to the Board of Directors that the Company include the audited financial statements in its Annual Report on Form 10-K and overseeing compliance with the SEC requirements for disclosure of auditors' services and activities. At the recommendation of the Audit Committee, the Board of Directors first approved a charter for the Audit Committee on November 14, 2000, which was subsequently revised and approved by the Board of Directors on May 10, 2004.

Review of Audited Financial Statements

The Audit Committee has reviewed the Company's financial statements for the fiscal year ended June 30, 2011, as audited by Cross, Fernandez & Riley, LLP, the Company's independent auditors, and has discussed these financial statements with management. In addition, the Audit Committee has discussed with Cross, Fernandez & Riley, LLP the matters required to be discussed by the Statement on Auditing Standards No. 61, as may be modified or supplemented. Furthermore, the Audit Committee has received the written disclosures and the letter from Cross, Fernandez & Riley, LLP required by the Independence Standards Board Standard No. 1, as may be modified or supplemented, and has discussed with Cross, Fernandez & Riley, LLP its independence.

Generally, the members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, or in determining auditor independence. However, the Board of Directors has determined that each member of the Audit Committee meets the independence criteria set forth in the applicable rules of Nasdaq Capital Markets and the SEC, and that at least one member of the Audit Committee, Mr. Leeburg, is an "audit committee financial expert" as defined by SEC rules. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management. Accordingly, the Audit Committee's oversight does not currently provide an independent basis to determine that management has maintained procedures designed to assure compliance with accounting standards and applicable laws and regulations.

Recommendation

Based upon the foregoing review and discussion, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended June 30, 2011, be included in the Company's Annual Report on Form 10-K for such fiscal year.

Unless otherwise indicated, each person has sole investment and voting power (or shares such power with his or her spouse) with respect to the shares set forth in the following table. In certain instances, the number of shares listed may include, in addition to shares owned directly, shares held by the spouse or children of the person, or by a trust or estate of which the person is a trustee or an executor or in which the person may have a beneficial interest. (7) Includes 29,550 shares of Class A common stock with respect to which Dr. Brueck has the right to acquire and includes 115,700 shares of Class A common stock underlying outstanding restricted stock units. Specifically, Dr. Brueck holds a debenture issued by the Company in the principal amount \$18,750, which is currently convertible into 12,175 shares of Class A common stock. BBE also holds warrants which would be exercisable for an aggregate of 524,231 shares of Class A common stock. However, neither BBE nor the Company is able to effect any conversion of the debenture or any exercise of the warrants to the extent that after giving effect to such issuance after conversion or exercise, as the case may be, BBE would beneficially own in excess of 4.99% of the number of shares of Class A common stock outstanding immediately after giving effect to the issuance of shares issuable upon conversion or exercise of the debenture or warrants. Given that BBE currently holds in excess of 4.99% of the issued and outstanding share of Class A common stock, the debenture cannot be converted and the warrants cannot be exercised.

There are no arrangements known to the Company which may at a subsequent date result in a change-in-control.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act requires the Company's executive officers and directors and persons who own more than 10% of the Company's Class A common stock to file reports of ownership and changes in ownership with the SEC and furnish copies of such reports to the Company. The SEC has also designated specific due dates for such reports and the Company must identify in this proxy statement those persons who did not properly file such reports when due. To the best of the Company's knowledge, Berg & Berg Enterprises, LLC did not file Forms 4 or 5 as required by Section 16(a) of the Securities and Exchange Act; however all other required filings in fiscal year 2011 were properly made in a timely fashion. In making the above statements, the Company has relied solely on its review of copies of the reports furnished to the Company and written representations from certain reporting persons.

EXECUTIVE COMPENSATION

Compensation Philosophy and Objectives. The Company's compensation policy is designed to attract and retain qualified key executive officers critical to the Company's achievement of reaching and maintaining profitability and positive cash flow, and subsequently its growth and long-term success. To attract, retain, and motivate the executive officers required to accomplish our business strategy, the Compensation Committee establishes our executive compensation policies and oversees our executive compensation practices.

