Sale of Concessions in onshore fields:

Start of the binding phase

Rio de Janeiro, July 30, 2018 – Petróleo Brasileiro S.A. – Petrobras, following up on the disclosures made on 09/22/2017 and 03/02/2018, informs the beginning of the binding phase related to the full sale of its exploration, development and production rights in onshore fields of Sergipe Terra 2 Cluster, located in Sergipe state.

At this stage of the project, process letters are issued to qualified interested parties with detailed instructions about the divestment process, in addition to guidelines to conduct due diligence and submit binding proposals.

This disclosure to the market is pursuant to Petrobras' Divestment Program and is aligned with the provisions of the special procedure for the sale of the rights to exploration, development and production of petroleum, natural gas and other fluid hydrocarbons, provided for in Decree 9.355/2018.

FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks and uncertainties. The forward-looking statements, which address the Company's expected business and financial performance, among other matters, contain words such as "believe," "expect," "estimate," "anticipate," "optimistic," "intend," "aim," "will," "may," "should," "could," "would," "likely," and similar expressions. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. There is no assurance that the expected events, trends or results will actually occur. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

The Company's actual results could differ materially from those expressed or forecast in any forward-looking statements as a result of a variety of assumptions and factors. These factors include, but are not limited to, the following: (i) failure to comply with laws or regulations, including fraudulent activity, corruption, and bribery; (ii) the outcome of ongoing corruption investigations and any new facts or information that may arise in relation to the "Lava Jato Operation"; (iii) the effectiveness of the Company's risk management policies and procedures, including operational risk; and (iv) litigation, such as class actions or proceedings brought by governmental and regulatory agencies. A description of other factors can be found in the Company's Annual Report on Form 20-F for the year ended December 31, 2016, and the Company's other filings with the U.S. Securities and Exchange Commission.
