## **Item 2.02. Results of Operations and Financial Condition**

### **Item 7.01. Regulation FD Disclosure**

On November 10, 2016, MISONIX, INC. (the “Company”) filed a Form 12b-25 (the “Form”) with the Securities and Exchange Commission indicating that the Company will not be in a position to file its Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2016 within the 5-day extension period provided in Rule 12b-25(b) promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

The Form stated that the Company previously reported that, as a result of an investigation being overseen by its Audit Committee related to deficiencies in the Company’s internal control over financial reporting at June 30, 2016, the filing by the Company of its Annual Report on Form 10-K for the fiscal year ended June 30, 2016 would be delayed. This investigation, which includes an investigation of previously disclosed potential questions under the Foreign Corrupt Practices Act, is ongoing and, as a result, the filing of the Company’s Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2016 also will be delayed pending completion of the investigation. The Company is working diligently to resolve these matters and intends to file its Quarterly Report on Form 10-Q and its Annual Report on Form 10-K as promptly as reasonably practicable. Management currently believes that the Company will be in a position to file the aforementioned reports not later than January 31, 2017.

Preliminary results for the first fiscal quarter ended September 30, 2016 are net sales of \$6.2 million and a net loss of approximately \$0.5 million to \$0.7 million, compared with net sales of \$5.3 million and net loss of \$0.2 million for the first fiscal quarter ended September 30, 2015. The results for the first fiscal quarter ended September 30, 2016 include a charge of approximately \$0.5 million for professional fees relating to the Company’s investigation into matters relating to the deficiencies in internal control over financial reporting. On a per share basis, such preliminary results represent a net loss per share - basic and diluted for the first fiscal quarter ended September 30, 2016 ranging from \$(0.06) to \$(0.09), compared to a net loss per share - basic and diluted of \$(0.03) for the first fiscal quarter ended September 30, 2015.

The Company issued a press release on November 10, 2016 announcing the filing of the Form and the preliminary results for the fiscal quarter ended September 30, 2016. The press release is attached hereto as Exhibit 99.1. The information in this Item and the aforementioned press release shall not be deemed “filed” for purposes of Section 18 of the Exchange Act, and is not incorporated by reference into any filing of the Company, whether made before or after the date of this report, regardless of any general incorporation language in the filing.