The Compensation Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of our specific annual, short-term and long-term goals, and which aligns executives' interests with those of the stockholders by rewarding performance that meets or exceeds established goals, with the ultimate objective of improving stockholder value.

It is the objective of the Compensation Committee to have a portion of each executive officer's compensation contingent upon the Company's performance as well as upon the individual's personal performance. Accordingly, each executive officer's compensation package is comprised of two elements: (i) base salary, which reflects individual performance and expertise and (ii) bonus and long-term equity incentive awards, which are tied to the achievement of certain performance goals that the Compensation Committee establishes from time to time. Based on the foregoing objectives, the Compensation Committee has structured compensation of our executive officers to achieve the business goals set by the Company and reward the executive officers for achieving such goals.

The Compensation Committee also evaluates our compensation program to ensure that we maintain the ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executive officers.

In accordance with the advisory vote of our stockholders at the 2011 Annual Meeting of Stockholders, and as determined by the Board of Directors, the Company will include an advisory “say-on-pay” vote in the Company’s proxy statement every three years until the next required stockholder advisory “say-on-frequency” vote.

Setting Executive Compensation.

In making compensation decisions, the Compensation Committee relies on the following:

- the annual reviews made by the Chief Executive Officer with respect to the performance of each of the Company’s other executive officers;

- the annual review conducted by the Compensation Committee with respect to the performance of the Chief Executive Officer;

- compensation paid to executive officers of other manufacturing companies similar in size and scope as the Company and its competitors; and

- the annual performance of the Company with respect to our short-term and long-term strategic plan.

There is no pre-established policy or target for the allocation between either cash and non-cash or short-term and long-term incentive compensation. Rather, the Compensation Committee annually reviews information to determine the appropriate level and mix of incentive compensation when determining the Company’s executive compensation plan.

Based on these factors, the Compensation Committee makes compensation decisions, including salary adjustments, annual bonus awards, and long-term equity incentive awards for the Company’s executive officers.

2011 Executive Compensation Components. For the year ended June 30, 2011, the principal components of compensation for executive officers were:

- base salary; and

- bonus and long-term equity incentive awards.

Base Salary. Base salaries are determined for each executive officer based on his or her individual qualifications and relevant experience, the strategic goals which he or she was responsible for, the compensation levels at companies which compete with the Company for business and executive talent, and other incentives necessary to attract and retain qualified management. Salary levels are reviewed annually as part of our performance review process as well as upon a promotion or other change in job responsibility. Merit based increases to base salaries are based on the annual reviews conducted by the Chief Executive Officer, for all executive officers other than the Chief Executive Officer, the annual review conducted by the Compensation Committee with respect to the Chief Executive Officer and the Compensation Committee’s assessment of each individual executive’s performance. Due to existing economic conditions, no merit based pay increases to base salaries were given to the named executive officers in fiscal 2011.

Bonuses and Long-Term Equity Incentive Awards. We provide executive officers and other key employees with incentive compensation to incentivize and reward them for high performance and achievement of certain Company goals. The bonus program is designed to reward our executive officers for achieving certain financial objectives tied to growth and profitability set each year by the Compensation Committee. The long-term equity incentive awards are designed to reward executive officers for achieving strategic milestones, as well as for retaining executive officers and other key employees.

