Edgar Filing: BNP RESIDENTIAL PROPERTIES INC - Form 8-K/A

Form 8-K dated March 31, 2005, and filed April 5, 2005, to provide required financial statements and pro forma financial information.

Item 2.01 Completion of Acquisition of Assets

Acquisition of Shugart properties effective March 31, 2005

Effective March 31, 2005, BNP Residential Properties, Inc. completed the acquisition of a portfolio of four apartment properties pursuant to exchange agreements entered into in December 2004. We initially reported completion of this acquisition in our Current Report on Form 8-K dated March 31, 2005 and filed April 5, 2005. We had previously reported entry into these agreements in our Current Report on Form 8-K dated December 7, 2004.

Each selling entity is an affiliate of Grover F. Shugart, Jr. and/or Brian D. Shugart, and we refer to the apartment properties collectively as the "Shugart properties." Prior to the acquisition, BNP provided third-party management services for these properties.

The four apartment properties are as follows:

- o Canterbury Apartments, located in Myrtle Beach, South Carolina - 630 apartment units;
- o Laurel Springs - Phase I Apartments, located in High Point, North Carolina - 240 apartment units;
- o Laurel Springs - Phase II Apartments, located in High Point, North Carolina - 96 apartment units; and
- o Salem Ridge Apartments, located in Winston-Salem, North Carolina - 120 apartment units.

We will operate Laurel Springs and Laurel Springs II Apartments as one community.

We acquired the apartment properties for an aggregate contract price of \$51.8 million, including issuance of 689,947 units in our operating partnership valued at \$9.3 million and assumption of \$42.8 million in debt. We also received approximately \$0.3 million in net operating assets, composed primarily of escrow funds held by lenders.

The preliminary allocation of the purchase price includes the following significant components (all amounts in thousands):

Property	Contract Price of Real Estate Assets	Debt Assumed	Valu Opera Partnersh
Canterbury Apartments	\$ 25,750	\$ 22,992	\$ 3
Laurel Springs Apartments	14,610	11,320	3
Laurel Springs II Apartments	7,090	5,850	1
Salem Ridge Apartments	4,360	2,610	1
	-----	-----	-----
	\$ 51,810	\$ 42,772	\$ 9
	=====	=====	=====

We issued 615,873 operating partnership units to the selling entities

Edgar Filing: BNP RESIDENTIAL PROPERTIES INC - Form 8-K/A

on March 31, 2005, subject to final settlement amounts for net operating assets in June 2005. We will issue the remaining 74,074 operating partnership units on March 31, 2006.

We included these assets and liabilities in our consolidated balance sheet included in our Current Report on Form 10-Q for the quarter ended March 31, 2005.

We have included statements of revenues and certain operating expenses for these properties, for the year ended December 31, 2004, and for the period January 1 through March 30, 2005, in this Current Report on Form 8-K/A, Amendment #1.

Report of Independent Auditors

Board of Directors and Stockholders
BNP Residential Properties, Inc.

We have audited the accompanying statement of revenue and certain operating expenses of Canterbury Apartments for the year ended December 31, 2004. This statement is the responsibility of Canterbury Apartments' management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis of designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Apartments' internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenue and certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 1, and is not intended to be a complete presentation of Canterbury Apartments' revenues and expenses.

Edgar Filing: BNP RESIDENTIAL PROPERTIES INC - Form 8-K/A

In our opinion, the statement of revenue and certain operating expenses referred to above presents fairly, in all material respects, the revenue and certain operating expenses described in Note 1 for Canterbury Apartments for the year ended December 31, 2004 in conformity with accounting principles generally accepted in the United States of America.

Use of estimates

We are required to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes in order to prepare them in accordance with generally accepted accounting principles. Actual results could differ from those amounts.

