FIRST MERCHANTS CORPORATION ANNOUNCES 2003 RESULTS

First Merchants Corporation (NASDAQ - FRME) has reported 2003 diluted earnings per share of \$1.50, down from \$1.69 recorded in 2002. Net income during the period equaled \$27.6 million compared to \$27.8 million in 2002.

Net Interest Margin equaled 4.01 percent for the year, down 38 basis points from 4.39 in 2002. The decline in Net Interest Margin amounted to \$.33 on an earnings per share basis.

Non-performing loans as a percentage of total loans equaled 1.17 percent, up from 1.09 percent in 2002. The Corporation's allowance for loan losses equaled 1.08 percent of total loans as of year-end.

Michael L. Cox, President and Chief Executive Officer, stated that, "First Merchants Corporation's management team is disappointed the legacy of 27 consecutive years of improved earnings per share has come to an end in 2003. Management has always taken pride in its ability to manage through interest rate cycles and various economic environments. However, the fact that our first down year in 28 years occurred during a 40-year low interest rate cycle and a stressed Indiana economy resulting in significant margin compression and higher charge-off's than normal is of some consolation." Cox also stated that, "We maintained a long-term focus throughout a difficult year in 2003 by not sacrificing balance sheet credit quality or asset duration in search of current year earnings. Management believes the balance sheet is positioned for the coming years."

2003 accomplishments included the formation of Merchants Trust Company on January 1st, the acquisition of CNBC Bancorp, Worthington Ohio, on March 1st, the formation of two tax advantaged investment subsidiaries on May 29th and the integration of Lafayette Bank and Trust Company's core processing system on November 7th. Additionally, in order to bring consistency of application and interpretation of all applicable banking regulations, the Corporation successfully converted six state bank charters to national charters effective January 1, 2004. All ten of the Corporation's banks are now nationally chartered bringing enhanced efficiency and consistency to the regulatory process.
