**ITEM 1.01. Entry into a Material Definitive Agreement.**

Consistent with the previous announcement by First Community Corporation, First Community Bank (the “Bank”) has entered into a Stipulation and Consent to the Issuance of a Consent Order with the Federal Deposit Insurance Corporation (the “FDIC”), and the Consent Order (the “Order”) was issued, as of February 18, 2015.

As previously anticipated, the Order requires the Bank to take certain actions with respect to the Bank Secrecy Act and anti-money laundering laws and regulations (collectively referred to as the “BSA”), including, among other things, enhancing its annual BSA risk assessment processes; revising certain internal controls related to BSA; and further developing and implementing certain BSA-related training programs.

While the Bank recognizes that certain technical aspects of its BSA compliance activities were affected by a temporary period of significant turnover in the Bank’s BSA staff, the Bank believes that it has recognized and addressed substantially all of the BSA compliance issues noted by the FDIC and that it is in compliance with substantially all of the requirements set forth in the Order.

The foregoing description of the Order does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Order which is filed as Exhibit 10.1 to this Current Report on Form 8-K and which is incorporated herein by reference in its entirety.

**FORWARD-LOOKING STATEMENTS**

Certain statements in this Form 8-K contain “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, such as certain statements relating to plans, compliance, goals, projections and expectations, and are thus prospective. Such forward-looking statements are subject to risks, uncertainties, and other factors which could cause actual results to differ materially from future results expressed or implied by such forward-looking statements. Such risks, uncertainties and other factors, include, among others, the risk that we may be unable to comply, or may need to devote more resources than currently expected in order to comply, with the requirements set forth in the Order, and risks, uncertainties and other factors disclosed in our most recent Annual Report on Form 10-K filed with the SEC, or in any of our Quarterly Reports on Form 10-Q or Current Reports on Form 8-K filed with the SEC since the end of the fiscal year covered by our most recently filed Annual Report on Form 10-K, which are available at the SEC’s Internet site (<http://www.sec.gov>).

Although we believe that the assumptions underlying the forward-looking statements are reasonable, any of the assumptions could prove to be inaccurate. We can give no assurance that the results contemplated in the forward-looking statements will be realized. The inclusion of this forward-looking information should not be construed as a representation by our company or any person that the future events, plans, or expectations contemplated by our company will be achieved. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise.
