Item 2.02 Results of Operations and Financial Condition.

On November 8, 2011, NACCO Industries, Inc. (the "Company") issued a press release announcing the unaudited financial results for the three and nine-month periods ended September 30, 2011, a copy of which is attached as Exhibit 99 to this Current Report on Form 8-K.

The information set forth in Item 2.02 of this Current Report on Form 8-K and the information attached hereto are being furnished by the Company pursuant to Item 2.02 of Form 8-K, insofar as they disclose historical information regarding the Company's results of operations.

Item 8.01. Other Events.

On November 8, 2011, the Company announced that the Company's Board of Directors approved the repurchase of up to \$50 million of the Company's outstanding Class A common stock. The timing and amount of any repurchases will be determined at the discretion of the Company's management based on a number of factors, including the availability of capital, other capital allocation alternatives and market conditions for the Company's Class A common stock. The authorization for the repurchase program expires on December 31, 2012. The share repurchase program does not require the Company to acquire any specific number of shares. It may be modified, suspended, extended or terminated by the Company at any time without prior notice and may be executed through open market purchases, privately negotiated transactions or otherwise. All or part of the repurchases may be implemented under a Rule 10b5-1 trading plan, which would allow repurchases under pre-set terms at times when the Company might otherwise be prevented from doing so.

Item 9.01 Financial Statements and Exhibits.
