Item 1.01 Entry into a Material Definitive Agreement

On April 29, 2005, BellSouth Corporation entered into a Credit Agreement (the "Agreement") with JPMorgan Chase Bank, N.A., as Administrative Agent, and the lenders party thereto. The Agreement provides for commitments in the aggregate principal amount of \$3 billion and it matures on April 29, 2008. The Agreement acts as a backup facility for the Company's \$10.5 billion commercial paper program.

Except as described in this paragraph, the Agreement contains no financial covenants or requirements for compensating balances. Further, the Agreement does not contain any provisions that are tied to the ratings assigned to us or our affiliates. The Agreement provides that the debt of the Company and its consolidated subsidiaries is not permitted to exceed 300% of consolidated earnings before interest, taxes, depreciation and amortization and extraordinary gains and losses on a rolling four-quarter basis.

The Agreement prohibits the Company and its significant subsidiaries from permitting liens to be placed on their properties or assets except in specified circumstances. If BellSouth or any of its subsidiaries defaults on any outstanding debt in excess of \$200 million, and such default results in the acceleration of such debt, then this will cause an event of default to occur under the Agreement.

A copy of the Agreement is attached as Exhibit 10ccc to this Current Report on Form 8-K.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant
