Item 5.02.

Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Compensatory Arrangements for Certain Officers.

The Board of Directors of Bar Harbor Bankshares (the Company), upon the recommendation of the Company's Compensation Committee, which, among other things, reviews and approves incentive plans for its executive officers, approved the 2017 Annual Incentive Plan for senior management members to be effective upon the close of business January 13, 2017. The Annual Incentive Plan (the Plan) and designated target awards for fiscal year 2017 (calculated as a percentage of base salary) includes certain executive officers of the Company and its wholly owned first tier bank and second tier trust company subsidiaries, including the Company's named executive officers.

The Plan focuses on rewards for the achievement of specific goals that the Company believes are critical to the growth and profitability of the Company. The principal objectives of the plan are to:

- .
Focus executive attention on key business metrics;
- .
Align compensation with organizational and individual performance;
- .
Encourage teamwork and collaboration across all areas of the Company to drive improved business results;
- .
Motivate and reward the achievement of specific, measurable performance objectives;
- .
Provide competitive total cash compensation;
- .
Provide significant rewards for achieving and exceeding performance results; and
- .
Enable the Company to attract and retain the talent needed to drive success.

In order for the Plan to activate and any payments to be made, the Company must achieve a set net income trigger. The performance period and Plan operate on a calendar year basis (January 1st to December 31st).

The table below summarizes the incentive ranges for the 2017 year as a percentage of base salary payout for the Company's five named executive officers.

2017 Short-Term Incentive Targets	Below Threshold	Threshold (50% of Target)	Target (100%)	Stretch (150%) of Target
Curtis S. Simard, President and CEO Josephine Iannelli	0%	19.00%	38.00%	57.00%
Executive Vice President and CFO Richard B. Maltz,	0%	14.00%	28.00%	42.00%
Executive Vice President and Chief Operating Officer William J. McIver	0%	14.00%	28.00%	42.00%
Executive Vice President and Regional President Stephen M. Leackfeldt,	0%	14.00%	28.00%	42.00%
Executive Vice President, Retail Banking	0%	12.50%	25.00%	37.50%

Plan team performance goals are based on net income, efficiency ratio, asset quality measurements, and strategic initiatives. Each individual will fund the distribution pool based on achievement and their percentage of pay detailed in the table above.

Sixty percent of an executive's achievement percentage will be distributed to the executive. The remaining forty percent will be used to fund a team pool to be distributed to plan participants at the discretion of the Compensation Committee. If an executive's Target percent in the table is twenty-five percent and Target is achieved, then fifteen percent (representing 60%) will be paid to the executive and the remaining ten percent (representing 40%) will fund a team pool to be distributed based on the Compensation Committee's discretion.

The Company has developed the Plan based on existing business, market and economic conditions. If substantial changes occur that affect these conditions, the Company may add to, amend, modify or discontinue any of the terms or conditions of the Plan at any time. The Compensation Committee may, at its sole discretion, waive, change or amend the Plan, as it deems appropriate.