Bonus Program. The fiscal 2011 bonus program had three levels of participation: (i) the “level one” participants; (ii) the “level two” participants; and (iii) the “level three” participants. “Level one” participants were eligible to receive a bonus equal to 100% of their base salary, with 50% of such bonus paid in cash and the other 50% paid in stock option awards. “Level two” participants were eligible to receive a bonus equal to 75% of their base salary, with 50% of such bonus paid in cash and the other 50% paid in stock option awards. “Level three” participants were eligible to receive 30% of their base salary, with 50% of such bonus paid in cash and the other 50% paid in stock option awards. For fiscal 2011, the Compensation Committee set three performance goals tied to the Company’s revenues, gross margin and cash flow. The maximum potential bonus payout was based on certain achievements of revenue, varying from a 25% potential bonus payment, if the Company had revenues equal to \$11.46 million, to a 100% potential bonus payment, if the Company had revenues equal to \$14 million. If the revenue performance goal was met, the amount of the bonus payout would be determined by the achievement of the gross margin and cash flow performance goals, with each performance goal tied to 50% of the bonus payout. For fiscal 2011, the “level one” participant was Mr. Gaynor, the “level two” participants were Ms. Cipolla and Messrs. Symmons and Soller, and the “level three” participant was Mr. Lancaster.

For fiscal 2011, there was no performance-based incentive compensation for the executive officers as a result of our failure to achieve the revenue performance goal.

Long-Term Equity Incentive Awards. The Compensation Committee has the latitude to award our executive officers, or other key employees, stock options. Stock options are awarded under the Omnibus Amended and Restated Incentive Plan. In granting these awards, the Compensation Committee may establish any conditions or restrictions it deems appropriate. Options are awarded at the closing price of the Company’s stock on the date of the grant as determined by NASDAQ.

For fiscal 2011, the Compensation Committee granted discretionary stock options to the executive officers as disclosed in the Narrative Discussion of Summary Compensation section below.

Retirement Benefits. We offer a qualified 401(k) defined contribution plan. The ability of executive officers to participate fully in this plan is limited under IRS and ERISA requirements. The 401(k) plan encourages employees to save for retirement by investing on a regular basis through payroll deductions.

Executive Compensation and Risk. Although a substantial portion of the compensation paid to our executive officers is performance-based, we believe our executive compensation programs do not encourage excessive and unnecessary risk-taking by our executive officers because these programs are designed to encourage our executive officers to remain focused on both the short-term and long-term operational and financial goals of the Company. We achieve this balance through a combination of elements in our overall compensation plans, including: elements that reward different aspects of short-term and long-term performance; incentive compensation that rewards performance on a variety of different measures; and cash awards and stock option awards, to encourage alignment with the interests of stockholders.

Summary Compensation Table

The following table sets forth certain compensation awarded to, earned by or paid to (i) the Chief Executive Officer and (ii) the three other most highly compensated executive officers of the Company serving as executive officers at the end of fiscal year 2011, for services rendered in executive officer capacities to the Company during fiscal years 2011 and 2010.

DIRECTOR COMPENSATION

Director Compensation

The Company uses a combination of cash and stock-based incentive compensation to attract and retain qualified candidates to serve on its Board of Directors. In setting director compensation, the Company considers the significant amount of time that directors expend in fulfilling their duties to the Company as well as the skill-level required by the Company of members of the Board of Directors.

Cash Compensation Paid to Board Members

For fiscal year 2005 and beyond, all non-employee members of the Board of Directors receive a retainer of \$2,000 per month, paid quarterly. There are no meeting attendance fees paid unless, by action of the Board of Directors, such fees are deemed advisable due to a special project or other effort requiring extra-normal commitment of time and effort. Additionally, the following fees are paid to the Chairman of the Board and Committee Chairmen on a quarterly basis for their responsibilities overseeing their respective functions:

	Base Amount	10% Reduction
Chairman of the Board	\$ 15,000	\$ 13,500
Audit Committee Chairman	\$ 2,000	\$ 1,800
Compensation Committee Chairman	\$ 1,000	\$ 900
Finance Committee Chairman	\$ 1,000	\$ 900

The Directors earned the amounts above for fiscal 2011 that were adjusted for a 10% reduction. The 10% reduction was put in place when the Orlando staff received a 10% pay reduction in fiscal 2009. The board fees reverted to base amounts in October 2011, when the Orlando staff reduction was eliminated. Directors who are employees of the Company receive no compensation for their service as directors.