Interim financial data

Notes to Statements of Revenue and Certain Operating Expenses
For the year ended December 31, 2004 and
For the three months ended March 31, 2005 (Unaudited)

Edgar Filing: BNP RESIDENTIAL PROPERTIES INC - Form 8-K/A

A. Summary of Significant Accounting Policies

Basis of presentation

These statements of revenue and certain operating expenses reflect the operations of an apartment property located in Charleston, South Carolina. Paces Watch Apartments is not a legal entity; it is an apartment property acquired by BNP Residential Properties, Inc. in May, 2005. The 232-unit apartment property was built in 1987.

We prepared these statements in accordance with Rule 3-14 of Regulation S-X. Accordingly, these statements exclude items such as interest, depreciation and amortization, and general and administrative expenses that are not comparable to the anticipated future on-site operations of the apartment property.

Revenue recognition

Paces Watch Apartments leased its residential apartments under operating leases with monthly payments due in advance. The majority of the apartment leases were for terms of one year or less. Rental and other revenues were recorded as earned.

Advertising expense

Paces Watch Apartments charged advertising costs to property operations expense as incurred. Advertising expense included in property operations expense totaled approximately \$22,000 for the year ended December 31, 2004 and approximately \$5,000 for the interim period in 2005.

Use of estimates

We are required to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes in order to prepare them in accordance with generally accepted accounting principles. Actual results could differ from those amounts.

Unaudited interim financial data

The financial statements for the three months ended March 31, 2005, include all adjustments that are, in management's opinion, necessary for a fair presentation of the revenues and certain operating expenses for this interim period. Operating results for the three months ended March 31, 2005, are not necessarily indicative of the results to be expected for the entire year ending December 31, 2005.

B. Environmental matters

Paces Watch Apartments has been subjected to Phase I environmental reviews. These reviews did not reveal, nor is management aware of, any environmental liability that management believes would have a material adverse effect on the accompanying financial statements.

These statements are the responsibility of the management of BNP Residential Properties, Inc. Our responsibility is to express an opinion on the Statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Account Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Statements. We believe that our audits provide a reasonable basis for our opinion.

Introduction to Unaudited Pro Forma Financial Statements

You should read the following unaudited statements in conjunction with our Annual Report on Form 10-K for the year ended December 31, 2004, and our Quarterly Report on Form 10-Q for the quarter ended March 31, 2005. We believe the pro forma condensed consolidated financial information provides all adjustments necessary to reflect the effects of:

- o our acquisition of Canterbury Apartments, Laurel Springs Apartments, Laurel Springs II Apartments, and Salem Ridge Apartments (which we refer to collectively as the "Shugart properties") in March 2005;
- o our acquisitions of Waverly Place Apartments in April 2005 and Paces Watch Apartments in May 2005; and
- o our inclusion of the accounts of Marina Shores Associates One Limited Partnership ("Marina Shores Partnership") and The Villages of Chapel Hill Limited Partnership (the "Villages Partnership") in our consolidated financial statements effective late January 2005.

We have presented the unaudited pro forma condensed consolidated balance sheet as of March 31, 2005, as if we had acquired Waverly Place and Paces Watch Apartments as of March 31, 2005.

We have presented the unaudited pro forma condensed consolidated statement of operations for the three months ended March 31, 2005, as if we had acquired the Shugart properties, Waverly Place Apartments and Paces Watch Apartments as of January 1, 2005, and as if we had consolidated the accounts of Marina Shores Partnership and the Villages Partnership effective January 1,

We have presented the unaudited pro forma condensed consolidated statement of operations for the year ended December 31, 2004, as if we had acquired the Shugart properties, Waverly Place Apartments and Paces Watch Apartments as of January 1, 2004, and as if we had consolidated the accounts of Marina Shores Partnership and the Villages Partnership effective January 1, 2004.

These allocations may be adjusted in the future upon finalization of these preliminary estimates. These pro forma statements have been prepared for informational purposes only and are not necessarily indicative of future results or of actual results that would have been achieved if we had really acquired the properties as of the dates described above.
